A significant portion of the information contained in this document, including market data and trend information, is based on estimates or expectations of the Company, and there can be no assurance that these estimates or expectations are or will prove to be accurate. Where any information and statistics are quoted from any external source, such information or statistics should not be interpreted as having been adopted or endorsed by the Company or any other person as being accurate. All statements in this document attributable to third party industry experts represent the Company's interpretation of data, research opinion or viewpoints published by such industry experts, and have not been reviewed by them. Each publication of such industry experts speaks as of its original publication date and not as of the date of this document.

This document contains forward-looking statements relating to the business, financial performance and results of the Company, the Group or the industry in which the Group operates. These statements may be identified by words such as "expectation", "belief', "estimate", "plan", "target" or "forecast" and similar expressions, or by their context. Forward-looking statements include statements regarding: strategies, outlook and growth prospects; future plans and potential for future growth; growth for products and services in new markets; industry trends; and the impact of regulatory initiatives. These statements are made on the basis of current knowledge and assumptions and involve risks and uncertainties. Various factors could cause actual future results, performance or events to differ materially from those described in these statements, and neither the Company nor any other person accepts any responsibility for the accuracy of the opinions expressed in this document or the underlying assumptions. No obligation is assumed to update any forward-looking statements.

This document includes certain financial measures not presented in accordance with IFRS, including, but not limited to, AEBITDA. These financial measures are not measures of financial performance in accordance with IFRS and may exclude items that are significant in understanding and assessing the Company's financial results. Therefore, these measures should not be considered in isolation or as an alternative to result for the period or other measures of profitability, liquidity or performance under IFRS. You should be aware that the Company's presentation of these measures may not be comparable to similarly titled measures used by other companies, which may be defined and calculated differently. See the appendix for a reconciliation of certain of these non-IFRS measures to the most directly comparable IFRS measure.

#### **OUR MISSION**

AT FRESH
WE CHANGE THE WAY
PEOPLE EAT FOREVER

#### **OUR VISION**

THE WORLD'S LEADING, FULLY INTEGRATED FOOD SOLUTIONS GROUP

## **Q1 Highlights**

Very strong year-on-year and sequential growth in customers across both segments to 7.3m

Continued high order rates

Constant currency revenue growth of 116% to €1.44bn

€159m AEBITDA, a margin of 11%

Capacity expansion fully on track with ramp up of 2 new fulfillment centers in the US and 2 in International in Q1

Recent US ready-to-eat acquisition Factor already contributing well to Group's success

2021 outlook for const. currency growth increased to 35 - 45%

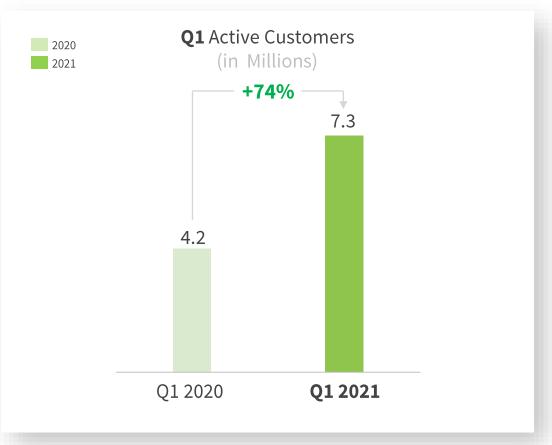

Very strong year-on-year and sequential growth in customers across both

segments to 7.3m

 As we consistently expand our production capacity across both segments, we could capitalize in Q1 on

- consistently high demand from new customers
- favorable seasonality
- Strong sequential growth equally split among both segments
- Great basis to continue driving robust year-on-year revenue growth over the coming quarters

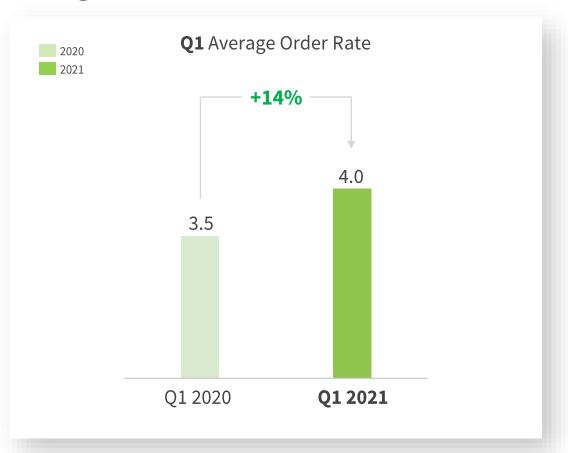

01 Results 2021

## Order Rates continue to trend at high levels

- Average orders per customer per quarter in both segments
  - at similar levels as over the last 3 quarters
  - meaningfully above prepandemic levels

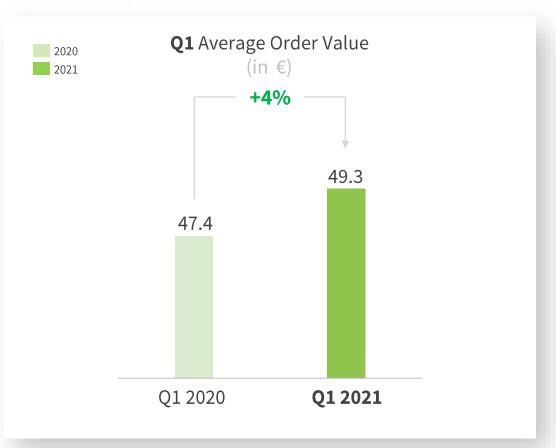

**01 Results** 2021

## Average Order Value maintained above pre-pandemic levels

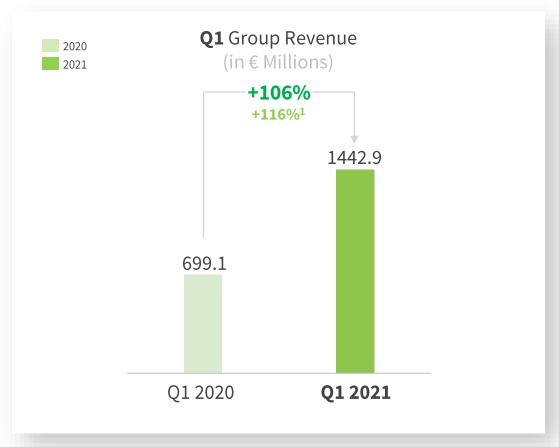

- Despite very strong new customer acquisitions, which typically include price incentives, AOV up by 4%
- Supported by
  - Continued higher # meals per order
  - Ongoing expansion of add-on offerings
  - Strong growth in US ready-toeat

### Constant currency revenue growth of 116% to €1.44bn

- > 100% cc revenue growth across both segments
- Key driver is continued strong customer growth, supported by ongoing high order rates and AOV

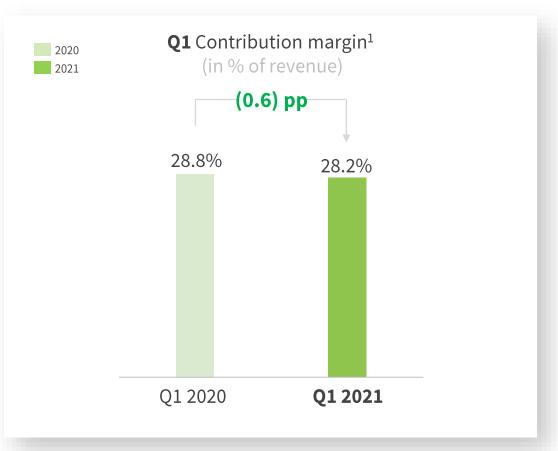

Q1 Results 2021 1. In Constant Currency

## Q1 Contribution Margin down 0.6pp year-on-year

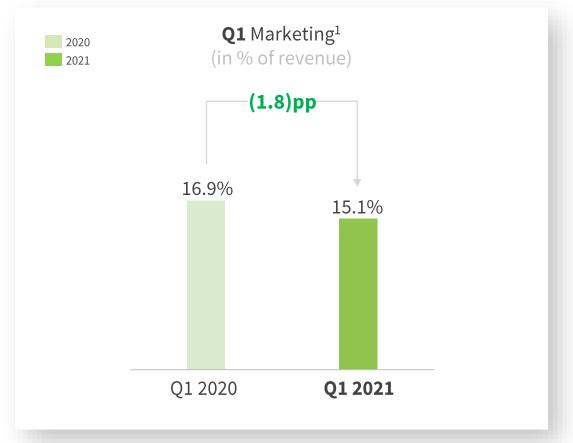

- Continued efficiencies in procurement
- However, somewhat offset by higher fulfilment expenses due to
  - Ramp-up of multiple fulfilment centers during the quarter
  - Snowstorm/ weather disruptions in February
- Strong new customer acquisitions also mean higher overall price incentives, impacting margins

### Lower Marketing as % of revenue, despite very strong customer growth

- Continued attractive customer acquisition costs
- Combined with our large existing customer base
- Enables us to deliver strong growth in Q1 while maintaining marketing as % of revenue at lower end of guided range

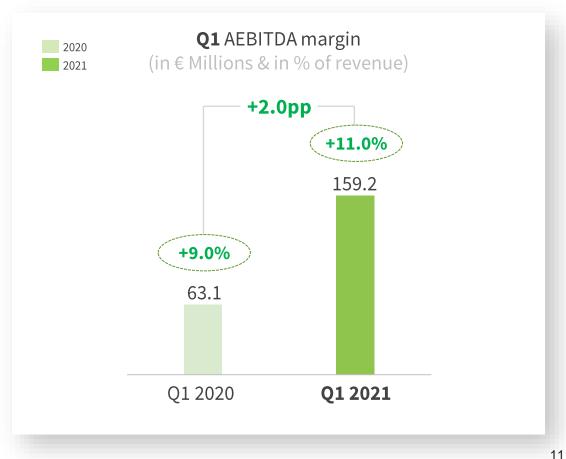

Q1 Results 2021 1 Excl SBC

# Despite strong investment in growth, AEBITDA margin expansion to 11%

- Both segments with y-o-y margin expansion and AEBITDA margins above 10%
- Investment in capacity expansion, new customer growth and new verticals all absorbed while maintaining industry leading margins

**01 Results** 2021

# **Double digit AEBITDA margin in both segments**

**Q1 Results** 2021

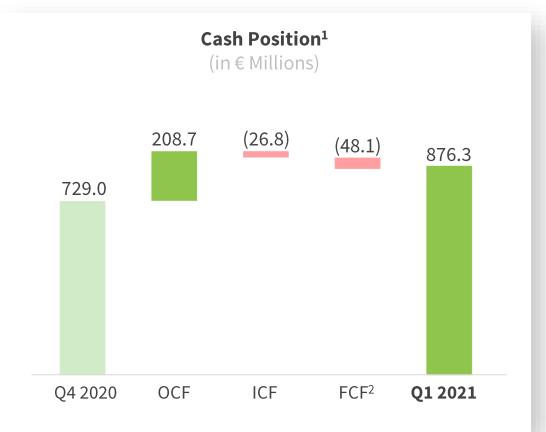

1. Excl. Holding fee

Continued strong FCF generation and strong investments in

infrastructure

 Operating CF benefiting from strong profitability and growth-driven cash inflow from working capital

- Cash outflow from investments up and expected increasing further over coming months for new fulfilment centers and automation
- Active capital management: Q1 share-based compensation exercises settled in cash instead of shares to avoid dilution
- Strong (and increasing) cash position: €876m at quarter end

1. Excluding FX impact

2. Financing cash flow
