QUESTIONS AND ANSWERS ABOUT THE PROXY MATERIALS AND OUR ANNUAL MEETING

Q: Why am I receiving these materials?

A: You have received these proxy materials because the Board is soliciting your proxy to vote your shares at the Annual Meeting. This Proxy Statement includes information that we are required to provide to you under Securities and Exchange Commission ("SEC") rules and is designed to assist you in voting your shares.

Pursuant to the "notice and access" rules adopted by the SEC, we have elected to provide stockholders access to our proxy materials over the Internet. Accordingly, we sent the Notice of Internet Availability of Proxy Materials to all of our stockholders as of the close of business on April 24, 2023 (the "Record Date"). The Notice of Internet Availability of Proxy Materials includes instructions on how to access our proxy materials over the internet and how to request a printed copy of these materials. In addition, by following the instructions in the Notice of Internet Availability of Proxy Materials, stockholders may request to receive proxy materials in printed form by mail or electronically by e-mail on an ongoing basis.

Q: What is included in these materials?

A: These materials include:

- this Proxy Statement for the Annual Meeting;
- a proxy card for the Annual Meeting; and
- the Annual Report.

Q: Who is entitled to vote?

A: Only stockholders of record as of the Record Date shall be entitled to notice of, and to vote at, the Annual Meeting. During the ten days before the Annual Meeting, you may inspect a list of stockholders eligible to vote. If you would like to inspect the list, please call our Secretary at 610-727-3913 to arrange a visit to our offices. The list will also be available on request during the Annual Meeting.

Q: How many shares of common stock can vote?

A: There were 9,005,131 shares of common stock outstanding as of the Record Date. Each stockholder entitled to vote at the Annual Meeting may cast one vote for each share of common stock owned by such stockholder that has voting power upon each matter considered at the Annual Meeting. Our stockholders do not have the right to cumulate their votes in elections of directors.

Q: What may I vote on?

A: You may vote on the following matters:

1. the election of five directors who have been nominated to serve on our Board;
2. The approval of an amendment to the Company's Amended and Restated Certificate of Incorporation to increase the authorized number of shares of common stock from 35,000,000 to 70,000,000 shares;
3. the ratification of the selection of WithumSmith+Brown, PC as our independent registered public accounting firm for the year ending December 31, 2023; and
4. any other business that may properly come before the Annual Meeting and any adjournment or postponement thereof.

Q: Will any other business be presented for action by stockholders at the Annual Meeting?

A: Management knows of no business that will be presented at the Annual Meeting other than Proposals 1, 2 and 3. If any other matter properly comes before the Annual Meeting, the persons named as proxies in the accompanying proxy card intend to vote the proxies (which confer discretionary authority to vote on such matters) in accordance with their judgment on the matter.

Q: How does the Board recommend that I vote on each of the proposals?

A: The Board recommends a vote "FOR" each of the director nominees, "FOR" the approval of the amendment to the Company's Amended and Restated Certificate of Incorporation to increase the authorized number of shares of common stock from 35,000,000 to 70,000,000 shares, and "FOR" the ratification of WithumSmith+Brown, PC as our independent registered public accounting firm for the year ending December 31, 2023.

Q: How do I vote my shares?

A: The answer depends on whether you own your shares of common stock of the Company directly (that is, you hold shares that show your name as the registered stockholder) or if your shares are held in a brokerage account or by another nominee holder.

If you own shares of the Company directly (i.e., you are a “registered stockholder”): your proxy is being solicited directly by us, and you can vote by Internet, by telephone, by mail or you can vote at our Annual Meeting. You are encouraged to vote prior to the Annual Meeting to ensure that your shares will be represented.

If you wish to vote by Internet, go to www.AALvote.com/ANVS and log in using your Virtual Control Number that was included in the Notice of Internet Availability of Proxy Materials.

If you wish to vote by telephone, call 866-804-9616. Use any touch-tone telephone to vote your shares using your Virtual Control Number that was included in the Notice of Internet Availability of Proxy Materials.

If you wish to vote by mail, please request a paper or e-mail copy of the materials, which will include a proxy card. You can request a paper or e-mail copy of the materials at no charge to you through one of the following methods:

- 1) BY INTERNET: <http://www.viewproxy.com/AnnovisBio/2023>
- 2) BY TELEPHONE: 877-777-2857
- 3) BY E-MAIL*: requests@viewproxy.com

* If requesting materials by e-mail, please send a blank e-mail with your Virtual Control Number that was included in the Notice of Internet Availability of Proxy Materials.

If you sign your proxy card but do not indicate how you wish to vote, the proxies will vote your shares “FOR” each of the five director nominees, “FOR” the ratification of WithumSmith+Brown, PC as our independent registered public accounting firm, and, in their discretion, on any other matter that properly comes before the Annual Meeting. Unsigned proxy cards will not be counted.

If you wish to vote at the Annual Meeting, you will be able to vote your shares if you register to attend, and attend, the Annual Meeting pursuant to the instructions below.

If you hold your shares of the Company through a broker, bank or other nominee: a voting instruction card has been provided to you by your broker, bank or other nominee describing how to vote your shares. If you receive a voting instruction card, you can vote by completing and returning the voting instruction card. *Please be sure to mark your voting choices on your voting instruction card before you return it.* You may also be able to vote by telephone, via the Internet, or at the Annual Meeting, depending upon your voting instructions. Please refer to the instructions provided with your voting instruction card and see “What do I need to do to attend the Annual Meeting virtually?” below for information about voting in these ways. See also “What is the effect if I fail to give voting instructions to my broker or other nominee?” below.

Q: What do I need to do to attend the Annual Meeting virtually?

A: In order to attend our 2023 Annual Meeting live via the Internet, you must register at <http://www.viewproxy.com/AnnovisBio/2023> by 11:59 p.m. EDT on June 14, 2023, using your Virtual Control Number that was included in the Notice of Internet Availability of Proxy Materials or your proxy card (if you received a printed copy of the proxy materials). If you hold your shares beneficially through a bank or broker, you must provide a legal proxy from your bank or broker during registration and you will be assigned a Virtual Control Number in order to vote your shares during the Annual Meeting. If you are unable to obtain a legal proxy to vote your shares, you will still be able to attend the Annual Meeting (but will not be able to vote your shares) so long as you demonstrate proof of stock ownership. Instructions on how to connect and participate via the Internet, including how to demonstrate proof of stock ownership, are posted at www.viewproxy.com/AnnovisBio/2023.

On the day of the Annual Meeting, if you have properly registered, you may enter the Annual Meeting at <http://www.viewproxy.com/AnnovisBio/2023/VM> by logging in using the password you received via e-mail in your registration confirmation. You are entitled to attend our Annual Meeting only if you were a stockholder as of the Record Date.

Q: Will I have the same participation rights in this virtual-only stockholder meeting as I would have at an in-person stockholder meeting?

A: Yes. If you register to attend, and attend, the Annual Meeting pursuant to the instructions above, you will be able to vote online during the Annual Meeting, change a vote you may have submitted previously, or ask questions online that will be reviewed and answered by the speakers. We have created and implemented the virtual format to facilitate stockholder attendance and participation by enabling stockholders to participate fully from any location, at no cost. You will, however, bear any costs associated with your Internet access, such as usage charges from Internet access providers and telephone companies. A virtual Annual Meeting makes it possible for more stockholders, regardless of size, resources or physical location, to have direct access to information more quickly, while saving the Company and our stockholders time and money. We also believe that the online tools we have selected will increase stockholder communication. Both stockholders of record and street name stockholders will be able to attend the Annual Meeting via live audio webcast, submit their questions during the meeting and vote their shares electronically at the Annual Meeting.

Technical Difficulties: There will be technicians ready to assist you with any technical difficulties accessing the Annual Meeting live audio webcast. Please be sure to check in by 9:45 a.m. EDT on June 15, 2023, (15 minutes prior to the start of the meeting is recommended), so that any technical difficulties may be addressed before the Annual Meeting live audio webcast begins. If you encounter any difficulties accessing the webcast during the check-in or meeting time, please email VirtualMeeting@viewproxy.com or call 866-612-8937.

Q: What is a proxy?

A: A proxy is a person you appoint to vote on your behalf. By using any of the methods discussed above, you will be appointing as your proxies Maria Maccicchini and Henry Hagopian. They may act together or individually on your behalf and will have the authority to appoint a substitute to act as proxy. Whether or not you expect to attend the Annual Meeting, we request that you please use the means available to you to vote by proxy so as to ensure that your shares of common stock may be voted.

Q: What is the effect if I fail to give voting instructions to my broker or other nominee?

A: If your shares are held by a broker or other nominee, you *must* provide your broker or nominee with instructions on how to vote your shares for Proposal 1, Proposal 2 and Proposal 3 in order for your shares to be counted. If you hold your shares in one of these ways, you are considered the beneficial owner of shares held in street name, and these proxy materials are being forwarded to you by your broker, bank or other nominee who is considered, with respect to those shares, the stockholder of record. As the beneficial owner, you have the right to direct your broker, bank or other nominee on how to vote your shares. If you hold your shares in street name, your broker, bank or other nominee has enclosed a voting instruction card for you to use in directing your broker, bank or other nominee in how to vote your shares. We encourage you to provide voting instructions to your broker, bank or other nominee.

Brokers, banks or other nominees that are member firms of the New York Stock Exchange (“NYSE”) and who hold shares in street name for customers have the discretion to vote those shares with respect to certain matters if they have not received instructions from the beneficial owners. Brokers, banks or other nominees will have this discretionary authority with respect to routine matters such as Proposal 2 and Proposal 3; however, they will not have this discretionary authority with respect to non-routine matters, including Proposal 1. With respect to non-routine matters, if beneficial owners do not provide voting instructions, these are called “broker non-votes.”

In the event of a broker non-vote, such beneficial owners’ shares will be included in determining whether a quorum is present, but otherwise will not be counted. In addition, abstentions will be included in determining whether a quorum is present but otherwise will not be counted. Thus, a broker non-vote or an abstention will make a quorum more readily obtainable, but a broker non-vote or an abstention will not otherwise affect the outcome of a vote on a proposal that requires a plurality of the votes cast, and a broker non-vote will not otherwise affect the outcome of a vote on a proposal that requires a majority of the votes cast. An abstention with respect to a proposal that requires the affirmative vote of a majority of the shares present or represented by proxy and entitled to vote or a majority of outstanding shares will, however, have the same effect as a vote against the proposal. See “What vote is required to approve each proposal?” below.

We encourage you to provide voting instructions to the organization that holds your shares.

Q: What if I want to change my vote or revoke my proxy?

A: A registered stockholder may change his or her vote or revoke his or her proxy at any time before the Annual Meeting by (i) going to www.AALvote.com/ANVS and log in using your Virtual Control Number that was included in the Notice of Internet Availability of Proxy Materials, (ii) attending and voting at the Annual Meeting, or (iii) submitting a later dated proxy card. We will count your vote in accordance with the last instructions we receive from you prior to the closing of the polls, whether your instructions are received by mail or at the Annual Meeting. If you hold your shares through a broker, bank or other nominee and wish to change your vote, you must follow the procedures required by your nominee.

Q: What is a quorum?

A: The holders of one-third of the 9,005,131 shares of common stock outstanding as of the Record Date, either present or represented by proxy, constitutes a quorum. A quorum is necessary in order to conduct the Annual Meeting. If you choose to have your shares represented by proxy at the Annual Meeting, you will be considered part of the quorum. Broker non-votes and abstentions will be counted as present for the purpose of establishing a quorum. If a quorum is not present by attendance the Annual Meeting or represented by proxy, the stockholders present by attendance at the meeting or by proxy may adjourn the Annual Meeting until a quorum is present. If an adjournment is for more than 30 days or a new record date is fixed for the adjourned meeting, we will provide notice of the adjourned meeting to each stockholder of record entitled to vote at the meeting.

Q: What vote is required to approve each proposal?

A: *Election of directors:* A plurality of the votes cast at the Annual Meeting is required for the election of directors. This means that the five director nominees with the most votes for a particular director seat are elected to that seat. You may choose to vote or withhold your vote for such nominees. A properly executed proxy marked “WITHHOLD” with respect to the election of a director will not be voted with respect to the director indicated and will have no impact on the election of directors, although it will be counted for the purposes of determining whether there is a quorum.

Approval of an amendment to the Company’s Amended and Restated Certificate of Incorporation. A majority of the outstanding shares of our common stock entitled to vote at the Annual Meeting is required to approve the proposal to amend the Company’s Amended and Restated Certificate of Incorporation, to increase the total number of authorized shares of common stock. A properly executed proxy marked “ABSTAIN” with respect to the proposal will not be voted, although it will be counted for the purposes of determining whether there is a quorum. Accordingly, if you choose to “ABSTAIN” with respect to either proposal, your abstention has the same effect as a vote “AGAINST.”

Ratification of our independent registered public accounting firm: A majority of the shares of stock that are present or represented by proxy and entitled to vote at the Annual Meeting must be voted in favor of the proposal. A properly executed proxy marked “ABSTAIN” with respect to the proposal will not be voted, although it will be counted for purposes of determining the number of shares of common stock present or represented by proxy and entitled to vote. Accordingly, if you choose to “ABSTAIN” with respect to either proposal, your abstention has the same effect as a vote “AGAINST.”

Q: What if additional proposals are presented at the Annual Meeting?

A: We do not intend to bring any other matter for a vote at the Annual Meeting, and we do not know of anyone else who intends to do so. However, with respect to any other business that properly comes before the Annual Meeting, your proxies are authorized to vote on your behalf using their judgment.

Q: Do the directors and officers of the Company have an interest in the outcome of the matters to be voted on?

A: Our directors and officers will not receive any special benefit as a result of the outcome of the matters to be voted on, except that our directors will receive compensation for such service as described later in this Proxy Statement under the heading “Executive and Director Compensation.”

Q: How many shares do the directors and officers of the Company beneficially own, and how do they plan to vote their shares?

A: Directors and executive officers, who, as of the Record Date, had beneficial ownership (or had the right to acquire beneficial ownership within 60 days following the Record Date) of approximately 38.3% of our outstanding common stock, are expected to vote, or direct the voting of their shares, in favor of the election of the five director nominees set forth in this Proxy Statement, and in favor of the ratification of the selection of WithumSmith+Brown, PC as our independent registered public accounting firm for the year ending December 31, 2023.

Q: Who will count the votes?

A: Alliance Advisors will count the votes cast by proxy. A representative of Alliance Advisors will count the votes cast at the Annual Meeting and will serve as the inspector of election.

Q: Who can attend the Annual Meeting?

A: All stockholders as of the Record Date are invited to attend the Annual Meeting.

Q: Are there any expenses associated with collecting the stockholder votes?

A: We will reimburse brokerage firms and other custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses for forwarding proxy and other materials to our stockholders. In addition, we have engaged Alliance Advisors, to assist in soliciting proxies. We will pay the costs of soliciting proxies, including a fee of approximately \$19,715 to Alliance Advisors for its services in serving as Inspector of Elections, hosting and coordinating the virtual meeting, etc. We will also reimburse Alliance Advisors for its reasonable out-of-pocket expenses. Officers and other employees of the Company may solicit proxies in person or by telephone but will receive no special compensation for doing so.

Q: Where can you find the voting results?

A: Voting results will be reported in a Current Report on Form 8-K, which we will file with the SEC within four business days following the Annual Meeting.

Q: Who is our independent registered public accounting firm, and will they be represented at the Annual Meeting?

A: WithumSmith+Brown, PC served as our independent registered public accounting firm for the fiscal year ended December 31, 2022 and audited our financial statements for such fiscal year. WithumSmith+Brown, PC has been selected by our Audit Committee to serve in the same role and to provide the same services for the fiscal year ending December 31, 2023. We expect that one or more representatives of WithumSmith+Brown, PC will be present at the Annual Meeting. They will have an opportunity to make a statement, if they desire, and will be available to answer appropriate questions at the end of the Annual Meeting.

Q: Why are you being asked to ratify the selection of WithumSmith+Brown, PC?

A: Although stockholder approval of our Audit Committee’s selection of WithumSmith+Brown, PC as our independent registered public accounting firm is not required, we believe that it is advisable to give stockholders an opportunity to ratify this selection. If this proposal is not approved at the Annual Meeting, the Audit Committee has agreed to reconsider its selection of WithumSmith+Brown, PC, but will not be required to take any action.

Reid S. McCarthy

Mr. McCarthy has served as a member of our Board since April 2021. He is experienced in corporate financial management, operating management, and new venture development. A specialist in bank, bond, and equity financings, Mr. McCarthy retired after serving from 2016 to 2019 as CFO of JJ Haines & Company, Inc., a \$400 million revenue distribution company operating internationally. Prior to that, Mr. McCarthy provided consulting Chief Financial Officer services to several life sciences companies since 2011. Prior to his service as a consulting CFO, Mr. McCarthy served as Chief Financial Officer of Topaz Pharmaceuticals, Inc. from 2007 to 2011. Mr. McCarthy arranged over \$34 million in capital investment to fund the development and FDA approval of this company's therapeutic product. Mr. McCarthy and his colleagues successfully sold the company in late 2011 to Sanofi Pasteur, an international pharmaceuticals company. From 1993 to 2007 Mr. McCarthy served as a founding executive of several venture capital-backed companies operating in the senior real estate, bio-metric technology, and agribusiness industries, all of which were successfully sold. Mr. McCarthy's past positions include Vice President of Financing for Trinity Capital Corporation, Director-Project Financing for ASEA Brown Boveri, Inc., and officer positions with New York-based money center banks, including J.P. Morgan Chase. Mr. McCarthy holds an undergraduate degree in international relations from the University of New Hampshire and an MBA in international finance from New York University.

Mark White

Mr. White has served as a member of our Board since 2016. He is a consultant specializing in new product commercialization, marketing, business development and strategy and a partner in Robin Hood Ventures and Seedfunders, two angel investor groups that provide capital and mentoring to early stage, high growth companies. From 2015 to 2016, Mr. White served as chief executive officer of Neurokine Therapeutics, an early-stage biopharma company focused on neurodegenerative disorders. From 2002 to 2014 he served as a vice president and senior director in Pfizer's worldwide marketing group and led the Inflammation/Immunology and CNS/Pain Therapeutic areas. Mr. White led some of Pfizer's most successful global product launches including Lyrica and Xeljanz, as well as global marketing for Enbrel and Celebrex. Before Pfizer, Mr. White was senior director, marketing and business development with Bracco Diagnostics, a diagnostic pharmaceutical business with radiology and cardiology applications, and earlier in his career, he worked for Abbott, Bayer and Ortho-McNeil, in sales and marketing roles of increasing responsibility. Mr. White received his Bachelor's and Master's Degrees from the University of Missouri and his M.B.A. from the University of Chicago Booth School of Business. We believe Mr. White's experience as a business consultant and his service as an executive of companies in the pharmaceutical industry qualifies him to serve on our Board.

Corporate Governance and Board Matters

Our Board is responsible for the supervision of our overall affairs. Our Board has established three standing committees: Audit Committee, Compensation Committee, and Nominating and Corporate Governance Committee (the “Nominating Committee”). The Audit Committee, the Compensation Committee and the Nominating Committee operate under charters adopted by the Board that govern their responsibilities. Copies of each of these charters and our Code of Business Conduct and Ethics can be obtained free of charge from the Company’s website, www.annovisbio.com, or by contacting the Company at the attention of the Secretary at our offices at Annovis Bio, Inc., 1055 Westlakes Drive, Suite 300, Berwyn, Pennsylvania 19312. All references to our website address are intended to be inactive textual references only and do not constitute incorporation by reference of the information contained at or available through our website.

Leadership Structure

The Company seeks to maintain an appropriate balance between management and the Board. Our Board does not have a policy regarding the separation of the offices of Chairman of the Board and Chief Executive Officer. Our Board believes that it is important to retain the flexibility to combine or separate the responsibilities of the offices of Chairman of the Board and Chief Executive Officer, as from time to time it may be in the best interests of the Company.

Executive Sessions of the Board

The Board meets periodically, and at least annually, in executive session without those directors who are also executive officers of the Company and any other members of management of the Company.

Director Independence

Our Board has determined that Michael Hoffman, Claudine Bruck, Reid McCarthy and Mark White are independent within the meaning of Section 303A.02 of the NYSE Listed Company Manual and Rule 10A-3 under the Securities Exchange Act of 1934, as amended, that Claudine Bruck, Reid McCarthy and Mark White meet the additional test for independence for audit committee members imposed by SEC regulations and Section 303A.07(a) of the NYSE Listed Company Manual and that Michael Hoffman and Mark White meet the additional test for independence for compensation committee members imposed by Section 303A.05(a) of the NYSE Listed Company Manual. The Board is responsible for ensuring that independent directors do not have a material relationship with us or any of our affiliates or any of our executive officers or his or her affiliates.

Removal and Appointment of Directors

Our certificate of incorporation and bylaws provide that a director may be removed with or without cause by the holders of at least a majority of the voting power of the shares then entitled to vote at an election of directors. Under such certificate of incorporation and bylaws, any vacancy on our Board, including a vacancy resulting from an enlargement of our Board, may be filled only by the vote of a majority of our directors then in office. Furthermore, such certificate of incorporation provides that the authorized number of directors may be changed only by a resolution adopted by the majority of our Board.

Role of the Board in Risk Oversight

One of the key functions of our Board is informed oversight of our risk management process. Our Board does not have a standing risk management committee, but rather administers this oversight function directly through our Board as a whole, as well as through various standing committees of our Board that address risks inherent in their respective areas of oversight. In particular, our Board is responsible for monitoring and assessing strategic risk exposure and our Audit Committee has the responsibility to consider and discuss our major financial risk exposures and the steps our management has taken to monitor and control these exposures, including guidelines and policies to govern the process by which risk assessment and management is undertaken. Our Audit Committee also monitors compliance with legal and regulatory requirements. Our Nominating Committee monitors the effectiveness of our corporate governance practices, including whether they are successful in preventing illegal or improper liability-creating conduct. Our Compensation Committee assesses and monitors whether any of our compensation policies and programs has the potential to encourage excessive risk-taking. While each committee is responsible for evaluating certain risks and overseeing the management of such risks, our entire Board is regularly informed through committee reports about such risks.

Management regularly reports on any potential material risks to the Company at each Board meeting. Management reports regularly to the full Board, which also considers the Company's risk factors. While the Board oversees the Company's risk management, Company management is responsible for day-to-day risk management processes. We believe this division of responsibilities is the most effective approach for addressing the risks facing our Company and that our Board leadership structure supports this approach.

Board Committees

During 2021, our Audit Committee consisted of Claudine Bruck, Reid McCarthy and Mark White, with Reid McCarthy serving as chair. Our Compensation Committee consisted of Michael Hoffman and Mark White, with Michael Hoffman serving as chair. Our Nominating Committee consisted of Claudine Bruck and Mark White, with Claudine Bruck serving as chair. In compliance with the NYSE Listed Company Manual, all of the members of our Audit, Compensation and Nominating Committees are independent. For the current composition of each of our Board committees, please see the table above under "BOARD OF DIRECTORS".

The financial literacy requirements of the SEC require that each member of our Audit Committee be able to read and understand fundamental financial statements. In addition, at least one member of our Audit Committee is qualified as an audit committee financial expert, as defined in Item 407(d)(5) of Regulation S-K, and has financial sophistication in accordance with the NYSE Listed Company Manual. Our Board has determined that Reid McCarthy qualifies as an audit committee financial expert. For the relevant experience of Mr. McCarthy that qualifies him as an audit committee financial expert.

Our Audit Committee met five times during our fiscal year ended December 31, 2022.

For information on audit fees, see “Proposal 2: Ratification of Independent Registered Public Accounting Firm.”

Compensation Committee

The primary purpose of our Compensation Committee is to assist our Board in exercising its responsibilities relating to compensation of our executive officers and employees and to administer our equity compensation and other benefit plans. In carrying out these responsibilities, this committee reviews all components of executive officer and employee compensation for consistency with its compensation philosophy, as in effect from time to time. The functions of our Compensation Committee include, among other things:

- reviewing and approving, or recommending for approval by the Board, the compensation of our Chief Executive Officer and our Chief Financial Officer;

Nominating Committee

The primary purpose of our Nominating Committee is to assist our Board in promoting the best interests of the Company and our stockholders through the implementation of sound corporate governance principles and practices. The functions of our Nominating Committee include, among other things:

- developing, overseeing and making recommendations to the Board regarding our corporate governance principles;
- developing, recommending to the Board, implementing and monitoring compliance with the Code of Business Conduct and Ethics;

- developing a self-evaluation process of the Board’s effectiveness and overseeing the evaluation of the Board and each Board committee; and
- reviewing and evaluating, at least annually, our Nominating Committee’s charter.

While the Nominating Committee does not have a formal diversity policy, the Nominating Committee recommends candidates based upon many factors, including the diversity of their business or professional experience, the diversity of their background and their array of talents and perspectives. We believe that the Nominating Committee's existing nominations process is designed to identify the best possible nominees for the Board, regardless of the nominee's gender, racial background, religion or ethnicity. The Nominating Committee identifies candidates through a variety of means, including recommendations from members of the Board and suggestions from our management including our Chief Executive Officer. In addition, the Nominating Committee considers candidates recommended by third parties, including stockholders. The Nominating Committee gives the same consideration to candidates recommended by stockholders as those candidates recommended by members of our Board. Stockholders wishing to recommend director candidates for consideration by the Nominating Committee may do so by writing to our Secretary and giving the recommended candidate's name, biographical data and qualifications. Nominees should have a reputation for integrity, honesty and adherence to high ethical standards, should have demonstrated business acumen, experience and ability to exercise sound judgments in matters that relate to the current and long-term objectives of the Company, should be willing and able to contribute positively to the decision-making process of the Company, should have a commitment to understand the Company and its industry and to regularly attend and participate in meetings of the Board and its committees, should have the interest and ability to understand the sometimes conflicting interests of the various constituencies of the Company, which include stockholders, employees, customers, governmental units, creditors and the general public, and to act in the interests of all stockholders, should not have, nor appear to have, a conflict of interest that would impair the nominee's ability to represent the interests of all the Company's stockholders and to fulfill the responsibilities of a director. Nominees shall not be discriminated against on the basis of race, religion, national origin, sex, sexual orientation, disability or any other basis proscribed by law. The value of diversity on the Board should be considered.

Our Nominating Committee met two times during our fiscal year ended December 31, 2022.

Compensation Committee Interlocks and Insider Participation

During 2021, our Compensation Committee consisted of Michael Hoffman and Mark White, with Michael Hoffman serving as chair. During 2021 and as of the date of this Proxy Statement, no member of our Compensation Committee has ever been an executive officer or employee of ours and no executive officer of the Company currently serves, or has served during the last completed year, on the board of directors, compensation committee or other committee serving an equivalent function, of any other entity that has one or more officers serving as a member of our Board or Compensation Committee.

Stockholder Communications with the Board

Stockholders who wish to communicate directly with the Board, or with a particular director, may send a letter addressed to our Secretary at Annovis Bio, Inc., 1055 Westlakes Drive, Suite 300, Berwyn, Pennsylvania 19312. The mailing envelope must contain a clear notation indicating that the enclosed letter is a "Stockholder Board Communication" or "Stockholder Director Communication." All such letters must identify the author as a stockholder and clearly state whether the intended recipients are all members of the Board or just certain specified individual directors. The Secretary will make copies of all such letters and circulate them to the directors addressed. If a stockholder wishes the communication to be confidential, such stockholder must clearly indicate on the envelope that the communication is "confidential." The Secretary will then forward such communication, unopened, to the directors, or director, specified on the envelope, or if none, to the Chairman of the Board.

Code of Business Conduct and Ethics

Our Board has adopted a Code of Business Conduct and Ethics applicable to all of our directors, executive officers and employees. The Code of Business Conduct and Ethics outlines the principles, policies and laws that govern our activities and establishes guidelines for conduct in the workplace. Every director, executive officer and employee is required to read the Code of Business Conduct and Ethics annually. The Nominating Committee of our Board is responsible for overseeing the Code of Business Conduct and Ethics and must approve any waivers of the Code of Business Conduct and Ethics for directors, executive officers or employees. We expect that any amendments to the Code of Business Conduct and Ethics, or any waivers of its requirements, will be disclosed on our website at www.annovisbio.com.

Review and Approval of Transactions with Related Persons

The Board has adopted a Related Person Transactions Policy that charges the Audit Committee with the responsibility of reviewing and approving or ratifying any related person transaction. The Audit Committee reviews related-party transactions for potential conflicts of interests or other improprieties. Under SEC rules, related person transactions are those transactions or series of related transactions to which we are or may be a party in which the amount involved exceeds \$120,000, and in which any of our directors or executive officers or any other related person had or will have a direct or indirect material interest, excluding, among other things, compensation arrangements with respect to employment and board membership. Our Audit Committee could approve a related person transaction if it determines that the transaction is in our best interests. Our directors are required to disclose to the Audit Committee or the full Board any potential conflict of interest, or personal interest in a transaction that our Board is considering. Our executive officers are required to disclose any related person transaction to the Audit Committee. We also poll our directors on an annual basis with respect to related person transactions and their service as an officer or director of other entities. Any director involved in a related person transaction that is being reviewed or approved must recuse himself or herself from participation in any related deliberation or decision. Whenever possible, the transaction should be approved in advance and if not approved in advance, must be submitted for ratification as promptly as practical.

AUDIT COMMITTEE REPORT

The Audit Committee of the Board assists the Board in performing its oversight responsibilities for our financial reporting process and audit process as more fully described in the Audit Committee's charter. Management has the primary responsibility for the financial statements and the reporting process. Our independent registered public accounting firm is responsible for performing an independent audit of our financial statements in accordance with the auditing standards of the Public Company Accounting Oversight Board (United States), or the PCAOB, and to issue a report thereon.

In the performance of its oversight function, the Audit Committee has reviewed and discussed our audited financial statements for the year ended December 31, 2022 with management and with our independent registered public accounting firm. In addition, the Audit Committee has discussed the matters required to be discussed by PCAOB Auditing Standard No. 1301, *Communications with Audit Committees*, which includes, among other items, matters related to the conduct of the audit of our financial statements, with WithumSmith+Brown, PC, our independent registered public accounting firm for the year ended December 31, 2022. The Audit Committee has also received and reviewed the written disclosures and the letter from WithumSmith+Brown, PC required by the Public Company Accounting Oversight Board Ethics and Independence Rule 3526, *Communication with Audit Committees Concerning Independence* (which relates to the independent registered public accounting firm's independence from us) and has discussed with WithumSmith+Brown, PC their independence from us. We also considered whether any non-audit services provided by the independent registered public accounting firm are compatible with maintaining its independence.

Based on the review and discussions referenced above, the Audit Committee recommended to our Board that our audited financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2022.

The maximum aggregate number of shares that may be subject to grants to any individual in any calendar year is 300,000 shares. PROPOSAL 1: ELECTION OF DIRECTORS

Our Board consists of a number of members as established by resolution adopted by the Board. The number of directors that presently constitute the entire Board is five. The Board has nominated Michael Hoffman, Maria Maccicchini, Claudine Bruck, Reid McCarthy and Mark White for election as directors at the Annual Meeting. Upon the adjournment of our 2023 Annual Meeting of Stockholders, the Board will be composed of five directors, whose term expires on the election and qualification of successor directors at our next annual meeting of stockholders or until his or her earlier death, removal or resignation. All of the nominees recommended by the Board are currently serving as directors, and each nominee has consented to serve as a nominee for election to the Board, to being named in this Proxy Statement and, if elected by our stockholders, to serve as members of the Board until our next annual meeting.

Listed above under the caption “Board of Directors” are the names and biographical information of Michael Hoffman, Maria Maccicchini, Claudine Bruck, Reid McCarthy and Mark White, the five nominees for director. The persons designated as proxies in the accompanying proxy card intend to vote “**FOR**” such nominees, unless a contrary instruction is indicated on the proxy card. If for any reason any nominee should become unavailable for election, the persons designated as proxies in the proxy card may vote the proxy for the election of another person nominated as a substitute by the Board, if any person is so nominated. The nominees are currently directors and have consented to be named and have agreed to serve, if elected.

Recommendation of the Board

The Board recommends a vote “**FOR**” the election of Michael Hoffman, Maria Maccicchini, Claudine Bruck, Reid McCarthy and Mark White to the Board as directors.

**PROPOSAL 2: AMENDMENT TO OUR AMENDED AND RESTATED CERTIFICATE OF
INCORPORATION TO INCREASE THE NUMBER OF AUTHORIZED SHARES OF COMMON STOCK**

General

Our Amended and Restated Certificate of Incorporation currently provides for an authorized capital stock of 37,000,000 shares, of which 35,000,000 shares are common stock with a par value of \$0.0001 per share (the “Common Stock”), and 2,000,000 shares are preferred stock with a par value of \$0.0001 per share (the “Preferred Stock”). Our Board has adopted a resolution to amend our Amended and Restated Certificate of Incorporation to increase the authorized number of shares of Common Stock to 70,000,000, subject to stockholder approval of the amendment. No changes will be made to the number of authorized shares of our preferred stock.

The proposed amendment to our Amended and Restated Certificate of Incorporation will be effected by amending Article 4(A) thereof to read in full as follows:

“**A. Classes of Stock.** The aggregate number of shares of stock that the Corporation shall have the authority to issue is 72,000,000, of which 70,000,000 shares are Common Stock with a par value of \$0.0001 per share (the “Common Stock”), and 2,000,000 shares are Preferred Stock with a par value of \$0.0001 per share (the “Preferred Stock”).”

A copy of the proposed amendment to our Amended and Restated Certificate of Incorporation is set forth in Annex A attached hereto.

Purpose of Amendment

The Board believes it is in our best interests to increase the number of authorized shares of Common Stock to give us greater flexibility in considering and planning for future corporate needs, including, but not limited to: raising additional capital, which is needed to fund our ongoing clinical trials, future clinical trials and other clinical and nonclinical research programs and may not be on favorable terms; making long-term equity incentive awards under our equity compensation plans; retaining key employees, executive officers and directors; and other general corporate purposes. The Board believes that additional authorized shares of Common Stock will enable us to take timely advantage of market conditions and favorable financing and acquisition opportunities that may become available to us without the delay and expense associated with convening a special meeting of our stockholders.

We have no current plan, commitment, arrangement, understanding or agreement regarding the issuance of the additional shares of Common Stock that will result from our adoption of the proposed amendment. Except as otherwise required by law or the NYSE listing rules, the newly authorized shares of Common Stock will be available for issuance at the discretion of the Board (without further action by the stockholders) for various future corporate needs, including those outlined above. While adoption of the proposed amendment would not have any immediate dilutive effect on the proportionate voting power or other rights of our existing stockholders, any future issuance of additional authorized shares of our Common Stock may, among other things, dilute the earnings per share of the Common Stock and the equity and voting rights of those holding Common Stock at the time the additional shares are issued.

Any authorized shares of Common Stock, if and when issued, would be part of our existing class of Common Stock and would have the same rights and privileges as the shares of Common Stock currently outstanding. Our stockholders do not have pre-emptive rights with respect to the Common Stock, nor do they have cumulative voting rights. Accordingly, should the Board issue additional shares of Common Stock, existing stockholders would not have any preferential rights to purchase any of such shares, and their percentage ownership of our then outstanding Common Stock could be reduced.

Future issuances of Common Stock or securities convertible into Common Stock could have a dilutive effect on our earnings per share, book value per share and the voting power and interests of current stockholders. In addition, the availability of additional shares of Common Stock for issuance could, under certain circumstances, discourage or make more difficult any efforts to obtain control of us. The Board is not aware of any attempt, or contemplated attempt, to acquire control of us, nor is this proposal being presented with the intent that it be used to prevent or discourage any acquisition attempt. However, nothing would prevent the Board from taking any such actions that it deems to be consistent with its fiduciary duties.

As of April 24, 2023, we had 9,005,131 shares of Common Stock outstanding. In addition, as of such date, 2,400 shares were reserved for issuance upon exercise of outstanding warrants, 1,657,342 shares were reserved for issuance upon exercise of presently outstanding options under our 2019 Equity Incentive Plan (the “2019 Plan”) and 392,874 shares of common stock reserved for future issuance under our 2019 Plan. Based upon the foregoing number of outstanding and reserved shares of Common Stock, we have 23,942,253 shares remaining available for other purposes.

Recommendation of the Board of Directors

The Board of Directors recommends that you vote “**FOR**” the approval of the amendment to our Amended and Restated Certificate of Incorporation.

All of the above services were approved by the Audit Committee. In accordance with the Sarbanes-Oxley Act of 2002, as amended, the Audit Committee's policy is to pre-approve all audit and non-audit services provided by our independent registered public accounting firm. On an ongoing basis, management defines and communicates specific projects and categories of service for which the advance approval of the Audit Committee is requested. The Audit Committee reviews these requests and advises management if the Audit Committee approves the engagement of our independent registered public accounting firm for such services.
