Note 2: Leases

The Company utilizes lease agreements to meet its operating needs. These leases support global staff via the use of office space, warehouses, vehicles and information technology (IT) equipment. The Company utilizes both operating and finance leases in its portfolio of leased assets, however, the majority of these leases are classified as operating. A significant portion of the volume of the lease portfolio is in fleet vehicles and IT office equipment; however, real estate leases constitute a majority of the value of the

ROU assets. Lease agreements are utilized worldwide, with the largest location concentration in the United States, Germany and India. The Company's lease population has initial lease terms ranging from less than one year to approximately ten years. Some leases include one or more options to renew, with renewal terms that can extend the lease term from six months to 15 years.

The following table summarizes the weighted-average remaining lease terms and discount rates related to the Company's lease population at:

	March 31, 2020	March 31, 2019
Weighted-average remaining lease terms (in years)		
Operating leases	4.1	4.5
Finance leases	3.2	2.8
Weighted-average discount rate		
Operating leases	10.6%	14.3%
Finance leases	14.6%	26.7%

The weighted-average discount rates used for operating and finance leases varies due to the jurisdictional composition. The Company has an immaterial amount of finance leases that are primarily comprised of leases in Turkey which have higher interest rates.

Certain lease agreements include payments based on a variety of global indexes or rates. These payment amounts have been projected using the index or rate as of lease commencement or the transition date and measured in ROU assets and lease liabilities. Other leases contain variable payments that are based on actual usage of the underlying assets and, therefore, are not measured in assets or liabilities as the variable payments are not based on an index or a rate. For real estate leases, these payments are most often tied to non-committed maintenance or utilities charges, and for equipment leases, to actual output or hours in operation. These amounts typically become known when the invoice is received, which is when expense is recognized. In rare circumstances, the Company's lease agreements may contain residual value guarantees. The Company's lease agreements do not contain any restrictions or covenants, such as those relating to dividends or incurring additional financial obligations.

As of March 31, 2020, the Company did not have any material leases that have not yet commenced but that create significant rights and obligations.

The Company determines whether an arrangement is or includes a lease at contract inception. All contracts containing the right to use an underlying asset are reviewed to confirm that the contract meets the definition of a lease. ROU assets and liabilities are recognized at commencement date and initially measured based on the present value of lease payments over the defined lease term.

As most leases do not provide an explicit rate, the Company uses its incremental borrowing rate based on the information available at commencement date in determining the present value of lease payments. In order to apply the incremental borrowing rate, a rate table was developed to assign the appropriate rate to each lease based on lease term and currency of payments. For leases with large numbers of underlying assets, a portfolio approach with a collateralized rate was utilized. Assets were grouped based on similar lease terms and economic environments in a manner whereby the Company reasonably expects that the application does not differ materially from a lease-by-lease approach.

Note 3: Earnings (Loss) Per Share

Basic earnings (loss) per share is based on the weighted-average number of common shares outstanding. Diluted earnings (loss) per share includes the dilutive effect of potential common shares outstanding. Under the two-class method of computing earnings (loss) per share, non-vested share-based payment awards that contain rights to receive non-forfeitable dividends are considered participating securities. The Company's participating securities include restricted stock units (RSUs), director deferred shares and shares that were vested but deferred by employees. The Company calculated basic and diluted earnings (loss) per share under both the treasury stock method and the two-class method. For the three months ended March 31, 2020 and 2019, there were no differences in the earnings (loss) per share amounts calculated under the two methods. Accordingly, the treasury stock method is disclosed below; however, the weighted-average number of shares used in the computation of diluted earnings (loss) per share are excluded due to the Company's net loss.

Note 4: Share-Based Compensation

The Company's share-based compensation to employees is recognized based on grant-date fair values during the period in which the employee is required to provide services in exchange for the award. Share-based compensation is primarily recognized as a component of selling and administrative expense. Total share-based compensation expense was \$4.0 and \$9.3 for the three months ended March 31, 2020 and 2019, respectively. Share-based compensation decreased \$5.3 to \$4.0 for the three months ended March 31, 2020 primarily due to a reduction in shares granted. The Company has certain performance and restricted stock units that will be settled in cash and are accounted for as liabilities. The total compensation expense was \$3.1 and \$2.1 for the three months ended March 31, 2020 and 2019. These awards vest ratably over a three year period.

Options outstanding and exercisable as of March 31, 2020 are included under the Company's 1991 Equity and Performance Incentive Plan (as Amended and Restated as of February 12, 2014) (the 1991 Plan) and the Company's 2017 Equity and Performance Incentive Plan (the 2017 Plan). Changes during the three months ended March 31, 2020 were as follows:

	Number of Shares	Weighted- Average Exercise Price (per share)	Weighted- Average Remaining Contractual Term (in years)	Aggregate Intrinsic Value ⁽¹⁾
Outstanding at January 1, 2020	2.4	\$ 14.89

Outstanding at March 31, 2020	<u>2.7</u>	\$ 14.38	8	\$ 7.0
Options exercisable at March 31, 2020	<u>1.4</u>	\$ 19.82	7	\$ 2.3
Options vested and expected to vest ⁽²⁾ at March 31, 2020	2.7	\$ 14.38	8	\$ 7.0

⁽¹⁾ The aggregate intrinsic value (the difference between the closing price of the Company's common shares on the last trading day of the first quarter of 2020 and the exercise price, multiplied by the number of "in-the-money" options) that would have been received by the option holders had all option holders exercised their options on March 31, 2020. The amount of aggregate intrinsic value will change based on the fair market value of the Company's common shares.

⁽²⁾ The options expected to vest are the result of applying the pre-vesting forfeiture rate assumption to total outstanding non-vested options.

Performance shares are granted to employees and vest based on the achievement of certain performance objectives, as determined by the board of directors each year. Each performance share earned entitles the holder to one common share of the Company. The Company's performance shares include performance objectives that are assessed after a three-year period as well as performance objectives that are assessed annually over a three-year period. No shares are vested unless certain performance threshold objectives are met.

As of March 31, 2020, there were 0.1 non-employee director deferred shares vested and outstanding.

On May 1, 2020, the Company's shareholders approved amendments to the 2017 Plan, which provide for an additional 1.9 common shares available for award. The 2017 Plan is expected to attract and retain directors, officers and employees of the Company by providing incentives and rewards for performance.

Note 5: Income Taxes

The effective tax rate on the loss from continuing operations was (27.2) percent for the three months ended March 31, 2020. The expense on the loss was primarily due to the tax impacts of the U.S. Tax Cuts and Jobs Act (Tax Act) on the estimated projected tax rate and, more specifically, the impacts related to global intangible low-taxed income (GILTI). In addition, a partial valuation allowance against interest expense carryforwards and the Company's jurisdictional income (loss) mix at varying statutory rates impacted the estimated projected tax rate.

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security (CARES) Act was enacted providing \$2.2 trillion of economic stimulus relief to address the market conditions due to the recent outbreak of the coronavirus (COVID-19). Among other things, the CARES Act provides a package of corporate tax provisions including the ability for companies to carry back to five preceding years net operating loss (NOL) carryforwards generated in tax years starting after December 31, 2017 and before January 1, 2021. Also, the 80 percent taxable income limitation was temporarily removed increasing the amount of NOL carryforwards that can be deducted in 2018, 2019 and 2020, and the CARES Act increased the deduction limitation for business interest expense to 50 percent from 30 percent. The Company evaluated the impact of the CARES Act to its income tax provision and cash flow and does not believe the effects are material.

The effective tax rate on the loss before taxes was (85.0) percent for the three months ended March 31, 2019. The expense on the loss is due primarily to the tax impacts of the Tax Act on the estimated projected tax rate. More specifically, the impacts of the GILTI and base erosion and anti-abuse tax (BEAT). In addition, the Company collapsed its Barbados structure to meet the debt covenant requirements from our lenders during the quarter which resulted in additional discrete tax expense which is being offset in part by the valuation allowance release relating to the Company's nondeductible interest expense resulting in no additional cash taxes. The above items noted as well as the Company's jurisdictional income (loss) mix and varying respective statutory rates are the primary drivers of the quarterly tax rate.

Note 7: Investments

The Company's investments, primarily in Brazil, consist of certificates of deposit that are classified as available-for-sale and stated at fair value based upon quoted market prices. Unrealized gains and losses are recorded in accumulated other comprehensive loss (AOCI). Realized gains and losses are recognized in investment income, determined using the specific identification method, and were minimal. There were no realized gains from the sale of securities or proceeds from the sale of available-for-sale securities for the three months ended March 31, 2020 and 2019.

The Company has deferred compensation plans that enable certain employees to defer receipt of a portion of their cash, 401(k) or share-based compensation and non-employee directors to defer receipt of director fees at the participants' discretion. For deferred cash-based compensation, the Company established rabbi trusts (refer to note 18), which are recorded at fair value of the underlying securities within securities and other investments. The related deferred compensation liability is recorded at fair value within other long-term liabilities. Realized and unrealized gains and losses on marketable securities in the rabbi trusts are recognized in interest income.

The Company's investments subject to fair value measurement consist of the following:

	Cost Basis	Unrealized Gain / (Loss)	Fair Value

Short-term investments			
Certificates of deposit	<u>\$ 13.5</u>	<u>\$ —</u>	<u>\$ 13.5</u>

Securities and other investments also includes a cash surrender value of insurance contracts of \$13.2 and \$15.2 as of March 31, 2020 and December 31, 2019, respectively. The decrease is primarily due to death benefits paid.

The Company has certain strategic alliances that are not consolidated. The Company tests these strategic alliances annually, individually and in the aggregate, to determine materiality. The Company owns 40.0 percent of Inspur (Suzhou) Financial Technology Service Co. Ltd. (Inspur JV) and 43.6 percent of Aisino-Wincor Retail & Banking Systems (Shanghai) Co., Ltd. (Aisino JV). The Company engages in transactions in the ordinary course of business with its strategic alliances. The Company's strategic alliances are not significant subsidiaries and are accounted for under the equity method of accounting. As of March 31, 2020, the Company had accounts receivable and accounts payable balances with these strategic alliances of \$8.8 and \$17.6, respectively, which are included in trade receivables, less allowances for doubtful accounts and accounts payable on the condensed consolidated balance sheets. The Company continues to assess these strategic alliances as part of the optimization of its portfolio of businesses, which may include the exit or restructuring of these businesses.

The Company records interest income and any fees or costs related to financing receivables using the effective interest method over the term of the lease. The Company reviews the aging of its financing receivables to determine past due and delinquent accounts. Credit quality is reviewed at inception and is re-evaluated as needed based on customer-specific circumstances. Receivable balances 60 days to 89 days past due are reviewed and may be placed on nonaccrual status based on customer-specific circumstances. Receivable balances are placed on nonaccrual status upon reaching greater than 89 days past due. Upon receipt of payment on nonaccrual financing receivables, interest income is recognized and accrual of interest is resumed once the account has been made current or the specific circumstances have been resolved.

On March 11, 2020, the World Health Organization characterized the outbreak of COVID-19 as a global pandemic and recommended actions for containment and mitigation. The Company is actively monitoring the impact of the COVID-19 pandemic, which will likely impact the global economy including our business and results of operations for the rest of 2020, and the extent of the impact cannot be reasonably estimated at this time. The extent of the COVID-19 impact to our operations will depend largely on future developments, along with any new information that may emerge regarding the severity of the pandemic and the actions taken by government authorities to mitigate the spread of the virus, among other factors, all of which are highly uncertain and cannot be accurately predicted.

In accordance with the Company's accounting policy, goodwill is tested for impairment annually during the fourth quarter.

The Company identified four reporting units, which are Eurasia Banking, Americas Banking, EMEA Retail and Rest of World Retail. The Company considered there to be a triggering event and as a result of analysis performed during the first quarter of 2020, the Eurasia Banking, Americas Banking and EMEA Retail reporting units had sufficient cushion of estimated fair value in excess of carrying value as of March 31, 2020. Rest of World Retail had no goodwill as of March 31, 2020 and December 31, 2019. Changes in certain assumptions or the Company's inability to execute on the current plan could have a significant impact to the estimated fair value of the reporting units.

As a result of the uncertainty related to the COVID-19 pandemic, the Company could experience unfavorable impacts in the results of the reporting units and to the various assumptions used in the analysis of goodwill and will continue to assess potential triggering events.

respectively, which is variable based on the London Interbank Offered Rate (LIBOR). There is no additional amount available under the Revolving Facility as of March 31, 2020, after excluding \$26.6 in letters of credit.

On May 9, 2017, the Company entered into an incremental amendment to its Credit Agreement (the Incremental Agreement) which reduced the initial term loan B facility (the Term Loan B Facility) of a \$1,000.0 U.S. dollar-denominated tranche to \$475.0. The reduction was funded using the \$250.0 proceeds drawn from the Delayed Draw Term Loan A Facility, a replacement of \$70.0 with Term Loan B Facility - Euro and previous principal payments.

The Incremental Amendment also renewed the repricing premium of 1.00 percent in relation to the Term Loan B Facility to the date that is six months after the Incremental Effective Date, removed the requirements to prepay the repriced Dollar Term Loan and the repriced Euro Term Loan upon any asset sale or casualty event if the Company is below a total net leverage ratio of 2.5:1.0 on a pro forma basis for such asset sale or casualty event and provides additional restricted payments and investment carveouts in regards to assets acquired with the Acquisition. All other material provisions under the Credit Agreement were unchanged.

On August 30, 2018, the Company entered into a sixth amendment and incremental amendment (the Sixth Amendment) to its Credit Agreement. The Sixth Amendment amended the financial covenants and established a new senior secured incremental term A-1 facility in an aggregate principal amount of \$650.0 (Term Loan A-1 Facility) and makes certain other changes to the Credit Agreement. Following the execution of the Sixth Amendment, the Company has executed, and has caused certain of its subsidiaries to execute, certain foreign security and guaranty documents for the benefit of the secured parties under the Credit Agreement that provide for guarantees by, and additional security with respect to the equity interests in and the the stock of certain foreign subsidiaries.

The interest rate with respect to the Term Loan A-1 Facility is based on, at the Company's option, either the alternative base rate (ABR) plus 8.25 percent or a eurocurrency rate plus 9.25 percent. The Term A-1 Facility will mature in August 2022, the fourth anniversary of the Sixth Amendment. The Term Loan A-1 Facility is subject to a maximum consolidated net leverage ratio, a minimum consolidated interest coverage ratio and certain covenant reset triggers (Covenant Reset Triggers) as described in the Sixth Amendment. Upon the occurrence of any Covenant Reset Trigger, the financial covenant levels will automatically revert to previous financial covenant levels in effect prior to the Sixth Amendment.

On August 7, 2019, the Company entered into a seventh amendment (the Seventh Amendment) to its Credit Agreement. The Seventh Amendment amends and extends certain of the Term A Loans, Revolving Credit Commitments and Revolving Credit Loans maturing on December 23, 2020 (collectively, the 2020 Facilities), to April 30, 2022, to be effected by an exchange of 2020 Term A Loans, 2020 Revolving Credit Commitments and 2020 Revolving Credit Loans for 2022 Term A Loans, 2022 Revolving Credit Commitments and 2022 Revolving Credit Loans, respectively.

Additionally, the Company also raised \$116.7 of new 2022 Term A Loan financing to fund commitment reduction of the 2020 Revolving Credit Commitments, paydown of the 2020 Revolving Credit Loans and payoff of the remaining 2020 Term A Loans. As a result, the Company has \$343.7 and \$68.8 in 2022 and 2020 Revolving Credit Commitments, respectively, as well as \$358.1 in outstanding principal amount of 2022 Term A Loan.

The interest rates with respect to the 2022 Facilities are based on, at the Company's option, adjusted LIBOR or an alternative base rate, in each case plus an applicable margin tied to the Company's then applicable total net leverage ratio. Such applicable margins range from, for LIBOR-based 2022 Term A Loans, 1.25 percent to 4.75 percent, for LIBOR-based 2022 Revolving Loans, 1.25 percent to 4.25 percent, and for base-rate 2022 Term A Loans and 2022 Revolving Loans, 1.00 percent less than in the case of LIBOR-based loans.

The Credit Agreement financial ratios at March 31, 2020 were as follows:

- a maximum allowable total net debt to adjusted EBITDA leverage ratio of 7.00 to 1.00 as of December 31, 2019 (reducing to 6.50 on June 30, 2020, 6.25 on December 31, 2020, 6.00 on June 30, 2021, and 5.75 on December 31, 2021); and
- a minimum adjusted EBITDA to net interest expense coverage ratio of not less than 1.38 to 1.00 (increasing to 1.50 on December 31, 2020, and 1.63 on December 31, 2021).

The Company has \$400.0 aggregate principal amount of senior notes due 2024 (the 2024 Senior Notes), which are and will be guaranteed by certain of the Company's existing and future subsidiaries and mature in April 2024.

The debt facilities under the Credit Agreement are secured by substantially all assets of the Company and its domestic subsidiaries that are borrowers or guarantors under the Credit Agreement, subject to certain exceptions and permitted liens.

The Company's financing agreements contain various financial covenants, including net debt to capitalization, net debt to EBITDA and net interest coverage ratio, along with certain negative covenants that, among other things, limit dividends, acquisitions and the use of proceeds from divestitures. As of March 31, 2020, the Company was in compliance with the financial covenants in its debt agreements.

Note 12: Redeemable Noncontrolling Interests

Changes in the Company's redeemable noncontrolling interests balance are illustrated in the following table:

	2020	2019
Balance at January 1	\$ 20.9	\$ 130.4

Redemption value adjustment	(0.3)	(18.6)
Redemption of shares	—	(10.3)
Balance at March 31	\$ 20.6	\$ 99.8

At December 31, 2018, the balance related to the redeemable noncontrolling interest related to the Diebold Nixdorf AG ordinary shares the Company did not acquire was \$99.1. In May 2019, the Company announced that the merger/squeeze-out of Diebold Nixdorf AG was completed, streamlining and simplifying the Company's corporate structure. In the second quarter of 2019, the Company increased its ownership stake in Diebold Nixdorf AG to 29.8 ordinary shares, 100.0 percent ownership. With the completion of the merger/squeeze-out, only Diebold Nixdorf, Incorporated remains publicly-listed and no longer has subsidiary shares traded in Germany.

The remaining balance of \$20.6 as of March 31, 2020 relates to a certain noncontrolling interest in Europe, which has put right redemption features not within the control of the Company that are included in redeemable noncontrolling interests. The results of operations were not significant. The ultimate amount and timing of any future cash payments related to the put rights are uncertain.

Note 15: Acquisitions and Divestitures

Divestitures

In the first quarter of 2020, the Company divested Portavis GmbH, a non-core, Eurasia Banking consulting business, which resulted in a gain of \$1.8 and cash consideration received of \$10.1, excluding cash divested.

In 2019, the Company exited and divested certain non-core, non-accretive business which resulted in a gain of \$3.4 for the three months ended March 31, 2019, respectively. In the first quarter of 2019, the Company divested its interest in Projective NV, a program and project management services business for financial institutions included in Eurasia Banking operating segment, for \$4.2 in proceeds, net of cash transferred resulting in a loss \$2.8. During the first quarter of 2019, the Company also recorded a

loss of \$4.1 on the divestiture of its Venezuela business included in the Americas Banking operating segment and a gain of \$3.5 related to the Company's exit activities of certain entities in the Netherlands, related to the SecurCash B.V., included in the Retail operating segment. During the second quarter of 2019, the Company identified an immaterial error in the first quarter of 2019 for the loss (gain) on sale of assets, net related to this divestiture. Management determined this error was not material to the prior period and recorded the correction in the three months ended June 30, 2019 resulting in a \$9.5 charge in the loss (gain) on the sale of assets, net.

In the second quarter of 2019, the Company divested its remaining SecurCash B.V. entity included in the Eurasia Banking operating segment resulting in a loss of \$1.1. In the third quarter of 2019, the Company divested a Eurasia Banking business for proceeds of \$0.6 resulting in a loss of \$0.1. Additionally during the third quarter of 2019, the Company sold its interest in Kony for cash proceeds of \$21.3. The Company's carrying value in Kony was \$14.0, resulting in a gain of \$7.3 during the third quarter of 2019.

Acquisitions

During the first six months of 2019, the Company acquired the remaining shares of Diebold Nixdorf AG for \$97.5, inclusive of the redemption of shares and the proportionate recurring compensation pursuant to the DPLTA.

Note 16: Benefit Plans

Qualified Retirement Benefits. The Company has qualified retirement plans covering certain U.S. employees that have been closed to new participants since 2003 and frozen since December 2013. Plans that cover salaried employees provide retirement benefits based on the employee's compensation during the ten years before the date of the plan freeze or the date of their actual separation from service, if earlier. The Company's funding policy for salaried plans is to contribute annually based on actuarial projections and applicable regulations. Plans covering hourly employees generally provide benefits of stated amounts for each year of service. The Company's funding policy for hourly plans is to make at least the minimum annual contributions required by applicable regulations.

The Company's non-U.S. cover eligible employees located predominately in Germany, Switzerland, Belgium, the U.K. and France. Benefits for these plans are based primarily on each employee's final salary, with annual adjustments for inflation. The obligations in Germany consist of employer funded pension plans and deferred compensation plans. The employer funded pension plans are based upon direct performance-related commitments in terms of defined contribution plans. Each beneficiary receives, depending on individual pay-scale grouping, contractual classification, or income level, different yearly contributions. The contribution is multiplied by an age factor appropriate to the respective pension plan and credited to the individual retirement account of the employee. The retirement accounts may be used up at retirement by either a one-time lump-sum payout or payments of up to ten years. In Switzerland, the post-employment benefit plan is required due to statutory provisions. The employees receive their pension payments as a function of contributions paid, a fixed interest rate and annuity factors. Insured events for these plans are primarily disability, death and reaching of retirement age.

The Company has other defined benefit plans outside the U.S., which have not been mentioned here due to their insignificance.

Supplemental Executive Retirement Benefits. The Company has non-qualified pension plans in the U.S. to provide supplemental retirement benefits to certain officers, which were also frozen since December 2013. Benefits are payable at retirement based upon a percentage of the participant's compensation, as defined.

Other Benefits. In addition to providing retirement benefits, the Company provides post-retirement healthcare and life insurance benefits (referred to as other benefits) for certain retired employees. Retired eligible employees in the U.S. may be entitled to these benefits based upon years of service with the Company, age at retirement and collective bargaining agreements. There are no plan assets and the Company funds the benefits as the claims are paid. The post-retirement benefit obligation was determined by application of the terms of medical and life insurance plans together with relevant actuarial assumptions and healthcare cost trend rates.

Contributions

There have been no significant changes to the expected 2020 plan year contribution amounts previously disclosed. For the three months ended March 31, 2020 and 2019, contributions of \$13.7 and \$11.9, respectively, were made to the qualified and non-qualified pension plans. The Company anticipates reimbursement of approximately \$13 for certain benefits from its non-U.S. plan trustee in 2020. The Company received a reimbursement of \$12.2 for certain benefits paid from its non-U.S. plan trustee in June 2019.

The Company expects that pension benefit costs and financial position will fluctuate year-over-year, along with contribution requirements, due to the performance of plan assets and changes in interest rates, among others. As a result, the Company may not be able to reasonably estimate impact due to the uncertainty and extent of the COVID-19 pandemic and related macroeconomic implications along with actions taken by government authorities.

Note 17: Derivative Instruments and Hedging Activities

The Company is exposed to certain risks arising from both its business operations and economic conditions. The Company principally manages its exposures to a wide variety of business and operational risks through management of its core business activities. The Company manages economic risks, including interest rate and foreign exchange rate risk, through the use of derivative financial instruments. Specifically, the Company enters into derivative financial instruments to manage exposures that arise from business or financing activities. The Company's foreign currency derivative instruments are used to manage differences in the amount of the Company's known or expected cash receipts and cash payments principally related to the Company's non-functional currency assets and liabilities. The Company's interest rate derivatives are used to manage exposures to changes in interest rates on our variable-rate borrowings.

The Company uses derivatives to mitigate the economic consequences associated with fluctuations in currencies and interest rates. The following table summarizes the gain (loss) recognized on derivative instruments:

Derivative instrument	Classification on condensed consolidated statements of operations	Three Months Ended	
		March 31,	
		2020	2019
Non-designated hedges and interest rate swaps	Interest expense	\$ (1.5)	\$ (1.1)

Foreign exchange forward contracts and cash flow hedges	Foreign exchange gain (loss), net	(13.6)	0.2
Total		<u>\$ (14.8)</u>	<u>\$ (1.0)</u>

Foreign Exchange

Non-Designated Hedges A substantial portion of the Company's operations and revenues are international. As a result, changes in foreign exchange rates can create substantial foreign exchange gains and losses from the revaluation of non-functional currency monetary assets and liabilities. The Company's policy allows the use of foreign exchange forward contracts with maturities of up

to 24 months to mitigate the impact of currency fluctuations on those foreign currency asset and liability balances. The Company elected not to apply hedge accounting to certain of its foreign exchange forward contracts. Thus, spot-based gains/losses offset revaluation gains/losses within foreign exchange loss, net and forward-based gains/losses represent interest expense or income. The fair value of the Company's non-designated foreign exchange forward contracts was \$(3.9) and \$(0.4) as of March 31, 2020 and December 31, 2019, respectively.

Cash Flow Hedges The Company is exposed to fluctuations in various foreign currencies against its functional currency. At the Company, both sales and purchases are transacted in foreign currencies. Wincor Nixdorf International GmbH (WNI) is the Diebold Nixdorf AG currency management center. Currency risks in the aggregate are identified, quantified, and controlled at the WNI treasury center, and furthermore, it provides foreign currencies if necessary. The Diebold Nixdorf AG subsidiaries are primarily exposed to the GBP as the EUR is its functional currency. This risk is considerably reduced by natural hedging (i.e. management of sales and purchases by choice location and suppliers). For the remainder of the risk that is not naturally hedged, foreign currency forwards are used to manage the exposure between EUR-GBP.

Derivative instruments are recorded on the balance sheet at fair value. For transactions designated as cash flow hedges, the effective portion of changes in the fair value are recorded in AOCI and are subsequently reclassified into earnings in the period that the hedged forecasted transactions impact earnings. The ineffective portion of the change in fair value of the derivatives is recognized directly in earnings. As of March 31, 2020, the Company had the following outstanding foreign currency derivatives that were used to hedge its foreign exchange risks:

Foreign Currency Derivative	Number of Instruments	Notional Sold		Notional Purchased	
Currency forward agreements (EUR-GBP)	12	24.0	GBP	27.1	EUR

Interest Rate

Cash Flow Hedges The Company's objectives in using interest rate derivatives are to add stability to interest expense and to manage its exposure to interest rate movements. Amounts reported in AOCI related to derivatives will be reclassified to interest expense as interest payments are made on the Company's variable-rate debt.

In March 2020 and September 2019, the Company entered into multiple pay-fixed receive-variable interest rate swaps with aggregate notional amounts of \$250.0 and \$500.0, respectively. The effective portion of changes in the fair value of derivatives designated and that qualify as cash flow hedges is recorded in AOCI and is subsequently reclassified into earnings in the period that the hedged forecasted transaction affects earnings. The ineffective portion of the change in fair value of the derivatives is recognized directly in earnings.

In November 2016, the Company entered into multiple pay-fixed receive-variable interest rate swaps with an aggregate notional amount of \$400.0. The effective portion of changes in the fair value of derivatives designated and that qualify as cash flow hedges is recorded in AOCI and is subsequently reclassified into earnings in the period that the hedged forecasted transaction affects earnings. The ineffective portion of the change in fair value of the derivatives is recognized directly in earnings.

The Company has an interest rate swap for a nominal sum of €50.0, which was entered into in May 2010, with a ten-year term from October 1, 2010 until September 30, 2020. This interest rate swap mitigated the interest rate risk associated with the European Investment Bank debt, which was paid in full during 2017. For this interest swap, the three-month EURIBOR is received and a fixed interest rate of 2.97 percent is paid. The interest rate swap is not designated and changes in the fair value of non-designated interest rate swap agreements are recognized in Miscellaneous, net in the condensed consolidated statements of operations. The Company recognized \$0.5 of expense relating to the interest rate swap for both the three months ended March 31, 2020 and 2019.

Additionally, the Company does not use derivatives for trading or speculative purposes and currently does not have any additional derivatives that are not designated as hedges.

Note 19: Commitments and Contingencies

Indirect Tax Contingencies

The Company accrues non-income-tax liabilities for indirect tax matters when management believes that a loss is probable and the amounts can be reasonably estimated, while contingent gains are recognized only when realized. In the event any losses are sustained in excess of accruals, they are charged against income. In evaluating indirect tax matters, management takes into consideration factors such as historical experience with matters of similar nature, specific facts and circumstances and the likelihood of prevailing. Management evaluates and updates accruals as matters progress over time. It is reasonably possible that some of the matters for which accruals have not been established could be decided unfavorably to the Company and could require recognizing future expenditures. Also, statutes of limitations could expire without the Company paying the taxes for matters for which accruals have been established, which could result in the recognition of future gains upon reversal of these accruals at that time.

At March 31, 2020, the Company was a party to several routine indirect tax claims from various taxing authorities globally that were incurred in the normal course of business, which neither individually nor in the aggregate are considered material by management in relation to the Company's financial position or results of operations. In management's opinion, the condensed consolidated financial statements would not be materially affected by the outcome of these indirect tax claims and/or proceedings or asserted claims.

In addition to these routine indirect tax matters, the Company was a party to the proceedings described below:

The Company has challenged multiple customs rulings in Thailand seeking to retroactively collect customs duties on previous imports of automated teller machines (ATMs). In August 2017, March 2019 and August 2019, the Supreme Court of Thailand ruled in the Company's favor in three of the matters, finding each time that Customs' attempt to collect duties for importation of ATMs was improper. The surviving matters remain at various stages of the appeals process and the Company will use the Supreme Court's decisions in support of its position in those matters. Management remains confident that the Company has a valid legal position in these appeals. Accordingly, the Company does not have any amount accrued for this contingency.

A loss contingency is reasonably possible if it has a more than remote but less than probable chance of occurring. Although management believes the Company has valid defenses with respect to its indirect tax positions, it is reasonably possible that a loss could occur in excess of the estimated accrual. The Company estimated the aggregate risk at March 31, 2020 to be up to \$89.1 for its material indirect tax matters, of which \$30.4 related to the Thailand customs matter disclosed above. The aggregate risk related to indirect taxes is adjusted as the applicable statutes of limitations expire.

Legal Contingencies

At March 31, 2020, the Company was a party to several lawsuits that were incurred in the normal course of business, which neither individually nor in the aggregate were considered material by management in relation to the Company's financial position or results of operations. In management's opinion, the Company's condensed consolidated financial statements would not be materially affected by the outcome of these legal proceedings, commitments or asserted claims.

In addition to these normal course of business litigation matters, the Company is a party to the proceedings described below:

Diebold KGaA is a party to two separate appraisal proceedings (Spruchverfahren) in connection with the purchase of all shares in its former listed subsidiary, Diebold Nixdorf AG. Both proceedings are pending at the same Chamber for Commercial Matters (Kammer für Handelssachen) at the District Court (Landgericht) of Dortmund (Germany). The first appraisal proceeding relates to the Domination and Profit and Loss Transfer Agreement, dated September 26, 2016 (the DPLTA) entered into by Diebold KGaA and former Diebold Nixdorf AG, which became effective on February 17, 2017. The DPLTA appraisal proceeding was filed by minority shareholders of Diebold Nixdorf AG challenging the adequacy of both the cash exit compensation of €55.02 per Diebold Nixdorf AG share (of which 6.9 shares were then outstanding) and the annual recurring compensation of €2.82 per Diebold Nixdorf AG share offered in connection with the DPLTA.

The second appraisal proceeding relates to the cash merger squeeze-out of minority shareholders of Diebold Nixdorf AG in 2019. The squeeze-out appraisal proceeding was filed by minority shareholders of Diebold Nixdorf AG challenging the adequacy of the

DIEBOLD NIXDORF, INCORPORATED AND SUBSIDIARIES

(unaudited)
(in millions, except per share amounts)

cash exit compensation of €54.80 per Diebold Nixdorf AG share (of which 1.4 shares were then outstanding) in connection with the merger squeeze-out.

In both appraisal proceedings, a court ruling would apply to all Diebold Nixdorf AG shares outstanding at the time when the DPLTA or the merger squeeze-out, respectively, became effective. Any cash compensation received by former Diebold Nixdorf AG shareholders in connection with the merger squeeze-out would be netted with any higher cash compensation such shareholder may still claim in connection with the DPLTA appraisal proceeding. While the Company believes that the compensation offered in connection with the DPLTA and the merger squeeze-out was in both cases fair, it notes that German courts often adjudicate increases of the cash compensation to plaintiffs in varying amounts in connection with German appraisal proceedings. Therefore, the Company cannot rule out that the first instance court or an appellate court may increase the cash compensation also in these appraisal proceedings. The Company, however, is convinced that its defense in both appraisal proceedings which are still at preliminary stages is supported by strong sets of facts and the Company will continue to vigorously defend itself in these matters.

In July and August 2019, shareholders filed putative class action lawsuits alleging violations of federal securities laws in the United States District Court for the Southern District of New York and the Northern District of Ohio. The lawsuits collectively assert that the Company and three former officers made material misstatements regarding the Company's business and operations, causing the Company's common stock to be overvalued from February 14, 2017 to August 1, 2018. The lawsuits have been consolidated before a single judge in the United States District Court for the Southern District of New York and lead plaintiffs appointed. The Company intends to vigorously defend itself in this matter and management remains confident that it has valid defenses to these claims. As with any pending litigation, the Company is unable to predict the final outcome of this matter.

In January 2020, the Company's Board of Directors received a demand letter from alleged shareholders to investigate and pursue claims for breach of fiduciary duty against certain current and former directors and officers based on the Company's statements regarding its business and operations, which are substantially similar to those challenged in the federal securities litigation. The Board has not yet responded to the demand.

Note 20: Segment and Revenue Information

The Company's accounting policies result in segments that are the same as those the Chief Operating Decision Maker (CODM) regularly reviews and uses to make decisions, allocate resources and assess performance. The Company continually considers its operating structure and the information subject to regular review by its Chief Executive Officer, who is the CODM, to identify reportable operating segments. The Company's operating structure is based on a number of factors that management uses to evaluate, view and run its business operations, which currently includes, but is not limited to, product, service and solution. The Company's reportable operating segments are based on the following solutions: Eurasia Banking, Americas Banking and Retail.

Segment revenue represents revenues from sales to external customers. Segment operating profit is defined as revenues less expenses direct and allocated to those segments. The Company does not allocate to its segments certain operating expenses, managed at the corporate level; that are not routinely used in the management of the segments; or information that is impractical to allocate. These unallocated costs include certain corporate costs and amortization of acquired intangible assets, restructuring charges, impairment charges, legal, indemnification and professional fees related to acquisition and divestiture expenses, along with other income (expenses). Segment operating profit reconciles to consolidated income (loss) before income taxes by deducting corporate costs and other income or expense items that are not attributed to the segments. Corporate charges not allocated to segments include headquarter-based costs associated with procurement, human resources, compensation and benefits, finance and accounting, global development/engineering, global strategy/mergers and acquisitions, global IT, tax, treasury and legal. Assets are not allocated to segments, and thus are not included in the assessment of segment performance, and consequently, we do not disclose total assets and depreciation and amortization expense by reportable operating segment.

Contract balance information	Trade Receivables	Contract liabilities
Balance at December 31	\$ 619.3	\$ 320.5
Balance at March 31	\$ 594.5	\$ 371.4

Contract assets are minimal for the periods presented. The amount of revenue recognized during the three months ended March 31, 2020 and 2019 from performance obligations satisfied (or partially satisfied) in previous periods, mainly due to the changes in the estimate of variable consideration and contract modifications was de minimis. There have been \$4.8 and \$3.4 during the three months ended March 31, 2020 and 2019, respectively, of impairment losses recognized as bad debt related to receivables or contract assets arising from the Company's contracts with customers.

FORM 10-Q as of March 31, 2020
Notes to Condensed Consolidated Financial Statements (continued)
(unaudited)

As of December 31, 2019, the Company had \$320.5 of unrecognized deferred revenue constituting the remaining performance obligations that are unsatisfied (or partially unsatisfied). During the three months ended March 31, 2020, the Company recognized revenue of \$138.3 related to the Company's deferred revenue balance at December 31, 2019.

Contract assets are the rights to consideration in exchange for goods or services that the Company has transferred to a customer when that right is conditional on something other than the passage of time. Contract assets of the Company primarily relate to the Company's rights to consideration for goods shipped and services provided but not contractually billable at the reporting date.

The contract assets are reclassified into the receivables balance when the rights to receive payment become unconditional. Contract liabilities are recorded for any services billed to customers and not yet recognizable if the contract period has commenced or for the amount collected from customers in advance of the contract period commencing. In addition, contract liabilities are recorded as advanced payments for products and other deliverables that are billed to and collected from customers prior to revenue being recognizable.

Transaction price allocated to the remaining performance obligations

As of March 31, 2020, the aggregate amount of the transaction price allocated to remaining performance obligations was approximately \$1,500. The Company generally expects to recognize revenue on the remaining performance obligations over the next twelve months. The Company enters into service agreements with cancellable terms after a certain period without penalty. Unsatisfied obligations reflect only the obligation during the initial term. The Company applies the practical expedient in ASC paragraph 606-10-50-14 and does not disclose information about remaining performance obligations that have original expected durations of one year or less.

Note 21: Supplemental Guarantor Information

The Company issued the 2024 Senior Notes in an offering exempt from the registration requirements of the Securities Act of 1933. The 2024 Senior Notes are and will be guaranteed by certain of the Company's existing and future domestic subsidiaries. In addition, the 2024 Senior Notes are guaranteed by a foreign subsidiary of the Company. The following presents the condensed consolidating financial information separately for:

- (i) Diebold Nixdorf, Incorporated (the Parent Company), the issuer of the guaranteed obligations;
- (ii) Domestic guarantor subsidiaries, on a combined basis, as specified in the indenture governing the Company's obligations under the 2024 Senior Notes;
- (iii) Non-guarantor subsidiaries, on a combined basis;
- (iv) Consolidating entries and eliminations representing adjustments to (a) eliminate intercompany transactions between the Parent Company, the guarantor subsidiaries, and the non-guarantor subsidiaries, (b) eliminate the investments in its subsidiaries, and (c) record consolidating entries; and
- (v) Diebold Nixdorf, Incorporated and subsidiaries on a consolidated basis.

Each guarantor subsidiary is 100 percent owned by the Parent Company at the date of each balance sheet presented. The 2024 Senior Notes are fully and unconditionally guaranteed on a joint and several basis by each guarantor subsidiary. The guarantees of the guarantor subsidiaries are subject to release in limited circumstances only upon the occurrence of certain conditions. Each entity in the consolidating financial information follows the same accounting policies as described in the condensed consolidated financial statements, except for the use by the Parent Company and the guarantor subsidiaries of the equity method of accounting to reflect ownership interests in subsidiaries which are eliminated upon consolidation. Changes in intercompany receivables and payables related to operations, such as intercompany sales or service charges, are included in cash flows from operating activities. Intercompany transactions reported as investing or financing activities include the sale of capital stock of various subsidiaries, loans and other capital transactions between members of the consolidated group.

Certain non-guarantor subsidiaries of the Parent Company are limited in their ability to remit funds to it by means of dividends, advances or loans due to required foreign government and/or currency exchange board approvals or limitations in credit agreements or other debt instruments of those subsidiaries.

DN Now Transformation Activities

Commensurate with its strategy, the Company is executing its multi-year transformation program called DN Now to relentlessly focus on its customers while improving operational excellence. Key activities include:

- Transitioning to a streamlined and customer-centric operating model
- Implementing a services modernization plan which focuses on upgrading certain customer touchpoints, automating incident reporting and response, and standardizing service offerings and internal processes
- Streamlining the product range of ATMs and manufacturing footprint
- Improving working capital management through greater focus and efficiency of payables, receivables and inventory
- Reducing administrative expenses, including finance, IT and real estate
- Increasing sales productivity through improved coverage and compensation arrangements
- Standardizing back-office processes to automate reporting and better manage risks
- Optimizing the portfolio of businesses to improve overall profitability

These work streams are designed to improve the Company's profitability and net leverage ratio while establishing a foundation for future growth. The gross annualized savings target for DN Now is approximately \$440 through 2021. In order to achieve these savings, the Company has and will continue to restructure the workforce globally, integrate and optimize systems and processes, transition workloads to lower cost locations, renegotiate and consolidate supplier agreements and streamline real estate holdings. By executing on these and other operational improvement activities, the Company expects to increase customer intimacy and satisfaction, while providing career enrichment opportunities for employees and enhancing value for shareholders. In 2019, the Company achieved approximately \$175 in annualized gross run rate savings. The cost to achieve these savings was approximately \$115 and was largely due to restructuring and the implementation of DN Now transformational programs.

COVID-19 Response

As a result of the global COVID-19 pandemic, the Company's priorities have been the health and safety of its employees, continuing to serve the Company's customers as an essential service, and taking steps to protect its operational foundation. The Company has taken multiple measures to protect its employees, and it continues to evolve those measures based on input from various health authorities. The Company is equipping its service technicians with the appropriate protective gear and training them on evolving hygiene practices and social distancing rules. For employees in manufacturing facilities, the Company has segmented its workers and has implemented daily temperature checks. The Company is providing the proper tools, resources and guidance for its support functions to safely and productively work from home during the crisis, including establishing an employee crisis reserve fund which is available for employees who need support. The Company has also focused on the stability of its suppliers and supply chain, as borders have shut and logistics have become more challenging.

The Company has been designated as providing "critical infrastructure" services by the majority of government entities including the United States Department of Homeland Security in order to promote public health and safety, as well as economic and national security during the COVID-19 outbreak. These designations recognize the vital role Diebold Nixdorf plays in allowing consumers to reliably and safely access financial services and essential retailers across more than 60 countries.

In taking measures to strengthen its operations during this period of uncertainty, the Company continues to execute its DN Now transformation program, and is accelerating certain elements of the program. It has also added additional cost measures that are in the midst of execution — such as reducing the annual bonus plan, deferring merit pay increases and instating a hiring freeze. Certain internal projects have been suspended, including some investments in IT systems. With so many employees working remotely, the Company is accelerating plans to consolidate its real estate footprint. In selected areas, the Company will participate in government relief programs which facilitate labor and payroll tax savings. Taken together, Diebold Nixdorf is targeting an incremental \$80 - \$100 of annualized savings. Furthermore, the Company continues to carefully manage net working capital with the same discipline and governance put in place during 2019. During the first quarter of 2020, the Company also took actions to enhance liquidity and ensure it has adequate financial flexibility during what is expected to be a more challenging near-term environment. During the first quarter of 2020, the Company fully borrowed its revolving credit facility, consistent with the practices of many large companies. This action was done out of an abundance of caution. The Company believes it has sufficient liquidity to fund its operations.

Segments

The Company's operating structure is focused on its two customer segments — Banking and Retail. Leveraging a broad portfolio of solutions, the Company offers customers the flexibility to purchase the combination of services, software and systems that drive the most value to their business.

Banking

The Company provides integrated solutions for financial institutions of all sizes designed to help drive operational efficiencies, differentiate the consumer experience, grow revenue and manage risk. Banking operations are managed within two geographic regions. The Eurasia region includes the economies of Western Europe, Eastern Europe, Asia, the Middle East and Africa. For banking clients, services represents the largest operational component of the Company. Diebold Nixdorf AllConnect Services® was launched in 2018 to power the business operations of financial institutions of all sizes. This as-a-service offering provides financial institutions with the capabilities and technology needed to make physical distribution channels as agile, integrated, efficient and differentiated as their digital counterparts by leveraging a data-driven Internet of Things (IoT) infrastructure.

The Company's product-related services resolve incidents through remote service capabilities or an on-site visit. The portfolio includes first and second line maintenance, preventive maintenance, "on-demand" and total implementation services.

Managed services and outsourcing consists of managing the end-to-end business processes, technology integration and day-to-day operation of the self-service channel and the bank branch. Our integrated business solutions include self-service fleet management, branch life-cycle management and ATM as-a-service capabilities.

From a product perspective, the banking portfolio consists of cash recyclers and dispensers, intelligent deposit terminals, teller automation and kiosk technologies, as well as physical security solutions. The Company assists financial institutions to increase the functionality, availability and security within their ATM fleet.

In 2019, the Company introduced DN Series, a family of self-service solutions designed to meet the needs of a progressively transforming industry. These holistic, digitally-connected solutions are built upon an integrated software and services model and provide a modern and personalized experience for consumers, while delivering maximum efficiency and reliability for financial institutions.

DN Series is the culmination of several years of investment in consumer research, design and engineering resources. Key benefits and features of DN Series include:

- Improved ATM availability and performance through intelligent design, the use of sensor technology and machine learning via the AllConnect Data Engine
- Higher note capacity and processing power with next-generation cash recycling technology
- Improved security in a smaller footprint
- Full integration with the DN Vynamic software suite
- Technological capability that facilitates a streamlined, simplified product portfolio
- Modular and upgradeable design, enabling a simplified and streamlined internal supply chain

The Company's software encompasses front-end applications for consumer connection points as well as back-end platforms which manage channel transactions, operations and channel integration. These hardware-agnostic software applications facilitate millions of transactions via ATMs, kiosks, and other self-service devices, as well as via online and mobile digital channels.

The Company's DN Vynamic software is the first end-to-end Connected Commerce software portfolio in the banking marketplace designed to simplify and enhance the consumer experience. In addition, DN Vynamic suite's open application program interface (API) architecture is built to simplify operations by eliminating the traditional focus on internal silos and enabling tomorrow's inter-connected partnerships between financial institutions and payment providers. In addition,

with a shared analytic and transaction engine, the DN Vynamic platform can generate new insights to enhance operations across any channel - putting customer preferences, not the technology, at the heart of the experience.

An important enabler of the Company's software offerings is the professional service employees who provide systems integration, customization, project management and consulting. The Company's advisory services team collaborates with customers to refine the end-user experience, improve business processes, refine existing staffing models and deploy technology to automate both branches and stores.

Retail

The Company's comprehensive portfolio of retail solutions, software and services improves the checkout process for retailers while enhancing shopping experiences for consumers.

The DN Vynamic software suite for retailers provides a comprehensive, modular and open solution ranging from the in-store check-out solution to solutions across multiple channels that improve end-to-end store processes and facilitate continuous consumer engagements in support of a digital ecosystem. This includes click & collect, reserve & collect, in-store ordering and return-to-store processes across the retailers' physical and digital sales channels. Operational data from a number of sources, such as enterprise resource planning (ERP), point of sale (POS), store systems and customer relationship management systems (CRM), may be integrated across all customer connection points to create seamless and differentiated consumer experiences.

Diebold Nixdorf AllConnect Services for retailers include maintenance and availability services to continuously optimize the performance and total cost of ownership of retail touchpoints, such as checkout, self-service and mobile devices, as well as critical store infrastructure. The solutions portfolio includes: implementation services to expand, modernize or upgrade store concepts; maintenance services for on-site incident resolution and restoration of multivendor solutions; support services for on-demand service desk support; operations services for remote monitoring of stationary and mobile endpoint hardware; as well as application services for remote monitoring of multivendor software and planned software deployments and data moves. As a single point of contact, service personnel plan and supervise store openings, renewals and transformation projects, with attention to local details and customers' global IT infrastructure.

The retail systems portfolio includes modular and integrated, "all-in-one" POS and self-service terminals that meet evolving consumer shopping journeys, as well as retailers' and store staff's automation requirements. The Company's self-checkout (SCO) systems and ordering kiosks facilitate a seamless and efficient transaction experience. The BEETLE®/iSCAN EASY eXpress™, hybrid products, can alternate from attended operation to SCO with the press of a button. The K-two Kiosk automates routine tasks and in-store transactions, offers order-taking abilities, particularly at quick service restaurants (QSRs) and fast casual restaurants and presents functionality that furthers store automation and digitalization. Supplementing the POS system is a broad range of peripherals, including printers, scales and mobile scanners, as well as the cash management portfolio, which offers a wide range of banknote and coin processing systems.

Business Drivers

The business drivers of the Company's future performance include, but are not limited to:

- Demand for services on distributed IT assets such as ATMs, POS and SCO, including managed services and professional services
- Timing of system upgrades and/or replacement cycles for ATMs, POS and SCO
- Demand for software products and professional services
- Demand for security products and services for the financial, retail and commercial sectors
- Demand for innovative technology in connection with the Company's Connected Commerce strategy

Results of Operations

The following discussion of the Company's financial condition and results of operations provides information that will assist in understanding the financial statements and the changes in certain key items in those financial statements. The recent COVID-19 pandemic did not have a material adverse effect on the Company's reported results for the first quarter of 2020. The Company is actively monitoring the impact of the COVID-19 pandemic, which will likely impact our business and results of operations for the rest of 2020, and the extent of the impact cannot be reasonably estimated at this time. The extent of the COVID-19 impact to our operations will depend largely on future developments, along with any new information that may emerge regarding the severity of the pandemic and the actions taken by government authorities to mitigate the spread of the virus, among other factors, all of which are highly uncertain and cannot be accurately predicted.

The following discussion should be read in conjunction with the condensed consolidated financial statements and the accompanying notes that appear elsewhere in this quarterly report on Form 10-Q.

(1) The Company calculates constant currency by translating the prior-year period results at the current year exchange rate.

Three months ended March 31, 2020 compared with three months ended March 31, 2019

Net sales decreased \$117.4, or 11.4 percent, including a net unfavorable currency impact of \$23.5 primarily related to the euro and Brazil real, resulting in a constant currency decrease of \$93.9. The following results include the impact of foreign currency:

Segments

- Eurasia Banking net sales decreased \$72.1, including a net unfavorable currency impact of \$9.6, related primarily to the euro, and divestitures of \$13.4. Excluding currency and the impact of divestitures, net sales decreased \$49.1 driven by customer and supply chain challenges from COVID-19, non-recurring prior year refresh projects and reducing low margin services business.

- Americas Banking net sales decreased \$18.0, including a net unfavorable currency impact of \$6.4, related primarily to the Brazil real. Excluding the impact of currency, net sales decreased \$11.6 mostly from large non-recurring product refresh projects in Canada and U.S. National accounts as well as reducing lower margin services business. This decrease was partially offset by increased U.S. regional Windows 10 upgrades and software growth.
- Retail net sales decreased \$27.3, including a net unfavorable currency impact of \$7.5 mostly related to the euro. Excluding the impact of currency, net sales decreased \$19.8 primarily from prior year non-recurring POS roll-outs in Europe, partially offset by higher professional services volume in northern Europe. Additionally, overall revenue was unfavorably impacted by delays related to COVID-19.

Gross Profit

The following table represents information regarding the Company's gross profit:

	Three Months Ended

Gross margin - services	25.6%	25.0%	
Gross margin - products	23.7%	22.3%	
Total gross margin	24.9%	23.9%	

Services gross margin increased 0.6 percent in three months ended March 31, 2020 including \$19.4 higher non-routine charges consisting primarily of a \$12.0 onerous contracts provision, \$3.3 spare parts inventory provision, and \$1.8 of incremental payments to essential service technicians for their contributions during the COVID-19 pandemic. Restructuring decreased \$0.7. Excluding the impact of non-routine and restructuring expense, services gross margin increased 3.8 percent due primarily to the Company's service modernization plan as well as reducing low margin maintenance contracts, and lower professional services cost in the Americas Banking and Retail segments. Additionally, lower cost from the associate incentive plan (AIP), favorably impacted the first quarter of 2020.

Product gross margin increased 1.4 percent in the three months ended March 31, 2020 including \$7.1 higher non-routine charges primarily consisting of a \$4.8 indemnification costs of a previously divested business in Germany and \$3.4 inventory provision reversal in the prior year. Excluding non-routine charges, products gross profit increased 3.6 percent due primarily to a favorable solution and geography mix in the Americas and Eurasia Banking segments as well as lower Americas Banking and Retail software amortization tied to capitalized software that was impaired in December 2019.

N/M = Not Meaningful

Selling and administrative expense in the three months ended March 31, 2020 decreased \$8.2, or \$19.9 excluding a \$3.5 favorable currency impact and \$15.2 incremental non-routine and restructuring adjustments. Lower selling and administrative expense was due primarily to the Company's DN Now actions as well as lower expense related to the legacy Wincor Nixdorf stock option program and decreased stock and cash bonus compensation.

Non-routine cost in selling and administrative expense was \$54.4 in the three months ended March 31, 2020, an increase of \$9.8 related primarily to \$20.3 higher DN Now consulting and related items, partially offset by \$7.0 lower legal and deal expense, \$3.0 lower purchase accounting adjustments, and \$0.5 of other items. Restructuring expense was \$7.6, an increase of \$5.4 compared to the prior year related to workforce alignment under the DN Now plan.

Research, development and engineering expense in the three months ended March 31, 2020 decreased \$4.4 including a net favorable currency impact of \$0.9, primarily related to the euro and Brazil real. Excluding currency and higher restructuring expense of \$1.4, research, development and engineering expense decreased \$4.9 primarily from lower AIP expense, lower product development cost and software cost management actions.

In the three months ended March 31, 2020, the Company recorded a gain on sale of assets of \$1.8 related primarily to the sale of Portavis GmbH. The prior year quarter's loss on sale of assets was primarily related to the divestitures of the Venezuela business of \$4.1 and Projective NV of \$2.8, partially offset by a gain of \$3.5 related to the Company's exit activities of certain entities in the Netherlands included in the Retail operating segment.

Operating expense as a percent of net sales in the three months ended March 31, 2020 increased 1.5 percent to 27.8 percent compared to the same period in 2019 primarily from a mix of higher non-routine and restructuring cost as well as lower revenue.

Operating Profit (Loss)

The following table represents information regarding the Company's operating profit (loss):

	Three Months Ended		
	March 31,		
	2020	2019	% Change
Operating profit (loss)	\$ (26.0)	\$ (24.5)	(6.1)
Operating margin	(2.9)%	(2.4)%	

The operating loss increased in the three months ended March 31, 2020 compared to the prior year. The change is primarily due to higher non-routine and restructuring charges offsetting lower operating expense tied to the DN Now plan and improved gross margin.

Other Income (Expense)

The following table represents information regarding the Company's other income (expense), net:

	Three Months Ended		
	March 31,		
	2020	2019	% Change

Miscellaneous, net	(0.9)	(1.4)	35.7
Other income (expense), net	<u>\$ (47.4)</u>	<u>\$ (46.6)</u>	(1.7)

Interest income in the three months ended March 31, 2020, decreased \$1.8 mostly from lower market returns on non-qualified plans, in addition to lower cash balances in Brazil. Interest expense decreased \$2.9 from the pay down of debt and reduced interest rates. Foreign exchange gain decreased \$2.4 as a result of the prior year quarter's gain primarily tied to the currency devaluation in the Venezuela operating entity.

Net Loss

The following table represents information regarding the Company's net income loss:

	Three Months Ended		
	March 31,		
	2020	2019	% Change
Net loss	\$ (93.4)	\$ (131.9)	29.2
Percent of net sales	(10.3)%	(12.8)%	
Effective tax rate	(27.2)%	(85.0)%	

The loss before taxes and net loss decreased primarily due to the reasons described above. Net loss was also impacted by the change in the income tax expense.

The effective tax rate on the loss from continuing operations was (27.2) percent for the three months ended March 31, 2020. The expense on the loss was primarily due to the tax impacts of the U.S. Tax Cuts and Jobs Act (Tax Act) on the estimated projected tax rate and, more specifically, the impacts related to global intangible low-taxed income (GILTI). In addition, a partial valuation allowance against interest expense carryforwards and the Company's jurisdictional income (loss) mix at varying statutory rates impacted the estimated projected tax rate.

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security (CARES) Act was enacted providing \$2.2 trillion of economic stimulus relief to address the market conditions due to the recent outbreak of COVID-19. Among other things, the CARES Act provides a package of corporate tax provisions including the ability for companies to carry back to five preceding years net operating loss (NOL) carryforwards generated in tax years starting after December 31, 2017 and before January 1, 2021. Also, the 80 percent taxable income limitation was temporarily removed increasing the amount of NOL carryforwards that can be deducted in 2018, 2019 and 2020, and the CARES Act increased the deduction limitation for business interest expense to 50 percent from 30 percent. The Company evaluated the impact of the CARES Act to its income tax provision and cash flow and does not believe the effects are material.

The effective tax rate on the loss before taxes was (85.0) percent for the three months ended March 31, 2019. The expense on the loss is due primarily to the tax impacts of the Tax Act on the estimated projected tax rate. More specifically, the impacts of the GILTI and base erosion and anti-abuse tax (BEAT). In addition, the Company collapsed its Barbados structure to meet the debt covenant requirements from our lenders during the quarter which resulted in additional discrete tax expense which is being offset in part by the valuation allowance release relating to the Company's nondeductible interest expense resulting in no additional cash taxes. The above items noted as well as the Company's jurisdictional income (loss) mix and varying respective statutory rates are the primary drivers of the quarterly tax rate.

Eurasia Banking net sales decreased \$72.1, including a net unfavorable currency impact of \$9.6, related primarily to the euro, and divestitures of \$13.4. Excluding currency and the impact of divestitures, net sales decreased \$49.1 driven by customer and supply chain challenges from COVID-19, non-recurring prior year refresh projects and reducing low margin services business.

Segment operating profit decreased \$2.0 in the three months ended March 31, 2020 including a net unfavorable currency impact of \$2.4. Excluding the impact of currency, operating profit was relatively flat as lower operating expense tied to DN Now initiatives, restructuring programs and lower incentive program expense, more than offset lower product and services volume.

Segment operating profit margin increased 2.4 percent mostly from lower operating expense as noted above.

Americas Banking net sales decreased \$18.0, including a net unfavorable currency impact of \$6.4, related primarily to the Brazil real. Excluding the impact of currency, net sales decreased \$11.6 mostly from large non-recurring product refresh projects in Canada and U.S. National accounts as well as reducing lower margin services business. This decrease was partially offset by increased U.S. regional Windows 10 upgrades and software growth.

Segment operating profit increased \$35.2 in the three months ended March 31, 2020 including a nominal unfavorable net currency impact. Higher operating profit was driven primarily by increased service margin tied to the service modernization program and lower AIP. Additionally, improved product solution mix in the U.S. and lower software cost drove higher products gross profit, partially offset by non-recurring prior year refresh projects. Incremental benefits tied to DN Now initiatives drove favorable operating expense compared to the prior year.

Segment operating profit margin increased 10.5 percent three months ended March 31, 2020, primarily as a result of higher products and services gross margin, in addition to lower cost related to the DN Now initiatives and reduced AIP expense.

Additionally, overall revenue was unfavorably impacted by delays related to COVID-19.

Segment operating profit increased \$7.2 for the three months ended March 31, 2020, including a nominal unfavorable currency impact, due primarily to higher gross profit mostly from a favorable services solution and country mix in EMEA as well as lower AIP and decreased software cost.

Liquidity and Capital Resources

The Company's total cash and cash availability as of March 31, 2020 and December 31, 2019 was as follows:

	March 31, 2020	December 31, 2019
Cash and cash equivalents (excluding restricted cash)	\$ 508.5	\$ 277.3
Additional cash availability from		
Cash included in assets held for sale	32.8	97.2
Uncommitted lines of credit	33.1	36.7
Revolving Facility	—	387.3
Short-term investments	13.5	10.0
Total cash and cash availability	<u>\$ 587.9</u>	<u>\$ 808.5</u>

Capital resources are obtained from income retained in the business, borrowings under the Company's committed and uncommitted credit facilities and operating and capital leasing arrangements. Management expects that the Company's capital resources will be sufficient to finance planned working capital needs, R&D activities, investments in facilities or equipment, pension contributions and any repurchases of the Company's common shares for at least the next 12 months. While the Company believes it has sufficient liquidity, it has increased its cash position out of an abundance of caution in light of the evolving COVID-19 pandemic and related macroeconomic implications. The Company is enhancing its financial flexibility as a critical provider of Connected Commerce solutions to financial institutions, supermarkets, pharmacies and fuel stations through its industry-leading ATMs, AllConnect Services, retail SCO and POS solutions. The additional borrowings under the Revolving Facility may be used for general corporate purposes. The Company cannot predict or reasonably estimate the duration or extent of the COVID-19 pandemic, its impact on our customers and suppliers and the negative impact it will cause on our results of operations and financial position. The Company is actively managing the business to maintain sufficient liquidity. The Company had \$3.6 of restricted cash at March 31, 2020 and December 31, 2019. As of March 31, 2020, \$196.9 or 38.4 percent of the Company's cash and cash equivalents and short-term investments reside in international tax jurisdictions. Repatriation of certain international funds could be negatively impacted by potential payments for foreign taxes. The Company has approximately \$1,550 of earnings that are available for repatriation with no additional tax expense. The Company has made acquisitions in the past and may make acquisitions in the future. Part of the Company's strategy is to optimize the business portfolio through divestitures and complementary acquisitions. The Company intends to finance any future acquisitions with cash and short-term investments, cash provided from operations, borrowings under available credit facilities, proceeds from debt or equity offerings and/or the issuance of common shares.

The following table summarizes the results of the Company's condensed consolidated statement of cash flows for the three months ended March 31:

<i>Summary of cash flows:</i>	2020	2019
Net cash used by operating activities	\$ (79.9)	\$ (57.1)
Net cash used by investing activities	(51.7)	(11.5)
Net cash provided (used) by financing activities	314.0	(13.9)
Effect of exchange rate changes on cash and cash equivalents	(15.6)	(0.5)
Change in cash, cash equivalents and restricted cash	<u>\$ 166.8</u>	<u>\$ (83.0)</u>

Operating Activities

Cash flows from operating activities can fluctuate significantly from period to period as working capital needs and the timing of payments for income taxes, restructuring and integration activities, pension funding and other items impact reported cash flows. Net cash used by operating activities was \$79.9 for the three months ended March 31, 2020, an increase in use of \$22.8 from \$57.1 for the same period in 2019.

- Cash flows from operating activities during the three months ended March 31, 2020 compared to the same period in 2019 were primarily impacted by a \$38.5 decrease in net loss as a result of DN Now cost saving initiatives. Refer to the Results of Operations discussed above for further discussion of the Company's net loss.

- The net aggregate of trade receivables, inventories and accounts payable provided \$5.4 and used \$42.3 in operating cash flows during the three months ended March 31, 2020 and 2019, respectively. Trade receivables cash used \$8.0 for the three months ended March 31, 2020 compared to \$33.2 provided for the same period in the prior-year primarily due to improvement in collections in 2019 as a result of the Company's working capital improvement initiatives and normal operational spending during the first quarter of 2020. For the three months ended March 31, 2020, inventory cash use improved \$29.2 compared to the same period in the prior year primarily due to improved inventory management and focus as a result of streamlining the product portfolio and improved governance. Accounts payable provided \$47.3 for the three months ended March 31, 2020 compared to a usage of \$12.4 for the same period in the prior-year primarily related to DN Now initiatives.
- In the aggregate, the other combined certain assets and liabilities used \$9.4 for the three months ended March 31, 2020 compared to \$54.2 provided during the same period in 2019. The change was primarily due to increased cash bonuses paid, along with cash usage by assets held for sale in the first quarter of 2020 and decreased non-cash deferred income taxes due to the results of operations.

Depreciation and amortization expense decreased \$4.9 to \$53.5 during the three months ended March 31, 2020 compared to \$58.4 during the same period in 2019 primarily due to reduction in amortization related to acquired intangibles and capitalized software, along with a reduction in capital spend. Changes in deferred income taxes during the three months ended March 31, 2020 compared to the same period in 2019 resulted in increased usage of \$18.3 primarily related to the tax effects of the 2019 Barbados structure collapse partially offset by a reduction in the deferred liabilities released on certain acquired intangible assets. Share-based compensation decreased \$5.3 to \$4.0 for the three months ended March 31, 2020 compared to the same period in 2019 primarily due to a reduction in shares awarded. The loss (gain) on sale of assets, net were primarily a result of the Portavis GmbH divestiture during the first quarter of 2020 and the divestiture of non-core businesses during the first quarter of 2019.

Investing Activities

Cash flows from investing activities during the three months ended March 31, 2020 compared to the same period in 2019 were primarily impacted by a \$42.7 decrease in proceeds from divestitures, net of cash divested as a result of the Portavis GmbH divestiture during the first quarter of 2020 and the Projective NV divestiture during the first quarter of 2019. Additionally, the maturities and purchases of investments primarily relate to short-term investment activity in Brazil resulted in an \$8.8 increase in cash usage. The Company also reduced its capital expenditures and investments in certain other assets primarily related to software to be sold when compared to prior year.

Financing Activities

Net cash provided by financing activities was \$314.0 for the three months ended March 31, 2020 compared to the \$13.9 usage for the same period in 2019, which resulted in an increase of \$327.9. The change was primarily a result of the Company drawing down its entire availability under the Revolving Facility in response to the uncertainty of the circumstances surrounding the COVID-19 pandemic. The Company also had \$7.7 net borrowings from uncommitted lines of credit in connection with international projects. During the first quarter of 2020, the Company paid \$65.4 towards its term loans primarily due to certain mandatory repayment provisions pursuant to the Credit Agreement compared to the \$6.4 during the same period in the prior year. During the first quarter of 2019, the Company paid \$11.0 for the redemption of shares and cash compensation to Diebold Nixdorf AG minority shareholders.

Refer to note 11 for additional information regarding the Company's debt obligations. The Company paid cash for interest related to its debt of \$34.0 and \$39.5 for the three months ended March 31, 2020 and 2019, respectively. As defined by the Company's credit agreement, the ratio of net debt to trailing 12 months adjusted EBITDA was 4.2 times as of March 31, 2020. As of March 31, 2020, the Company was in compliance with the financial and other covenants in its debt agreements.

Refer to note 17 for additional information regarding the Company's hedging and derivative instruments.

Contractual Obligations During 2020, the Company entered into purchase commitments due within one year for materials through contract manufacturing agreements for a total negotiated price. At March 31, 2020, the Company had minimal purchase commitments due within one year for materials through contract manufacturing agreements at negotiated prices.

During the first quarter of 2020, the Company drew down its entire availability under the Revolving Facility and as a result, \$68.8 included in notes payable mature on December 23, 2020.

Except for the items noted above, all contractual cash obligations with initial and remaining terms in excess of one year and contingent liabilities remained generally unchanged at March 31, 2020 compared to December 31, 2019.

Off-Balance Sheet Arrangements The Company enters into various arrangements not recognized in the condensed consolidated balance sheets that have or could have an effect on its financial condition, results of operations, liquidity, capital expenditures or capital resources. The principal off-balance sheet arrangements that the Company enters into are guarantees, operating leases and sales of finance receivables. The Company provides its global operations guarantees and standby letters of credit through various financial institutions to suppliers, customers, regulatory agencies and insurance providers. If the Company is not able to make payment, the suppliers, customers, regulatory agencies and insurance providers may draw on the pertinent bank. Refer to note 9 for further details of guarantees. The Company has sold finance receivables to financial institutions while continuing to service the receivables. The Company records these sales by removing finance receivables from the condensed consolidated balance sheets and recording gains and losses in the condensed consolidated statements of operations.

Critical Accounting Policies and Estimates

Management's discussion and analysis of the Company's financial condition and results of operations are based upon the Company's condensed consolidated financial statements. The preparation of these financial statements requires management to make estimates and assumptions about future events. These estimates and the underlying assumptions affect the amounts of assets and liabilities reported, disclosures about contingent assets and liabilities and reported amounts of revenues and expenses. Such estimates include revenue recognition, the valuation of trade, finance lease receivables, inventories, goodwill, intangible assets, other long-lived assets, legal contingencies, guarantee obligations and assumptions used in the calculation of income taxes, pension and post-retirement benefits and customer incentives, among others. These estimates and assumptions are based on management's best estimates and judgment. Management evaluates its estimates and assumptions on an ongoing basis using historical experience and other factors. Management monitors the economic conditions and other factors and will adjust such estimates and assumptions when facts and circumstances dictate. As future events and their effects cannot be determined with precision, actual results could differ significantly from these estimates.

The recent COVID-19 pandemic did not have a material adverse effect on the Company's reported results for the first quarter of 2020. The Company is actively monitoring the impact of the COVID-19 pandemic, which will likely impact our business and results of operations for the rest of 2020, and the extent of the impact cannot be reasonably estimated at this time. The extent of the COVID-19 impact to our operations will depend largely on future developments, along with any new information that may emerge regarding the severity of the pandemic and the actions taken by government authorities to mitigate the spread of the virus, among other factors, all of which are highly uncertain and cannot be accurately predicted.

Management believes there have been no other significant changes during the three months ended March 31, 2020 to the items that the Company disclosed as its critical accounting policies and estimates in Management's Discussion and Analysis of Financial Condition and Results of Operations in the Company's annual report on Form 10-K for the year ended December 31, 2019.

See Exhibits 31.1 and 31.2. This Item 4 includes information concerning the controls and control evaluations referred to in those certifications.

Based on the performance of procedures by management, designed to ensure the reliability of financial reporting, management believes that the unaudited condensed consolidated financial statements fairly present, in all material respects, the Company's financial position, results of operations and cash flows as of the dates, and for the periods presented.

Disclosure Controls and Procedures

Part II – Other Information

Item 1: Legal Proceedings

At March 31, 2020, the Company was a party to several lawsuits that were incurred in the normal course of business, which neither individually nor in the aggregate are considered material by management in relation to the Company's financial position or results of operations. In management's opinion, the Company's condensed consolidated financial statements would not be materially affected by the outcome of these legal proceedings, commitments or asserted claims.

For more information regarding legal proceedings, please refer to Part I, Item 3 of the Company's annual report on Form 10-K for the year ended December 31, 2019. There have been no material developments with respect to the legal proceedings reported in the Company's annual report on Form 10-K for the year ended December 31, 2019.

Item 1A: Risk Factors

The COVID-19 pandemic has disrupted the Company's operations and could have a material adverse effect on our business.

Our business could be materially and adversely affected by the outbreak of a widespread health epidemic. The present COVID-19 pandemic has disrupted the Company's operations and will affect our business, including as government authorities impose mandatory closures, work-from-home orders and social distancing protocols, and seek voluntary facility closures or impose other restrictions that could materially adversely affect our ability to adequately staff and maintain our operations. Specifically, we have experienced, and expect to experience in the future, temporary facility closures in response to government mandates in certain jurisdictions in which we operate and in response to positive diagnoses for COVID-19 in certain facilities for the safety of our associates. The COVID-19 pandemic could also disrupt our supply chain and materially adversely impact our ability to secure supplies for our facilities and to provide personal protective equipment for our employees, which could materially adversely affect our operations. There may also be long-term effects on our customers and the economies of affected countries. Even if a virus or other illness does not spread significantly, the perceived risk of infection or health risk may materially adversely affect our business. Any of the foregoing within the countries in which the Company, our customers and suppliers operate would severely disrupt our operations and could have a material adverse effect on our business, results of operations, cash flows and financial position. As we cannot predict the duration or scope of the COVID-19 pandemic, the negative financial impact to our results cannot be reasonably estimated, but could be material.

Refer to the Company's annual report on Form 10-K for the year ended December 31, 2019. There has been no other material change to this information since December 31, 2019.

2.2.3 Term B Loans.

(a) The Company unconditionally promises to repay the Dollar Term B Loans borrowed by it to the Administrative Agent for the account of each Dollar Term B Lender in quarterly principal installments (and on the date set forth in clause (ii) below) as follows:

(i) in the amount of 0.25% of the aggregate principal amount of the relevant Dollar Term B Loans outstanding on the 2017 May Incremental Effective Date, each due and payable on the last Business Day of each March, June, September and December of each year, commencing on the last Business Day of such month falling on or after the 2017 May Incremental Effective Date and continuing until the last Business Day of such quarterly period ending immediately prior to the Term B Loan Maturity Date; and

(ii) one final installment in the amount of the relevant Dollar Term B Loans then outstanding, due and payable on the Term B Loan Maturity Date.

(b) The Company unconditionally promises to repay the Euro Term B Loans borrowed by it to the Administrative Agent for the account of each Euro Term B Lender in quarterly principal installments (and on the date set forth in clause (ii) below) as follows:

(i) in the amount of 0.25% of the aggregate principal amount of the relevant Euro Term B Loans outstanding on the 2017 May Incremental Effective Date, each due and payable on the last Business Day of each March, June, September and December of each year commencing on the last day of such month falling on or after the 2017 May Incremental Effective Date and continuing until the last Business Day of such quarterly period ending immediately prior to the Term B Loan Maturity Date; and

(ii) one final installment in the amount of the relevant Euro Term B Loans then outstanding, due and payable on the Term B Loan Maturity Date.

2.2.4 Each Borrower hereby further agrees to pay to the Administrative Agent for the account of each Lender thereof, interest in the relevant Agreed Currency on the unpaid principal amount of the Loans made to such Borrower (on a several, not joint and several, basis, but subject, for the avoidance of doubt, to the Guarantee contained in Article IX and to Section 17.4) from time to time outstanding until payment thereof in full at the rates per annum, and on the dates, set forth in Section 2.8.

2.2.5 The books and records of the Administrative Agent and of each Lender shall, to the extent permitted by applicable law, be prima facie evidence of the existence and amounts of the obligations of the Borrowers therein recorded; provided, however, that the failure of any Lender or the Administrative Agent to maintain any such books and records or any error therein, shall not in any manner affect the obligation of the Borrowers to repay (with applicable interest) the Loans made to such Borrowers by such Lender in accordance with the terms of this Agreement.

2.2.6 The Borrowers agree that, upon the request to the Administrative Agent by any Lender from time to time and the subsequent request to the Company by the Administrative Agent, the relevant Borrowers will execute and deliver to such Lender promissory notes evidencing the Loans of any such requesting Lender, substantially in the form of Exhibit C attached hereto with appropriate insertions as to date, currency and principal amount (each, a “Note”); provided that the delivery of such Notes shall not be a condition precedent to the Execution Date, the Replacement Facilities Effective Date, the Acquisition Closing Date or any Advance.

2.2.7 Term A-1 Loans.

The Company unconditionally promises to repay the Term A-1 Loans borrowed by it to the Administrative Agent for the account of each Term A-1 Lender in quarterly principal installments (and on the date set forth in clause (ii) below) as follows:

(i) in the amount of 0.625% of the aggregate principal amount of the Term A-1 Loans outstanding on the Sixth Amendment Effective Date, each due and payable on the last Business Day of each March, June, September and December of each year commencing on the last Business Day of the first such month falling on or after the Sixth Amendment Effective Date

and continuing until the last Business Day of such quarterly period ending immediately prior to the Term A-1 Loan Maturity Date; and

(ii) one final installment in the amount of the Term A-1 Loans then outstanding, due and payable on the Term A-1 Loan Maturity Date.

2.3 Procedures for Borrowing Loans

To request a Loan under the Revolving Credit Facility or the Term Facility (which such Loan shall only be required to be made on a Business Day), the applicable Borrower shall give the Administrative Agent irrevocable notice (which notice must be received by the Administrative Agent prior to (a) if such Loan is denominated in any Available Foreign Currency, 11:00 a.m., London time three Business Days prior to the requested Borrowing Date, and (b) if such Loan is denominated in Dollars, 11:00 a.m., Chicago time three Business Days prior to the requested Borrowing Date if all or any part of the requested Loans are to be Eurocurrency Loans or one Business Day prior to the requested Borrowing Date if all or any part of the requested Loans are to be Floating Rate Loans) specifying in each case (each such notice, a “Borrowing Notice”) (i) the amount to be borrowed, (ii) the requested Borrowing Date, (iii) the Agreed Currency thereof, (iv) whether such Loan is a Floating Rate Loan or a Eurocurrency Loan (and such Loan shall be a Eurocurrency Loan if it is denominated in any Available Foreign Currency), (v) if applicable, the length of the initial Interest Period therefor and (vi) the applicable Borrower. Each Advance shall be in an Agreed Currency. Each such Advance shall be in an amount equal to an amount in the relevant Agreed Currency which is 5,000,000 units or a whole multiple of 1,000,000 units in excess thereof or such other amounts as may be agreed upon between the applicable Borrower and the Administrative Agent. Upon receipt of any such notice from any such Borrower, the Administrative Agent shall promptly notify the Lenders with respect to such Advance. Not later than 1:00 p.m., local time of the Administrative Agent’s funding office for such Borrower, on the requested Borrowing Date, each Lender shall make an amount equal to its Pro Rata Share of the principal amount of such Loans requested to be made on such Borrowing Date available to the Administrative Agent at the Administrative Agent’s funding office for such Borrower specified by the Administrative Agent from time to time by notice to the

Lenders and in immediately available or other same day funds customarily used for settlement in the relevant Agreed Currency. The amounts made available by each Lender will then be made available to the relevant Borrower at the funding office for such Borrower and in like funds as received by the Administrative Agent.

2.4 Termination or Reduction

(a) Unless previously terminated, (i) the Delayed Draw Term A Commitments shall terminate and be reduced to zero on the earlier of (x) the occurrence of the Mandatory Cancellation Date prior to the consummation of the Acquisition and (y) 5:00 p.m., Chicago time, on the date that is the first anniversary of the Acquisition Closing Date; (ii) the Term B Commitments shall terminate and be reduced to zero on the earlier of (x) the occurrence of the Mandatory Cancellation Date prior to the consummation of the Acquisition, (y) the making of the Term B Loans on the Acquisition Closing Date and (z) 5:00 p.m., Chicago time, on the Acquisition Closing Date, (iii) the 2020 Revolving Credit Commitments shall terminate and be reduced to zero on the 2020 Revolving Termination Date, (iv) the 2022 Revolving Credit Commitments shall terminate and be reduced to zero on the 2022 Revolving Termination Date and (v) the Replacement Term A Commitments shall terminate upon the making of the

Replacement Term A Loans on the Replacement Facilities Effective Date. For the avoidance of doubt, the Commitments in respect of any Term Facility shall be permanently reduced by the amount of any Term Loans made thereunder. The Term A-1 Commitments shall terminate and be reduced to zero upon the making of the Term A-1 Loans on the Sixth Amendment Effective Date. The 2022 Term A Commitments shall terminate and be reduced to zero upon the establishment of the 2022 Term A Loans on the Seventh Amendment Effective Date.

(b) The Company may permanently reduce any Class of Commitments, in whole or in part, ratably among the Lenders thereunder in, if less than all such Commitments, integral multiples of \$10,000,000, in each case upon at least three Business Days' irrevocable written notice to the Administrative Agent, and which notice shall specify the amount of any such reduction, provided, however, that (i) the Aggregate Revolving Credit Commitments may not be reduced below the Aggregate Revolving Credit Outstandings of all Lenders, (ii) the Aggregate 2020 Revolving Credit Commitments may not be reduced below the Aggregate 2020 Revolving Credit Outstandings of all 2020 Revolving Credit Lenders, (iii) the Aggregate 2022 Revolving Credit Commitments may not be reduced below the Aggregate 2022 Revolving Credit Outstandings of all 2022 Revolving Credit Lenders and (iv) a notice of termination of Commitments may state that such notice is conditioned upon the effectiveness of other credit facilities, incurrence of other Indebtedness, or consummation of another transaction (such as a Change of Control), in which case such notice may be revoked (by notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied. In addition, all accrued and unpaid commitment and ticking fees under a Class of Commitments shall be payable on the effective date of any termination of such Class of Commitments.

(c) Notwithstanding anything to the contrary in this Agreement, if on any date prior to the Acquisition Closing Date the Company or its Restricted Subsidiaries (for the avoidance of doubt, excluding the Target and its Subsidiaries) receive proceeds that would, if received on or after the Acquisition Closing Date, otherwise have required a prepayment of Term B Loans under Sections 2.6.5 (such proceeds, the "Pre-Closing Sweep Amounts"), the Company shall (x) segregate such Pre-Closing Sweep Amounts in an account to facilitate reducing Advances to be made under the Term B Facility by using the Pre-Closing Sweep Amounts in lieu thereof, and (y) take commercially reasonable efforts to place such Pre-Closing Sweep Amounts into escrow for application to Certain Funds Purposes and obtain the approval of its financial advisor to ratably reduce the Term B Commitments by the amount of the escrowed Pre-Closing Sweep Amounts. For the avoidance of doubt, the amount of Pre-Closing Sweep Amounts shall be calculated under the assumptions that no Term A Loans are outstanding, the full amount of Term B Loans were funded on the Acquisition Closing Date and are outstanding and that there are no Declining Lenders.

(d) Notwithstanding anything to the contrary in this Agreement, the Term B Commitments shall be ratably reduced by the aggregate amount of any Escrow Term Loans that the Company and any of its Subsidiaries (including, for the avoidance of doubt, any Unrestricted Subsidiary) shall have borrowed and funded into escrow prior to the Acquisition Closing Date (provided that the conditions to release from escrow are no more restrictive than the conditions to funding the Term B Loans set forth in Section 4.3).

2.5 Commitment, Ticking and other Fees

(a) The Company agrees to pay or cause to be paid to the Administrative Agent for the account of each Lender a commitment fee payable in Dollars at the rate equal to 0.25% per annum (subject to change as set forth below) on the average unused daily amount of the 2020 Revolving Credit Commitment of such Lender (the “2020 Commitment Fee”), commencing on the Replacement Facilities Effective Date, in arrears on the last Business Day of each March, June, September and December and upon the termination in full of the 2020 Revolving Credit Commitments. The 2020 Commitment Fee shall be subject to change after the financial statements described in Section 6.1(i) or (ii) have been delivered for the first full fiscal quarter after the Execution Date as set forth in the definition of Applicable Margin. For purposes of calculating the 2020 Commitment Fee only, Swing Loans shall not count as usage of the 2020 Revolving Credit Commitment. The Company agrees to pay or cause to be paid to the Administrative Agent for the account of each Lender a commitment fee payable in Dollars at the rate equal to 0.50% per annum (subject to change as set forth below) on the average unused daily amount of the 2022 Revolving Credit Commitment of such Lender (the “2022 Commitment Fee”), commencing on the Seventh Amendment Effective Date, in arrears on the last Business Day of each March, June, September and December and upon the termination in full of the 2022 Revolving Credit Commitments. The 2022 Commitment Fee shall be subject to change after the financial statements described in Section 6.1(i) or (ii) have been delivered for the first full fiscal quarter after the Seventh Amendment Effective Date as set forth in the definition of Applicable Margin. For purposes of calculating the 2022 Commitment Fee only, Swing Loans shall not count as usage of the 2022 Revolving Credit Commitment.

(b) The Company agrees to pay or cause to be paid to the Administrative Agent for the account of each Lender on a pro rata basis in accordance with such Lender’s Delayed Draw Term A Commitments, a ticking fee payable in Dollars which shall accrue in an amount equal to 0.25% per annum (subject to change as set forth below) on the aggregate outstanding amount of the Delayed Draw Term A Commitment of such Lender (the “Delayed Draw Term A Ticking Fee”) during the period from and including the date that is 61 days after November 23, 2015 until the termination in full of the Lenders’ Delayed Draw Term A Commitments, and shall be payable quarterly in arrears on the last Business Day of each March, June, September and December, during such period and upon the termination in full of such Lenders’ Delayed Draw Term A Commitments. The Delayed Draw Term A Ticking Fee shall be subject to change after the financial statements described in Section 6.1(i) or (ii) have been delivered for the first full fiscal quarter after the Execution Date as set forth in the definition of Applicable Margin.

(c) The Company agrees to pay to the Administrative Agent and the Arrangers such other fees as separately agreed to in writing by the Company and such Persons and/or their applicable Affiliates.

(d) The Company agrees to pay to the Administrative Agent, for the account of the Term A-1 Lenders, the fees described in this clause to the extent such fees are applicable (as so described). In the event of a waiver of a Financial Covenant Default or amendment of Sections 6.22 and/or 6.23 and/or related definitions by the Required TLA/RC Lenders during the Covenant Holiday Period in connection with which fees are paid to the Revolving Credit Lenders

and Term A Lenders or the all-in-yield of the Revolving Credit Facility or Term Loan A Facility increases (including through the payment of fees or other payment consideration to such Revolving Credit Lenders and Term A Lenders), the Company agrees to pay each Term A-1 Lender a proportional amount of such fees and yield increases.

(e) The Company agrees to pay or cause to be paid to the Initial TLA-1 Principal Lenders the fees described in the Term A-1 Commitment Letter.

2.6 Optional and Mandatory Principal Payments

2.6.1 Each Borrower may at any time and from time to time prepay Floating Rate Loans, in whole or in part, without penalty or premium, except as set forth in Section 2.6.3, upon at least one Business Day's irrevocable notice to the Administrative Agent, specifying the date and amount of prepayment. If any such notice is given, the amount specified in such notice shall be due and payable on the date specified therein. Partial prepayment of Floating Rate Loans shall be in a minimum aggregate amount of \$1,000,000 or any integral multiple of \$1,000,000 in excess thereof.

2.6.2 Each Borrower may at any time and from time to time prepay, without premium or penalty, except as set forth in Section 2.6.3 (together with payment of any amount payable pursuant to Section 3.3), its Eurocurrency Loans in whole or in part, upon at least three Business Days' irrevocable notice to the Administrative Agent specifying the date and amount of prepayment. Partial prepayments of Eurocurrency Loans shall be in an aggregate principal amount in the relevant Agreed Currency of 5,000,000 units or any integral multiple of 1,000,000 units in excess thereof, or such lesser principal amount as may equal the outstanding Eurocurrency Loans or such lesser amount as may be agreed to by the Administrative Agent.

2.6.3

(a) If on or prior to the date that is six months following the 2017 May Incremental Effective Date, any Repricing Event occurs, the Company shall pay to the Administrative Agent, for the ratable account of each of the applicable Term B Lenders (a) in the case of clause (i) of the definition of Repricing Event, a prepayment premium of 1.00% of the aggregate amount of the Term B Facility so prepaid, repaid or replaced and (b) in the case of clause (ii) of the definition of Repricing Event, a fee equal to 1.00% of the aggregate amount of the Term B Facility outstanding immediately prior to such amendment (without duplication of any fee paid to such Term B Lender under 2.6.3(a)). For the avoidance of doubt, the call protection in this Section 2.6.3 will apply to any Escrow Term Loans (without duplication of any such call-protection in any documentation governing such Escrow Term Loans).

(b) If any time following the Sixth Amendment Effective Date, (x) the Company or any Guarantor prepays all, or any part, of the principal balance of any Term A-1 Loans pursuant to Section 2.6.5(b) with the Net Cash Proceeds of any Disposition by the Company or any Subsidiary (but only to the extent the aggregate Net Cash Proceeds thereof that are applied, together with any such previously applied Net Cash Proceeds from Dispositions that have been applied pursuant to Section 2.6.5(b), in each case, to repay Term A-1 Loans, do not exceed 50% of the initial principal amount of Term A-1 Loans on the Sixth Amendment Effective Date) and/or (y) a Change of Control or a WholeCo Sale occurs, in each case, on or prior to August 30, 2021 (each of (x) and (y) being a "36-Month Call Premium Event"), the Company shall pay to the Administrative Agent, for the ratable account of each of the applicable Term A-1 Lenders, the following prepayment premium (in each

case expressed as a percentage of the then outstanding principal amount of the Term A-1 Loans that are subject to such payment, which, for the avoidance of doubt, shall include the entire then outstanding principal balance with respect to clause (y)) as set forth opposite the relevant period in which such prepayment (or payment upon acceleration) occurs after the Sixth Amendment Effective Date as indicated below (and for the avoidance of doubt in addition to any principal amount of or accrued interest on the Term A-1 Loans paid or payable in connection therewith):

<u>Period</u>	<u>Call Premium</u>
August 30, 2018- August 30, 2021:	3.00%
Thereafter:	0.00%

For the avoidance of doubt, no prepayment premium under this Section 2.6.3(b) shall be payable in connection with the mandatory prepayment of Term A-1 Loans from a Recovery Event pursuant to Section 2.6.5(b) or from Excess Cash Flow pursuant to Section 2.6.5(c).

(c) If at any time following the Sixth Amendment Effective Date, any Make Whole Trigger Event occurs (other than a Make Whole Trigger Event constituting or arising out of a 36-Month Call Premium Event), the Company shall pay to the Administrative Agent, for the ratable account of each of the applicable Term A-1 Lenders, the following prepayment premium (the “Make Whole Premium”) (expressed as a percentage of the outstanding principal amount of the Term A-1 Loans that are subject to such Make Whole Trigger Event, or in the case of the Make Whole Amount, such amount set forth in the definition thereof) as set forth opposite the relevant period in which such Make Whole Trigger Event occurs after the Sixth Amendment Effective Date as indicated below (and for the avoidance of doubt in addition to any principal amount of or accrued interest on the Term A-1 Loans paid or payable in connection therewith):

<u>Period</u>	<u>Call Premium</u>
August 30, 2018- August 30, 2021:	Make Whole Amount
August 31, 2021-May 30, 2022:	1.00%
Thereafter:	0.00%

Notwithstanding the foregoing, and for the avoidance of doubt, no such prepayment premium under this Section 2.6.3(c) shall be payable in connection with the mandatory prepayment of Term A-1 Loans from a Recovery Event pursuant to Section 2.6.5(b) or from Excess Cash Flow pursuant to Section 2.6.5(c).

(d) Payment of any Make Whole Premium or other premium payable under Section 2.6.3(b) or (c) above, as applicable, hereunder constitutes liquidated damages, not unmatured interest or a penalty, and the actual amount of damages to the Term A-1 Lenders as a result of the relevant triggering event, prepayment or repayment would be impracticable and extremely difficult to ascertain. Accordingly, the Make Whole Premium and such other premium, including any premium payable pursuant to Section 2.6.3(b) or (c), as applicable, hereunder are provided by mutual agreement of the Company, the Term A-1 Lenders and the Administrative Agent as a reasonable estimation and calculation of such actual lost profits and other actual damages of the Term A-1 Lenders. Without limiting the generality of the foregoing, it is understood and agreed that upon the occurrence of any Make Whole Trigger Event or 36-Month Call Premium Event, any optional or mandatory prepayment of the Term A-1 Loans pursuant to Section 2.6 or repayment of the Term A-1 Loans following acceleration pursuant to Section 8.1

(including, for the avoidance of doubt, the acceleration of claims as a result of the commencement of a proceeding under any Debtor Relief Law, by operation of law or as a result of an automatic acceleration thereunder), the Make Whole Premium or such other premium payable pursuant to Section 2.6.3(b) or (c), as applicable, shall be automatically and immediately due and payable as though any prepaid or repaid Term A-1 Loans were voluntarily prepaid as of such date and shall constitute part of the Obligations secured by the Collateral. The Make Whole Premium or such other premium payable pursuant to Section 2.6.3(b) or (c), as applicable, shall also be automatically and immediately due and payable if the Term A-1 Loans are satisfied or released by foreclosure (whether by power of judicial proceeding or otherwise), deed in lieu of foreclosure or by any other means. THE COMPANY HEREBY EXPRESSLY WAIVES (TO THE FULLEST EXTENT IT MAY LAWFULLY DO SO) THE PROVISIONS OF ANY PRESENT OR FUTURE STATUTE OR OTHER LAW THAT PROHIBITS OR MAY PROHIBIT THE COLLECTION OF THE FOREGOING MAKE WHOLE PREMIUM OR OTHER PREMIUM PAYABLE PURSUANT TO SECTION 2.6.3(B) OR (C) IN CONNECTION WITH ANY SUCH EVENTS. The Company and the Loan Parties expressly agree (to the fullest extent it may lawfully do so) that with respect to the Make Whole Premium or such other premium payable pursuant to Section 2.6.3(b) or (c), as applicable, payable under the terms of this Agreement: (i) the Make Whole Premium or such other premium, as applicable, is reasonable and is the product of an arm's length transaction between sophisticated business parties, ably represented by counsel; (ii) the Make Whole Premium or such other premium, as applicable, shall be payable notwithstanding the then prevailing market rates at the time payment is made; (iii) there has been a course of conduct between the Administrative Agent, the Term A-1 Lenders and the Loan Parties giving specific consideration in this transaction for such agreement to pay the Make Whole Premium or such other premium, including any premium payable pursuant to Section 2.6.3(b) or (c), as applicable; and (iv) the Loan Parties shall be estopped hereafter from claiming differently than as agreed to in this paragraph. The Loan Parties expressly acknowledge that their agreement to pay the Make Whole Premium or such other premium, as applicable, as herein described is a material inducement to the Term A-1 Lenders to provide the Term A-1 Commitments and make the Term A-1 Loans.

(e) If on or prior to the date that is six months following the Seventh Amendment Effective Date, any 2022 Term A Repricing Event occurs, the Company shall pay to the Administrative Agent, for the ratable account of each of the applicable 2022 Term A Lenders (a) in the case of clause (i) of the definition of 2022 Term A Repricing Event, a prepayment premium of 1.00% of the aggregate amount of the 2022 Term A Facility so prepaid, repaid or replaced and (b) in the case of clause (ii) of the definition of 2022 Term A Repricing Event, a fee equal to 1.00% of the aggregate amount of the 2022 Term A Facility outstanding immediately prior to such amendment (without duplication of any fee paid to such 2022 Term A Lender under 2.6.3(e)), it being understood, for the avoidance of doubt, such fee shall be payable to any 2022 Term A Lender whose 2022 Term A Loans are assigned or repaid pursuant to Section 3.5(b) for failing to consent to such amendment.

2.6.4 If the Aggregate Revolving Credit Outstandings of all Lenders exceed (x) 105% of the Aggregate Revolving Credit Commitments solely as a result of currency fluctuations or (y) the Aggregate Revolving Credit Commitments (other than as a result of currency fluctuations) at any time, the applicable Borrowers shall promptly prepay the Aggregate Revolving Credit Outstandings or cash collateralize Facility Letters of Credit in the amount of such excess; provided that it is understood that this Section 2.6.4 shall not require any Foreign Subsidiary Borrower to prepay or cash collateralize amounts in excess of its then applicable Aggregate Revolving Credit Outstandings.

2.6.5 Mandatory Prepayment of Term Loans.

(a) On and after the Acquisition Closing Date, if any Indebtedness shall be issued or incurred by the Company or any Restricted Subsidiary (excluding any Indebtedness incurred in accordance with Section 6.18), an amount equal to 100% of the Net Cash Proceeds thereof shall be applied on the date of such issuance or incurrence toward the prepayment of the Term Loans as set forth in Section 2.6.9.

(b) On and after the Acquisition Closing Date, if the Company or any Restricted Subsidiary shall receive Net Cash Proceeds from any Asset Sale Prepayment Event or Recovery Event then, unless a Reinvestment Notice shall be delivered in respect thereof, 100% of such Net Cash Proceeds shall be applied on or prior to the fifth Business Day after such receipt (or in the case of an Asset Sale Prepayment Event or Recovery Event in an amount less than \$75,000,000, on or prior to the date five Business Days after the date the financial statements for the fiscal quarter in which such event occurred are required to be delivered pursuant to Section 6.01(i) or (ii)), toward the prepayment of the Term Loans as set forth in Section 2.6.9; provided that, notwithstanding the foregoing, no later than each Reinvestment Prepayment Date, an amount equal to the Reinvestment Prepayment Amount with respect to the relevant Reinvestment Event shall be applied toward the prepayment of the Term Loans as set forth in Section 2.6.9. Notwithstanding the foregoing, if, on a Pro Forma Basis after giving effect to any Asset Sale Prepayment Event or Recovery Event the Company's Total Net Leverage Ratio is less than 2.50 to 1.00, the Net Cash Proceeds from such Asset Sale Prepayment Event or Recovery Event shall not be subject to the prepayment requirements of this clause (b).

(c) On and after the Acquisition Closing Date, if, for any fiscal year of the Company commencing with the first full fiscal year ending after the Acquisition Closing Date, there shall be Excess Cash Flow, the Company shall, on the relevant Excess Cash Flow Application Date (as defined below), apply the ECF Percentage of such Excess Cash Flow toward the prepayment of the Term Loans as set forth in Section 2.6.9. Each such prepayment and commitment reduction shall be made on a date (an "Excess Cash Flow Application Date") no later than five Business Days after the date on which the financial statements of the Borrower referred to in Section 6.1(i) for the fiscal year with respect to which such prepayment to be made are required to be delivered to the Lenders; provided that (i) any voluntary prepayments of Term Loans during such fiscal year, to the extent funded with internally generated cash and (ii) voluntary prepayments made on the Revolving Credit Loans during such fiscal year that were accompanied by an equal permanent reduction of the Revolving Credit Commitments, in each case, shall be credited against the Company's obligation to make prepayments under this Section 2.6.5(c) for such fiscal year on a dollar-for-dollar basis.

Prepayments from, and, without duplication, of amounts equal to, Net Cash Proceeds of any Asset Sale Prepayment Event or Recovery Event or Excess Cash Flow by or of a Foreign Subsidiary (to the extent otherwise required) will be limited to the extent (x) the repatriation of Foreign Subsidiaries' funds to fund such prepayments is prohibited, restricted or delayed by applicable laws, (y) repatriation of Foreign Subsidiaries' funds to fund such prepayment could reasonably be expected to result in adverse tax consequences to the Company and its Restricted Subsidiaries or (z) such funds originate at the Target or its Subsidiaries prior to the Domination Agreement Effective Date. All mandatory prepayments are subject to permissibility under (a) in the case of Foreign Subsidiaries, local law restrictions (such as restrictions relating to financial assistance, corporate benefit, restrictions on upstreaming of cash intra-group and the fiduciary and statutory duties of the directors of the relevant Restricted Subsidiaries) and (b) with respect to non-Wholly Owned Restricted Subsidiaries, organizational document restrictions, to the extent not created in contemplation of such prepayments.

The non-application of any such mandatory prepayment amounts in compliance with the foregoing provisions of this paragraph will not constitute an Unmatured Default or Default and such amounts shall be available for working capital purposes of the Company and its Restricted Subsidiaries. The Company will undertake to use commercially reasonable efforts to overcome or eliminate any such restrictions and/or minimize any such costs of prepayment (subject to the considerations above) to make the relevant payment, other than, for the avoidance of doubt, to the extent resulting from asset sales or operations of the Target and its Restricted Subsidiaries prior to the Domination Agreement Effective Date. Notwithstanding the foregoing, any prepayments made after application of the above provisions shall be net of any costs, expenses or taxes incurred by the Company and its Restricted Subsidiaries or any of its Affiliates or equity partners and arising as a result of compliance with this paragraph.

2.6.6 Each prepayment pursuant to this Section 2.6 and each conversion (other than a conversion of a Floating Rate Loan to a Eurocurrency Loan) pursuant to Section 2.7 shall be accompanied by accrued and unpaid interest and premium, if any, on the amount prepaid to the date of prepayment and any amounts payable under Section 3.3 in connection with such payment.

2.6.7 If two different Types of U.S. Dollar Loans of a particular Class are outstanding, the applicable prepayment pursuant to this Section 2.6 shall be applied first to prepay Floating Rate Loans and second to prepay Eurocurrency Loans then outstanding in such order as the Company or such Borrower may direct.

2.6.8 All Revolving Credit Loans prepaid under Sections 2.6.1, 2.6.2 or 2.6.4 may be reborrowed and successively repaid and reborrowed, subject to the other terms and conditions in this Agreement.

2.6.9 All prepayments of the Term Loans under Sections 2.6.1 and 2.6.2 shall be applied to the Class of Term Loans as directed by the applicable Borrower and to reduce the scheduled repayments of such Term Loans as directed by the Company. All prepayments of the Term Loans under Sections 2.6.5 shall be applied ratably among the outstanding Classes of Term Loans according to the respective outstanding principal amounts thereof, and within each such Class the amount of each such principal prepayment shall be applied first, to reduce the first eight installments thereof in direct order of maturity, and thereafter pro rata to reduce the then remaining installments of such Class of Term Loans.

2.6.10 Notwithstanding anything in Section 2.6.1 or 2.6.2, if a notice of prepayment is given under Section 2.6.1 or 2.6.2 in connection with a conditional notice of termination of the Revolving Credit Commitments as contemplated by Section 2.4 or the anticipated funding of Term Loans or Incremental Term Loans, then such notice of prepayment may be revoked if such notice of termination is revoked in accordance with Section 2.4 or such Term Loans or Incremental Term Loans are not funded as anticipated, as applicable.

2.6.11 Notwithstanding anything in Section 2.6, any Term Lender may elect not to accept its pro rata portion of any amount prepaid under Sections 2.6.5 pursuant to procedures reasonably satisfactory to the Administrative Agent (each such Term Lender, a “Declining Lender”), and the Company or applicable Subsidiary Borrower shall retain for its own account such amount (the “Declined Amount”) declined by a Declining Lender.

2.6.12 Notwithstanding anything in Section 2.6, if the Replacement Facilities Effective Date has not occurred and the Existing Loan Agreement (or backstop facilities in replacement thereof) remains outstanding on or after the Acquisition Closing Date, any prepayments of Term Loans required pursuant to Section 2.6.5 may be shared, but not more than ratably (based on the respective outstanding principal amount thereof), with any term loans under such Existing Loan Agreement (or backstop facilities in replacement thereof) to the extent the documentation governing such term loans contains mandatory prepayment requirements and such documentation requires a mandatory prepayment of such term loans thereunder.

2.7 Conversion and Continuation of Outstanding Advances

Floating Rate Advances shall continue as Floating Rate Advances unless and until such Floating Rate Advances are converted into Eurocurrency Advances. Each Eurocurrency Advance shall continue as a Eurocurrency Advance until the end of the then applicable Interest Period therefor, at which time such Eurocurrency Advance shall be automatically converted into a Floating Rate Advance in the case of U.S. Dollar Loans or automatically continued for an Interest Period of one month in the case of Foreign Currency Loans, unless the applicable Borrower shall have given the Administrative Agent a Conversion/Continuation Notice requesting that, at the end of such Interest Period, such Eurocurrency Advance continue as a Eurocurrency Advance for the same or another Interest Period. Subject to the terms hereof, any Borrower may elect from time to time to convert all or any part of an Advance of any Type into any other Type or Types of Advance (subject to, in the case of conversion of any Eurocurrency Advance other than on the last day of the Interest Period applicable thereto, payment of any amounts payable under Section 3.3 in connection therewith). The Company shall give the Administrative Agent irrevocable notice (a “Conversion/Continuation Notice”) of each conversion of an Advance or continuation of a Eurocurrency Advance not later than 11:00 a.m. (Chicago time for U.S. Dollar Loans and

London time for Foreign Currency Loans) at least one Business Day, in the case of a conversion into a Floating Rate Advance, or three Business Days, in the case of a conversion into or continuation of a Eurocurrency Advance, prior to the date of the requested conversion or continuation, specifying:

(a) the requested date, which shall be a Business Day, of such conversion or continuation,

(b) the aggregate amount and Type of the Advance which is to be converted or continued (which shall be limited to Eurocurrency Loans in the case of Foreign Currency Loans), and

(c) the amounts and Type(s) of Advance(s) into which such Advance is to be converted or continued and, in the case of a conversion into or continuation of a Eurocurrency Advance, the duration of the Interest Period applicable thereto.

2.8 Interest Rates, Interest Payment Dates; Interest and Fee Basis

(a) Each Floating Rate Loan shall bear interest on the outstanding principal amount thereof, for each day from and including the date such Loan is made or is converted from a Eurocurrency Loan into a Floating Rate Loan pursuant to Section 2.7 to but excluding the date it becomes due or is converted into a Eurocurrency Loan pursuant to Section 2.7 hereof, at a rate per annum equal to the Floating Rate for such day. Each Eurocurrency Loan shall bear interest for each day during each Interest Period with respect thereto at a rate per annum equal to the Eurocurrency Rate determined for such Interest Period. Each Swing Loan shall bear interest at such rate as is agreed upon between the applicable Borrower and the Swing Lender.

(b) Interest accrued on each Floating Rate Advance shall be payable on each Payment Date, commencing with the first such date to occur after the Execution Date and at maturity. Interest accrued on each Eurocurrency Advance shall be payable on the last day of its applicable Interest Period, on any date on which the Eurocurrency Advance is prepaid, whether by acceleration or otherwise, and at maturity. Interest accrued on each Eurocurrency Advance having an Interest Period longer than three months shall also be payable on the last day of each three-month interval during such Interest Period. Interest accrued on each Swing Loan shall be payable on demand by the Swing Lender.

(c) Interest shall be payable for the day an Advance is made but not for the day of any payment on the amount paid if payment is received prior to 1:00 p.m. (local time) at the place of payment. If any payment of principal or interest or fee on an Advance shall become due on a day which is not a Business Day, except as otherwise provided in the definition of Interest Period, such payment shall be made on the next succeeding Business Day and, in the case of a principal payment, such extension of time shall be included in computing interest in connection with such payment.

(d) All interest and fees shall be computed on the basis of the actual number of days (including the first day but excluding the last day) occurring during the period such interest or fee is payable over a year comprised of 360 days or, in the case of Floating Rate Loans based on the Prime Rate, 365/366 days, unless the Administrative Agent reasonably

determines that it is market practice to calculate such interest or fees on Foreign Currency Advances on a different basis.

(e) Changes in the rate of interest on that portion of any Advance maintained as a Floating Rate Advance will take effect simultaneously with each change in the Alternate Base Rate. Each Eurocurrency Advance shall bear interest on the outstanding principal amount thereof from and including the first day of the Interest Period applicable thereto to (but not including) the last day of such Interest Period at the interest rate determined as applicable to such Eurocurrency Advance.

2.9 Rates Applicable After Default Notwithstanding anything to the contrary contained in this Agreement, during the continuance of a Default the Required Lenders may, at their option, by notice to the Borrowers (which notice may be revoked at the option of the Required Lenders notwithstanding any provision of Section 8.2 requiring unanimous consent of the Lenders to changes in interest rates), declare that no Advance may be made as, converted into or continued (after the expiration of the then current Interest Period) as a Eurocurrency Advance, provided that, notwithstanding the foregoing, any outstanding Foreign Currency Advance may be continued for an Interest Period not to exceed one month after such notice to the Borrowers by the Required Lenders. Upon and during the continuance of any Default under Section 7.2 with respect to principal, interest or fees, the Required Lenders may, at their option, by notice to the Company (which notice may be revoked at the option of the Required Lenders notwithstanding any provision of Section 8.2 requiring unanimous consent of the Lenders as to changes and interest rates) declare that (i) each Eurocurrency Advance shall bear interest for the remainder of the applicable Interest Period at the rate otherwise applicable to such Interest Period plus 2% per annum, and (ii) each Floating Rate Advance and any other amount due under this Agreement shall bear interest at a rate per annum equal to the Floating Rate otherwise applicable to Floating Rate Loans plus 2% per annum, provided that, upon and during the continuance of any acceleration for any reason of any of the Obligations, the interest rate set forth in clauses (i) and (ii) shall be applicable to all Advances without any election or action on the part of the Administrative Agent or any Lender.

2.10 Pro Rata Payment, Method of Payment; Proceeds of Collateral

(a) Each borrowing of a Class of Loans from the Lenders thereunder shall be made pro rata according to the Pro Rata Shares of the applicable Lenders of such Class in effect on the date of such borrowing. Except as otherwise provided in this Agreement (including payment of premium resulting from a forced assignment of Term A-1 Loans pursuant to Section 3.5), each payment on account of any Commitment Fee, Delayed Draw Term A Ticking Fee or premium shall be allocated by the Administrative Agent among the Lenders under the applicable Class in accordance with their respective Pro Rata Shares. Except as otherwise provided in this Agreement, any reduction of a Class of Commitments of the Lenders shall be allocated by the Administrative Agent among the Lenders of such Class pro rata according to the Pro Rata Shares of the Lenders with respect thereto. Except as otherwise provided in this Agreement, each payment (including each prepayment) by a Borrower hereunder on account of principal, interest, commitment or ticking fees on a Class of its Loans shall be allocated by the Administrative Agent pro rata to the Lenders of such Class according to the respective outstanding principal amounts thereof. All payments (including prepayments) to be made by a Borrower hereunder, whether on account of principal, interest, fees or otherwise, shall be made, without setoff, deduction, or counterclaim, in immediately available funds to the Administrative Agent for the account of the Lenders at the applicable payment office of the Administrative Agent for such payment specified from time to time in writing by the Administrative Agent to the Borrowers by 1:00 p.m. (local time) on the date when due. Each payment delivered to the Administrative Agent

for the account of any Lender shall be delivered promptly by the Administrative Agent to such Lender in the same type of funds received by the Administrative Agent. All payments hereunder shall be in Dollars; provided that (i) principal, LC Disbursements, interest, commitment fees, ticking fees or breakage indemnity due in respect of Advances, Commitments or Facility Letters of Credit denominated in an Available Foreign Currency, shall be in such Available Foreign Currency and (ii) with respect to other payments required to be made by it pursuant to Section 3.2 or 10.6 that are invoiced in a currency other than Dollars, shall be payable in the currency so invoiced.

(b) Application of Proceeds of Collateral and Guaranty. Subject to the terms of any intercreditor agreement entered into by the Administrative Agent in accordance with Section 11.9(e) and subject to Section 17.4, all amounts received under any Guaranty and all proceeds received by the Administrative Agent from the sale or other liquidation of the Collateral when a Default exists shall first be applied as payment of the accrued and unpaid fees of the Administrative Agent hereunder and then to all other unpaid or unreimbursed Obligations (including reasonable attorneys' fees and expenses in accordance with Section 10.6) owing to the Administrative Agent in its capacity as Administrative Agent only, and then any remaining amount of such proceeds shall be distributed as follows:

In the case of amounts and proceeds received in respect of the Foreign Loan Parties:

(i) first, to an account at the Administrative Agent over which the Administrative Agent shall have control in an amount equal to 103% of the Facility Letter of Credit Obligations then outstanding;

(ii) second, to the Secured Parties, pro rata in accordance with the respective unpaid amounts of Foreign Obligations then owing, until all the Foreign Obligations then owing have been paid and satisfied in full or cash collateralized;

(iii) third, to the Person entitled thereto as directed by the Company or as otherwise determined by applicable law or applicable court order.

In the case of amounts and proceeds received in respect of the Domestic Loan Parties:

(i) first, to an account at the Administrative Agent over which the Administrative Agent shall have control in an amount equal to 103% of the Facility Letter of Credit Obligations then outstanding;

(ii) second, to the Secured Parties, pro rata in accordance with the respective unpaid amounts of Obligations then owing, until all the Obligations then owing have been paid and satisfied in full or cash collateralized;

(iii) third, to the Person entitled thereto as directed by the Company or as otherwise determined by applicable law or applicable court order.

(c) Noncash Proceeds. Notwithstanding anything contained herein to the contrary, if the Administrative Agent shall ever acquire any Collateral through foreclosure or by a conveyance in lieu of foreclosure or by retaining any of the Collateral in satisfaction of all or part of the Obligations or if any proceeds of Collateral received by the Administrative Agent to be distributed and shared pursuant to this Section 2.10 are in a form other than immediately available funds, the Administrative Agent shall not be required to remit any share thereof under the terms hereof and the Secured Parties

shall only be entitled to their undivided interests in the Collateral or noncash proceeds as determined by paragraph (b) of this Section 2.10. The Secured Parties shall receive the applicable portions (in accordance with the foregoing paragraph (b)) of any immediately available funds consisting of proceeds from such Collateral or proceeds of such noncash proceeds so acquired only if and when received by the Administrative Agent in connection with the subsequent disposition thereof. While any Collateral or other property to be shared pursuant to this Section is held by the Administrative Agent pursuant to this paragraph (c), the Administrative Agent shall hold such Collateral or other property for the benefit of the Secured Parties and all matters relating to the management, operation, further disposition or any other aspect of such Collateral or other property shall be resolved by the agreement of the Required Lenders.

(d) Return of Proceeds. If at any time payment, in whole or in part, of any amount distributed by the Administrative Agent hereunder is rescinded or must otherwise be restored or returned by the Administrative Agent as a preference, fraudulent conveyance, or otherwise under any bankruptcy, insolvency, or similar law, then each Person receiving any portion of such amount agrees, upon demand, to return the portion of such amount it has received to the Administrative Agent.

2.11 Telephonic Notices Each Borrower hereby authorizes the Lenders and the Administrative Agent to extend, convert or continue Advances, effect selections of Types of Advances and to transfer funds based on telephonic notices made by any Person or Persons the Administrative Agent or any Lender reasonably and in good faith believes to be an Authorized Officer, provided that the Borrowers shall be required to make all requests for Loans denominated in any Available Foreign Currency in writing. Each Borrower agrees to deliver promptly to the Administrative Agent a written confirmation, if such confirmation is requested by the Administrative Agent or any Lender, of each telephonic notice signed by an Authorized Officer. If the written confirmation differs in any material respect from the action taken by the Administrative Agent and the Lenders, the records of the Administrative Agent and the Lenders shall govern absent manifest error.

2.12 Notification of Advances, Interest Rates, Prepayments and Commitment Reductions Promptly after receipt thereof, the Administrative Agent will notify each Lender of the contents of each Commitment reduction notice, Borrowing Notice, Conversion/Continuation Notice, and repayment notice received by it hereunder. The Administrative Agent will notify each Lender of the interest rate applicable to each Eurocurrency Advance promptly upon determination of such interest rate and will give each Lender prompt notice of each change in the Alternate Base Rate.

2.13 Lending Installations Each Lender may, subject to Section 3.5, make and book its Loans at any Lending Installation(s) selected by such Lender and may change its Lending Installation(s) from time to time. All terms of this Agreement shall apply to any such Lending Installation(s) and the Notes, if any, shall be deemed held by each Lender for the benefit of such Lending Installation(s). Each Lender may, by written or telex notice to the Administrative Agent and the applicable Borrower, designate one or more Lending Installations which are to make and book Loans and for whose account Loan payments are to be made.

2.14 Non-Receipt of Funds by the Administrative Agent Unless a Borrower or a Lender, as the case may be, notifies the Administrative Agent prior to the date on which it is scheduled to make payment to the Administrative Agent of (a) in the case of a Lender, the proceeds of a Loan or (b) in the case of a Borrower, a payment of principal,

interest or fees to the Administrative Agent for the account of the Lenders, that it does not intend to make such payment, the Administrative Agent may assume that such payment has been made. The Administrative Agent may, but shall not be obligated to, make the amount of such payment available to the intended recipient in reliance upon such assumption. If such Lender or Borrower, as the case may be, has not in fact made such payment to the Administrative Agent, the recipient of such payment shall, on demand by the Administrative Agent, repay to the Administrative Agent the amount so made available together with interest and premium, if any, thereon in respect of each day during the period commencing on the date such amount was so made available by the Administrative Agent until the date the Administrative Agent recovers such amount at a rate per annum equal to (i) in the case of payment by a Lender, the Federal Funds Effective Rate for the first five days and the interest rate applicable to the relevant Loan for each day thereafter or (ii) in the case of payment by a Borrower, the interest rate applicable to the relevant Loan.

2.15 Facility Letters of Credit

2.15.1 Obligation to Issue. Subject to the terms and conditions of this Agreement (including without limitation the terms of Section 2.15.2(e)) and in reliance upon the representations and warranties of the Borrowers herein set forth, the Issuers hereby agree to issue for the account of a Borrower through such of the Issuer's Lending Installations as such Issuer may determine, one or more Facility Letters of Credit in accordance with this Section 2.15, from time to time during the period commencing on the Replacement Facilities Effective Date and, in the case of a 2020 Issuer, ending five Business Days prior to the 2020 Revolving Termination Date and in the case of a 2022 Issuer, ending five Business Days prior to the 2022 Revolving Termination Date.

2.15.2 Conditions for Issuance. In addition to being subject to the satisfaction of the conditions contained in Sections 4.1, 4.2 and 4.4, the obligation of an Issuer to issue any Facility Letter of Credit is subject to the satisfaction in full of the following conditions:

(a) the aggregate maximum amount then available for drawing under Facility Letters of Credit issued by the Issuers, after giving effect to the Facility Letter of Credit requested hereunder, shall not exceed any limit imposed by law or regulation upon the Issuer;

(b) unless consented by the Issuer thereof, the requested Facility Letter of Credit shall not have an expiration date later than one year after the date of issuance of such Facility Letter of Credit, provided that any Facility Letter of Credit with a one-year tenor may provide for the renewal thereof for additional one-year periods, which shall, in no event, in the case of a 2020 Issuer, extend beyond the date that is five Business Days prior to the 2020 Revolving Termination Date and in the case of a 2022 Issuer, extend beyond the date that is five Business Days prior to the 2022 Revolving Termination Date;

(c) immediately after giving effect to the Facility Letter of Credit requested hereunder, the aggregate maximum amount then available for drawing under Facility Letters of Credit issued by the Issuers shall not exceed the Dollar Equivalent Amount of the sum of the aggregate Issuer Sublimits, and no prepayment or cash collateralization would as a result of such issuance then be required under this Agreement;

(d) the applicable Borrower shall have delivered to the applicable Issuer at such times and in such manner as such Issuer may reasonably prescribe such documents and materials as

may be required pursuant to the terms of the proposed Letter of Credit and the proposed Letter of Credit shall be reasonably satisfactory to such Issuer as to form and content; and

(e) notwithstanding the foregoing or anything to the contrary contained herein, no Issuer shall be obligated to issue or modify any Facility Letter of Credit if, immediately after giving effect to such issuance or modification, the Dollar Equivalent Amount of the outstanding Facility Letter of Credit Obligations in respect of all Facility Letters of Credit issued by such Issuer and its Lending Installations would exceed such Issuer's Issuer Sublimit. Without limiting the foregoing and without affecting the limitations contained herein, it is understood and agreed that any Borrower may from time to time request that an Issuer issue Facility Letters of Credit in excess of its individual Issuer Sublimit in effect at the time of such request, and each Issuer may, in its sole discretion, issue Facility Letters of Credit in excess of its individual Issuer Sublimit. Any Facility Letter of Credit so issued by an Issuer in excess of its individual Issuer Sublimit then in effect shall nonetheless constitute a Facility Letter of Credit for all purposes of this Agreement, and shall not affect the Issuer Sublimit of any other Issuer, subject to the limitations set forth in Section 2.15.2(c) above. Notwithstanding anything herein to the contrary, no Issuer shall have any obligation hereunder to issue, and in the case of clause (i) below no Issuer shall issue, any Facility Letter of Credit (i) the proceeds of which would be made available to any Person in breach of Section 6.2(b), (ii) if any order, judgment or decree of any Governmental Authority or arbitrator shall by its terms purport to enjoin or restrain such Issuer from issuing such Facility Letter of Credit, or any Requirement of Law relating to such Issuer or any request or directive (whether or not having the force of law) from any Governmental Authority with jurisdiction over such Issuer shall prohibit, or request that such Issuer refrain from, the issuance of letters of credit generally or such Facility Letter of Credit in particular or shall impose upon such Issuer with respect to such Facility Letter of Credit any restriction, reserve or capital requirement (for which the Issuer is not otherwise compensated hereunder) not in effect on the Replacement Facilities Effective Date, or shall impose upon such Issuer any unreimbursed loss, cost or expense which was not applicable on the Replacement Facilities Effective Date and which such Issuer in good faith deems material to it, or (iii) if the issuance of such Facility Letter of Credit would violate one or more policies of such Issuer applicable to letters of credit generally; provided that, notwithstanding anything herein to the contrary, (x) the Dodd-Frank Wall Street Reform and Consumer Protection Act and all requests, rules, guidelines, requirements or directives thereunder or issued in connection therewith or in the implementation thereof, and (y) all requests, rules, guidelines, requirements or directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or the United States or foreign regulatory authorities, in each case pursuant to Basel III, shall in each case be deemed not to be in effect on the Replacement Facilities Effective Date for purposes of clause (ii) above, regardless of the date enacted, adopted, issued or implemented.

2.15.3 Procedure for Issuance of Facility Letters of Credit.

(a) The applicable Borrower shall give one of the Issuers and the Administrative Agent three Business Days' prior written notice of any requested issuance of a Facility Letter of Credit under this Agreement (except that, in lieu of such written notice, a Borrower may give an Issuer (i) notice of such request by tested telex or other tested arrangement satisfactory to such Issuer or (ii) telephonic notice of such request if confirmed in writing by delivery to such Issuer (A) immediately (x) of a telecopy of the written notice required hereunder which has been signed by an Authorized Officer of such Borrower or (y) of a telex containing all information required to be contained in such written notice and (B) promptly (but in no event later than the requested time of issuance) of a copy of the written notice required hereunder containing the original signature of an Authorized Officer of

such Borrower); such notice shall be irrevocable and shall specify the stated amount and Agreed Currency of the Facility Letter of Credit requested (which requested currency shall be limited to an Agreed Currency), the effective date (which day shall be a Business Day) of issuance of such requested Facility Letter of Credit, the date on which such requested Facility Letter of Credit is to expire (which date shall be a Business Day and shall in no event be later than, in the case of a 2020 Issuer, the fifth day prior to the 2020 Revolving Termination Date, and in the case of a 2022 Issuer, the fifth day prior to the 2022 Revolving Termination Date), the Person for whose benefit the requested Facility Letter of Credit is to be issued and such other information as may be reasonably requested by the Issuer. The Administrative Agent shall give notice to each applicable Lender of the issuance of each Facility Letter of Credit reasonably promptly after such Facility Letter of Credit is issued. At the time such request is made, the requesting Borrower shall also provide the applicable Issuer with all information necessary for the issuance of the Facility Letter of Credit it is requesting. Such notice, to be effective, must be received by such Issuer not later than 2:00 p.m. (local time at such Issuer's issuing office) or the time otherwise agreed upon by such Issuer and such Borrower on the last Business Day on which notice can be given under this Section 2.15.3.

(b) Subject to the terms and conditions of this Section 2.15.3 and provided that the applicable conditions set forth in Sections 4.1, 4.2 and 4.4 hereof have been satisfied, the applicable Issuer shall, on the requested date, issue a Facility Letter of Credit on behalf of the applicable Borrower in accordance with such Issuer's usual and customary business practices.

(c) The Issuers shall not extend or amend any Facility Letter of Credit unless the requirements of this Section 2.15 are met as though a new Facility Letter of Credit was being requested and issued.

2.15.4 Reimbursement Obligations.

(a) The applicable Borrower's obligation to reimburse LC Disbursements shall be absolute, unconditional and irrevocable, and each Borrower agrees to pay to the applicable Issuer the amount of all Reimbursement Obligations, interest and other amounts payable to such Issuer under or in connection with any Facility Letter of Credit issued on behalf of such Borrower immediately when due, irrespective of any claim, set-off, defense or other right that such Borrower, the Company or any Subsidiary may have at any time against any Issuer or any other Person, under all circumstances, including without limitation, any of the following circumstances:

(i) any lack of validity or enforceability of this Agreement or any of the other Loan Documents;

(ii) the existence of any claim, setoff, defense or other right that any Borrower or any Subsidiary may have at any time against a beneficiary named in a Facility Letter of Credit or any transferee of any Facility Letter of Credit (or any Person for whom any such transferee may be acting), any Issuer, any Lender, or any other Person, whether in connection with this Agreement, any Facility Letter of Credit, the transactions contemplated herein or any unrelated transactions (including any underlying transactions between any Borrower or any Subsidiary and the beneficiary named in any Facility Letter of Credit);

(iii) any draft, certificate or any other document presented under the Facility Letter of Credit proving to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect;

(iv) the surrender or impairment of any security for the performance or observance of any of the terms of any of the Loan Documents;

(v) the occurrence of any Default or Unmatured Default;

(vi) payment by the Issuer under a Letter of Credit against presentation of a draft or other document that does not comply with the terms of such Letter of Credit; or

(vii) any other event or circumstance whatsoever, whether or not similar to any of the foregoing, that might, but for the provisions of this Section 2.15.4, constitute a legal or equitable discharge of, or provide a right of setoff against, the Borrower's obligations hereunder.

(b) The applicable Issuer shall promptly notify the applicable Borrower of any draw under a Facility Letter of Credit (any such draw, an "LC Disbursement"). Such Borrower shall reimburse such LC Disbursement in the currency of such LC Disbursement by paying to the

Administrative Agent an amount equal to such LC Disbursement not later than 1:00 P.M., Chicago time, on the Business Day immediately following the day that such Borrower receives such notice; provided that a Borrower may, subject to the conditions to borrowing set forth herein, request that such payment be financed, if applicable given the currency of the LC Disbursement, with a Revolving Credit Loan or Swing Loan in an equivalent amount and, to the extent so financed, such Borrower's obligation to make such payment shall be discharged and replaced by the resulting Revolving Credit Loan or Swing Loan. Any Reimbursement Obligation with respect to any Facility Letter of Credit shall bear interest from the date of the relevant drawings under the pertinent Facility Letter of Credit at (i) in the case of such Obligations denominated in U.S. Dollars, the interest rate for Floating Rate Loans or (ii) in the case of such Obligations denominated in an Available Foreign Currency, at the correlative floating rate of interest customarily applicable to similar extensions of credit to corporate borrowers denominated in such currency in the country of issue of such currency, as reasonably determined by the Administrative Agent. In addition to its other rights, the Issuers shall also have all rights for indemnification and reimbursement as each Lender is entitled under this Agreement.

2.15.5 Participation.

(a) Immediately upon issuance by an Issuer of any Facility Letter of Credit, each Revolving Credit Lender shall be deemed to have irrevocably and unconditionally purchased and received from such Issuer, without recourse or warranty, an undivided interest and participation equal to its Pro Rata Share of such Facility Letter of Credit (including, without limitation, all obligations of the applicable Borrower with respect thereto) and any security therefor or guaranty pertaining thereto; provided that a Letter of Credit issued by an Issuer shall not be deemed to be a Facility Letter of Credit for purposes of this Section 2.15.5 if such Issuer shall have received written notice from any Revolving Credit Lender on or before one Business Day prior to the date of its issuance of such Letter of Credit that one or more of the conditions contained in Section 4.4 are not then satisfied, and, if an Issuer receives such a notice, it shall have no further obligation to issue any Letter of Credit until such notice is withdrawn by that Revolving Credit Lender or such condition has been effectively waived in accordance with the provisions of this Agreement.

(b) If an Issuer makes any payment under any Facility Letter of Credit and the applicable Borrower (or if not the Company, the Company) shall not have repaid such amount to such Issuer pursuant to Section 2.15.4, the applicable Issuer shall promptly notify the Administrative Agent and each Lender participating in such Letter of Credit of such failure, and each Lender participating in such Letter of Credit shall promptly and unconditionally pay to the Administrative Agent for the account of such Issuer the amount of such Lender's Pro Rata Share of the unreimbursed amount of any such payment in such currency. If any Lender participating in such Facility Letter of Credit fails to make available to such Issuer any amounts due to such Issuer pursuant to this Section 2.15.5(b), such Issuer shall be entitled to recover such amount, together with interest thereon (i) in the case of amounts denominated in U.S. Dollars, at the Federal Funds Effective Rate, for the first three Business Days after such Lender receives such notice and thereafter, at the Floating Rate, or (ii) in the case of amounts denominated in an Available Foreign Currency, at a local cost of funds rate for obligations in such currency as determined by the Administrative Agent for the first three Business Days after such Lender receives such notice, and thereafter at the floating rate of interest correlative to the Floating Rate

customarily applicable to similar extensions of credit to corporate borrowers denominated in such currency in the country of issue of such currency, as determined by the Administrative Agent, in either case payable (i) on demand, (ii) by setoff against any payments made to such Issuer for the account of such Lender or (iii) by payment to such Issuer by the Administrative Agent of amounts otherwise payable to such Lender under this Agreement. The failure of any Revolving Credit Lender to make available to the Administrative Agent its Pro Rata Share of the unreimbursed amount of any such payment shall not relieve any other Revolving Credit Lender of its obligation hereunder to make available to the Administrative Agent its Pro Rata Share of the unreimbursed amount of any payment on the date such payment is to be made, but no Revolving Credit Lender shall be responsible for the failure of any other Revolving Credit Lender to make available to the Administrative Agent its Pro Rata Share of the unreimbursed amount of any payment on the date such payment is to be made.

(c) Whenever an Issuer receives a payment on account of a Reimbursement Obligation, including any interest thereon, it shall promptly pay to each Lender that has funded its participating interest therein, in like funds as received an amount equal to such Lender's Pro Rata Share thereof.

(d) The obligations of a Revolving Credit Lender to make payments to the Administrative Agent with respect to a Facility Letter of Credit shall be absolute, unconditional and irrevocable, not subject to any counterclaim, set-off, qualification or exception whatsoever and shall be made in accordance with the terms and conditions of this Agreement under all circumstances.

(e) If any payment by a Borrower received by the Administrative Agent with respect to a Facility Letter of Credit and distributed by the Administrative Agent to the Revolving Credit Lenders on account of their participations is thereafter set aside, avoided or recovered from the Administrative Agent in connection with any receivership, liquidation, reorganization or bankruptcy proceeding, each Revolving Credit Lender that received such distribution shall, upon demand by the Administrative Agent, contribute such Revolving Credit Lender's Pro Rata Share of the amount set aside, avoided or recovered together with interest at the rate required to be paid by the Administrative Agent upon the amount required to be repaid by it.

(f) On the Seventh Amendment Effective Date, the participations in any issued and outstanding Facility Letters of Credit shall be reallocated so that after giving effect thereto the 2020 Revolving Credit Lenders and the 2022 Revolving Credit Lenders shall share ratably in such participations in accordance with the aggregate Revolving Credit Commitments (including both the 2020 Revolving Credit Commitments and the 2022 Revolving Credit Commitments from time to time in effect). Thereafter, until the 2020 Revolving Termination Date, participations in any newly-issued Facility Letters of Credit shall be allocated in accordance with the aggregate Revolving Credit Commitments (including both the 2020 Revolving Credit Commitments and the 2022 Revolving Credit Commitments from time to time in effect); provided that, notwithstanding the foregoing, participations in any new Facility Letters of Credit that have an expiry date after the date that is five Business Days prior to the 2020 Revolving Termination Date shall be allocated to the 2022 Revolving Credit Lenders ratably in accordance with their 2022 Revolving Credit Commitments but only to the extent that such

allocation would not cause the 2022 Revolving Credit Lenders' Aggregate Revolving Credit Outstandings for all 2022 Revolving Credit Lenders at such time to exceed the Aggregate 2022 Revolving Credit Commitments; provided further that no 2020 Issuer shall be obligated to issue any Letter of Credit that would have an expiry date after the date that is five Business Days prior to the 2020 Revolving Termination Date and no 2022 Issuer shall be obligated to issue any Letter of Credit that would have an expiry date after the date that is five Business Days prior to the 2020 Revolving Termination Date unless such Letter of Credit would be 100% covered by the 2022 Revolving Credit Commitments of the 2022 Revolving Credit Lenders.

(g) If the reallocation described in clause (f) above cannot, or can only partially, be effected as a result of the limitations set forth herein, the Borrowers shall within three Business Days following notice by the Administrative Agent, either (x) cash collateralize such 2020 Revolving Credit Lenders' participations in the outstanding Facility Letters of Credit (after giving effect to any partial reallocation pursuant to clause (f) above) or (y) backstop such 2020 Revolving Credit Lenders' participations in the outstanding Facility Letters of Credit (after giving effect to any partial reallocation pursuant to clause (f) above) with a letter of credit reasonable satisfactory to the applicable Issuer, in each case, for so long as any such Facility Letters of Credit are outstanding.

2.15.6 Compensation for Facility Letters of Credit. The Issuer of a Facility Letter of Credit shall have the right to receive from the Borrower that requested issuance of such Facility Letter of Credit, solely for the account of such Issuer, a fronting fee in an amount to be agreed between the Borrower and such Issuer (which in no event shall exceed 0.125% per annum) as well as the Issuer's reasonable and customary costs of issuing and servicing the Facility Letter of Credit. In addition, such Borrower shall pay to the Administrative Agent for the account of each Lender participating in such Facility Letter of Credit a non-refundable fee at a per annum rate equal to the Applicable Margin then in effect under the applicable Revolving Credit Facility under which such Facility Letter of Credit is issued with respect to Revolving Credit Loans that are Eurocurrency Loans under such applicable Revolving Credit Facility applied to the face amount of the Facility Letter of Credit, payable quarterly in arrears for the account of all Lenders participating in such Facility Letter of Credit ratably from the date such Facility Letter of Credit is issued until its stated expiry date or, if earlier, the date of its termination or drawdown (provided that if such drawdown is a partial drawdown, such fee shall continue to accrue with respect to the face amount of such Facility Letter of Credit remaining available to be drawn).

2.15.7 Letter of Credit Collateral Account. Each Borrower hereby agrees that it will, until the final expiry of any Facility Letter of Credit issued on its account and thereafter as long as any amount is payable to the Revolving Credit Lenders in respect of any such Facility Letter of Credit, upon the request of the Administrative Agent, maintain a special collateral account (the "Letter of Credit Collateral Account") at the Administrative Agent's office at the address specified pursuant to Article XIV, in the name of such Borrower but under the sole dominion and control of the Administrative Agent, for the benefit of the Revolving Credit Lenders and in which such Borrower shall have no interest other than as set forth in Section 8.1. The Administrative Agent will invest any funds on deposit from time to time in the Letter of Credit Collateral Account in certificates of deposit of the Administrative Agent having a maturity not exceeding 30 days. Nothing in this Section 2.15.7 shall either obligate the Administrative Agent to require any Borrower to deposit any funds in the Letter of Credit Collateral Account or limit the right of the Administrative Agent to release any funds held in the Letter of Credit Collateral Account other than as required by Section 8.1, and the Borrowers' obligations to deposit funds in the Letter of Credit Collateral Account are limited to the circumstances required by Section 8.1.

2.15.8 Nature of Obligations.

(a) As among the Borrowers, the Issuers and the Lenders, each Borrower assumes all risks of the acts and omissions of, or misuse of the Facility Letters of Credit by, the respective beneficiaries of the Facility Letters of Credit requested by it. In furtherance and not in limitation of the foregoing, the Issuers and the Lenders shall not be responsible for (i) the form, validity, sufficiency, accuracy, genuineness or legal effect of any document submitted by any party in connection with the application for and issuance of any Facility Letter of Credit, even if it should in fact prove to be in any or all respects invalid, insufficient, inaccurate, fraudulent or forged; (ii) the validity or sufficiency of any instrument transferring or assigning or purporting to transfer or assign a Facility Letter of Credit or the rights or benefits thereunder or proceeds thereof, in whole or in part, which may prove to be invalid or ineffective for any reason; (iii) failure of the beneficiary of a Facility Letter of Credit to comply fully with conditions required in order to draw upon such Facility Letter of Credit; (iv) errors, omissions, interruptions or delays in transmission or delivery of any messages, by mail, cable, telegraph, telex or otherwise; (v) errors in interpretation of technical terms; (vi) misapplication by the beneficiary of a Facility Letter of Credit of the proceeds of any drawing under such Facility Letter of Credit; or (vii) any consequences arising from causes beyond the control of the Issuers or the Lenders. In addition to amounts payable as elsewhere provided in this Section 2.15, such Borrower hereby agrees to protect, indemnify, pay and save the Administrative Agent, each Issuer and each Lender harmless from and against any and all claims, demands, liabilities, damages, losses, costs, charges and expenses (including reasonable attorneys' fees) arising from the claims of third parties against the Administrative Agent or such Issuer in respect of any Facility Letter of Credit requested by such Borrower.

(b) In furtherance and extension and not in limitation of the specific provisions hereinabove set forth, any action taken or omitted by the Issuers or any Lender under or in connection with the Facility Letters of Credit or any related certificates, if taken or omitted in good faith, shall not put such Issuer or such Lender under any resulting liability to any Borrower or relieve any Borrower of any of its obligations hereunder to the Issuers, the Administrative Agent or any Lender.

(c) Notwithstanding anything to the contrary contained in this Section 2.15.8, a Borrower shall not have any obligation to indemnify the Administrative Agent, any Issuer or any Lender under this Section 2.15 in respect of any liability incurred by each arising out of the gross negligence or willful misconduct of such Administrative Agent, Issuer or Lender, as determined by a final non-appealable judgment of a court of competent jurisdiction, nor shall any Issuer be excused from liability to the Borrowers to the extent of any direct damages (as opposed to special, indirect, consequential or punitive damages, claims in respect of which are hereby waived by the Borrowers to the extent permitted by applicable law) suffered by any Borrower that are caused by the Issuer's failure to exercise care when determining whether drafts and other documents presented under a Facility Letter of Credit appear on their face to comply with the terms thereof. The parties hereto expressly agree that, in the absence of gross negligence or willful misconduct on the part of the Issuer (as finally determined in a non-appealable judgment by a court of competent jurisdiction), the Issuer shall be deemed to have exercised care in each such determination, and that:

(i) an Issuer may accept documents that appear on their face to be in substantial compliance with the terms of a Facility Letter of Credit without responsibility for further investigation, regardless of any notice or information to the contrary, and may make

payment upon presentation of documents that appear on their face to be in substantial compliance with the terms of such Facility Letter of Credit;

(ii) an Issuer shall have the right, in its sole discretion, to decline to accept such documents and to make such payment if such documents do not appear on their face to be in strict compliance with the terms of such Facility Letter of Credit; and

(iii) this sentence shall establish the standard of care to be exercised by an Issuer when determining whether drafts and other documents presented under a Facility Letter of Credit comply with the terms thereof (and the parties hereto hereby waive, to the extent permitted by applicable law, any standard of care inconsistent with the foregoing).

2.15.9 Replacement and Addition of Issuers. Each Issuer may be replaced at any time by written agreement among the Company and the successor Issuer with the consent of the Administrative Agent (such consent not to be unreasonably withheld or delayed). Any Revolving Credit Lender may be added as an Issuer at any time by written agreement among the Company and such new Issuer with the consent of the Administrative Agent (such consent not to be unreasonably withheld or delayed). The Administrative Agent shall notify the Revolving Credit Lenders of any such replacement of any Issuer and any additional Issuer. At the time any such replacement shall become effective, the Company shall pay all unpaid fees accrued for the account of the replaced Issuer hereunder. From and after the effective date of any such replacement or addition, (i) the successor or new, as applicable, Issuer shall have all the rights and obligations of an Issuer under this Agreement with respect to Facility Letters of Credit to be issued thereafter and (ii) references herein to the term "Issuer" shall be deemed to refer to such successor, additional and/or previous Issuers, as the context shall require. After the replacement of an Issuer hereunder, the replaced Issuer shall remain a party hereto and shall continue to have all the rights and obligations of an Issuer under this Agreement with respect to outstanding Facility Letters of Credit that were issued by it prior to such replacement, but shall not be required to issue additional Facility Letters of Credit.

2.16 Swing Loans

(a) Making of Swing Loans. The Swing Lender may elect in its sole discretion to make Swing Loans to any Borrower solely for the Swing Lender's own account, from time to time prior to the 2022 Revolving Termination Date up to an aggregate principal amount at any one time outstanding not to exceed the lesser of (x) the Dollar Equivalent Amount of \$50,000,000 and (y) the unused amount of the Revolving Credit Commitments ("Swing Loans"). The Swing Lender may make Swing Loans (subject to the conditions precedent set forth in Sections 4.1, 4.2 and 4.4), provided that the Swing Lender has received a request in writing or, in the case of Swing Loans to the Company in Dollars only, via telephone from an Authorized Officer of such Borrower for funding of a Swing Loan no later than such time required by the Swing Lender, on the Business Day on which such Swing Loan is requested to be made. The Swing Lender shall not make any Swing Loan in the period commencing one Business Day after the Swing Lender receives written notice from the Company or a Lender that one or more of the conditions precedent contained in Section 4.4 are not satisfied and ending upon the satisfaction or waiver of such condition(s). Swing Loans may be made by the Swing Lender in any freely traded currency requested by such Borrower and agreed to by the Swing Lender. Each outstanding Swing Loan shall be payable on the earlier of (i) the seventh Business Day after the making of such Swing Loan and (ii) the 2022 Revolving Termination Date, with interest at such rate to which the Swing Lender and such Borrower shall agree from time to time, and shall be subject to all the terms and conditions

applicable to Loans, except that all interest thereon shall be payable to the Swing Lender solely for its own account. Notwithstanding provisions to the contrary in this Agreement, each Revolving Credit Lender acknowledges and agrees that Swing Loans may be made under the Revolving Credit Commitment to any Borrower and each Borrower acknowledges and agrees that the availability under Section 2.1(d) may also be blocked by the Administrative Agent in an amount equal to the approximate anticipated Swing Loan usage reasonably determined by the Administrative Agent with the consent of the Company.

(b) Swing Loan Borrowing Requests. Each Borrower of a Swing Loan made pursuant to telephonic notice agrees to deliver promptly to the Swing Lender and each Revolving Credit Lender a written confirmation thereof signed by an Authorized Officer. If the written confirmation differs in any material respect from the action taken by the Swing Lender, the records of the Swing Lender shall govern, absent manifest error.

(c) Repayment of Swing Loans. (i) At any time after making a Swing Loan, the Swing Lender may request the recipient Borrower to, and upon request by the Swing Lender the recipient Borrower shall, promptly request an Advance from all Revolving Credit Lenders, and apply the proceeds of such Advance to the repayment of such Swing Loan not later than the Business Day following the Swing Lender's request. Notwithstanding the foregoing, upon the earlier to occur of (a) three Business Days after demand is made by the Swing Lender and (b) the 2022 Revolving Termination Date, the Borrower agrees that each Swing Loan outstanding in any currency other than Dollars shall be immediately and automatically converted to and redenominated in Dollars equal to the Dollar Equivalent Amount of each such Swing Loan determined as of the date of such conversion, and each Revolving Credit Lender shall irrevocably and unconditionally purchase from the Swing Lender, without recourse or warranty, an undivided interest and participation in such Swing Loan in an amount equal to such Revolving Credit Lender's Pro Rata Share of the Swing Loan and promptly pay such amount to such Swing Lender in immediately available funds (or, in the case of participations in Swing Loans denominated in an Available Foreign Currency other than Euros, same day funds). Such payment shall be made by the other Revolving Credit Lenders whether or not a Default is then continuing or any other condition precedent set forth in Section 4.4 is then met and whether or not such Borrower has then requested an Advance in such amount. If any Revolving Credit Lender fails to make available to such requesting Swing Lender any amounts due to the Swing Lender from such Revolving Credit Lender pursuant to this

Section 2.16(c), the Swing Lender shall be entitled to recover such amount, together with interest thereon at the Federal Funds Effective Rate or such other local cost of funds rate determined by the Swing Lender with respect to any Swing Loan denominated in any foreign currency for the first three Business Days after such Revolving Credit Lender receives notice of such required purchase and thereafter, at the rate applicable to such Loan, payable (i) on demand, (ii) by setoff against any payments made to the Swing Lender for the account of such Revolving Credit Lender or (iii) by payment to the Swing Lender by the Administrative Agent of amounts otherwise payable to such Revolving Credit Lender under this Agreement. The failure of any Revolving Credit Lender to make available to such Swing Lender its Pro Rata Share of any unpaid Swing Loan shall not relieve any other Revolving Credit Lender of its obligation hereunder to make available to the Swing Lender its Pro Rata Share of any unpaid Swing Loan on the date such payment is to be made, but no Revolving Credit Lender shall be responsible for the failure of any other Revolving Credit Lender to make available to the Swing Lender its Pro Rata Share of any unpaid Swing Loan.

(ii) From the Seventh Amendment Effective Date until the 2020 Revolving Termination Date, participations in Swing Loans shall be allocated in accordance with the aggregate Revolving Credit Commitment (including both 2020 Revolving Credit Commitments and 2022 Revolving Credit Commitments); provided that notwithstanding the foregoing, participations in any Swing Loans that are made on or after the fifth Business Day before the 2020 Revolving Termination Date shall be allocated to the 2022 Revolving Credit Lenders ratably in accordance with their 2022 Revolving Credit Commitments. On the 2020 Revolving Termination Date, the obligations of the 2020 Revolving Credit Lenders in respect of Swing Loans for which a participation has not occurred shall be terminated and reallocated to the 2022 Revolving Credit Lenders ratably in accordance with their respective 2022 Revolving Credit Commitments; provided that after giving effect to such reallocation the Aggregate Revolving Credit Outstandings for all 2022 Revolving Credit Lenders at such time shall not exceed the Aggregate 2022 Revolving Credit Commitments. If the reallocation described in the preceding sentence cannot, or can only partially, be effected as a result of the limitations set forth herein, the Borrowers shall within one Business Day of notice thereof from the Swing Lender or the Administrative Agent repay Swing Loans the participation interests in which cannot be reallocated to 2022 Revolving Credit Lenders pursuant to the prior sentence. To the extent any participation shall have been purchased by a 2020 Revolving Credit Lender, then on the 2020 Revolving Termination Date, the 2022 Revolving Credit Lenders shall purchase from such 2020 Revolving Credit Lenders such participation (without recourse or warranty) as shall be necessary to cause the 2022 Revolving Credit Lenders to share in such Swing Loans ratably based on their respective Pro Rata Share of Swing Loans; provided that all principal and interest payable on such Swing Loans shall be for the account of the Swing Lender until the date the respective participation is purchased and, to the extent attributable to the purchased participation, shall be payable to such Lender purchasing same from and after such date of purchase.

2.17 Defaulting Lenders Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Lender is a Defaulting Lender:

(a) fees shall cease to accrue pursuant to Section 2.5(a) and (b) on the Commitment of such Defaulting Lender solely in respect of its unused Commitments;

(b) the Commitments and Aggregate Outstandings of such Defaulting Lender shall not be included in determining whether all Lenders, all affected Lenders or Required Lenders have taken or may take any action hereunder (including any consent to any amendment or waiver pursuant to Section 8.2), provided that any waiver, amendment or modification requiring the consent of all Lenders or each affected Lender which affects such Defaulting Lender differently than other affected Lenders (other than as a result of such Defaulting Lender having a greater or lesser Aggregate Outstandings or Commitments) or which increases the amount of any Commitment of such Defaulting Lender, forgives any principal amount of any Loans owing to such Defaulting Lender or any interest (other than default interest) or fees owing to such Defaulting Lender previously accrued at the time of such forgiveness or extends the termination date of such Commitment or extends the final maturity beyond the then maturity date of any Loan, Note or Reimbursement Obligation with respect to such Defaulting Lender shall require the consent of such Defaulting Lender;

(c) if any Swing Loans or Facility Letter of Credit Obligations exist at the time a Revolving Credit Lender becomes a Defaulting Lender then:

(i) all or any part of such Defaulting Lender's Pro Rata Share of such Swing Loans and Facility Letter of Credit Obligations shall be reallocated among the non-

Defaulting Lenders having a Revolving Credit Commitment in accordance with their respective Pro Rata Shares but only to the extent the sum of all non-Defaulting Lenders' Aggregate Revolving Credit Outstandings plus such Defaulting Lender's Pro Rata Share of Swing Loans and Facility Letter of Credit Obligations does not exceed the total of all non-Defaulting Lenders' Revolving Credit Commitments;

(ii) to the extent, if any, the reallocation described in clause (i) above cannot, or can only partially, be effected, the Borrowers shall within three Business Days following notice by the Administrative Agent (x) first, prepay such Swing Loans and (y) second, cash collateralize such Defaulting Lender's Pro Rata Share of such Facility Letter of Credit Obligations (in each case after giving effect to any partial reallocation pursuant to clause (i) above) in accordance with the procedures set forth in Section 8.1 for so long as such Facility Letter of Credit Obligations are outstanding and such Defaulting Lender remains a Defaulting Lender, provided that no Foreign Subsidiary Borrower shall be obligated to make any such payment in excess of, respectively, the principal amount of any outstanding Swing Loans made to it or the amount of any Facility Letter of Credit Obligations in respect of Facility Letters of Credit issued for its account;

(iii) if the Borrowers cash collateralize any portion of such Defaulting Lender's Pro Rata Share of Facility Letter of Credit Obligations pursuant to Section 8.1, no Borrower shall be required to pay any fees to such Defaulting Lender (or to the Administrative Agent or Issuer for the benefit thereof) pursuant to Section 2.15.6 with respect to such Defaulting Lender's Pro Rata Share of Facility Letter of Credit Obligations during the period such Defaulting Lender's Pro Rata Share of Facility Letter of Credit Obligations is cash collateralized;

(iv) if the Pro Rata Share of Facility Letter of Credit Obligations of the non-Defaulting Lenders is reallocated pursuant to this Section 2.17(c), then the fees payable to the Lenders pursuant to Section 2.5 and Section 2.15.6 shall be adjusted in accordance with such non-Defaulting Lenders' Pro Rata Shares; and

(v) if any Defaulting Lender's Pro Rata Share of Facility Letter of Credit Obligations is neither cash collateralized nor reallocated pursuant to this Section 2.17(c), then, without prejudice to any rights or remedies of the Issuer or any Lender hereunder, all facility fees that otherwise would have been payable to such Defaulting Lender (solely with respect to the portion of such Defaulting Lender's Commitment that was utilized by such Pro Rata Share of Facility Letter of Credit Obligations) and letter of credit fees payable under Section 2.15.6 with respect to such Defaulting Lender's Pro Rata Share of Facility Letter of Credit Obligations shall be payable to the Issuer until such Pro Rata Share of Facility Letter of Credit Obligations is cash collateralized and/or reallocated;

(d) so long as any Revolving Credit Lender is a Defaulting Lender, the Swing Lender shall not be required to fund any Swing Loan and the Issuer shall not be required to issue, amend or increase any Facility Letter of Credit, unless it is reasonably satisfied that the related exposure will be 100% covered by the Revolving Credit Commitments of the non-Defaulting Lenders and/or cash collateral will be provided by the Borrowers in accordance with this Section 2.17 and Section 8.1, and participating interests in any such newly issued or increased Facility Letter of Credit or newly made Swing Loan shall be allocated among non-Defaulting Lenders in a manner consistent with Section 2.17(c)(i) (and Defaulting Lenders shall not participate therein); and

(e) any amount payable to such Defaulting Lender hereunder (whether on account of principal, interest, fees or otherwise and including any amount that would otherwise be payable to such Defaulting Lender pursuant to Section 2.17 but excluding Section 3.5) shall, in lieu of being distributed to such Defaulting Lender, be retained by the Administrative Agent in a segregated account and, subject to any applicable Requirements Of Law, be applied at such time or times as may be determined by the Administrative Agent (i) first, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent hereunder, (ii) second, pro rata, to the payment of any amounts owing by such Defaulting Lender to the Issuer or Swing Lender hereunder, (iii) third, to the funding of any Loan or the funding or cash collateralization of any participating interest in any Swing Loan or Facility Letter of Credit in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent, (iv) fourth, if so determined by the Administrative Agent and the Borrowers, held in such account as cash collateral for future funding obligations of the Defaulting Lender under this Agreement, (v) fifth, pro rata, to the payment of any amounts owing to the Borrowers or the Lenders as a result of any judgment of a court of competent jurisdiction obtained by the Borrowers or any Lender against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement and (vi) sixth, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided that if such payment is (x) a prepayment of the principal amount of any Loans or reimbursement obligations in respect of Reimbursement Obligations for which a Defaulting Lender has funded its participation obligations and (y) made at a time when the conditions set forth in Section 4.4 are satisfied, such payment shall be applied solely to prepay the Loans of, and Reimbursement Obligations owed to, all non-Defaulting Lenders pro rata prior to being applied to the prepayment of any Loans, or Reimbursement Obligations owed to, any Defaulting Lender.

In the event that the Administrative Agent, the Borrowers, the Issuer and the Swing Lender each agrees that a Defaulting Lender has adequately remedied all matters that caused such Lender to be a Defaulting Lender, such Lender shall cease to be a Defaulting Lender and the Pro Rata Shares of Swing Loans and Facility Letter of Credit Obligations of the Lenders shall be readjusted to reflect the inclusion of such Lender's Commitment and on such date such Lender shall purchase at par such of the Loans of the other Lenders (other than Swing Loans) as the Administrative Agent shall determine may be necessary in order for such Lender to hold such Loans in accordance with its Pro Rata Share; provided that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of any Borrower while that Lender was a Defaulting Lender; and provided, further, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender.

2.18 Guaranties

(a) During the period prior to the Acquisition Closing Date, the Company shall execute and deliver, or cause to be executed and delivered, to the Lenders and the Administrative Agent, Guaranties of Domestic Subsidiaries such that, at all times during such period, all Domestic Subsidiaries which are not Guarantors do not, if considered in the aggregate as a single Subsidiary, constitute a Significant Subsidiary (and for purposes of making such determination, it is acknowledged that, as provided in Rule 1-02 of Regulation S-X as currently in effect promulgated by the SEC, the investment in and advances to, and share of total assets and income of, any Domestic Subsidiary shall be determined based on the investment in and advances to, and share of total assets and income of, such Domestic Subsidiary and its Subsidiaries on a consolidated basis).

(b) On and after the Acquisition Closing Date, within 45 days (or such longer period of time as the Administrative Agent shall agree) after delivery (or date of required delivery) of each set of applicable financial statements pursuant to Sections 6.1(i) and (ii), the Company shall execute and deliver, or cause to be executed and delivered, to the Lenders and the Administrative Agent, Guaranties from its present and future Wholly Owned Domestic Restricted Subsidiaries (other than Excluded Subsidiaries and Immaterial Subsidiaries) such that all Wholly Owned Domestic Restricted Subsidiaries (other than Excluded Subsidiaries and Immaterial Subsidiaries) are Guarantors as of such date.

(c) In connection with the delivery of any such Guaranties, the Company shall provide such other documentation to the Administrative Agent, including, without limitation, one or more opinions of counsel reasonably satisfactory to the Administrative Agent, corporate documents and resolutions, which in the reasonable opinion of the Administrative Agent is necessary or advisable in connection therewith. For the avoidance of doubt, notwithstanding the above, for so long as a Subsidiary of the Company guarantees the Senior Notes, New Senior Unsecured Notes, [Refinancing Debt](#), Existing Loan Agreement or Indebtedness for borrowed money subject to the covenant set forth in Section 6.28 (or in each case any refinancing, renewal or replacement thereof), such Subsidiary will be required to guaranty the Obligations.

2.19 Incremental Credit Extensions

(a) At any time and subject to the terms and conditions of this Section 2.19, the Company may request (i) one or more new tranches of term facilities (any such new term facilities, an “[Incremental Term Facility](#)” and any loans made pursuant to an Incremental Term Facility, “[Incremental Term Loans](#)”) and/or (ii) one or more increases in the Aggregate Revolving Credit Commitments and/or add up to two new Foreign Borrower Tranches (it being agreed such new Foreign Borrower Tranche may only be borrowed by a Foreign Subsidiary) (each such increase or additional Foreign Borrower Tranche, a “[Revolving Credit Commitment Increase](#)” and the loans thereunder the “[Incremental Revolving Loans](#)”, together with the Incremental Term Loans, the “[Incremental Loans](#)”) with the consent of the Administrative Agent (not to be unreasonably withheld, conditioned or delayed) but without the consent of any Lender not providing such Incremental Term Loans or Revolving Credit Commitment Increases, as the case may be; provided that

(A) (i) the aggregate amount of all Incremental Term Loans and Revolving Credit Commitment Increases made during the term of this Agreement after the Execution Date shall not exceed the Dollar Equivalent Amount of the Incremental Amount and (ii) any Incremental Facility shall rank pari passu in right of payment and security with the other Credit Facilities;

(B) the maturity date and weighted average life to maturity of any Incremental Facility that is a “term A facility” (which shall mean a term loan facility with amortization greater than 1% per year prior to maturity) (an “[Incremental Term A Facility](#)” and the loans thereunder, the “[Incremental Term A Loans](#)”) shall be no shorter than the maturity date and remaining weighted average life to maturity of the then-existing (or committed) Term A Loans (including any previously made Incremental Term A Loans), in each case calculated as of the date of making such Incremental Term A Loan;

(C) the maturity date and weighted average life to maturity of any Incremental Facility that is a “term B facility” (which shall mean a term loan facility with amortization less than or equal to 1% per year prior to maturity) (an “Incremental Term B Facility” and the loans thereunder, the “Incremental Term B Loans”) shall be no shorter than the maturity date and remaining weighted average life to maturity of the then-existing (or committed) Term B Loans (including any previously made Incremental Term B Loans), in each case calculated as of the date of making such Incremental Term Loan;

(D) any Revolving Credit Commitment Increase (other than a Foreign Borrower Tranche) shall be on the same terms and pursuant to documentation applicable to the Revolving Credit Facility, including the maturity date thereof (it being agreed that any Foreign Borrower Tranche may have pricing, tenor and available currency terms as agreed by the Company and the lenders thereof, provided that the maturity date thereof may not be earlier than any then existing tranche of the Revolving Credit Facility or Foreign Borrower Tranche, nor may it provide for any amortization or mandatory commitment reduction prior to the latest maturity date of any then existing tranche of Revolving Credit Facility or Foreign Borrower Tranche, but shall otherwise be on terms and pursuant to documentation applicable to the Revolving Facility);

(E) any Incremental Facility shall be available to the Company in Dollars, Euro and, in the case of Revolving Credit Commitment Increases, additional Agreed Currencies (it being understood in the case of a Foreign Borrower Tranche approval of an Agreed Currency shall only be required from the Administrative Agent and the lenders providing such Foreign Borrower Tranche);

(F) the interest rates and amortization schedule applicable to any Incremental Term Loans shall be determined by the Company and the lenders thereunder; provided that if the All-in Yield in respect of the Incremental Term B Facility denominated in a given currency exceeds the All-in Yield for any existing applicable Term B Facility denominated in such currency (including any Escrow Term Loans denominated in such currency) by more than 50 basis points, the Applicable Margin for such existing Term B Facility denominated in such currency (including any Escrow Term Loans denominated in such currency) shall be increased so that the All-in Yield in respect of such Incremental Term Loans is no more than 50 basis points higher than the initial yield for such existing Term B Facility denominated in such currency (including for the avoidance of doubt, any Escrow Term Loans denominated in such currency); and

(G) any Incremental Term Facility shall be on terms and pursuant to documentation to be determined, provided that (1) except to the extent permitted by clause (B), (C) or (F) above, to the extent such terms are not consistent with the terms in respect of the applicable analogous Class of Term Facilities, they shall be no more restrictive, when taken as a whole, than those under such Class of Term Facilities (except for covenants or other provisions applicable only to periods after the latest final maturity date of the Term Facilities; it being understood that any call protection added to the Incremental Term Facility may be applied for the benefit to any existing Term Facility without such call protection, without the need for the consent of any

Lenders thereunder) and (2) to the extent such documentation is not consistent with the documentation in respect of the Term Facilities, it shall be reasonably satisfactory to the Administrative Agent and the Company.

(b) Each tranche of Incremental Term Loans and each Revolving Credit Commitment Increase shall be in a minimum amount of \$25,000,000 and integral multiples of \$5,000,000 (or such other amounts as agreed by the Company and the Administrative Agent). A commitment to make Incremental Term Loans shall become an “Incremental Term Loan Commitment” under this Agreement, and a commitment to participate in a Revolving Credit Commitment Increase shall become a “Revolving Credit Commitment” (or in the case of a Revolving Credit Commitment Increase to be provided by an existing Revolving Credit Lender, an increase in such Lender’s Revolving Credit Commitment) under this Agreement, in any such case, pursuant to a “Commitment and Acceptance” in form and substance reasonably satisfactory to the Administrative Agent (a “Commitment and Acceptance”). Any request for a tranche of Incremental Term Loans or a Revolving Credit Commitment Increase shall be made in a written notice (an “Increase Notice”) given to the Administrative Agent by the Company not less than ten Business Days (or such shorter period agreed to between the Administrative Agent and the Company) prior to the proposed effective date therefor, which Increase Notice shall specify the amount of the proposed tranche of Incremental Term Loans or the Revolving Credit Commitment Increase, as the case may be, and the proposed effective date thereof. Incremental Term Loans may be made, and Revolving Credit Commitment Increases may be provided, by any existing Lender or by any other bank or other financial institution or other Person engaged in the business of making commercial loans (any such other bank or other financial institution or other Person, a “Proposed New Lender”) as determined by the Company; provided that (i) any Proposed New Lender shall be consented to by the Administrative Agent (such consent not to be unreasonably withheld conditioned or delayed), and (ii) any Proposed New Lender in the case of a Revolving Credit Commitment Increase shall be also be consented to by the Issuer and the Swing Lender (in each case, such consent not to be unreasonably withheld conditioned or delayed). The Administrative Agent shall notify the Company and the Lenders on or before the Business Day immediately prior to the proposed effective date of the tranche of Incremental Term Loan Commitments (and the related Incremental Term Loans) or the Revolving Credit Commitment Increase, of the amount of each Lender’s and Proposed New Lender’s Incremental Term Loan Commitment or new or increased Revolving Credit Commitment, as applicable, and the resulting aggregate amount of the tranche of Incremental Term Loan Commitments (and the related Incremental Term Loans) or the amount of the Aggregate Revolving Credit Commitments, as the case may be, which amount shall be effective on the following Business Day, subject to the satisfaction of the conditions described in clause (c) below.

(c) Without limiting the applicability of any conditions to Advances set forth in this Agreement, the effectiveness of any tranche of Incremental Term Loan Commitments (and the corresponding availability of the related Incremental Term Loans) and the effectiveness of each Revolving Credit Commitment Increase shall be subject to the following conditions precedent:

(i) As of the effective date of such Incremental Term Loan Commitments (and related Incremental Term Loans) or Revolving Credit Commitment Increase, (x) all representations and warranties under Article V and the other Loan Documents shall be true and correct in all material respects as though made on such date (except with respect to any representation or warranty expressly stated to have been made as of a specific date which shall

have been true and correct in all material respects as of such specified date), (y) no event shall have occurred and then be continuing which constitutes an Unmatured Default or a Default, or would exist after giving effect to the transactions to be consummated on such effective date, and (z) the Company shall have demonstrated that, as of the effective date of the Revolving Credit Commitment Increase or Incremental Term Loan Commitments, as the case may be, after giving effect thereto, the Company and its Restricted Subsidiaries are in compliance on a Pro Forma Basis with the covenants contained in Sections 6.22 and 6.23 recomputed as of the last day of the most recently ended fiscal quarter of the Company for which financial statements are required to have been delivered under Section 6.1(i) or (ii), as if such Revolving Credit Commitment Increase or Incremental Term Loan Commitments, as applicable, had been effective as of the first day of each relevant period for testing such compliance (it being understood such pro forma compliance shall be calculated in a manner consistent with the calculation method set forth in the definition of Incremental Amount); provided, however, that, notwithstanding anything in Section 4.4 or elsewhere herein to the contrary, for Incremental Facilities that are requested in connection with the financing of a Limited Condition Acquisition, at the Company's prior election, the tests in clause (ii) of the definition of Incremental Amount and clauses (x), (y) and (z) above may be tested at the time the definitive documentation for such Limited Condition Acquisition is executed in lieu of the date such Incremental Facility is initially made available; and provided, further, that in the case of any incurrence tests under the Loan Documents so tested at the time of such definitive documentation, any further determination with respect to such incurrence tests prior to the earlier of the consummation of such Limited Condition Acquisition and the termination of such Limited Condition Acquisition will require the determination of such tests on a Pro Forma Basis assuming such Limited Condition Acquisition and other transactions contemplated in connection therewith (including any repayment of Indebtedness or incurrence of Indebtedness and the use of proceeds thereof) have been consummated, except to the extent that such calculation would result in a lower ratio for such incurrence test than would apply if such calculation was made without giving pro forma effect to such Limited Condition Acquisition and the other transactions to be entered into in connection therewith (including any incurrence of Indebtedness and the use of proceeds thereof), in which case such higher ratio without giving pro forma effect shall be the applicable ratio for determining compliance with such test.

(ii) the Borrowers, the Administrative Agent and each Proposed New Lender or Lender that shall have agreed to provide a "Commitment" in support of such Incremental Term Loans or Revolving Credit Commitment Increase shall have executed and delivered a Commitment and Acceptance;

(iii) counsel for the Borrowers and the Guarantors shall have provided to the Administrative Agent supplemental opinions in form and substance reasonably satisfactory to the Administrative Agent;

(iv) the Borrowers, the Guarantors and the Proposed New Lenders shall otherwise have executed and delivered such other instruments and documents as the Administrative Agent shall have reasonably requested in connection with such increase (including an amendment to, or amendment and restatement of, this Agreement and, as appropriate, the other Loan Documents (an "Incremental Amendment")), executed by the Borrowers, each Lender agreeing to provide such Incremental Facility, if any, each Proposed New Lender, if any, and the Administrative Agent, which amendment or amendments may, without the consent of any other Lenders, effect such amendments to this Agreement and the other Loan

Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent, to effect such Incremental Facility in accordance with this Section 2.19, and pursuant to which each Loan Party shall have reaffirmed its obligations, and the Liens granted, under the Loan Documents; and

(v) in the case of a Revolving Credit Commitment Increase, the Administrative Agent shall have administered the reallocation of the Aggregate Revolving Credit Outstandings on the effective date of such increase ratably among the Revolving Credit Lenders (including new Lenders) after giving effect to such increase; provided, that

(i) (1) the Borrowers hereby agree to compensate the Lenders for all losses, expenses and liabilities incurred by any Lender in connection with the sale or assignment of any Eurocurrency Loan resulting from such reallocation on the terms and in the manner set forth in Section 3.3, and (2) the Administrative Agent and the Lenders hereby agree that the minimum borrowing, pro rata borrowing and pro rata payment requirements contained elsewhere in this Agreement shall not apply to the reallocations effected pursuant to this clause (v).

(ii)

Upon satisfaction of the conditions precedent to any tranche of Incremental Term Loans or Revolving Credit Commitment Increase, the Administrative Agent shall promptly advise the Company and each Lender of the effective date thereof (each such effective date, an “Increase Effective Date”). Upon any Increase Effective Date that is supported by a Proposed New Lender, such Proposed New Lender shall become a party to this Agreement as a Lender and shall have the rights and obligations of a Lender hereunder. Nothing contained herein shall constitute, or otherwise be deemed to be, a commitment or other requirement on the part of any Lender to make Incremental Term Loans or increase its Revolving Credit Commitment at any time.

2.20 Inability to Determine Rates

(a) If at the time that the Administrative Agent shall seek to determine the relevant Screen Rate on the Quotation Day for any Interest Period for a Eurocurrency Advance the applicable Screen Rate shall not be available for such Interest Period and/or for the applicable currency with respect to such Eurocurrency Advance for any reason and the Administrative Agent shall determine in good faith that it is not possible to determine the Interpolated Rate (which conclusion shall be conclusive and binding absent manifest error), then (i) if such Advance shall be requested in or is denominated in Dollars, then such Advance shall be made or continued as a Floating Rate Advance at the Floating Rate and (ii) if such Advance shall be requested in or is denominated in any currency other than Dollars, the LIBO Rate shall be equal to the cost to each Lender to fund its pro rata share of such Eurocurrency Advance (from whatever source and using whatever methodologies as such Lender may select in its reasonable discretion) (such rate, the “CF Rate”).

(b) If prior to the commencement of any Interest Period for a Eurocurrency Advance:

(i) the Administrative Agent reasonably determines in good faith (which determination shall be conclusive and binding absent manifest error) that adequate and reasonable means do not exist for ascertaining the Adjusted LIBO Rate or the LIBO Rate for a Loan in the applicable currency or for the applicable Interest Period; or

(ii) the Administrative Agent is advised by the Required Lenders that the Adjusted LIBO Rate or the LIBO Rate for a Loan in the applicable currency or for the applicable Interest Period will not adequately and fairly reflect the cost to such Lenders (or Lender) of making or maintaining their Loans (or its Loan) included in such Advance for such Interest Period,

then the Administrative Agent shall give notice thereof to the Borrowers and the Lenders by telephone or telecopy as promptly as practicable thereafter and, until the Administrative Agent notifies the Borrowers and the Lenders that the circumstances giving rise to such notice no longer exist (which notification the Administrative Agent agrees to promptly give in such circumstance), (A) any Conversion/Continuation Notice that requests the conversion of any Eurocurrency Advance to, or continuation of any Eurocurrency Advance in the applicable currency or for the applicable Interest Period, as the case may be, shall be ineffective, (B) if such Advance is requested in Dollars, such Advance shall be made as a Floating Rate Advance and (C) if such Advance is requested in any currency other than Dollars, then the LIBO Rate for such Eurocurrency Advance shall be at the CF Rate; provided, further, that if the circumstances giving rise to such notice affect only one Type of Advance, then the other Type of Advance shall be permitted.

2.21 Refinancing Facilities

2.21.1 The Company may, on one or more occasions after the ~~Seventh~~ Eighth Amendment Effective Date, by written notice to the Administrative Agent, request the establishment, in the case of clauses (i) and (ii), hereunder, or in the case of clause (iii) under separate documentation, of (i) a new Class of revolving commitments (the “Refinancing Revolving Commitments”) pursuant to which each Person providing such a commitment (a “Refinancing Revolving Lender”) will make revolving loans to the Borrowers (“Refinancing Revolving Loans”) and acquire participations in the Letters of Credit ~~and~~, (ii) one or more additional Classes of term loan commitments (the “Refinancing Term Loan Commitments”) pursuant to which each Person providing such a commitment (a “Refinancing Term Lender”) will make term loans to the Company (the “Refinancing Term Loans”); provided that with respect to the foregoing clauses (i) and (ii) (A) each Refinancing Revolving Lender and each Refinancing Term Lender shall be (a) a Lender, (b) an Affiliate of a Lender, (c) an Approved Fund, (d) any bank and (e) any other financial institution or investment fund engaged in the ordinary course of its business in making or investing in commercial loans or debt securities, other than, in each case, an Ineligible Person or Disqualified Lender, and, if not already a Lender, shall otherwise be reasonably acceptable to the Administrative Agent and (B) each Refinancing Revolving Lender shall be approved by each Issuer and the Swing Lender (such approvals not to be unreasonably withheld, conditioned or delayed) and/or (iii) one or more series of secured loans or notes (each of which may be secured by the Collateral on a junior basis to, or, in the case of secured notes, on a pari passu basis with, the Obligations), or one or more series of unsecured loans or notes (such loans or notes described in clause (iii), collectively, “Refinancing Debt”).

2.21.2 ~~The~~ Refinancing Commitments described in clause (i) or clause (ii) of Section 2.21.1 shall be effected pursuant to one or more Refinancing Facility Agreements executed and delivered by the Borrowers, each Refinancing Lender providing such Refinancing Commitments, the Administrative Agent and, in the case of Refinancing Revolving Commitments, each Issuer and

the Swing Lender of the applicable Class; provided that no Refinancing Commitments (including any Refinancing Debt) shall become effective unless (i) the Company shall have certified that (A) no Unmatured Default or Default shall have occurred and be continuing on the date of effectiveness thereof and (B) on the date of effectiveness thereof, the representations and warranties of each Loan Party set forth in the Loan Documents shall be true and correct (x) in the case of the representations and warranties qualified as to materiality, in all respects and (y) otherwise, in all material respects, in each case on and as of such date, except in the case of any such representation and warranty that specifically relates to an earlier date, in which case such representation and warranty shall be so true and correct on and as of such earlier date, (ii) the Borrowers shall have delivered to the Administrative Agent such legal opinions, board resolutions, secretary's certificates, officer's certificates and other documents as shall reasonably be requested by the Administrative Agent in connection with any such transaction, (iii) in the case of any Refinancing Commitments that refinance Revolving Credit Commitments, substantially concurrently with the effectiveness thereof, the Revolving Credit Commitments then in effect of the Class being refinanced shall be terminated in an amount equivalent to the amount of such Refinancing Commitments (without duplication, less the interest, fees, premium and expenses referred to below), and a ratable portion of the Revolving Credit Loans then outstanding under such Class, together with the ratable portion of all interest thereon, and all other amounts accrued for the benefit of the Revolving Lenders of such Class, shall be repaid or paid (it being understood, however, that any Letters of Credit may continue to be outstanding hereunder), and the aggregate amount of such Refinancing Commitments does not exceed the aggregate amount of the Revolving Credit Commitments of the Class so terminated plus, ~~in the case of a Refinancing Term Loan Commitment,~~ the amount of accrued and unpaid interest on such refinancing Revolving Credit Commitments and fees, premium and expenses related to such refinancing, and (iv) in the case of any Refinancing Commitments that refinance Term Loans, substantially concurrently with the effectiveness thereof, the Company shall ~~obtain Refinancing Commitments in respect thereof and shall~~ (A) repay or prepay (which may include, for the avoidance of doubt, a repurchase or assignment by the Company or its Subsidiaries pursuant to the terms of this Agreement) then outstanding Term Loans of one or more Classes in an aggregate principal amount equal to the aggregate amount of such Refinancing Commitments (less the aggregate amount of accrued and unpaid interest with respect to such outstanding Term Loans and any fees, premium and expenses relating to such refinancing) or (B) place in escrow for a period up to 11 months, in a manner reasonably satisfactory to the Administrative Agent, up to such amount of proceeds of such Refinancing Commitment for such purpose. The Company shall determine the amount of such prepayments or refinancing allocated to each Class of outstanding Term Loans or Revolving Credit Commitments, and any such prepayment of Term Loans of any Class shall be applied to reduce the subsequent scheduled repayments of Term Loans of such Class to be made pursuant to Sections 2.2.2, ~~and~~ 2.2.3 or 2.2.7, as applicable, as directed by the Company.

2.21.3 The Refinancing Facility Agreement shall set forth, with respect to ~~the~~ Refinancing Commitments established thereby and the Refinancing Revolving Loans or Refinancing Term Loans issued thereunder and other extensions of credit to be made thereunder, to the extent applicable, the following terms thereof (in the case of clauses (i) through (ix) below, which apply to Refinancing Term Loan Commitments and Refinancing Revolving Commitments), or, in the case of Refinancing Debt, the Company shall deliver a certificate to the Administrative Agent designating the applicable Indebtedness as Refinancing Debt and such Refinancing Debt shall comply with the requirements of clause (x) below: (i) the designation of such Refinancing Commitments and Refinancing Loans as a new "Class" for all purposes hereof (provided that with

the consent of the Administrative Agent, any Refinancing Commitments and Refinancing Loans may be treated as a single “Class” with any then-outstanding existing Commitments or Loans), (ii) the stated termination and maturity dates applicable to the Refinancing Commitments or Refinancing Loans of such Class, provided that (A) such stated termination and maturity dates shall not be earlier than the Revolving Termination Date of the Class being refinanced (in the case of Refinancing Commitments that refinance Revolving Credit Commitments) or the maturity date applicable to the Class of Term Loans so refinanced (in the case of Refinancing Commitments that refinance Term Loans) (it being understood that in the case of Refinancing Revolving Commitments such stated termination and maturity dates refer to the final maturity and not any contingent springing maturity) and (B) any Refinancing Term Loans shall not have a weighted average life to maturity shorter than the then remaining weighted average life to maturity of the Class of Term Loans so refinanced, or as applicable, the maturity date of the Revolving Credit Commitments being refinanced, (iii) in the case of any Refinancing Term Loans, any amortization applicable thereto and the effect thereon of any prepayment of such Refinancing Term Loans, (iv) the interest rate or rates applicable to the Refinancing Loans of such Class, (v) the fees applicable to the Refinancing Commitments or Refinancing Loans of such Class, (vi) in the case of any Refinancing Term Loans, any original issue discount applicable thereto, (vii) the initial Interest Period or Interest Periods applicable to Refinancing Loans of such Class, (viii) any voluntary or mandatory commitment reduction or prepayment requirements applicable to Refinancing Commitments or Refinancing Loans of such Class (which prepayment requirements, in the case of any Refinancing Term Loans, may provide that such Refinancing Term Loans may participate in any mandatory prepayment on a pro rata basis with any Class of existing Term Loans, but may not provide for prepayment requirements that are more favorable to the Lenders holding such Refinancing Term Loans than to the Lenders holding such Class of Term Loans) and any restrictions on the voluntary or mandatory reductions or prepayments of Refinancing Commitments or Refinancing Loans of such Class, ~~and~~, (ix) any financial covenant with which the Company shall be required to comply (provided that any such financial covenant, if added for the benefit of any Refinancing Commitment, shall also be added for the benefit of all other Classes under this Agreement that benefit from a financial maintenance covenant) and (x) (1) such stated termination and maturity dates of such Refinancing Debt shall not be earlier than the Revolving Termination Date of the Class being refinanced (in the case of Refinancing Debt that refinance Revolving Credit Commitments) or the maturity date applicable to the Class of Term Loans so refinanced (in the case of Refinancing Debt that refinance Term Loans) and (B) any Refinancing Debt shall not have a weighted average life to maturity shorter than the then remaining weighted average life to maturity of the Class of Term Loans so refinanced, or as applicable, the maturity date of the Revolving Credit Commitments being refinanced; (2) no Refinancing Debt may have an obligor that is not an obligor in respect of the Loans (it being understood the Refinancing Debt may have obligors that are not obligors of the Loans immediately prior to the establishment of the Refinancing Debt if such obligor is also added as an obligor of the Loans on terms reasonably acceptable to the Administrative Agent and the Administrative Agent and Company may enter into or modify the Loan Documents to reflect the same (it being understood that the consent of no other parties hereto or thereto shall be required therefor); (3) to the extent secured, (A) no Refinancing Debt may be secured by any assets that do not constitute Collateral and (B) such Refinancing Debt shall be subject to an intercreditor agreement in form and substance reasonably acceptable to the Administrative Agent (any such agreement, a “Refinancing Debt Intercreditor Agreement”, it being agreed that the Administrative Agent is authorized by the Secured Parties to enter into, and from time to time amend, any such Refinancing Debt Intercreditor Agreement on their behalf) and (4) as reasonably determined by the Borrowers, the other terms and conditions of such Refinancing Debt (excluding pricing, premium and optional prepayment or optional redemption terms) must be

substantially identical to, or not materially more favorable (taken as a whole) to the lenders or holders providing such Refinancing Debt, as applicable, than those applicable to the Loans or Commitments being refinanced are to the Lenders (except for covenants and other provisions applicable only to periods after the latest final maturity date of the Loans or Commitments) or must otherwise be reasonably satisfactory to the Administrative Agent or, if such terms are more favorable to the holders of such Refinancing Debt, an equivalent amendment shall be made to the Loan Documents for the benefit of the existing Loans and Commitments (and the Company and Administrative Agent is authorized to enter into such amendment without need of the consent of any other parties hereto). Except as contemplated by the preceding sentence, the terms of the Refinancing Revolving Commitments and Refinancing Revolving Loans and other extensions of credit thereunder shall be substantially the same as the applicable refinanced Class of Commitments and Loans (or as applicable, in the case of a refinancing of existing Term Loans, an existing Class of Revolving Credit Commitments and Revolving Loans) and other extensions of credit thereunder, and the terms of the Refinancing Term Loan Commitments and Refinancing Term Loans of a Class shall, (1) to the extent such terms are not consistent with the terms of the applicable Class of refinanced Commitments and Loans, be no more restrictive, when taken as a whole, than those under such refinanced Class (or as applicable, in the case of a refinancing of Revolving Credit Commitments, consistent with an existing Class of Term Loans) (except for covenants or other provisions applicable only to periods after the then latest final maturity date of the Loans and Commitments and any call protection or prepayment premium) and (2) to the extent such documentation is not consistent with the documentation in respect of the refinanced Class of Term Loans (or as applicable, in the case of a refinancing of Revolving Credit Commitments, an existing Class of Term Loans), it shall be reasonably satisfactory to the Administrative Agent and the Company. The Administrative Agent shall promptly notify each Lender as to the effectiveness of each Refinancing Facility Agreement or designation of Refinancing Debt. Each Refinancing Facility Agreement may (or in the case of Refinancing Debt, the Company and Administrative Agent may), without the consent of any Lender other than the applicable Refinancing Lenders (if any), effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the opinion of the Administrative Agent, to give effect to the provisions of this Section 2.21, including any amendments appropriate to treat the applicable Refinancing Commitments and Refinancing Loans as a new or addition to an existing “Class” of loans and/or commitments hereunder and any amendments appropriate to permit the Refinancing Debt; provided that at no time shall there be more than three Classes of Revolving Credit Commitments hereunder, unless otherwise agreed by the Administrative Agent.

2.22 Loan Modification Offers

2.22.1 The Company may on one or more occasions after the Seventh Amendment Effective Date, by written notice to the Administrative Agent, make one or more offers (each, a “Loan Modification Offer”) to all (and not fewer than all) the Lenders of one or more Classes (each Class subject to such a Loan Modification Offer, an “Affected Class”) to make one or more Permitted Amendments pursuant to procedures reasonably specified by the Administrative Agent and reasonably acceptable to the Company. Such notice shall set forth (i) the terms and conditions of the requested Loan Modification Offer and (ii) the date on which such Loan Modification Offer is requested to become effective. Permitted Amendments shall become effective only with respect to the Loans and Commitments of the Lenders of the Affected Class that accept the applicable Loan Modification Offer (such Lenders, the “Accepting Lenders”) and, in the case of any Accepting Lender, only with respect to such Lender’s Loans and Commitments of such Affected Class as to which such Lender’s acceptance has been made. With respect to all Permitted

Amendments consummated by the Company pursuant to this Section 2.22, any Loan Modification Offer, unless contemplating a maturity date already in effect hereunder pursuant to a previously consummated Permitted Amendment, must be in a minimum amount of \$25,000,000 (or such lesser amount as may be approved by the Administrative Agent in its reasonable discretion); provided that the Company may at its election specify as a condition (a “Minimum Extension Condition”) to consummating any such Permitted Amendment that a minimum amount (to be determined and specified in the relevant Loan Modification Offer in the Company’s sole discretion and which may be waived by the Company) of Commitments or Loans of any or all Affected Classes be extended. If the aggregate principal amount of Commitments or Loans of any Affected Class in respect of which Lenders shall have accepted the relevant Loan Modification Offer shall exceed the maximum aggregate principal amount of Commitments or Loans of such Affected Class offered to be extended by the Company pursuant to such Loan Modification Offer, then the Commitments and Loans of such Lenders shall be extended ratably up to such maximum amount based on the relative principal amounts (but not to exceed actual holdings of record) with respect to which such Lenders have accepted such Loan Modification Offer.

2.22.2 Permitted Amendments shall be effected pursuant to a Loan Modification Agreement executed and delivered by the applicable Borrowers, each Accepting Lender and the Administrative Agent; provided that no Permitted Amendment shall become effective unless (i) the Company shall have certified that (A) no Unmatured Default or Default shall have occurred and be continuing on the date of effectiveness thereof and (B) on the date of effectiveness thereof, the representations and warranties of each Loan Party set forth in the Loan Documents shall be true and correct (x) in the case of the representations and warranties qualified as to materiality, in all respects and (y) otherwise, in all material respects, in each case on and as of such date, except in the case of any such representation and warranty that specifically relates to an earlier date, in which case such representation and warranty shall be so true and correct on and as of such earlier date, (ii) the Borrowers shall have delivered, or agreed to deliver by a date following the effectiveness of such Permitted Amendment reasonably acceptable to the Administrative Agent, to the Administrative Agent such legal opinions, board resolutions, secretary’s certificates, officer’s certificates and other documents (including reaffirmation agreements, supplements and/or amendments to Mortgages or other Security Documents, in each case to the extent applicable) as shall reasonably be requested by the Administrative Agent in connection therewith and (iii) any applicable Minimum Extension Condition shall be satisfied (unless waived by the Company). The Administrative Agent shall promptly notify each Lender as to the effectiveness of each Loan Modification Agreement. Each Loan Modification Agreement may, without the consent of any Lender other than the applicable Accepting Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent, to give effect to the provisions of this Section 2.22, including any amendments necessary to treat the applicable Loans and/or Commitments of the Accepting Lenders as a new Class of loans and/or commitments hereunder (and the Lenders hereby irrevocably authorize the Administrative Agent to enter into any such amendments); provided that (i) all borrowings and prepayments of Revolving Loans shall continue to be made on a ratably basis among all Lenders, based on the relative amounts of their Revolving Credit Commitments (i.e., both extended and non-extended), until the repayment of the Loans attributable to the non-extended Commitments (and the termination of the non-extended Commitments) on the relevant maturity date, (ii) the allocation of the participation exposure with respect to any then-existing or subsequently issued or made Facility Letter of Credit or Swing Loan as between any Revolving Credit Commitments of such new “Class” and the remaining Revolving Commitments shall be made on a ratably basis in accordance with the relative amounts thereof until the maturity date

relating to the non-extended Revolving Credit Commitments has occurred (it being understood, however, that no reallocation of such exposure to extended Revolving Credit Commitments shall occur on such maturity date if such reallocation would cause the Aggregate Revolving Credit Outstandings of any Lender with a Revolving Credit Commitment to exceed its Revolving Credit Commitment), (iii) the Revolving Termination Date, as such term is used with reference to Letters of Credit or Swing Loans, may not be extended without the prior written consent of each applicable Issuer or the Swing Lender, as applicable, and (iv) at no time shall there be more than three Classes of Revolving Credit Commitments hereunder, unless otherwise agreed by the Administrative Agent. If the Aggregate Revolving Credit Outstandings of all Lenders exceeds the Aggregate Revolving Credit Commitments as a result of the occurrence of the Revolving Termination Date with respect to any Class of Revolving Credit Commitments when an extended Class of Revolving Credit Commitments remains outstanding, the Borrowers shall make such payments and provide such cash collateral as may be required by Section 2.6.4 to eliminate such excess on such Revolving Termination Date (which payments and provision of cash collateral shall, for the avoidance of doubt, be deemed a payment in respect of principal of Revolving Loans); provided that, without derogation of the Borrowers' obligations to make such payments and provide such cash collateral, if the Borrowers fail to make such payment (or any portion thereof) or provide such cash collateral (or any portion thereof), then until the earlier of (x) the date on which the Aggregate Revolving Credit Outstandings of all Lenders no longer exceeds the Aggregate Revolving Credit Commitments or (y) the date the Borrowers provide sufficient cash collateral to eliminate such excess, such outstanding exposure of any non-extending Lenders shall continue to be deemed outstanding for purposes hereof.

ARTICLE III

CHANGE IN CIRCUMSTANCES, TAXES

3.1 [Reserved]

3.2 Increased Costs

(a) If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, liquidity or similar requirement against assets of, deposits with or for the account of, or credit extended by, any Lender (except any such reserve requirement reflected in the Adjusted LIBO Rate) or the Issuer;

(ii) impose on any Lender or the Issuer or the London interbank market any other condition affecting this Agreement or Eurocurrency Loans made by such Lender or any Letter of Credit or participation therein; or

(iii) subject any Recipient to any Taxes on its loans, loan principal, letters of credit, commitments, or other obligations hereunder, or its deposits, reserves, other liabilities or capital attributable thereto (other than (A) Indemnified Taxes; (B) Excluded Taxes and (C) Other Connection Taxes on gross or net income, profits or revenue (including value-added or similar Taxes));

and the result of any of the foregoing shall be to increase the cost to such Lender or such other Recipient of making or maintaining any Eurocurrency Loan or of maintaining its obligation to make any such Loan or to increase the cost to such Lender (including, without limitation, pursuant to any conversion of any Advance denominated in an Agreed Currency into an Advance denominated in any other Agreed Currency), the Issuer or such other Recipient of participating in, issuing or maintaining any Letter of Credit or to reduce the amount of any sum received or receivable by such Lender, the Issuer or such other Recipient hereunder, whether of principal, interest or otherwise (including, without limitation, pursuant to any conversion of any Advance denominated in an Agreed Currency into an Advance denominated in any other Agreed Currency), then the Company will pay to such Lender, the Issuer or such other Recipient, as the case may be, such additional amount or amounts as will compensate such Lender, the Issuer or such other Recipient, as the case may be, for such additional costs incurred or reduction suffered (other than (A) Indemnified Taxes; (B) Excluded Taxes and (C) Other Connection Taxes on gross or net income, profits or revenue (including value-added or similar Taxes)).

(b) If any Change in Law regarding capital requirements or liquidity has or would have the effect of reducing the rate of return on such Lender's or the Issuer's capital or on the capital of such Lender's or the Issuer's holding company, if any, as a consequence of this Agreement or the Loans made by, or participations in Letters of Credit held by, such Lender, or the Letters of Credit issued by the Issuer, to a level below that which such Lender or the Issuer or such Lender's or the Issuer's holding company could have achieved but for such Change in Law (taking into consideration such Lender's or the Issuer's policies and the policies of such Lender's or the Issuer's holding company with respect to capital adequacy and liquidity), then from time to time the Company will pay to such Lender or the Issuer, as the case may be, such additional amount or amounts as will compensate such Lender or the Issuer or such Lender's or the Issuer's holding company for any such reduction suffered.

(c) A certificate of a Lender or the Issuer setting forth the amount or amounts necessary to compensate such Lender or the Issuer or its holding company, as the case may be, as specified in paragraph (a) or (b) of this Section 3.2 shall be delivered to the Company and shall be conclusive absent manifest error. Subject to paragraph (d) of this Section 3.2, the Company shall pay such Lender or the Issuer, as the case may be, the amount shown as due on any such certificate, absent manifest error, within 30 days after receipt thereof.

(d) Failure or delay on the part of any Lender or the Issuer to demand compensation pursuant to this Section 3.2 shall not constitute a waiver of such Lender's or the Issuer's right to demand such compensation; provided that the Company shall not be required to compensate a Lender or the Issuer pursuant to this Section 3.2 for any increased costs or reductions incurred more than 180 days prior to the date that such Lender or the Issuer, as the case may be, notifies the Company of the Change in Law giving rise to such increased costs or reductions and of such Lender's or the Issuer's intention to claim compensation therefor; provided further that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof.

3.3 Break Funding Payments

In the event of (a) the payment of any principal of any Eurocurrency Loan other than on the last day of an Interest Period applicable thereto (including as a result of a Default), (b) the conversion of any Eurocurrency Loan other than on the last day of the Interest Period applicable thereto, (c) the failure to borrow, convert, continue or prepay any Eurocurrency Loan on the date specified in any notice delivered pursuant hereto (regardless of whether such notice may be revoked and is

revoked), or (d) the assignment of any Eurocurrency Loan other than on the last day of the Interest Period applicable thereto as a result of a request by the Company pursuant to Section 3.5, then, in any such event, the Company (or the applicable Borrower) shall compensate each Lender for the loss, cost and expense (excluding loss of anticipated profits due to the addition of the Applicable Margin to the Adjusted LIBO Rate) attributable to such event. In the case of a Eurocurrency Loan, such loss, cost or expense to any Lender shall be deemed to include an amount reasonably determined by such Lender to be the excess, if any, of (i) the amount of interest which would have accrued on the principal amount of such Loan had such event not occurred, at the Adjusted LIBO Rate that would have been applicable to such Loan, for the period from the date of such event to the last day of the then current Interest Period therefor (or, in the case of a failure to borrow, convert or continue, for the period that would have been the Interest Period for such Loan), over (ii) the amount of interest which would accrue on such principal amount for such period at the interest rate which such Lender would bid were it to bid, at the commencement of such period, for dollar deposits of a comparable amount and period from other banks in the eurodollar market. A certificate of any Lender setting forth any amount or amounts that such Lender is entitled to receive pursuant to this Section 3.3 shall be delivered to the Company and shall be conclusive absent manifest error. The Company shall pay such Lender the amount shown as due on any such certificate within 30 days after receipt thereof.

3.4 Withholding of Taxes; Gross-Up (a) Each payment by any Loan Party under any Loan Document shall be made without deduction or withholding for any Taxes, unless such deduction or withholding is required by any law. If any Withholding Agent determines, in its sole discretion exercised in good faith, that it is so required to deduct or withhold Taxes, then such Withholding Agent may so deduct or withhold and shall timely pay the full amount of Taxes deducted or withheld to the relevant Governmental Authority in accordance with applicable law. If such Taxes are Indemnified Taxes, then the amount payable by such Loan Party (subject to Section 17.4) shall be increased as necessary so that, net of such deduction or withholding (including such deduction or withholding applicable to additional amounts payable under this Section 3.4), the applicable Recipient receives the amount it would have received had no such deduction or withholding been made.

(b) Payment of Other Taxes by the Borrowers. Each applicable Borrower shall timely pay any Other Taxes to the relevant Governmental Authority in accordance with applicable law.

(c) Evidence of Payments. As soon as practicable after any payment of Indemnified Taxes by any Loan Party to a Governmental Authority, such Loan Party shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(d) Indemnification by the Loan Parties. Each applicable Loan Party shall (subject to Section 17.4) indemnify each Recipient for the full amount of any Indemnified Taxes that are paid or payable by such Recipient in connection with any Loan Document (including amounts paid or payable under this Section 3.4(d)) and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. The indemnity under this Section 3.4(d) shall be paid within 10 days after demand therefor. A certificate as to the amount of such payment or liability delivered to the applicable Loan Party by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(e) Indemnification by the Lenders. Each Lender shall severally indemnify the Administrative Agent for any Taxes (but, in the case of any Indemnified Taxes, only to the extent that any Loan Party has not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the obligation of the Loan Parties to do so) attributable to such Lender that are paid or payable by the Administrative Agent in connection with any Loan Document and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. The indemnity under this Section 3.4(e) shall be paid within 10 days after demand therefor. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this paragraph (e).

(f) Status of Lenders. (i) Any Lender that is entitled to an exemption from, or reduction of, any applicable withholding Tax with respect to any payments under any Loan Document shall deliver to the Company and the Administrative Agent, at the time or times reasonably requested by the Company or the Administrative Agent and at the time or times prescribed by applicable law, such properly completed and executed documentation prescribed by applicable law or as reasonably requested by the Company or the Administrative Agent as will permit such payments to be made without, or at a reduced rate of, withholding. In addition, any Lender, if reasonably requested by the Company or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Company or the Administrative Agent as will enable the Company or the Administrative Agent to determine whether or not such Lender is subject to any withholding (including backup withholding) or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 3.4(f)(ii)(A) through (E) and Section 3.4(f)(iii) below) shall not be required if in the Lender's judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing, if a Borrower is a U.S. Person, any Lender with respect to such Borrower shall, if it is legally eligible to do so, deliver to the Company and the Administrative Agent (in such number of copies reasonably requested by the Company and the Administrative Agent) on or prior to the date on which such Lender becomes a party hereto, duly completed and executed copies of whichever of the following is applicable:

(A) in the case of a Lender that is a U.S. Person, IRS Form W-9 certifying that such Lender is exempt from U.S. Federal backup withholding tax;

This Section 3.4(g) shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes which it deems confidential) to the indemnifying party or any other Person.

The Company and its Subsidiaries are in compliance with Section 6.2.

On the basis of this consideration, the Company has reasonably concluded that the Company and its Subsidiaries are not in violation of any Environmental Laws in such a fashion that could reasonably be expected to have a Material Adverse Effect. Neither the Company nor any Subsidiary has received any written notice to the effect that its operations are not in material compliance with any of the

6.29 The Offer, the Acquisition and Related Matters The Company shall and shall cause its Subsidiaries to:

(a) Conduct the Offer in accordance with, and otherwise comply in all material respects with, the German Takeover Code and all other applicable laws and regulations relating to the Offer.

(b) Except as consented to by the Arrangers in writing (such consent not to be unreasonably withheld, conditioned or delayed), ensure that the Offer Document corresponds in all material respects to the terms and conditions of the Offer as set out, and to the extent set out, in the Business Combination Agreement.

(c) Promptly deliver to the Administrative Agent (i) at least 3 Business Days prior to the first submission to BaFin (and as soon as reasonably practicable prior to each other submission to BaFin, if any), a copy of the draft Offer Document to be submitted to BaFin; and (ii) promptly after its publication, a copy of any amendment, supplement or modification to the Offer Document.

(d) Ensure that the Offer Document contains all the Key Offer Terms.

(e) Upon request of the Administrative Agent, inform the Administrative Agent as to the status and progress of the Offer, and any material post-Acquisition transactions related thereto, including without limitation (i) any event or circumstance which may reasonably be expected to cause the Offer to lapse and, promptly upon request, details of the current level of acceptances of the Offer of which the Company is aware, (ii) a running tally (reported to the Administrative Agent

from time to time after the initial Advance on the Acquisition Closing Date hereunder, on the number of shares of the Target acquired by AcquisitionCo, (iii) the status of AcquisitionCo's efforts to enter into a Domination Agreement and (iv) the status of any squeeze out of minority Shareholders of Target.

(f) Unless the Target has been merged into AcquisitionCo or converted into a limited liability company, cause AcquisitionCo to use all commercially reasonable efforts to enter into the Domination Agreement as soon as practicable after the Final Settlement Date and shall cause AcquisitionCo and Target not to terminate such Domination Agreement.

(g) Except as consented to by the Arrangers in writing (such consent not to be unreasonably withheld, conditioned or delayed), not amend, waive, consent to or otherwise modify any term of the Acquisition Documentation and/or Non-Tender Documents in a manner materially adverse to the interests of the Lenders or Arrangers (it being understood that any amendments, waivers in respect of the Key Offer Terms or the provisions of the Business Combination Agreement limiting recourse against financing sources shall be material and adverse to the interest of the Lenders and Arrangers).

(h) As promptly as reasonably practicable after AcquisitionCo holds (or otherwise controls or is attributed) a number of Target Shares which permit the squeeze-out of any minority shareholders of Target, ensure that squeeze-out procedures pursuant to Sections 39a sub. seq. of the German Takeover Code, 327a of the German Stock Corporation Act (*Aktiengesetz*) or Section 62 of the German Transformation Act (*Umwandlungsgesetz*) (whatever the Company considers more appropriate to achieve timely squeeze-out of any remaining shareholders of the Target) are initiated.

(i) Unless consented to by the Arrangers, not permit AcquisitionCo to take any action or step (or permit the taking of any action or step) which may result in AcquisitionCo, the Company or any of its Subsidiaries being or becoming obliged to make a mandatory offer pursuant to Section 35 of the German Takeover Code.

(j) On or prior to the date that is 90 days after the Domination Agreement Effective Date (or such later date as the Administrative Agent shall agree in its sole discretion) the Target Refinancing shall have occurred; provided that if the proceeds of Indebtedness are utilized to effect the Target Refinancing, such Indebtedness shall be incurred and guaranteed only by the Company and the Guarantors.

6.30 Designation of Certain Subsidiaries The Company may at any time designate any Restricted Subsidiary as an Unrestricted Subsidiary or any Unrestricted Subsidiary as a Restricted Subsidiary by delivering to the Administrative Agent a certificate of the Company specifying such designation and certifying that the conditions to such designation set forth below are satisfied; provided that:

(i) both immediately before and immediately after any such designation, no Unmatured Default or Default shall have occurred and be continuing;

(ii) on a Pro Forma Basis, the Company shall be in compliance with the financial covenants set forth in Sections 6.22 and 6.23 immediately after giving effect to such designation;

(iii) in the case of a designation of a Restricted Subsidiary as an Unrestricted Subsidiary, such Unrestricted Subsidiary shall be an “unrestricted subsidiary” or otherwise not subject to the covenants under any agreements governing the Material Indebtedness for borrowed money subject to the covenant in Section 6.28; and

(iv) in the case of a designation of a Restricted Subsidiary as an Unrestricted Subsidiary, each Subsidiary of such designated Subsidiary has been, or concurrently therewith will be, designated as an Unrestricted Subsidiary in accordance with this Section 6.30.

The designation of any Restricted Subsidiary as an Unrestricted Subsidiary shall constitute an Investment by the Company in such designated Subsidiary on the date of designation in an amount equal to the fair market value of the Company and its Restricted Subsidiaries’ Investment therein, as estimated in good faith at such time by the Company. The designation of any Unrestricted Subsidiary as a Restricted Subsidiary shall constitute (i) the incurrence at the time of designation of any Investment, Indebtedness or Liens of such previously Unrestricted Subsidiary existing at such time. and (ii) a return on any Investment by the applicable Loan Party (or its relevant Subsidiaries) in Unrestricted Subsidiaries pursuant to the preceding sentence in an amount equal to the fair market value at the date of such designation of such Loan Party’s (or its relevant Subsidiaries’) Investment in such Subsidiary.

6.31 Security On the Acquisition Closing Date On the Acquisition Closing Date, the Administrative Agent shall have received (i) executed copies of the Security Documents signed by the Loan Parties party thereto, and all other actions necessary to establish that the Administrative Agent will have a perfected first priority security interest in the Collateral (subject to Liens permitted under Section 6.16) shall have been taken and (ii) to the extent requested by the Administrative Agent, a customary written opinion or opinions of the Company’s and Guarantors’ counsel, addressed to the Administrative Agent and Lenders, in form and substance customary for transactions of this type covering matters relating to the Security Documents and the creation and perfection of security interests.

Notwithstanding anything herein to the contrary, to the extent any Collateral (including the grant or perfection of any security interest) is not provided on the Acquisition Closing Date (other than the grant and perfection of security interests (i) in material assets located in any state of the United States or the District of Columbia with respect to which a Lien may be perfected solely by the filing of a financing statement under the UCC and (ii) in capital stock of the Company’s material Domestic Restricted Subsidiaries with respect to which a Lien may be perfected by the delivery of a stock certificate) after the Company’s use of commercially reasonable efforts to do so without undue burden or expense, then (a) the provision of such Collateral may be provided after the Acquisition Closing Date pursuant to arrangements to be mutually agreed between the Company and the Administrative Agent) and (b) all provisions of this Agreement and the Security Agreement (including, without limitation, all conditions precedent, representations, warranties, covenants, events of default and other agreements herein and therein) shall be deemed modified to the extent necessary to permit the foregoing.

ARTICLE VII

DEFAULTS

The occurrence of any one or more of the following events shall constitute a Default (provided that prior to the Domination Agreement Effective Date such provisions shall not apply to the Target or its Subsidiaries):

7.1 Any representation or warranty made, including without limitation those deemed made pursuant to Section 4.4 or 4.5, by or on behalf of the Company or its Subsidiaries to the Lenders or the Administrative Agent in any Loan Document, in connection with any Loan or Facility Letter of Credit, or in any certificate or information delivered in writing in connection with any Loan Document, shall be false in any material respect on the date as of which made.

7.2 Nonpayment of principal of any Loan when due, or nonpayment of interest on any Loan or of any commitment or ticking fee within five Business Days after written notice from the Administrative Agent that the same has become due, or nonpayment of any other obligations under any of the Loan Documents within five Business Days after written notice from the Administrative Agent that the same has become due.

7.3 Subject to Section 17.5, the breach by any Loan Party of any of the terms or provisions in Sections 6.2, 6.3, 6.12, 6.13, 6.14, 6.15, 6.16, 6.17, 6.18, 6.19, 6.20, 6.21, 6.22, 6.23, 6.24, 6.25, 6.26, 6.27, 6.28, 6.29, 6.31 and/or 10.4(b); provided that the breach of the terms or provisions in Sections 6.22 and/or 6.23 (a “Financial Covenant Default”) shall not constitute a Default with respect to any Loans or Commitments hereunder, other than the Revolving Credit Loans, Term A Loans, Revolving Credit Commitments and Term A Commitments and, solely if the Covenant Holiday Period has ended, the Term A-1 Loans and Term A-1 Commitments, until the date on which the Revolving Credit Loans and Term A Loans (if any) have been accelerated, and the Revolving Credit Commitments and Term A Commitments (if any) have been terminated and, solely if the Covenant Holiday Period has ended, the Term A-1 Loans (if any) have been accelerated and the Term A-1 Commitments (if any) have been terminated, in each case, by (i) if during the Covenant Holiday Period, the Required TLA/RC Lenders or (ii) if the Covenant Holiday Period has ended, the Required Pro Rata/TLA-1 Lenders.

7.4 The breach by any Loan Party of, or other default by any Loan Party under, any of the terms or provisions of this Agreement or any other Loan Document (other than a breach or

7.5 Failure of the Company or any of its Restricted Subsidiaries to pay when due any principal of, or premium or interest on (beyond any applicable grace period therefor) any Indebtedness or net Hedging Obligations to the extent such Indebtedness and/or net Hedging Obligations aggregate in excess of \$50,000,000 (“Material Indebtedness”); or the default by the Company or any of its Restricted Subsidiaries in the performance of any term, provision or condition contained in any agreement under which any such Material Indebtedness was created or is governed, or any other event shall occur or condition exist, the effect of which is to cause, or to permit the holder or holders of such Material Indebtedness to cause, such Material Indebtedness to become due prior to its stated maturity; or any Material Indebtedness of the Company or any of its Restricted Subsidiaries shall be declared to be due and payable or required to be prepaid or repurchased (other than by a regularly scheduled payment) prior to the stated maturity thereof; provided that any breach of the covenants set forth in Section 6.22 and 6.23 giving rise to an event described in this Section 7.5 above shall not, by itself, constitute Default under any Term Facility (other than the Term A Facilities and, solely if the Covenant Holiday Period has ended, the Term A-1 Facility) unless (i) if during the

Covenant Holiday Period, the Required TLA/RC Lenders or (ii) if the Covenant Holiday Period has ended, the Required Pro Rata/TLA-1 Lenders, have accelerated any Term A Loans and Revolving Credit Loans (and if the Covenant Holiday Period has ended, the Term A-1 Loans) then outstanding as a result of such breach and such declaration has not been rescinded on or before the date on which the Term Loan Lenders (other than the Lenders under the Term A Facilities (and if the Covenant Holiday Period has ended, the Term A-1 Loans)) declare a Default in connection therewith; provided, further, that this Section 7.5 shall not apply to any Permitted Convertible Indebtedness to the extent such event or condition occurs as a result of (x) the satisfaction of a conversion contingency or (y) the exercise by a holder of Permitted Convertible Indebtedness of a conversion right resulting from the satisfaction of a conversion contingency, in each case, unless the Company fails to make any payment and/or delivery of common shares of the Company (or other reference property in accordance with the applicable terms thereunder) in connection therewith and such failure continues after any applicable grace period.

7.6 The Company or any of its Restricted Subsidiaries (other than an Immaterial Subsidiary), shall (i) voluntarily have an order for relief entered with respect to it under any existing or future law of any jurisdiction, domestic or foreign, relating to bankruptcy, insolvency, reorganization or relief of debtors, (ii) make an assignment for the benefit of creditors, (iii) apply for, seek, consent to, or acquiesce in, the appointment of a receiver, custodian, trustee, examiner, liquidator or similar official for it or any Substantial Portion of its Property, (iv) institute any proceeding seeking an order for relief under any existing or future law of any jurisdiction, domestic or foreign, relating to bankruptcy, insolvency, reorganization or relief of debtors, seeking to adjudicate it a bankrupt or insolvent, or seeking dissolution, winding up, liquidation, reorganization, arrangement, adjustment or composition of it or its debts or seeking similar relief under any law of any jurisdiction, domestic or foreign, relating to bankruptcy, insolvency or reorganization or relief of debtors or similar proceeding or fail to file an answer or other pleading denying the material allegations of any such proceeding filed against it, (v) take any corporate, company or other action to authorize or effect any of the foregoing actions set forth in this Section 7.6, (vi) fail to contest in good faith any appointment or proceeding described in Section

7.7 Without its application, approval or consent, a receiver, trustee, examiner, liquidator or similar official shall be appointed for the Company or any of its Restricted Subsidiaries (other than an Immaterial Subsidiary) or any Substantial Portion of their respective Property, or a proceeding described in Section 7.6(iv) shall be instituted against the Company or any of its Restricted Subsidiaries (other than an Immaterial Subsidiary) and such appointment continues undischarged or such proceeding continues undismissed or unstayed for a period of 60 consecutive days.

7.8 Any court, government or governmental agency shall without appropriate compensation condemn, seize or otherwise appropriate, or take custody or control of (each a "Condemnation"), all or any portion of the Property of the Company or any of its Restricted Subsidiaries which, when taken together with all other Property of the Company and its Restricted Subsidiaries so condemned, seized, appropriated, or taken custody or control of, during the twelve-month period ending with the month in which any such Condemnation occurs, constitutes a Substantial Portion and is reasonably likely to have a Material Adverse Effect.

7.9 One or more judgments for the payment of money in an aggregate amount in excess of \$50,000,000 (other than judgments covered by insurance issued by an insurer that has accepted coverage and has the ability to pay such judgments) shall be rendered against the Company, any Restricted Subsidiary or any combination thereof and the same shall remain undischarged for a period of 90 consecutive days during which execution shall not be effectively stayed, or any action shall be legally taken by a judgment creditor to attach or levy upon any assets of the Company or any Restricted Subsidiary to enforce any such judgment which is not effectively stayed for a period of 30 consecutive days;

7.10 Any member of the Controlled Group shall fail to pay when due an amount or amounts aggregating in excess of \$50,000,000 which it shall have become liable to pay under Title IV of ERISA or Sections 412, 431 or 432 of the Code; or notice of intent to terminate a Single Employer Plan with Unfunded Liabilities in excess of \$50,000,000 (a “Material Plan”) shall be filed under Section 4041(c) of ERISA by any member of the Controlled Group, any plan administrator or any combination of the foregoing; or the PBGC shall institute proceedings under Title IV of ERISA to terminate, to impose liability (other than for premiums under Section 4007 of ERISA) in excess of \$50,000,000 in respect of, or to cause a trustee to be appointed to administer any Material Plan; or a condition shall exist that could reasonably be expected to result in PBGC obtaining a decree adjudicating that any Material Plan must be terminated; or the determination by the PBGC of liability in excess of \$50,000,000 on any member of the Controlled Group pursuant to Section 4062(e) or 4069 of ERISA or by reason of the application of Section 4212(c) of ERISA; there shall occur a complete or partial withdrawal from, or a default, within the meaning of Section 4219(c) (5) of ERISA, with respect to one or more Multiemployer Plans which causes one or more members of the Controlled Group to incur a current payment obligation in excess of \$50,000,000; or there shall occur a Foreign Plan Event

which causes one or more members of the Controlled Group to incur liability in excess of \$50,000,000.

7.11 The Company or any of its Subsidiaries shall be the subject of any proceeding or investigation pertaining to the Release by the Company or any of its Subsidiaries or any other Person of any Hazardous Substance, or any violation of any applicable Environmental Law, which, in either case, could reasonably be expected to have a Material Adverse Effect.

7.12 The occurrence of any Change of Control.

7.13 On and after the Acquisition Closing Date, any Lien purported to be created on any material portion of the Collateral under any Security Document shall cease to be, or shall be asserted in writing by any Loan Party not to be, a valid and perfected Lien on such Collateral (subject to Liens Permitted under Section 6.16), except in connection with a release of such Collateral in accordance with the terms of this Agreement.

7.14 This Agreement, any Guaranty or any Security Document (after effectiveness thereof) or, after the Domination Agreement Effective Date and prior to the date the Target has merged into AcquisitionCo or been converted into a limited liability company, the Domination Agreement, shall for any reason cease to be in full force and effect and valid, binding and enforceable in accordance with its terms after its date of execution, or any Loan Party shall so state in writing, in each case other than in connection with a release of any Guaranty or security interest in accordance with the terms of this Agreement.

ARTICLE VIII

ACCELERATION, WAIVERS, AMENDMENTS AND REMEDIES

8.1 Acceleration

(a) If any Default described in Section 7.6 or 7.7 occurs, (i) the obligations of the Lenders to make Loans hereunder, the Commitments and the obligations of the Issuers to issue Facility Letters of Credit shall automatically terminate and the Obligations, including any Make Whole Premium and any other premium payable pursuant to Section 2.6.3(b) or (c), shall immediately become due and payable without presentment, demand, protest or notice of any kind, all of which the Borrowers hereby expressly waive and without any election or action on the part of the Administrative Agent or any Lender and (ii) each Borrower will be and become thereby unconditionally obligated, without the need for demand or the necessity of any act or evidence, to deliver to the Administrative Agent, at its address specified pursuant to Article XIV, for deposit into the Letter of Credit Collateral Account, an amount (the “Collateral Shortfall Amount”) equal to the excess, if any, of:

(A) 100% of the sum of the aggregate maximum amount remaining available to be drawn under the Facility Letters of Credit requested by such Borrower (assuming compliance with all conditions for drawing thereunder) issued by an Issuer and outstanding as of such time, over

(B) the amount on deposit for such Borrower in the Letter of Credit Collateral Account at such time that is free and clear of all rights and claims of third parties (other than the Administrative Agent and the Lenders) and that has not been applied by the Lenders against the Obligations of such Borrower.

(b) If any Default occurs and is continuing (other than a Default described in Section 7.6 or 7.7, and subject to Section 4.6), (i) the Required Lenders may terminate or suspend the obligations of the Lenders to make Loans, the Commitments and the obligation of the Issuers to issue Facility Letters of Credit hereunder, or declare the Obligations, including any Make Whole Premium and any other premium payable pursuant to Section 2.6.3(b) or (c), to be due and payable, or both, whereupon (if so declared) the Obligations shall become immediately due and payable, without presentment, demand, protest or notice of any kind, all of which the Borrowers hereby expressly waive and (ii) the Required Lenders may, upon notice delivered to the Borrowers with outstanding Facility Letters of Credit and in addition to the continuing right to demand payment of all amounts payable under this Agreement, make demand on each such Borrower to deliver (and each such Borrower will, forthwith upon demand by the Required Lenders and without necessity of further act or evidence, be and become thereby unconditionally obligated to deliver), to the Administrative Agent, at its address specified pursuant to Article XIV, for deposit into the Letter of Credit Collateral Account an amount equal to the Collateral Shortfall Amount payable by such Borrower.

(c) If at any time while any Default is continuing or the Revolving Termination Date has occurred, the Administrative Agent determines that the Collateral Shortfall Amount at such time is greater than zero, the Administrative Agent may make demand on the Borrowers with outstanding Facility Letters of Credit to deliver (and each such Borrower will, forthwith upon demand by the Administrative Agent and without necessity of further act or evidence, be and become thereby unconditionally obligated to deliver), to the Administrative Agent as additional funds to be deposited and held in the Letter of Credit Collateral Account an amount equal to such Collateral Shortfall Amount payable by such Borrower at such time.

(d) The Administrative Agent may at any time or from time to time after funds are deposited in the Letter of Credit Collateral Account, apply such funds to the payment of the Obligations of the relevant Borrowers and any other amounts as shall from time to time have become due and payable by the relevant Borrowers to the Lenders under the Loan Documents.

(e) Neither the Borrowers nor any Person claiming on behalf of or through the Borrowers shall have any right to withdraw any of the funds held in the Letter of Credit Collateral Account. After all of the Obligations have been indefeasibly paid in full (other than contingent indemnification obligations in respect of which no claim has been made, Hedging Obligations and Obligations in respect of Cash Management Agreements) or upon the request of the Company if no Default has occurred and is continuing, any funds remaining in the Letter of Credit Collateral Account shall be returned by the Administrative Agent to the applicable Borrower(s) or paid to whoever may be legally entitled thereto at such time.

(f) The Administrative Agent shall exercise reasonable care in the custody and preservation of any funds held in the Letter of Credit Collateral Account and shall be deemed to have exercised such care if such funds are accorded treatment substantially equivalent to that which the Administrative Agent accords its own property, it being understood that the Administrative Agent shall not have any responsibility for taking any necessary steps to preserve rights against any Persons with respect to any such funds.

Notwithstanding the foregoing, during any period during which solely a Financial Covenant Default has occurred and is continuing, the Administrative Agent may with the consent of, and shall at the request of, (i) if during the Covenant Holiday Period, the Required TLA/RC Lenders or (ii) if the Covenant Holiday Period has ended, the Required Pro Rata/TLA-1 Lenders, take any of the foregoing actions described in paragraphs (a), (b), (c) and (d) above, solely as they relate to the Revolving Credit Lenders and Term A Lenders (and if the Covenant Holiday Period has ended, also the Term A-1 Lenders) (versus the Lenders), the Revolving Credit Commitments and Term A Commitments (and if the Covenant Holiday Period has ended, also the Term A-1 Commitments) (versus the Commitments), the Revolving Credit Loans, the Swing Loans and the Term A Loans (and if the Covenant Holiday Period has ended, also the Term A-1 Loans) (versus the Loans), and the Letters of Credit. It is agreed any acceleration of the Term A Loans and termination of the Revolving Credit Commitments as set forth in this paragraph during the Covenant Holiday Period shall result in the automatic acceleration of the Term A-1 Loans.

(g) Further, if the Term A-1 Loans are accelerated or otherwise become due prior to their maturity date, in each case, as a result of an Event of Default, as a result of the commencement of a proceeding under any Debtor Relief Law, by operation of law or as a result of an acceleration thereunder, the amount of principal of and premium on the Term A-1 Loans that becomes due and payable shall equal 100% of the principal amount of the Term A-1 Loans plus any Make Whole Premium or any premium payable pursuant to Section 2.6.3 (b) or (c), as applicable, then due on the date of such acceleration or such other prior due date, as if such acceleration or other occurrence were a voluntary prepayment of the Term A-1 Loans accelerated or otherwise becoming due. Without limiting the generality of the foregoing, it is understood and agreed that if the Term A-1 Loans are accelerated or otherwise become due prior to their maturity date, in each case, in respect of any Event of Default, as a result of the commencement of a proceeding under any Debtor Relief Law, by operation of law or as a result of an acceleration thereunder, any Make Whole Premium or any premium payable

pursuant to Section 2.6.3 (b) or (c) applicable with respect to a voluntary prepayment of the Term A-1 Loans will also be due and payable on the date of such acceleration or such other prior due date as though the Term A-1 Loans were voluntarily prepaid as of such date and shall constitute part of the Obligations, in view of the impracticability and extreme difficulty of ascertaining actual damages and by mutual agreement of the parties as to a reasonable calculation of each Term A-1 Lender's lost profits as a result thereof.

8.2 Amendments

8.2.1 Subject to the provisions of this Article VIII, the Required Lenders (or the Administrative Agent with the consent in writing of the Required Lenders) and the Borrowers may enter into agreements supplemental hereto for the purpose of adding or modifying any provisions to the Loan Documents or changing in any manner the rights of the Lenders or the Borrowers hereunder or waiving any Unmatured Default or Default hereunder; provided, however, no such supplemental agreement shall, (i) without the consent of the Administrative Agent, modify any rights or obligations of any kind of the Administrative Agent, (ii) without the consent of the Swing Lender, modify any rights or obligations of any kind of the Swing Lender, and (iii) without the consent of the Issuer, modify any rights or obligations of any kind of the Issuer, and provided further, that no such supplemental agreement shall,

(a) without the consent of each Lender directly and adversely affected thereby:

(i) increase any Commitment of any Lender without the written consent of such Lender;

(ii) extend the final maturity of any Loan, Commitment, Note or Reimbursement Obligation or forgive all or any portion of the principal amount thereof (it being understood that a waiver of any condition precedent or the waiver of any default, event of default or mandatory prepayment shall not constitute a reduction in principal), or reduce the stated rate of interest (it being understood a waiver of default interest is not a reduction in the stated rate of interest) or fees or extend the time of payment of interest or fees thereon (other than, with respect to Swing Loans only, any reduction of the rate or extension of the time of payment of principal, interest or fees thereon (if such extension is not beyond the Revolving Termination Date) or forgiveness of all or any portion of the principal amount thereof, which shall require the consent of the Swing Lender only);

(iii) reduce or extend the scheduled amortization of any Loans or Commitments;

(iv) change the currency in which any Revolving Credit Loan or Revolving Credit Commitment of any Revolving Credit Lender is denominated (it being understood that designations of additional Eligible Currencies in accordance with the definition thereof shall not constitute a change of currency for purposes of this clause (iv) and that any change described in this clause (iv) will be deemed to affect only each Revolving Credit Lender); or

(v) change the currency in which any Term B Loan or Term B Commitment is denominated.

(b) without the consent of Lenders holding more than 50% of the aggregate amount of the extensions of credit and unused Commitments under any Class of the Credit Facilities, adversely

affect the rights of such Class in respect of payments in a manner different than such supplemental agreement affects the rights of any other Class in respect of payments (it being understood and agreed that (A) any amendments or other modifications permitted by Section 2.19 or 8.2.4 shall not be deemed to alter the manner in which payments are shared or alter any other pro rata sharing of payments and (B) any “amend-and-extend” transaction that extends an applicable Credit Facility’s termination date only for those Lenders that agree to such an extension shall not be deemed to alter the manner in which payments are shared or alter any other pro rata sharing of payments).

(c) without the consent of all Lenders:

(i) Amend this Section 8.2.1 or reduce the percentage specified in the definitions of Required Lenders, Required Revolving Credit Lenders, Required Term A Lenders, Required TLA/RC Lenders or Required Term B Lenders.

(ii) Release all or substantially all of the Liens on the Collateral securing the Obligations or the Guarantors from the Guaranty, provided that for the avoidance of doubt releases pursuant to Section 11.9 will not require any amendment or waiver of this Agreement (it being understood that the determination that any assets acquired after the Execution Date shall not constitute or be required to constitute Collateral shall not be deemed a release of Collateral).

(iii) Permit any Borrower to assign its rights under this Agreement (it being understood that with respect to a Subsidiary Borrower, such consent shall only be required with respect to each Revolving Credit Lender).

8.2.2 In addition to amendments effected pursuant to the foregoing, Schedule 1.1(a) and Schedule 1.1(c) may be amended as follows:

(i) Schedule 1.1(a) will be automatically amended to add the Replacement Facilities Commitments of the Lenders who become party to this Agreement pursuant to the Replacement Facilities Effective Date Documentation.

(ii) Schedule 1.1(c) will be automatically amended to add Wholly Owned Restricted Subsidiaries of the Company as additional Subsidiary Borrowers upon the satisfaction of each of the following conditions: (a) the execution and delivery by the Company, any such Subsidiary Borrower and the Administrative Agent, of a Subsidiary Joinder Agreement providing for any such Restricted Subsidiary to become a Subsidiary Borrower, (b) the delivery to the Administrative Agent of (A) a Domestic Subsidiary Opinion or Foreign Subsidiary Opinion, as the case may be, in respect of such additional Subsidiary Borrower and (B) such other documents and information with respect thereto as the Administrative Agent shall reasonably request (including without limitation organizational documents, resolutions (if applicable), incumbency certificates and any other documents and information required by the Act (as defined in Section 10.11)), (c) the making of Loans by the applicable Lenders to, and the issuance of Facility Letters of Credit by the applicable Issuer for the benefit of, such additional Subsidiary Borrower would not violate any applicable law, rule, regulation, or directive, whether or not having the force of law and will not require the Administrative Agent or any applicable Lender or Issuer to do business in or be qualified to do business in such Subsidiary Borrower’s jurisdiction or be subject to any unreimbursed or unindemnified Taxes or other material expenses (other than, for the avoidance of doubt, such Taxes the Company or the applicable Subsidiary Borrower agree to indemnify pursuant to Section 3.4

or otherwise) Is reasonably determined by the Administrative Agent in consultation with the applicable Lenders, and (d) the written approval of the Administrative Agent in its sole discretion.

(iii) Schedule 1.1(c) will be automatically amended to remove any Subsidiary as a Subsidiary Borrower upon (A) written notice by the Company to the Administrative Agent to such effect and (B) repayment in full of all outstanding Loans, and all other Obligations (other than contingent indemnification obligations in respect of which no claim has been made, Hedging Obligations and Obligations in respect of Cash Management Agreements) pursuant to any Loan Document, of such Subsidiary Borrower.

(iv) It is acknowledged and agreed that there may be more than one Foreign Subsidiary Borrower, provided that there may not be a number thereof more than reasonably allowed by the Administrative Agent. In addition, no Foreign Subsidiary may become a Foreign Subsidiary Borrower if any Lender that as a result thereof would be obligated to lend to it may not at such time legally lend to such Foreign Subsidiary unless other arrangements in respect thereof have been made that are acceptable to such Lender.

8.2.3 Notwithstanding anything herein to the contrary, Defaulting Lenders shall not be entitled to vote (whether to consent or to withhold its consent) with respect to any amendment, modification, termination or waiver and, for purposes of determining the Required Lenders, the Required Revolving Credit Lenders, the Required Term A Lenders, the Required Term A-1 Lenders, the Required TLA/RC Lenders, the Required Pro Rata/TLA-1 Lenders and the Required Term B Lenders, the Commitments and the Aggregate Outstandings of such Defaulting Lender shall be disregarded, in each case except as provided in Section 2.17(b).

8.2.4 Notwithstanding anything to the contrary herein or in any other Loan Document, (a) this Agreement and any other Loan Document may be amended (or amended and restated) with the written consent of the Required Lenders, the Administrative Agent and the Borrowers to each relevant Loan Document (i) to add one or more credit facilities (in addition to the Incremental Term Loans pursuant to Section 2.19 and Refinancing Loans pursuant to Section 2.21) to this Agreement and to permit extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Loan Documents with the Revolving Credit Loans, the Term A Loans, the Term A-1 Loans, the Term B Loans and the Incremental Term Loans and the accrued interest and fees in respect thereof and (ii) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders and Lenders; (b) Incremental Amendments, Refinancing Facility Agreements and Permitted Amendments may be executed and shall be effective in accordance with the terms of Section 2.19, 2.21 or 2.22, as applicable when signed by the parties required under the applicable such Section; (c) (i) during the Covenant Holiday Period, only the consent of the Required TLA/RC Lenders shall be necessary to (and only the Required TLA/RC Lenders shall have the ability to) amend or waive any covenant set forth in Section 6.22(a) or 6.23(a) hereunder (or any defined term to the extent used in any of the foregoing), provided that any such amendment may only affect the periods ended or ending during the Covenant Holiday Period, (ii) after the Covenant Holiday Period or with respect to periods ended or ending after the Covenant Holiday Period, only the consent of the Required Pro Rata/TLA-1 Lenders shall be necessary to (and only the Required Pro Rata/TLA-1 Lenders shall have the ability to) amend or waive any covenant set forth in Section 6.22(a) or 6.23(a) hereunder (or any defined term to the extent used in any of the foregoing), (iii) at all times, the consent of the Required Pro Rata/TLA-1

Lenders shall be necessary to (and only the Required Pro Rata/TLA-1 Lenders shall have the ability to) amend Section 6.22(b) or (d), Section 6.23(b) or (d), the definition of “Covenant Reset Trigger” or the definition of “Pre-Amendment Covenant Ratio” (or any defined term to the extent used in any of the foregoing), (iv) at all times, the consent of the Required TLA-1 Lenders shall be necessary to (and only the Required TLA-1 Lenders shall have the ability to) amend the definition of “Covenant Holiday Period” (or any defined term to the extent used therein), (v) at all times, any modification to the Make Whole Provisions (or the definition thereof), Section 2.5(d), Section 2.5(e), the definition of “Required TLA-1 Lenders”, the definition of “Initial Principal Lenders” (or any defined term used in any of the foregoing) shall require the consent of each affected Term A-1 Lender and (vi) any amendment to Section 6.22(c), Section 6.23(c), this Section 8.2.4(c), the lead-in paragraph of Annex I, the definition of “Required Pro Rata/TLA-1 Lenders” or clause (xxii) of the definition of “Covenant Reset Trigger” (or any defined term used in any of the foregoing) shall require the consent of each Revolving Credit Lender, Term A Lender and Term A-1 Lender adversely affected thereby, in each case of clauses (i) through (vi) above, even if the effect of any such amendment would permit an Advance to be made; (d) only the consent of the Lenders holding more than 50% of the aggregate amount of the extensions of credit and unused Commitments under any Class of the Credit Facilities shall be necessary to amend or waive any condition to funding such Class of Credit Facilities set forth herein; and (f) any amendment, waiver or other modification of this Agreement or any other Loan Document that by its terms affects the rights or duties under this Agreement of the Lenders of one or more Classes (but not the Lenders of any other Class), may be effected by an agreement or agreements in writing entered into by the Borrowers and the requisite number or percentage in interest of each affected Class of Lenders that would be required to consent thereto under this Section if such Class of Lenders were the only Class of Lenders hereunder at the time.

8.2.5 Notwithstanding anything to the contrary herein or in any other Loan Document, the Administrative Agent may, with the consent of the Company only, amend, modify or supplement this Agreement or any of the other Loan Documents as may be reasonably necessary or advisable to cure any error, ambiguity, omission, defect or inconsistency in order to more accurately reflect the intent of the parties, provided that (x) prior written notice of such proposed cure shall be given to the Lenders and (y) the Required Lenders do not object to such cure in writing to the Administrative Agent within five Business Days of such notice. In connection with the addition of any Agreed Currency, the Administrative Agent and the Company may, without the consent of any other party hereto, make such changes to this agreement as they deem necessary to reflect the addition of such Agreed Currency. In connection with any amendments required by or appropriate to effectuate Sections 6.28, 17.1, 17.2, 17.3 and/or 17.5, the Administrative Agent and the Company may, without the consent of any other party hereto, make such changes to this Agreement as they deem necessary to reflect the changes required by such Sections.

8.2.6 Notwithstanding anything to the contrary herein or in any other Loan Document, (a) no modification or waiver of any provision of this Agreement relating to the Administrative Agent shall be effective without the written consent of the Administrative Agent; (b) no modification or waiver of any provision of this Agreement relating to the Swing Lender shall be effective without the written consent of the Swing Lender; (c) no modification or waiver of any provision of this Agreement relating to any Issuer shall be effective without the written consent of such Issuer; and (d) the Administrative Agent may waive payment of the fee required under Section 13.1 without obtaining the consent of any other party to this Agreement.

8.2.7 Notwithstanding anything to the contrary herein or in any other Loan Document, guarantees, collateral documents and related documents executed by Loan Parties in connection with this Agreement may be in a form reasonably determined by the Administrative Agent and may be, together with any other Loan Document, entered into, amended, supplemented or waived, without the consent of any other person, by the applicable Loan Party or Loan Parties and the Administrative Agent in its sole discretion, to (A) effect the granting, perfection, protection, expansion or enhancement of any security interest in any Collateral or additional property to become Collateral for the benefit of the Secured Parties, (B) as required by local law to give effect to, or protect any security interest for the benefit of the Secured Parties, in any property or so that the security interests therein comply with applicable requirements of law, or (C) to cure ambiguities, omissions, mistakes or defects or to cause such guarantee, collateral security document or other document to be consistent with this Agreement and the other Loan Documents.

8.3 Preservation of Rights No delay or omission of the Lenders or the Administrative Agent to exercise any right under the Loan Documents shall impair such right or be construed to be a waiver of any Default or an acquiescence therein, and the making of a Loan notwithstanding the existence of a Default or the inability of the Borrowers to satisfy the conditions precedent to such Loan shall not constitute any waiver or acquiescence. Any single or partial exercise of any such right shall not preclude other or further exercise thereof or the exercise of any other right, and no waiver, amendment or other variation of the terms, conditions or provisions of the Loan Documents whatsoever shall be valid unless in writing signed by the Lenders required pursuant to Section 8.2, and then only to the extent in such writing specifically set forth. All remedies contained in the Loan Documents or by law afforded shall be cumulative and all shall be available to the Administrative Agent and the Lenders until the Obligations (other than contingent indemnification obligations in respect of which no claim has been made, Hedging Obligations and Obligations in respect of Cash Management Agreements) have been paid in full.

ARTICLE IX

GUARANTEE

9.1 Guarantee

(a) The Company hereby unconditionally and irrevocably guarantees to the Secured Parties and their respective successors, endorsees, transferees and assigns, the prompt and complete payment and performance when due (whether at the stated maturity, by acceleration or otherwise) of the Obligations (for the avoidance of doubt, other than Obligations for which the Company is already the direct obligor); and

(b) The Company further agrees to pay any and all reasonable expenses (including, without limitation, all reasonable fees and disbursements of counsel) which are paid or incurred by the Administrative Agent, or any Lender in enforcing any rights with respect to, or

collecting, any or all of the Obligations and/or enforcing any rights with respect to, or collecting against, the Company under this Section 9.1 or, in the case of the Administrative Agent, obtaining advice of counsel in respect thereof. This Section shall remain in full force and effect until the Obligations (other than contingent indemnification obligations in respect of which no claim has been made, Hedging Obligations and Obligations in respect of Cash Management Agreements) are paid in full and the Commitments are terminated, notwithstanding that from time to time prior thereto the Borrowers may be free from any Obligations.

(a) No payment or payments made by any Borrower or any other Person or received or collected by any Secured Party from any Borrower or any other Person by virtue of any action or proceeding or any set-off or appropriation or application, at any time or from time to time, in reduction of or in payment of the Obligations shall be deemed to modify, reduce, release or otherwise affect the liability of the Company hereunder, which shall, notwithstanding any such payment or payments, remain liable hereunder for the Obligations until all Obligations (other than contingent indemnification obligations in respect of which no claim has been made, Hedging Obligations and Obligations in respect of Cash Management Agreements) are paid in full and the Commitments are terminated.

(b) The Company agrees that whenever, at any time, or from time to time, it shall make any payment to a Secured Party on account of its liability under this Section 9.1, it will notify the Administrative Agent and such Secured Party in writing that such payment is made under this Section 9.1 for such purpose.

9.2 No Subrogation Notwithstanding any payment or payments made by the Company hereunder, or any set-off or application of funds of the Company by the Administrative Agent or any Lender, the Company shall not be entitled to be subrogated to any of the rights of any Secured Party against the Borrowers or against any guarantee or right of offset held by the Administrative Agent or any Lender for the payment of the Obligations, nor shall the Company seek or be entitled to seek any contribution or reimbursement from the Borrowers in respect of payments made by the Company hereunder, until all amounts owing to the Secured Parties by the Borrowers on account of the Obligations (other than contingent indemnification obligations in respect of which no claim has been made, Hedging Obligations and Obligations in respect of Cash Management Agreements) are paid in full and the Commitments are terminated. If any amount shall be paid to the Company on account of such subrogation rights at any time when all of the Obligations (other than contingent indemnification obligations in respect of which no claim has been made, Hedging Obligations and Obligations in respect of Cash Management Agreements) shall not have been paid in full, such amount shall be held by the Company in trust for the Administrative Agent and the Lenders, segregated from other funds of the Company, and shall, forthwith upon receipt by the Company, be turned over to the Administrative Agent in the exact form received by the Company (duly endorsed by the Company to the Administrative Agent, if required), to be applied against the Obligations, whether matured or unmatured, in such order as Administrative Agent may determine. The provisions of this paragraph shall survive the termination of this Agreement and the payment in full of the Obligations (other than contingent indemnification obligations in respect of which no claim has been made, Hedging Obligations and Obligations in respect of Cash Management Agreements) and the termination of the Commitments.

9.3 Amendments, etc. with respect to the Obligations; Waiver of Rights The Company shall remain obligated hereunder notwithstanding that, without any reservation of rights against the Company, and without notice to or further assent by the Company, any demand for payment of any of the Obligations made by the Administrative Agent, the Required Lenders or as applicable another Secured Party may be rescinded by the Administrative Agent or the Required Lenders or as applicable another Secured Party, and any of the Obligations continued, and the Obligations, or the liability of any other party upon or for any part thereof, or any guarantee therefor or right of offset with respect thereto, may, from time to time, in whole or in part be renewed, extended, amended, modified, accelerated, compromised, waived, surrendered or released by the Administrative Agent, the Required Lenders or as applicable another Secured Party, and any Loan Documents and any other documents executed and delivered in connection with the Obligations may be amended, modified, supplemented or terminated, in whole or in part, in accordance with the provisions thereof as the Administrative Agent (or the Required Lenders, as the case may be) may deem advisable from time to time, and any guarantee or right of offset at any time held by the Administrative Agent, any Lender or as applicable another Secured Party for the payment of the Obligations may be sold, exchanged, waived, surrendered or released. None of the Administrative Agent, any Lender or as applicable another Secured Party shall have any obligation to protect, secure, perfect or insure any Lien at any time held by it as security for the Obligations or for this Agreement or any property subject thereto. When making any demand hereunder against the Company, the Administrative Agent, any Lender or as applicable another Secured Party may, but shall be under no obligation to, make a similar demand on any other guarantor, and any failure by the Administrative Agent, any Lender or as applicable another Secured Party to make any such demand or to collect any payments from any other guarantor or any release of the Borrowers or such other guarantor shall not relieve the Company of its obligations or liabilities hereunder, and shall not impair or affect the rights and remedies, express or implied, or as a matter of law, of the Administrative Agent, any Lender or as applicable another Secured Party against the Company. For the purposes hereof “demand” shall include the commencement and continuance of any legal proceedings.

9.4 Guarantee Absolute and Unconditional The Company waives any and all notice of the creation, renewal, extension or accrual of any of the Obligations and notice of or proof of reliance by any Secured Party upon this Agreement or acceptance of this Agreement; the Obligations, and any of them, shall conclusively be deemed to have been created, contracted or incurred, or renewed, extended, amended or waived, in reliance upon this Agreement; and all dealings among the Borrowers, on the one hand, and the Secured Parties, on the other, shall likewise be conclusively presumed to have been had or consummated in reliance upon this Agreement. The Company waives diligence, presentment, protest, demand for payment and notice of default or nonpayment to or upon the Subsidiary Borrowers and the Company with respect to the Obligations. This Article IX shall be construed as a continuing, absolute and unconditional guarantee of payment without regard to (a) the validity, regularity or enforceability of this Agreement, any other Loan Document, any of the Obligations or any guarantee or right of offset with respect thereto at any time or from time to time held by the Administrative Agent or any Lender or as applicable another Secured Party, (b) any defense, set-off or counterclaim (other than a defense of payment or performance by any Borrower) which may at any time be available to or be asserted by any Borrower against the Administrative Agent, any Lender or as applicable another Secured Party, or (c) any other circumstance whatsoever (with or without notice to or knowledge of any Borrower) that constitutes, or might be construed to constitute, an equitable or

legal discharge of the Borrowers for the Obligations, or of the Company under this Section 9.4, in bankruptcy or in any other instance (other than a defense of payment or performance by the Borrowers). When pursuing its rights and remedies hereunder against the Company, the Administrative Agent and any Lender may, but shall be under no obligation to, pursue such rights and remedies as it may have against any Borrower or any other Person or against any guarantee for the Obligations or any right of offset with respect thereto, and any failure by the Administrative Agent, any Lender or as applicable another Secured Party to pursue such other rights or remedies or to collect any payments from the Borrowers or any such other Person or to realize upon any such guarantee or to exercise any such right of offset, or any release of the Borrowers or any such other Person or of any such guarantee or right of offset, shall not relieve the Company of any liability hereunder, and shall not impair or affect the rights and remedies, whether express, implied or available as a matter of law, of the Administrative Agent, any Lender or as applicable another Secured Party against the Company. This Article IX shall remain in full force and effect and be binding in accordance with and to the extent of its terms upon the Company and its successors and assigns, and shall inure to the benefit of the Secured Parties, and their respective successors, indorsees, transferees and assigns, until all the Obligations (other than contingent indemnification obligations in respect of which no claim has been made, Hedging Obligations and Obligations in respect of Cash Management Agreements) have been satisfied by payment in full and the Commitments shall be terminated, notwithstanding that from time to time during the term of this Agreement the Borrowers may be free from any Obligations. The obligations of the Company under this Article IX shall be joint and several with all obligations of all other Guarantors under any Guaranty at any time (provided that, for the avoidance of doubt, any Guarantor that is an Excluded Subsidiary shall not be liable under any Guaranty for the Obligations of the Company or any other Domestic Loan Party, and provided further that no Guarantor shall have joint and several liability with respect to any Excluded Swap Obligation of such Guarantor), and the Administrative Agent shall have the right, in its sole discretion to pursue its remedies against any Guarantor without the need to pursue its remedies against any other Guarantor, whether now or hereafter in existence, or against any one or more Guarantors separately or against any two or more jointly, or against some separately and some jointly.

9.5 Reinstatement This Article IX shall continue to be effective, or be reinstated, as the case may be, if at any time payment, or any part thereof, of any of the Obligations is rescinded or must otherwise be restored or returned by the Administrative Agent, any Lender or as applicable another Secured Party upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of any Borrower or upon or as a result of the appointment of a receiver, intervenor or conservator of, or trustee or similar officer for, any Borrower or any substantial part of its property, or otherwise, all as though such payments had not been made.

9.6 Payments The Company hereby agrees that all payments required to be made by it hereunder will be made to the Administrative Agent without set-off or counterclaim in accordance with the terms of the Obligations, including, without limitation, in the currency in which payment is due.

ARTICLE X

GENERAL PROVISIONS

10.1 Survival of Representations All representations and warranties of the Borrowers contained in this Agreement shall survive delivery of the Loan Documents and the making of the Loans herein contemplated.

10.2 Governmental Regulation Anything contained in this Agreement to the contrary notwithstanding, no Lender shall be obligated to extend credit to a Borrower in violation of any limitation or prohibition provided by any applicable statute or regulation.

10.3 Headings Section headings in the Loan Documents are for convenience of reference only, and shall not govern the interpretation of any of the provisions of the Loan Documents.

10.4 Entire Agreement; Integration (a) The Loan Documents embody the entire agreement and understanding among the Borrowers, the Administrative Agent and the Lenders and supersede all prior agreements and understandings among the Borrowers, the Administrative Agent and the Lenders relating to the subject matter thereof other than any separate letter agreements among any Borrower and any Arrangers and/or the Administrative Agent which survive the execution of the Loan Documents.

(b) Notwithstanding any other provision of this Agreement to the contrary (including Section 8.2), upon the Administrative Agent's request, the Company agrees to promptly execute and deliver such amendments to this Agreement as shall be necessary to implement any modifications pursuant to any separate letter agreements referenced in Section 10.4(a), and such amendments shall only require the consent of the Administrative Agent (acting at the direction of the Arranger(s) required to effect such change under such letter agreements) and the Company.

10.5 Several Obligations; Benefits of this Agreement The respective obligations of the Lenders and Issuers hereunder are several and not joint and no Lender or Issuer shall be the partner or agent of any other (except to the extent to which the Administrative Agent is authorized to act as such). The failure of any Lender or Issuer to perform any of its obligations hereunder shall not relieve any other Lender or Issuer from any of its obligations hereunder. This Agreement shall not be construed so as to confer any right or benefit upon any Person other than the parties to this Agreement and their respective successors and assigns.

10.6 Expenses; Indemnification

(a) The Company shall reimburse the Administrative Agent, the Arrangers and their respective Affiliates for any reasonable out-of-pocket costs and expenses documented in reasonable detail (limited in the case of legal fees and expenses, to the reasonable fees, charges and disbursements of one firm of counsel and a single firm of local counsel in each relevant jurisdiction, in each case acting for the foregoing collectively), upon presentation of a reasonably detailed statement of all such costs and expenses, paid or incurred by the Administrative Agent, the Arrangers and their respective Affiliates in connection with the

preparation, negotiation, execution, delivery, syndication, review, amendment, modification, and administration (including, without limitation, preparation of the reports described below) of the Loan Documents (which, in the case of preparation, negotiation, execution, delivery and administration of the Loan Documents shall be limited to a single counsel and a single local counsel in each relevant jurisdiction), as well as all reasonable out-of-pocket costs and expenses incurred by the Issuers in connection with the issuance, amendment, renewal or extension of Facility Letters of Credit or any demand for payment thereunder. The Company also agrees to reimburse the Administrative Agent, the Issuers and the Lenders for any reasonable out-of-pocket costs and expenses (limited in the case of legal fees and expenses, to the fees, charges and disbursements of one firm of counsel and a single firm of local counsel in each relevant jurisdiction, in each case acting for the foregoing collectively, plus in the case of an actual or perceived conflict of interest where the person affected by such conflict informs the Company of such conflict and thereafter retains its own counsel, of another firm of counsel for such affected person and, if necessary, of a single firm of local counsel in each appropriate jurisdiction (which may include a single firm of special counsel acting in multiple jurisdictions) for such affected person) paid or incurred by the Administrative Agent, any Issuer or any Lender in connection with the collection and enforcement of the Loan Documents. The Company also agrees to reimburse each of the Initial TLA-1 Principal Lenders for any reasonable and documented out-of-pocket costs and expenses (including, without limitation, the reasonable and documented fees, expenses and disbursements of Stroock & Stroock & Lavan LLP, as counsel to an Initial TLA-1 Principal Lender, and Paul, Weiss, Rifkind, Wharton & Garrison LLP, as counsel to an Initial TLA-1 Principal Lender, and any reasonably necessary local or foreign counsel and other professional advisors, of any Initial TLA-1 Principal Lender) in connection with the Sixth Amendment, including actions and investigations undertaken in accordance with the terms of the Sixth Amendment in respect of the provision of additional Collateral in respect of the Obligations.

(b) The Company hereby further agrees to indemnify the Administrative Agent, the Arrangers, the Issuers, each Lender and the respective Related Parties of each of the foregoing (each such party, an “Indemnitee”) and hold them harmless from and against all losses, claims, damages, liabilities and related expenses, including without limitation, any reasonable and documented (in reasonable detail) legal fees and expenses (but limited in the case of legal fees and expenses, to a single firm of counsel for all such Indemnities, taken as a whole, and, if necessary, of a single firm of local counsel in each appropriate jurisdiction (which may include a single firm of special counsel acting in multiple jurisdictions) for all such Indemnities, taken as a whole (and, in the case of an actual or perceived conflict of interest where the Indemnitee affected by such conflict informs the Company of such conflict and thereafter retains its own counsel, of another firm of counsel for such affected Indemnitee and, if necessary, of a single firm of local counsel in each appropriate jurisdiction (which may include a single firm of special counsel acting in multiple jurisdictions) for such affected Indemnitee)) of any such Indemnitee to the extent arising out of, in connection with or as a result of the Transactions, including, without limitation, the financings contemplated thereby, or any transactions connected therewith or any claim, litigation, investigation or proceeding (regardless of whether any such Indemnitee is a party thereto and regardless of whether such claim, litigation, investigation or proceeding is brought by a third party or by the Company or any of its Subsidiaries) to the extent related to any of the foregoing; provided that the foregoing indemnity will not, as to any Indemnitee, apply to losses, claims, damages, liabilities and related expenses to the extent they (a) are found in a final

and non-appealable judgment of a court of competent jurisdiction to have resulted from the willful misconduct or gross negligence of such Indemnitee or any of its Related Parties, (b) result from a claim brought by the Company or any of its Subsidiaries against such Indemnitee or any of its Related Parties for material breach of such Indemnitee's or any of its Related Parties' obligations hereunder if the Company or such Subsidiary has obtained a final and non-appealable judgment in its or its Subsidiary's favor on such claim as determined by a court of competent jurisdiction or (c) any dispute solely among Indemnitees or their respective Related Parties other than claims against any agent or arranger in its capacity or in fulfilling its role as agent or arranger or any similar role under the Credit Facilities and other than claims to the extent arising out of any act or omission on the part of the Company or its Affiliates. This paragraph shall not apply with respect to Taxes other than any Taxes that represent losses, claims or damages arising from any non-Tax claim. The obligations of the Company under this Section 10.6 shall survive the termination of this Agreement.

10.7 Severability of Provisions Any provision in any Loan Document that is held to be inoperative, unenforceable, or invalid in any jurisdiction shall, as to that jurisdiction, be inoperative, unenforceable, or invalid without affecting the remaining provisions in that jurisdiction or the operation, enforceability, or validity of that provision in any other jurisdiction, and to this end the provisions of all Loan Documents are declared to be severable.

10.8 Nonliability of Lenders The relationship between the Borrowers and the Lenders, Issuers and the Administrative Agent shall be solely that of borrower and lender. Neither the Administrative Agent, Issuers nor any Lender shall have any fiduciary responsibilities to any Borrower. Neither the Administrative Agent, Issuers nor any Lender undertakes any responsibility to any Borrower to review or inform any Borrower of any matter in connection with any phase of such Borrower's business or operations. Each Borrower agrees that neither the Administrative Agent, Issuers nor any Lender shall have liability to any Borrower (whether sounding in tort, contract or otherwise) for losses suffered by any Borrower in connection with, arising out of, or in any way related to, the transactions contemplated and the relationship established by the Loan Documents, or any act, omission or event occurring in connection therewith, except to the extent it is determined by a court of competent jurisdiction in a final and non-appealable order that such losses resulted from the gross negligence or willful misconduct of, or material breach of any of the Loan Documents by, the party from which recovery is sought. Neither the Administrative Agent Issuers nor any Lender shall have any liability with respect to, and each Borrower hereby waives, releases and agrees not to sue for, any special, punitive, indirect or consequential damages suffered by the Borrowers in connection with, arising out of, or in any way related to the Loan Documents, the Transactions or the other transactions contemplated thereby.

10.9 Confidentiality

(a) Each of the Administrative Agent, the Issuers and the Lenders agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (i) to its and its Affiliates' directors, officers, employees and agents, including accountants, legal counsel and other advisors (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and be instructed and agree to keep such Information confidential), (ii) to the extent requested by any

regulatory authority or by applicable laws or regulations, (iii) to the extent required by any subpoena or similar legal process, provided, however, to the extent permitted by applicable law and if practical to do so under the circumstances, that the Person relying on this clause (iii) shall provide the Company with prompt notice of any such required disclosure so that the Company may seek a protective order or other appropriate remedy, and in the event that such protective order or other remedy is not obtained, such Person will furnish only that portion of the Information which is legally required, (iv) to any other party to this Agreement, (v) in connection with the exercise of any remedies hereunder or any suit, action or proceeding relating to this Agreement or the enforcement of rights hereunder, (vi) subject to an agreement containing provisions substantially the same as those of this Section, to any actual or prospective counterparty (or its advisors) to any swap or derivative transaction relating to the Borrowers and their obligations, (vii) as permitted by Section 13.2 hereof, (viii) with the consent of the Company or (ix) to the extent such Information (1) becomes publicly available other than as a result of a breach of this Section or any agreement contemplated by this Section or (2) becomes available to the Administrative Agent, the Issuers or any Lender on a nonconfidential basis from a source other than the Company (and not in breach of this Section or any agreement contemplated by this Section). For the purposes of this Section, “Information” means all information received from the Company or any Subsidiary relating to the Company or any Subsidiary or their business, other than any such information that is available to the Administrative Agent, any Issuer or any Lender on a nonconfidential basis prior to disclosure by the Company or any Subsidiary and other than information pertaining to this Agreement routinely provided by arrangers to data service providers, including league table providers, that serve the lending industry. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

(b) EACH LENDER ACKNOWLEDGES THAT INFORMATION AS DEFINED IN SECTION 10.9(a) FURNISHED TO IT PURSUANT TO THIS AGREEMENT MAY INCLUDE MATERIAL NON-PUBLIC INFORMATION CONCERNING THE COMPANY AND ITS RELATED PARTIES OR THEIR RESPECTIVE SECURITIES, AND CONFIRMS THAT IT HAS DEVELOPED COMPLIANCE PROCEDURES REGARDING THE USE OF MATERIAL NON-PUBLIC INFORMATION AND THAT IT WILL HANDLE SUCH MATERIAL NON-PUBLIC INFORMATION IN ACCORDANCE WITH THOSE PROCEDURES AND APPLICABLE LAW, INCLUDING FEDERAL AND STATE SECURITIES LAWS.

(c) NOTWITHSTANDING ANYTHING TO THE CONTRARY HEREIN, EACH OF THE ADMINISTRATIVE AGENT, THE ISSUERS AND THE LENDERS ACKNOWLEDGES THAT SOME OR ALL OF THE INFORMATION AS DEFINED IN SECTION 10.9(a) IS OR MAY BE PRICE SENSITIVE INFORMATION AND THAT THE USE OF SUCH INFORMATION MAY BE REGULATED OR PROHIBITED BY APPLICABLE LEGISLATION INCLUDING SECURITIES LAWS RELATING TO INSIDER TRADING (UNDER THE GERMAN SECURITIES TRADING ACT (*Wertpapierhandelsgesetz* - *WpHG*) OR OTHERWISE) AND EACH OF THE ADMINISTRATIVE AGENT, THE ISSUERS AND THE LENDERS UNDERTAKES NOT TO USE ANY INFORMATION FOR ANY UNLAWFUL PURPOSE.

(d) ALL INFORMATION, INCLUDING REQUESTS FOR WAIVERS AND AMENDMENTS, FURNISHED BY THE COMPANY OR THE ADMINISTRATIVE AGENT PURSUANT TO, OR IN THE COURSE OF ADMINISTERING, THIS AGREEMENT WILL

BE SYNDICATE-LEVEL INFORMATION, WHICH MAY CONTAIN MATERIAL NON-PUBLIC INFORMATION ABOUT THE COMPANY AND ITS RELATED PARTIES OR THEIR RESPECTIVE SECURITIES. ACCORDINGLY, EACH LENDER REPRESENTS TO THE COMPANY AND THE ADMINISTRATIVE AGENT THAT IT HAS IDENTIFIED IN ITS ADMINISTRATIVE QUESTIONNAIRE A CREDIT CONTACT WHO MAY RECEIVE INFORMATION THAT MAY CONTAIN MATERIAL NON-PUBLIC INFORMATION IN ACCORDANCE WITH ITS COMPLIANCE PROCEDURES AND APPLICABLE LAW.

10.10 Nonreliance Each Lender hereby represents that it is not relying on or looking to any Margin Stock for the repayment of the Loans provided for herein.

10.11 USA PATRIOT Act Each Lender that is subject to the requirements of the Patriot Act hereby notifies the Loan Parties that pursuant to the requirements of the Patriot Act, it may be required to obtain, verify and record information that identifies the Loan Parties, which information includes the name and address of the Loan Parties and other information that will allow such Lender to identify the Loan Parties in accordance with the Patriot Act.

10.12 Interest Rate Limitation Notwithstanding anything herein to the contrary, if at any time the interest rate applicable to any Loan or Facility Letter of Credit, together with all fees, charges and other amounts which are treated as interest on such Loan or Facility Letter of Credit under applicable law (collectively the “Charges”), shall exceed the maximum lawful rate (the “Maximum Rate”) which may be contracted for, charged, taken, received or reserved by the Lender holding such Loan or Facility Letter of Credit in accordance with applicable law, the rate of interest payable in respect of such Loan or Facility Letter of Credit hereunder, together with all Charges payable in respect thereof, shall be limited to the Maximum Rate and, to the extent lawful, the interest and Charges that would have been payable in respect of such Loan or Facility Letter of Credit but were not payable as a result of the operation of this Section 10.12 shall be cumulated and the interest and Charges payable to such Lender or Issuer in respect of other Loans or Facility Letter of Credit shall be increased (but not above the Maximum Rate therefor) until such cumulated amount, together with interest thereon at the Federal Funds Effective Rate to the date of repayment, shall have been received by such Lender or Issuer.

ARTICLE XI

THE ADMINISTRATIVE AGENT

11.1 Appointment Each of the Lenders and the Issuers hereby irrevocably appoints the Administrative Agent as its agent and authorizes the Administrative Agent to take such actions on its behalf and to exercise such powers as are delegated to the Administrative Agent by the terms hereof, together with such actions and powers as are reasonably incidental thereto.

11.2 Rights as a Lender The bank serving as the Administrative Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not the Administrative Agent, and such bank and its Affiliates may accept deposits from, lend money to and generally engage in any kind of business with the Company or any Subsidiary or other Affiliate thereof as if it were not the Administrative Agent hereunder.

11.3 Limitation of Duties and Immunities The Administrative Agent shall not have any duties or obligations except those expressly set forth herein. Without limiting the generality of the foregoing, (a) the Administrative Agent shall not be subject to any fiduciary or other implied duties,

regardless of whether a Default or Unmatured Default has occurred and is continuing, (b) the Administrative Agent shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby that the Administrative Agent is required to exercise in writing as directed by the Required Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as required hereunder), and (c) except as expressly set forth herein, the Administrative Agent shall not have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Company or any of its Subsidiaries that is communicated to or obtained by the bank serving as Administrative Agent or any of its Affiliates in any capacity. The Administrative Agent shall not be liable for any action taken or not taken by it with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 8.2.1) or in the absence of its own gross negligence or willful misconduct. The Administrative Agent shall be deemed not to have knowledge of any Default or Unmatured Default unless and until written notice thereof is given to the Administrative Agent by a Borrower or a Lender, and the Administrative Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement, (ii) the contents of any certificate, report or other document delivered hereunder or in connection herewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement or any other agreement, instrument or document, or (v) the satisfaction of any condition set forth in Article IV or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent.

11.4 Reliance on Third Parties The Administrative Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing believed by it to be genuine and to have been signed or sent by the proper Person. The Administrative Agent also may rely upon any statement made to it orally or by telephone and believed by it to be made by the proper Person, and shall not incur any liability for relying thereon. The Administrative Agent may consult with legal counsel (who may be counsel for a Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

11.5 Sub-Agents The Administrative Agent may perform any and all its duties and exercise its rights and powers by or through any one or more sub-agents appointed by the Administrative Agent. The Administrative Agent and any such sub-agent may perform any and all its duties and exercise its rights and powers through their respective Related Parties. The exculpatory provisions of the preceding paragraphs shall apply to any such sub-agent and to the Related Parties of the Administrative Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent. Without limiting the foregoing, J.P. Morgan Europe Limited, an Affiliate of the Administrative Agent, or any successor-in-interest-thereto, may perform the Administrative Agent's functions with respect to Loans denominated in any Available Foreign Currency, including Swing Loans.

11.6 Successor Agent The Administrative Agent may resign upon 30 days' notice by notifying the Lenders, the Issuers and the Company. Upon any such notice of resignation, the Required Lenders shall have the right, in consultation with the Company, to appoint a successor from among

the Lenders that is a bank with an office in New York, New York, or an Affiliate of any such bank. If no successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days after the retiring Administrative Agent gives notice of its resignation, then the retiring Administrative Agent may, on behalf of the Lenders and the Issuers, appoint a successor Administrative Agent which shall be a bank with an office in New York, New York, or an Affiliate of any such bank. Upon the acceptance of its appointment as Administrative Agent hereunder by a successor, such successor shall succeed to and become vested with all the rights, powers, privileges and duties of the retiring Administrative Agent. Whether or not a successor has been appointed such resignation shall become effective in accordance with the notice given by the Administrative Agent and the retiring Administrative Agent shall be discharged from its duties and obligations hereunder. The fees payable by the Borrowers to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Company and such successor. After the Administrative Agent's resignation hereunder, the provisions of this Article and Section 10.6 shall continue in effect for the benefit of such retiring Administrative Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while it was acting as Administrative Agent.

11.7 Independent Credit Decisions Each Lender and Issuer acknowledges that it has, independently and without reliance upon the Administrative Agent or any other Lender or Issuer and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender and Issuer further represents that it is engaged in making, acquiring or holding commercial loans in the ordinary course of its business and each Lender and Issuer also acknowledges that it will, independently and without reliance upon the Administrative Agent or any other Lender or Issuer and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any related agreement or any document furnished hereunder or thereunder. Each Lender and Issuer acknowledges and agrees that the extensions of credit made hereunder are commercial loans and letters of credit and not investments in a business enterprise or securities.

11.8 Other Agents Neither any of the Lenders identified in this Agreement as a Syndication Agent, Arranger, documentation agent and/or co-agent shall have any right, power, obligation, liability, responsibility or duty under this Agreement other than those applicable to all Lenders as a Lender. Without limiting the foregoing, none of such Lenders shall have or be deemed to have a fiduciary relationship with any Lender.

11.9 Permitted Release of Collateral and Guarantors

(a) Automatic Release. If any Collateral is the subject of a Disposition (other than to another Domestic Loan Party) which is permitted under Section 6.14, the Liens in such Collateral granted under the Loan Documents shall automatically terminate with respect to such Collateral, and such Collateral will be disposed of free and clear of all such Liens.

(b) Written Release. The Administrative Agent is authorized to release of record, and shall release of record, any Liens encumbering any Collateral that is the subject of a Disposition described in clause (a) above upon an authorized officer of the Company certifying in writing to the Administrative Agent that the proposed Disposition of Collateral is not to a Domestic Loan Party and is permitted under Section 6.14. To the extent the Administrative Agent is required to execute any

release documents in accordance with the immediately preceding sentence, the Administrative Agent shall do so promptly upon request of the Company without the consent or further agreement of any Secured Party. If the Disposition of Collateral is not permitted under or pursuant to the Loan Documents, the Liens encumbering the Collateral may only be released in accordance with the other provisions of this Section 11.9 or the provisions of Section 8.2.

(c) Other Authorized Release and Subordination. The Administrative Agent is irrevocably authorized by the Secured Parties, without any consent or further agreement of any Secured Party to: (i) subordinate or release the Liens granted to the Administrative Agent to secure the Obligations with respect to any Property which is permitted to be subject to a Lien of the type described in clauses (a), (b), (c), (d) and (f) of the definition of Permitted Encumbrances and clauses (ii) and (vii) of Section 6.16, (ii) release the Administrative Agent's Liens upon the termination in full of the Commitments and the repayment in full of all Obligations (other than contingent indemnification obligations not then due, Hedging Obligations and Obligations in respect of Cash Management Agreements); provided, that if as of the date of the requested release under clause (i): (A) any Borrower is subject to a proceeding of the type described in Section 7.6 or 7.7, or (B) the Administrative Agent is applying the proceeds of Collateral in accordance with Section 2.10(b), then the Administrative Agent shall not release its Liens until the termination in full of the Commitments and the repayment in full of all Obligations (other than contingent indemnification obligations not then due, Hedging Obligations and Obligations in respect of Cash Management Agreements).

(d) Authorized Release of Guarantors. If the Administrative Agent shall have received a certificate of an Authorized Officer of the Company requesting the release of a Guarantor, certifying that the Administrative Agent is authorized to release such Guarantor because (x) the Capital Stock issued by such Guarantor have been disposed of to a Person other than a Domestic Loan Party in a transaction permitted by Section 6.14 (or with the consent of the Required Lenders pursuant to Section 8.2)) or (y) such Guarantor is no longer required to provide a guaranty pursuant to Section 2.18 (including, but not limited to, the release upon or after the Acquisition Closing Date of any Guarantor that is an Excluded Subsidiary) then the Administrative Agent is irrevocably authorized by the Secured Parties, without any consent or further agreement of any Secured Party to release the Liens granted to the Administrative Agent to secure the Obligations in the assets of such Guarantor and release such Guarantor from all obligations under the Loan Documents; provided that no such release shall occur if such Guarantor continues to be a guarantor in respect of any Senior Notes, New Senior Unsecured Notes, [the Refinancing Debt \(and the documentation in respect thereof\)](#), if applicable, the Existing Loan Agreement (or any backstop facilities in replacement thereof) or any Indebtedness Refinancing of any of the foregoing. To the extent the Administrative Agent is required to execute any release documents in accordance with the immediately preceding sentence, the Administrative Agent shall do so promptly upon request of the Company without the consent or further agreement of any Secured Party.

(e) Intercreditor Arrangements. The Administrative Agent is authorized to enter into [or amend](#) any intercreditor or subordination agreement with respect to Indebtedness that is (i) required or permitted to be subordinated hereunder and/or (ii) secured by Liens and which Indebtedness contemplates or would necessitate an intercreditor, subordination or collateral trust agreement, [including, for the avoidance of doubt, any Refinancing Debt Intercreditor Agreement](#) (any such agreement, an "Additional Agreement"), and the Secured Parties acknowledge that any Additional Agreement is binding upon them. Each Secured Party (a) agrees that it will be bound by, and will not take any action contrary to, the provisions of any Additional Agreement and (b) hereby

authorizes and instructs the Administrative Agent to enter into any Additional Agreement and to subject the Liens on the Collateral securing the Obligations to the provisions thereof.

11.10 Perfection by Possession and Control The Administrative Agent hereby appoints each of the other Lenders to serve as bailee to perfect the Administrative Agent's Liens in any Collateral (other than deposit, securities or commodity accounts) in the possession of any such other Lender and each Lender possessing any such Collateral agrees to so act as bailee for the Administrative Agent in accordance with the terms and provisions hereof.

11.11 Lender Affiliates Rights By accepting the benefits of the Loan Documents, any Person (other than a party hereto) (a "non-Party Secured Party") that is owed any Obligation is bound by the terms of the Loan Documents. But notwithstanding the foregoing: (a) neither the Administrative Agent, any Lender, any Issuer nor any Loan Party shall be obligated to deliver any notice or communication required to be delivered to any Lender or Issuer under any Loan Documents to any non-Party Secured Party; and (b) no non-Party Secured Party that is owed any Obligation shall be included in any voting determinations under the Loan Documents or entitled to consent to, reject, or participate in any manner in any amendment, waiver or other modification of any Loan Document. The Administrative Agent shall not have any liabilities, obligations or responsibilities of any kind whatsoever to any non-Party Secured Party who is owed any Obligation. The Administrative Agent shall deal solely and directly with the parties to the Loan Documents in connection with all matters relating to the Loan Documents. The Obligation owed to any non-Party Secured Party that is an Affiliate of a Lender (or a Person that was a Lender at the time of designation of any such obligation as an Obligation) shall be considered the Obligation of its related Lender for all purposes under the Loan Documents and such Lender shall be solely responsible to the other parties hereto for all the obligations of such Affiliate under any Loan Document.

11.12 Actions in Concert Notwithstanding anything contained in any of the Loan Documents, each Borrower, the Administrative Agent and each Lender and Issuer hereby agree that (A) no Secured Party shall have any right individually to realize upon any of the Collateral under any Security Documents or to enforce the guarantee set forth in any Guaranty, it being understood and agreed that all powers, rights and remedies under any Guaranty and the Security Documents may be exercised solely by the Administrative Agent for the benefit of the Secured Parties in accordance with the terms thereof and (B) in the event of a foreclosure by the Administrative Agent on any of the Collateral pursuant to a public or private sale, the Administrative Agent or any Lender or Issuer may be the purchaser of any or all of such Collateral at any such sale and the Administrative Agent, as agent for and representative of the Secured Parties (but not any Secured Party in its or their respective individual capacities unless the Required Lenders shall otherwise agree in writing), shall be entitled, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold in any such public sale, to use and apply any of the Obligations as a credit on account of the purchase price for any Collateral payable by the Administrative Agent at such sale.

ARTICLE XII

SETOFF; ADJUSTMENTS AMONG LENDERS

12.1 Setoff In addition to, and without limitation of, any rights of the Lenders under applicable law, if any Default occurs and is continuing, any and all deposits (including all account balances, whether provisional or final and whether or not collected or available) and any other

Indebtedness at any time held or owing by any Lender to or for the credit or account of any Borrower may be offset and applied toward the payment of the Obligations owing by such Borrower (it being agreed receivables owing from Lenders (or, for the avoidance of doubt, Affiliates or Approved Funds thereof) that are subject to a Permitted Securitization permitted under this Agreement shall not be subject to setoff); provided, that if any Defaulting Lender shall exercise such right of setoff, (x) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Section 2.17 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent, the Issuers and the Lenders, and (y) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. Each Lender agrees promptly to notify the Borrower and the Administrative Agent after any such setoff and application made by such Lender, provided that the failure to give such notice shall not affect the validity of such setoff and application.

12.2 Ratable Payments If any Lender, whether by setoff or otherwise, has payment made to it upon its Obligations owing from a Borrower (other than payments received pursuant to Section 3.2, 3.3, 3.4, 10.6 or as otherwise expressly set forth in this Agreement (including payment of premium resulting from a forced assignment of Term A-1 Loans pursuant to Section 3.5)) in a greater proportion than that received by any other Lender on its Obligations owing from such Borrower, such Lender agrees, promptly upon demand, to purchase a portion of the Advances to such Borrower held by the other Lenders so that after such purchase each Lender will hold its ratable proportion of Advances to such Borrower. If any Lender, whether in connection with setoff or amounts which might be subject to setoff or otherwise, receives any protection for its Obligations or such amounts which may be subject to setoff from or with respect to any Borrower, such Lender agrees, promptly upon demand, to take such action necessary such that all Lenders share in the benefits of such protection ratably in proportion to their Obligations owing by such Borrower; provided, however, that no amount received from or with respect to any Borrower shall be applied to any Excluded Swap Obligation of such Borrower. In case any such payment is disturbed by legal process, or otherwise, appropriate further adjustments shall be made.

ARTICLE XIII

BENEFIT OF AGREEMENT; ASSIGNMENTS; PARTICIPATIONS

13.1 Successors and Assigns

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that (i) no Borrower may assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by the Borrower without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants (to the extent provided in paragraph (c) of this Section) and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent, the Issuers and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(A) the Company, provided that no consent of the Company shall be required for an assignment to a Lender, an Affiliate of a Lender, an Approved Fund or, if a Default under Sections 7.2, 7.6 or 7.7 has occurred and is continuing, any other assignee, and provided, further, that the Company shall be deemed to have consented to any such assignment unless it shall object thereto by written notice to the Administrative Agent within ten (10) Business Days after having received notice thereof.

(B) the Administrative Agent, provided that no consent of the Administrative Agent shall be required for an assignment of any Term Loans to a Lender, an Affiliate of a Lender or an Approved Fund.

(C) the Issuers and the Swing Lender, provided that no consent of the Issuers or Swing Lender shall be required for (x) an assignment of any Commitment to an assignee that is a Lender with a Commitment of the same Class immediately prior to giving effect to such assignment or (y) an assignment of a Loan or a Commitment under a Term Facility.

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender or an Affiliate of a Lender or an assignment of the entire remaining amount of the assigning Lender's Commitment or Loans of any Class, the amount of such Commitment or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent) shall not be less than the Dollar Equivalent Amount of \$5,000,000 or in the case of the Term B Facility, the Dollar Equivalent Amount of \$1,000,000, as applicable, unless each of the Company and the Administrative Agent otherwise consent, provided that no such consent of the Company shall be required if a Default under Sections 7.2, 7.6 or 7.7 has occurred and is continuing or if the assignment is to another Lender or an Affiliate of a Lender;

(B) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement with respect to any Class of Commitments or Loans;

(C) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption, together with a processing and recordation fee of \$3,500; and

(D) the assignee, if it has not already done so, shall deliver to the Administrative Agent any tax forms required by Section 3.4(f) and an Administrative Questionnaire in which the assignee designates one or more credit contacts to whom all syndicate-level information (which may contain material non-public information about the Borrowers and their related parties or their respective securities) will be made available and

who may receive such information in accordance with the assignee's compliance procedures and applicable laws, including Federal and state securities laws.

For the purposes of this Section 13.1, the term "Approved Fund" has the following meaning:

"Approved Fund" means any Person (other than a natural person) that is engaged in making, purchasing, holding or investing in bank loans and similar

extensions of credit in the ordinary course of its business and that is administered, managed, underwritten, advised or subadvised by (a) a Lender, (b) an Affiliate of a Lender or (c) an entity or an Affiliate of an entity that administers, manages or subadvises a Lender.

(iii) Notwithstanding anything to the contrary herein, a Term **B** Lender of any Class may assign all or any portion of its Term **B** Loans hereunder to the Company or any of its Subsidiaries, but only if (a) any such proposed purchase of Term **B** Loans shall be made pursuant to customary Dutch auction procedures open to all Term **B** Lenders of such Class on a pro rata basis to terms to be agreed by the Administrative Agent (such agreement not to be unreasonably withheld, conditioned or delayed), (b) no Default or Unmatured Default has occurred and is continuing at the time of such assignment, (c) no proceeds of the Revolving Credit Facility (or Existing Loan Agreement) are used to acquire such Term **B** Loans and (d) such Term **B** Loans are automatically and permanently cancelled immediately upon the effectiveness of such assignment and are thereafter no longer be outstanding for any purpose hereunder.

(iv) Subject to acceptance and recording thereof pursuant to paragraph (b)(v) of this Section, from and after the effective date specified in each Assignment and Assumption the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, subject to paragraph (d) of this Section, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 3.2, 3.3, 3.4 (subject to the requirements and limitations of Section 3.4) and 10.6 and the obligations of Section 10.9 with respect to Information (as defined in such Section) received by it while a Lender). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 13.1 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with paragraph (c) of this Section.

(v) The Administrative Agent, acting for this purpose as a non-fiduciary agent of the Borrowers, shall maintain at one of its offices a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitment of, and principal amount of and stated interest on the Loans and Reimbursement Obligations owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive absent manifest error, and the Borrowers, the Administrative Agent, the Issuer and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection

by the Borrowers, the Issuer and any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(vi) Upon its receipt of a duly completed Assignment and Assumption executed by an assigning Lender and an assignee, the assignee's completed Administrative Questionnaire and any tax forms required by Section 3.4(f) (unless the assignee shall already have provided such forms), the processing and recordation fee referred to in paragraph (b) of this Section and any written consent to such assignment required by paragraph (b) of this Section, the Administrative Agent shall accept such Assignment and Assumption and record the information contained therein in the Register; provided that if either the assigning Lender or the assignee is a Defaulting Lender, the Administrative Agent shall have no obligation to accept such Assignment and Assumption and record the information therein in the Register unless and until such payment shall have been made in full, together with all accrued interest thereon. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph.

(c) Any Lender may, without the consent of the Borrowers, the Administrative Agent, the Issuer or the Swing Lender, sell participations to one or more banks or other entities, other than an Ineligible Person or, to the extent a list thereof has been posted by the Administrative Agent to all the Lenders, Disqualified Lenders (a "Participant") in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans owing to it); provided that (A) such Lender's obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) the Borrowers, the Administrative Agent, the Issuer and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in the second proviso to Section 8.2.1 that affects such Participant. Subject to paragraph (d) of this Section, the Borrowers agree that each Participant shall be entitled to the benefits of Sections 3.2, 3.3 and 3.4 (subject to the requirements and limitations therein, including the requirements under Section 3.4(f) (it being understood that the documentation required under Section 3.4(f) shall be delivered to the participating Lender)) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section, except as provided under Section 13.1(d). To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 12.1 as though it were a Lender, provided such Participant agrees to be subject to Section 12.2 as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrowers, maintain a register on which it enters the name and address of each Participant and the principal amounts of and stated interest on each Participant's interest in the Loans or other obligations under the Loan Documents (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any commitments, loans, letters of credit or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such commitment, loan, letter of credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury

Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(d) No Participant shall be entitled to receive any greater payment under Section 3.2 or 3.4 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation. Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including without limitation any pledge or assignment to secure obligations to a Federal Reserve Bank or other central banking authority, and this Section shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

13.2 Dissemination of Information Each Borrower authorizes each Lender to disclose, solely in compliance with applicable laws, to any Participant or potential assignee or any other Person acquiring an interest in the Loan Documents by operation of law (each a “Transferee”) and any prospective Transferee any and all information in such Lender’s possession concerning the Loan Documents and the creditworthiness of the Company and its Subsidiaries (including the Disqualified Lender list), provided that each Transferee and prospective Transferee agrees to be bound by Section 10.9.

CHOICE OF LAW, CONSENT TO JURISDICTION, WAIVER OF JURY TRIAL, JUDGMENT CURRENCY

16.1 Choice of Law This Agreement shall be construed in accordance with and governed by the law of the State of New York; provided that the laws of the Federal Republic of Germany shall govern in determining whether the Acquisition has been consummated in accordance with the terms of the Acquisition Documents.

16.2 WAIVER OF JURY TRIAL EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

16.3 Submission to Jurisdiction; Waivers (a) Each party hereto hereby irrevocably and unconditionally:

(i) submits, for itself and its property, to the exclusive jurisdiction of the Supreme Court of the State of New York sitting in New York County and of the United States District Court of the Southern District of New York sitting in New York County, and any appellate court from any thereof, in any action or proceeding arising out of or relating to this Agreement, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State or, to the extent permitted by law, in such Federal court; provided, that nothing contained herein or in any other Loan Document will prevent any Lender, Issuer or the Administrative Agent from bringing any action to enforce any award or judgment or exercise any right under the Security Documents or against any Collateral or any other property of any Loan Party in any other forum in which jurisdiction can be established;

(ii) waives, to the fullest extent it may legally and effectively do so, any objection which it may now or here-after have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement in any court referred to in paragraph (i) of this Section;

(iii) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to its address specified in Section 14.1, or (in the

case of the Borrowers) at such other address of which the Administrative Agent shall have been notified pursuant thereto;

(iv) agrees that nothing herein shall affect the right to effect service of process in any other manner permitted by law or shall limit the right to sue in any other jurisdiction in which the defendant is domiciled; and

(v) waives, to the maximum extent not prohibited by law, any right it may have to claim or recover in any legal action or proceeding referred to in this subsection any special, exemplary, punitive or consequential damages.

(b) Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement shall affect any right that any party hereto may otherwise have to bring any action or proceeding relating to this Agreement against any other party or the property thereof in the courts of any jurisdiction where such party is domiciled. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(c) Each Subsidiary Borrower hereby irrevocably appoints the Company as its agent for service of process in any proceeding referred to in Section 16.3(i) and agrees that service of process in any such proceeding may be made by mailing or delivering a copy thereof to it care of the Company at its address for notices set forth in Section 14.1.

16.4 Acknowledgments Each Borrower hereby acknowledges and agrees that (a) no fiduciary, advisory or agency relationship between the Loan Parties and the Administrative Agent, Issuers or Lenders is intended to be or has been created in respect of any of the transactions contemplated by this Agreement or the other Loan Documents, irrespective of whether the Administrative Agent, Issuers or Lenders have advised or are advising the Loan Parties on other matters, and the relationship between the Administrative Agent, Issuers and Lenders, on the one hand, and the Loan Parties, on the other hand, in connection herewith and therewith is solely that of creditor and debtor, (b) the Administrative Agent, Issuers and Lenders, on the one hand, and the Loan Parties, on the other hand, have an arm's length business relationship that does not directly or indirectly give rise to, nor do the Loan Parties rely on, any fiduciary duty to the Loan Parties or their Affiliates on the part of the Administrative Agent, Issuers and Lenders, (c) the Loan Parties are capable of evaluating and understanding, and the Loan Parties understand and accept, the terms, risks and conditions of the transactions contemplated by this Agreement and the other Loan Documents, (d) the Loan Parties have been advised that the Administrative Agent, Issuers and Lenders are engaged in a broad range of transactions that may involve interests that differ from the Loan Parties' interests and that the Administrative Agent, Issuers and Lenders have no obligation to disclose such interests and transactions to the Loan Parties, (e) the Loan Parties have consulted their own legal, accounting, regulatory and tax advisors to the extent the Loan Parties have deemed appropriate in the negotiation, execution and delivery of this Agreement and the other Loan Documents, (f) each Administrative Agent, Issuer and Lender has been, is, and will be acting solely as a principal and, except as otherwise expressly agreed in writing by it and the relevant parties, has not been, is not, and will not be acting as an advisor, agent or fiduciary for the Loan Parties, any of their Affiliates or any other Person, (g) none of the Administrative Agent, Issuers or Lenders has any obligation to the Loan Parties or their Affiliates with respect to the transactions contemplated by this Agreement or the other Loan Documents except those obligations expressly set forth herein or therein or in any other express

writing executed and delivered by such Administrative Agent, Issuer or Lender and the Loan Parties or any such Affiliate and (h) no joint venture is created hereby or by the other Loan Documents or otherwise exists by virtue of the transactions contemplated hereby among the Administrative Agent, Issuers or Lenders or among the Loan Parties and the Administrative Agent, Issuers or Lenders.

16.5 Power of Attorney. Each Subsidiary Borrower hereby grants to the Company an irrevocable power of attorney to act as its attorney-in-fact with regard to matters relating to this Agreement and each other Loan Document, including, without limitation, execution and delivery of any amendments, supplements, waivers or other modifications hereto or thereto, receipt of any notices hereunder or thereunder and receipt of service of process in connection herewith or therewith. Each Subsidiary Borrower hereby explicitly acknowledges that the Administrative Agent and each Lender have executed and delivered this Agreement and each other Loan Document to which it is a party, and has performed its obligations under this Agreement and each other Loan Document to which it is a party, in reliance upon the irrevocable grant of such power of attorney pursuant to this subsection. The power of attorney granted by each Subsidiary Borrower hereunder is coupled with an interest.

16.6 Judgment

(a) If for the purpose of obtaining judgment in any court it is necessary to convert a sum due hereunder in one currency into another currency, the parties hereto agree, to the fullest extent that they may effectively do so, under applicable law that the rate of exchange used shall be that at which in accordance with normal banking procedures the Administrative Agent could purchase the first currency with such other currency in the city in which it normally conducts its foreign exchange operation for the first currency on the Business Day preceding the day on which final judgment is given.

(b) The obligation of each Borrower in respect of any sum due from it to any Lender hereunder shall, notwithstanding any judgment in a currency (the "Judgment Currency") other than that in which such sum is denominated in accordance with the applicable provisions of this Agreement (the "Agreement Currency"), be discharged only to the extent that on the Business Day following receipt by such Lender of any sum adjudged to be so due in the Judgment Currency such Lender may in accordance with normal banking procedures purchase the Agreement Currency with the Judgment Currency; if the amount of Agreement Currency so purchased is less than the sum originally due to such Lender in the Agreement Currency, such Borrower agrees notwithstanding any such judgment to indemnify such Lender against such loss, and if the amount of the Agreement Currency so purchased exceeds the sum originally due to any Lender, such Lender agrees to remit to such Borrower such excess.

ARTICLE XVII

CERTAIN ADDITIONAL MATTERS

17.1 Replacement Facilities It is intended that the Replacement Facilities will be implemented hereunder prior to the Acquisition Closing Date by means of the Replacement Facilities Effective Date Documentation. Notwithstanding anything herein to the contrary, including Section 8.2, the Replacement Facilities Effective Date Documentation may make any amendments or modifications to the Loan Documents in connection with the establishment of the Replacement Facilities with only the consent of the Company and the Administrative Agent (and no other Lender or Issuer) to the extent such amendments or modifications (x) only relate to the

Replacement Facilities or (y) are not materially adverse to the interests of the other Lenders hereunder, as determined by the Administrative Agent in its sole discretion.

17.2 Escrow Notwithstanding anything herein to the contrary, to the extent agreed among the Company and the Arrangers, the Term B Loans may be funded into escrow (the “Escrow Funding”) prior to the Acquisition Closing Date (while in escrow, the “Escrow Term Loans”) and the following terms shall apply to the Escrow Funding:

- (i) The Company shall be the borrower of the Term B Loans funded into escrow.
- (ii) Term B Loans shall be required to be repaid in full to the extent release from escrow does not occur on or prior to the Mandatory Cancellation Date.
- (iii) Interest on the Term B Loans shall accrue while such Term B Loans are in escrow in accordance with the terms of this Agreement and the Term B Loans shall otherwise be governed by the terms set out for such Term B Loans in this Agreement, mutatis mutandis.
- (iv) The Dollar Term B Commitments shall be reduced dollar for dollar by the gross principal amount of Dollar Term B Loans upon any funding thereof into escrow. The Euro Term B Commitments shall be reduced euro for euro by the gross principal amount of Euro Term B Loans upon any funding thereof into escrow.
- (v) Any upfront fees (or original issue discount) in respect of the Term B Loans shall apply as of the date the Term B Loans are funded into escrow; provided that while in escrow such Term B Loans shall be prepayable at the issue price (i.e. less any upfront fees (or original issue discount)) thereof.
- (vi) The maturity date of the Term B Loans will be as set for in the proviso to the definition of Term B Loan Maturity Date, which for the avoidance of doubt, will be 7.5 years from the date of such funding into escrow, subject to the terms of this Agreement.
- (vii) Amortization payments on the Term B Loans set forth in Section 2.2.3(a) shall only apply upon the release of the Term B Loans from escrow.
- (viii) Substantially simultaneous with the satisfaction or waiver of the conditions set forth in Section 4.3, the Term B Loans shall be released from escrow to the Company.
- (ix) Interest in respect of Term B Loans funded into escrow will not be required to be pre-funded (but for the avoidance of doubt the Term B Loans funded into escrow and interest, fees and other amounts owing in respect thereof shall constitute Obligations hereunder).
- (x) The call-protection set forth in Section 2.6.3 will apply from the date the Term B Loans are funded into escrow and not the Acquisition Closing Date.

(xi) The proceeds of the Term B Loans will be placed into an escrow account or accounts pending release on the Acquisition Closing Date pursuant to an escrow agreement among the Company, the Administrative Agent and an escrow agent, in each case, in form and substance reasonably satisfactory to the Company and the Arrangers; provided that in any event the conditions for release of the proceeds from escrow shall not be more restrictive than the conditions set forth in Section 4.3 for the funding of the Term B Loans on the Acquisition Closing Date (it being understood that such agreement may require a certificate from the Company to the escrow agent confirming such release conditions have been met). The Lenders and Issuers hereby authorize the Administrative Agent to enter into such escrow agreement.

(xii) While in escrow, the Indebtedness represented by the Term B Loans and the proceeds thereof shall not be included in calculating the financial covenants in Sections 6.22 and 6.23 or any other financial ratios or incurrence tests hereunder and any applicable Indebtedness represented by the Term B Loans, any Liens on the escrow account and any proceeds therein and any Investments thereof shall be permitted under Article VI hereof. For the avoidance of doubt, to the extent any New Senior Unsecured Notes are funded into escrow (or funded subject to a limitation on use of proceeds prior to the Acquisition Closing Date reasonably satisfactory to the Arrangers and subject to a mandatory redemption requirement in the event the Acquisition is terminated prior to the Acquisition Closing Date or does not occur before a given date) prior to the Acquisition Closing Date as separately agreed between the Company and the Arrangers, the exclusions set forth in this clause (xii) shall also apply to the New Senior Unsecured Notes while the proceeds thereof remain in such escrow or remain subject to such use of proceeds limitations and mandatory redemption requirements.

(xiii) The only conditions to funding the Term B Loans into escrow shall be that (a) the Execution Date shall have occurred, (b) the applicable proceeds of the Term B Loans will substantially contemporaneously therewith be deposited into an escrow account or accounts subject to an escrow agreement as set forth in clause (xi) and (c) the Company has delivered of a borrowing notice in accordance with the procedures set forth in Section 2.3 (or such other procedures reasonably acceptable to the Administrative Agent). The Administrative Agent will notify the Term B Lenders of such borrowing notice and each Term B Lender shall be required to make the proceeds of their Term B Loans available to the Administrative Agent on such Borrowing Date as set forth in Section 2.3.

(xiv) Each Lender and Issuer consents to the terms of this Section 17.2 and agrees to fund its Term B Loans into escrow as set forth herein. Notwithstanding anything herein to the contrary, including Section 8.2, the Company and the Administrative Agent may make any changes to the Loan Documents with only the consent of the Company and the Administrative Agent (and no other Lender or Issuer) to ensure this Agreement adequately reflects the nature of the Term B Loans while in escrow and adequately reflects such Term B Loans after release from escrow on the Acquisition Closing Date, to the extent such amendments or modifications (y) only relate to the Term B Facility or (x) are not materially adverse to the interests of the other Lenders hereunder, as determined by the Administrative Agent in its sole discretion.

17.3 Facility Sizing In connection with the syndication of the Replacement Facilities, the Delayed Draw Term A Facility and/or the Term B Facility, if agreed among the Arrangers and the Company, the amount of any such facility under this Agreement (each a “Facility”) may be increased in an aggregate amount for all such Facility increases not in excess of \$100,000,000. Such increased amount shall be on the same terms as the remaining portion of the Facility and shall be documented pursuant to documentation in form and substance reasonably acceptable to the Company and the Arrangers, executed by the Company and the Administrative Agent, without the consent of any other party hereto.

17.4 Bifurcation For the avoidance of doubt, except as contemplated by the definition of “Covenant Reset Trigger”, the parties hereto acknowledge and agree that, notwithstanding anything to the contrary in this Agreement or any of the other Loan Documents, the Foreign Obligations shall be separate and distinct from the Domestic Obligations, and shall be expressly limited to the Foreign Obligations. In furtherance of the foregoing, each of the parties hereto acknowledges and agrees that, except as otherwise expressly provided for in documentation entered into by, or with respect to, an Excluded Subsidiary in compliance with the definition of, and to avoid the occurrence of, a Covenant Reset Trigger, (a) the liability of any Foreign Loan Party for the payment and performance of its covenants, representations and warranties set forth in this Agreement and the other Loan Documents shall be several from but not joint with the Domestic Obligations, (b) no Foreign Loan Party shall guarantee the Domestic Obligations, and (c) no Collateral, if any, of any Foreign Loan Party shall secure or be applied in satisfaction, by way of payment, prepayment, or otherwise, of all or any portion of the Domestic Obligations.

17.5 Acquisition Cancellation If a Mandatory Cancellation Event occurs prior to the Acquisition Closing Date (a) the covenant set forth in Section 6.18 shall automatically be deemed modified so that it only limits Indebtedness of Restricted Subsidiaries that are not Guarantors and the covenants in Sections 6.9, 6.10, 6.19, 6.25, 6.26, 6.27, 6.29 and 6.31 shall automatically cease to apply, (b) the covenant in Section 6.22 shall automatically be modified to prohibit the Total Net Leverage Ratio to exceed 3.5: 1.0 with no step downs in such ratio and on the terms otherwise set forth in such Section 6.22, (c) the covenant in Section 6.23 shall automatically be modified to prohibit the Interest Coverage Ratio to be less than 5.0: 1.0 on the terms otherwise set forth in such Section 6.23 and (d) the mandatory prepayment requirements set forth in Section 2.6.5 shall automatically cease to apply.

17.6 Acknowledgement and Consent to Bail-In of EEA Financial Institutions Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any

liability of any EEA Financial Institution arising under any Loan Document may be subject to the write-down and conversion powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

- (a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an EEA Financial Institution; and
- (b) the effects of any Bail-In Action on any such liability, including, if applicable:
 - (i) a reduction in full or in part or cancellation of any such liability;
 - (ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent entity, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or
 - (iii) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of any EEA Resolution Authority.

17.7 Acknowledgement Regarding Any Supported QFCs To the extent that the Loan Documents provide support, through a guarantee or otherwise, for Hedging Agreements or any other agreement or instrument that is a QFC (such support “QFC Credit Support” and each such QFC, a “Supported QFC”), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the “U.S. Special Resolution Regimes”) in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

If a Covered Entity that is party to a Supported QFC (each, a “Covered Party”) becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting

Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

17.8 Original Issue Discount Legend THE 2022 TERM A LOANS, THE 2020 TERM A LOANS, THE REPLACEMENT TERM A LOANS, THE DELAYED DRAW TERM A LOANS AND THE TERM A-1 LOANS HAVE BEEN ISSUED WITH ORIGINAL ISSUE DISCOUNT FOR UNITED STATES FEDERAL INCOME TAX PURPOSES. THE AMOUNT OF ORIGINAL ISSUE DISCOUNT AND YIELD TO MATURITY OF THE 2022 TERM A LOANS, THE 2020 TERM A LOANS, THE REPLACEMENT TERM A LOANS, THE DELAYED DRAW TERM A LOANS AND THE TERM A-1 LOANS MAY BE OBTAINED BY WRITING TO THE COMPANY AT ITS ADDRESS AS SPECIFIED IN THIS AGREEMENT.
