jurisdiction imposing the Taxes other than the mere holding of this Global Note;
or

- (b) where this Global Note is presented for payment more than 15 days after the Maturity Date or, if applicable, the relevant Interest Payment Date or (in either case) the date on which payment hereof is duly provided for, whichever occurs later, except to the extent that the holder would have been entitled to such additional amounts if it had presented this Global Note on the last day of such period of 15 days; or

5. If the Maturity Date or, if applicable, the relevant Interest Payment Date is not a Payment Business Day (as defined herein) payment in respect hereof will not be made and credit or transfer instructions shall not be given until the next following Payment Business Day (unless that date falls more than 364 days after the Issue Date, in which case payment shall be made on the immediately preceding Payment Business Day) and neither the bearer of this Global Note nor the holder or beneficial owner of any interest herein or rights in respect hereof shall be entitled to any interest or other sums in respect of such postponed payment.

As used in this Global Note:

"Payment Business Day" means any day other than a Saturday or Sunday which is either (i) if the above-mentioned Specified Currency is any currency other than euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealings in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency or (ii) if the currency of payment is euro, any day which T2 is open; and

"T2" means the real time gross settlement system operated by the Eurosystem, or any successor system.

Provided that if the Agent determines with the agreement of the Issuer that the market practice in respect of euro denominated internationally offered securities is different from that specified above, the above shall be deemed to be amended so as to comply with such market practice and the Agent shall procure that a notice of such amendment is published in accordance with paragraph 17 not less than 15 days prior to the date on which any payment in euro falls due to be made in such manner as the Agent may determine.

- 6. The payment obligation of the Issuer represented by this Global Note constitutes and at all times shall constitute a direct and unsecured obligation of the Issuer ranking at least *pari passu* with all present and future unsecured and unsubordinated obligations of the Issuer other than obligations mandatorily preferred by law applying to companies generally.
- 7. This Global Note is negotiable (*overdraagbaar*) and, accordingly, title hereto shall pass by delivery (*levering*) and the bearer shall be treated as being absolutely entitled to

receive payment upon due presentation hereof free and clear of any set-off or counterclaim on the part of the Issuer against any previous bearer hereof.

8. This Global Note is issued in respect of an issue of Notes of the Issuer and is exchangeable in whole (but not in part only) for duly executed and authenticated bearer Notes in definitive form (whether before, on or, subject as provided below, after the Maturity Date):
 - (a) if one or both of Euroclear and Clearstream, Luxembourg or any other relevant clearing system(s) in which this Global Note is held at the relevant time is closed for a continuous period of 14 days or more (other than by reason of weekends or public holidays statutory or otherwise) or announces an intention to, or does in fact, permanently cease to do business); or
 - (b) if default is made in the payment of any amount payable in respect of this Global Note.

Upon presentation and surrender of this Global Note during normal business hours to or to the order of the Agent (or to any other person or at any other office outside the United States as may be designated in writing by the Issuer to the bearer) on behalf of the Issuer, the Issue Agent shall authenticate and deliver, in exchange for this Global Note, bearer definitive notes denominated in the above-mentioned Specified Currency in an aggregate nominal amount equal to the Nominal Amount of this Global Note.

9. If, upon any such event and following such surrender, definitive Notes are not issued in full exchange for this Global Note before 5.00 p.m. (London time) on the thirtieth day after surrender (the "**Relevant Time**"), each Relevant Account Holder shall automatically acquire on the Relevant Time, without the need for any further action on behalf of any person, against the Issuer all those rights which such Relevant Account Holder would have had if at the Relevant Time it held and owned duly executed and authenticated definitive Notes in respect of each underlying Note represented by such Global Note which such Relevant Account Holder has credited to its securities account with the ICSDs or any other relevant clearing system at the Relevant Time. The Issuer's obligation pursuant to this paragraph shall be a separate and independent obligation by reference to each relevant underlying Note and the Issuer agrees that a Relevant Account Holder may assign its rights hereunder in whole or in part.

As used in this Global Note:

"Relevant Account Holder" means any account holder with any of the ICSDs or any other relevant clearing system which has underlying Notes credited to its securities account from time to time.

10. If this is an interest bearing Global Note, then:
 - (a) notwithstanding the provisions of paragraph 1 above, if any payment of interest in respect of this Global Note falling due for payment prior to the above-mentioned Maturity Date remains unpaid on the fifteenth day after falling so due, the Nominal Amount shall be payable on such fifteenth day;

- (b) upon each payment of interest (if any) prior to the Maturity Date in respect of:
 - (i) this Global Note (if this Global Note is not a New Global Note) the Schedule hereto shall be duly completed by the Agent to reflect such payment;
 - (ii) this Global Note (if this Global Note is a New Global Note) details of such payment shall be entered *pro rata* in the records of the ICSDs;
 - (c) payments due in respect of Notes for the time being represented by this Global Note shall be made to the bearer of this Global Note and each payment so made will discharge the Issuer's obligations in respect thereof. Any failure to make the entries referred to in (b) above shall not affect such discharge;
 - (d) if no Interest Payment Dates are specified in this Global Note, the Interest Payment Date shall be the Maturity Date.
11. If this is a fixed rate interest bearing Global Note, interest shall be calculated on the Nominal Amount as follows:
- (a) interest shall be payable on the Nominal Amount in respect of each successive Interest Period (as defined below) from the Issue Date to the Maturity Date only, in arrear on the relevant Interest Payment Date, on the basis of the actual number of days in such Interest Period and a year of 360 days or, if this Global Note is denominated in Sterling, 365 days at the above-mentioned Interest Rate with the resulting figure being rounded to the nearest amount of the above-mentioned Specified Currency which is available as legal tender in the country or countries (in the case of the euro) of the Specified Currency (with halves being rounded upwards); and
 - (b) the period beginning on (and including) the Issue Date and ending on (but excluding) the first Interest Payment Date and each successive period beginning on (and including) an Interest Payment Date and ending on (but excluding) the next succeeding Interest Payment Date is an "**Interest Period**" for the purposes of this paragraph.
12. If this is a floating rate interest bearing Global Note, interest shall be calculated on the Nominal Amount as follows:
- (a) in the case of a Global Note which specifies GBP-SONIA as the Floating Rate Option on its face the Rate of Interest will be the aggregate of the SONIA Floating Rate and the Margin (if any) above or below the SONIA Floating Rate. Interest will be payable on the Nominal Amount in respect of each successive Interest Period (as defined below) from the Issue Date to the Maturity Date only, in arrear on the relevant Interest Payment Date.

As used in this Global Note:

"**SONIA Floating Rate**" means, with respect to an Interest Period, the rate determined by the Calculation Agent on the relevant SONIA Interest Determination Date by applying the formula set out in the specified Overnight Rate Compounding Method or Overnight Rate Averaging Method, as

applicable, where the Underlying Benchmark is SONIA, and the resulting percentage is rounded, if necessary, in accordance with the 2021 ISDA Definitions, but to the nearest percentage point specified for GBP-SONIA in the Compounding/Averaging Matrix; and

"SONIA Interest Determination Date" means the number of Applicable Business Days, Observation Period Shift Business Days or Lockout Period Business Days, as applicable, as specified on the face of this Global Note prior to the last day of the Interest Period.

- (b) in the case of a Global Note which specifies USD-SOFR as the Floating Rate Option on its face, the Rate of Interest will be the aggregate of the SOFR Floating Rate and the Margin (if any) above or below the SOFR Floating Rate. Interest will be payable on the Nominal Amount in respect of each successive Interest Period (as defined below) from the Issue Date to the Maturity Date only, in arrear on the relevant Interest Payment Date.

As used in this Global Note:

"SOFR Floating Rate" means, with respect to an Interest Period, the rate determined by the Calculation Agent on the relevant SOFR Interest Determination Date by applying the formula set out in the specified Overnight Rate Compounding Method or Overnight Rate Averaging Method, as applicable, where the Underlying Benchmark is SOFR, and the resulting percentage is rounded, if necessary, in accordance with the 2021 ISDA Definitions, but to the nearest percentage point specified for USD-SOFR in the Compounding/Averaging Matrix; and

"SOFR Interest Determination Date" means the number of Applicable Business Days, Observation Period Shift Business Days or Lockout Period Business Days, as applicable, as specified on the face of this Global Note prior to the last day of the Interest Period.

- (c) in the case of a Global Note which specifies EUR-EURIBOR as the Floating Rate Option on its face, the Rate of Interest will be the aggregate of EURIBOR and the Margin (if any) above or below EURIBOR. Interest will be payable on the Nominal Amount in respect of each successive Interest Period (as defined below) from the Issue Date to the Maturity Date only, in arrear on the relevant Interest Payment Date.

As used in this Global Note:

"EURIBOR" shall be equal to EUR-EURIBOR determined in accordance with the 2021 ISDA Definitions as if:

- (i) the Reset Date was the first day of the relevant Interest Period; and
- (ii) the Designated Maturity was the number of months specified on the face of this Global Note,

provided that where a Temporary Non-Publication Trigger occurs in respect of EUR-EURIBOR, the Temporary Non-Publication Fallback for EUR-EURIBOR

set out in the Floating Rate Matrix shall be amended such that the reference to "Calculation Agent Alternative Rate Determination" shall be replaced by "Temporary Non-Publication Fallback - Previous Day's Rate"; and

"EURIBOR Interest Determination Date" means the Fixing Day;

- (d) the Calculation Agent will, as soon as practicable on each SONIA Interest Determination Date, SOFR Interest Determination Date or EURIBOR Interest Determination Date (as the case may be), determine the Rate of Interest and calculate the amount of interest payable (the "**Amount of Interest**") for the relevant Interest Period. "**Rate of Interest**" means the rate which is determined in accordance with the provisions of paragraph 12 (a), (b) or (c) (as the case may be). The Amount of Interest payable per Note shall be calculated by applying the Rate of Interest to the Nominal Amount, multiplying such product by the applicable Floating Rate Day Count Fraction in respect of the relevant Floating Rate Option specified in the Floating Rate Matrix or, if the Floating Rate Option is EUR-EURIBOR, by the actual number of days in the Interest Period divided by 360 and rounding the resulting figure to the nearest amount of the Specified Currency which is available as legal tender in the country or countries (in the case of the euro) of the Specified Currency (with halves being rounded upwards);
- (e) the period beginning on (and including) the Issue Date and ending on (but excluding) the first Interest Payment Date and each successive period beginning on (and including) an Interest Payment Date and ending on (but excluding) the next succeeding Interest Payment Date is called an "**Interest Period**" for the purposes of this paragraph; and
- (f) the Issuer will procure that a notice specifying the Rate of Interest payable in respect of each Interest Period be published in accordance with paragraph 16 as soon as practicable after the determination of the Rate of Interest.

As used in this Global Note:

"2021 ISDA Definitions" means the version of the 2021 ISDA Interest Rate Derivative Definitions, including each Matrix (and any successor matrix), as published by the International Swaps and Derivatives Association, Inc. (or any successor) on its website (www.isda.org) as at the Issue Date *provided that* (i) references to a "Confirmation" in the 2021 ISDA Definitions should instead be read as references to this Global Note; (ii) references to a "Calculation Period" in the 2021 ISDA Definitions should instead be read as references to an "Interest Period" and (iii) the "Administrator/Benchmark Event" in the 2021 ISDA Definitions shall be disappplied.

Capitalised terms used but not otherwise defined in this Global Note shall bear the meaning ascribed to them in the 2021 ISDA Definitions.

13. As used herein, "**Rate of Interest**" in the case of Floating Rate Notes means the rate of interest which is determined in accordance with the relevant provisions of paragraph 12. If a Rate of Interest and/or Amount of Interest cannot be determined on the relevant interest determination date in accordance with the provisions of paragraph 12 for any Interest Period due to GBP-SONIA or EUR-EURIBOR (as the case may be) not being

available on the relevant screen page at the relevant time, then the Calculation Agent shall use the Rate of Interest applicable for the last preceding Interest Period to determine the Rate of Interest and/or Amount of Interest (as applicable) for such subsequent Interest Period or, if there is no such preceding Interest Period, the sum of the Margin and the rate or (as the case may be) the arithmetic mean for the first Interest Period had this Global Note been in issue for a period equal to the duration to the scheduled first Interest Period but ending on (and excluding) the Issue Date.

The determination of an applicable Rate of Interest and/or Amount of Interest by the Calculation Agent for any Interest Period pursuant to paragraphs 12 and/or this paragraph 13 shall (in the absence of manifest error) be final and binding upon the Issuer and the bearer of this Global Note.

14. If the proceeds of this Global Note are accepted in the United Kingdom, the Principal Amount or Minimum Redemption Amount (as applicable) shall be not less than £100,000 (or the equivalent in any other currency).
15. Instructions for payment must be received at the offices of the Agent referred to above together with this Global Note as follows:
 - (a) if this Global Note is denominated in United States dollars or Sterling, on or prior to the relevant payment date; and
 - (b) in all other cases, at least one Business Day prior to the relevant payment date.

As used in this paragraph, "**Business Day**" means:

- (i) a day other than a Saturday or Sunday on which commercial banks are open for general business (including dealings in foreign exchange and foreign currency deposits) in London; and
 - (ii) in the case of payments in euro, T2, in all other cases, a day on which commercial banks are open for general business (including dealings in foreign exchange and foreign currency deposits) in the principal financial centre in the country of the above-mentioned Specified Currency.
16. This Global Note shall not be validly issued unless manually authenticated by Citibank, N.A., London Branch as issue agent.
17. Notices to holders will be delivered to the clearing system(s) in which this Global Note is held or, if this Global Note has been exchanged for bearer definitive Notes pursuant to paragraph 8, will be published in a leading English language daily newspaper published in London (which is expected to be the Financial Times). Any such notice shall be deemed to have been given on the date of such delivery or publication.
18. If this Global Note is a New Global Note, this Global Note shall not be valid for any purpose until it has been effectuated for and on behalf of the entity appointed as common safekeeper by the ICSDs.
19. While this Global Note is held on behalf of a clearing system, notices in respect of this Global Note may be given by delivery of the notice to the relevant clearing system(s)

and such notice shall be deemed to have been given in the bearer on the day after the day on which such notice was given to the relevant clearing system(s).

20. This Global Note and non-contractual obligations arising out of or in connection with this Global Note shall be governed by, and shall be construed in accordance with, the laws of The Netherlands.
