Article 1

(1) The Company is registered under the name of **“Münchener Rückversicherungs-Gesellschaft Aktiengesellschaft in München”** (Munich Reinsurance Company Joint-Stock Company in Munich).

(2) Its registered office is in Munich.

(3) The object of the Company is the provision of reinsurance in all classes of business.

The Company may establish branches in Germany or other countries, may form, acquire or invest in companies of all types, may manage companies or restrict itself to managing the investments. It is entitled to carry out all transactions and measures that appear suited to serving the object of the Company.

Article 2

(1) Announcements by the Company shall be published in the Bundesanzeiger (German Federal Gazette). If legal requirements stipulate publication via an information medium other than the Bundesanzeiger, this information medium shall be used instead.

(2) The Company shall be entitled to submit information to registered shareholders by way of remote data transmission, subject to their approval.

Section II

Share capital and shares

Article 3

(1) The share capital of the Company amounts to 587,725,396.48 euros. It is divided into 166,843,961 no-par-value shares.

(2) The shares are registered shares. Transfer to a new acquirer may be effected only with the approval and at the discretion of the Company. The Company shall not be obliged to state reasons for declining the transfer. The Company's approval is not required for the transfer of shares converted from bearer shares into unrestrictedly transferable registered shares by resolution of the General Meeting on 22 July 1999.

(3) The holders of shares shall be obliged to disclose to the Company any information required by law relating to entry in the shareholders' register. Furthermore, they shall indicate the extent to which the shares actually belong to the person duly entered in the shareholders' register as the holder. If the holder has an e-mail address, this shall also be communicated.

(4) In relation to the Company, only those persons duly entered as shareholders in the shareholders' register shall be deemed to be shareholders. Entries as a shareholder under a person's own name in respect of shares belonging to a third party shall be subject to the following conditions:

- a) There will be no further requirements in respect of entries of holdings by any one natural or juristic person up to 0.1% of the share capital as stated in the Articles of Association.

b) For entries of holdings by any one natural or juristic person in excess of 0.1% of the share capital as stated in the Articles of Association, registration requires that, at the request of the Company, nominees make a clear commitment to disclose within a reasonable period any information demanded by the Company pursuant to paragraph (3) above in respect of persons holding more than 0.1% of the share capital as stated in the Articles of Association.

The rights of the Company under Section 67 (4) of the Stock Corporation Act (AktG) and Article 3 (2) of these Articles of Association shall remain unaffected.

(5) Insofar as shareholders are entered under their own name as being the holders of shares which belong to a third party and exceed the upper limit of 2% of the share capital as stated in the Articles of Association, the shares entered shall not carry any voting rights.

(6) The provisions of paragraphs (3) to (5) shall enter into force on 1 January 2010 and shall also be applicable from this date to existing entries.

(7) In the event of an increase in share capital, the date on which the new shares become entitled to dividend may differ from the date of the capital contribution.

Article 4

(1) The Board of Management shall be authorised, with the consent of the Supervisory Board, to increase the Company's share capital at any time up to 24 April 2018 by an amount of up to 280 million euros by issuing new registered no-par-value shares against contributions in cash

or in kind (Authorised Capital Increase 2013). The authorisation may be exercised as a whole or in parts on one or more occasions. The Board of Management shall also be authorised, with the consent of the Supervisory Board, to determine all other rights of the shares and the terms of issue.

In the case of capital increases against cash contribution, shareholders shall be granted a subscription right. However, the Board of Management shall be authorised, with the consent of the Supervisory Board, to exclude the shareholders' subscription rights in the following cases:

- to take account of fractional amounts,
- insofar as this is necessary to grant the bearers of warrants or convertible bonds issued by the Company or by one of its dependent Group companies pre-emptive rights to the extent to which they would be entitled as shareholders after exercising their warrants or after the conversion requirements from such bonds have been satisfied, or
- if, at the time of the final determination of the issue price, which should occur as close in time as possible to the placement of the shares, the issue price of the new shares is not significantly lower than the stock market price of the Company shares already listed on the stock exchange, and the shares issued with exclusion of the shareholders' subscription rights pursuant to Section 186 (3) sentence 4 of the Stock Corporation Act do not exceed a total of 10% of the share capital either at the time this authorisation becomes effective or at the time it is exer-

cised. This maximum limit shall include shares sold or issued, or to be issued, during the term of this authorisation until the time they are exercised on the basis of other authorisations with exclusion of subscription rights, directly or indirectly pursuant to Section 186 (3) sentence 4 of the Stock Corporation Act.

In addition, the Board of Management shall be authorised, with the consent of the Supervisory Board, to exclude the shareholders' subscription rights in the case of capital increases against non-cash contribution, especially in the context of company mergers or for the purpose of directly or indirectly acquiring companies, parts of companies, shareholdings in other companies, other assets, or rights to acquire assets.

The shares issued overall on the basis of this authorisation subject to the exclusion of shareholder subscription rights may not exceed 20% of the existing share capital at the time this authorisation is exercised for the first time.

(2) The Board of Management shall be authorised, with the consent of the Supervisory Board, to increase the Company's share capital at any time up to 22 April 2020 by an amount of up to 10 million euros by issuing new registered no-par-value shares against cash contribution (Authorised Capital Increase 2015). The authorisation may be exercised in part amounts. The subscription right of shareholders shall be excluded to allow the shares to be issued to employees of the Company and its affiliated companies. The new shares may also be issued to a bank or a credit institution pursuant to Section 53 (1) sentence 1 or Section 53b (1) sentence 1 or (7) of the German Banking Act (KWG), subject to the obligation to

offer such shares exclusively to employees of Munich Reinsurance Company and its affiliated companies. Where legally permissible, the new shares may also be issued to a third party, provided it is ensured from a legal perspective that the shares will be offered to employees of Munich Reinsurance Company or its affiliated companies. Shares offered to employees may also be transferred at the end of a vesting period or subject to a holding period. Shareholders' subscription rights shall be excluded for this purpose. Where legally permissible, the employee shares may also be issued in such a manner that the contribution to be made for them is covered by that portion of the profit for the year which the Board of Management and the Supervisory Board may transfer to other revenue reserves pursuant to Section 58 (2) of the Stock Corporation Act.

The Board of Management shall also be authorised, with the consent of the Supervisory Board, to determine all other rights of the shares and the terms of issue. Notwithstanding Section 60 (2) of the Stock Corporation Act, the entitlement to dividend of the new no-par-value shares can be determined

(3) A contingent increase in the share capital by a further amount of up to 117 million euros, consisting of new registered no-par-value shares with entitlement to dividend from the beginning of the financial year in which they are issued, has been authorised. The purpose of this contingent capital increase is to permit shares to be granted to the holders of or creditors under convertible bonds, bonds with warrants, profit participation rights or profit participation certificates (or combinations of such instruments) with conversion rights, warrants or conversion obligations

that are issued by dependent Group companies or companies in which the Company has a majority shareholding in accordance with the authorisation granted by the Annual General Meeting for the period from 23 April 2015 to 22 April 2020. It shall be carried out only to the extent that warrants or conversion rights under the above-mentioned bonds are exercised or conversion obligations under such bonds are fulfilled and insofar as other means of fulfilment are not introduced. The Board of Management shall be authorised to decide on the further details of the contingent capital increase (Contingent Capital Increase 2015).

(4) Article 3 (7) applies here accordingly.

Article 4 a

Shareholders may request to have their unrestrictedly transferable registered shares converted into restrictedly transferable registered shares. The Company may limit the exercise of this right to individual periods within the financial year by means of appropriate notification. The costs of conversion shall be borne by the Company.

Article 5

(1) The right of shareholders to have share certificates issued for their shares is excluded. The Company may issue certificates for individual shares (single share certificates) or for more than one share (multiple share certificates). The form of share certificates and of dividend and renewal coupons shall be determined by the Board of Management.

(2) Coupons and renewal certificates (talons) shall be made out to the bearer.

Applications shall be submitted to the Company at the address given in the invitation, at the latest on the last day of the statutory deadline for registration. In the invitation to the General Meeting, the Board of Management may stipulate a shorter deadline for registration, measured in days.

(3) If shareholders are entered under their own name as being the holders of shares which belong to a third party and exceed 0.1% of the share capital as stated in the Articles of Association, they shall be obliged pursuant to Article 3 (4) (b) of these Articles of Association to make disclosure regarding the submitted shares to the Company no later than three days prior to the General Meeting.

The Board of Management shall also determine the details of the procedure, to be notified when the General Meeting is announced.

(2) The Board of Management may provide for shareholders to cast their votes, without the need to be present at the venue, in writing or by means of electronic communication (postal vote). The Board of Management shall announce details of the procedure in the invitation to the General Meeting, and in doing so determine a relaxation of some of the formal requirements.

Article 8

(1) The Chair at the General Meeting shall be taken by the Chairman of the Supervisory Board. In the event that he is unable to attend or is unwilling to chair the Meeting, the Chair shall be taken by another member of the Supervisory Board duly determined by the Chairman of the Supervisory Board, or – in the absence of such an appointment – by the member elected by the members of the Supervisory Board of shareholders pursuant to Section 27 (3) of the German Co-Determination Act (Mitbestimmungsgesetz). If none of these persons are able to attend or are willing to chair the Meeting, the Chair shall be elected by those members of the Supervisory Board of shareholders present.

(2) The Chairman of the Meeting shall be responsible for conducting proceedings. He shall determine the order of speakers. As regards the right of shareholders to speak and submit questions, he may also reasonably limit the time shareholders have to do so; in particular, he may at the start or in the course of the General Meeting reasonably set time limits on the Meeting's proceedings, on the discussion of items on the agenda or on individual contributions (questions or comments). When determining the time to be allocated to individual contributions (questions or comments), the Chairman of the Meeting may distinguish between first and repeated requests to address the Meeting and also according to other material criteria.

The Chairman of the Meeting shall determine voting procedure. He may determine an order of items on the agenda which differs from that given in the invitation to the Meeting.
