PARK 429 LOGISTICS CENTER
NOTES TO STATEMENTS OF REVENUES AND CERTAIN EXPENSES
FOR THE SIX MONTHS ENDED JUNE 30, 2018 (UNAUDITED) AND FOR
THE YEAR ENDED DECEMBER 31, 2017 (UNAUDITED)

1. Basis of Presentation

On June 7, 2018, Black Creek Industrial REIT IV Inc. (the “Company”), through its wholly-owned subsidiaries, acquired a 100% fee interest in two industrial buildings totaling approximately 0.4 million square feet on approximately 25.25 acres (the “Park 429 Logistics Center”). The Park 429 Logistics Center is located in the Orlando, FL market and is 95.9% leased by three customers with a weighted-average remaining lease term (based on square feet) of approximately 8.8 years. The total purchase price was approximately \$45.7 million, exclusive of transfer taxes, due diligence expenses, and other closing costs. The Park 429 Logistics Center was granted a certificate of occupancy in February 2018 with the first lease commencing February 19, 2018. Development of Park 429 Logistics Center was fully completed in June 2018. The Company funded the acquisition using proceeds from its public offering and borrowings under its corporate line of credit.

The accompanying statements of revenues and certain expenses relate to the Park 429 Logistics Center and have been prepared pursuant to Rule 3-14 of Regulation S-X of the Securities and Exchange Commission, promulgated under the Securities Act of 1933, as amended. Accordingly, the statements are not representative of the actual operations for the periods presented as certain operating expenses, which may not be directly attributable to the revenues and expenses expected to be incurred in the future operations of the Park 429 Logistics Center, have been excluded. Such items include depreciation and amortization, amortization of above- and below-market leases, interest, and other administrative costs. Management is not aware of any material factors relating to the Park 429 Logistics Center, other than those already described above, that would cause the reported financial information included herein to not be necessarily indicative of future operating results.

The unaudited statements of revenues and certain expenses for the six months ended June 30, 2018 and for the year ended December 31, 2017 reflect all adjustments, consisting of only normal recurring adjustments, which are, in the opinion of management, necessary for a fair presentation of the results of the interim period. The results of the interim period are not necessarily indicative of the expected results for the entire fiscal year.

Because the first lease commenced February 19, 2018, the Park 429 Logistics Center has a rental history of more than three months but less than nine months. Accordingly, as described in Section 2330.8 of the Financial Reporting Manual of the Division of Corporation Finance of the Securities and Exchange Commission, the accompanying financial statements are presented on an unaudited basis.

2. Summary of Significant Accounting Policies

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of revenues and certain expenses during the reporting period. Actual results could differ from those estimates.

Revenue Recognition

Rental revenue is recognized on a straight-line basis over the terms of the lease agreement. The difference between rental income earned on a straight-line basis and the cash rent due under the provisions of the lease agreements is recorded as a component of straight-line rent. The straight-line rent adjustment for minimum rents increased base contractual rental revenue by approximately \$0.4 million for the six months ended June 30, 2018 (unaudited).

Tenant recoveries related to reimbursement of real estate taxes, insurance, repairs and maintenance, and other operating expenses are recognized as revenue and recorded on a gross basis in tenant reimbursements and other revenues in the period the applicable expenses are incurred.

3. Minimum Future Lease Rentals

Future minimum base rental payments, which equal the cash basis of monthly contractual rent, owed to the Company from its customer under the terms of the non-cancelable operating lease in place as of June 30, 2018, excluding rental revenues from the potential renewal or replacement of existing future leases and from customer reimbursement revenue, were as follows for the next five years and thereafter:

(in thousands)	Amount
Remainder of 2018	\$ 545
2019	2,315
2020	2,378
2021	2,355
2022	2,493
Thereafter	11,193
Total	\$ 21,279

4. Tenant Concentrations

As of June 30, 2018, the Park 429 Logistics Center was 95.9% leased to three customers, as detailed below:

Customer	Lease Expiration	% of Total Annualized Base Rent (1)
City Furniture, Inc.	December 2028	66%
Maintenance Supply Headquarters, LP	November 2025	26%
Kramer America, Inc.	July 2023	9%

(1) Annualized base rent is calculated as monthly base rent (cash basis) per the terms of the lease, as of June 30, 2018, multiplied by 12. If free rent is granted, then the first month with a positive rent value is used.

PRO FORMA FINANCIAL INFORMATION
(Unaudited)

The following pro forma condensed consolidated financial statement has been prepared to provide pro forma information with regard to real estate acquisitions and financing transactions, as applicable. The unaudited pro forma condensed consolidated financial statement should be read in conjunction with Black Creek Industrial REIT IV Inc.'s (the "Company") Quarterly Report on Form 10-Q for the six months ended June 30, 2018, filed with the Securities and Exchange Commission (the "SEC") on August 13, 2018.

The accompanying unaudited pro forma condensed consolidated statement of operations for the six months ended June 30, 2018, combine the Company's historical operations with the purchase of the Park 429 Logistics Center described below, as if that transaction had occurred as of January 1, 2018. An unaudited pro forma condensed consolidated statement of operations for the year ended December 31, 2017 is not presented as the Park 429 Logistics Center was granted a certificate of occupancy in February 2018 with the first lease commencing February 19, 2018, and development of Park 429 Logistics Center was completed in June 2018. An unaudited pro forma condensed consolidated balance sheet is not presented because the real estate property transaction described below occurred prior to June 30, 2018 and has been presented in the Company's Quarterly Report on Form 10-Q for the six months ended June 30, 2018, filed with the SEC on August 13, 2018.

On June 7, 2018, the Company acquired a 100% fee interest in two industrial buildings totaling approximately 0.4 million square feet on approximately 25.25 acres (the "Park 429 Logistics Center"). The Park 429 Logistics Center is located in the Orlando, FL market and is 95.9% leased by three customers with a weighted-average remaining lease term (based on square feet) of approximately 8.8 years. The total purchase price was approximately \$45.7 million, exclusive of transfer taxes, due diligence expenses, and other closing costs. The Company funded the acquisition using proceeds from its public offering and borrowings under its corporate line of credit.

In conjunction with the Park 429 Logistics Center acquisition, the Company borrowed approximately \$23.9 million under the Company's corporate line of credit.

The unaudited pro forma condensed consolidated statement of operations has been prepared by the Company's management based upon the Company's historical financial statements, certain historical financial information of the Park 429 Logistics Center, and certain purchase accounting entries of the Park 429 Logistics Center. These pro forma statements may not be indicative of the results that actually would have occurred if these transactions had been in effect on the dates indicated, nor do they purport to represent our future financial results. The accompanying unaudited pro forma condensed consolidated statement of operations does not contemplate certain amounts that are not readily determinable, such as additional general and administrative expenses that are probable, or interest income that would be earned on cash balances.
