Item 1.01 Entry Into a Material Definitive Agreement.

The Advisory Agreement

Black Creek Industrial REIT IV Inc. (referred to herein as the “Company,” “we,” “our,” or “us”), BCI IV Operating Partnership LP (the “Operating Partnership”), and BCI IV Advisors LLC (the “Advisor”) previously entered into the Fifth Amended and Restated Advisory Agreement, dated March 5, 2018, pursuant to which the Advisor performs certain duties and responsibilities as a fiduciary of the Company and its stockholders. The agreement has a term of one year, subject to renewal for an unlimited number of one-year periods. On June 13, 2018, the Company, the Operating Partnership and the Advisor entered into the Amended and Restated Advisory Agreement 2018 (the “Advisory Agreement”) in order to renew the Advisory Agreement for an additional one-year term expiring June 13, 2019 and to amend certain of the terms related to the reimbursement of expenses.

The Advisory Agreement amended the terms pursuant to which the Advisor will pay and be reimbursed for the payment of organization and offering expenses on the Company’s behalf. Per the terms of the Advisory Agreement, the Advisor has extended the duration of its prior agreement to advance all of the Company’s organization and offering expenses on the Company’s behalf, excluding upfront selling commissions, dealer manager fees and distribution fees, through December 31, 2018 (the Advisor had previously agreed to advance these expenses through June 30, 2018). The Company will reimburse the Advisor for all such advanced expenses ratably over the 60 months following December 31, 2018. Beginning January 1, 2019, the Company will reimburse the Advisor for any organization and offering expenses that it incurs on the Company’s behalf as and when incurred. After the termination of the primary offering and again after termination of the offering under the Company’s distribution reinvestment plan, the Advisor has agreed to reimburse the Company to the extent that the organization and offering expenses that the Company has incurred exceed 15% of the Company’s gross proceeds from the applicable offering. Any organization and offering expenses reimbursed by the Company which are deemed underwriting compensation will be subject to the 10% limit on underwriting compensation imposed by the Financial Industry Regulatory Authority.

In addition, the Advisory Agreement amended the terms pursuant to which the Advisor will be reimbursed for acquisition expenses, such that until December 31, 2019, the Advisor will defer reimbursement of all or a portion of acquisition expenses incurred or paid on the Company’s behalf if, in a given month, the reimbursement of acquisition expenses to the Advisor would cause the net asset value (“NAV”) per share to be lower than the lesser of \$10.00 or the NAV per share calculated for the prior month, which we refer to as a shortfall. If the reimbursement would result in a shortfall, then the Advisor will defer reimbursement of acquisition expenses in the amount necessary to prevent a shortfall for such month. The Advisor will be reimbursed for any such unreimbursed acquisition expenses ratably over the eighteen months following December 31, 2019.

Following the termination of the Advisory Agreement, in addition to other amounts payable to the Advisor, the Advisor will be entitled to receive, subject to limitations on repayment set forth in the Company’s charter, all unpaid reimbursements of expenses, including any acquisition expenses that have not yet been reimbursed due to the Advisor’s agreement to defer reimbursement as described above and any organization and offering expenses that have not been reimbursed due to the Advisor’s agreement to advance such expenses as described above.

The Partnership Agreement

The Company and BCI IV Advisors Group LLC (the “Sponsor”), the Company’s sponsor, previously entered into the Third Amended and Restated Limited Partnership Agreement of the Operating Partnership, dated March 5, 2018 (the “Partnership Agreement”). The Sponsor is the holder of a separate series of partnership interests in the Operating Partnership with special distribution rights (the “Special Units”). Pursuant to the Partnership Agreement, so long as the Advisory Agreement, as amended from time to time, has not been terminated, in consideration for the services provided by the Advisor on the Company’s behalf, the Sponsor will be eligible to receive a performance based amount in the form of an allocation and distribution (the “Performance Component”). The Performance Component will only be payable if certain hurdles are met, as set forth in the Partnership Agreement. The Performance Component will be paid to the Sponsor as a performance participation interest with respect to the Special Units, or, at the election of the Sponsor, will be paid instead to the Advisor as a fee, as set forth in the Partnership Agreement and the Advisory Agreement. On June 13, 2018, the Company and the Sponsor entered into the Fourth Amended and Restated Limited Partnership of the Operating Partnership (the “Amended and Restated Partnership Agreement”) in order to further clarify that the Performance Component (a) will not be calculated, accrued or paid with respect to any year in which the Company has not determined an initial NAV per share in accordance with the Company’s valuation procedures, (b) will begin to be calculated and accrued from and after the Company’s determination of the initial NAV per share, and (c) will be calculated for the entirety of the year in which the initial NAV per share is determined, using a beginning NAV per share of \$10.00 as of January 1st. As described below, the Company initially determined a new NAV per share as of May 31, 2018 and used a beginning NAV as of January 1, 2018 equal to \$10.00 per share for purposes of beginning to accrue the Performance Component.

The preceding summary does not purport to be a complete summary of the Advisory Agreement and the Amended and Restated Partnership Agreement and is qualified in its entirety by reference to the Advisory Agreement and the Amended and Restated Partnership Agreement, copies of which are filed as Exhibit 10.1 and Exhibit 10.2, respectively, to this Current Report on Form 8-K and are incorporated by reference herein.

Item 8.01 Other Events.

In addition to providing information regarding the amended and restated agreements described above, we are filing this Current Report on Form 8-K in order to disclose the most recent transaction price and NAV per share, as determined in accordance with the Company's valuation procedures, for each of its classes of common stock. A copy of the Company's valuation procedures is filed as Exhibit 99.1 to this Current Report on Form 8-K and is incorporated by reference herein.

July 1, 2018 Transaction Price

The transaction price for each share class of our common stock for subscriptions accepted as of July 1, 2018 (and distribution reinvestment plan issuances as of June 29, 2018 and share redemptions as of June 30, 2018) is as follows:

Share Class	Transaction Price (per share)
Class T	\$ 10.0032
Class W	\$ 10.0032
Class I	\$ 10.0032

The transaction price for each of our share classes is equal to such class's NAV per share as of May 31, 2018. A calculation of the NAV per share is set forth below. The purchase price of our common stock for each share class equals the transaction price of such class, plus applicable upfront selling commissions and dealer manager fees.

May 31, 2018 NAV Per Share

Our board of directors, including a majority of our independent directors, has adopted valuation procedures, as amended from time to time, that contain a comprehensive set of methodologies to be used in connection with the calculation of our NAV. Our most recent NAV per share for each share class, which is updated as of the last calendar day of each month, is posted on our website at www.blackcreekindustrialiv.com and is also available on our toll-free, automated telephone line at (888) 310-9352. Please see our valuation procedures, filed as Exhibit 99.1 to this Current Report on Form 8-K, for a more detailed description of our valuation procedures, including important disclosure regarding real property valuations provided by Altus Group U.S. Inc. (the "Independent Valuation Firm"). All parties engaged by us in the calculation of our NAV, including the Advisor, are subject to the oversight of our board of directors. Generally, all of our real properties are appraised once each calendar year by third party appraisal firms in accordance with our valuation procedures and such appraisals are reviewed by our Independent Valuation Firm.

As used below, "Fund Interests" means our outstanding shares of common stock, along with the partnership units in our operating partnership ("OP Units") held by third parties (if any), and "Aggregate Fund NAV" means the NAV of all of the Fund Interests.

The following table sets forth the components of total NAV as of May 31, 2018:

(in thousands)	As of May 31, 2018
Real estate properties	\$ 49,700
Cash and other assets, net of other liabilities	12,053
Debt obligations	—
Aggregate Fund NAV	\$ 61,753
Total Fund Interests outstanding	6,173

The following table sets forth the NAV per Fund Interest as of May 31, 2018:

<u>(in thousands, except per Fund Interest data)</u>	<u>Total</u>	<u>Class T Shares</u>	<u>Class I Shares</u>	<u>Class W Shares</u>
As of May 31, 2018				
Monthly NAV	\$ 61,753	\$ 58,764	\$ 2,926	\$ 63
Fund Interests outstanding	6,173	5,875	292	6
NAV Per Fund Interest	\$ 10.0032	\$ 10.0032	\$ 10.0032	\$ 10.0032

The valuation for our real properties as of May 31, 2018 was provided by the Independent Valuation Firm in accordance with our valuation procedures and determined starting with the acquisition price of our real properties, which was adjusted based on subsequent events and assumptions used by the Independent Valuation Firm. Certain key assumptions that were used by our Independent Valuation Firm in the discounted cash flow analysis are set forth in the following table:

	<u>Weighted-Average Rates</u>
Exit capitalization rate	4.90%
Discount rate/internal rate of return	6.13%

In addition, the Independent Valuation Firm assumed a weighted-average holding period for our real properties of 10.6 years.

A change in the rates used would impact the calculation of the value of our real properties. For example, assuming all other factors remain constant, the changes listed below would result in the following effects on the value of our real properties:

<u>Input</u>	<u>Hypothetical Change</u>	<u>Increase (Decrease) to the NAV</u>
Exit capitalization rate (weighted-average)	0.25% decrease	3.81%
	0.25% increase	(3.44)%
Discount rate (weighted-average)	0.25% decrease	2.20%
	0.25% increase	(2.14)%

Risk Factors

In addition to the other information set forth in this Current Report on Form 8-K, you should carefully consider the risk factors concerning our NAV discussed in “Risk Factors” under Item 1A of Part 1 of our Annual Report on Form 10-K for the year ended December 31, 2017 and subsequent periodic and current reports filed with the SEC. The following risk factors update the risk factors concerning our NAV disclosed in our Annual Report on Form 10-K for the year ended December 31, 2017:

No rule or regulation requires that we calculate our NAV in a certain way, and our board of directors, including a majority of our independent directors, may adopt changes to the valuation procedures. In addition, because we do not include organization and offering expenses and acquisition expenses for which the Advisor has agreed to defer reimbursement in our calculation of NAV, our NAV will be higher during the period of the deferral than it would otherwise be but for the deferral by the Advisor and may decrease once such deferral ends.

There are no existing rules or regulatory bodies that specifically govern the manner in which we calculate our NAV. As a result, it is important that you pay particular attention to the specific methodologies and assumptions we will use to calculate our NAV. Other public REITs may use different methodologies or assumptions to determine their NAV. In addition, each year our board of directors, including a majority of our independent directors, will review the appropriateness of our valuation procedures and may, at any time, adopt changes to the valuation procedures. For example, we do not currently include any enterprise value or real estate acquisition costs in our assets calculated for purposes of our NAV. If we acquire real property assets as a portfolio, we may pay a premium over the amount that we would pay for the assets individually. In addition, we will not include organization and offering expenses (other than selling commissions, dealer manager fees and distribution fees) incurred through December 31, 2018 in our calculation of NAV for periods through December 31, 2018, but rather will amortize them to expense on a straight-line basis over the five years following December 31, 2018. Beginning January 1, 2019, all organization and offering expenses (other than selling commissions, dealer manager fees and distribution fees, which will affect the NAV as indicated below) incurred, as well as those expenses incurred prior to January 1, 2019 which will be amortized, will reduce NAV as part of our estimated income and expense accruals. We have adopted this methodology due to the Advisor’s agreement to advance all such organization and offering expenses through December 31, 2018 and to be reimbursed by us for such advanced organization and offering expenses ratably over the sixty months following December 31, 2018. Similarly, for NAV

calculation purposes, any acquisition expenses incurred or paid through December 31, 2019 which have not been reimbursed to the Advisor will not reduce NAV for periods through December 31, 2019, but rather will be amortized to expense on a straight-line basis over the eighteen months following December 31, 2019. Beginning January 1, 2020, all acquisition expenses incurred, as well as those expenses incurred prior to January 1, 2020, which will be amortized, will reduce NAV as part of our estimated income and expense accruals. We have adopted this methodology due to the Advisor's agreement to defer reimbursement of all or a portion of acquisition expenses incurred or paid on our behalf if, in a given month, the reimbursement of acquisition expenses to the Advisor would cause the NAV per share to be lower than the lesser of \$10.00 or the NAV per share calculated for the prior month, which we refer to as a shortfall. If the reimbursement would result in a shortfall, then the Advisor will defer reimbursement of acquisition expenses in the amount necessary to prevent a shortfall for such month. The Advisor will be reimbursed for any such unreimbursed acquisition expenses ratably over the eighteen months following December 31, 2019. Accordingly, during the period of the Advisor's deferral of the reimbursement of organization and offering expenses and acquisition expenses, our NAV will be higher than it would otherwise be but for the deferral, and may decrease once such deferral ends. Investors should consider this when determining to purchase shares of our common stock during the period of the deferral. As of May 31, 2018, the Advisor had incurred organization and offering expenses and acquisition expenses for which the Advisor had deferred reimbursement in an aggregate amount equal to \$5.9 million. Our board of directors may change these or other aspects of our valuation procedures, which changes may have an adverse effect on our NAV and the price at which you may sell shares to us under our share redemption program. See our valuation procedures, filed as Exhibit 99.1 to this Current Report on Form 8-K, for more details regarding our valuation methodologies, assumptions and procedures.

New acquisitions may be valued for purposes of our NAV at less than what we pay for them, which would dilute our NAV and deferred reimbursements of acquisition expenses will dilute our NAV when repaid to the Advisor.

Pursuant to our valuation procedures, the acquisition price of newly acquired properties will serve as our appraised value for the year of acquisition, and thereafter will be part of the rotating appraisal cycle such that they are appraised at least every calendar year. This is true whether the acquisition is funded with cash, equity or a combination thereof. However, the Independent Valuation Firm always has the ability to adjust property valuations for purposes of our NAV from the most recent appraised value. Similarly, if the Independent Valuation Firm believes that the purchase price for a recent acquisition does not reflect the current value of the property, the Independent Valuation Firm has the ability to adjust the valuation for purposes of our NAV downwards immediately after acquisition. Even if the Independent Valuation Firm does not adjust the valuation downwards immediately following the acquisition, when we obtain an appraisal on the property, it may not appraise at a value equal to the purchase price. Accordingly, the value of a new acquisition as established under our valuation procedures could be less than what we pay for it, which could negatively affect our NAV. Large portfolio acquisitions, in particular, may require a "portfolio premium" to be paid by us in order to be a competitive bidder, and this "portfolio premium" may not be taken into consideration in calculating our NAV. In addition, acquisition expenses we incur in connection with new acquisitions will negatively impact our NAV. The Advisor has agreed to defer reimbursement of all or a portion of acquisition expenses incurred or paid on our behalf if, in a given month, the reimbursement of acquisition expenses to the Advisor would cause the NAV per share to be lower than the lesser of \$10.00 or the NAV per share calculated for the prior month, which we refer to as a shortfall. If the reimbursement would result in a shortfall, then the Advisor will defer reimbursement of acquisition expenses in the amount necessary to prevent a shortfall for such month. The Advisor will be reimbursed for any such unreimbursed acquisition expenses ratably over the eighteen months following December 31, 2019. Accordingly, during the period of the Advisor's deferral of the reimbursement of acquisition expenses, our NAV will be higher than it would otherwise be but for the deferral, and may decrease once such deferral ends. Investors should consider this when determining to purchase shares of our common stock during the period of the deferral. As of May 31, 2018, the Advisor had incurred acquisition expenses for which the Advisor had deferred reimbursement in an amount equal to \$1.6 million. We may make acquisitions (with cash or equity) of any size without stockholder approval, and such acquisitions may be dilutive to our NAV.

Forward-Looking Statements

This Current Report on Form 8-K includes certain statements that may be deemed to be "forward-looking statements" within the meaning of Section 27A of the Securities Act of 1933, as amended (the "Securities Act"), and Section 21E of the Securities Exchange Act of 1934, as amended (the "Exchange Act"). Such forward-looking statements include forward-looking assumptions and methodologies used to determine our NAV per share. These statements are based on certain assumptions and analyses made by us in light of our experience and our perception of historical trends, current conditions, expected future developments and other factors we believe are appropriate. We intend such forward-looking statements to be covered by the safe harbor provisions for forward-looking statements contained in Section 27A of the Securities Act and Section 21E of the Exchange Act. Such statements are subject to a number of assumptions, risks and uncertainties that may cause our actual results, performance or achievements to be materially different from future results, performance or achievements expressed or implied by these forward-looking statements. Forward-looking statements are generally identifiable by the use of the words

“may,” “will,” “should,” “expect,” “anticipate,” “estimate,” “believe,” “intend,” “project,” “continue,” or the negative of these words, or other similar words or terms. Readers are cautioned not to place undue reliance on these forward-looking statements. Among the factors that may cause our results to vary are general economic and business (particularly real estate and capital market) conditions being less favorable than expected, the business opportunities that may be presented to and pursued by us, changes in laws or regulations (including changes to laws governing the taxation of real estate investment trusts (“REITs”)), risk of acquisitions, availability and creditworthiness of prospective tenants, availability of capital (debt and equity), interest rate fluctuations, competition, supply and demand for properties in our current and any proposed market areas, tenants’ ability to pay rent at current or increased levels, accounting principles, policies and guidelines applicable to REITs, environmental, regulatory and/or safety requirements, tenant bankruptcies and defaults, the availability and cost of comprehensive insurance, including coverage for terrorist acts, and other factors, many of which are beyond our control. For a further discussion of these factors and other risk factors that could lead to actual results materially different from those described in the forward-looking statements, see “Risk Factors” under Item 1A of Part 1 of our Annual Report on Form 10-K for the year ended December 31, 2017 and subsequent periodic and current reports filed with the SEC. We undertake no obligation to publicly update or revise any forward-looking statements, whether as a result of future events, new information or otherwise.

(i) The Fixed Component shall consist of: (A) a monthly fee equal to one-twelfth of 0.80% of the aggregate cost (before non-cash reserves and depreciation and amortization expenses) of each Real Property (or the Corporation's proportional interest therein with respect to Real Property held in Joint Ventures or real estate entities where the Corporation owns a majority economic interest or that the Corporation consolidates for financial reporting purposes in accordance with GAAP); provided, that the Fixed Component with respect to each Real

Total Return Amount, the change in VPU shall be deemed to equal the difference between the Ending VPU as of the end of the prior calendar year and an amount equal to the consideration per Fund Interest received by holders of Fund Interests in connection with such Liquidity Event.

(iii) The Advisory Fee will accrue monthly. The Fixed Component is payable monthly in arrears; provided that, with respect to a Disposition, the Fixed Component is payable upon the occurrence of a Listing or other Disposition, as described in Paragraph 9(a)(i) above. The Fixed Component shall be payable for each month in which this Agreement is in effect, even if the Agreement is in effect for a partial month. The Performance Component shall be payable for each calendar year in which this Agreement is in effect, even if the Agreement is in effect for a partial calendar year. If the Advisory Fee is payable with respect to any partial calendar month or calendar year, then the Fixed Component shall be prorated based on the number of days elapsed during any partial calendar month and the Performance Component shall be calculated based on the annualized total return amount determined using the total return achieved for the period of such partial calendar year. In the event this Agreement is terminated or its term expires without renewal, the partial period Fixed Component and Performance Component of the Advisory Fee shall be calculated and due and payable upon the Termination Date. In such event, for purposes of determining the Annual Total Return Amount, the change in VPU shall be determined based on a good faith estimate of what the NAV Calculations would be as of the Termination Date; provided, that, if this Agreement is terminated with respect to a Liquidity Event, the Performance Component will be due and payable in connection with such Liquidity Event and the Annual Total Return Amount shall be calculated as set forth in Paragraph 9(a)(ii) above.

(iv) In the event the Operating Partnership commences a liquidation of its Assets during any calendar year, the Sponsor or the Advisor, as applicable, shall be paid the Advisory Fee from the proceeds of the liquidation and the Performance Component shall be calculated at the end of the liquidation period prior to the distribution of the liquidation proceeds to the Unitholders. The calculation of the Performance Component for any partial year shall be calculated consistent with the applicable provisions of Paragraphs 9(a)(ii) and 9(a)(iii) above.

(v) The measurement of the change in VPU for the purpose of calculating the Annual Total Return Amount is subject to adjustment by the Board to account for any dividend, split, recapitalization or any other similar change in the Operating Partnership's capital structure or any distributions that the Board deems to be a return of capital if such changes are not already reflected in the Operating Partnership's net assets.

(vi) The Performance Component shall not be calculated or accrued with respect to any year in which the Corporation has not determined an initial VPU in accordance with the Valuation Procedures. The Performance Component shall be calculated and accrued beginning as of the Corporation's determination of an initial VPU in accordance with the Valuation Procedures and shall be calculated and accrued for periods thereafter. The Performance Component shall be calculated for the entire calendar year in which the Corporation determines an initial VPU and the Beginning VPU shall be deemed \$10.00 for purposes of the calculation.

(b) The Advisor or its Affiliates may incur third-party costs in connection with the performance of applicable services pursuant to this Agreement, which third-party costs shall be separately reimbursed pursuant to Paragraph 10 hereof.

(c) Fees for other Services. The Corporation may retain certain of the Advisor's Affiliates from time to time, for services relating to its investments or its operations, which may include property management services, leasing services, corporate services, statutory services, transaction support services (including but not limited to coordinating with brokers, lawyers, accountants and other advisors, assembling relevant information, conducting financial and market analyses, and coordinating closing procedures), construction and development management, and loan management and servicing, and within one or more such categories, providing services in respect of asset and/or investment administration, accounting, technology, tax preparation, finance (including but not limited to budget preparation and preparation and maintenance of corporate models), treasury, operational coordination, risk management, insurance placement, human resources, legal and compliance, valuation and reporting-related services, as well as services related to mortgage servicing, group purchasing, healthcare, consulting/brokerage, capital markets/credit origination, property, title and/or other types of insurance, management consulting and other similar operational matters. Any fees paid to the Advisor's affiliates for any such services will not reduce the Advisory Fees. Any such arrangements will be at market rates or reimbursement of costs.

(d) Loans from Affiliates. The Advisor or any Affiliate thereof may not make any loan to the Corporation or the Operating Partnership unless a majority of the Board of Directors (including a majority of the Independent Directors) approve the loan as being fair, competitive, and commercially reasonable and no less favorable to the Corporation or the Operating Partnership than comparable loans between unaffiliated parties.

(e) Exclusion of Certain Transactions. In the event the Corporation or the Operating Partnership shall propose to enter into any transaction with the Sponsor, the Advisor, a Director or any Affiliate thereof, then such transaction shall be approved by a majority of the Board of Directors (including a majority of the Independent Directors) as fair and reasonable to the Corporation.

(f) Payment in Shares or OP Units. The fees due under this Paragraph 9 shall be paid in cash; provided, however, that in lieu of cash, the Advisor may elect to receive the payment of the fees due under this Paragraph 9 in any class of Shares or OP Units. Any such Shares or OP Units shall be valued at the NAV per share applicable to such Shares or OP Units on the issue date. Such shares shall not be subject to any early redemption deduction under the Corporation's share redemption programs.

10. EXPENSES.

(a) In addition to the compensation paid to the Advisor pursuant to Paragraph 9 hereof and subject to the limitations set forth in this Paragraph 10 and in Paragraph 12 and contained in the Charter, the Corporation or the Operating Partnership shall pay directly or reimburse the Advisor or its Affiliates for all of the expenses paid or incurred by the Advisor or its Affiliates in

connection with the services they provide to the Corporation and the Operating Partnership pursuant to this Agreement, including, but not limited to:

- (i) Organization and Offering Expenses paid or incurred by the Advisor or any of its Affiliates; subject to Paragraph 10(c) below and provided that after an Offering terminates, the Advisor shall reimburse the Corporation to the extent the sum of the Organization and Offering Expenses and the Sales Commissions, Dealer Manager Fees and Distribution Fees with respect to such Offering that are borne by the Corporation exceed 15.0% of the Gross Proceeds raised in the completed Offering; the Advisor shall be responsible for the payment of all the Corporation's Organization and Offering Expenses in excess of the maximum amount permitted;
- (ii) Acquisition Expenses paid or incurred by the Advisor or any of its Affiliates; subject to Paragraph 10(d) below;
- (iii) Disposition Expenses incurred in connection with the disposition of Assets;
- (iv) the actual cost of goods and services used by the Corporation and obtained from Persons not affiliated with the Advisor, other than Acquisition Expenses, including brokerage fees paid in connection with the purchase and sale of any securities;
- (v) interest and other costs for borrowed money, including discounts, points and other similar fees;
- (vi) taxes and assessments on income of the Corporation or Assets and any other taxes otherwise imposed on the Corporation;
- (vii) costs associated with insurance required in connection with the business of the Corporation or by the officers and Directors;
- (viii) expenses of managing and operating Assets owned by the Corporation, whether payable to an Affiliate of the Corporation or a non-affiliated Person;
- (ix) all expenses in connection with payments to the Directors and meetings of the Directors and Stockholders;
- (x) expenses associated with a Listing, if applicable;
- (xi) expenses connected with payments of Distributions in cash or otherwise made or caused to be made by the Corporation to the Stockholders;
- (xii) expenses of organizing, revising, amending, converting, modifying, or terminating the Corporation or the Charter;
- (xiii) expenses of maintaining communications with Stockholders, including the cost of preparation, printing, and mailing annual reports and other Stockholder reports, proxy statements and other reports required by governmental entities;
- (xiv) personnel (and related employment) costs and overhead (including, but not limited to, allocated rent paid to both third parties and an affiliate of the Advisor, equipment, utilities, insurance, travel and entertainment, and other costs) costs incurred by the Advisor or its Affiliates in performing the services described in Paragraph 3 hereof, including, but not limited

to, total compensation, benefits and other overhead of all employees involved in the performance of such services; provided, however, that no reimbursement shall be made for costs of personnel to the extent that such personnel perform services in transactions for which the Advisor receives a separate fee;

(xv) audit, accounting and legal fees and other fees for professional services relating to the operations of the Corporation and all such fees incurred at the request, or on behalf of, the Independent Directors or any committee of the Board of Directors;

(xvi) out-of-pocket costs for the Corporation to comply with all applicable laws, regulations and ordinances; and

(xvii) all other costs incurred by the Advisor in performing its duties hereunder.

(b) Expenses incurred by the Advisor or its Affiliates on behalf of the Corporation and the Operating Partnership and payable pursuant to this Paragraph 10 shall be reimbursed no less than monthly to the Advisor. The Advisor shall prepare a statement documenting the expenses of the Corporation and the Operating Partnership and the calculation of the fees and commissions due under this Agreement during each month, and shall deliver such statement to the Corporation and the Operating Partnership within 45 days after the end of each month.

(c) Notwithstanding the foregoing, the Advisor shall pay for all Organization and Offering Expenses (other than the Sales Commissions, Dealer Manager Fees and Distribution Fees) incurred through December 31, 2018. The Corporation shall reimburse the Advisor for all such Organization and Offering Expenses (other than the Sales Commissions, Dealer Manager Fees and Distribution Fees) ratably over sixty months following December 31, 2018. Beginning January 1, 2019, the Corporation shall reimburse the Advisor for all Organization and Offering Expenses (other than the Sales Commissions, Dealer Manager Fees and Distribution Fees) as and when incurred. Any reimbursement to the Advisor pursuant to this Paragraph 10(c) shall be subject to the limitation described in Paragraph 10(a)(i).

(d) Notwithstanding the foregoing, if, in a given month, the reimbursement of Acquisition Expenses to the Advisor would cause the NAV per Share calculated for such month to be lower than the lesser of \$10.00 per Share or the NAV per Share calculated for the prior month (a "Shortfall"), then Advisor shall defer reimbursement of Acquisition Expenses as set forth in this Paragraph 10(d). The Advisor shall defer the reimbursement of all or a portion of the Acquisition Expenses necessary to prevent a Shortfall in a given month. This Paragraph 10(d) shall apply with respect to all Acquisition Expenses paid or incurred by the Advisor or its Affiliates through December 31, 2019. The Corporation shall reimburse the Advisor for any such unreimbursed Acquisition Expenses ratably over the eighteen months following December 31, 2019. Beginning on January 1, 2020, the Corporation shall reimburse the Advisor for all Acquisition Expenses as and when incurred.

11. OTHER SERVICES. Should the Board of Directors request that the Advisor or any director, officer or employee thereof render services for the Corporation and the Operating Partnership other than set forth in Paragraph 3, such services shall be separately compensated at such rates and in such amounts as are agreed by the Advisor and the Independent Directors of the Corporation, subject to the limitations contained in the Charter, and shall not be deemed to be services pursuant to the terms of this Agreement.

12. REIMBURSEMENT TO THE ADVISOR. For any year in which the Corporation qualifies as a REIT, the Corporation shall not reimburse the Advisor at the end of any fiscal quarter Total Operating Expenses that, in the four consecutive fiscal quarters then ended (the “Expense Year”) exceed (the “Excess Amount”) the greater of 2% of Average Invested Assets or 25% of Net Income (the “2%/25% Guidelines”) for such year. Any Excess Amount paid to the Advisor during a fiscal quarter shall be repaid to the Corporation or, at the option of the Corporation, subtracted from the Total Operating Expenses reimbursed during the subsequent fiscal quarter unless a majority of the Independent Directors determine that such excess was justified based on unusual and nonrecurring factors which they deem sufficient, then the Excess Amount may be paid and within 60 days after the end of such Expense Year there shall be sent to the stockholders a written disclosure of such fact, together with an explanation of the factors the Independent Directors considered in determining that such excess expenses were justified. Such determination shall be reflected in the minutes of the meetings of the Board of Directors. The Corporation will not reimburse the Advisor or its Affiliates for services for which the Advisor or its Affiliates are entitled to compensation in the form of a separate fee. All figures used in the foregoing computation shall be determined in accordance with generally accepted accounting principles applied on a consistent basis.

13. OTHER ACTIVITIES OF THE ADVISOR. Nothing herein contained shall prevent the Advisor or any of its Affiliates from engaging in or earning fees from other activities, including, without limitation, the rendering of advice to other Persons (including other REITs) and the management of other programs advised, sponsored or organized by the Advisor or its Affiliates; nor shall this Agreement limit or restrict the right of any member, manager, director, officer, employee, or stockholder of the Advisor or its Affiliates to engage in or earn fees from any other business or to render services of any kind to any other partnership, corporation, firm, individual, trust or association and earn fees for rendering such services. The Advisor may, with respect to any investment in which the Corporation is a participant, also render advice and service to each and every other participant therein, and earn fees for rendering such advice and service. It is contemplated that the Corporation may enter into joint ventures or other similar co-investment arrangements with certain Persons, and pursuant to the agreements governing such joint ventures or arrangements, the Advisor may be engaged (directly or indirectly) to provide advice and service to such Persons, in which case the Advisor will earn fees for rendering such advice and service. The parties to this Agreement hereby acknowledge that the Advisor may provide advice and render services to Persons that will compete with the Corporation for investments.

The Advisor shall report to the Board the existence of any condition or circumstance, existing or anticipated, of which it has knowledge, which creates or could create a conflict of interest between the Advisor’s obligations to the Corporation and its obligations to or its interest in any other partnership, corporation, limited liability company, firm, individual, trust or association. The Advisor or its Affiliates shall promptly disclose to the Board knowledge of such condition or circumstance. If the Advisor, its members, managers, directors, employees or Affiliates thereof have sponsored other investment programs with similar investment objectives which have investment funds available at the same time as the Corporation, it shall be the duty of the Independent Directors to ensure that the Advisor and its Affiliates follow the method approved by the Independent Directors, by which investments are to be allocated to the competing investment entities and to use their reasonable efforts to ensure that such method is applied fairly to the Corporation.

The Advisor shall be required to use commercially reasonable efforts to present a continuing and suitable investment program to the Corporation which is consistent with the investment policies and objectives of the Corporation, but neither the Advisor nor any Affiliate of the Advisor shall be obligated generally to present any particular investment opportunity to the Corporation even if the opportunity is of character which, if presented to the Corporation, could be taken by the Corporation. In the event an investment opportunity is located, the allocation procedure set forth under the caption "Conflicts of Interest—Conflict Resolution Procedures" in any Prospectus (as such procedures may be amended from time to time by a majority of the Board, including the Independent Directors) shall govern the allocation of the opportunity among the Corporation and Affiliates of the Advisor.

14. TERM; TERMINATION OF AGREEMENT. This Agreement shall continue in force for a period of one year from June 13, 2018, subject to an unlimited number of successive one-year renewals upon mutual consent of the parties. It is the duty of the Independent Directors to evaluate the performance of the Advisor annually before renewing the Agreement, and each such renewal shall be for a term of no more than one year.

15. TERMINATION BY THE PARTIES. This Agreement may be terminated (i) immediately by the Corporation and/or the Operating Partnership for Cause (subject to any applicable cure period), (ii) upon 60 days' written notice without Cause and without penalty by a majority of the Independent Directors of the Corporation or by the Advisor, (iii) upon 60 days' written notice with Good Reason by the Advisor or (iv) immediately by the Corporation and/or the Operating Partnership in connection with a merger, sale of Assets or transaction involving the Corporation pursuant to which a majority of the Directors then in office are replaced or removed.

16. ASSIGNMENT TO AN AFFILIATE. This Agreement may be assigned by the Advisor to an Affiliate or Affiliates with the approval of a majority of the Board of Directors (including a majority of the Independent Directors). The Advisor may assign any rights to receive fees or other payments under this Agreement to any Person without obtaining the approval of the Board of Directors. This Agreement shall not be assigned by the Corporation or the Operating Partnership without the consent of the Advisor, except in the case of an assignment by the Corporation or the Operating Partnership to a corporation, limited partnership or other organization which is a successor to all of the assets, rights and obligations of the Corporation or the Operating Partnership, in which case such successor organization shall be bound hereunder and by the terms of said assignment in the same manner as the Corporation and the Operating Partnership are bound by this Agreement.

17. PAYMENTS TO AND DUTIES OF ADVISOR UPON TERMINATION.

(a) After the Termination Date, the Advisor shall not be entitled to compensation for further services hereunder except it shall be entitled to receive from the Corporation or the Operating Partnership within 30 days after the effective date of such termination: (i) subject to the limitations set forth in Paragraph 12 hereof and in the Charter, all unpaid reimbursements of expenses, including without limitation any Acquisition Expenses that have not been reimbursed to the Advisor as of the Termination Date pursuant to Paragraph 10(d) hereof and, subject to the limitation described in Paragraph 10(a)(i) hereof, any Organization and Offering Expenses that have not been reimbursed to the Advisor as of the Termination Date pursuant to Paragraph 10(c).

hereof; and (ii) all earned but unpaid fees payable to the Advisor prior to termination of this Agreement.

(b) In addition, in accordance with the provisions of Paragraph 12, the Advisor shall be entitled to receive any Excess Amount (as defined in Paragraph 12) for which the Independent Directors determined (before or after the Termination Date) that there was justification based on unusual and nonrecurring factors.

(c) The Advisor shall promptly upon termination:

(i) pay over to the Corporation and the Operating Partnership all money collected and held for the account of the Corporation and the Operating Partnership pursuant to this Agreement, after deducting any accrued compensation and reimbursement for its expenses to which it is then entitled;

(ii) deliver to the Board of Directors a full accounting, including a statement showing all payments collected by it and a statement of all money held by it, covering the period following the date of the last accounting furnished to the Board of Directors;

(iii) deliver to the Board of Directors all Assets and documents of the Corporation and the Operating Partnership then in the custody of the Advisor; and

(iv) cooperate with the Corporation and the Operating Partnership to provide an orderly management transition.

18. INDEMNIFICATION BY THE CORPORATION AND THE OPERATING PARTNERSHIP. The Corporation and the Operating Partnership shall indemnify and hold harmless the Advisor and its Affiliates, including their respective members, managers, officers, directors, partners and employees, from all liability, claims, damages or losses arising in the performance of their duties hereunder, and related expenses, including reasonable attorneys' fees, subject to any limitations imposed by the laws of the State of Maryland or the Charter. Notwithstanding the foregoing, the Corporation and the Operating Partnership may not indemnify or hold harmless the Advisor, its Affiliates, or any of their respective members, managers, officers, directors, partners or employees in any manner that would be inconsistent with the provisions of Section II.G of the NASAA REIT Guidelines.

19. INDEMNIFICATION BY ADVISOR. The Advisor shall indemnify and hold harmless the Corporation and the Operating Partnership from contract or other liability, claims, damages, taxes or losses and related expenses including attorneys' fees, to the extent that such liability, claims, damages, taxes or losses and related expenses are incurred by reason of the Advisor's bad faith, fraud, willful misfeasance, gross misconduct, gross negligence or reckless disregard of its duties, but the Advisor shall not be held responsible for any action of the Board of Directors in following or declining to follow any advice or recommendation given by the Advisor.

20. NOTICES. Any notice, report or other communication required or permitted to be given hereunder shall be in writing unless some other method of giving such notice, report or other communication is required by the Charter, the Bylaws, or accepted by the party to whom it is given, and shall be given by being delivered by hand or by overnight mail or other overnight delivery service to the addresses set forth herein:

Neither the failure nor any delay on the part of a party or any third party beneficiary to exercise any right, remedy, power or privilege under this Agreement shall operate as a waiver thereof, nor shall any single or partial exercise of any right, remedy, power or privilege preclude any other or further exercise of the same or of any other right, remedy, power or privilege, nor shall any waiver of any right, remedy, power or privilege

(a) *Issuances of Additional Partnership Interests .*

(i) **General.** The General Partner is hereby authorized to cause the Partnership to issue such additional Partnership Interests in the form of Partnership Units for any Partnership purpose at any time or from time to time, to the Partners (including the General Partner) or to other Persons for such consideration and on such terms and conditions as shall be established by the General Partner in its sole and absolute discretion, all without the approval of any Limited Partners, including but not limited to Partnership Units issued in connection with the issuance of REIT Shares or other interests in the General Partner, Class I Units issued to the Special OP Unitholders in lieu of payments or distributions of the Performance Allocation, Partnership Units issued to the Advisor in lieu of cash fees pursuant to the Advisory Agreement and Partnership Units issued in connection with acquisitions of properties. Any additional Partnership Interests issued thereby may be issued in one or more Classes (including the Classes specified in this Agreement or any other Classes), or one or more series of any of such Classes, with such designations, preferences and relative, participating, optional or other special rights, powers and duties, including rights, powers and duties senior to Limited Partnership Interests, all as shall be determined by the General Partner in its sole and absolute discretion and without the approval of any Limited Partner, subject to Delaware law, including, without limitation, (i) the allocations of items of Partnership income, gain, loss, deduction and credit to each such Class or series of Partnership Interests; (ii) the right of each such Class or series of Partnership Interests to share in Partnership distributions; and (iii) the rights of each such Class or series of Partnership Interests upon dissolution and liquidation of the Partnership; provided, however, that no additional Partnership Interests shall be issued to the General Partner unless:

(1) (A) the additional Partnership Interests are issued in connection with an issuance of REIT Shares of or other

interests in the General Partner, which shares or interests have designations, preferences and other rights, all such that the economic interests are substantially similar to the designations, preferences and other rights of the additional Partnership Interests issued to the General Partner by the Partnership in accordance with this Section 4.2 (without limiting the foregoing, for example, the Partnership shall issue Partnership Interests consisting of Class I Units to the General Partner in connection with the issuance of Class I REIT Shares, shall issue Partnership Interests consisting of Class T Units to the General Partner in connection with the issuance of Class T REIT Shares and shall issue Class W Units to the General Partner in connection with the issuance of Class W REIT Shares) and (B) the General Partner shall make a Capital Contribution to the Partnership in an amount equal to the proceeds raised in connection with the issuance of such shares of stock or other interests in the General Partner;

(2) the additional Partnership Interests are issued in exchange for property owned by the General Partner with a fair market value, as determined by the General Partner, in good faith, equal to the value of the Partnership Interests; or

(3) the additional Partnership Interests are issued to all Partners holding Partnership Units in proportion to their respective Percentage Interests.

Without limiting the foregoing, the General Partner is expressly authorized to cause the Partnership to issue Partnership Units for less than fair market value, so long as the General Partner concludes in good faith that such issuance is in the best interests of the General Partner and the Partnership.

(ii) Upon Issuance of Additional Securities. The General Partner shall not issue any Additional Securities other than to all holders of REIT Shares, unless (A) the General Partner shall cause the Partnership to issue to the General Partner, as the General Partner may designate, Partnership Interests or rights, options, warrants or convertible or exchangeable securities of the Partnership having designations, preferences and other rights, all such that the economic interests are substantially similar to those of the Additional Securities, and (B) the General Partner contributes the proceeds from the issuance of such Additional Securities and from any exercise of rights contained in such Additional Securities, directly and through the General Partner, to the Partnership (without limiting the foregoing, for example, the Partnership shall issue Partnership Interests consisting of Class I Units to the General Partner in connection with the issuance of Class I REIT Shares, shall issue Partnership Interests consisting of Class T Units to the General Partner in connection with the issuance of Class T REIT Shares and shall issue Partnership Interests consisting of Class W Units to the General Partner in connection with the issuance of Class W REIT Shares); provided, however, that the General Partner is allowed to issue Additional Securities in connection with an acquisition of a property to be held directly by the General Partner, but if and only if, such direct acquisition and issuance of Additional Securities have been approved and determined to be in the best interests of the General Partner and the Partnership. Without limiting the foregoing, the General Partner is expressly authorized to issue Additional Securities for less than fair market value, and to cause the Partnership to issue to the General Partner corresponding Partnership Interests, so long as (x) the General Partner concludes in good faith that such issuance is in the best interests of the

General Partner and the Partnership, including without limitation, the issuance of REIT Shares and corresponding Partnership Units pursuant to an employee share purchase plan providing for employee purchases of REIT Shares at a discount from fair market value or employee stock options that have an exercise price that is less than the fair market value of the REIT Shares, either at the time of issuance or at the time of exercise, and (y) the General Partner contributes all proceeds from such issuance to the Partnership.

(b) *Certain Deemed Contributions of Proceeds of Issuance of REIT Shares*. In connection with any and all issuances of REIT Shares, the General Partner shall make Capital Contributions to the Partnership of the proceeds therefrom, provided that if the proceeds actually received and contributed by the General Partner are less than the gross proceeds of such issuance as a result of any underwriter's discount or other expenses paid or incurred in connection with such issuance, then the General Partner shall be deemed to have made Capital Contributions to the Partnership in the aggregate amount of the gross proceeds of such issuance and the Partnership shall be deemed simultaneously to have paid such offering expenses in accordance with Section 6.5 hereof and in connection with the required issuance of additional Partnership Units to the General Partner for such Capital Contributions pursuant to Section 4.2(a) hereof, and any such expenses shall be allocable solely to the Class of Partnership Units issued to the General Partner at such time.

4.3 Additional Funding. If the General Partner determines that it is in the best interests of the Partnership to provide for additional Partnership funds ("Additional Funds") for any Partnership purpose, the General Partner may (i) cause the Partnership to obtain such funds from outside borrowings, or (ii) elect to have the General Partner or any of its Affiliates provide such Additional Funds to the Partnership through loans or otherwise, provided, however, that the Partnership may not borrow money from its Affiliates, unless a majority of the Directors of the General Partner (including a majority of Independent Directors) not otherwise interested in such transaction approve the transaction as being fair, competitive, and commercially reasonable and no less favorable to the Partnership than comparable loans between unaffiliated parties.

4.4 Capital Accounts. A separate capital account (each a "Capital Account") shall be established and maintained for each Partner in accordance with Regulations Section 1.704-1(b)(2)(iv). If (i) a new or existing Partner acquires an additional Partnership Interest in exchange for more than a *de minimis* Capital Contribution, (ii) the Partnership distributes to a Partner more than a *de minimis* amount of Partnership property, or money as consideration for a Partnership Interest, (iii) the Partnership is liquidated within the meaning of Regulation Section 1.704-1(b)(2)(ii)(g), or (iv) the Partnership grants a Partnership Interest (other than a *de minimis* interest) as consideration for the provision of services to or for the benefit of the Partnership, the General Partner shall revalue the property of the Partnership to its fair market value (as determined by the General Partner, in its sole and absolute discretion, and taking into account Section 7701(g) of the Code) in accordance with Regulations Section 1.704-1(b)(2)(iv)(f). When the Partnership's property is revalued by the General Partner, the Capital Accounts of the Partners shall be adjusted in accordance with Regulations Section 1.704-1(b)(2)(iv)(f) and (g), which generally require such Capital Accounts to be adjusted to reflect the manner in which the unrealized gain or loss inherent in such property (that has not been reflected in the Capital Accounts previously) would be allocated among the Partners pursuant to Section 5.1 if there were a taxable disposition of such property for its fair market value (as

determined by the General Partner in its sole and absolute discretion, and taking into account Section 7701(g) of the Code, on the date of the revaluation).

4.5 Percentage Interests. If the number of outstanding Partnership Units increases or decreases during a taxable year, each Partner's Percentage Interest shall be adjusted by the General Partner effective as of the effective date of each such increase or decrease. If the Partners' Percentage Interests are adjusted pursuant to this Section 4.5, the net profits and net losses (and items thereof) for the taxable year in which the adjustment occurs shall be allocated between the part of the year ending on the day when the Partnership's property is revalued by the General Partner and the part of the year beginning on the following day either (i) as if the taxable year had ended on the date of the adjustment or (ii) based on the number of days in each part. The General Partner, in its sole and absolute discretion, shall determine which method shall be used to allocate net profits and net losses (or items thereof) for the taxable year in which the adjustment occurs. The allocation of net profits and net losses (or items thereof) for the earlier part of the year shall be based on the Percentage Interests before adjustment, and the allocation of net profits and net losses (or items thereof) for the later part shall be based on the adjusted Percentage Interests.

4.6 No Interest On Contributions. No Partner shall be entitled to interest on its Capital Contribution.

4.7 Return Of Capital Contributions. No Partner shall be entitled to withdraw any part of its Capital Contribution or its Capital Account or to receive any distribution from the Partnership, except as specifically provided in this Agreement. Except as otherwise provided herein, there shall be no obligation to return to any Partner or withdrawn Partner any part of such Partner's Capital Contribution for so long as the Partnership continues in existence.

4.8 No Third Party Beneficiary. No creditor or other third party having dealings with the Partnership shall have the right to enforce the right or obligation of any Partner to make Capital Contributions or loans or to pursue any other right or remedy hereunder or at law or in equity, it being understood and agreed that the provisions of this Agreement shall be solely for the benefit of, and may be enforced solely by, the parties hereto and their respective successors and assigns. None of the rights or obligations of the Partners herein set forth to make Capital Contributions or loans to the Partnership shall be deemed an asset of the Partnership for any purpose by any creditor or other third party, nor may such rights or obligations be sold, transferred or assigned by the Partnership or pledged or encumbered by the Partnership to secure any debt or other obligation of the Partnership or of any of the Partners. In addition, it is the intent of the parties hereto that no distribution to any Limited Partner shall be deemed a return of money or other property in violation of the Act. However, if any court of competent jurisdiction holds that, notwithstanding the provisions of this Agreement, any Limited Partner is obligated to return such money or property, such obligation shall be the obligation of such Limited Partner and not of the General Partner. Without limiting the generality of the foregoing, a deficit Capital Account of a Partner shall not be deemed to be a liability of such Partner nor an asset or property of the Partnership.

ARTICLE 5
PROFITS AND LOSSES; DISTRIBUTIONS

5.1 Allocation of Profit and Loss.

(a) *General Partner Gross Income Allocation*. There shall be specially allocated to the General Partner an amount of (i) first, items of Partnership income and (ii) second, items of Partnership gain during each fiscal year or other applicable period, before any other allocations are made hereunder, in an amount equal to the excess, if any, of the cumulative distributions made to the General Partner under Section 6.5(b) hereof, over the cumulative allocations of Partnership income and gain to the General Partner under this Section 5.1(a).

(b) *General Allocations*. The items of Profit and Loss and deduction of the Partnership for each fiscal year or other applicable period, other than any items allocated under Section 5.1(a), shall be allocated among the Partners in a manner that will, as nearly as possible (after giving effect to the allocations under Section 5.1(a), 5.1(c), 5.1(d), 5.1(e), 5.1(h), 5.1(i) and 5.3) cause the Capital Account balance of each Partner at the end of such fiscal year or other applicable period to equal (i) the amount of the hypothetical distribution that such Partner would receive if the Partnership were liquidated on the last day of such period and all assets of the Partnership, including cash, were sold for cash equal to their Carrying Values, taking into account any adjustments thereto for such period, all liabilities of the Partnership were satisfied in full in cash according to their terms (limited with respect to each nonrecourse liability to the Carrying Value of the assets securing such liability) and the remaining cash proceeds (after satisfaction of such liabilities) were distributed in full pursuant to Section 5.2(b); minus (ii) the sum of such Partner's share of Partnership Minimum Gain and Partner Nonrecourse Debt Minimum Gain and the amount, if any and without duplication, that the Partner would be obligated to contribute to the capital of the Partnership, all computed as of the date of the hypothetical sale of assets .

(c) *Nonrecourse Deductions; Minimum Gain Chargeback*. Notwithstanding any provision to the contrary, (i) any expense of the Partnership that is a "nonrecourse deduction" within the meaning of Regulations Section 1.704-2(b)(1) shall be allocated in accordance with the Partners' respective Percentage Interests, (ii) any expense of the Partnership that is a "partner nonrecourse deduction" within the meaning of Regulations Section 1.704-2(i)(2) shall be allocated to the Partner or Partners that bear the "economic risk of loss" with respect to the liability to which such deductions are attributable in accordance with Regulations Section 1.704-2(i)(1), (iii) if there is a net decrease in Partnership Minimum Gain within the meaning of Regulations Section 1.704-2(f)(1) for any Partnership taxable year, then, subject to the exceptions set forth in Regulations Section 1.704-2(f)(2), (3), (4) and (5), items of gain and income shall be allocated among the Partners in accordance with Regulations Section 1.704-2(f) and the ordering rules contained in Regulations Section 1.704-2(j), and (iv) if there is a net decrease in Partner Nonrecourse Debt Minimum Gain within the meaning of Regulations Section 1.704-2(i)(4) for any Partnership taxable year, then, subject to the exceptions set forth in Regulations Section 1.704-2(g), items of gain and income shall be allocated among the Partners in accordance with Regulations Section 1.704-2(i)(4) and the ordering rules contained in Regulations Section 1.704-2(j). A Partner's "interest in partnership profits" for purposes of determining its share of the excess nonrecourse liabilities of the Partnership within the meaning of Regulations Section 1.752-3(a)(3) shall be such Partner's Percentage Interest.

(d) *Qualified Income Offset.* If a Partner unexpectedly receives in any taxable year an adjustment, allocation, or distribution described in subparagraphs (4), (5), or (6) of Regulations Section 1.704-1(b)(2)(ii)(d) that causes or increases a deficit balance in such Partner's Capital Account that exceeds the sum of such Partner's shares of Partnership Minimum Gain and Partner Nonrecourse Debt Minimum Gain, as determined in accordance with Regulations Sections 1.704-2(g)(1) and 1.704-2(i)(5), such Partner shall be allocated specially for such taxable year (and, if necessary, later taxable years) items of income and gain in an amount and manner sufficient to eliminate such deficit Capital Account balance as quickly as possible as provided in Regulations Section 1.704-1(b)(2)(ii)(d). This Section 5.1(d) is intended to constitute a "qualified income offset" under Section 1.704-1(b)(2)(ii)(d) of the Regulations and shall be interpreted consistently therewith. After the occurrence of an allocation of income or gain to a Partner in accordance with this Section 5.1(d), to the extent permitted by Regulations Section 1.704-1(b), items of expense or loss shall be allocated to such Partner in an amount necessary to offset the income or gain previously allocated to such Partner under this Section 5.1(d).

(e) *Capital Account Deficits.* Loss (or items of expense or loss) shall not be allocated to a Limited Partner to the extent that such allocation would cause or increase a deficit in such Partner's Capital Account at the end of any fiscal year (after reduction to reflect the items described in Regulations Section 1.704-1(b)(2)(ii)(d)(4), (5) and (6)) to exceed the sum of such Partner's shares of Partnership Minimum Gain and Partner Nonrecourse Debt Minimum Gain, as determined in accordance with Regulations Sections 1.704-2(g)(1) and 1.704-2(i)(5). Any Loss or item of expense or loss in excess of that limitation shall be allocated to the General Partner. After an allocation to the General Partner under the immediately preceding sentence, to the extent permitted by Regulations Section 1.704-1(b), Profit or items of income or gain shall be allocated to the General Partner in an amount necessary to offset the items allocated to the General Partner under the immediately preceding sentence.

(f) *Allocations Between Transferor and Transferee.* If a Partner transfers any part or all of its Partnership Interest, the distributive shares of the various items of Profit and Loss allocable among the Partners during such fiscal year of the Partnership shall be allocated between the transferor and the transferee Partner either (i) as if the Partnership's fiscal year had ended on the date of the transfer, or (ii) based on the number of days of such fiscal year that each was a Partner without regard to the results of Partnership activities in the respective portions of such fiscal year in which the transferor and the transferee were Partners. The General Partner, in its sole and absolute discretion, shall determine which method shall be used to allocate the distributive shares of the various items of Profit and profit and loss between the transferor and the transferee Partner.

(g) *Definition of Profit and Loss.* "Profit" and "Loss" and any items of income, gain, expense, or loss referred to in this Agreement shall be determined in accordance with federal income tax accounting principles, as modified by Regulations Section 1.704-1(b)(2)(iv), except that Profit and Loss shall not include items of income, gain and expense that are specifically allocated pursuant to Section 5.1(a), 5.1(c), 5.1(d), 5.1(e) or 5.1(h). All allocations of Profit and Loss (and all items contained therein) for federal income tax purposes shall be identical to all allocations of such items set forth in this Section 5.1, except as otherwise required by Section 704(c) of the Code and Regulations Section 1.704-1(b)(4). The General

Partner shall have the authority to elect the method to be used by the Partnership for allocating items of income, gain, and expense as required by Section 704(c) of the Code including a method that may result in a Partner receiving a disproportionately larger share of the Partnership tax depreciation deductions, and such election shall be binding on all Partners.

(h) *Special Allocations of Class-Specific Items*. To the extent that any items of income, gain, loss or deduction of the General Partner are allocable to a specific Class or Classes of REIT Shares as provided in the Prospectus, including, without limitation, Distribution Fees, such items, or an amount equal thereto, shall be specially allocated to the Class or Classes of Partnership Units corresponding to such Class or Classes of REIT Shares.

(i) *Curative Allocations*. The allocations set forth in Section 5.1(c) (d) and (e) of this Agreement (the "Regulatory Allocations") are intended to comply with certain requirements of the Regulations. The General Partner is authorized to offset all Regulatory Allocations either with other Regulatory Allocations or with special allocations of other items of Partnership income, gain, loss or deduction pursuant to this Section 5.1(i). Therefore, notwithstanding any other provision of this Section 5.1 (other than the Regulatory Allocations), the General Partner shall make such offsetting special allocations of Partnership income, gain, loss or deduction in whatever manner it deems appropriate so that, after such offsetting allocations are made, each Partner's Capital Account is, to the extent possible, equal to the Capital Account balance such Partner would have had if the Regulatory Allocations were not part of this Agreement and all Partnership items were allocated pursuant to Section 5.1(a), (b), (f) and (h).

5.2 Distribution of Cash.

(a) The Partnership may distribute cash on a monthly (or, at the election of the General Partner, more or less frequent) basis, in an amount determined by the General Partner in its sole and absolute discretion, to the Partners who are Partners on the Partnership Record Date with respect to such quarter (or other distribution period) in accordance with Section 5.2(b).

(b) Except for distributions pursuant to Section 5.6 of this Agreement in connection with the dissolution and liquidation of the Partnership and subject to the provisions of Sections 5.2(c), 5.2(d), 5.3, 5.5 of this Agreement, distributions shall be made to the OP Unitholders in accordance with their respective Percentage Interests on the Partnership Record Date, provided that the aggregate distribution made hereunder to the Class T Unitholders and the Class W Unitholders shall be reduced by the respective aggregate Distribution Fee payable by the General Partner with respect to Class T REIT Shares and Class W REIT Shares with respect to such Record Date. In applying this Section 5.2(b), the amount distributed per Partnership Unit of any Class may differ from the amount per Partnership Unit of another Class on account of differences in Class-specific expense allocations with respect to REIT Shares as described in the Prospectus (and of corresponding special allocations among Classes of Partnership Units in accordance with Section 5.1(h) hereof) or for other reasons as determined by the board of directors of the General Partner. Any such differences shall correspond to differences in the amount of distributions per REIT Share for REIT Shares of different Classes, with the same adjustments being made to the amount of distributions per Partnership Unit for Partnership Units

of a particular Class as are made to the distributions per REIT Share by the General Partner with respect to REIT Shares having the same Class designation.

(c) Notwithstanding the foregoing, so long as the Advisory Agreement has not been terminated (including by means of non-renewal), the Special OP Unitholders shall be entitled to a distribution (the “Performance Allocation”), promptly following the end of each year (which shall accrue on a monthly basis) in an amount equal to:

(i) the lesser of (A) the amount equal to 12.5% of (1) the Annual Total Return Amount less (2) the Loss Carryforward, and (B) the amount equal to (x) the Annual Total Return Amount, less (y) the Loss Carryforward, less (z) the Hurdle Amount;

multiplied by:

(ii) the weighted-average number of Partnership Units outstanding during the applicable year, calculated in accordance with GAAP as applied on a consistent basis;

(iii) provided, that the Performance Allocation shall at no time be less than zero.

Except as described in the definition of Loss Carryforward in this Agreement, any amount by which the Annual Total Return Amount falls below the Hurdle Amount will not be carried forward to subsequent periods. If the Performance Allocation is distributable pursuant to this Section 5.2(c), the Special OP Unitholders shall be entitled to such distribution even in the event that the total percentage return to OP Unitholders over any longer or shorter period, or the total percentage return to any particular OP Unitholder over the same, longer or shorter period, has been less than the Annual Total Return Amount used to calculate the Hurdle Amount. The Special OP Unitholders shall not be obligated to return any portion of any Performance Allocation paid based on the General Partner’s or the Partnership’s subsequent performance.

If the Performance Allocation is being calculated with respect to a year in which the General Partner completes a Liquidity Event, for purposes of determining the Annual Total Return Amount, the change in VPU shall be deemed to equal the difference between the Ending VPU as of the end of the prior calendar year and the value per Partnership Unit determined in connection with such Liquidity Event. In connection with a Listing, for purposes of determining the Annual Total Return Amount, the change in VPU shall be deemed to equal the difference between the Ending VPU as of the end of the prior calendar year and an amount equal to the market value of the listed shares based upon the average closing price or, if the average closing price is not available, the average of the bid and asked prices, for the 30-day period beginning 90 days after such Listing. Upon a Liquidity Event other than a Listing, for purposes of determining the Annual Total Return Amount, the change in VPU shall be deemed to equal the difference between the Ending VPU as of the end of the prior calendar year and an amount equal to the consideration per Fund Interest received by holders of Fund Interests in connection with such Liquidity Event.

The Performance Allocation with respect to any calendar year is distributable after the completion of the NAV Calculations for December of such year. The

Performance Allocation shall be distributable for each calendar year in which the Advisory Agreement is in effect, even if the Advisory Agreement is in effect for a partial calendar year. If the Performance Allocation is distributable with respect to any partial calendar year, the Performance Allocation shall be calculated based on the annualized total return amount determined using the total return achieved for the period of such partial calendar year. In the event the Advisory Agreement is terminated or its term expires without renewal, the partial period Performance Allocation shall be calculated and due and distributable upon the date of such termination or non-renewal. In such event, for purposes of determining the Annual Total Return Amount, the change in VPU shall be based on a good faith estimate of what the NAV Calculations would be as of that date; provided, that, if the Advisory Agreement is terminated with respect to a Liquidity Event, the Performance Allocation will be due and distributable in connection with such Liquidity Event and the Annual Total Return Amount will be calculated as set forth in this Section 5.2(c).

In the event the Partnership commences a liquidation of its Assets during any calendar year, the Special OP Unitholders shall be distributed the Performance Allocation from the proceeds of the liquidation and the Performance Allocation shall be calculated at the end of the liquidation period prior to the distribution of the liquidation proceeds to the OP Unitholders. The calculation of the Performance Allocation for any partial year shall be calculated consistent with the applicable provisions of this Section 5.2(c).

At the election of the Special OP Unitholders, all or a portion of the Performance Allocation shall be paid instead to the Advisor as a fee as set forth in Paragraph 9(a) of the Advisory Agreement. If the Special OP Unitholders do not elect on or before the first day of a calendar year to have all or a portion of the Performance Allocation paid as a fee to the Advisor, then the Performance Allocation shall be distributable to the Special OP Unitholders as set forth in this Section 5.2(c).

The Performance Allocation may be payable in cash or as a distribution of Class I Units at the election of the Special OP Unitholders. If the Special OP Unitholders elect to receive such distributions in Class I Units, the Special OP Unitholders will receive the number of Class I Units that results from dividing an amount equal to the value of the Performance Allocation by the NAV per Class I Unit at the time of such distribution. If the Special OP Unitholders elect to receive such distributions in Class I Units, the Special OP Unitholders may request the Partnership to redeem such Class I Units from the Special OP Unitholders at any time thereafter pursuant to Section 8.5.

The measurement of the change in VPU for the purpose of calculating the Annual Total Return Amount is subject to adjustment by the board of directors of the General Partner to account for any dividend, split, recapitalization or any other similar change in the Partnership's capital structure or any distributions that the board of directors of the General Partner deems to be a return of capital if such changes are not already reflected in the Partnership's net assets.

The Partnership shall not calculate or accrue the Performance Allocation with respect to any year in which the General Partner has not determined an initial VPU in

accordance with the Valuation Procedures. The Performance Allocation shall be calculated and accrued beginning as of the General Partner's determination of an initial VPU in accordance with the Valuation Procedures and shall be calculated and accrued for periods thereafter. The Performance Allocation shall be calculated for the entire calendar year in which the General Partner determines an initial VPU and the Beginning VPU shall be deemed \$10.00 for purposes of the calculation.

(d) Notwithstanding any other provision of this Agreement, the General Partner is authorized to take any action that it determines to be necessary or appropriate to cause the Partnership to comply with any withholding requirements established under the Code or any other federal, state or local law including, without limitation, pursuant to Sections 1441, 1442, 1445 and 1446 of the Code. To the extent that the Partnership is required to withhold and pay over to any taxing authority any amount resulting from the allocation or distribution of income to any Partner or assignee (including by reason of Section 1446 of the Code), either (i) if the actual amount to be distributed to the Partner equals or exceeds the amount required to be withheld by the Partnership, the amount withheld shall be treated as a distribution of cash in the amount of such withholding to such Partner, or (ii) if the actual amount to be distributed to the Partner is less than the amount required to be withheld by the Partnership, the actual amount shall be treated as a distribution of cash in the amount of such withholding and the additional amount required to be withheld shall be treated as a loan (a "Partnership Loan") from the Partnership to the Partner on the day the Partnership pays over such amount to a taxing authority. A Partnership Loan shall be repaid through withholding by the Partnership with respect to subsequent distributions to the applicable Partner or assignee. In the event that a Limited Partner (a "Defaulting Limited Partner") fails to pay any amount owed to the Partnership with respect to the Partnership Loan within fifteen (15) days after demand for payment thereof is made by the Partnership on the Limited Partner, the General Partner, in its sole and absolute discretion, may elect to make the payment to the Partnership on behalf of such Defaulting Limited Partner. In such event, on the date of payment, the General Partner shall be deemed to have extended a loan (a "General Partner Loan") to the Defaulting Limited Partner in the amount of the payment made by the General Partner and shall succeed to all rights and remedies of the Partnership against the Defaulting Limited Partner as to that amount. Without limitation, the General Partner shall have the right to receive any distributions that otherwise would be made by the Partnership to the Defaulting Limited Partner until such time as the General Partner Loan has been paid in full, and any such distributions so received by the General Partner shall be treated as having been received by the Defaulting Limited Partner and immediately paid to the General Partner.

Any amounts treated as a Partnership Loan or a General Partner Loan pursuant to this Section 5.2(d) shall bear interest at the lesser of (i) the base rate on corporate loans at large United States money center commercial banks, as published from time to time in The Wall Street Journal, or (ii) the maximum lawful rate of interest on such obligation, such interest to accrue from the date the Partnership or the General Partner, as applicable, is deemed to extend the loan until such loan is repaid in full.

(e) In no event may a Partner receive a distribution of cash with respect to a Partnership Unit if such Partner is entitled to receive a cash distribution as the holder of record of a REIT Share for which all or part of such Partnership Unit has been or will be exchanged.

5.3 REIT Distribution Requirements. The General Partner shall use its commercially reasonable efforts to cause the Partnership to distribute amounts sufficient to enable the General Partner to make shareholder distributions that will allow the General Partner to (i) meet its distribution requirement for qualification as a REIT as set forth in Section 857 of the Code and (ii) avoid any federal income or excise tax liability imposed by the Code.

5.4 No Right to Distributions in Kind. No Partner shall be entitled to demand property other than cash in connection with any distributions by the Partnership.

5.5 Limitations on Return of Capital Contributions.

Notwithstanding any of the provisions of this Article 5, no Partner shall have the right to receive and the General Partner shall not have the right to make, a distribution that includes a return of all or part of a Partner's Capital Contributions, unless after giving effect to the return of a Capital Contribution, the sum of all Partnership liabilities, other than the liabilities to a Partner for the return of his Capital Contribution, does not exceed the fair market value of the Partnership's assets.

5.6 Distributions Upon Liquidation. Immediately before liquidation of the Partnership, Class T Units will automatically convert to Class I Units at the Class T Conversion Rate and Class W Units will automatically convert to Class I Units at the Class W Conversion Rate. Upon liquidation of the Partnership, after payment of, or adequate provision for, debts and obligations of the Partnership, including any Partner loans, and after distribution of any accrued Performance Allocation to the Special OP Unitholders, any remaining assets of the Partnership shall be distributed to all Partners in proportion to their respective positive Capital Account balances, determined after taking into account all allocations required to be made pursuant to Section 5.1 hereof and all prior distributions made pursuant to this Article 5, in compliance with Treasury Regulation Section 1.704-1(b)(2)(ii)(b)(2). Notwithstanding any other provision of this Agreement, the amount by which the value, as determined in good faith by the General Partner, of any property other than cash to be distributed in kind to the Partners exceeds or is less than the Carrying Value of such property shall, to the extent not otherwise recognized by the Partnership, be taken into account in computing Profit and Loss of the Partnership for purposes of crediting or charging the Capital Accounts of, and distributing proceeds to, the Partners, pursuant to this Agreement. To the extent deemed advisable by the General Partner, appropriate arrangements (including the use of a liquidating trust) may be made to assure that adequate funds are available to pay any contingent debts or obligations.

5.7 Substantial Economic Effect. It is the intent of the Partners that the allocations of Profit and Loss, under this Agreement have substantial economic effect (or be consistent with the Partners' interests in the Partnership in the case of the allocation of losses attributable to nonrecourse debt) within the meaning of Section 704(b) of the Code as interpreted by the Regulations promulgated pursuant thereto. Article 5 and other relevant provisions of this Agreement shall be interpreted in a manner consistent with such intent.

ARTICLE 6 RIGHTS, OBLIGATIONS AND POWERS OF THE GENERAL PARTNER

6.1 Management of the Partnership.

(a) Except as otherwise expressly provided in this Agreement, the General Partner shall have full, complete and exclusive discretion to manage and control the business of the Partnership for the purposes herein stated, and shall make all decisions affecting the business and assets of the Partnership. Subject to the restrictions specifically contained in this Agreement, the powers of the General Partner shall include, without limitation, the authority to take the following actions on behalf of the Partnership:

- (i) to acquire, purchase, own, operate, lease, dispose and exchange of any Assets, that the General Partner determines are necessary or appropriate or in the best interests of the business of the Partnership;
- (ii) to construct buildings and make other improvements on the properties owned or leased by the Partnership;
- (iii) to authorize, issue, sell, redeem or otherwise purchase any Partnership Interests or any securities (including secured and unsecured debt obligations of the Partnership, debt obligations of the Partnership convertible into any Class or series of Partnership Interests, or options, rights, warrants or appreciation rights relating to any Partnership Interests) of the Partnership;
- (iv) to borrow or lend money for the Partnership, issue or receive evidences of indebtedness in connection therewith, refinance, increase the amount of, modify, amend or change the terms of, or extend the time for the payment of, any such indebtedness, and secure such indebtedness by mortgage, deed of trust, pledge or other lien on the Partnership's assets;
- (v) to pay, either directly or by reimbursement, for all operating costs and general administrative expenses of the Partnership to third parties or to the General Partner or its Affiliates as set forth in this Agreement;
- (vi) to guarantee or become a co-maker of indebtedness of the General Partner or any Subsidiary thereof, refinance, increase the amount of, modify, amend or change the terms of, or extend the time for the payment of, any such guarantee or indebtedness, and secure such guarantee or indebtedness by mortgage, deed of trust, pledge or other lien on the Partnership's assets;

(vii) to use assets of the Partnership (including, without limitation, cash on hand) for any purpose consistent with this Agreement, including, without limitation, payment, either directly or by reimbursement, of all operating costs and general administrative expenses of the General Partner, the Partnership or any Subsidiary of either, to third parties or to the General Partner as set forth in this Agreement;

(viii) to lease all or any portion of any of the Partnership's assets, whether or not the terms of such leases extend beyond the termination date of the Partnership and whether or not any portion of the Partnership's assets so leased are to be occupied by the lessee, or, in turn, subleased in whole or in part to others, for such consideration and on such terms as the General Partner may determine;

(ix) to prosecute, defend, arbitrate, or compromise any and all claims or liabilities in favor of or against the Partnership, on such terms and in such manner as the General Partner may reasonably determine, and similarly to prosecute, settle or defend litigation with respect to the Partners, the Partnership, or the Partnership's assets;

(x) to file applications, communicate, and otherwise deal with any and all governmental agencies having jurisdiction over, or in any way affecting, the Partnership's assets or any other aspect of the Partnership business;

(xi) to make or revoke any election permitted or required of the Partnership by any taxing authority;

(xii) to maintain such insurance coverage for public liability, fire and casualty, and any and all other insurance for the protection of the Partnership, for the conservation of Partnership assets, or for any other purpose convenient or beneficial to the Partnership, in such amounts and such types, as it shall determine from time to time;

(xiii) to determine whether or not to apply any insurance proceeds for any property to the restoration of such property or to distribute the same;

(xiv) to establish one or more divisions of the Partnership, to hire and dismiss employees of the Partnership or any division of the Partnership, and to retain legal counsel, accountants, consultants, real estate brokers, and such other persons, as the General Partner may deem necessary or appropriate in connection with the Partnership business and to pay therefor such remuneration as the General Partner may deem reasonable and proper;

(xv) to retain other services of any kind or nature in connection with the Partnership business, and to pay therefor such remuneration as the General Partner may deem reasonable and proper;

(xvi) to negotiate and conclude agreements on behalf of the Partnership with respect to any of the rights, powers and authority conferred upon the General Partner;

(xvii) to maintain accurate accounting records and to file promptly all federal, state and local income tax returns on behalf of the Partnership;

(xviii) to distribute Partnership cash or other Partnership assets in accordance with this Agreement;

(xix) to form or acquire an interest in, and contribute property to, any further limited or general partnerships, joint ventures or other relationships that it deems desirable (including, without limitation, the acquisition of interests in, and the contributions of property to, its Subsidiaries and any other Person in which it has an equity interest from time to time);

(xx) to establish Partnership reserves for working capital, capital expenditures, contingent liabilities, or any other valid Partnership purpose;

(xxi) to merge, consolidate or combine the Partnership with or into another Person;

(xxii) to do any and all acts and things necessary or prudent to ensure that the Partnership will not be classified as a "publicly traded partnership" for purposes of Section 7704 of the Code; and

(xxiii) to take such other action, execute, acknowledge, swear to or deliver such other documents and instruments, and perform any and all other acts that the General Partner deems necessary or appropriate for the formation, continuation and conduct of the business and affairs of the Partnership (including, without limitation, all actions consistent with allowing the General Partner at all times to qualify as a REIT unless the General Partner voluntarily terminates its REIT status) and to possess and enjoy all of the rights and powers of a general partner as provided by the Act.

(b) Except as otherwise provided herein, to the extent the duties of the General Partner require expenditures of funds to be paid to third parties, the General Partner shall not have any obligations hereunder except to the extent that partnership funds are reasonably available to it for the performance of such duties, and nothing herein contained shall be deemed to authorize or require the General Partner, in its capacity as such, to expend its individual funds for payment to third parties or to undertake any individual liability or obligation on behalf of the Partnership.

6.2 Delegation of Authority. The General Partner may delegate any or all of its powers, rights and obligations hereunder, and may appoint, employ, contract or otherwise deal with any Person for the transaction of the business of the Partnership, which Person may, under supervision of the General Partner, perform any acts or services for the Partnership as the General Partner may approve.

6.3 Indemnification and Exculpation of Indemnitees .

(a) The Partnership shall indemnify an Indemnitee from and against any and all losses, claims, damages, liabilities, joint or several, expenses (including reasonable legal fees and expenses), judgments, fines, settlements, and other amounts arising from any and all claims, demands, actions, suits or proceedings, civil, criminal, administrative or investigative, that relate to the operations of the Partnership as set forth in this Agreement in which any Indemnitee may be involved, or is threatened to be involved, as a party or otherwise, unless it is established that: (i) the act or omission of the Indemnitee was material to the matter giving rise to the proceeding and either was committed in bad faith or was the result of active and deliberate dishonesty; (ii) the Indemnitee actually received an improper personal benefit in money, property or services; or (iii) in the case of any criminal proceeding, the Indemnitee had reasonable cause to believe that the act or omission was unlawful. Any indemnification pursuant to this Section 6.3 shall be made only out of the assets of the Partnership.

(b) The Partnership shall reimburse an Indemnitee for reasonable expenses incurred by an Indemnitee who is a party to a proceeding in advance of the final disposition of the proceeding upon receipt by the Partnership of (i) a written affirmation by the Indemnitee of the Indemnitee's good faith belief that the standard of conduct necessary for indemnification by the Partnership as authorized in this Section 6.3 has been met, and (ii) a written undertaking by or on behalf of the Indemnitee to repay the amount if it shall ultimately be determined that the standard of conduct has not been met.

(c) The indemnification provided by this Section 6.3 shall be in addition to any other rights to which an Indemnitee or any other Person may be entitled under any agreement, pursuant to any vote of the Partners, as a matter of law or otherwise, and shall continue as to an Indemnitee who has ceased to serve in such capacity.

(d) The Partnership may purchase and maintain insurance, on behalf of the Indemnitees and such other Persons as the General Partner shall determine, against any liability that may be asserted against or expenses that may be incurred by such Person in connection with the Partnership's activities, regardless of whether the Partnership would have the power to indemnify such Person against such liability under the provisions of this Agreement.

(e) For purposes of this Section 6.3, the Partnership shall be deemed to have requested an Indemnitee to serve as fiduciary of an employee benefit plan whenever the performance by it of its duties to the Partnership also imposes duties on, or otherwise involves services by, it to the plan or participants or beneficiaries of the plan; excise taxes assessed on an Indemnitee with respect to an employee benefit plan pursuant to applicable law shall constitute fines within the meaning of this Section 6.3; and actions taken or omitted by the Indemnitee with respect to an employee benefit plan in the performance of its duties for a purpose reasonably believed by it to be in the interest of the participants and beneficiaries of the plan shall be deemed to be for a purpose which is not opposed to the best interests of the Partnership.

(f) In no event may an Indemnitee subject the Limited Partners to personal liability by reason of the indemnification provisions set forth in this Agreement.

(g) An Indemnitee shall not be denied indemnification in whole or in part under this Section 6.3 because the Indemnitee had an interest in the transaction with respect to which the indemnification applies if the transaction was otherwise permitted by the terms of this Agreement.

(h) The provisions of this Section 6.3 are for the benefit of the Indemnitees, their heirs, successors, assigns and administrators and shall not be deemed to create any rights for the benefit of any other Persons.

(i) Notwithstanding the foregoing, the Partnership may not indemnify or hold harmless an Indemnitee for any liability or loss unless all of the following conditions are met: (i) the Indemnitee has determined, in good faith, that the course of conduct that caused the loss or liability was in the best interests of the Partnership; (ii) the Indemnitee was acting on behalf of or performing services for the Partnership; (iii) the liability or loss was not the result of (A) negligence or misconduct, in the case that the Indemnitee is a director of the General Partner (other than an Independent Director), the Advisor or an Affiliate of the Advisor or (B) gross negligence or willful misconduct, in the case that the Indemnitee is an Independent Director; and (iv) the indemnification or agreement to hold harmless is recoverable only out of net assets of the Partnership. In addition, the Partnership shall not provide indemnification for any loss, liability or expense arising from or out of an alleged violation of federal or state securities laws by such party unless one or more of the following conditions are met: (i) there has been a successful adjudication on the merits of each count involving alleged securities law violations as to the Indemnitee; (ii) such claims have been dismissed with prejudice on the merits by a court of competent jurisdiction as to the Indemnitee; or (iii) a court of competent jurisdiction approves a settlement of the claims against the Indemnitee and finds that indemnification of the settlement and the related costs should be made, and the court considering the request for indemnification has been advised of the position of the Commission and of the published position of any state securities regulatory authority in which Securities were offered or sold as to indemnification for violations of securities laws.

6.4 Liability of the General Partner .

(a) Notwithstanding anything to the contrary set forth in this Agreement, the General Partner shall not be liable for monetary damages to the Partnership or any Partners for losses sustained or liabilities incurred as a result of errors in judgment or of any act or omission if the General Partner acted in good faith. The General Partner shall not be in breach of any duty that the General Partner may owe to the Limited Partners or the Partnership or any other Persons under this Agreement or of any duty stated or implied by law or equity provided the General Partner, acting in good faith, abides by the terms of this Agreement.

(b) The Limited Partners expressly acknowledge that the General Partner is acting on behalf of the Partnership, itself and its shareholders collectively, that the General Partner is under no obligation to consider the separate interests of the Limited Partners (including, without limitation, the tax consequences to Limited Partners or the tax consequences of some, but not all, of the Limited Partners) in deciding whether to cause the Partnership to take (or decline to take) any actions. In the event of a conflict between the interests of its shareholders on one hand and the Limited Partners on the other, the General Partner shall

endeavor in good faith to resolve the conflict in a manner not adverse to either its shareholders or the Limited Partners; provided, however, that for so long as the General Partner directly owns a controlling interest in the Partnership, any such conflict that the General Partner, in its sole and absolute discretion, determines cannot be resolved in a manner not adverse to either its shareholders or the Limited Partner shall be resolved in favor of the shareholders. The General Partner shall not be liable for monetary damages for losses sustained, liabilities incurred, or benefits not derived by Limited Partners in connection with such decisions, provided that the General Partner has acted in good faith.

(c) Subject to its obligations and duties as General Partner set forth in Section 6.1 hereof, the General Partner may exercise any of the powers granted to it under this Agreement and perform any of the duties imposed upon it hereunder either directly or by or through its agents. The General Partner shall not be responsible for any misconduct or negligence on the part of any such agent appointed by it in good faith.

(d) Notwithstanding any other provisions of this Agreement or the Act, any action of the General Partner on behalf of the Partnership or any decision of the General Partner to refrain from acting on behalf of the Partnership, undertaken in the good faith belief that such action or omission is necessary or advisable in order (i) to protect the ability of the General Partner to continue to qualify as a REIT or (ii) to prevent the General Partner from incurring any taxes under Section 857, Section 4981, or any other provision of the Code, is expressly authorized under this Agreement and is deemed approved by all of the Limited Partners.

(e) Any amendment, modification or repeal of this Section 6.4 or any provision hereof shall be prospective only and shall not in any way affect the limitations on the General Partner's liability to the Partnership and the Limited Partners under this Section 6.4 as in effect immediately prior to such amendment, modification or repeal with respect to matters occurring, in whole or in part, prior to such amendment, modification or repeal, regardless of when claims relating to such matters may arise or be asserted.

6.5 Reimbursement of General Partner.

(a) Except as provided in this Section 6.5 and elsewhere in this Agreement (including the provisions of Articles 5 and 6 regarding distributions, payments, and allocations to which it may be entitled), the General Partner shall not be compensated for its services as general partner of the Partnership.

(b) The General Partner shall be reimbursed on a monthly basis, or such other basis as the General Partner may determine in its sole and absolute discretion, for all Administrative Expenses incurred by the General Partner.

6.6 Outside Activities. Subject to (a) Section 6.8 hereof, (b) the Charter and (c) any agreements entered into by the General Partner or its Affiliates with the Partnership, a Subsidiary or any officer, director, employee, agent, trustee, Affiliate or shareholder of the General Partner, the General Partner shall be entitled to and may have business interests and engage in business activities in addition to those relating to the Partnership, including business interests and activities substantially similar or identical to those of the Partnership. Neither the Partnership nor any of the Limited Partners shall have any rights by virtue of this Agreement in any such business ventures, interests or activities. None of the Limited Partners nor any other Person shall have any rights by virtue of this Agreement or the partnership relationship established hereby in any such business ventures, interests or activities, and the General Partner shall have no obligation pursuant to this Agreement to offer any interest in any such business ventures, interests and activities to the Partnership or any Limited Partner, even if such opportunity is of a character which, if presented to the Partnership or any Limited Partner, could be taken by such Person.

6.7 Employment or Retention of Affiliates.

(a) Any Affiliate of the General Partner may be employed or retained by the Partnership and may otherwise deal with the Partnership (whether as a buyer, lessor, lessee, manager, furnisher of goods or services, broker, agent, lender or otherwise) and may receive from the Partnership any compensation, price, or other payment therefor which the General Partner determines to be fair and reasonable.

(b) The Partnership may lend or contribute to its Subsidiaries or other Persons in which it has an equity investment, and such Persons may borrow funds from the Partnership, on terms and conditions established in the sole and absolute discretion of the General Partner. The foregoing authority shall not create any right or benefit in favor of any Subsidiary or any other Person.

(c) The Partnership may transfer assets to joint ventures, other partnerships, corporations or other business entities in which it is or thereby becomes a participant upon such terms and subject to such conditions as the General Partner deems are consistent with this Agreement, applicable law and the REIT status of the General Partner.

(d) Except as expressly permitted by this Agreement, neither the General Partner nor any of its Affiliates shall sell, transfer or convey any property to, or purchase any property from, the Partnership, directly or indirectly, except pursuant to transactions that are, in the General Partner's sole discretion, on terms that are fair and reasonable to the Partnership.

6.8 General Partner Participation. The General Partner agrees that all business activities of the General Partner, including activities pertaining to the acquisition, development or ownership of any Asset shall be conducted through the Partnership or one or more Subsidiary Partnerships; provided, however, that the General Partner is allowed to make a direct acquisition, but if and only if, such acquisition is made in connection with the issuance of Additional Securities, which direct acquisition and issuance have been approved and determined to be in the best interests of the General Partner and the Partnership by a majority of the Independent Directors.

6.9 Title to Partnership Assets. Title to Partnership assets, whether real, personal or mixed and whether tangible or intangible, shall be deemed to be owned by the Partnership as an entity, and no Partner, individually or collectively, shall have any ownership interest in such Partnership assets or any portion thereof. Title to any or all of the Partnership assets may be held in the name of the Partnership, the General Partner or one or more nominees, as the General Partner may determine, including Affiliates of the General Partner. The General Partner hereby declares and warrants that any Partnership assets for which legal title is held in the name of the General Partner or any nominee or Affiliate of the General Partner shall be held by the General Partner for the use and benefit of the Partnership or one or more Subsidiary Partnerships in accordance with the provisions of this Agreement; provided, however, that the General Partner shall use its commercially reasonable efforts to cause beneficial and record title to such assets to be vested in the Partnership as soon as reasonably practicable. All Partnership assets shall be recorded as the property of the Partnership in its books and records, irrespective of the name in which legal title to such Partnership assets is held.

6.10 Redemptions and Exchanges of REIT Shares.

(a) *Redemptions*. In the event the General Partner redeems any REIT Shares (other than REIT Shares redeemed in accordance with the share redemption program of the General Partner through proceeds received from the General Partner's distribution reinvestment plan), then the General Partner shall cause the Partnership to purchase from the General Partner a number of Partnership Units as determined based on the application of the Conversion Factor on the same terms that the General Partner redeemed such REIT Shares. Moreover, if the General Partner makes a cash tender offer or other offer to acquire REIT Shares, then the General Partner shall cause the Partnership to make a corresponding offer to the General Partner to acquire an equal number of Partnership Units held by the General Partner that have the same Class designation as the REIT Shares that are subject to the offer. In the event any REIT Shares are redeemed by the General Partner pursuant to such offer, the Partnership shall redeem an equivalent number of the General Partner's Partnership Units having the same Class designation as the redeemed REIT Shares for an equivalent purchase price based on the application of the Conversion Factor.

(b) *Exchanges*. If the General Partner exchanges any REIT Shares of any Class ("Exchanged REIT Shares") for REIT Shares of a different Class ("Received REIT Shares"), then the General Partner shall, and shall cause the Partnership to, exchange a number of Partnership Units having the same Class designation as the Exchanged REIT Shares, as determined based on the application of the Conversion Factor, for Partnership Units having the same Class designation as the Received REIT Shares on the same terms that the General Partner

exchanged the Exchanged REIT Shares. The exchange of Units shall occur automatically after the close of business on the applicable date of the exchange of REIT Shares, as of which time the holder of a Class of Units having the same designation as the Exchanged REIT Shares shall be credited on the books and records of the Partnership with the issuance, as of the opening of business on the next day, of the applicable number of Units having the same designation as the Received REIT Shares.

6.11 No Duplication of Fees or Expenses. The Partnership may not incur or be responsible for any fee or expense (in connection with the Offering or otherwise) that would be duplicative of fees and expenses paid by the General Partner.

ARTICLE 7 CHANGES IN GENERAL PARTNER

7.1 Transfer of the General Partner's Partnership Interest.

(a) The General Partner shall not transfer all or any portion of its General Partnership Interest or withdraw as General Partner except as provided in, or in connection with a transaction contemplated by, Section 7.1(c), (d) or (e).

(b) The General Partner agrees that its Percentage Interest will at all times be in the aggregate, at least 0.1%.

(c) Except as otherwise provided in Section 6.4(b) or Section 7.1(d) or (e) hereof, the General Partner shall not engage in any merger, consolidation or other combination with or into another Person or sale of all or substantially all of its assets (other than in connection with a change in the General Partner's state of incorporation or organizational form) in each case which results in a change of Control of the General Partner (a "Transaction"), unless:

(i) the consent of Limited Partners holding more than 50% of the Percentage Interests and more than 50% of the Special Percentage Interests of the Limited Partners is obtained;

(ii) as a result of such Transaction all Limited Partners will receive or have the right to receive for each Partnership Unit of each Class (other than the Special Units) an amount of cash, securities, or other property equal to the product of the Conversion Factor and the greatest amount of cash, securities or other property paid in the Transaction to a holder of one REIT Share having the same Class designation as the Partnership Unit in consideration of such REIT Share, provided that if, in connection with the Transaction, a purchase, tender or exchange offer ("Offer") shall have been made to and accepted by the holders of more than 50% of the outstanding REIT Shares, each holder of Partnership Units shall be given the option to exchange its Partnership Units for the greatest amount of cash, securities, or other property which a Limited Partner holding Partnership Units would have received had it (A) exercised its Redemption Right and (B) sold, tendered or exchanged pursuant to the Offer the REIT Shares received upon exercise of the Redemption Right immediately prior to the expiration of the Offer; or

(iii) the General Partner is the surviving entity in the Transaction and either (A) the holders of REIT Shares do not receive cash, securities, or other property in the Transaction or (B) all Limited Partners (other than the General Partner or any Subsidiary) have the right to receive in exchange for their Partnership Units of each Class (other than the Special Units), an amount of cash, securities, or other property (expressed as an amount per REIT Share) that is no less than the product of the Conversion Factor and the greatest amount of cash, securities, or other property (expressed as an amount per REIT Share) received in the Transaction by any holder of REIT Shares having the same Class designation as the Partnership Units being exchanged.

(d) Notwithstanding Section 7.1(c), the General Partner may merge with or into or consolidate with another entity if immediately after such merger or consolidation (i) substantially all of the assets of the successor or surviving entity (the "Survivor"), other than Partnership Units held by the General Partner, are contributed, directly or indirectly, to the Partnership as a Capital Contribution in exchange for Partnership Units with a fair market value equal to the value of the assets so contributed as determined by the Survivor in good faith and (ii) the Survivor expressly agrees to assume all obligations of the General Partner, as appropriate, hereunder. Upon such contribution and assumption, the Survivor shall have the right and duty to amend this Agreement as set forth in this Section 7.1(d). The Survivor shall in good faith arrive at a new method for the calculation of the Cash Amount, the REIT Shares Amount and Conversion Factor for a Partnership Unit after any such merger or consolidation so as to approximate the existing method for such calculation as closely as reasonably possible. Such calculation shall take into account, among other things, the kind and amount of securities, cash and other property that was receivable upon such merger or consolidation by a holder of REIT Shares of each Class or options, warrants or other rights relating thereto, and which a holder of Partnership Units of any Class could have acquired had such Partnership Units been exchanged immediately prior to such merger or consolidation. Such amendment to this Agreement shall provide for adjustment to such method of calculation, which shall be as nearly equivalent as may be practicable to the adjustments provided for with respect to the Conversion Factor. The Survivor also shall in good faith modify the definition of REIT Shares and make such amendments to Section 8.5 so as to approximate the existing rights and obligations set forth in Section 8.5 as closely as reasonably possible. The above provisions of this Section 7.1(d) shall similarly apply to successive mergers or consolidations permitted hereunder.

(e) Notwithstanding Section 7.1(c),

(i) a General Partner may transfer all or any portion of its General Partnership Interest to (A) a wholly-owned Subsidiary of such General Partner or (B) the owner of all of the ownership interests of such General Partner, and following a transfer of all of its General Partnership Interest, may withdraw as General Partner; and

(ii) the General Partner may engage in any transaction that is not required to be submitted to the vote of the holders of the REIT Shares by (A) law or (B) the rules of any national securities exchange on which one or more Classes of REIT Shares are Listed.

7.2 Admission of a Substitute or Additional General Partner. A Person shall be admitted as a substitute or additional General Partner of the Partnership only if the following terms and conditions are satisfied:

(a) the Person to be admitted as a substitute or additional General Partner shall have accepted and agreed to be bound by all the terms and provisions of this Agreement by executing a counterpart thereof and such other documents or instruments as may be required or appropriate in order to effect the admission of such Person as a General Partner, and a certificate evidencing the admission of such Person as a General Partner shall have been filed for recordation and all other actions required by Section 2.5 hereof in connection with such admission shall have been performed;

(b) if the Person to be admitted as a substitute or additional General Partner is a corporation or a partnership it shall have provided the Partnership with evidence satisfactory to counsel for the Partnership of such Person's authority to become a General Partner and to be bound by the terms and provisions of this Agreement; and

(c) counsel for the Partnership shall have rendered an opinion (relying on such opinions from other counsel and the state or any other jurisdiction as may be necessary) that (x) the admission of the person to be admitted as a substitute or additional General Partner is in conformity with the Act and (y) none of the actions taken in connection with the admission of such Person as a substitute or additional General Partner will cause (i) the Partnership to be classified other than as a partnership for federal tax purposes, or (ii) the loss of any Limited Partner's limited liability.

7.3 Effect of Bankruptcy, Withdrawal, Death or Dissolution of a General Partner.

(a) Upon the occurrence of an Event of Bankruptcy as to the sole remaining General Partner (and its removal pursuant to Section 7.4(a) hereof) or the death, withdrawal, deemed removal or dissolution of the sole remaining General Partner (except that, if the sole remaining General Partner is on the date of such occurrence a partnership, the withdrawal, death, dissolution, Event of Bankruptcy as to, or removal of a partner in, such partnership shall be deemed not to be a dissolution of such General Partner if the business of such General Partner is continued by the remaining partner or partners), the Partnership shall be dissolved and terminated unless the Partnership is continued pursuant to Section 7.3(b) hereof. The merger of the General Partner with or into any entity that is admitted as a substitute or successor General Partner pursuant to Section 7.2 hereof shall not be deemed to be the withdrawal, dissolution or removal of the General Partner.

(b) Following the occurrence of an Event of Bankruptcy as to the sole remaining General Partner (and its removal pursuant to Section 7.4(a) hereof) or the death, withdrawal, removal or dissolution of the sole remaining General Partner (except that, if a General Partner is, on the date of such occurrence, a partnership, the withdrawal of, death, dissolution, Event of Bankruptcy as to, or removal of a partner in, such partnership shall be deemed not to be a dissolution of such General Partner if the business of such General Partner is continued by the remaining partner or partners), the Limited Partners, within ninety (90) days

after such occurrence, may elect to continue the business of the Partnership for the balance of the term specified in Section 2.4 hereof by selecting, subject to Section 7.2 hereof and any other provisions of this Agreement, a substitute General Partner by consent of a majority in interest of the Limited Partners. If the Limited Partners elect to continue the business of the Partnership and admit a substitute General Partner, the relationship with the Partners and of any Person who has acquired an interest of a Partner in the Partnership shall be governed by this Agreement.

7.4 Removal of a General Partner.

(a) Upon the occurrence of an Event of Bankruptcy as to, or the dissolution of, a General Partner, such General Partner shall be deemed to be removed automatically; provided, however, that if a General Partner is on the date of such occurrence a partnership, the withdrawal, death or dissolution of, Event of Bankruptcy as to, or removal of, a partner in, such partnership shall be deemed not to be a dissolution of the General Partner if the business of such General Partner is continued by the remaining partner or partners. The Limited Partners may not remove the General Partner, with or without cause.

(b) If a General Partner has been removed pursuant to this Section 7.4 and the Partnership is continued pursuant to Section 7.3 hereof, such General Partner shall promptly transfer and assign its General Partnership Interest in the Partnership to the substitute General Partner approved by a majority in interest of the Limited Partners in accordance with Section 7.3(b) hereof and otherwise admitted to the Partnership in accordance with Section 7.2 hereof. At the time of assignment, the removed General Partner shall be entitled to receive from the substitute General Partner the fair market value of the General Partnership Interest of such removed General Partner as reduced by any damages caused to the Partnership by such General Partner. Such fair market value shall be determined by an appraiser mutually agreed upon by the General Partner and a majority in interest of the Limited Partners within ten (10) days following the removal of the General Partner. In the event that the parties are unable to agree upon an appraiser, the removed General Partner and a majority in interest of the Limited Partners each shall select an appraiser. Each such appraiser shall complete an appraisal of the fair market value of the removed General Partner's General Partnership Interest within thirty (30) days of the General Partner's removal, and the fair market value of the removed General Partner's General Partnership Interest shall be the average of the two appraisals; provided, however, that if the higher appraisal exceeds the lower appraisal by more than 20% of the amount of the lower appraisal, the two appraisers, no later than forty (40) days after the removal of the General Partner, shall select a third appraiser who shall complete an appraisal of the fair market value of the removed General Partner's General Partnership Interest no later than sixty (60) days after the removal of the General Partner. In such case, the fair market value of the removed General Partner's General Partnership Interest shall be the average of the two appraisals closest in value.

(c) The General Partnership Interest of a removed General Partner, until transfer under Section 7.4(b), shall be converted to that of a special Limited Partner; provided, however, such removed General Partner shall not have any rights to participate in the management and affairs of the Partnership, and shall not be entitled to any portion of the income, expense, profit, gain or loss allocations or cash distributions allocable or payable, as the case may be, to the Limited Partners. Instead, such removed General Partner shall receive and be

entitled only to retain distributions or allocations of such items that it would have been entitled to receive in its capacity as General Partner, until the transfer is effective pursuant to Section 7.4(b).

(d) All Partners shall have given and hereby do give such consents, shall take such actions and shall execute such documents as shall be legally necessary, desirable and sufficient to effect all the foregoing provisions of this Section.

ARTICLE 8 RIGHTS AND OBLIGATIONS OF THE LIMITED PARTNERS

8.1 Management of the Partnership. The Limited Partners shall not participate in the management or control of Partnership business nor shall they transact any business for the Partnership, nor shall they have the power to sign for or bind the Partnership, such powers being vested solely and exclusively in the General Partner.

8.2 Power of Attorney. Each Limited Partner hereby irrevocably appoints the General Partner its true and lawful attorney-in-fact, who may act for each Limited Partner and in its name, place and stead, and for its use and benefit, to sign, acknowledge, swear to, deliver, file or record, at the appropriate public offices, any and all documents, certificates, and instruments as may be deemed necessary or desirable by the General Partner to carry out fully the provisions of this Agreement and the Act in accordance with their terms, which power of attorney is coupled with an interest and shall survive the death, dissolution or legal incapacity of the Limited Partner, or the transfer by the Limited Partner of any part or all of its Partnership Interest.

8.3 Limitation on Liability of Limited Partners. No Limited Partner shall be liable for any debts, liabilities, contracts or obligations of the Partnership. A Limited Partner shall be liable to the Partnership only to make payments of its Capital Contribution, if any, as and when due hereunder. After its Capital Contribution is fully paid, no Limited Partner shall, except as otherwise required by the Act, be required to make any further Capital Contributions or other payments or lend any funds to the Partnership.

8.4 Ownership by Limited Partner of Corporate General Partner or Affiliate. No Limited Partner shall at any time, either directly or indirectly, own any stock or other interest in the General Partner or in any Affiliate thereof, if such ownership by itself or in conjunction with other stock or other interests owned by other Limited Partners would, in the opinion of counsel for the Partnership, jeopardize the classification of the Partnership as a partnership for federal tax purposes. The General Partner shall be entitled to make such reasonable inquiry of the Limited Partners as is required to establish compliance by the Limited Partners with the provisions of this Section.

8.5 Redemption Right .

(a) Subject to Sections 8.5(b), 8.5(c), 8.5(d), 8.5(e) and 8.5(f) and the provisions of any agreements between the Partnership and one or more Limited Partners with respect to Partnership Units held by them, each Limited Partner, other than the General Partner, shall, after holding their Partnership Units for at least one year, have the right (subject to the terms and conditions set forth herein) to require the Partnership to redeem (a "Redemption") all

or a portion of the Partnership Units (other than Special Units), held by such Limited Partner in exchange (a “Redemption Right”) for REIT shares having the same Class designation as the Partnership Units subject to the Redemption Right, issuable on, or the Cash Amount payable on, the Specified Redemption Date, as determined by the General Partner in its sole discretion, provided that such Partnership Units (the “Tendered Units”) shall have been outstanding for at least one year. Any Redemption Right shall be exercised pursuant to a Notice of Redemption delivered to the Partnership (with a copy to the General Partner) by the Limited Partner exercising the Redemption Right (the “Tendering Party”). Notwithstanding the foregoing, the Special OP Unitholders and the Advisor shall have the right to require the Partnership to redeem all or a portion of their Partnership Units pursuant to this Section 8.5 at any time irrespective of the period the Partnership Units have been held by the Special OP Unitholders or the Advisor. The Partnership shall redeem any such Partnership Units of the Special OP Unitholders or the Advisor for the Cash Amount unless the board of directors of the General Partner determines that any such redemption for cash would be prohibited by applicable law or this Agreement, in which case such Partnership Units will be redeemed for an amount of REIT Shares having the same Class designation as the Tendered Units with an aggregate NAV equivalent to the aggregate NAV of such Partnership Units. No Limited Partner, other than the Special OP Unitholders and the Advisor, may deliver more than two Notices of Redemption during each calendar year. A Limited Partner other than the Special OP Unitholders and the Advisor may not exercise the Redemption Right for less than 1,000 Partnership Units or, if such Limited Partner holds less than 1,000 Partnership Units, all of the Partnership Units held by such Partner. The Tendering Party shall have no right, with respect to any Partnership Units so redeemed, to receive any distribution paid with respect to Partnership Units if the record date for such distribution is on or after the Specified Redemption Date.

(b) If the General Partner elects to redeem Tendered Units for REIT Shares having the same Class designation as the Tendered Units rather than cash, then the Partnership shall direct the General Partner to issue and deliver such REIT Shares to the Tendering Party pursuant to the terms set forth in this Section 8.5(b), in which case, (i) the General Partner, acting as a distinct legal entity, shall assume directly the obligation with respect thereto and shall satisfy the Tendering Party’s exercise of its Redemption Right, and (ii) such transaction shall be treated, for federal income tax purposes, as a transfer by the Tendering Party of such Tendered Units to the General Partner in exchange for REIT shares. The percentage of the Tendered Units tendered for Redemption by the Tendering Party for which the General Partner elects to issue REIT Shares (rather than cash) is referred to as the “Applicable Percentage.” In making such election to acquire Tendered Units, the Partnership shall act in a fair, equitable and reasonable manner that neither prefers one group or class of Limited Partners over another nor discriminates against a group or class of Limited Partners. If the Partnership elects to redeem any number of Tendered Units for REIT Shares, rather than cash, on the Specified Redemption Date, the Tendering Party shall sell such number of the Tendered Units to the General Partner in exchange for a number of REIT Shares having the same Class designation as the Tendered Units equal to the product of the REIT Shares Amount and the Applicable Percentage. The product of the Applicable Percentage and the REIT Shares Amount, if applicable, shall be delivered by the General Partner as duly authorized, validly issued, fully paid and accessible REIT Shares having the same Class designation as the Tendered Units, free of any pledge, lien, encumbrance or restriction, other than the Ownership Limit (as calculated in accordance with the Charter) and other restrictions provided in the Charter, the bylaws of the

General Partner, the Securities Act and relevant state securities or “blue sky” laws. Notwithstanding the provisions of Section 8.5(a) and this Section 8.5(b), the Tendering Parties shall have no rights under this Agreement that would otherwise be prohibited under the Charter.

(c) In connection with an exercise of Redemption Rights pursuant to this Section 8.5, the Tendering Party shall submit the following to the General Partner, in addition to the Notice of Redemption:

(1) A written affidavit, dated the same date as the Notice of Redemption, (a) disclosing the actual and constructive ownership, as determined for purposes of Code Sections 856(a)(6) and 856(h), of REIT Shares by (i) such Tendering Party and (ii) any Related Party and (b) representing that, after giving effect to the Redemption, neither the Tendering Party nor any Related Party will own REIT Shares in excess of the Ownership Limit (or, if applicable the Excepted Holder Limit);

(2) A written representation that neither the Tendering Party nor any Related Party has any intention to acquire any additional REIT Shares prior to the closing of the Redemption on the Specified Redemption Date;

(3) An undertaking to certify, at and as a condition to the closing of the Redemption on the Specified Redemption Date, that either (a) the actual and constructive ownership of REIT Shares by the Tendering Party and any Related Party remain unchanged from that disclosed in the affidavit required by Section 8.5(c)(1) or (b) after giving effect to the Redemption, neither the Tendering Party nor any Related Party shall own REIT Shares in violation of the Ownership Limit (or, if applicable, the Excepted Holder Limit);

(4) With respect to any Cash Amount to be received by a Tendering Party, a waiver and release in a form acceptable to the General Partner; and

(5) Any other documents as the General Partner may reasonably require.

(d) Any Cash Amount to be paid to a Tendering Party pursuant to this Section 8.5 shall be paid on the Specified Redemption Date; provided, however, that the General Partner may elect to cause the Specified Redemption Date to be delayed for up to an additional 180 days to the extent required for the General Partner to provide financing to be used to make such payment of the Cash Amount, by causing the issuance of additional REIT Shares or otherwise. Notwithstanding the foregoing, the General Partner agrees to use its commercially reasonable efforts to cause the closing of the acquisition of Tendered Units hereunder to occur as quickly as reasonably possible.

(e) Notwithstanding any other provision of this Agreement, the General Partner shall place appropriate restrictions on the ability of the Limited Partners to exercise their Redemption Rights to prevent, among other things, (a) any person from owning shares in excess of the Common Share Ownership Limit, the Aggregate Share Ownership Limit and the Excepted Holder Limit, (b) the General Partner’s common stock from being owned by less than 100 persons, the General Partner from being “closely held” within the meaning of

section 856(h) of the Code, and as and if deemed necessary to ensure that the Partnership does not constitute a “publicly traded partnership” under section 7704 of the Code. If and when the General Partner determines that imposing such restrictions is necessary, the General Partner shall give prompt written notice thereof to each of the Limited Partners holding Partnership Units, which notice shall be accompanied by a copy of an opinion of counsel to the Partnership which states that, in the opinion of such counsel, restrictions are necessary in order to avoid having the Partnership be treated as a “publicly traded partnership” under section 7704 of the Code.

(f) A redemption fee may be charged (other than to the Advisor, Special OP Unitholders and their respective affiliates) in connection with an exercise of Redemption Rights pursuant to this Section 8.5.

8.6 Registration. Subject to the terms of any agreement between the General Partner and one or more Limited Partners with respect to Partnership Units held by them:

(a) *Listing on Securities Exchange*. If the General Partner shall list or maintain the listing of any REIT Shares on any securities exchange or national market system, it will at its expense and as necessary to permit the registration and sale of the REIT Shares that may be issued upon redemption of Partnership Units pursuant to Section 8.5 hereof (the “Redemption Shares”) hereunder, list thereon, maintain and, when necessary, increase such listing to include such Redemption Shares.

(b) *Registration Not Required*. Notwithstanding the foregoing, the General Partner shall not be required to file or maintain the effectiveness of a registration statement covering the resale of Redemption Shares if, in the opinion of counsel to the General Partner, such Redemption Shares could be sold by the holders thereof pursuant to Rule 144 under the Securities Act, or any successor rule thereto.

8.7 Distribution Reinvestment Plan.

OP Unitholders may have the opportunity to join the General Partner’s distribution reinvestment plan by completing an enrollment form which is available upon request. A copy of the General Partner’s distribution reinvestment plan is also available upon request. The shares of the General Partner’s common stock which may be issued under the General Partner’s distribution reinvestment plan are offered only by a prospectus.

**ARTICLE 9
TRANSFERS OF LIMITED PARTNERSHIP INTERESTS**

9.1 Purchase for Investment.

(a) Each Limited Partner hereby represents and warrants to the General Partner and to the Partnership that the acquisition of his Partnership Interest is made as a principal for his account for investment purposes only and not with a view to the resale or distribution of such Partnership Interest.

(b) Each Limited Partner agrees that he will not sell, assign or otherwise transfer his Partnership Interest or any fraction thereof, whether voluntarily or by operation of

law or at judicial sale or otherwise, to any Person who does not make the representations and warranties to the General Partner set forth in Section 9.1(a) above and similarly agree not to sell, assign or transfer such Partnership Interest or fraction thereof to any Person who does not similarly represent, warrant and agree.

9.2 Restrictions on Transfer of Limited Partnership Interests .

(a) Subject to the provisions of 9.2(b) and (c), no Limited Partner may offer, sell, assign, hypothecate, pledge or otherwise transfer all or any portion of his Limited Partnership Interest, or any of such Limited Partner's economic rights as a Limited Partner, whether voluntarily or by operation of law or at judicial sale or otherwise (collectively, a "Transfer") without the consent of the General Partner, which consent may be granted or withheld in its sole and absolute discretion; provided that the each of the Special OP Unitholders and the Advisor may transfer all or any portion of its respective Partnership Interest, or any of its economic rights as a Limited Partner, to any of its Affiliates without the consent of the General Partner. Any such purported transfer undertaken without such consent shall be considered to be null and void ab initio and shall not be given effect. The General Partner may require, as a condition of any Transfer to which it consents, that the transferor assume all costs incurred by the Partnership in connection therewith.

(b) No Limited Partner may withdraw from the Partnership other than as a result of a permitted Transfer (i.e., a Transfer consented to as contemplated by clause (a) above or clause (c) below or a Transfer pursuant to Section 9.5 below) of all of its Partnership Interest pursuant to this Article 9 or pursuant to a redemption of all of its Partnership Units pursuant to Section 8.5. Upon the permitted Transfer or redemption of all of a Limited Partner's Partnership Interest, such Limited Partner shall cease to be a Limited Partner.

(c) Notwithstanding Section 9.2(a) and subject to Sections 9.2(d), (e) and (f) below, a Limited Partner may Transfer, without the consent of the General Partner, all or a portion of its Partnership Interest to (i) a parent or parent's spouse, natural or adopted descendant or descendants, spouse of such descendant, or brother or sister, or a trust created by such Limited Partner for the benefit of such Limited Partner and/or any such person(s), of which trust such Limited Partner or any such person(s) is a trustee, (ii) a corporation controlled by a Person or Persons named in (i) above, or (iii) if the Limited Partner is an entity, its beneficial owners.

(d) No Limited Partner may effect a Transfer of its Limited Partnership Interest, in whole or in part, if, in the opinion of legal counsel for the Partnership, such proposed Transfer would require the registration of the Limited Partnership Interest under the Securities Act or would otherwise violate any applicable federal or state securities or blue sky law (including investment suitability standards).

(e) No Transfer by a Limited Partner of its Partnership Interest, in whole or in part, may be made to any Person if (i) in the opinion of legal counsel for the Partnership, the transfer would result in the Partnership's being treated as an association taxable as a corporation (other than a qualified REIT subsidiary within the meaning of Section 856(i) of the Code), (ii) in the opinion of legal counsel for the Partnership, it would adversely affect the ability of the General Partner to continue to qualify as a REIT or subject the General Partner to any

additional taxes under Section 857 or Section 4981 of the Code, or (iii) such transfer is effectuated through an “established securities market” or a “secondary market (or the substantial equivalent thereof)” within the meaning of Section 7704 of the Code.

(f) No transfer by a Limited Partner of any Partnership Interest may be made to a lender to the Partnership or any Person who is related (within the meaning of Regulations Section 1.752-4(b)) to any lender to the Partnership whose loan constitutes a nonrecourse liability (within the meaning of Regulations Section 1.752-1(a)(2)), without the consent of the General Partner, which may be withheld in its sole and absolute discretion, provided that as a condition to such consent the lender will be required to enter into an arrangement with the Partnership and the General Partner to exchange or redeem for the Cash Amount any Partnership Units in which a security interest is held simultaneously with the time at which such lender would be deemed to be a Partner in the Partnership for purposes of allocating liabilities to such lender under Section 752 of the Code.

(g) Any Transfer in contravention of any of the provisions of this Article 9 shall be void and ineffectual and shall not be binding upon, or recognized by, the Partnership.

(h) Prior to the consummation of any Transfer under this Article 9, the transferor and/or the transferee shall deliver to the General Partner such opinions, certificates and other documents as the General Partner shall request in connection with such Transfer.

9.3 Admission of Substitute Limited Partner.

(a) Subject to the other provisions of this Article 9, an assignee of the Limited Partnership Interest of a Limited Partner (which shall be understood to include any purchaser, transferee, donee, or other recipient of any disposition of such Limited Partnership Interest) shall be deemed admitted as a Limited Partner of the Partnership only with the consent of the General Partner, which consent may be granted or withheld in its sole and absolute discretion, and upon the satisfactory completion of the following:

(i) The assignee shall have accepted and agreed to be bound by the terms and provisions of this Agreement by executing a counterpart or an amendment thereof, including a revised Exhibit A, and such other documents or instruments as the General Partner may require in order to effect the admission of such Person as a Limited Partner.

(ii) To the extent required, an amended Certificate evidencing the admission of such Person as a Limited Partner shall have been signed, acknowledged and filed for record in accordance with the Act.

(iii) The assignee shall have delivered a letter containing the representation set forth in Section 9.1(a) hereof and the agreement set forth in Section 9.1(b) hereof.

(iv) If the assignee is a corporation, partnership or trust, the assignee shall have provided the General Partner with evidence satisfactory to counsel for the Partnership of the assignee’s authority to become a Limited Partner under the terms and provisions of this Agreement.

(v) The assignee shall have executed a power of attorney containing the terms and provisions set forth in Section 8.2 hereof.

(vi) The assignee shall have paid all legal fees and other expenses of the Partnership and the General Partner and filing and publication costs in connection with its substitution as a Limited Partner.

(vii) The assignee has obtained the prior written consent of the General Partner to its admission as a Substitute Limited Partner, which consent may be given or denied in the exercise of the General Partner's sole and absolute discretion.

(b) For the purpose of allocating profits and losses and distributing cash received by the Partnership, a Substitute Limited Partner shall be treated as having become, and appearing in the records of the Partnership as, a Partner upon the filing of the Certificate described in Section 9.3(a)(ii) hereof or, if no such filing is required, the later of the date specified in the transfer documents or the date on which the General Partner has received all necessary instruments of transfer and substitution.

(c) The General Partner shall cooperate with the Person seeking to become a Substitute Limited Partner by preparing the documentation required by this Section and making all official filings and publications. The Partnership shall take all such action as promptly as practicable after the satisfaction of the conditions in this Article 9 to the admission of such Person as a Limited Partner of the Partnership.

9.4 Rights of Assignees of Partnership Interests.

(a) Subject to the provisions of Sections 9.1 and 9.2 hereof, except as required by operation of law, the Partnership shall not be obligated for any purposes whatsoever to recognize the assignment by any Limited Partner of its Partnership Interest until the Partnership has received notice thereof.

(b) Any Person who is the assignee of all or any portion of a Limited Partner's Limited Partnership Interest, but does not become a Substitute Limited Partner and desires to make a further assignment of such Limited Partnership Interest, shall be subject to all the provisions of this Article 9 to the same extent and in the same manner as any Limited Partner desiring to make an assignment of its Limited Partnership Interest.

9.5 Effect of Bankruptcy, Death, Incompetence or Termination of a Limited Partner. The occurrence of an Event of Bankruptcy as to a Limited Partner, the death of a Limited Partner or a final adjudication that a Limited Partner is incompetent (which term shall include, but not be limited to, insanity) shall not cause the termination or dissolution of the Partnership, and the business of the Partnership shall continue if an order for relief in a bankruptcy proceeding is entered against a Limited Partner, the trustee or receiver of his estate or, if he dies, his executor, administrator or trustee, or, if he is finally adjudicated incompetent, his committee, guardian or conservator, shall have the rights of such Limited Partner for the purpose of settling or managing his estate property and such power as the bankrupt, deceased or incompetent Limited Partner possessed to assign all or any part of his Partnership Interest and to

join with the assignee in satisfying conditions precedent to the admission of the assignee as a Substitute Limited Partner.

9.6 Joint Ownership of Interests. A Partnership Interest may be acquired by two individuals as joint tenants with right of survivorship, provided that such individuals either are married or are related and share the same home as tenants in common. The written consent or vote of both owners of any such jointly held Partnership Interest shall be required to constitute the action of the owners of such Partnership Interest; provided, however, that the written consent of only one joint owner will be required if the Partnership has been provided with evidence satisfactory to the counsel for the Partnership that the actions of a single joint owner can bind both owners under the applicable laws of the state of residence of such joint owners. Upon the death of one owner of a Partnership Interest held in a joint tenancy with a right of survivorship, the Partnership Interest shall become owned solely by the survivor as a Limited Partner and not as an assignee. The Partnership need not recognize the death of one of the owners of a jointly-held Partnership Interest until it shall have received notice of such death. Upon notice to the General Partner from either owner, the General Partner shall cause the Partnership Interest to be divided into two equal Partnership Interests, which shall thereafter be owned separately by each of the former owners.

ARTICLE 10 BOOKS AND RECORDS; ACCOUNTING; TAX MATTERS

10.1 Books and Records. At all times during the continuance of the Partnership, the Partners shall keep or cause to be kept at the Partnership's specified office true and complete books of account in accordance with generally accepted accounting principles, including: (a) a current list of the full name and last known business address of each Partner, (b) a copy of the Certificate of Limited Partnership and all Certificates of amendment thereto, (c) copies of the Partnership's federal, state and local income tax returns and reports, (d) copies of this Agreement and amendments thereto and any financial statements of the Partnership for the three most recent years and (e) all documents and information required under the Act. Any Partner or its duly authorized representative, upon paying the costs of collection, duplication and mailing, shall be entitled to inspect or copy such records during ordinary business hours.

10.2 Custody of Partnership Funds; Bank Accounts.

(a) All funds of the Partnership not otherwise invested shall be deposited in one or more accounts maintained in such banking or brokerage institutions as the General Partner shall determine, and withdrawals shall be made only on such signature or signatures as the General Partner may, from time to time, determine.

(b) All deposits and other funds not needed in the operation of the business of the Partnership may be invested by the General Partner in investment grade instruments (or investment companies whose portfolio consists primarily thereof), government obligations, certificates of deposit, bankers' acceptances and municipal notes and bonds. The funds of the Partnership shall not be commingled with the funds of any other Person except for such commingling as may necessarily result from an investment in those investment companies permitted by this Section 10.2(b).

10.3 Fiscal and Taxable Year. The fiscal and taxable year of the Partnership shall be the calendar year.

10.4 Annual Tax Information and Report. Within seventy-five (75) days after the end of each fiscal year of the Partnership, the General Partner shall furnish to each person who was a Limited Partner at any time during such year the tax information necessary to file such Limited Partner's individual tax returns as shall be reasonably required by law.

10.5 Tax Matters Partner; Tax Elections; Special Basis Adjustments.

(a) The General Partner shall be the Tax Matters Partner of the Partnership within the meaning of Section 6231(a)(7) of the Code. As Tax Matters Partner, the General Partner shall have the right and obligation to take all actions authorized and required, respectively, by the Code for the Tax Matters Partner. The General Partner shall have the right to retain professional assistance in respect of any audit of the Partnership by the Service and all out-of-pocket expenses and fees incurred by the General Partner on behalf of the Partnership as Tax Matters Partner shall constitute Partnership expenses. In the event the General Partner receives notice of a final Partnership adjustment under Section 6223(a)(2) of the Code, the General Partner shall either (i) file a court petition for judicial review of such final adjustment within the period provided under Section 6226(a) of the Code, a copy of which petition shall be mailed to all Limited Partners on the date such petition is filed, or (ii) mail a written notice to all Limited Partners, within such period, that describes the General Partner's reasons for determining not to file such a petition.

(b) All elections required or permitted to be made by the Partnership under the Code or any applicable state or local tax law shall be made by the General Partner in its sole and absolute discretion.

(c) In the event of a transfer of all or any part of the Partnership Interest of any Partner, the Partnership, at the option of the General Partner, may elect pursuant to Section 754 of the Code to adjust the basis of the Partnership's assets. Notwithstanding anything contained in Article 5 of this Agreement, any adjustments made pursuant to Section 754 of the Code shall affect only the successor in interest to the transferring Partner and in no event shall be taken into account in establishing, maintaining or computing Capital Accounts for the other Partners for any purpose under this Agreement. Each Partner will furnish the Partnership with all information necessary to give effect to such election.

10.6 Reports to Limited Partners.

(a) As soon as practicable after the close of each fiscal quarter (other than the last quarter of the fiscal year), the General Partner shall cause to be mailed to each Limited Partner a quarterly report containing financial statements of the Partnership, or of the General Partner if such statements are prepared solely on a consolidated basis with the General Partner, for such fiscal quarter, presented in accordance with generally accepted accounting principles. As soon as practicable after the close of each fiscal year, the General Partner shall cause to be mailed to each Limited Partner an annual report containing financial statements of the Partnership, or of the General Partner if such statements are prepared solely on a consolidated

basis with the General Partner, for such fiscal year, presented in accordance with generally accepted accounting principles. The annual financial statements shall be audited by accountants selected by the General Partner.

(b) Any Partner shall further have the right to a private audit of the books and records of the Partnership at the expense of such Partner, provided such audit is made for Partnership purposes and is made during normal business hours.

10.7 Safe Harbor Election. The Partners agree that, in the event the Safe Harbor Regulation is finalized, the Partnership shall be authorized and directed to make the Safe Harbor Election and the Partnership and each Partner (including any person to whom an interest in the Partnership is transferred in connection with the performance of services) agrees to comply with all requirements of the Safe Harbor with respect to all interests in the Partnership transferred in connection with the performance of services while the Safe Harbor Election remains effective. The Tax Matters Partner shall be authorized to (and shall) prepare, execute, and file the Safe Harbor Election.

ARTICLE 11 **AMENDMENT OF AGREEMENT; MERGER**

The General Partner's consent shall be required for any amendment to this Agreement. The General Partner, without the consent of the Limited Partners, may amend this Agreement in any respect or merge or consolidate the Partnership with or into any other partnership or business entity (as defined in Section 17-211 of the Act) in a transaction pursuant to Section 7.1(c), (d) or (e) hereof; provided, however, that the following amendments and any other merger, conversion or consolidation of the Partnership shall require (i) the consent of Limited Partners holding more than 50% of the Percentage Interests of the Limited Partners and (ii) in the case of any of the following (b), (c) or (d), the consent of Limited Partners holding more than 50% of the Special Percentage Interests of the Limited Partners:

(a) any amendment affecting the operation of the Conversion Factor or the Redemption Right (except as provided in Section 8.5(d) or 7.1(d) hereof) in a manner adverse to the Limited Partners;

(b) any amendment that would adversely affect the rights of the Limited Partners to receive the distributions payable to them hereunder, other than with respect to the issuance of additional Partnership Units pursuant to Section 4.2 hereof;

(c) any amendment that would alter the Partnership's allocations of profit and loss to the Limited Partners, other than with respect to the issuance of additional Partnership Units pursuant to Section 4.2 hereof; or

(d) any amendment that would impose on the Limited Partners any obligation to make additional Capital Contributions to the Partnership.

ARTICLE 12 GENERAL PROVISIONS

12.1 Notices. All communications required or permitted under this Agreement shall be in writing and shall be deemed to have been given when delivered personally or upon deposit in the United States mail, registered, postage prepaid return receipt requested, to the Partners at the addresses set forth in Exhibit A attached hereto; provided, however, that any Partner may specify a different address by notifying the General Partner in writing of such different address. Notices to the Partnership shall be delivered at or mailed to its specified office.

12.2 Survival of Rights. Subject to the provisions hereof limiting transfers, this Agreement shall be binding upon and inure to the benefit of the Partners and the Partnership and their respective legal representatives, successors, transferees and assigns.

12.3 Additional Documents. Each Partner agrees to perform all further acts and execute, swear to, acknowledge and deliver all further documents which may be reasonable, necessary, appropriate or desirable to carry out the provisions of this Agreement or the Act.

12.4 Severability. If any provision of this Agreement shall be declared illegal, invalid, or unenforceable in any jurisdiction, then such provision shall be deemed to be severable from this Agreement (to the extent permitted by law) and in any event such illegality, invalidity or unenforceability shall not affect the remainder hereof.

12.5 Entire Agreement. This Agreement and exhibits attached hereto constitute the entire Agreement of the Partners and supersede all prior written agreements and prior and contemporaneous oral agreements, understandings and negotiations with respect to the subject matter hereof.

12.6 Pronouns and Plurals. When the context in which words are used in the Agreement indicates that such is the intent, words in the singular number shall include the plural and the masculine gender shall include the neuter or female gender as the context may require.

12.7 Headings. The Article headings or sections in this Agreement are for convenience only and shall not be used in construing the scope of this Agreement or any particular Article.

12.8 Counterparts. This Agreement may be executed in several counterparts, each of which shall be deemed to be an original copy and all of which together shall constitute one and the same instrument binding on all parties hereto, notwithstanding that all parties shall not have signed the same counterpart.

12.9 Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Delaware; provided, however, that any cause of action for violation of federal or state securities laws shall not be governed by this Section 12.9.

12.10 Effectiveness. Pursuant to Section 17-201(d) of the Act, this Agreement shall be effective as of June 13, 2018.

IN WITNESS WHEREOF, the parties hereto have hereunder affixed their signatures to this Limited Partnership Agreement, all as of the date first above written.

Overview

Our board of directors, including a majority of our independent directors, has adopted these Net Asset Value Calculation and Valuation Procedures, which we refer to as our valuation procedures, and which contain a comprehensive set of methodologies to be used in connection with the calculation of our NAV. As a public company, we are required to issue financial statements generally based on historical cost in accordance with GAAP. To calculate our NAV for the purpose of establishing a purchase and redemption price for our shares, we have adopted these valuation procedures, which adjust the value of certain of our assets from historical cost to fair value. As a result, our NAV may differ from the amount reported as stockholders’ equity on

the face of our financial statements prepared in accordance with GAAP. The fair value of our assets and liabilities will be calculated for the purposes of determining our NAV per share, using widely accepted methodologies and, as appropriate, the GAAP principals within the FASB Accounting Standards Codification under Topic 820, Fair Value Measurements and Disclosures. However, our valuation procedures and our NAV are not subject to GAAP and will not be subject to independent audit. Furthermore, no rule or regulation requires that we calculate NAV in a certain way. Although we believe our NAV calculation methodologies are consistent with standard industry principles, there is no established practice among public REITs, whether listed or not, for calculating NAV in order to establish a purchase and redemption price. As a result, other public REITs may use different methodologies or assumptions to determine NAV.

Independent Valuation Firm

With the approval of our board of directors, including a majority of our independent directors, we have engaged Altus Group U.S., Inc., a third-party valuation firm (“Altus Group” or the “Independent Valuation Firm”), to serve as our independent valuation firm with respect to the oversight of the annual appraisals of our real property assets, described below, and the monthly valuation of our real property portfolio. Altus Group is a multidisciplinary provider of independent, commercial real estate consulting and advisory services with multiple offices around the world, including in Canada, the U.K., Australia, the United States and Asia Pacific. Altus Group is engaged in the business of valuing commercial real estate properties and is not affiliated with us or the Advisor. The compensation we pay to the Independent Valuation Firm will not be based on the estimated values of our real estate assets. Our board of directors, including a majority of our independent directors, may replace the Independent Valuation Firm at any time. We will promptly disclose any changes to the identity or role of the Independent Valuation Firm in this prospectus and in reports we publicly file with the SEC.

Altus Group will discharge its responsibilities in accordance with our real property valuation procedures described below and with the oversight of our board of directors. Our board of directors is not involved in the day-to-day valuation of the real property portfolio, but periodically receives and reviews such information about the valuation of the real property portfolio as it deems necessary to exercise its oversight responsibility. While our Independent Valuation Firm is responsible for providing our real property valuations, our Independent Valuation Firm is not responsible for nor prepares our monthly NAV.

The Independent Valuation Firm will be engaged primarily to provide our monthly real property valuations and to help us manage the property appraisal process, but it may be engaged to provide additional services, including providing an independent valuation or appraisal of any of our other assets or liabilities (contingent or otherwise). Our Independent Valuation Firm may from time to time perform other commercial real estate and financial advisory services for our Advisor and its related parties, or in transactions related to the properties that are the subjects of the valuations being performed for us, or otherwise, so long as such other services do not adversely affect the independence of the applicable appraiser as certified in the applicable appraisal report or the independence of our Independent Valuation Firm.

Property Appraisal Process

Periodic real property appraisals serve as the foundation of the Independent Valuation Firm's monthly real property portfolio valuation. The overarching principle of these appraisals is to produce a real property portfolio valuation that represents fair and accurate estimates of the unencumbered values of our real estate or the prices that would be received for our real properties in arm's-length transactions between market participants before considering underlying debt. The valuation of our real properties determined by the Independent Valuation Firm may not always reflect the value at which we would agree to buy or sell such assets and the value at which we would buy or sell such assets could materially differ from the Independent Valuation Firm's estimate of fair value. Further, we do not undertake to disclose the value at which we would be willing to buy or sell our real properties to any prospective or existing investor.

We obtain ongoing appraisals pursuant to schedules prepared by the Independent Valuation Firm and the Advisor that are designed to conduct appraisals on each of our properties throughout any given calendar year. In order to provide an orderly appraisal process, we seek to have approximately 1/12th of the portfolio appraised by a third party each month, although we may have more or less appraised in an individual month. In no event will a calendar year pass without having each property valued by appraisal unless such asset is bought or sold in such calendar year. The acquisition price of newly acquired properties will serve as our appraised value for the year of acquisition, and thereafter will be part of the appraisal cycle described above such that they are appraised at least every calendar year.

Appraisals are performed in accordance with the Code of Ethics and the Uniform Standards of Professional Appraisal Practices, or USPAP, the real estate appraisal industry standards created by The Appraisal Foundation. Each appraisal must be reviewed, approved, and signed by an individual with the professional designation of MAI (Member of the Appraisal Institute). The Independent Valuation Firm is involved with the appraisal process, but we have engaged other independent valuation firms ("Appraisal Firms") to provide appraisals for our properties. The Independent Valuation Firm confirms the reasonableness of the appraisal before reflecting any valuation change in its valuation of our real property portfolio. Real estate appraisals are reported on a free-and-clear basis (for example, no mortgage), irrespective of any property-level financing that may be in place. Such property-level or other financings ultimately are factored in and do reduce our NAV in a manner described in more detail below.

We utilize the income approach as the primary methodology for valuing our real property portfolio, whereby value is derived by determining the present value of an asset's future cash flows (for example, discounted cash flow analysis). Consistent with industry practices, the income approach incorporates subjective judgments regarding comparable property rental rates and operating expense data, the appropriate capitalization or discount rates, and projections of future rent and expenses based on market trends. Other methodologies that may also be used to value properties include sales comparisons and replacement cost approaches. Because the property valuations involve significant professional judgment in the application of both observable and unobservable attributes, the calculated value of our real property assets may differ from their actual realizable values or future appraised values. Our real estate portfolio valuation may not reflect the liquidation value or net realizable value of our properties because the valuations performed by the Independent Valuation Firm involve subjective judgments and

do not reflect transaction costs associated with property dispositions. In some circumstances such as when an asset is anticipated to be acquired or disposed, we may factor into our NAV calculation a portion of the potential transaction price and related closing costs given the likelihood that the transaction will close. In all circumstances, transaction costs related to an acquisition or disposition will be factored into our NAV no later than the closing date for such transaction.

Each individual appraisal report for our assets, as described further below, is addressed solely to our Company to assist the Independent Valuation Firm in providing our real property portfolio valuation. Our Independent Valuation Firm's valuation reports are not addressed to the public and may not be relied upon by any other person to establish an estimated value of our common stock and will not constitute a recommendation to any person to purchase or sell any shares of our common stock. In preparing its valuation reports, our Independent Valuation Firm does not solicit third-party indications of interest for our common stock in connection with possible purchases thereof or the acquisition of all or any part of our Company.

Valuation of Assets

Consolidated Properties

The real property portfolio valuation, which is the largest component of our NAV calculation, will be provided to us by our Independent Valuation Firm each month. The periodic property appraisals, as discussed above, are the foundation of this valuation. However, each month, the Independent Valuation Firm may adjust a real property's valuation, as necessary, based on known events that have a material impact on the most recent value (adjustments for non-material events may also be made). For example, changes to underlying property fundamentals and overall market conditions, which may include: (i) an unexpected termination or renewal of a material lease; (ii) a material change in vacancy levels; (iii) an unanticipated structural or environmental event at a property; or (iv) material capital markets events, any of which may cause the value of a property to change materially. Furthermore, the value of our properties is determined on an unencumbered basis. The effect of property-level debt on our NAV is discussed further below.

The Independent Valuation Firm collects all reasonably available information that it deems relevant in valuing our real estate portfolio. Using information derived from a variety of sources including, but not limited to, the property's most recent appraisal, information from management and other information derived through the Independent Valuation Firm's database and other industry data, the Independent Valuation Firm determines the appropriate adjustment to be made to the estimated value of the property. The Independent Valuation Firm relies in part on property-level information provided by the Advisor, including: (i) historical and projected operating revenues and expenses of the property; (ii) lease agreements on the property; and (iii) information regarding recent or planned capital expenditures. Upon becoming aware of the occurrence of a material event impacting property-level information, the Advisor will promptly notify the Independent Valuation Firm.

In conducting its investigation and analyses, our Independent Valuation Firm takes into account customary and accepted financial and commercial procedures and considerations as it deems relevant, which may include, without limitation, the review of documents, materials and information relevant to valuing the property that are provided by us or our Advisor. Although our Independent Valuation Firm may review information supplied or otherwise made available by us or our Advisor for reasonableness, it assumes and relies upon the accuracy and completeness of all such information and of all information supplied or otherwise made available to it by any other party and does not undertake any duty or responsibility to verify independently any of such information. With respect to operating or financial forecasts and other information and data to be provided to or otherwise to be reviewed by or discussed with our Independent Valuation Firm, our Independent Valuation Firm assumes that such forecasts and other information and data were reasonably prepared in good faith reflecting the best currently available estimates and judgments of our management, board of directors and Advisor, and relies upon us to advise our Independent Valuation Firm promptly if any material information previously provided becomes inaccurate or is required to be updated during the period of its review.

In performing its analyses, our Independent Valuation Firm makes numerous other assumptions with respect to industry performance, general business, economic and regulatory conditions and other matters, many of which are beyond its control and our control, as well as certain factual matters. For example, unless specifically informed to the contrary, our Independent Valuation Firm assumes that we have clear and marketable title to each real estate property valued, that no title defects exist, that improvements were made in accordance with law, that no hazardous materials are present or were present previously, that no deed restrictions exist, and that no changes to zoning ordinances or regulations governing use, density or shape are pending or being considered. Furthermore, our Independent Valuation Firm's analysis, opinions and conclusions are necessarily based upon market, economic, financial and other circumstances and conditions existing at or prior to the valuation, and any material change in such circumstances and conditions may affect our Independent Valuation Firm's analysis and conclusions. Our Independent Valuation Firm's appraisal reports may contain other assumptions, qualifications and limitations set forth in the respective appraisal reports that qualify the analysis, opinions and conclusions set forth therein.

Development and value-add assets will be valued at estimated fair market value and will join the appraisal cycle upon the earlier of stabilization or twelve months from substantial completion. Factors such as the status of land entitlements, permitting processes and jurisdictional approvals are considered when determining the fair market value of development and value-add assets.

The analyses performed by our Independent Valuation Firm do not address the market value of our common stock. Furthermore, the prices at which our real estate properties may actually be sold could differ from our Independent Valuation Firm's analyses.

Unconsolidated Properties

Unconsolidated properties held through joint ventures or partnerships generally will be valued in a manner that is consistent with the guidelines described above for consolidated

properties. Once the value of real properties held by the joint venture is determined by an independent appraisal and we determine the fair value of any other assets and liabilities of the joint venture, the value of our interest in the joint venture generally would then be determined by using a hypothetical liquidation calculation of our percentage of the joint venture's NAV. Unconsolidated properties held in a joint venture that acquires multiple properties over time may be valued as a single investment.

Real Estate-Related Assets and Derivatives

Publicly traded debt and equity real estate-related assets that are not restricted as to salability or transferability are valued monthly based on publicly available information. Generally, to the extent the information is available, such assets are valued at the last trade of such securities that was executed at or prior to closing on the valuation day or, in the absence of such trade, the last "bid" price. The value of publicly traded debt and equity real estate-related assets that are restricted as to salability or transferability may be adjusted by the pricing source for a liquidity discount. In determining the amount of such discount, consideration will be given to the nature and length of such restriction and the relative volatility of the market price of the asset.

We may also invest in derivatives. Our principal investments in derivative instruments may include investments in interest rate swaps, total return swaps, credit default swaps and indices thereon, but we may also invest in futures transactions. Derivatives will be valued by Chatham Financial, a global leader in debt and derivative markets, based on market quotations or other widely accepted valuation methodologies.

Individual investments in mortgages, mortgage participations and mezzanine loans are included in our determination of NAV at fair value.

Pursuant to our valuation procedures, our board of directors, including a majority of our independent directors, approves the pricing sources of our real estate-related assets and derivatives. In general, these sources are third parties other than our Advisor. However, we may utilize the Advisor or Black Creek Group affiliate as a pricing source if the asset is immaterial or there are no other pricing sources reasonably available, and provided that our board of directors, including a majority of our independent directors, must approve the initial valuation performed by our Advisor and any subsequent material adjustments made by our Advisor. The third-party pricing source may, under certain circumstances, be our Independent Valuation Firm.

Valuation of Liabilities

Except as noted below under "NAV and NAV per Share Calculation," we will include the fair value of our liabilities as part of our NAV calculation. We expect that these liabilities will include fees accrued and payable to the Advisor and other accrued liabilities for both the fixed and performance components of our advisory fee, accounts payable, accrued operating expenses, property-level mortgages, any borrowings under portfolio-level or corporate level credit facilities, and certain other liabilities. Our debt will be valued at fair value using widely accepted methodologies and, as appropriate, in accordance with GAAP. The value of non-recourse debt

shall not exceed the value of the underlying real estate collateral, if applicable. Estimates of fair value for property-level mortgage and corporate level debt, will be prepared by our Advisor and opined upon by an independent third party.

NAV and NAV per Share Calculation

We expect to calculate an initial NAV per share as of a date no later than June 30, 2018. Thereafter, our NAV per share will be calculated as of the last calendar day of each month for each of our outstanding classes of stock, and will be available generally within 15 calendar days after the end of the applicable month. Our NAV per share will be calculated by our Advisor or ALPS, a third-party valuation firm approved by our board of directors, including a majority of our independent directors. Our board of directors, including a majority of our independent directors, may replace ALPS, the Independent Valuation Firm, or any other party involved in our valuation procedures with another party, including our Advisor, if it is deemed appropriate to do so.

Each month, before taking into consideration accrued dividends or class-specific distribution fee accruals, any change in the Aggregate Fund NAV (whether an increase or decrease) from the prior month is allocated among each class of Fund Interest based on each class's relative percentage of the previous Aggregate Fund NAV. Changes in the Aggregate Fund NAV reflect factors including, but not limited to, unrealized/realized gains (losses) on the value of our real property portfolio, increases or decreases in real estate-related assets and liabilities, and monthly accruals for income and expenses (including accruals for performance based fees, if any, advisory fees and distribution fees) and distributions to investors.

Our most significant source of income is property-level net operating income. We accrue revenues and expenses on a monthly basis based on actual leases and operating expenses in that month. For the first month following a property acquisition, we will calculate and accrue net operating income with respect to such property based on the performance of the property before the acquisition and the contractual arrangements in place at the time of the acquisition, as identified and reviewed through our due diligence and underwriting process in connection with the acquisition. For NAV calculation purposes, organization and offering costs (other than selling commissions, dealer manager fees and distribution fees) incurred prior to December 31, 2018 will not reduce NAV for periods through December 31, 2018, but rather will be amortized to expense on a straight-line basis over the five years following December 31, 2018. This is due to our Advisor's agreement to advance all such organization and offering costs through December 31, 2018 and to be reimbursed by us for such advanced organization and offering costs ratably over the five years following December 31, 2018. All organization and offering costs (other than selling commissions, dealer manager fees and distribution fees, which will affect the NAV as indicated below) incurred beginning January 1, 2019, will reduce NAV as part of our estimated income and expense accruals. In addition, until December 31, 2019, our Advisor has agreed to defer reimbursement of all or a portion of acquisition expenses incurred or paid on our behalf if, in a given month, the reimbursement of acquisition expenses to the Advisor would cause NAV per share to be lower than the lesser of \$10.00 or the NAV per share calculated for the prior month, which we refer to as a shortfall. If the reimbursement would result in a shortfall, then our Advisor will defer reimbursement of acquisition expenses in the amount

necessary to prevent a shortfall for such month. Our Advisor will be reimbursed for any such unreimbursed acquisition expenses ratably over the eighteen months following December 31, 2019. For NAV calculation purposes, any acquisition expenses incurred or paid prior to December 31, 2019 which have not been reimbursed to our Advisor pursuant to the deferral agreement described above will not reduce NAV for periods through December 31, 2019, but rather will be amortized to expense on a straight-line basis over the eighteen months following December 31, 2019. Beginning January 1, 2020, all acquisition expenses incurred will reduce NAV as part of our estimated income and expense accruals. On a periodic basis, our income and expense accruals are adjusted based on information derived from actual operating results.

With the exceptions noted above in these valuation procedures, our liabilities are included as part of our NAV calculation and will be valued at fair value in accordance with GAAP. Our liabilities include, without limitation, property-level mortgages, accrued distributions, the fees payable to the Advisor and the Dealer Manager, accounts payable, accrued company-level operating expenses, any company or portfolio-level financing arrangements and other liabilities. Under GAAP, we record liabilities for distribution fees that we (i) currently owe our Dealer Manager under the terms of our dealer manager agreement and (ii) for an estimate that we may pay to our Dealer Manager in future periods. We do not deduct the liability for estimated future distribution fees in our calculation of NAV since we intend for our NAV to reflect our estimated value on the date that we determine our NAV. Accordingly, our estimated NAV at any given time should not include consideration of any estimated future distribution fees that may become payable after such date.

Following the calculation and allocation of changes in the Aggregate Fund NAV as described above, NAV for each class is adjusted for accrued dividends and the ongoing distribution fees, to determine the monthly NAV. Upfront selling commissions and dealer manager fees will have no effect on the NAV of any class because they are effectively paid by the purchasers of shares in the primary offering at the time of purchase. The purchase price of such shares is equal to the transaction price, which generally will equal the most recently disclosed monthly NAV per share. We may offer shares at a price that we believe reflects the NAV per share of such stock more appropriately than the prior month's NAV per share in cases where we believe there has been a material change (positive or negative) to our NAV per share since the end of the prior month; however, such adjustments are anticipated to be infrequent. NAV per share for each class will be calculated by dividing such class's NAV at the end of each month by the number of shares outstanding for that class on such day.

NAV of our Operating Partnership and OP Units

Because certain fees to the Advisor are based on our Aggregate Fund NAV (i.e., the aggregate NAV of our outstanding shares, along with the OP Units held by third parties), our valuation procedures include the following methodology to determine the monthly NAV of our Operating Partnership and the OP Units. Our Operating Partnership has classes of OP Units that are each economically equivalent to our corresponding classes of shares. Accordingly, on the last day of each month, the NAV per OP Unit equals the NAV per share of the corresponding class. The NAV of our Operating Partnership on the last day of each month equals the sum of the NAVs of each outstanding OP Unit on such day.

Oversight by our Board of Directors

All parties engaged by us in the calculation of our NAV, including Altus Group, ALPS and our Advisor, are subject to the oversight of our board of directors. As part of this process, our Advisor reviews the estimates of the values of our real property portfolio and real estate-related assets for consistency with our valuation guidelines and the overall reasonableness of the valuation conclusions, and inform our board of directors of its conclusions. Although our Independent Valuation Firm or other pricing sources may consider any comments received from us or our Advisor or other valuation sources for their individual valuations, the final estimated values of our real property portfolio and real estate-related assets are determined by the Independent Valuation Firm or other pricing sources. Our Independent Valuation Firm is available to meet with our board of directors to review valuation information, as well as our valuation guidelines and the operation and results of the valuation process generally. Our board of directors has the right to engage additional valuation firms and pricing sources to review the valuation process or valuations, if deemed appropriate.

Review of and Changes to Our Valuation Procedures

At least once each calendar year our board of directors, including a majority of our independent directors, reviews the appropriateness of our valuation procedures. With respect to the valuation of our properties, the Independent Valuation Firm provides our board of directors with periodic valuation reports. From time to time our board of directors, including a majority of our independent directors, may adopt changes to the valuation procedures if it: (1) determines that such changes are likely to result in a more accurate reflection of NAV or a more efficient or less costly procedure for the determination of NAV without having a material adverse effect on the accuracy of such determination; or (2) otherwise reasonably believes a change is appropriate for the determination of NAV. We will publicly announce material changes to our valuation procedures or the identity or role of the Independent Valuation Firm or ALPS.

Limitations on the Calculation of NAV

The most significant component of our NAV consists of real property investments and, as with any real estate valuation protocol, each property appraisal and valuation is based on a number of judgments, assumptions or opinions about future events that may or may not prove to be correct. The use of different judgments, assumptions or opinions could result in a different estimate of the value of our real property investments. Although the methodologies contained in the valuation procedures are designed to operate reliably within a wide variety of circumstances, it is possible that in certain unanticipated situations or after the occurrence of certain extraordinary events (such as a terrorist attack or an act of nature), our ability to implement and coordinate our NAV procedures may be impaired or delayed, including in circumstances where there is a delay in accessing or receiving information from vendors or other reporting agents. Further, the NAV per share should not be viewed as being determinative of the value of our common stock that may be received in a sale to a third party or the value at which our stock would trade on a national stock exchange. Our board of directors may suspend any ongoing offering of our Common Stock and the share redemption program if it determines that the

calculation of NAV may be materially incorrect or there is a condition that restricts the valuation of a material portion of our assets.
