Guidance 2016 looks achievable

Management provided an outlook for 2016 for all key figures: 1) CEWE Photobook sales of 6.1-6.15m; 2) revenues of EUR 555-575m; 4) EBIT of EUR 38-44m; 5) EBT of EUR 37-43m; 6) Net income: EUR 25-29m; 7) EPS: EUR 3.53-4.10.

After updating our estimates we now forecast revenues of € 555.6m and EBIT of € 38.7m, both figures at the lower end of the company's new guidance. We remain cautious as visibility into H2 is difficult to assess. We will closely monitor the coming months and update our figures if needed. As for earnings, we forecast net income of EUR 27.5m (middle of guidance range).

Consensus has revenues of € 552.3m (below the guidance range), EBIT of EUR 39.0m and net income of EUR 26.1m.

Buy recommendation with TP at € 57.00/share reiterated

All in all, the company is well on track to achieve its goals for 2016e. Considering that the guidance provides always a wide corridor, the lower end can be considered the company's conservative floor. Given that more than 100% of group EBIT is contributed in Q4, a broader guidance range is justified. We believe CEWE will continue to provide strong figures throughout the year 2016 and this would support the stock. We therefore confirm our Buy recommendation with an unchanged PT of € 57.00/share.
