The Russian railway market

Wagon Hire's presence in Europe and CIS

Market of CIS

- CIS: 2nd largest railway market with about 1.2 million rail freight wagons
- Expected high replacement needs in upcoming years will reduce number of available wagons and as a result increase lease rates presumably
- Market share of privately owned wagon hire companies at about 40%
- High rail share in the modal split due to high rail affinity of transported goods:

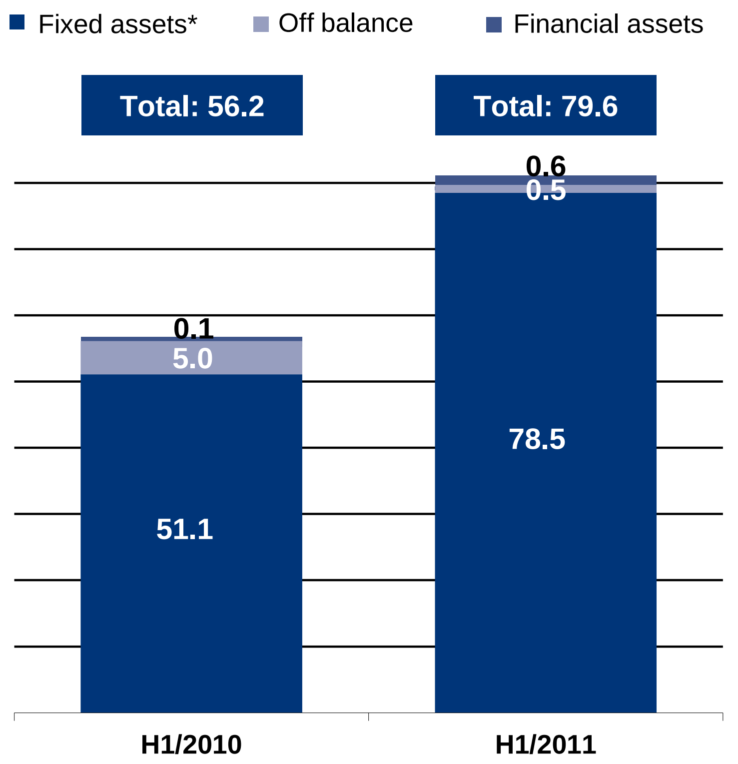
Capex above prior year

Capital expenditures (in € m)



Comment

- Capex was mainly used to:
  - Preserve and modernize wagon fleet
  - Expand fleet by ordering new wagons
  - Acquire used wagon fleets
- Capex in H1/2011 above prior year's level due to:
  - Acquisition of Railcraft
  - Acquisition of Italian competitor
  - Purchasing of wheelsets
- Order book increased further to 1,800 wagons as of June 30, 2011 (March 31, 2011: 970 wagons):
  - Increased order book reflects higher demand of VTG's customers

* Capex for fixed assets, including intangible assets and capitalization of revision costs.

Upward business trend in all three divisions expected in 2011 – Financial guidance confirmed

Business expectations for FY 2011

- Acquisitions 2010 with positive effect on sales and EBITDA
- Upward business trend in all three divisions:

  Wagon Hire Division
  - Capacity utilization expected to stay on a high level in 2011
  - Order book (new-builts) is expected to increase

  Rail Logistics & Tank Container Logistics Divisions
  - Organic growth in 2011 will be more moderate than in 2010
- Prerequisite: economic growth perspectives remain in general positive

Financial expectations for FY 2011

- Guidance FY 2011 confirmed; expected at the upper end of the range
  - Group Sales: € 720 – 760 m; Group EBITDA: € 165 – 170 m
- New financing structure secures long-term growth perspectives
- One-time expense (approx. € 20 m) due to early redemption of existing financing with negative influence on EBT, Group earnings and EPS in 2011

Dividend policy

- Issuing solid dividends reliably over the long term
