

COMPANY PROFILE

The MLP Group with its brands Deutschland.Immobilien, DOMCURA, FERI, MLP, RVM and TPC is the financial services provider for private, corporate and institutional clients. Special added value is created by networking the various perspectives and areas of expertise – enabling clients to reach better financial decisions. To this end, the MLP Group competently combines personal and digital offers. Several of the brands also offer selected products, services and technology for other financial services providers.

- Deutschland.Immobilien – The real estate platform for clients and financial consultants
- DOMCURA – The underwriting agency for financial consultants and platforms
- FERI – Investment management for institutional investors and high net worth individuals
- MLP – Financial consulting for discerning clients
- RVM – The insurance broker for SMEs
- TPC – Consultant for employers on all questions regarding benefits

An intensive transfer of knowledge and expertise takes place within the network. The specialists support one another in the areas of research and concept development, as well as in client consulting. This valuable and targeted interaction generates additional value for clients, as well as for the company and its shareholders. Economic success also forms the basis for accepting social responsibility.

The Group was founded in 1971 and manages assets of around €60.5 billion for around 583,600 private and around 27,800 corporate and institutional clients as well as non-life insurance portfolio volumes of around €729 million. In addition to this, more than 10,000 financial services providers take up the services on offer.
