Item 1.01 Entry Into a Material Definitive Agreement.

Completion of Convertible Senior Notes Offering

On April 13, 2020, Chimera Investment Corporation (the “Company”) completed its registered underwritten public offering of \$325 million aggregate principal amount of 7.00% convertible senior notes due 2023 (such notes, the “Notes,” and such offering, the “Note Offering”), pursuant to an underwriting agreement, dated April 7, 2020, with Credit Suisse Securities (USA) LLC as representative of the underwriters listed on Schedule A thereto (the “Underwriters”), which is described below. The Underwriters have the option, exercisable within 13 days of April 7, 2020, to purchase up to an additional \$48.75 million aggregate principal amount of Notes from the Company, solely to cover over-allotments.

The Notes were each offered and sold in a public offering registered under the Securities Act of 1933, as amended (the “Securities Act”), pursuant to a registration statement on Form S-3 which became effective upon filing with the Securities and Exchange Commission on January 14, 2019 (Registration No. 333-229255), including the prospectus supplement filed by the Company with the Securities and Exchange Commission pursuant to Rule 424(b) under the Securities Act, dated April 7, 2020, to the prospectus contained in the registration statement.

Underwriting Agreement

The Company completed the Note Offering pursuant to an underwriting agreement with the Underwriters, dated April 7, 2020 (the “Underwriting Agreement”).

The Underwriting Agreement includes customary representations, warranties and covenants. Under the terms of the Underwriting Agreement, the Company has agreed to indemnify the Underwriters against certain liabilities, including liabilities under the Securities Act, or contribute to payments that the Underwriters may be required to make in respect of those liabilities.

The Company estimates that the net proceeds from the Note Offering will be approximately \$314.1 million, after deducting the Underwriters’ discounts and estimated transaction expenses associated with the Note Offering payable by the Company. The Company intends to use a portion of the net proceeds from the Note Offering to pay the cost of the Capped Call Transactions (as defined below) and the remainder to finance the acquisition of mortgage assets including residential mortgage loans, non-Agency RMBS, Agency RMBS, Agency and non-Agency CMBS and other targeted assets, and for other general corporate purposes such as repayment of outstanding indebtedness or to pay down other liabilities, working capital and for liquidity needs.

Base Indenture and Supplemental Indenture

The Company issued the Notes under an indenture, dated as of April 13, 2020 (the “Base Indenture”), between the Company and Wilmington Trust, National Association, as trustee (the “Trustee”), as supplemented by the First Supplemental Indenture, dated as of April 13, 2020 (the “Supplemental Indenture” and, together with the Base Indenture, the “Indenture”), between the Company and the Trustee.

The Notes bear interest at a rate of 7.00% per year, payable semi-annually in arrears on April 1 and October 1 of each year, beginning on October 1, 2020. The Notes are the general unsecured obligations of the Company and rank equal in right of payment with the other existing and future senior unsecured indebtedness of the Company and senior in right of payment to any indebtedness of the Company that is contractually subordinated to the Notes. The Notes, however, are effectively subordinated in right of payment to the existing and future secured indebtedness of the Company to the extent of the value of the collateral securing such indebtedness, and structurally subordinated to the claims of the Company’s subsidiaries’ creditors, including trade creditors.

The Notes will mature on April 1, 2023 (the “Maturity Date”), unless earlier redeemed or repurchased by the Company or converted. Holders may convert any of their Notes into shares of the Company’s common stock, par value \$0.01 per share (the “Common Stock”), at the applicable conversion rate at any time prior to the close of business on the second scheduled trading day prior to the Maturity Date, unless the Notes have been previously repurchased or redeemed by the Company.

The initial conversion rate of the Notes is 153.8461 shares of Common Stock per \$1,000 principal amount of Notes, which is equivalent to an initial conversion price of approximately \$6.50 per share. The conversion rate is subject to adjustment in certain circumstances.

Upon the occurrence of a fundamental change (as defined in the Indenture) involving the Company, holders of the Notes may require the Company to repurchase all or a portion of their Notes for cash at a price equal to 100% of the principal amount of the Notes to be purchased, plus accrued and unpaid interest to, but excluding, the fundamental change repurchase date.

The Company will not be permitted to redeem the Notes at its option prior to maturity, except to the extent, and only to the extent, necessary to preserve its status as a real estate investment trust (“REIT”) for U.S. federal income tax purposes. If the Company determines that redeeming the Notes is necessary to preserve its status as a REIT, then it may redeem all or part of the Notes at a cash redemption price equal to 100% of the principal amount of the Notes to be redeemed, plus accrued and unpaid interest to, but excluding, the redemption date. The Company may at any time and from time to time repurchase Notes by tender offer, open market purchases, negotiated transactions or otherwise, in accordance with applicable securities laws.

If an event of default (as defined in the Indenture) occurs and is continuing, the Trustee by notice to the Company, or the holders of at least 25% in aggregate principal amount of the Notes then outstanding by notice to the Company and the Trustee, may declare 100% of the principal of and accrued and unpaid interest on all the Notes to be due and payable. In the case of an event of default arising out of certain bankruptcy or insolvency events (as set forth in the Indenture), 100% of the principal of and accrued and unpaid interest on the Notes will automatically become due and payable.

Capped Call Transactions

On April 7, 2020, concurrently with the pricing of the Notes, the Company entered into call option transactions with respect to the Common Stock (the “Capped Call Transactions”) with affiliates of Credit Suisse Securities (USA) LLC (the “Counterparty”). The Capped Call Transactions cover, subject to anti-dilution adjustments substantially identical to those in the Notes, approximately 57.5 million shares of Common Stock, which is equal to the number of shares of Common Stock that will initially underlie the Notes, at an initial strike price of approximately \$6.50 per share. The Capped Call Transactions will expire upon the maturity of the Notes, if not earlier exercised or terminated.

The Capped Call Transactions are expected generally to reduce the potential dilution to the Company’s Common Stock upon any conversion of the Notes and/or offset any cash payments the Company is required to make in excess of the principal amount of converted Notes, as the case may be, with such reduction and/or offset subject to a cap initially equal to approximately \$8.45 (which represents a premium of approximately 30% over the last reported sale price of the Common Stock on April 7, 2020). The Capped Call Transactions are separate transactions, entered into by the Company with the Counterparty, and are not part of the terms of the Notes.

The Company used approximately \$33.75 million of the net proceeds from the offering of the Notes to pay the cost of the Capped Call Transactions.

Copies of the Underwriting Agreement, the Base Indenture, the Supplemental Indenture, the form of the Notes and the form of the confirmation for the Capped Call Transactions are attached hereto as Exhibit 1.1, Exhibit 4.1, Exhibit 4.2, Exhibit 4.3 and Exhibit 99.1, respectively, and are incorporated herein by reference. The foregoing summaries do not purport to be complete and are qualified in their entirety by reference to the Underwriting Agreement, the Base Indenture, the Supplemental Indenture the form of the Notes and the form of the confirmation for the Capped Call Transactions. In connection with the registration of the Notes under the Securities Act, the legal opinions of Venable LLP and Hunton Andrews Kurth LLP relating to the legality of the Notes are attached as Exhibit 5.1(a) and Exhibit 5.1(b), respectively, and the legal opinion of Hunton Andrews Kurth LLP with respect to tax matters is attached as Exhibit 8.1 to this Current Report on Form 8-K.

CREDIT SUISSE SECURITIES (USA) LLC

As Representative of the several Underwriters named in Schedule A

c/o Credit Suisse Securities (USA) LLC
Eleven Madison Avenue
New York, New York 10010

Ladies and Gentlemen:

Chimera Investment Corporation, a Maryland corporation (the “Company”), proposes to issue and sell to the several underwriters named in Schedule A annexed hereto (the “Underwriters”), for whom Credit Suisse Securities (USA) LLC (“Credit Suisse”) is acting as the sole Representative (the “Representative”), \$325,000,000 principal amount of its 7.00% Convertible Senior Notes due 2023 (the “Firm Securities”). In addition, solely for the purposes of covering over-allotments, the Company also proposes to issue and sell to the Underwriters up to an additional \$48,750,000 principal amount of its 7.00% Convertible Senior Notes due 2023 (the “Additional Securities”), upon the terms and conditions set forth in Section 1 hereof. The Firm Securities and the Additional Securities are hereinafter collectively sometimes referred to as the “Securities. The Securities will be convertible into shares (the “Underlying Securities” and sometimes collectively with the Securities as the “Registered Securities”) of the Company’s common stock, \$0.01 par value (the “Common Stock”).

The Securities will be issued under the indenture dated as of April 13, 2020 (the “Base Indenture”) between the Company and Wilmington Trust, National Association, as trustee (the “Trustee”), as supplemented by the supplemental indenture dated as of April 13, 2020 (the “Supplemental Indenture”), between the Company and the Trustee (the Base Indenture together with the Supplemental Indenture, the “Indenture”).

In connection with the offering of the Firm Securities, the Company is separately entering into capped call transactions with certain of the Underwriters or their respective affiliates or other financial institutions (the “Option Counterparties”) pursuant to capped call confirmations (the “Base Capped Call Confirmations”) to be dated the date hereof, and in connection with the issuance of any Additional Securities, the Company and the Option Counterparties may enter into additional capped call confirmations (the “Additional Capped Call Confirmations”) to be dated the date on which the Underwriters exercise their option to purchase such Additional Securities (such Additional Capped Call Confirmations, together with the Base Capped Call Confirmations, the “Capped Call Confirmations”).

The Company has filed, in accordance with the provisions of the Securities Act of 1933, as amended, and the rules and regulations thereunder (collectively, the “Securities Act”), with the Securities and Exchange Commission (the “Commission”) an automatic shelf registration statement on Form S-3 (File No. 333-229255), as amended, including a base prospectus, with respect to the Registered Securities, and which incorporates by reference documents which the

Company has filed or will file in accordance with the provisions of the Securities Exchange Act of 1934, as amended, and the rules and regulations thereunder (collectively, the “Exchange Act”), which registration statement became effective upon filing under Rule 462(e) of the Securities Act. Promptly after execution and delivery of this Agreement, the Company will prepare and file a prospectus supplement (the “Prospectus Supplement”) to the base prospectus included as part of such registration statement setting forth the terms of the offering, sale and plan of distribution of the Securities and additional information concerning the Company and its business. The Company has furnished to the Representative, for use by the Underwriters and by dealers, copies of one or more preliminary prospectuses, containing the base prospectus included as part of such registration statement, as supplemented by a preliminary Prospectus Supplement, and including the documents incorporated by reference in such base prospectus or preliminary Prospectus Supplement (each, a “Preliminary Prospectus”), relating to the Registered Securities. Except where the context otherwise requires, such registration statement, as amended when it became effective, including all documents filed as part thereof or incorporated by reference therein, and including any information contained in a Prospectus (as defined below) subsequently filed with the Commission pursuant to Rule 424(b) of the rules and regulations of the Commission under the Securities Act (the “Securities Act Regulations”), collectively, are herein called the “Registration Statement.” The base prospectus, including all documents incorporated by reference therein, included in the Registration Statement, as supplemented by the Prospectus Supplement, in the form filed by the Company with the Commission pursuant to Rule 424(b) and Rule 430B under the Securities Act on or before the second Business Day (as defined below) following the date of this Agreement (or on such other day as the parties may mutually agree), is herein called the “Prospectus.” The information included in such prospectus that was omitted from such registration statement at the time it became effective but that is deemed to be part of such registration statement at the time it became effective pursuant to Rule 430B is referred to as “Rule 430B Information.” Any reference herein to the Registration Statement, the Prospectus, any Preliminary Prospectus or any amendment or supplement thereto shall be deemed to refer to and include the documents incorporated by reference therein, and any reference herein to the terms “amend,” “amendment” or “supplement” with respect to the Registration Statement, the Prospectus or any Preliminary Prospectus shall be deemed to refer to and include the filing after the execution hereof of any document with the Commission deemed to be incorporated by reference therein. For purposes of this Agreement, all references to the Registration Statement, the Prospectus, any Preliminary Prospectus or to any amendment or supplement to any of the foregoing shall be deemed to include any copy filed with the Commission pursuant to its Electronic Data Gathering Analysis and Retrieval System (“EDGAR”), and such copy shall be identical in content to any Prospectus or Preliminary Prospectus delivered to the Underwriters for use in connection with the offering of the Registered Securities, except to the extent permitted by Regulation S-T.

All references in this Agreement to financial statements and schedules and other information which is “contained,” “included” or “stated” in the Registration Statement, any Preliminary Prospectus or the Prospectus (or other references of like import) shall be deemed to mean and include all such financial statements and schedules and other information which is incorporated by reference in or otherwise deemed by Securities Act Regulations to be a part of or included in the Registration Statement, any Preliminary Prospectus or the Prospectus, as the case may be; and all references in this Agreement to amendments or supplements to the Registration Statement, any Preliminary Prospectus or the Prospectus shall be deemed to mean and include the

filings of any document under the Exchange Act which is incorporated by reference in the Registration Statement, such Preliminary Prospectus or the Prospectus, as the case may be.

The Company and the Underwriters agree as follows:

1. **Sale and Purchase.** Upon the basis of the warranties and representations and subject to the terms and conditions herein set forth, the Company agrees to issue and sell the Firm Securities to the Underwriters, and each of the Underwriters, severally and not jointly, agrees to purchase from the Company the respective aggregate principal amount of Firm Securities set forth in Schedule A annexed hereto opposite its name at the purchase price of 96.75% of the principal amount thereof (the “Purchase Price”). The Company is advised by the Representative that the Underwriters intend (i) to make a public offering of the Securities as soon as the Underwriters deem advisable after this Agreement has been executed and delivered and (ii) initially to offer the Firm Securities upon the terms set forth in the Prospectus. The Underwriters may from time to time increase or decrease the public offering price after the initial public offering to such extent as they may determine.

In addition, the Company hereby grants to the Underwriters the option to purchase, and upon the basis of the warranties and representations and subject to the terms and conditions herein set forth, the Underwriters shall have the right to purchase, severally and not jointly, from the Company ratably in accordance with the amount of Firm Securities to be purchased by each of them, all or a portion of the Additional Securities as may be necessary to cover over-allotments made in connection with the offering of the Firm Securities, at the Purchase Price. This option may be exercised by the Representative on behalf of the Underwriters at any time and from time to time on or before the thirteenth day following the date hereof, by written notice to the Company. Each such notice shall set forth the aggregate principal amount of Additional Securities as to which the option is being exercised and the date and time when Additional Securities are to be delivered (any such date and time being herein referred to as an “additional time of purchase”); provided, however, that an additional time of purchase shall not be (i) earlier than the time of purchase (as defined below) or (ii) later than the tenth Business Day after the date on which the option shall have been exercised. The principal amount of Additional Securities to be sold to each Underwriter shall be the number which bears the same proportion to the aggregate number of Additional Shares being purchased as the number of Firm Shares set forth opposite the name of such Underwriter on Schedule A hereto bears to the aggregate number of Firm Shares (subject, in each case, to such adjustment as the Representative may determine to eliminate fractional shares). As used herein “Business Day” shall mean a day on which the New York Stock Exchange (the “NYSE”) is open for trading and commercial banks in the City of New York are open for business.

2. **Payment and Delivery.** Payment of the purchase price for the Firm Securities shall be made to the Company by federal funds wire transfer against delivery of the Firm Securities to the Representative through the facilities of the Depository Trust Company (“DTC”) for the respective accounts of the Underwriters. Such payment and delivery shall be made at 10:00 A.M., New York City time, on April 13, 2020 (unless another time shall be agreed to by the Representative and the Company or unless postponed in accordance with the provisions of Section 8 hereof). The time at which any such payment and delivery are actually made is herein sometimes called the “time of purchase.” Delivery of the Firm Securities and Additional Securities shall be made through the facilities of the Depository Trust Company (“DTC”) and shall be in global form, as one or more

global notes representing the Securities, unless the Representative shall otherwise instruct. The Firm Securities so to be delivered or evidence of their issuance will be made available for checking at least 24 hours prior to the time of purchase. Payment of the purchase price for Additional Securities shall be made at each additional time of purchase in the same manner and at the same office as the payment for the Firm Securities. The Additional Securities being purchased on each additional time of purchase or evidence of their issuance will be made available for checking at a reasonable time in advance of such additional time of purchase.

3. Representations and Warranties of the Company. The Company represents and warrants to each of the Underwriters as of the date hereof, the Applicable Time referred to in Section 3(d), as of the time of purchase and, if applicable, at each additional time of purchase that:

(a) (1) At the time the Registration Statement was initially filed, (2) at the time of the most recent amendment thereto for the purposes of complying with Section 10(a)(3) of the Securities Act or otherwise (whether such amendment was by post-effective amendment, incorporated report filed pursuant to Section 13 or 15(d) of the Exchange Act or form of prospectus), (3) at the time the Company or any person acting on its behalf (within the meaning, for this clause only, of Rule 163(c) of the Securities Act) made any offer relating to the Securities in reliance on the exemption of Rule 163 of the Securities Act and (4) at the date hereof, the Company was and is a “well-known seasoned issuer” as defined in Rule 405 of the Securities Act (“Rule 405”), including not having been and not being an “ineligible issuer” as defined in Rule 405. The Registration Statement is an “automatic shelf registration statement,” as defined in Rule 405, and the Registered Securities, since their registration on the Registration Statement, have been and remain eligible for registration by the Company on a Rule 405 “automatic shelf registration statement”. The Company has not received from the Commission any notice pursuant to Rule 401(g)(2) of the Securities Act objecting to the use of the automatic shelf registration statement form.

At the time the Registration Statement was initially filed, at the earliest time thereafter that the Company or another offering participant made a bona fide offer (within the meaning of Rule 164(h)(2) of the Securities Act) of the Securities and at the date hereof, the Company was not and is not an “ineligible issuer,” as defined in Rule 405.

(b) The Registration Statement became effective upon filing under Rule 462(e) of the Securities Act on January 14, 2019 and any post-effective amendment thereto also became effective upon filing under Rule 462(e). The Company has not received, and has no notice of, any order of the Commission preventing or suspending the use of the Registration Statement or any post-effective amendment thereto, or threatening or instituting proceedings for that purpose. Any statutes, regulations, contracts or other documents that are required to be described in the Registration Statement or the Prospectus or to be filed as exhibits to the Registration Statement have been so described or filed. The Prospectus has been or will be so prepared and will be filed pursuant to Rule 424(b) of the Securities Act on or before the second Business Day following the date of this Agreement or on such other day as the parties may mutually agree. The Preliminary Prospectus, at the time of filing thereof, conformed in all material respects to the requirements of the Securities Act. Copies of the Registration Statement, the Preliminary Prospectus and the Prospectus, any such amendments or supplements and all documents incorporated by reference therein that were filed with the Commission on or prior to the date of this Agreement (including

one fully executed copy of each of the Registration Statement and of each amendment thereto for the Underwriters and their counsel (except for documents incorporated by reference that have otherwise been filed and are publicly available on EDGAR). The Company has not distributed any offering material in connection with the offering or sale of the Shares other than the Registration Statement, the Preliminary Prospectus, the Prospectus, Issuer General Use Free Writing Prospectuses (as defined below) or any other materials, if any, permitted by the Securities Act.

(c) Each part of the Registration Statement, and any post-effective amendment thereto, when such part became effective and at each deemed effective date with respect to the Underwriters pursuant to Rule 430B(f)(2) of the Securities Act or was or is filed with the Commission, and the Prospectus and any amendment or supplement thereto, on the date of filing thereof with the Commission and at the time of purchase and, if applicable, at each additional time of purchase, conformed or will conform in all material respects with the requirements of the Securities Act and the Trust Indenture Act of 1939 (the “Trust Indenture Act”). Each part of the Registration Statement, and any post-effective amendment thereto, when such part became effective and at each deemed effective date with respect to the Underwriters or was or is filed with the Commission, did not or will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading. The Prospectus, any Preliminary Prospectus and any amendment or supplement thereto, at their respective times of issuance and at the time of purchase and, if applicable, at each additional time of purchase, did not or will not include an untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, except that the foregoing shall not apply to statements in, or omissions from, any such document in reliance upon, and in conformity with, written information concerning the Underwriters that was furnished in writing to the Company by the Representative on behalf of the several Underwriters specifically for use in the preparation thereof.

(d) As of the Applicable Time neither (x) the Issuer General Use Free Writing Prospectus(es) (as defined below) issued at or prior to the Applicable Time, the Term Sheet (as defined herein) and the Statutory Prospectus (as defined below) as of the Applicable Time, all considered together (collectively, the “General Disclosure Package”), nor (y) any individual Issuer Limited Use Free Writing Prospectus, when considered together with the General Disclosure Package, included any untrue statement of a material fact or omitted to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading.

As used in this subsection and elsewhere in this Agreement:

“Applicable Time” means 8:30 P.M. (New York City time) on April 7, 2020 or such other time as agreed by the Company and the Representative.

“Issuer Free Writing Prospectus” means any “issuer free writing prospectus,” as defined in Rule 433 of the Securities Act (“Rule 433”), relating to the Securities that (i) is required to be filed with the Commission by the Company, (ii) is a “road show that is a written communication” within the meaning of Rule 433(d)(8)(i) whether or not required to be filed with the Commission or (iii)

is exempt from filing pursuant to Rule 433(d)(5)(i) because it contains a description of the Securities or of the offering that does not reflect the final terms, in each case in the form filed or required to be filed with the Commission or, if not required to be filed, in the form retained in the Company's records pursuant to Rule 433(g).

"Issuer General Use Free Writing Prospectus" means any Issuer Free Writing Prospectus that is intended for general distribution to prospective investors, as evidenced by it being specified in Schedule B hereto, including, without limitation, the Term Sheet.

"Issuer Limited Use Free Writing Prospectus" means any Issuer Free Writing Prospectus that is not an Issuer General Use Free Writing Prospectus.

"Statutory Prospectus" as of any time means the prospectus relating to the Securities that is included in the Registration Statement immediately prior to that time, including any document incorporated by reference therein.

The Company will prepare a final term sheet (the "Term Sheet") containing only a description of the final terms of the Securities and their offering, in a form approved by the Underwriters and attached as Schedule B hereto, and acknowledges that the Term Sheet is an Issuer General Use Free Writing Prospectus and will comply with its related obligations set forth in Section 3(dd) hereof. The Company will furnish to each Underwriter, without charge, copies of the Term Sheet promptly upon its completion.

Each Issuer Free Writing Prospectus, as of its issue date and at all subsequent times through the completion of the public offer and sale of the Securities or until any earlier date that the Company notified or notifies the Representative as described in the next sentence, did not, does not and will not include any information that conflicted, conflicts or will conflict with the information contained in the Registration Statement or the Prospectus, including any document incorporated by reference therein, and any preliminary or other prospectus deemed to be a part thereof that has not been superseded or modified.

The representations and warranties in this subsection shall not apply to statements in or omissions from the Registration Statement, the Prospectus or any Issuer Free Writing Prospectus made in reliance upon and in conformity with written information furnished to the Company by any Underwriter through the Representative expressly for use therein.

(e) The documents incorporated by reference in the Registration Statement, the Preliminary Prospectus, the Prospectus or any amendment or supplement thereto, when they were or are filed with the Commission under the Securities Act or the Exchange Act, as the case may be, conformed or will conform in all material respects with the requirements of the Securities Act and the Exchange Act, as applicable and, when read together with the other information in the Registration Statement, the General Disclosure Package and the Prospectus (as applicable), (i) at the time the Registration Statement became effective, (ii) at the earlier of time the Prospectus was first used and the date and time of the first contract of sale of Securities in this offering and (iii) at the Applicable Time, did not and will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading.

(f) The consolidated financial statements of the Company, together with the related schedules and notes thereto, set forth or included or incorporated by reference in the Registration Statement, the General Disclosure Package, and the Prospectus are accurate in all material respects and fairly present the financial condition of the Company on a consolidated basis as of the dates indicated and the results of operations, changes in financial position, stockholders' equity and cash flows for the periods therein specified are in conformity with generally accepted accounting principles consistently applied throughout the periods involved (except as otherwise stated therein). The selected financial and statistical data included or incorporated by reference in the Registration Statement and the Prospectus present fairly the information shown therein and, to the extent based upon or derived from the financial statements, have been compiled on a basis consistent with the financial statements presented therein. No other financial statements are required to be set forth or to be incorporated by reference in the Registration Statement or the Prospectus under the Securities Act. Effect or except as are being contested in good faith and for which adequate reserves have been established in accordance with generally accepted accounting principles), and no tax deficiency has been determined adversely to the Company or any of the Subsidiaries which has had (nor does the Company nor any of the Subsidiaries have any notice or knowledge of any tax deficiency which would reasonably be expected to be determined adversely to the Company nor any of the Subsidiaries and which would reasonably be expected to have) a Material Adverse Effect. (kk) The Company and each of the Subsidiaries is insured by insurers of recognized financial responsibility against such losses and risks and in such amounts as are prudent and customary in the business in which it is engaged. Neither the Company nor any Subsidiary has any reason to believe that it will not be able to renew its existing insurance coverage as and when

(ll) Neither, the Company nor any Subsidiary is in violation, or has received notice of any violation with respect to, any applicable environmental, safety or similar law applicable to the business of the Company or the Subsidiaries. (pp) The Company since January 1, 2013 has been, and upon the sale of the Securities will continue to be, organized and operated in conformity with the requirements for qualification and taxation as a "real estate investment trust" (a "REIT") under Sections 856 through 860 of the Internal Revenue Code of 1986, as amended, and the regulations and published interpretations thereunder (collectively, the "Code"), for all taxable years commencing with its taxable year ended December 31, 2013. (c) During (a) the time in which a Prospectus relating to the Securities is required to be delivered under the Securities Act or (b) 180 days, whichever is greater, the Company will advise the Representative immediately, confirming such advice in writing, of (i) the receipt of any comments from the Commission relating to any filing of the Company under the Securities Act or the Exchange Act, (ii) any request by the Commission for amendments or supplements to the Registration Statement or the Prospectus or for additional information with respect thereto, (iii) the issuance by the Commission of any stop order suspending the effectiveness of the Registration

Statement or of any order preventing or suspending the use of any Preliminary Prospectus or the Prospectus or of any examination pursuant to Section 8(e) of the Securities Act concerning the Registration Statement, (iv) the suspension of the qualification of the Registered Securities for offering or sale in any jurisdiction and (v) the initiation, threatening or contemplation of any proceedings for any of such purposes and, if the Commission or any other governmental agency or authority should issue any such order, the Company will make every reasonable effort to obtain the lifting or removal of such order as soon as possible. During (a) the time in which a Prospectus relating to the Securities is required to be delivered under the Securities Act or (b) 180 days, whichever is greater, the Company will advise the Representative promptly of any proposal to amend or supplement the Registration Statement or the Prospectus and will furnish the Representative with copies of any such documents a reasonable amount of time prior to such proposed filing or use, as the case may be, and will not file or use any such document to which the Representative or counsel for the Underwriters shall object in writing. The Company has given the Representative notice of any filings made pursuant to the Exchange Act within 48 hours prior to the Applicable Time; the Company will give the Representative notice of its intention to make any such filing from the Applicable Time to the time of purchase and, if applicable, from the time the Representative give the Company notice of their intention to exercise the option set forth in Section 1 to purchase Additional Securities to each additional time of purchase, and will furnish the Representative with copies of any such documents a reasonable amount of time prior to such proposed filing, as the case may be, and will not file or use any such document to which the Representative or counsel for the Underwriters shall object in writing.

(d) During (a) the time in which a Prospectus relating to the Securities is required to be delivered under the Securities Act or (b) 180 days, whichever is greater, the Company will advise the Representative promptly and, if requested by the Representative, will confirm such advice in writing when any post-effective amendment to the Registration Statement becomes effective under the Securities Act.

(e) Between the date hereof and April 13, 2020, the Company will not take or authorize any action that would result in an adjustment of the conversion price of the Securities pursuant to the terms of the Securities described in the Prospectus and the General Disclosure Package under the captions "Description of the Notes-Conversion Rights-Conversion Rate Adjustments".

(f) The Company will furnish to the Representative, and upon request to each of the Underwriters, for a period of five years from the date of this Agreement (i) copies of any reports or other communications which the Company shall send to its stockholders or shall from time to time publish or publicly disseminate, (ii) copies of all annual, quarterly and current reports filed with the Commission on Forms 10-K, 10-Q and 8-K, or such other similar form as may be designated by the Commission, (iii) copies of documents or reports filed with any national securities exchange on which any class of securities of the Company is listed, and (iv) such other information as the Representative may reasonably request regarding the Company, in each case as soon as such communications, documents or information become available; provided that any materials described in clauses (i) – (iv) that are filed with the Commission and available through EDGAR shall be deemed automatically furnished without any further action by the Company.

(g) The Company will advise the Representative promptly of the happening of any event known to the Company within the time during which a Prospectus relating to the Securities

is required to be delivered under the Securities Act which would require the making of any change in the Prospectus then being used, or in the information incorporated by reference therein, so that the Prospectus would not include an untrue statement of material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, or if it is necessary at any time to amend or supplement the Prospectus to comply with any law. If within the time during which a Prospectus relating to the Securities is required to be delivered under the Securities Act any event shall occur or condition shall exist which, in the reasonable opinion of the Company, the Representative or counsel for the Underwriters, would require the making of any change in the Prospectus then being used, or in the information incorporated by reference therein, so that the Prospectus would not include an untrue statement of material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, or if it is necessary at any time to amend or supplement the Prospectus to comply with any law, the Company will promptly prepare and furnish to the Underwriters copies of the proposed amendment or supplement before filing any such amendment or supplement with the Commission and thereafter promptly furnish, at the Company's own expense, to the Underwriters and to dealers copies in such quantities and at such locations as the Representative may from time to time reasonably request of an appropriate amendment to the Registration Statement or supplement to the Prospectus so that the Prospectus as so amended or supplemented will not, in the circumstances when it is so delivered, be misleading or so that the Prospectus will comply with the law. If at any time following issuance of an Issuer Free Writing Prospectus there occurred or occurs an event or development as a result of which such Issuer Free Writing Prospectus conflicted or would conflict with the information contained in the Registration Statement relating to the Registered Securities or the Statutory Prospectus or any preliminary prospectus or included or would include an untrue statement of a material fact or omitted or would omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances, prevailing at that subsequent time, not misleading, the Company will promptly notify the Representative and will promptly amend or supplement, at its own expense, such Issuer Free Writing Prospectus to eliminate or correct such conflict, untrue statement or omission.

(h) The Company will make generally available to its stockholders as soon as practicable, and in the manner contemplated by Rule 158 of the Securities Act but in any event not later than 15 months after the end of the Company's current fiscal quarter, an earnings statement (which need not be audited) covering a 12-month period beginning after the date upon which the Prospectus is filed pursuant to Rule 424(b) under the Securities Act that shall satisfy the provisions of Section 11(a) of the Securities Act and Rule 158 thereunder and will advise the Underwriters in writing when such statement has been made available.

(i) The Company will furnish to the Representative a signed copy of the Registration Statement, as initially filed with the Commission, and of all amendments thereto (including all exhibits thereto and documents incorporated by reference therein) and such number of conformed copies of the foregoing (other than exhibits) as the Representative may reasonably request.

(j) The Company will apply the net proceeds from the sale of the Securities in the manner set forth under the caption "Use of Proceeds" in the Prospectus.

(k) Within the time during which a Prospectus relating to the Securities is required to be delivered under the Securities Act, the Company will furnish to the Representative, not less than two Business Days before a filing with the Commission, a copy of any document proposed to be filed pursuant to Section 13, 14 or 15(d) of the Exchange Act and during such period will file all such documents in a manner and within the time periods required by the Exchange Act.

(l) The Company will not offer, sell, contract to sell, pledge, register, grant any option to purchase or otherwise dispose of, directly or indirectly, any shares of common stock, or any securities convertible into, or exercisable, exchangeable or redeemable for shares of common stock, except for the sales to the Underwriters pursuant to this Agreement, for a period of 30 days after the date hereof, without the prior written consent of the Representative. The foregoing sentence shall not apply to (i) the Underlying Securities pursuant to the conversion of the Securities, (ii) any equity linked financing issued in a private transaction, including any securities convertible into, or exercisable, exchangeable or redeemable for shares of common stock provided the investors in any such financing agree to be subject to a lock-up until the lock-up hereunder expires, (iii) the issuance of Common Stock, restricted stock, options or other units or awards pursuant to the Company's long term stock incentive plans as currently in effect (or the filing of a Form S-8 related to such plans) or pursuant to the exercise of employee stock options or other awards, and (iv) the issuance of Common Stock pursuant to the Company's dividend reinvestment plan or any successor dividend reinvestment or share purchase plan (or the filing of a Form S-3 related to such a plan).

(m) The Company will use its best efforts to cause the Underlying Securities to be listed on the NYSE within the time period specified in the Prospectus and to maintain such listing and to file with the NYSE all documents and notices required by the NYSE of companies that have securities that are listed on the NYSE.

(n) The Company will reserve and keep available at all times, free of pre-emptive rights, the full number of Underlying Securities.

(o) The Company will maintain and keep accurate books and records reflecting its assets and maintain internal accounting controls which provide reasonable assurance that (i) transactions are executed in accordance with management's authorization, (ii) transactions are recorded as necessary to permit the preparation of the Company's consolidated financial statements and to maintain accountability for the assets of the Company, (iii) access to the assets of the Company is permitted only in accordance with management's authorization and (iv) the recorded accounts of the assets of the Company are compared with existing assets at reasonable intervals.

(p) The Company will maintain, at its expense, a registrar and transfer agent for the Common Stock.

(q) The Company will pay all expenses, fees and taxes (other than any fees and disbursements of counsel for the Underwriters, except as set forth under Section 5 hereof or (iv) or (vi) below) in connection with (i) the preparation and filing of the Registration Statement, each Preliminary Prospectus, the Prospectus, any Permitted Free Writing Prospectus and any amendments or supplements thereto, and the printing and furnishing of copies of each thereof to

the Underwriters and to dealers (including costs of mailing and shipment), (ii) the issuance, sale and delivery of the Securities by the Company, (iii) any fees charged by rating agencies for rating the Securities, if any, (iv) the word processing and/or printing of this Agreement, any dealer agreements, and the reproduction and/or printing and furnishing of copies of each thereof to the Underwriters and to dealers (including costs of mailing and shipment), (v) the costs and expenses of the Company relating to investor presentations on any “road show” undertaken in connection with the marketing of the Securities, including without limitation, expenses associated with the production of road show slides and graphics, fees and expenses of any consultants engaged in connection with the road show presentations, travel and lodging expenses of the representatives and officers of the Company and any such consultants, and the cost of aircraft and other transportation chartered in connection with the road show, except that the lodging, airfare (except if the Company charters a flight in which case employees of the Underwriters ride on such charter without charge), and incidental expenses of employees of the Underwriters shall be the responsibility of the Underwriters, (vi) the qualification of the Securities for offering and sale under state laws and the determination of their eligibility for investment under state law as aforesaid (including the legal fees and filing fees and other disbursements of counsel to the Underwriters) and the preparation, printing and furnishing of copies of any blue sky surveys or legal investment surveys to the Underwriters and to dealers, (vii) any listing of the Underlying Securities on the NYSE and any registration of the Registered Securities under the Exchange Act and the approval for book-entry transfer by DTC, (viii) the filing, if any, for review of the public offering of the Underlying Securities by the FINRA, (ix) the performance of the Company’s other obligations hereunder, (x) the fees and expenses of the Trustee and any agent of the Trustee and the fees and disbursements of counsel for the Trustee in connection with the Indenture and the Securities, and (xi) the costs and expenses (including without limitation any damages or other amounts payable in connection with legal or contractual liability) associated with the reforming of any contracts for sale of the Securities made by the Underwriters caused by a breach of the representation contained in the first paragraph of Section 3(d).

(r) The Company will not and will cause the Subsidiaries not to (i) take, directly or indirectly, prior to termination of the underwriting syndicate contemplated by this Agreement, any action designed to stabilize or manipulate the price of any security of the Company, or which may cause or result in, or which might in the future reasonably be expected to cause or result in, the stabilization or manipulation of the price of any security of the Company, to facilitate the sale or resale of any of the Securities or (ii) prior to termination of the underwriting syndicate contemplated by this Agreement, sell, bid for, purchase or pay any Person (other than as contemplated by the provisions hereof) any compensation for soliciting purchases of the Securities.

(s) The Company will not invest in futures contracts, options on futures contracts or options on commodities unless the Company is exempt from the registration requirements of the Commodity Exchange Act, as amended, or otherwise complies with the Commodity Exchange Act, as amended. In addition, the Company will not engage in any activities which might be subject to the Commodity Exchange Act, as amended, unless such activities are exempt from that Act or otherwise comply with that Act or with an applicable no-action letter to the Company from the Commodities Futures Trading Commission.

(t) The Company will comply with all of the provisions of any undertakings in the Registration Statement.

(u) The Company is organized and operated in conformity with the requirements for qualification and taxation of the Company as a REIT under the Code, and the Company's proposed methods of operation will enable the Company to continue to meet the requirements for qualification and taxation as a REIT under the Code for subsequent taxable years.

(v) The Company will not be or become, and will cause each of the Subsidiaries not to be or become, at any time prior to the expiration of three years after the date of the Agreement, required to register as an "investment company," as such term is defined in the Investment Company Act.

(w) The Company has retained the Accountants as its qualified accountants and qualified tax experts (i) to test procedures and conduct annual compliance reviews designed to determine compliance with the REIT provisions of the Code and the Company's exempt status under the Investment Company Act and (ii) to otherwise assist the Company in monitoring appropriate accounting systems and procedures designed to determine compliance with the REIT provisions of the Code and the Company's exempt status under the Investment Company Act.

(x) The Company will comply with all requirements imposed upon it by the Securities Act, the Exchange Act and the Trust Indenture Act as from time to time in force, so far as necessary to permit the continuance of sales of, or dealings in, the Securities as contemplated by the provisions hereof and the Prospectus.

(y) The Company will maintain such controls and other procedures, including, without limitation, those required by Sections 302 and 906 of the Sarbanes-Oxley Act, and the applicable regulations thereunder that are designed to ensure that information required to be disclosed by the Company in the reports that it files or submits under the Exchange Act is recorded, processed, summarized and reported, within the time periods specified in the Commission's rules and forms, including, without limitation, controls and procedures designed to ensure that information required to be disclosed by the Company in the reports that it files or submits under the Exchange Act is accumulated and communicated to the Company's management, including its Chief Executive Officer and Chief Financial Officer, or persons performing similar functions, as appropriate to allow timely decisions regarding required disclosure and to ensure that material information relating to the Company is made known to them by others within those entities, particularly during the period in which such periodic reports are being prepared.

(z) The Company will comply with all effective applicable provisions of the Sarbanes-Oxley Act.

(aa) The Company represents and agrees that, unless it obtains the prior consent of the Representative, and each Underwriter represents and agrees that, unless it obtains the prior consent of the Company and the Representative, it has not made and will not make any offer relating to the Securities that would constitute an "issuer free writing prospectus," as defined in Rule 433, or that would otherwise constitute a "free writing prospectus," as defined in Rule 405, required to be filed with the Commission or, in the case of the Company, whether or not required to be filed with the Commission; provided, however, that prior to the preparation of the Prospectus in accordance with Section 4(b), the Underwriters are authorized to use the information with respect to the final terms of the Securities in communications conveying information relating to the offering to

investors, including the Term Sheet. Any such free writing prospectus consented to by the Company and the Representative is hereinafter referred to as a “Permitted Free Writing Prospectus.” The Company represents that it has treated or agrees that it will treat each Permitted Free Writing Prospectus as an “issuer free writing prospectus,” as defined in Rule 433, and has complied and will comply with the requirements of Rule 433 applicable to any Permitted Free Writing Prospectus, including timely filing with the Commission where required, legending and record keeping.

(bb) If the third anniversary of the initial effective date of the Registration Statement occurs before all the Securities have been sold by the Underwriters, prior to the third anniversary to file a new shelf registration statement and to take any other action necessary to permit the public offering of the Securities to continue without interruption; references herein to the Registration Statement shall include the new registration statement declared effective by, or automatically effective upon filing with, the Commission; provided, however, for the avoidance of doubt, this subsection (bb) shall not apply unless the Representative notifies the Company that not all of the Securities have been sold by the Underwriters at least 60 days prior to the third anniversary of the initial effective date of the Registration Statement.

5. Reimbursement of Underwriter’s Expenses. If the Securities are not delivered for any reason other than the termination of this Agreement pursuant to the default by one or more of the Underwriters in its or their respective obligations hereunder, the Company shall, in addition to paying the amounts described in Section 4(q) hereof, reimburse the Underwriters for all of their out-of-pocket expenses, including the fees and disbursements of their counsel.

6. Conditions of Underwriter’s Obligations. The several obligations of the Underwriters hereunder are subject to the accuracy of the representations and warranties on the part of the Company on the date hereof, at the Applicable Time and at the time of purchase (and the several obligations of the Underwriters at each additional time of purchase are subject to the accuracy of the representations and warranties on the part of the Company on the date hereof, at the Applicable Time and at the time of purchase (unless previously waived) and at each additional time of purchase, as the case may be), the performance by the Company of its obligations hereunder and to the following additional conditions precedent:

(a) The Company shall furnish to the Representative, at the time of purchase and at each additional time of purchase, as the case may be, opinions of (i) Hunton Andrews Kurth LLP, special and tax counsel for the Company, (ii) Venable LLP, Maryland counsel for the Company, and (iii) Phillip J. Kardis II, Chief Legal Officer of the Company, addressed to the Underwriters, and dated the time of purchase or each additional time of purchase, as the case may be, and in form satisfactory to Ropes & Gray LLP, counsel for the Underwriters, substantially in the form of Exhibit A, Exhibit B and Exhibit C, respectively, attached hereto.

(b) The Representative shall have received from the Accountants, letters dated, respectively, the date of this Agreement and the time of purchase and each additional time of purchase, as the case may be, and addressed to the Underwriters in the forms heretofore approved by the Representative relating to the financial statements, including any pro forma financial statements of the Company and such other matters customarily covered by comfort letters issued in connection with a registered public offering.

In the event that the letters referred to above set forth any such changes, decreases or increases, it shall be a further condition to the obligations of the Underwriters that (i) such letters shall be accompanied by a written explanation of the Company as to the significance thereof, unless the Representative deems such explanation unnecessary, and (ii) such changes, decreases or increases do not, in the sole judgment of the Representative, make it impractical or inadvisable to proceed with the purchase and delivery of the Securities as contemplated by the Registration Statement and the Prospectus.

(c) The Representative shall have received at the time of purchase and at each additional time of purchase, as the case may be, an opinion of Ropes & Gray LLP, counsel for the Underwriters, dated the time of purchase or each additional time of purchase, as the case may be, in form and substance satisfactory to the Representative.

(d) No amendment or supplement to the Registration Statement or the Prospectus, including the documents deemed to be incorporated by reference therein, or Issuer Free Writing Prospectus shall be filed to which the Underwriters object in writing.

(e) Prior to the time of purchase or each additional time of purchase, as the case may be, (i) no stop order with respect to the effectiveness of the Registration Statement shall have been issued under the Securities Act or proceedings initiated under Section 8(d) or 8(e) of the Securities Act; (ii) the Registration Statement and all amendments thereto, or modifications thereof, if any, shall not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading; and (iii) the Prospectus and all amendments or supplements thereto, or modifications thereof, if any, and the General Disclosure Package shall not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they are made, not misleading.

(f) All filings with the Commission required by Rule 424 under the Securities Act to have been filed by the time of purchase or each additional time of purchase, as the case may be, shall have been made within the applicable time period prescribed for such filing by Rule 424 (without reliance on Rule 424(b)(8)). A prospectus containing the Rule 430B Information shall have been filed with the Commission in accordance with Rule 424(b) (or a post-effective amendment providing such information shall have been filed and declared effective in accordance with the requirements of Rule 430B).

(g) Between the time of execution of this Agreement and the time of purchase or each additional time of purchase, as the case may be, (i) no material and unfavorable change, financial or otherwise (other than as referred to in the Registration Statement, and the Prospectus and the General Disclosure Package, in each case as of the Applicable Time), in the business, condition, net worth or prospects of the Company and the Subsidiaries, taken as a whole, shall occur or become known and (ii) no transaction which is material and unfavorable to the Company or any of the Subsidiaries, taken as a whole, shall have been entered into by the Company or any Subsidiary.

(h) The Company shall deliver to the Representative a certificate, dated the date of this Agreement, signed by its Chief Financial Officer, substantially in the form of Exhibit D, attached hereto.

(i) The Company will, at the time of purchase or each additional time of purchase, as the case may be, deliver to the Representative a certificate of two of its executive officers to the effect that the representations and warranties of the Company as set forth in this Agreement are true and correct as of each such date, that the Company shall perform such of its obligations under this Agreement as are to be performed at or before the time of purchase and at or before each additional time of purchase, as the case may be, and that the conditions set forth in subsections (e) and (g) of this Section 6 have been met.

(j) The Company shall have furnished to the Representative such other documents and certificates as to the accuracy and completeness of any statement in the Registration Statement and the Prospectus as of the time of purchase and each additional time of purchase, as the case may be, as the Representative may reasonably request.

(k) The Underlying Securities shall have been approved for listing on the NYSE, subject only to official notice of issuance.

(l) FINRA shall not have raised any objection with respect to the fairness and reasonableness of the underwriting terms and arrangements.

(m) Between the time of execution of this Agreement and the time of purchase or each additional time of purchase, as the case may be, there shall not have occurred any downgrading, nor shall any notice or announcement have been given or made of (i) any intended or potential downgrading or (ii) any review or possible change that does not indicate an improvement, in the rating accorded any securities of or guaranteed by the Company by any “nationally recognized statistical rating organization,” as that term is defined under Section 3(a)(62) of the Exchange Act.

(n) The Representative shall have received lock-up agreements from the individuals listed on Schedule C hereto, in the form of Exhibit E hereto, and such letter agreements shall be in full force and effect.

7. **Termination.** The obligations of the Underwriters hereunder shall be subject to termination in the absolute discretion of the Representative, at any time prior to the time of purchase or, if applicable, each additional time of purchase, (i) if any of the conditions specified in Section 6 shall not have been fulfilled when and as required by this Agreement to be fulfilled, (ii) if any material adverse and unfavorable change occurs (financial or otherwise), or any development involving a material adverse and unfavorable change occurs (financial or otherwise) (in each case, other than as disclosed in, or incorporated by reference into, the Registration Statement, the General Disclosure Package, and the Prospectus as of the Applicable Time (exclusive of any supplement thereto)), in the operations, business, net worth, condition or prospects of the Company and the Subsidiaries, taken as a whole, or a material change in management of the Company occurs, whether or not arising in the ordinary course of business, which would, in the sole judgment of the Representative, make it impracticable to market the Securities, (iii) if (a) the United States shall have declared war in accordance with its constitutional

processes or there has occurred an outbreak or escalation of hostilities or other national or international calamity or crisis or change or development in economic, political or other conditions the effect of which on, or (b) any material adverse change in the financial markets of the United States or the international financial markets is such as to make it, in the sole judgment of the Representative, impracticable or inadvisable to market the Securities or enforce contracts for the sale of the Securities, (iv) if trading in any securities of the Company has been suspended or materially limited by the Commission or by the NYSE, or if trading generally on the NYSE, the NYSE American LLC or the Nasdaq Global Market has been suspended, materially limited, (including an automatic halt in trading pursuant to market-decline triggers other than those in which solely program trading is temporarily halted), or limitations on or minimum prices for trading (other than limitations on hours or numbers of days of trading) shall have been fixed, or maximum ranges for prices for securities have been required, by such exchange or FINRA or Nasdaq or by order of the Commission or any other governmental authority, (v) if a banking moratorium shall have been declared by New York or United States authorities or a material disruption has occurred in commercial banking or securities settlement or clearance services in the United States, (vi) if there shall have occurred any downgrading, or any notice or announcement shall have been given or made of (a) any intended or potential downgrading or (b) any review or possible change that does not indicate an improvement, in the rating accorded any securities of or guaranteed by the Company or any Subsidiary by any "nationally recognized statistical rating organization," as that term is defined under Section 3(a)(62) of the Exchange Act, (vii) if any federal or state statute, regulation, rule or order of any court or other governmental authority has been enacted, published, decreed or otherwise promulgated which, in the reasonable opinion of the Representative, materially adversely affects or will materially adversely affect the business or operations of the Company, or (viii) if any action has been taken by any federal, state or local government or agency in respect of its monetary or fiscal affairs which, in the reasonable opinion of the Representative, has a material adverse effect on the securities markets in the United States.

If the Representative elects to terminate this Agreement as provided in this Section 7, the Company and each other Underwriter shall be notified promptly by telephone, which shall be promptly confirmed by facsimile.

If the sale to the Underwriters of the Securities, as contemplated by this Agreement, is not carried out by the Underwriters for any reason permitted under this Agreement or if such sale is not carried out because the Company shall be unable to comply with any of the terms of this Agreement, the Company shall not be under any obligation or liability under this Agreement (except to the extent provided in Sections 3, 4(q), 5, 9 and 10 hereof), and the Underwriters shall be under no obligation or liability to the Company under this Agreement (except to the extent provided in Sections 9 and 10 hereof) or to one another hereunder.

8. Increase in Underwriters' Commitments. If any Underwriter shall default in its obligation under this Agreement to take up and pay for the Securities to be purchased by it under this Agreement (otherwise than for reasons sufficient to justify the termination of this Agreement under the provisions of or under the provisions of Section 7 hereof), the Representative shall have the right, within 36 hours after such default, to make arrangements for one or more of the non-defaulting Underwriters, or any other underwriters, to purchase all, but not less than all, of the Securities which such Underwriter shall have agreed but failed to take up and pay for (the "Defaulted Securities"). Absent the completion of such arrangements within such 36-hour period,

(i) if the total amount of Defaulted Securities does not exceed 10% of the total amount of Securities to be purchased at the time of purchase or each additional time of purchase, as the case may be, each non-defaulting Underwriter shall take up and pay for (in addition to the number of Securities agreed to be purchased by all such defaulting Underwriters in such amount or amounts as the Representative may designate with the consent of each Underwriter so designated or, in the event no such designation is made, such Securities shall be taken up and paid for by all non-defaulting Underwriters pro rata in proportion to the aggregate principal amount of Firm Securities set opposite the names of such non-defaulting Underwriters in Schedule A; and (ii) if the total amount of Defaulted Securities exceeds 10% of such total amount of Securities to be purchased at the time of purchase or each additional time of purchase, as the case may be, and if neither the non-defaulting Underwriters nor the Company shall make arrangements within the five Business Day period from the date of default for the purchase of such Defaulted Securities, the Representative may terminate this Agreement by notice to the Company, without liability of any party to any other party except that the provisions of Sections 3, 4(q), 5, 9, and 10 shall at all times be effective and shall survive such termination. Nothing in this paragraph, and no action taken hereunder, shall relieve any defaulting Underwriter from liability in respect of any default of such Underwriter under this Agreement.

Without relieving any defaulting Underwriter from its obligations hereunder, the Company agrees with the non-defaulting Underwriters that they will not sell any Securities hereunder unless all of the Securities are purchased by the Underwriters (or by substituted Underwriters selected by the Representative with the approval of the Company or selected by the Company with the approval of the Representative).

If a new Underwriter or Underwriters are substituted for a defaulting Underwriter or Underwriters in accordance with the foregoing provisions, the Company or the Representative shall have the right to postpone the time of purchase or each additional time of purchase, as the case may be, for a period not exceeding seven Business Days from the date of substitution in order that any necessary changes in the Registration Statement and the Prospectus and other documents may be effected.

The term Underwriter as used in this Agreement shall refer to and include any Underwriter substituted under this Section 8 with like effect as if such substituted Underwriter had originally been named in Schedule A.

9. Indemnification.

(a) Indemnification of Underwriters. The Company agrees to indemnify and hold harmless the Underwriters, their affiliates, as such term is defined in Rule 501(b) under the Securities Act (each, an “Affiliate”) and the person, if any, who controls each Underwriter within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act as follows:

(i) against any and all loss, liability, claim, damage and expense whatsoever, as incurred, arising out of any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement (or any amendment thereto), including the Rule 430B Information, or the omission or alleged omission therefrom of a material fact required to be stated therein or necessary to make the statements therein not misleading or

arising out of any untrue statement or alleged untrue statement of a material fact contained in any preliminary prospectus, any Issuer Free Writing Prospectus, including the Term Sheet, the General Disclosure Package or the Prospectus (or any amendment or supplement thereto or any documents deemed to be incorporated by reference therein), or the omission or alleged omission therefrom of a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading;

(ii) against any and all loss, liability, claim, damage and expense whatsoever, as incurred, to the extent of the aggregate amount paid in settlement of any litigation, or any investigation or proceeding by any governmental agency or body, commenced or threatened, or of any claim whatsoever based upon any such untrue statement or omission, or any such alleged untrue statement or omission; provided that (subject to Section 9(d) below) any such settlement is effected with the written consent of the Company; and

(iii) against, any and all expense whatsoever, as incurred (including the fees and disbursements of counsel chosen by the Representative), reasonably incurred in investigating, preparing or defending against any litigation, or any investigation or proceeding by any governmental agency or body, commenced or threatened, or any claim whatsoever based upon any such untrue statement or omission, or any such alleged untrue statement or omission, to the extent that any such expense is not paid under (i) or (ii) above;

provided, however, that this indemnity agreement shall not apply to any loss, liability, claim, damage or expense to the extent arising out of any untrue statement or omission or alleged untrue statement or omission made in reliance upon and in conformity with written information furnished to the Company by any Underwriter through the Representative expressly for use in the Registration Statement (or any amendment thereto), including the Rule 430B Information or any preliminary prospectus, any Issuer Free Writing Prospectus, including the Term Sheet, the General Disclosure Package or the Prospectus (or any amendment or supplement thereto or any documents deemed to be incorporated by reference therein), it being understood and agreed that the only such information furnished by the Underwriters consists of the information described as such in subsection (b) below.

(b) Indemnification of Company, Directors and Officers. Each Underwriter severally agrees to indemnify and hold harmless the Company, its directors, each of its officers who signed the Registration Statement, and each person, if any, who controls the Company within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act against any and all loss, liability, claim, damage and expense described in the indemnity contained in subsection (a) of this Section, as incurred, but only with respect to untrue statements or omissions, or alleged untrue statements or omissions, made in the Registration Statement (or any amendment thereto), including the Rule 430B Information or any preliminary prospectus, any Issuer Free Writing Prospectus, including the Term Sheet, General Disclosure Package or the Prospectus (or any amendment or supplement thereto) in reliance upon and in conformity with written information furnished to the Company by such Underwriter through the Representative expressly for use therein, it being understood and agreed that the only such information furnished by any Underwriter consists of the following information in the Prospectus: the information in the fourth paragraph under the caption "Underwriting".

(c) **Actions against Parties: Notification.** Each indemnified party shall give notice as promptly as reasonably practicable to each indemnifying party of any action commenced against it in respect of which indemnity may be sought hereunder, but failure to so notify an indemnifying party shall not relieve such indemnifying party from any liability hereunder to the extent it is not materially prejudiced as a result thereof and in any event shall not relieve it from any liability which it may have otherwise than on account of this indemnity agreement. In the case of parties indemnified pursuant to Section 9(a) above, counsel to the indemnified parties shall be selected by the Representative, and, in the case of parties indemnified pursuant to Section 9(b) above, counsel to the indemnified parties shall be selected by the Company. An indemnifying party may participate at its own expense in the defense of any such action; provided, however, that counsel to the indemnifying party shall not (except with the consent of the indemnified party) also be counsel to the indemnified party. In no event shall the indemnifying parties be liable for fees and expenses of more than one counsel (in addition to any local counsel) separate from their own counsel for all indemnified parties in connection with any one action or separate but similar or related actions in the same jurisdiction arising out of the same general allegations or circumstances. No indemnifying party shall, without the prior written consent of the indemnified parties, settle or compromise or consent to the entry of any judgment with respect to any litigation, or any investigation or proceeding by any governmental agency or body, commenced or threatened, or any claim whatsoever in respect of which indemnification or contribution could be sought under this Section 9 or Section 10 hereof (whether or not the indemnified parties are actual or potential parties thereto), unless such settlement, compromise or consent (i) includes an unconditional release of each indemnified party from all liability arising out of such litigation, investigation, proceeding or claim and (ii) does not include a statement as to or an admission of fault, culpability or a failure to act by or on behalf of any indemnified party.

(d) **Settlement without Consent if Failure to Reimburse.** If at any time an indemnified party shall have requested an indemnifying party to reimburse the indemnified party for fees and expenses of counsel, such indemnifying party agrees that it shall be liable for any settlement of the nature contemplated by Section 9(a)(ii) effected without its written consent if (i) such settlement is entered into more than 45 days after receipt by such indemnifying party of the aforesaid request, (ii) such indemnifying party shall have received notice of the terms of such settlement at least 30 days prior to such settlement being entered into and (iii) such indemnifying party shall not have reimbursed such indemnified party in accordance with such request prior to the date of such settlement.

10. Contribution. If the indemnification provided for in Section 9 hereof is for any reason unavailable to or insufficient to hold harmless an indemnified party in respect of any losses, liabilities, claims, damages or expenses referred to therein, then each indemnifying party shall contribute to the aggregate amount of such losses, liabilities, claims, damages and expenses incurred by such indemnified party, as incurred, (i) in such proportion as is appropriate to reflect the relative benefits received by the Company on the one hand and the Underwriters on the other hand from the offering of the Securities pursuant to this Agreement or (ii) if the allocation provided by clause (i) is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) above but also the relative fault of the Company on the one hand and of the Underwriters on the other hand in connection with the statements or omissions which resulted in such losses, liabilities, claims, damages or expenses, as well as any other relevant equitable considerations.

The relative benefits received by the Company on the one hand and the Underwriters on the other hand in connection with the offering of the Securities pursuant to this Agreement shall be deemed to be in the same respective proportions as the net proceeds from the offering of the Securities pursuant to this Agreement (before deducting expenses) received by the Company, relative to the total compensation received by the Underwriters from the sale of Securities on behalf of the Underwriters.

The relative fault of the Company on the one hand and the Underwriters on the other hand shall be determined by reference to, among other things, whether any such untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact relates to information supplied by the Company or by the Underwriters and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission.

The Company and the Underwriters agree that it would not be just and equitable if contribution pursuant to this Section 10 were determined by pro rata allocation by any other method of allocation which does not take account of the equitable considerations referred to above in this Section 10. The aggregate amount of losses, liabilities, claims, damages and expenses incurred by an indemnified party and referred to above in this Section 10 shall be deemed to include any legal or other expenses reasonably incurred by such indemnified party in investigating, preparing or defending against any litigation, or any investigation or proceeding by any governmental agency or body, commenced or threatened, or any claim whatsoever based upon any such untrue or alleged untrue statement or omission or alleged omission.

Notwithstanding the provisions of this Section 10, no Underwriter shall be required to contribute any amount in excess of the amount by which the total price at which the Securities underwritten by it and distributed to the public were offered to the public exceeds the amount of any damages which such Underwriter has otherwise been required to pay by reason of any such untrue or alleged untrue statement or omission or alleged omission.

No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any Person who was not guilty of such fraudulent misrepresentation.

For purposes of this Section 10, the person, if any, who controls any Underwriter within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act and the Underwriters' Affiliates shall have the same rights to contribution as such Underwriter, and each director of the Company, each officer of the Company who signed the Registration Statement, and each person, if any, who controls the Company within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act shall have the same rights to contribution as the Company.

11. Notices. Except as otherwise herein provided, all statements, requests, notices and agreements shall be in writing or by telegram and, if to the Underwriters, shall be sufficient in all respects if delivered or sent to Credit Suisse Securities (USA) LLC, Eleven Madison Avenue, New York, New York 10010-3629, Attention: IBCM-Legal; with a copy for information purposes to Paul Tropp, Esq. at Ropes & Gray LLP, 1211 Avenue of the Americas, New York, New York 10036 and if to the Company, shall be sufficient in all respects if delivered or sent to the Company at the offices of the Company at 520 Madison Avenue, 32nd Floor, New York, New York 10022,

Attention: Phillip Kardis, Esq. with a copy for information purposes to Robert K. Smith, Esq. at Hunton Andrews Kurth LLP, 2200 Pennsylvania Avenue, NW, Washington, DC 20037.

12. Recognition of the U.S. Special Resolution Regimes.

(a) In the event that any Underwriter that is a Covered Entity becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer from such Underwriter of this Agreement, and any interest and obligation in or under this Agreement, will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if this Agreement, and any such interest and obligation, were governed by the laws of the United States or a state of the United States.

(b) In the event that any Underwriter that is a Covered Entity or a BHC Act Affiliate of such Underwriter becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under this Agreement that may be exercised against such Underwriter are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if this Agreement were governed by the laws of the United States or a state of the United States.

(c) For purposes of this Section 12, a “BHC Act Affiliate” has the meaning assigned to the term “affiliate” in, and shall be interpreted in accordance with, 12 U.S.C. § 1841(k). “Covered Entity” means any of the following: (i) a “covered entity” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 252.82(b); (ii) a “covered bank” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 47.3(b); or (iii) a “covered FSI” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 382.2(b). “Default Right” has the meaning assigned to that term in, and shall be interpreted in accordance with, 12 C.F.R. §§ 252.81, 47.2 or 382.1, as applicable. “U.S. Special Resolution Regime” means each of (i) the Federal Deposit Insurance Act and the regulations promulgated thereunder and (ii) Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act and the regulations promulgated thereunder.

13. Governing Law; Construction. This Agreement and any claim, counterclaim or dispute of any kind or nature whatsoever arising out of or in any way relating to this Agreement (a “Claim”), directly or indirectly, shall be governed by, and construed in accordance with, the laws of the State of New York. The Section headings in this Agreement have been inserted as a matter of convenience of reference and are not a part of this Agreement.

14. Submission to Jurisdiction. Except as set forth below, no Claim may be commenced, prosecuted or continued in any court other than the courts of the State of New York located in the City and County of New York or in the United States District Court for the Southern District of New York, which courts shall have jurisdiction over the adjudication of such matters, and the Company consents to the non-exclusive jurisdiction of such courts and personal service with respect thereto. The Company hereby consents to personal jurisdiction, service and venue in any court in which any Claim arising out of or in any way relating to this Agreement is brought by any third party against the Representative or any indemnified party. Each of the Representative and the Company (on its behalf and, to the extent permitted by applicable law, on behalf of its stockholders and affiliates) waives all right to trial by jury in any action, proceeding or

counterclaim (whether based upon contract, tort or otherwise) in any way arising out of or relating to this Agreement. The Company agrees that a final judgment in any such action, proceeding or counterclaim brought in any such court shall be conclusive and binding upon the Company and may be enforced in any other courts in the jurisdiction of which the Company is or may be subject, by suit upon such judgment.

15. Parties At Interest. The Agreement herein set forth has been and is made solely for the benefit of the Underwriters, the Company and to the extent provided in Section 9 and 10 hereof the controlling Persons, directors and officers referred to in such Section, and their respective successors, assigns, heirs, pursuant representatives and executors and administrators. No other Person, partnership, association or corporation (including a purchaser, as such purchaser, from any of the Underwriters) shall acquire or have any right under or by virtue of this Agreement.

16. No Advisory or Fiduciary Relationship. The Company acknowledges and agrees that (a) the purchase and sale of the Securities pursuant to this Agreement, including the determination of the purchase price of the Securities and any related discounts and commissions, is an arm's-length commercial transaction between the Company, on the one hand, and the Underwriters, on the other hand, (b) in connection with the offering contemplated hereby and the process leading to such transaction, each Underwriter is and has been acting solely as a principal and is not the agent or fiduciary of the Company, or its respective stockholders, creditors, employees or any other party, (c) no Underwriter has not assumed or will assume an advisory or fiduciary responsibility in favor of the Company with respect to the offering contemplated hereby or the process leading thereto (irrespective of whether such Underwriter has advised or is currently advising the Company on other matters) and no Underwriter has any obligation to the Company with respect to the offering contemplated hereby except the obligations expressly set forth in this Agreement, (d) the Underwriters and their respective affiliates may be engaged in a broad range of transactions that involve interests that differ from those of each of the Company, and (e) the Underwriters have not provided any legal, accounting, regulatory or tax advice with respect to the offering contemplated hereby and the Company has consulted its own respective legal, accounting, regulatory and tax advisors to the extent it deemed appropriate.

17. Tax Disclosure. Notwithstanding any other provision of this Agreement, immediately upon commencement of discussions with respect to the transactions contemplated hereby, the Company (and each employee, representative or other agent of the Company) may disclose to any and all persons, without limitation of any kind, the tax treatment and tax structure of the transactions contemplated by this Agreement and all materials of any kind (including opinions or other tax analyses) that are provided to the Company relating to such tax treatment and tax structure. For purposes of the foregoing, the term "tax treatment" is the purported or claimed federal income tax treatment of the transactions contemplated hereby, and the term "tax structure" includes any fact that may be relevant to understanding the purported or claimed federal income tax treatment of the transactions contemplated hereby.

18. Representations, Warranties and Agreements to Survive. All representations, warranties and agreements contained in this Agreement or in certificates of officers of the Company or any of its subsidiaries submitted pursuant hereto, shall remain operative and in full force and effect regardless of (i) any investigation made by or on behalf of any Underwriter or its

Affiliates or selling agents, any person controlling any Underwriter, its officers or directors or any person controlling the Company, and (ii) delivery of and payment for the Securities.

19. Integration. This Agreement supersedes all prior agreements and understandings (whether written or oral) among the Company and the Underwriters, or any of them, with respect to the subject matter hereof

20. Counterparts. This Agreement may be signed by the parties in one or more counterparts which together shall constitute one and the same agreement among the parties.

21. Successors and Assigns. This Agreement shall be binding upon the Underwriters and the Company and their successors and assigns and any successor or assign of any substantial portion of the Company's and any of the Underwriters' respective businesses and/or assets.

This Indenture and the Securities shall be governed by and construed in accordance with the laws of the State of New York applicable to agreements made or instruments entered into and, in each case, performed in said State, without regard to conflicts of laws or principles thereof.

EACH OF THE COMPANY AND THE TRUSTEE HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS INDENTURE, THE SECURITIES, OR THE TRANSACTION CONTEMPLATED HEREBY.

To the fullest extent permitted by applicable law, the Company hereby irrevocably submits to the jurisdiction of any federal or state court located in the Borough of Manhattan in The City of New York, New York in any suit, action or proceeding based on or arising out of or relating to this Indenture or any Securities and irrevocably agrees that all claims in respect of such suit or proceeding may be determined in any such court. The Company irrevocably waives, to the fullest extent permitted by law, any objection which it may have to the laying of the venue of any such suit, action or proceeding brought in an inconvenient forum. The Company agrees that final judgment in any such suit, action or proceeding brought in such a court shall be conclusive and binding upon the Company, and may be enforced in any courts to the jurisdiction of which the Company is subject by a suit upon such judgment, provided, that service of process is effected upon the Company in the manner specified herein or as otherwise permitted by law. The Company hereby irrevocably designates and appoints Phillip J. Kardis, II (the "Process Agent") as its authorized agent for purposes of this section, it being understood that the designation and appointment of the Process Agent as

such authorized agent shall become effective immediately without any further action on the part of the Company. The Company further agrees that service of process upon the Process Agent and written notice of said service to the Company, mailed by prepaid registered first class mail or delivered to the Process Agent at its principal office, shall be deemed in every respect effective service of process upon the Company, in any such suit or proceeding. The Company further agrees to take any and all action, including the execution and filing of any and all such documents and instruments as may be necessary, to continue such designation and appointment of the Process Agent in full force and effect so long as the Company, has any outstanding obligations under this Indenture. To the extent the Company has or hereafter may acquire any immunity from jurisdiction of any court or from any legal process (whether through service of notice, attachment prior to judgment, attachment in aid of execution, executor or otherwise) with respect to itself or its property, the Company hereby irrevocably waives such immunity in respect of its obligations under this Indenture to the extent permitted by law.

Section 114. *Legal Holidays.*

Unless otherwise specified in or pursuant to this Indenture or any Securities, in any case where any Interest Payment Date, Stated Maturity or Maturity of, or any other day on which a payment is due with respect to, any Security shall be a day which is not a Business Day at any Place of Payment, then (notwithstanding any other provision of this Indenture, any Security other than a provision in any Security or in the Board Resolution, Officers' Certificate or supplemental indenture establishing the terms of any Security that specifically states that such provision shall apply in lieu hereof) payment need not be made at such Place of Payment on such date, but such payment may be made on the next succeeding day that is a Business Day at such Place of Payment with the same force and effect as if made on the Interest Payment Date, at the Stated Maturity or Maturity or on any such other payment date, as the case may be, and no interest shall accrue on the amount payable on such date or at such time for the period from and after such Interest Payment Date, Stated Maturity, Maturity or other payment date, as the case may be, to the next succeeding Business Day.

Section 115. *Counterparts; Electronic Signatures.*

This Indenture may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument. The exchange of copies of this Indenture and of signature pages by facsimile or PDF or electronic transmission shall constitute effective execution and delivery of this Indenture as to the parties hereto and may be used in lieu of the original Indenture for all purposes. Signatures of the parties hereto transmitted by facsimile or PDF or other electronic transmission shall be deemed to be their original signatures for all purposes. Unless otherwise provided herein, the words "execute", "execution", "signed", and "signature" and words of similar import used in or related to any document to be signed in connection with this Indenture or any of the transactions contemplated hereby (including amendments, waivers, consents and other modifications) shall be deemed to include electronic signatures and the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature in ink or the use of a paper-based recordkeeping system, as applicable, to the fullest extent and as provided for in any Applicable Law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, and any other similar state laws based on the Uniform Electronic Transactions Act, provided that, notwithstanding anything herein to the contrary, the Trustee is not under any obligation to agree to accept electronic signatures in any form or in any format unless expressly agreed to by the Trustee pursuant to procedures approved by the Trustee.

Section 116. *Judgment Currency.*

The Company agrees, to the fullest extent that it may effectively do so under applicable law, that (a) if for the purpose of obtaining judgment against it in any court, it is necessary to convert the sum due in respect of the principal of, or premium or interest, if any, or Additional Amounts on the Securities of any series (the "Required Currency") into a currency in which a judgment will be rendered (the "Judgment Currency"), the rate of exchange used shall be the rate at which in accordance with normal banking procedures the Required Currency could be purchased with the Judgment Currency in The City of New York on the New York Banking Day preceding that on which a final unappealable judgment is given and (b) its obligations under this Indenture to make payments in the Required Currency (i) shall not be discharged or satisfied by any tender, or any recovery pursuant to any judgment (whether or not entered in accordance with clause (a)), in any currency other than the Required Currency, except to the extent that such tender or recovery shall result in the actual receipt, by the payee, of the full amount of the Required

Currency expressed to be payable in respect of such payments, (ii) shall be enforceable as an alternative or additional cause of action for the purpose of recovering in the Required Currency the amount, if any, by which such actual receipt shall fall short of the full amount of the Required Currency so expressed to be payable and (iii) shall not be affected by judgment being obtained for any other sum due under this Indenture. For purposes of the foregoing, "New York Banking Day" means any day except a Saturday, Sunday or a legal holiday in The City of New York or a day on which banking institutions in The City of New York are authorized or obligated by law, regulation or executive order to be closed. The provisions of this Section 116 shall not be applicable with respect to any payment due on a Security which is payable in Dollars.

Section 117. Extension of Payment Dates.

In the event that (i) the terms of any Security established in or pursuant to this Indenture permit the Company or any Holder thereof to extend the date on which any payment of principal of, or premium, if any, or interest, if any, on, or Additional Amounts, if any, with respect to such Security is due and payable and (ii) the due date for any such payment shall have been so extended, then all references herein to the Stated Maturity of such payment (and all references of like import) shall be deemed to refer to the date as so extended.

Section 118. Immunity of Shareholders, Directors, Officers and Agents of the Company.

No recourse under or upon any obligation, covenant or agreement contained in this Indenture or in any Security, or because of any indebtedness evidenced thereby, or for any claim based thereon or otherwise in respect thereof, shall be had against any past, present or future shareholder, incorporator, employee, officer or director, as such, of the Company or any predecessor or successor to the Company, either directly or through the Company or any such predecessor or successor, under any rule of law, statute or constitutional provision or by the enforcement of any assessment or by any legal or equitable proceeding or otherwise, all such liability being expressly waived and released by the acceptance of the Securities by the Holders and as part of the consideration for the issue of the Securities; it being expressly understood that, without limitation to the foregoing, this Indenture and the Securities and the obligations created hereunder and thereunder are solely corporate, limited liability company, partnership, limited partnership or similar obligations, as the case may be, of the Company and that no such personal liability whatever shall attach to, or is or shall be incurred by, any past, present or future shareholder, incorporator, employee, officer or director, as such, of the Company or any of its predecessors or successors, or any of them, because of the creation of the indebtedness hereby authorized, or under or by reason of the obligations, covenants or agreements contained in this Indenture or in any Security or implied herefrom or therefrom and that any and all such personal liability of every type and nature, either at common law or in equity or by constitution or statute, of, and any and all such rights and claims against, every such past, present or future shareholder, incorporator, employee, officer or director, as such, because of the creation of the indebtedness hereby authorized, or under or by reason of the obligations, covenants or agreements contained in this Indenture or in any Security or implied herefrom or therefrom, are hereby expressly waived and released as a condition of, and as a consideration for, the execution of this Indenture and the issuance of the Securities. As used in this Section 118, all references to "shareholders" shall be deemed to mean, with respect to any Person, any past, present or future holder or owner of an equity interest in such Person, including, without limitation, owners or holders of capital stock, limited or general partnership interests and limited liability company interests.

Section 119. Force Majeure.

In no event shall the Trustee be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of or caused by, directly or indirectly, forces beyond its control, including, without limitation, any act or provision of any present or future law or regulation or governmental authority, strikes, work stoppages, accidents, acts of war or terrorism, civil or military disturbances, sabotage, nuclear or natural catastrophes or acts of God, any epidemics or pandemics, and interruptions, loss or malfunctions of utilities, communications or computer (software and hardware) services, or the unavailability of the Federal Reserve Bank wire or telex or other wire or communication facility; it being understood that the Trustee shall use reasonable efforts which are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances.

Section 120. *U.S.A. Patriot Act.*

The parties hereto acknowledge that in accordance with Section 326 of the U.S.A. Patriot Act, the Trustee, like all financial institutions and in order to help fight the funding of terrorism and money laundering, is required to obtain, verify, and record information that identifies each person or legal entity that establishes a relationship or opens an account with the Trustee. The parties to this Indenture agree that they will provide the Trustee with such information as it may request in order for the Trustee to satisfy the requirements of the U.S.A. Patriot Act.

Section 302. *Currency; Denominations.*

Unless otherwise provided in or pursuant to this Indenture, the principal of, any premium and interest on and any Additional Amounts with respect to the Securities shall be payable in Dollars. Unless otherwise provided in or pursuant to this Indenture, Securities denominated in Dollars shall be issuable in registered form without coupons in denominations of \$1,000 and any integral multiples thereof. Securities not denominated in Dollars shall be issuable in such denominations as are established with respect to such Securities in or pursuant to this Indenture.

Section 303. *Execution, Authentication, Delivery and Dating.*

Securities shall be executed on behalf of the Company by its Chairman, its Chief Executive Officer, its President or one of its Vice Presidents and by its Treasurer, one of its Assistant Treasurers, its Secretary or one of its Assistant Secretaries and may (but need not) have its corporate or other seal or a facsimile thereof reproduced thereon. The signature of any of these officers on the Securities may be manual or facsimile or electronic.

Securities bearing the manual or facsimile signatures of individuals who were at any time the proper officers of the Company shall, to the fullest extent permitted by law, bind the Company, notwithstanding that such individuals or any of them have ceased to hold such offices prior to the authentication and delivery of such Securities or did not hold such offices at the date of such Securities.

At any time and from time to time after the execution and delivery of this Indenture, the Company may deliver Securities, executed by the Company, to the Trustee for authentication and, provided that the Board Resolution and Officers' Certificate or supplemental indenture or indentures with respect to such Securities referred to in Section 301 and a Company Order for the authentication and delivery of such Securities have been delivered to the Trustee, the Trustee in accordance with the Company Order and subject to the provisions hereof and of such Securities shall authenticate and deliver such Securities. In authenticating such Securities, and accepting the additional responsibilities under this Indenture in relation to such Securities, the Trustee shall receive, and (subject to the applicable provisions of Sections 3.15(a) through 3.15(d) of the Trust Indenture Act) shall be fully protected in conclusively relying upon, an Opinion of Counsel to the following effect, which Opinion of Counsel may contain such assumptions, qualifications and limitations as such counsel shall deem appropriate:

(a) the form or forms and terms of such Securities have been established in conformity with Section 201 and Section 301 of this Indenture; and

(b) all conditions precedent set forth in Section 201, Section 301 and Section 303 of this Indenture to the authentication and delivery of such Securities have been complied with and that such Securities, when completed by appropriate insertions (if applicable), executed by duly authorized officers of the Company, delivered by duly authorized officers of the Company to the Trustee for authentication pursuant to this Indenture, and authenticated and delivered by the Trustee and issued by the Company in the manner and subject to any conditions specified in such Opinion of Counsel, will constitute valid and binding obligations of the Company, enforceable against the Company in accordance with their terms, except as enforcement thereof may be subject to or limited by bankruptcy, insolvency, reorganization, moratorium, arrangement, fraudulent conveyance, fraudulent transfer or other similar laws relating to or affecting creditors' rights generally, and subject to general principles of equity (regardless of whether enforcement is sought in a proceeding in equity or at law).

If all the Securities of any series are not to be issued at one time, it shall not be necessary to deliver an Opinion of Counsel at the time of issuance of each Security, but such opinion, with such modifications as counsel shall deem appropriate, shall be delivered at or before the time of issuance of the first Security of such series. After any such first delivery, any separate request by the Company that the Trustee authenticate Securities of such series for original issue will be deemed to be a certification by the Company that all conditions precedent provided for in this Indenture relating to authentication and delivery of such Securities continue to have been complied with.

The Trustee shall not be required to authenticate or to cause an Authenticating Agent to authenticate any Securities if the issue of such Securities pursuant to this Indenture will affect the Trustee's own rights, duties or immunities under the Securities and this Indenture or otherwise in a manner which is not reasonably acceptable to the Trustee or if the Trustee, being advised by counsel, determines that such action may not lawfully be taken.

Each Security shall be dated the date of its authentication.

No Security shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose, unless there appears on such Security a certificate of authentication substantially in the form provided for in Section 202 or Section 611 executed by or on behalf of the Trustee or by the Authenticating Agent by the manual signature of one of its authorized signatories. Such certificate upon any Security shall be conclusive evidence, and the only evidence, that such Security has been duly authenticated and delivered hereunder.

Section 304. *Temporary Securities.*

Pending the preparation of definitive Securities, the Company may execute and deliver to the Trustee and, upon Company Order, the Trustee shall authenticate and deliver, in the manner provided in Section 303, temporary Securities in lieu thereof which are printed, lithographed, typewritten, mimeographed or otherwise produced, in any authorized denomination, substantially of the tenor of the definitive Securities in lieu of which they are issued, in registered form and with such appropriate insertions, omissions, substitutions and other variations as the officers of the Company executing such Securities may determine, as conclusively evidenced by their execution of such Securities. Such temporary Securities may be in global form.

Except in the case of temporary Securities in global form, which shall be exchanged in accordance with the provisions set forth in this Indenture or the provisions established pursuant to Section 301, if temporary Securities are issued, the Company shall cause definitive Securities to be prepared without unreasonable delay. Except as otherwise provided in or pursuant to this Indenture, after the preparation of definitive Securities of the same series and containing terms and provisions that are identical to those of any temporary Securities, such temporary Securities shall be exchangeable for such definitive Securities upon surrender of such temporary Securities at an Office or Agency for such Securities, without charge to any Holder thereof. Except as otherwise provided in or pursuant to this Indenture, upon surrender for cancellation of any one or more temporary Securities, the Company shall execute and, upon Company Order, the Trustee shall authenticate and deliver in exchange therefor a like principal amount of definitive Securities of authorized denominations of the same series and containing identical terms and provisions. Unless otherwise provided in or pursuant to this Indenture with respect to a temporary global Security, until so exchanged the temporary Securities of any series shall in all respects be entitled to the same benefits under this Indenture as definitive Securities of such series.

Section 305. *Registration, Transfer and Exchange.*

With respect to the Securities of each series, if any, the Company shall cause to be kept a register (each such register being herein sometimes referred to as the "Security Register") at an Office or Agency for such series in which, subject to such reasonable regulations as it may prescribe, the Company shall provide for the registration of the Securities of such series and of transfers of the Registered Securities of such series. Such Office or Agency shall be the "Security Registrar" for that series of Securities. Unless otherwise specified in or pursuant to this Indenture or the Securities, the initial Security Registrar for each series of Securities shall be as specified in the last paragraph of Section 1002. The Company shall have the right to remove and replace from time to time the Security Registrar for any series of Securities; provided that no such removal or replacement shall be effective until a successor Security Registrar with respect to such series of Securities shall have been appointed by the Company and shall have accepted such appointment. In the event that the Trustee shall not be or shall cease to be Security Registrar with respect to a

series of Securities, it shall have the right to examine the Security Register for such series at all reasonable times. There shall be only one Security Register for each series of Securities.

Except as otherwise provided in or pursuant to this Indenture, upon surrender for registration of transfer of any Security of any series at any Office or Agency for such series, the Company shall execute, and the Trustee shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Securities of the same series denominated as authorized in or pursuant to this Indenture, of a like aggregate principal amount bearing a number not contemporaneously outstanding and containing identical terms and provisions.

Except as otherwise provided in or pursuant to this Indenture, at the option of the Holder, Securities of any series may be exchanged for other Securities of the same series containing identical terms and provisions, in any authorized denominations, and of a like aggregate principal amount, upon surrender of the Securities to be exchanged at any Office or Agency for such series. Whenever any Securities are so surrendered for exchange, the Company shall execute, and the Trustee shall authenticate and deliver, the Securities which the Holder making the exchange is entitled to receive.

Notwithstanding the foregoing, except as otherwise provided in or pursuant to this Indenture, the global Securities of any series shall be exchangeable for definitive certificated Securities of such series only if (i) the Depository for such global Securities notifies the Company that it is unwilling or unable to continue as a Depository for such global Securities or at any time the Depository for such global Securities ceases to be a clearing agency registered as such under the Exchange Act, if so required by applicable law or regulation, and no successor Depository for such Securities shall have been appointed within 90 days of such notification or of the Company becoming aware of the Depository's ceasing to be so registered, as the case may be, (ii) the Company, in its sole discretion, determines that the Securities of such series shall no longer be represented by one or more global Securities and executes and delivers to the Trustee a Company Order to the effect that such global Securities shall be so exchangeable, or (iii) an Event of Default has occurred and is continuing with respect to such Securities.

If the beneficial owners of interests in a global Security are entitled to exchange such interests for definitive Securities as the result of an event described in clause (i), (ii) or (iii) of the preceding paragraph, then without unnecessary delay but in any event not later than the earliest date on which such interests may be so exchanged, the Company shall deliver to the Trustee definitive Securities in such form and denominations as are required by or pursuant to this Indenture, and of the same series, containing identical terms and in aggregate principal amount equal to the principal amount of such global Security, executed by the Company. On or after the earliest date on which such interests may be so exchanged, such global Security shall be surrendered from time to time by the Depository (or its custodian) as shall be specified in the Company Order with respect thereto (which the Company agrees to deliver), and in accordance with instructions given to the Trustee and the Depository, as shall be specified in the Company Order with respect thereto to the Trustee, as the Company's agent for such purpose, to be exchanged, in whole or in part, for definitive Securities as described above without charge. The Trustee shall authenticate and make available for delivery, in exchange for each portion of such surrendered global Security, a like aggregate principal amount of definitive Securities of the same series of authorized denominations and of like tenor as the portion of such global Security to be exchanged, which shall be in such denominations and registered in such names, as shall be specified by the Depository; provided, however, that no such exchanges may occur during a period beginning at the opening of business 15 days before any selection of Securities of the same series to be redeemed and ending on the relevant Redemption Date. Promptly following any such exchange in part, such global Security shall be returned by the Trustee to such Depository (or its custodian) or such other Depository (or its custodian) referred to above in accordance with the instructions of the Company referred to above, and the Trustee shall endorse such global Security to reflect the decrease in the principal amount thereof resulting from such exchange. If a Security is issued in exchange for any portion of a global Security after the close of business at the Office or Agency for such Security where such exchange occurs on or after (i) any Regular Record Date for such Security and before the opening of business at such Office or Agency on the next Interest Payment Date, or (ii) any Special Record Date for such Security and before the opening of business at such Office or Agency on the related proposed date for payment of interest or Defaulted Interest, as the case may be, interest shall not be payable on such Interest Payment Date or proposed date for payment, as the case may be, in respect of such Registered Security, but shall be payable on such Interest Payment Date or proposed date for payment, as the case may be, only to the Person to whom interest in respect of such portion of such global Security shall be payable in accordance with the provisions of this Indenture.

All Securities issued upon any registration of transfer or exchange of Securities shall be the valid obligations of the Company evidencing the same debt and entitling the Holders thereof to the same benefits under this Indenture as the Securities surrendered upon such registration of transfer or exchange.

Every Registered Security presented or surrendered for registration of transfer or for exchange or redemption shall (if so required by the Company or the Security Registrar for such Security) be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Company and the Security Registrar for such Security duly executed by the Holder thereof or his attorney duly authorized in writing.

Notwithstanding anything to the contrary herein contained, neither the Trustee nor the Security Registrar shall be responsible for ascertaining whether any transfer complies with the registration provisions of or exemptions from the Securities Act or applicable state securities laws.

No service charge shall be made for any registration of transfer or exchange of Securities, or any redemption or repayment of Securities, or any conversion or exchange of Securities for other types of securities or property, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any registration of transfer or exchange of Securities, other than exchanges pursuant to Section 304, Section 905 or Section 1107, upon repayment or repurchase in part of any Registered Security pursuant to Article Thirteen, or upon surrender in part of any Registered Security for conversion or exchange into Common Shares or other securities or property pursuant to its terms, in each case not involving any transfer.

Except as otherwise provided in or pursuant to this Indenture, the Company shall not be required (i) to issue, register the transfer of or exchange any Securities during a period beginning at the opening of business 15 days before the day of the mailing of notice of redemption of Securities of like tenor and terms and of the same series under Section 1103 and ending at the close of business on the day of such mailing, or (ii) to register the transfer of or exchange any Registered Security, or portion thereof, so selected for redemption, except in the case of any Registered Security to be redeemed in part, the portion thereof not to be redeemed, or (iii) to issue, register the transfer of or exchange any Security which, in accordance with its terms, has been surrendered for repayment at the option of the Holder pursuant to Article Thirteen and not withdrawn, except the portion, if any, of such Security not to be so repaid.

Neither the Trustee nor any agent shall have any responsibility for any actions taken or not taken by the Depository.

Section 306. *Mutilated, Destroyed, Lost and Stolen Securities.*

If any mutilated Security is surrendered to the Trustee, subject to the provisions of this Section 306, the Company shall execute and the Trustee shall, upon Company Order, authenticate and deliver in exchange therefor a new Security of the same series containing identical terms and of like principal amount and bearing a number not contemporaneously outstanding..

If there be delivered to the Company and to the Trustee (i) evidence to their satisfaction of the destruction, loss or theft of any Security, and (ii) such security or indemnity as may be required by them to save each of them and any agent of either of them harmless from and against any and all loss, liability or expense, then, in the absence of notice to the Company or the Trustee that such Security has been acquired by a bona fide purchaser, the Company shall execute and, upon the Company's request the Trustee shall authenticate and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost or stolen Security, a new Security of the same series containing identical terms and of like principal amount and bearing a number not contemporaneously outstanding.

Notwithstanding the foregoing provisions of this Section 306, in case any mutilated, destroyed, lost or stolen Security has become or is about to become due and payable, the Company in its discretion may, instead of issuing a new Security, pay such Security.

Upon the issuance of any new Security under this Section, the Company may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith.

Every new Security issued pursuant to this Section in lieu of any destroyed, lost or stolen Security shall constitute a separate obligation of the Company, whether or not the destroyed, lost or stolen Security shall be at any time enforceable by anyone, and shall be entitled to all the benefits of this Indenture equally and proportionately with any and all other Securities of such series duly issued hereunder.

The provisions of this Section, as amended or supplemented pursuant to this Indenture with respect to particular Securities or generally, shall (to the extent lawful) be exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Securities.

Section 307. Payment of Interest and Certain Additional Amounts; Rights to Interest and Certain Additional Amounts Preserved.

Unless otherwise provided in or pursuant to this Indenture, any interest on and any Additional Amounts with respect to any Registered Security which shall be payable, and are punctually paid or duly provided for, on any Interest Payment Date shall be paid to the Person in whose name such Security (or one or more Predecessor Securities) is registered as of the close of business on the Regular Record Date for such interest.

Unless otherwise provided in or pursuant to this Indenture, any interest on and any Additional Amounts with respect to any Registered Security which shall be payable, but shall not be punctually paid or duly provided for, on any Interest Payment Date for such Registered Security (herein called "Defaulted Interest") shall forthwith cease to be payable to the Holder thereof on the relevant Regular Record Date by virtue of having been such Holder; and such Defaulted Interest may be paid by the Company, at its election in each case, as provided in Clause (1) or (2) below:

(1) The Company may elect to make payment of any Defaulted Interest to the Person in whose name such Registered Security (or a Predecessor Security thereof) shall be registered at the close of business on a Special Record Date for the payment of such Defaulted Interest, which shall be fixed in the following manner. The Company shall notify the Trustee in writing of the amount of Defaulted Interest proposed to be paid on such Registered Security and the date of the proposed payment, and at the same time the Company shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Trustee for such deposit on or prior to the date of the proposed payment, such money when so deposited to be held in trust for the benefit of the Person entitled to such Defaulted Interest as in this Clause provided. Thereupon, the Company shall fix a Special Record Date for the payment of such Defaulted Interest which shall be not more than 15 days and not less than 10 days prior to the date of the proposed payment and not less than 10 days after the receipt by the Trustee of the notice of the proposed payment. The Company shall promptly notify the Trustee of such Special Record Date and, in the name and at the expense of the Company the Trustee shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be mailed, first-class postage prepaid, to the Holder of such Registered Security (or a Predecessor Security thereof) at his address as it appears in the Security Register not less than 10 days prior to such Special Record Date. Notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor having been mailed as aforesaid, such Defaulted Interest shall be paid to the Person in whose name such Registered Security (or a Predecessor Security thereof) shall be registered at the close of business on such Special Record Date and shall no longer be payable pursuant to the following clause (2).

(2) The Company may make payment of any Defaulted Interest in any other lawful manner not inconsistent with the requirements of any securities exchange on which such Security may be listed, and upon such notice as may be required by such exchange, if, after notice given by the Company to the Trustee of the proposed payment pursuant to this Clause, such payment shall be deemed practicable by the Trustee.

Unless otherwise provided in or pursuant to this Indenture or the Securities of any particular series, at the option of the Company, interest on Registered Securities that bear interest may be paid by mailing a check to the address of the Person entitled thereto as such address shall appear in the Security Register or by transfer to an account maintained by the payee with a bank located in the United States of America.

Subject to the foregoing provisions of this Section and Section 305, each Security delivered under this Indenture upon registration of transfer of or in exchange for or in lieu of any other Security shall carry the rights to interest accrued and unpaid, and to accrue, which were carried by such other Security.

Notwithstanding the foregoing, any interest which is paid prior to the expiration of the 30-day period set forth in Section 501 (1) shall be paid to the Holders as of the record date for the interest payment date for which interest has not been paid.

Section 308. *Persons Deemed Owners.*

Prior to due presentation of a Registered Security for registration of transfer, the Company, the Trustee and any agent of the Company or the Trustee may treat the Person in whose name such Registered Security is registered in the Security Register as the owner of such Registered Security for the purpose of receiving payment of principal of, any premium and (subject to Section 305 and Section 307) interest on and any Additional Amounts with respect to such Registered Security and for all other purposes whatsoever, whether or not any payment with respect to such Registered Security shall be overdue, and none of the Company, the Trustee or any agent of the Company or the Trustee shall be affected by notice to the contrary.

No holder of any beneficial interest in any global Security held on its behalf by a Depository shall have any rights under this Indenture with respect to such global Security, and such Depository may be treated by the Company, the Trustee, and any agent of the Company or the Trustee as the owner of such global Security for all purposes whatsoever. None of the Company, the Trustee, any Paying Agent or the Security Registrar will have any responsibility or liability for any aspect of the records relating to or payments made on account of beneficial ownership interests of a global Security or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

Notwithstanding the foregoing, nothing herein shall prevent the Company, the Trustee, any Paying Agent or the Security Registrar from giving effect to any written certification, proxy or other authorization furnished by the applicable Depository, as a Holder, with respect to a global Security or impair, as between such Depository and the owners of beneficial interests in such global Security, the operation of customary practices governing the exercise of the rights of such Depository (or its nominee) as the Holder of such global Security.

Section 309. *Cancellation.*

All Securities surrendered for payment, redemption, registration of transfer, exchange or conversion or for credit against any sinking fund payment shall, if surrendered to any Person other than the Trustee, be delivered to the Trustee, and any such Securities, as well as Securities surrendered directly to the Trustee for any such purpose, shall be cancelled promptly by the Trustee. The Company may at any time deliver to the Trustee for cancellation any Securities previously authenticated and delivered hereunder which the Company may have acquired in any manner whatsoever, and all Securities so delivered shall be cancelled promptly by the Trustee. No Securities shall be authenticated in lieu of or in exchange for any Securities cancelled as provided in this Section, except as expressly permitted by or pursuant to this Indenture. All cancelled Securities held by the Trustee shall be disposed of by the Trustee in accordance with its customary procedures.

Section 310. *Computation of Interest.*

Except as otherwise provided in or pursuant to this Indenture or in the Securities of any series, interest on the Securities shall be computed on the basis of a 360-day year of twelve 30-day months.

Section 311. *CUSIP Numbers.*

The Company in issuing the Securities may use “CUSIP” or “ISIN” numbers (if then generally in use), and, if so, the Trustee shall use “CUSIP” or “ISIN” numbers in notices of redemption as a convenience to Holders; provided that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Securities or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Securities, and any such redemption shall not be affected by any defect in or omission of such numbers. The Company will promptly notify the Trustee in writing of any change in the “CUSIP” or “ISIN” numbers.

ARTICLE FOUR
SATISFACTION AND DISCHARGE OF INDENTURE

Section 401. *Satisfaction and Discharge.*

Unless, pursuant to Section 301, the provisions of this Section 401 shall not be applicable with respect to the Securities of any series, upon the direction of the Company by a Company Order, this Indenture shall cease to be of further effect with respect to any series of Securities specified in such Company Order, and the Trustee, on receipt of a Company Order, at the expense of the Company, shall execute proper instruments acknowledging satisfaction and discharge of this Indenture as to such series, when

(1) either

(a) all Securities of such series theretofore authenticated and delivered (other than (i) Securities of such series which have been destroyed, lost or stolen and which have been replaced or paid as provided in Section 306, and (ii) Securities of such series for whose payment money has theretofore been deposited in trust or segregated and held in trust by the Company and thereafter repaid to the Company or discharged from such trust, as provided in Section 1103) have been delivered to the Trustee for cancellation; or

(b) all Securities of such series and, in the case of (i) or (ii) below, if applicable, not theretofore delivered to the Trustee for cancellation

(i) have become due and payable, or

(ii) will become due and payable at their Stated Maturity within one year, or

(iii) if redeemable at the option of the Company, are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Company,

and the Company, in the case of (i), (ii) or (iii) above, has deposited or caused to be deposited with the Trustee as trust funds in trust for such purpose, money in the Currency in which such Securities are payable in an amount sufficient to pay and discharge the entire indebtedness on such Securities not theretofore delivered to the Trustee for cancellation, including the principal of, any premium and interest on, and, to the extent that the Securities of such series provide for the payment of Additional Amounts thereon and the amount of any such Additional Amounts which are or will be payable with respect to the Securities of such series is at the time of deposit reasonably determinable by the Company (in the exercise by the Company of its sole and absolute discretion), any Additional Amounts with respect to, such Securities, to the date of such deposit (in the case of Securities which have become due and payable) or to the Maturity thereof, as the case may be;

(2) the Company has paid or caused to be paid all other sums payable hereunder by the Company with respect to the Outstanding Securities of such series (including amounts payable to the Trustee pursuant to Section 606); and

(3) the Company has delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent herein provided for relating to the satisfaction and discharge of this Indenture as to such series have been complied with.

In the event there are Securities of two or more series Outstanding hereunder, the Trustee shall be required to execute an instrument acknowledging satisfaction and discharge of this Indenture only if requested to do so with respect to Securities of such series as to which it is Trustee and if the other conditions thereto are met.

Notwithstanding the satisfaction and discharge of this Indenture with respect to any series of Securities, the obligations of the Company to the Trustee under Section 606 and, if money shall have been deposited with the Trustee pursuant to subclause (b) of clause (1) of this Section, the respective obligations of the Company and the Trustee with respect to the Securities of such series under Section 305, Section 306, Section 403, Section 404, Section 1102 and Section 1103, any rights of Holders of the Securities of such series (unless otherwise provided pursuant to Section 301 with respect to the Securities of such series) to convert or exchange, and the obligations of the Company to convert or exchange, such Securities into Common Shares or other securities or property, and, if expressly provided pursuant to Section 301 with respect to the Securities of such series, any rights of Holders of the Securities of such series to require the Company to repurchase or repay, and the obligations of the Company to repurchase or repay, such Securities at the option of such Holders as contemplated by Article Thirteen hereof, shall survive, and, if the Securities of such series provide for the payment of Additional Amounts pursuant to Section 1104, the Company will remain obligated, following satisfaction and discharge of this Indenture with respect to the Securities of such series, to pay Additional Amounts with respect to such Securities as contemplated by Section 1104, to the extent (and only to the extent) that the Additional Amounts payable with respect to such Securities exceed the amount deposited in respect of such Additional Amounts pursuant to subclause (b) of clause (1) of this Section.

Section 402. *Defeasance and Covenant Defeasance.*

(1) Unless, pursuant to Section 301, either or both of (i) defeasance of the Securities of or within a series under clause (2) of this Section 402 or (ii) covenant defeasance of the Securities of or within a series under clause (3) of this Section 402 shall not be applicable with respect to the Securities of such series, then such provisions, together with the other provisions of this Section 402 (with such modifications thereto as may be specified pursuant to Section 301 with respect to any Securities), shall be applicable to such Securities, and the Company may at its option by Board Resolution, at any time, with respect to the Securities of or within such series, elect to have Section 402(2) or Section 402(3) be applied to such Outstanding Securities upon compliance with the conditions set forth below in this Section 402. Unless otherwise specified pursuant to Section 301 with respect to the Securities of any series, defeasance under clause (2) of this Section 402 and covenant defeasance under clause (3) of this Section 402 may be effected with respect to any or all of the Outstanding Securities of any series. To the extent that the terms of any Security established in or pursuant to this Indenture permit the Company or any Holder thereof to extend the date on which any payment of principal of, or premium, if any, or interest, if any, on, or Additional Amounts, if any, with respect to such Security is due and payable, then unless otherwise provided pursuant to Section 301, the right to extend such date shall terminate upon defeasance or covenant defeasance, as the case may be.

(2) Upon the Company's exercise of the above option applicable to this Section 402(2) with respect to any Securities of or within a series, the Company shall be deemed to have been discharged from its obligations with respect to such Outstanding Securities on the date the conditions set forth in clause (4) of this Section 402 are satisfied (hereinafter, "defeasance"). For this purpose, such defeasance means that the Company shall be deemed to have paid and discharged the entire indebtedness represented by such Outstanding Securities, which shall thereafter be deemed to be "Outstanding" only for the purposes of clause (5) of this Section 402 and the other Sections of this Indenture referred to in clauses (i) through (iv) of this paragraph, and shall be deemed to have satisfied all of its other obligations under such Securities and this Indenture insofar as such Securities are concerned (and the Trustee, at the expense of the Company, shall execute proper instruments acknowledging the same), except for the following which shall survive until otherwise terminated or discharged hereunder: (i) the rights of Holders of such Outstanding Securities to receive, solely (except as provided in clause (ii) below) from the trust fund described in clause (4)(a) of this Section 402 and as more fully set forth in this Section 402 and Section 403, payments in respect of the principal of (and premium, if any) and interest, if any, on, and Additional Amounts, if any, with respect to, such Securities when such payments are due, (ii) the obligations of the Company and the Trustee with respect to such Securities under Section 305, Section 306, Section 1002 and Section 1003 and, if applicable to the Securities of such series, any rights of Holders of such Securities (unless otherwise provided pursuant to Section 301 with respect to the Securities of such series) to convert or exchange, and the obligations of the Company to convert or exchange, such Securities into Common Shares or other securities or property, and, if expressly provided pursuant to Section 301 with respect to the Securities of such series, any rights of Holders of the Securities of such series to require the Company to repurchase or repay, and the obligations of the Company to repurchase or repay, such Securities at the option of such Holders as contemplated by Article Thirteen hereof, and, if the Securities of such series provide for the payment of Additional Amounts pursuant to Section 1004, the Company will remain obligated, following defeasance of this Indenture with respect to the Securities of such series, to pay Additional Amounts with respect to such Securities as contemplated by Section 1004.

to the extent (and only to the extent) that the Additional Amounts payable with respect to such Securities exceed the amount deposited in respect of such Additional Amounts pursuant to clause (4)(a) of this Section 402, (iii) the rights, powers, trusts, duties, indemnities and immunities of the Trustee hereunder and (iv) this Section 402 and Section 403 and Section 404. The Company may exercise its option under this Section 402(2) notwithstanding the prior exercise of its option under Section 402(3) with respect to such Securities.

(3) Upon the Company's exercise of the above option applicable to this Section 402(3) with respect to any Securities of or within a series, the Company shall be released from its obligations under any covenants applicable to such Securities which are specified pursuant to Section 301 as being subject to covenant defeasance on and after the date the conditions set forth in clause (4) of this Section 402 are satisfied (hereinafter, "covenant defeasance"), and such Securities shall thereafter be deemed to be not "Outstanding" for the purposes of any direction, waiver, consent or declaration or Act of Holders (and the consequences of any thereof) in connection with any such covenant, but shall continue to be deemed "Outstanding" for all other purposes hereunder. For this purpose, such covenant defeasance means that with respect to such Outstanding Securities, the Company may omit to comply with, and shall have no liability in respect of, any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such Section or such other covenant or by reason of reference in any such Section or such other covenant to any other provision herein or in any other document and such omission to comply shall not constitute a default or an Event of Default under Section 501(5) or Section 501(11) or otherwise, as the case may be, but, except as specified above, the remainder of this Indenture and such Securities shall be unaffected thereby.

(4) The following shall be the conditions to application of clause (2) or (3) of this Section 402 to any Outstanding Securities of or within a series:

(a) The Company shall irrevocably have deposited or caused to be deposited with the Trustee (or another trustee satisfying the requirements of Section 607 who shall agree to comply with the provisions of this Section 402 applicable to it) as trust funds in trust for the purpose of making the following payments, specifically pledged as security for, and dedicated solely to, the benefit of the Holders of such Securities, (1) an amount in Dollars or in such Foreign Currency in which such Securities are then specified as payable at Stated Maturity or, if such defeasance or covenant defeasance is to be effected in compliance with subsection (f) below, on the relevant Redemption Date, as the case may be, or (2) Government Obligations applicable to such Securities (determined on the basis of the Currency in which such Securities are then specified as payable at Stated Maturity or, if such defeasance or covenant defeasance is to be effected in compliance with subsection (f) below, on the relevant Redemption Date, as the case may be) which through the scheduled payment of principal and interest in respect thereof in accordance with their terms will provide, not later than one day before the due date of any payment of principal of (and premium, if any) and interest, if any, on such Securities, money in an amount, or (3) a combination thereof, in any case, in an amount, sufficient, without consideration of any reinvestment of such principal and interest, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee, to pay and discharge, and which shall be applied by the Trustee (or other qualifying trustee) to pay and discharge, (y) the principal of (and premium, if any) and interest, if any, on, and, to the extent that such Securities provide for the payment of Additional Amounts thereon and the amount of any such Additional Amounts which are or will be payable with respect to the Securities of such series is at the time of deposit reasonably determinable by the Company (in the exercise by the Company of its sole and absolute discretion), any Additional Amounts with respect to, such Outstanding Securities on the Stated Maturity of such principal or installment of principal or interest or the applicable Redemption Date, as the case may be, and (z) any mandatory sinking fund payments or analogous payments applicable to such Outstanding Securities on the day on which such payments are due and payable in accordance with the terms of this Indenture and of such Securities.

(b) Such defeasance or covenant defeasance shall not result in a breach or violation of, or constitute a default under, this Indenture.

(c) No Event of Default or event which with notice or lapse of time or both would become an Event of Default with respect to such Securities shall have occurred and be continuing on the date of such deposit, and, solely in the case of defeasance under Section 402(2), no Event of Default with respect to the

Company under clauses (8), (9) or (10) of Section 501 with respect to such Securities or event which with notice or lapse of time or both would become an Event of Default with respect to the Company under clauses (8), (9) or (10) of Section 501 with respect to such Securities shall have occurred and be continuing at any time during the period ending on and including the 91st day after the date of such deposit (it being understood that this condition to defeasance under Section 402(2) shall not be deemed satisfied until the expiration of such period).

(d) In the case of defeasance pursuant to Section 402(2), the Company shall have delivered to the Trustee an opinion of independent counsel reasonably acceptable to the Trustee stating that (x) the Company has received from, or there has been published by, the Internal Revenue Service a ruling, or (y) since the date of this Indenture there has been a change in applicable U.S. federal income tax law, in either case to the effect that, and based thereon such opinion of independent counsel shall confirm that, the Holders and beneficial owners of such Outstanding Securities will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such defeasance had not occurred; or, in the case of covenant defeasance pursuant to Section 402(3), the Company shall have delivered to the Trustee an opinion of independent counsel reasonably acceptable to the Trustee to the effect that the Holders and beneficial owners of such Outstanding Securities will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such covenant defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such covenant defeasance had not occurred.

(e) The Company shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent to the defeasance or covenant defeasance, as the case may be, under this Indenture have been complied with.

(f) If the monies or Government Obligations or combination thereof, as the case may be, deposited under clause (a) above are sufficient to pay the principal of, and premium, if any, and interest, if any, on and, to the extent provided in such clause (a), Additional Amounts with respect to, such Securities provided such Securities are redeemed on a particular Redemption Date, the Company shall have given the Trustee irrevocable instructions to redeem such Securities on such date and to provide notice of such redemption to Holders as provided in or pursuant to this Indenture.

(g) Notwithstanding any other provisions of this Section 402(4), such defeasance or covenant defeasance shall be effected in compliance with any additional or substitute terms, conditions or limitations which may be imposed on the Company in connection therewith pursuant to Section 301.

(5) Subject to the provisions of the last paragraph of Section 1003, all money and Government Obligations (or other property as may be provided pursuant to Section 301) (including the proceeds thereof) deposited with the Trustee (or other qualifying trustee—collectively for purposes of this Section 402(5) and Section 403, the "Trustee") pursuant to clause (4)(a) of Section 402 in respect of any Outstanding Securities of any series shall be held in trust and applied by the Trustee, in accordance with the provisions of such Securities and this Indenture, to the payment, either directly or through any Paying Agent (other than the Company or any Subsidiary or Affiliate of the Company acting as Paying Agent) as the Trustee may determine, to the Holders of such Securities of all sums due and to become due thereon in respect of principal (and premium, if any) and interest and Additional Amounts, if any, but such money need not be segregated from other funds except to the extent required by law.

Unless otherwise specified in or pursuant to this Indenture or any Securities, if, after a deposit referred to in Section 402(4)(a) has been made, (a) the Holder of a Security in respect of which such deposit was made is entitled to, and does, elect pursuant to Section 301 or the terms of such Security to receive payment in a Currency other than that in which the deposit pursuant to Section 402(4)(a) has been made in respect of such Security, or (b) a Conversion Event occurs in respect of the Foreign Currency in which the deposit pursuant to Section 402(4)(a) has been made, the indebtedness represented by such Security shall be deemed to have been, and will be, fully discharged and satisfied through the payment of the principal of (and premium, if any), and interest, if any, on, and Additional Amounts, if any, with respect to, such Security as the same becomes due out of the proceeds yielded by converting (from time to time as specified below in the case of any such election) the amount or other property deposited in respect of such

Security into the Currency in which such Security becomes payable as a result of such election or Conversion Event based on (x) in the case of payments made pursuant to clause (a) above, the applicable market exchange rate for such Currency in effect on the second Business Day prior to each payment date, or (y) with respect to a Conversion Event, the applicable market exchange rate for such Foreign Currency in effect (as nearly as feasible) at the time of the Conversion Event.

The Company shall pay and indemnify the Trustee against any tax, fee or other charge, imposed on or assessed against the Government Obligations deposited pursuant to this Section 402 or the principal or interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of such Outstanding Securities.

Anything in this Section 402 to the contrary notwithstanding, the Trustee shall deliver or pay to the Company from time to time upon Company Request any money or Government Obligations (or other property and any proceeds therefrom) held by it as provided in clause (4)(a) of this Section 402 which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee, are in excess of the amount thereof which would then be required to be deposited to effect a defeasance or covenant defeasance, as applicable, in accordance with this Section 402.

Section 403. Application of Trust Money.

Subject to the provisions of the last paragraph of Section 1003, all money and Government Obligations deposited with the Trustee pursuant to Section 401 or Section 402 shall be held in trust and applied by it, in accordance with the provisions of the Securities and this Indenture, to the payment, either directly or through any Paying Agent (including the Company acting as its own Paying Agent) as the Trustee may determine, to the Persons entitled thereto, of the principal, premium, interest and Additional Amounts for whose payment such money has or Government Obligations have been deposited with or received by the Trustee; but such money and Government Obligations need not be segregated from other funds except to the extent required by law.

Section 404. Reinstatement.

If the Trustee (or other qualifying trustee appointed pursuant to Section 402(4)(a)) or any Paying Agent is unable to apply any moneys or Government Obligations deposited pursuant to Section 401(1) or Section 402(4)(a) to pay any principal of or premium, if any, or interest, if any, on or Additional Amounts, if any, with respect to the Securities of the applicable series by reason of any legal proceeding or any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Company's obligations under this Indenture and the Securities of such series shall be revived and reinstated as though no such deposit had occurred, until such time as the Trustee (or other qualifying trustee) or Paying Agent is permitted to apply all such moneys and Government Obligations to pay the principal of and premium, if any, and interest, if any, on and Additional Amounts, if any, in respect of the Securities of such series as contemplated by Section 401 or Section 402 as the case may be, and Section 403; provided, however, that if the Company makes any payment of the principal of or premium, if any, or interest if any, on or Additional Amounts, if any, in respect of the Securities of such series following the reinstatement of its obligations as aforesaid, the Company shall be subrogated to the rights of the Holders of such Securities to receive such payment from the funds held by the Trustee (or other qualifying trustee) or Paying Agent.

Section 502. *Acceleration of Maturity; Rescission and Annulment.*

If an Event of Default (other than an Event of Default specified in clauses (8), (9) or (10) of Section 501 with respect to the Company) occurs and is continuing with respect to Securities of any series, then either the Trustee or the Holders of not less than 25% in aggregate principal amount of the Outstanding Securities of such series may declare the principal of all the Securities of such series, or such lesser amount as may be provided for in the Securities of such series, and accrued and unpaid interest, if any, thereon to be due and payable immediately, by a notice in writing to the Company (and to the Trustee if given by the Holders), and upon any such declaration such principal or such lesser amount, as the case may be, and such accrued and unpaid interest shall become immediately due and payable. If an Event of Default specified in clause (8), (9) or (10) of Section 501 with respect to the Company occurs with respect to the Securities of any series, then the principal of all of the Securities of such series, or such lesser amount as may be provided for in the Securities of such series, and accrued and unpaid interest, if any, thereon shall ipso facto become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holder of the Securities of such series. For purposes of clarity, the parties hereto agree that references in this Indenture to an Event of Default specified in clauses (8), (9) or (10) of Section 501 with respect to the Company shall not include any Event of Default specified in clauses (8), (9) or (10) of Section 501 with respect to any Significant Subsidiary of the Company.

At any time after Securities of any series have been accelerated (whether by declaration of the Trustee or the Holders or automatically) and before a judgment or decree for payment of the money due has been obtained by the Trustee as hereinafter in this Article provided, the Holders of not less than a majority in aggregate principal amount of the Outstanding Securities of such series, by written notice to the Company and the Trustee, may rescind and annul such declaration and its consequences if

(1) the Company has paid or deposited with the Trustee a sum of money sufficient to pay (or, to the extent that the terms of the Securities of such series established pursuant to Section 301 expressly provide for payment to be made in Common Shares or other securities or property, Common Shares or other securities or property, together with cash in lieu of fractional shares or securities to the extent required pursuant to the terms of such Securities, sufficient to pay)

- (a) all overdue installments of any interest on any Securities of such series which have become due otherwise than by such declaration of acceleration and any Additional Amounts with respect thereto,
- (b) the principal of and any premium on any Securities of such series which have become due otherwise than by such declaration of acceleration and any Additional Amounts with respect thereto and, to the extent permitted by applicable law, interest thereon at the rate or respective rates, as the case may be, provided for in or with respect to such Securities, or, if no such rate or rates are so provided, at the rate or respective rates, as the case may be, of interest borne by such Securities,
- (c) to the extent permitted by applicable law, interest upon installments of any interest, if any, which have become due otherwise than by such declaration of acceleration and any Additional Amounts with respect thereto at the rate or respective rates, as the case may be, provided for in or with respect to such Securities, or, if no such rate or rates are so provided, at the rate or respective rates, as the case may be, of interest borne by such Securities, and
- (d) all sums paid or advanced by the Trustee hereunder and the reasonable compensation, fees and expenses, disbursements and advances of the Trustee, its agents and counsel and all other amounts due the Trustee under Section 606; and

(2) all Events of Default with respect to Securities of such series other than the non-payment of the principal of, any premium and interest on, and any Additional Amounts with respect to Securities of such series which shall have become due solely by such declaration of acceleration, shall have been cured or waived as provided in Section 513.

No such rescission shall affect any subsequent default or impair any right consequent thereon.

Section 503. *Collection of Indebtedness and Suits for Enforcement by Trustee.*

The Company covenants that if:

- (1) default is made in the payment of any interest on, or any Additional Amounts payable in respect of any interest on, any Security when such interest or Additional Amounts, as the case may be, shall have become due and payable and such default continues for a period of 30 days, or
- (2) default is made in the payment of any principal of or premium, if any, on, or any Additional Amounts payable in respect of any principal of or premium, if any, on, any Security at its Maturity, or
- (3) default is made in the deposit of any sinking fund payment when due, then the Company shall, upon demand of the Trustee, pay to the Trustee, for the benefit of the Holders of such Securities, the whole amount of money then due and payable with respect to such Securities, with interest upon the overdue principal, any premium and, to the extent permitted by applicable law, upon any overdue installments of interest and Additional Amounts at the rate or respective rates, as the case may be, provided for or with respect to such Securities or, if no such rate or rates are so provided, at the rate or respective rates, as the case may be, of interest borne by such Securities, and, in addition thereto, such further amount of money as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel and all other amounts due to the Trustee under Section 606.

If the Company fails to pay the money it is required to pay the Trustee pursuant to the preceding paragraph forthwith upon the demand of the Trustee, the Trustee, in its own name and as trustee of an express trust, may institute a judicial proceeding for the collection of the money so due and unpaid, and may prosecute such proceeding to judgment or final decree, and may enforce the same against the Company or any other obligor upon such Securities and collect the monies adjudged or decreed to be payable in the manner provided by law out of the property of the Company or any other obligor upon such Securities, wherever situated.

If an Event of Default with respect to Securities of any series occurs and is continuing, the Trustee may in its discretion proceed to protect and enforce its rights and the rights of the Holders of Securities of such series by such appropriate judicial proceedings as the Trustee shall deem most effectual to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or such Securities or in aid of the exercise of any power granted herein or therein, or to enforce any other proper remedy.

Section 504. Trustee May File Proofs of Claim.

In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to the Company or any other obligor upon the Securities or the property of the Company or such other obligor or their creditors, the Trustee (irrespective of whether the principal of the Securities shall then be due and payable as therein expressed or by declaration or otherwise and irrespective of whether the Trustee shall have made any demand on the Company for the payment of any overdue principal, premium, interest or Additional Amounts) shall be entitled and empowered, by intervention in such proceeding or otherwise,

(1) to file and prove a claim for the whole amount, or such lesser amount as may be provided for in the Securities of such series, of the principal and any premium, interest and Additional Amounts owing and unpaid in respect of the Securities and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents or counsel) and of the Holders of Securities allowed in such judicial proceeding, and

(2) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Holder of Securities to make such payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders of Securities, to pay to the Trustee any amount due to it for the reasonable compensation, fees and expenses, disbursements and advances of the Trustee, its agents and counsel and any other amounts due the Trustee under Section 606.

Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder of a Security any plan of reorganization, arrangement, adjustment or composition affecting the Securities or the rights of any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Holder of a Security in any such proceeding.

Section 505. Trustee May Enforce Claims without Possession of Securities.

All rights of action and claims under this Indenture or any of the Securities may be prosecuted and enforced by the Trustee without the possession of any of the Securities or the production thereof in any proceeding relating thereto, and any such proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery or judgment, after provision for the payment of the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, shall be for the ratable benefit of each and every Holder of a Security in respect of which such judgment has been recovered.

Section 506. Application of Money Collected.

Any money collected by the Trustee pursuant to this Article with respect to the Securities of any series shall be applied in the following order, at the date or dates fixed by the Trustee and, in case of the distribution of such money on account of principal, or any premium, interest or Additional Amounts, upon presentation of such Securities, as the case may be, and the notation thereon of the payment if only partially paid and upon surrender thereof if fully paid:

FIRST: To the payment of all amounts due the Trustee (acting in any capacity hereunder or in connection herewith), its agents and counsel and any predecessor Trustee under the Indenture;

SECOND: To the payment of the amounts then due and unpaid upon the Securities for principal and any premium, interest and Additional Amounts in respect of which or for the benefit of which such money has been collected, ratably, without preference or priority of any kind, according to the aggregate amounts due and payable on such Securities for principal and any premium, interest and Additional Amounts;

THIRD: The balance, if any, to the Person or Persons entitled thereto.

Section 507. *Limitations on Suits.*

No Holder of any Security of any series shall have any right to institute any proceeding, judicial or otherwise, with respect to this Indenture, or for the appointment of a receiver or trustee, or for any other remedy hereunder, unless

- (1) such Holder has previously given written notice to the Trustee of a continuing Event of Default with respect to the Securities of such series;
- (2) the Holders of not less than 25% in aggregate principal amount of the Outstanding Securities of such series shall have made written request to the Trustee to institute proceedings in respect of such Event of Default in its own name as Trustee hereunder;
- (3) such Holder or Holders have offered to the Trustee indemnity satisfactory to the Trustee against the costs, fees and expenses and liabilities which might be incurred in compliance with such request (including attorneys' fees, cost and expenses and court costs);
- (4) the Trustee for 60 days after its receipt of such notice, request and offer of indemnity has failed to institute any such proceeding; and
- (5) no direction inconsistent with such written request has been given to the Trustee during such 60-day period by the Holders of a majority in principal amount of the Outstanding Securities of such series;

it being understood and intended and being expressly covenanted by the taker and holder of every Security, with every other taker and holder with the Trustee that no one or more of such Holders shall have any right in any manner whatever by virtue of, or by availing of, any provision of this Indenture or any Security to affect, disturb or prejudice the rights of any other such Holders or Holders of Securities of any other series, or to obtain or to seek to obtain priority or preference over any other Holders or to enforce any right under this Indenture, except in the manner herein provided and for the equal and ratable benefit of all such Holders (it being understood that the Trustee does not have an affirmative duty to ascertain whether or not such actions or forbearances are unduly prejudicial to such Holders).

Section 508. *Unconditional Right of Holders to Receive Principal and any Premium, Interest and Additional Amounts.*

Notwithstanding any other provision in this Indenture, the Holder of any Security shall have the right, which is absolute and unconditional, to receive payment of the principal of, any premium, if any, and (subject to Section 305 and Section 307) interest, if any, on and any Additional Amounts with respect to such Security, on the respective Stated Maturity or Maturities therefor specified in such Security (or, in the case of redemption, on the Redemption Date or, in the case of repayment pursuant to Article Thirteen hereof at the option of such Holder if provided in or pursuant to this Indenture, on the date such repayment is due) and, in the case of any Security which is convertible into or exchangeable for other securities or property, to convert or exchange, as the case may be, such Security in accordance with its terms, and to institute suit for the enforcement of any such payment and any such right to convert or exchange, and such right shall not be impaired without the consent of such Holder.

Section 509. *Restoration of Rights and Remedies.*

If the Trustee or any Holder of a Security has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case the Company, the Trustee and each such Holder

shall, subject to any determination in such proceeding, be restored severally and respectively to their former positions hereunder, and thereafter all rights and remedies of the Trustee and each such Holder shall continue as though no such proceeding had been instituted.

Section 510. Rights and Remedies Cumulative.

To the extent permitted by applicable law and except as otherwise provided with respect to the replacement or payment of mutilated, destroyed, lost or stolen Securities in the last paragraph of Section 306, no right or remedy herein conferred upon or reserved to the Trustee or to each and every Holder of a Security is intended to be exclusive of any other right or remedy, and every right and remedy, to the extent permitted by law, shall be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not, to the extent permitted by law, prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 511. Delay or Omission Not Waiver.

No delay or omission of the Trustee or of any Holder of any Security to exercise any right or remedy accruing upon any Event of Default shall, to the extent permitted by applicable law, impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article or by law to the Trustee or to any Holder of a Security may, to the extent permitted by applicable law, be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by such Holder, as the case may be.

Section 512. Control by Holders of Securities.

The Holders of a majority in aggregate principal amount of the Outstanding Securities of any series shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee with respect to the Securities of such series, provided that

- (1) such direction shall not be in conflict with any rule of law or with this Indenture or with the Securities of any series and could not involve the Trustee in personal liability,
- (2) the Trustee may take any other action deemed proper by the Trustee which is not inconsistent with such direction, and
- (3) such direction is not unduly prejudicial to the rights of the other Holders of Securities of such series not joining in such action.

Section 513. Waiver of Past Defaults.

The Holders of not less than a majority in aggregate principal amount of the Outstanding Securities of any series on behalf of the Holders of all the Securities of such series may waive any past default hereunder with respect to such series and its consequences, except

- (1) a default in the payment of the principal of, any premium or interest on, or any Additional Amounts with respect to, any Security of such series, or
- (2) in the case of any Securities which are convertible into or exchangeable for Common Shares or other securities or property, a default in any such conversion or exchange, or
- (3) a default in respect of a covenant or provision hereof which under Article Nine cannot be modified or amended without the consent of the Holder of each Outstanding Security of such series affected.

Upon any such waiver, such default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other default or impair any right consequent thereon.

Section 514. *Waiver of Usury, Stay or Extension Laws.*

The Company covenants that (to the extent that it may lawfully do so) it will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law or any usury law or any other law wherever enacted, now or at any time hereafter in force, which would prohibit or forgive the Company from paying all or any portion of the principal of or premium, if any, or interest, if any, on or Additional Amounts, if any, with respect to any Securities as contemplated herein and therein or which may affect the covenants or the performance of this Indenture or the Securities; and the Company (to the extent that it may lawfully do so) expressly waives all benefit or advantage of any such law and covenants that it will not hinder, delay or impede the execution of any power herein granted to the Trustee or the Holders, but will suffer and permit the execution of every such power as though no such law had been enacted.

Section 515. *Undertaking for Costs.*

All parties to this Indenture agree, and each Holder of any Security by his acceptance thereof shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee for any action taken or omitted to be taken by it as Trustee, the filing by any party litigant in such suit of any undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees and disbursements, against any party litigant in such suit having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this Section 515 shall not apply to any suit instituted by the Trustee, to any suit instituted by any Holder, or group of Holders, holding in the aggregate more than 10% in principal amount of Outstanding Securities of any series, or to any suit instituted by any Holder for the enforcement of the payment of the principal of (or premium, if any) or interest, if any, on or Additional Amounts, if any, with respect to any Security on or after the respective Stated Maturities expressed in such Security (or, in the case of redemption, on or after the Redemption Date, and, in the case of repayment at the option of the Holder pursuant to Article Thirteen hereof, on or after the date for repayment) or for the enforcement of the right, if any, to convert or exchange any Security into Common Shares or other securities in accordance with its terms.

ARTICLE SIX

THE TRUSTEE

Section 601. *Certain Rights of Trustee.*

(a) If an Event of Default has occurred and is continuing (of which a Responsible Officer of the Trustee has received written notice or has actual knowledge), the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(b) Except during the continuance of an Event of Default:

(i) The duties of the Trustee shall be determined solely by the express provisions of this Indenture, and the Trustee need perform only those duties that are specifically set forth in the Indenture and no others and no implied covenants shall be read into this Indenture against the Trustee.

(ii) In the absence of willful misconduct or negligence on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. However, in the case of any such certificates or opinions which by any provision

hereof are specifically required to be furnished to the Trustee, the Trustee shall examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture (but need not investigate or confirm the accuracy of mathematical calculations or other facts stated therein).

(c) The Trustee may not be relieved from liabilities for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(i) This paragraph does not limit the effect of paragraph (a) of this Section 601; and

(ii) The Trustee shall not be liable for any actions taken, or errors of judgement made in good faith by a Responsible Officer, any of its officers, employees or agents unless it is proved in a court of competent jurisdiction that the Trustee was negligent in ascertaining the pertinent facts.

In connection with this Indenture and any Securities issued hereunder, subject to Sections 3.15(a) through 3.15(d) of the Trust Indenture Act:

(1) the Trustee may conclusively rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, coupon or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties;

(2) any request or direction of the Company mentioned herein shall be sufficiently evidenced by a Company Request or a Company Order (in each case, other than delivery of any Security to the Trustee for authentication and delivery pursuant to Section 303 which shall be sufficiently evidenced as provided therein) and any resolution of the Board of Directors may be sufficiently evidenced by a Board Resolution;

(3) whenever in the administration of this Indenture the Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence shall be herein specifically prescribed) may, in the absence of negligence or willful misconduct on its part, at the expense of the Company, request, rely upon and act in accordance with an Officers' Certificate and/or Opinion of Counsel, and shall incur no liability and shall be fully protected in acting or refraining from acting in accordance with such Officer's Certificate or Opinion of Counsel, as applicable;

(4) the Trustee may consult with counsel of its selection and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection from liability in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon;

(5) the Trustee shall be under no obligation to exercise any of the rights or powers vested in it by or pursuant to this Indenture at the request or direction of any of the Holders of Securities of any series pursuant to this Indenture, unless such Holders shall have offered to the Trustee security or indemnity satisfactory to the Trustee against the losses, damages, costs, fees and expenses and liabilities, including reasonable attorneys' fees, costs and expenses (including court costs), which might be incurred by it in compliance with such request or direction;

(6) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, coupon or other paper or document, but the Trustee, in its sole discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine, during business hours and upon reasonable notice, the books, records and premises of the Company, personally or by agent or attorney and shall incur no liability or additional liability of any kind by reason of such inquiry or investigation;

(7) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and the Trustee shall not be responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care by it hereunder;

(8) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee;

(9) in the absence of negligence or willful misconduct on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; but in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein);

(10) no provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers;

(11) The permissive rights of the Trustee to do things enumerated in this Agreement shall not be construed as a duty and, with respect to such permissive rights, the Trustee shall not be answerable for anything other than its negligence or willful misconduct

(12) in no event shall the Trustee be responsible or liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action;

(13) the Trustee shall not be deemed to have notice of any default or Event of Default unless a Responsible Officer of the Trustee has actual knowledge thereof or unless written notice of any event which is in fact such a default is received by the Trustee at the Corporate Trust Office of the Trustee, and such notice references the Securities and this Indenture and states that it is a notice of default or Event of Default;

(14) the rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and each agent, custodian and other Person employed to act hereunder;

(15) the Trustee shall not be required to give any bond or surety in respect of the performance of its powers and duties hereunder;

If, within one year after such resignation, removal or incapability, or the occurrence of such vacancy, a successor Trustee with respect to the Securities of any series shall be appointed by Act of the Holders of a majority in principal amount of the Outstanding Securities of such series delivered to the Company and the retiring Trustee, the successor Trustee so appointed shall, forthwith upon its acceptance of such appointment in accordance with the applicable requirements of Section 609, become the successor Trustee with respect to the Securities of such series and to that extent supersede the successor Trustee appointed by the Company. If no successor Trustee with respect to the Securities of any series shall have been so appointed by the Company or the Holders of Securities and accepted appointment in the manner required by Section 609, any Holder of a Security who has been a bona fide Holder of a Security of such series for at least six months may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the appointment of a successor Trustee with respect to the Securities of such series.

In case any Securities shall have been authenticated but not delivered by the Trustee then in office, any such successor to such authenticating Trustee may adopt such authentication and deliver the Securities so authenticated with the same effect as if such successor Trustee had itself authenticated such Securities. In case any Securities shall not have been authenticated by such predecessor Trustee, any such successor Trustee may authenticate and deliver such Securities in either its own name or that of its predecessor Trustee.

Section 611. Appointment of Authenticating Agent.

The Trustee may appoint one or more Authenticating Agents acceptable to the Company with respect to one or more series of Securities which shall be authorized to act on behalf of the Trustee to authenticate Securities of that

An Authenticating Agent may resign at any time by giving written notice thereof to the Trustee and the Company. The Trustee may at any time terminate the agency of an Authenticating Agent by giving written notice thereof to such Authenticating Agent and the Company. Upon receiving such a notice of resignation or upon such a termination, or in case at any time such Authenticating Agent shall cease to be eligible in accordance with the provisions of this Section, the Trustee may appoint a successor Authenticating Agent which shall be acceptable to the Company and shall mail written notice of such appointment by first-class mail, postage prepaid, to all Holders of Registered Securities, if any, of the series with respect to which such Authenticating Agent shall serve, as their names and addresses appear in the Security Register. (13) to amend or supplement any provision contained herein, in any supplemental indenture or in any Securities (which amendment or supplement may apply to one or more series of Securities or to one or more Securities within any series as specified in such supplemental indenture), provided that such amendment or supplement does not apply to any Outstanding Security issued prior to the date of such supplemental indenture and entitled to the benefits of such provision.

Section 902. *Supplemental Indentures with Consent of Holders.*

With the consent of the Holders of not less than a majority in aggregate principal amount of the Outstanding Securities of each series affected by such supplemental indenture, by Act of said Holders delivered to the Company and the Trustee, the Company (when authorized by or pursuant to a Board Resolution) and the Trustee may enter into an indenture or indentures supplemental hereto for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Indenture or of the Securities of such series or of modifying in any manner the rights of the Holders of Securities of such series under this Indenture; provided, that no such supplemental indenture, without the consent of the Holder of each Outstanding Security affected thereby, shall

(1) change the Stated Maturity of the principal of, or premium, if any, or any installment of interest, if any, on, or any Additional Amounts, if any, with respect to, any Security, or reduce the principal amount thereof or the premium, if any, thereon or the rate (or modify the calculation of such rate) of interest thereon, or reduce the amount payable upon redemption thereof, whether such redemption is mandatory or at the option of the Company, or upon repayment thereof at the option of the Holder, or reduce any Additional Amounts payable with respect thereto, or change the obligation of the Company to pay Additional Amounts pursuant to Section 1004 (except as contemplated by Section 801(1) and permitted by Section 901(1)), or reduce the amount of the principal of any Original Issue Discount Security that would be due and payable upon a declaration of acceleration of the Maturity thereof pursuant

to Section 502 or the amount thereof provable in bankruptcy pursuant to Section 504, or adversely affect the right of repayment at the option of any Holder as contemplated by Article Thirteen, or change the Place of Payment where or the Currency in which the principal of, any premium or interest on, or any Additional Amounts with respect to any Security is payable, or impair the right to institute suit for the enforcement of any such payment on or after the Stated Maturity thereof (or, in the case of redemption, on or after the Redemption Date or, in the case of repayment pursuant to Article Thirteen at the option of the Holder, on or after the date for repayment) in each case as such Stated Maturity, Redemption Date or date for repayment may, if applicable, be extended in accordance with the terms of such Security, or in the case of any Security which is convertible into or exchangeable for other securities or property, impair the right to institute suit to enforce the right to convert or exchange such Security in accordance with its terms, or

(2) reduce the percentage in principal amount of the Outstanding Securities of any series, the consent of whose Holders is required for any such supplemental indenture, or the consent of whose Holders is required for any waiver (of compliance with certain provisions of this Indenture or certain defaults hereunder and their consequences) provided for in Section 513 or Section 1106 of this Indenture, or reduce the requirements of Section 1504 for quorum or voting, or

(3) make any change that adversely affects the right, if any, to convert or exchange any Security for Common Shares or other securities or property in accordance with its terms, or

(4) modify any of the provisions of this Section, Section 513 or Section 1006, except to increase any such percentage or to provide that certain other provisions of this Indenture cannot be modified or waived without the consent of the Holder of each Outstanding Security affected thereby.

A supplemental indenture which changes or eliminates any covenant or other provision of this Indenture which shall have been included solely for the benefit of one or more particular series of Securities, or which modifies the rights of the Holders of Securities of such series with respect to such covenant or other provision, shall be deemed not to affect the rights under this Indenture of the Holders of Securities of any other series.

Anything in this Indenture to the contrary notwithstanding, if more than one series of Securities is Outstanding, the Company shall be entitled to enter into a supplemental indenture under this Section 902 with respect to any one or more series of Outstanding Securities without entering into a supplemental indenture with respect to any other series of Outstanding Securities.

It shall not be necessary for any Act of Holders of Securities under this Section to approve the particular form of any proposed supplemental indenture, but it shall be sufficient if such Act shall approve the substance thereof.

Section 903. Execution of Supplemental Indentures.

As a condition to executing, or accepting the additional trusts created by, any supplemental indenture permitted by this Article or the modifications thereby of the trust created by this Indenture, the Trustee shall receive, and (subject to Sections 3.15(a) through 3.15(d) of the Trust Indenture Act) shall be fully protected in conclusively relying upon, an Officers' Certificate and Opinion of Counsel to the effect that the execution of such supplemental indenture is authorized or permitted by this Indenture, that all conditions precedent thereto have been complied with and that such supplemental indenture has been duly authorized, executed and delivered by, and is a valid, binding and enforceable obligation of, the Company, subject to customary exceptions,. The Trustee may, but shall not be obligated to, enter into any such supplemental indenture which affects the Trustee's own rights, duties or immunities under this Indenture or otherwise.

Section 904. Effect of Supplemental Indentures.

Upon the execution of any supplemental indenture under this Article, this Indenture shall be modified in accordance therewith, and such supplemental indenture shall form a part of this Indenture for all purposes; and every Holder of a Security theretofore or thereafter authenticated and delivered hereunder shall be bound thereby.

Section 905. *Reference in Securities to Supplemental Indentures.*

Securities of any series authenticated and delivered after the execution of any supplemental indenture pursuant to this Article may, and shall if required by the Trustee, bear a notation in form approved by the Trustee as to any matter provided for in such supplemental indenture. If the Company shall so determine, new Securities of any series so modified as to conform, in the opinion of the Trustee and the Company, to any such supplemental indenture may be prepared and executed by the Company and authenticated and delivered by the Trustee in exchange for Outstanding Securities of such series.

Section 906. *Conformity with Trust Indenture Act.*

Every supplemental indenture executed pursuant to this Article shall conform to the requirements of the Trust Indenture Act as then in effect.

ARTICLE TEN

COVENANTS

Section 1001. *Payment of Principal, Premium, Interest and Additional Amounts.*

The Company covenants and agrees for the benefit of the Holders of the Securities of each series that it will duly and punctually pay the principal of, any premium and interest on and any Additional Amounts with respect to the Securities of such series, whether payable in cash, Common Shares or other securities or property, in accordance with the terms thereof and this Indenture.

Section 1002. *Maintenance of Office or Agency.*

The Company shall maintain in each Place of Payment for any series of Securities an Office or Agency where Securities of such series may be presented or surrendered for payment, where Securities of such series may be surrendered for registration of transfer or exchange, where Securities of such series that are convertible or exchangeable may be surrendered for conversion or exchange, and where notices and demands to or upon the Company in respect of the Securities of such series relating thereto and this Indenture may be served. The Company will give prompt written notice to the Trustee of the location, and any change in the location, of such Office or Agency. If at any time the Company shall fail to maintain any such required Office or Agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee, and the Company hereby appoints the Trustee as its agent to receive all such presentations, surrenders, notices and demands.

The Company may also from time to time designate one or more other Offices or Agencies where the Securities of one or more series may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; provided, however, that no such designation or rescission shall in any manner relieve the Company of its obligations to maintain an Office or Agency in each Place of Payment for Securities of any series for such purposes. The Company shall give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other Office or Agency.

Unless otherwise provided in or pursuant to this Indenture (including, without limitation, pursuant to Section 301 with respect to the Securities of any series), the Company hereby designates the place where the Trustee shall from time to time maintain its Corporate Trust Office as the Company's Office or Agency for such purpose and initially appoints the Trustee as the Security Registrar for each series of Securities and, if the Securities of any series are convertible into or exchangeable for Common Shares or other securities or property, initially appoints the Trustee as conversion or exchange agent, as the case may be, for the Securities of such series. The Company may subsequently appoint a different or additional Office or Agency and, as provided in Section 305, may remove and replace from time to time the Security Registrar.

Section 1003. Money for Securities Payments to Be Held in Trust.

If the Company shall at any time act as its own Paying Agent with respect to any series of Securities, it shall, on or before each due date of the principal of, any premium or interest on, or any Additional Amounts with respect to any of the Securities of such series, segregate and hold in trust for the benefit of the Persons entitled thereto a sum in the Currency or Currencies in which the Securities of such series are payable sufficient to pay the principal, any premium, interest and Additional Amounts, as the case may be, so becoming due until such sums shall be paid to such Persons or otherwise disposed of as herein provided, and shall promptly notify the Trustee of its action or failure so to act.

Whenever the Company shall have one or more Paying Agents for any series of Securities, it shall, on or prior to each due date of the principal of, or any premium or interest on or any Additional Amounts with respect to, any Securities of such series, deposit with any Paying Agent a sum (in the Currency or Currencies described in the preceding paragraph) sufficient to pay the principal, premium, interest and Additional Amounts, as the case may be, so becoming due, such sum to be held in trust for the benefit of the Persons entitled thereto, and (unless such Paying Agent is the Trustee) the Company will promptly notify the Trustee of its action or failure so to act.

The Company shall cause each Paying Agent for any series of Securities other than the Trustee to execute and deliver to the Trustee an instrument in which such Paying Agent shall agree with the Trustee, subject to the provisions of this Section, that such Paying Agent shall:

- (1) hold all sums held by it for the payment of the principal of, any premium or interest on or any Additional Amounts with respect to Securities of such series in trust for the benefit of the Persons entitled thereto until such sums shall be paid to such Persons or otherwise disposed of as provided in or pursuant to this Indenture;
- (2) give the Trustee notice of any default by the Company (or any other obligor upon the Securities of such series) in the making of any payment of principal, any premium or interest on or any Additional Amounts with respect to the Securities of such series; and
- (3) at any time during the continuance of any such default, upon the written request of the Trustee, forthwith pay to the Trustee all sums so held in trust by such Paying Agent.

To the extent that the terms of any Securities established pursuant to Section 301 provide that any principal of, or premium or interest, if any, on or any Additional Amounts with respect to any such Securities is or may be payable in Common Shares or other securities or property, then the provisions of this Section 1003 shall apply, mutatis mutandis, to such Common Shares or other securities or property.

The Company may at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture or for any other purpose, pay, or by Company Order direct any Paying Agent to pay, to the Trustee all sums held in trust by the Company or such Paying Agent, such sums to be held by the Trustee upon the same terms as those upon which such sums were held by the Company or such Paying Agent; and, upon such payment by any Paying Agent to the Trustee, such Paying Agent shall be released from all further liability with respect to such sums.

Except as otherwise provided herein or pursuant hereto, any money deposited with the Trustee or any Paying Agent, or then held by the Company, in trust for the payment of the principal of, any premium or interest on or any Additional Amounts with respect to any Security of any series and remaining unclaimed for two years after such principal or such premium or interest or Additional Amount shall have become due and payable shall be paid to the Company on Company Request, or (if then held by the Company) shall be discharged from such trust; and the Holder of such Security shall thereafter, as an unsecured general creditor, look only to the Company for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Company as trustee thereof, shall thereupon cease.

Section 1004. Additional Amounts.

If any Securities of a series provide for the payment of Additional Amounts by the Company, the Company agrees to pay to the Holder of any such Security Additional Amounts as provided in or pursuant to this Indenture or such Securities. Whenever in this Indenture there is mentioned, in any context, the payment of the principal of or any

premium or interest on, or in respect of, any Security of any series, such mention shall be deemed to include mention of the payment of Additional Amounts provided by the terms of such series established hereby or pursuant hereto to the extent that, in such context, Additional Amounts are, were or would be payable in respect thereof pursuant to such terms, and express mention of the payment of Additional Amounts (if applicable) in any provision hereof shall not be construed as excluding Additional Amounts in those provisions hereof where such express mention is not made.

Section 1005. Legal Existence.

Subject to Article Eight, the Company shall do or cause to be done all things necessary to preserve and keep in full force and effect its legal existence as any type of Corporation (it being understood that nothing in this Section 1005 shall prohibit the Company from changing its legal form from one type of Corporation to another type of Corporation).

Section 1006. Waiver of Certain Covenants.

The Company may omit in any particular instance to comply with any term, provision or condition set forth in Section 801, Section 802, Section 1002, Section 1003 or Section 1005 with respect to the Securities of any series and, if expressly provided pursuant to Section 301 with respect to the Securities of such series, any additional covenants applicable to the Securities of such series if before the time for such compliance the Holders of at least a majority in principal amount of the Outstanding Securities of such series, by Act of such Holders, either shall waive such compliance in such instance or generally shall have waived compliance with such term, provision or condition, but no such waiver shall extend to or affect such term, provision or condition except to the extent so expressly waived, and, until such waiver shall become effective, the obligations of the Company and the duties of the Trustee in respect of any such term, provision or condition shall remain in full force and effect.

Section 1007. Company Statement as to Compliance.

The Company shall deliver to the Trustee, within 120 days after the end of each fiscal year, a written statement (which need not be contained in or accompanied by an Officers' Certificate) signed by the principal executive officer, the principal financial officer or the principal accounting officer of the Company, stating whether or not, to the best of his or her knowledge, the Company is in default in the performance and observance of any of the terms, provisions and conditions of this Indenture (without regard to notice requirements or periods of grace) and if the Company shall be in default, specifying all such defaults and the nature and status thereof of which he or she may have knowledge.

Section 1008. Calculation of Original Issue Discount.

The Company shall file with the Trustee promptly at the end of each calendar year (i) a written notice specifying the amount of original issue discount (including daily rates and accrual periods) accrued on Outstanding Securities as of the end of such year and (ii) such other specific information relating to such original issue discount as may then be relevant under the Internal Revenue Code of 1986, as amended from time to time.

ARTICLE ELEVEN

REDEMPTION OF SECURITIES

Section 1101. Applicability of Article.

Redemption of Securities of any series at the option of the Company as permitted or required by the terms of such Securities shall be made in accordance with the terms of such Securities and (except as otherwise provided herein or pursuant hereto) this Article.

Section 1102. Election to Redeem; Notice to Trustee.

The election of the Company to redeem any Securities shall be evidenced by or pursuant to a Board Resolution. In case of any redemption at the election of the Company of less than all of the Securities of any series, the Company shall, at least 60 days prior to the Redemption Date fixed by the Company (unless a shorter notice shall be satisfactory to the Trustee), notify the Trustee of such Redemption Date and of the principal amount of Securities of such series to be redeemed and, in the event that the Company shall determine that the Securities of any series to be redeemed shall be selected from Securities of such series having the same issue date, interest rate or interest rate formula, Stated Maturity and other terms (the "Equivalent Terms"), the Company shall notify the Trustee of such Equivalent Terms.

In the case of any redemption of Securities (A) prior to the expiration of any restriction on such redemption provided in the terms of such Securities or elsewhere in this Indenture or (B) pursuant to an election of the Company which is subject to a condition specified in the terms of such Securities or elsewhere in this Indenture, the Company shall furnish to the Trustee an Officers' Certificate evidencing compliance with such restriction or condition.

Section 1103. Selection by Trustee of Securities to be Redeemed.

If less than all of the Securities of any series are to be redeemed or if less than all of the Securities of any series with Equivalent Terms are to be redeemed, the particular Securities to be redeemed shall be selected not more than 60 days prior to the Redemption Date by the Trustee from the Outstanding Securities of such series or from the Outstanding Securities of such series with Equivalent Terms, as the case may be, not previously called for redemption, by such method as the Trustee shall deem fair and appropriate and which may provide for the selection for redemption of portions of the principal amount of Registered Securities of such series; provided, however, that no such partial redemption shall reduce the portion of the principal amount of a Security of such series not redeemed to less than the minimum denomination for a Security of such series established herein or pursuant hereto.

The Trustee shall promptly notify the Company and the Security Registrar (if other than itself) in writing of the Securities selected for redemption and, in the case of any Securities selected for partial redemption, the principal amount thereof to be redeemed.

For all purposes of this Indenture, unless the context otherwise requires, all provisions relating to the redemption of Securities shall relate, in the case of any Securities redeemed or to be redeemed only in part, to the portion of the principal of such Securities which has been or is to be redeemed.

Unless otherwise specified in or pursuant to this Indenture or the Securities of any series or in a notice of redemption, if any Security selected for partial redemption is converted or exchanged for Common Shares or other securities or property in part before termination of the conversion or exchange right with respect to the portion of the Security so selected, the converted or exchanged portion of such Security shall be deemed (so far as may be) to be the portion selected for redemption. Securities which have been converted or exchanged during a selection of Securities to be redeemed shall be treated by the Trustee as Outstanding for the purpose of such selection.

Section 1104. Notice of Redemption.

Notice of redemption shall be given in the manner provided in Section 106, not less than 30 nor more than 60 days prior to the Redemption Date, unless a shorter period is specified in the Securities to be redeemed, to the Holders of Securities to be redeemed. Failure to give notice by mailing in the manner herein provided to the Holder of any Registered Securities designated for redemption as a whole or in part, or any defect in the notice to any such Holder, shall not affect the validity of the proceedings for the redemption of any other Securities or portions thereof.

Any notice that is mailed to the Holder of any Registered Securities in the manner herein provided shall be conclusively presumed to have been duly given, whether or not such Holder receives the notice. In the event Trustee is either selecting notes or delivering notice, it shall receive notice from the Company 5 Business Days before such selection or delivery.

All notices of redemption shall state:

- (1) the Redemption Date,
- (2) the Redemption Price or, if applicable, the manner in which the Redemption Price will be determined,
- (3) if less than all Outstanding Securities of any series are to be redeemed, the identification (and, in the case of partial redemption, the principal amount) of the particular Security or Securities to be redeemed,
- (4) that, in case any Security is to be redeemed in part only, on and after the Redemption Date, upon surrender of such Security, the Holder of such Security will receive, without charge, a new Security or Securities of authorized denominations for the principal amount thereof remaining unredeemed,
- (5) that, on the Redemption Date, the Redemption Price shall become due and payable upon each such Security or portion thereof to be redeemed, together (if applicable) with accrued and unpaid interest, if any, thereon (subject, if applicable, to the provisos to the first paragraph of Section 1106), and, if applicable, that interest thereon shall cease to accrue on and after said date,
- (6) the place or places where such Securities, maturing after the Redemption Date, are to be surrendered for payment of the Redemption Price and any accrued interest and Additional Amounts pertaining thereto,
- (7) that the redemption is for a sinking fund, if such is the case,
- (8)
- (9) in the case of Securities of any series that are convertible or exchangeable into Common Shares or other securities or property, the then current conversion or exchange price or rate, the date or dates on which the right to convert or exchange the principal of the Securities of such series to be redeemed will commence or terminate, as applicable, and the place or places where and the Persons to whom such Securities may be surrendered for conversion or exchange,
- (10) the CUSIP number of such Securities, if any, and
- (11) if the Redemption Price or any portion thereof shall be payable, at the option of the Company, in cash or in Common Shares or other securities or property (or a combination thereof), a statement as to whether the Company has elected to pay the Redemption Price in cash or Common Shares or other securities or property or a combination thereof and, if applicable, the portion of the Redemption Price that is to be paid in cash, Common Shares or other securities or property.

A notice of redemption published as contemplated by Section 106 need not identify particular Registered Securities to be redeemed.

Notice of redemption of Securities to be redeemed at the election of the Company shall be given by the Company or, at the Company's request and expense, by the Trustee in the name and at the expense of the Company.

Section 1105. Deposit of Redemption Price.

On or prior to 10:00a.m., New York City time, on any Redemption Date, the Company shall deposit, with respect to the Securities of any series called for redemption pursuant to Section 1104, with the Trustee or with a Paying Agent (or, if the Company is acting as its own Paying Agent, segregate and hold in trust as provided in Section 1003) an amount of money in the applicable Currency or, if the Redemption Price shall be payable in cash, securities and/or other property, an amount of money in the applicable Currency, securities and/or other property, as the case may be, sufficient to pay the Redemption Price of, and (unless otherwise specified pursuant to Section 301 with respect to the Securities of such series) any accrued interest on, all such Securities or portions thereof which are to be redeemed on that date, except that, if the Securities of such series are convertible or exchangeable into Common Shares or other securities or property, no such deposit shall be required (unless otherwise specified pursuant to Section 301 with

respect to the Securities of such series) with respect to any such Securities (or portions thereof) which have been converted or exchanged prior to such Redemption Date.

Section 1106. Securities Payable on Redemption Date.

Notice of redemption having been given as aforesaid, the Securities so to be redeemed (except, in the case of Securities which are convertible or exchangeable into Common Shares or other securities or property, any such Securities which shall have been so converted or exchanged prior to the applicable Redemption Date) shall, on the Redemption Date, become due and payable at the Redemption Price therein specified, together with (unless otherwise provided with respect to the Securities of such series pursuant to Section 301) accrued and unpaid interest, if any, thereon and from and after such date (unless the Company shall default in the payment of the Redemption Price and accrued interest, if any) such Securities shall cease to bear interest. Upon surrender of any such Security for redemption in accordance with said notice, such Security shall be paid by the Company at the Redemption Price, together with, unless otherwise provided in or pursuant to this Indenture, any accrued and unpaid interest thereon and Additional Amounts with respect thereto to but excluding the Redemption Date; provided, however, that, except as otherwise specified in or pursuant to this Indenture or the Registered Securities of such series, installments of interest on Registered Securities whose Stated Maturity is on or prior to the Redemption Date shall be payable to the Holders of such Securities, or one or more Predecessor Securities, registered as such at the close of business on the Regular Record Dates therefor according to their terms and the provisions of Section 307.

If any Security called for redemption shall not be so paid upon surrender thereof for redemption, the principal and any premium, until paid, shall bear interest from the Redemption Date at the rate prescribed therefor in the Security or, if no rate is prescribed therefor in the Security, at the rate of interest, if any, borne by such Security.

Section 1107. Securities Redeemed in Part.

Any Registered Security which is to be redeemed only in part shall be surrendered at any Office or Agency for such Security (with, if the Company or the Trustee so requires, due endorsement by, or a written instrument of transfer in form satisfactory to the Company and the Trustee duly executed by, the Holder thereof or his attorney duly authorized in writing) and the Company shall execute and the Trustee shall authenticate and deliver to the Holder of such Security without service charge, a new Registered Security or Securities of the same series, containing identical terms and provisions, of any authorized denomination as requested by such Holder in aggregate principal amount equal to and in exchange for the unredeemed portion of the principal of the Security so surrendered. If a Security in global form is so surrendered, the Company shall execute, and the Trustee shall authenticate and deliver to the Depository for such Security in global form as shall be specified in the Company Order with respect thereto to the Trustee, without service charge, a new Security in global form in a denomination equal to and in exchange for the unredeemed portion of the principal of the Security in global form so surrendered.

ARTICLE TWELVE

SINKING FUNDS

Section 1201. Applicability of Article.

The provisions of this Article shall be applicable to any sinking fund for the retirement of Securities of a series, except as otherwise permitted or required in or pursuant to this Indenture or any Security of such series issued pursuant to this Indenture.

The minimum amount of any sinking fund payment provided for by the terms of Securities of any series is herein referred to as a "mandatory sinking fund payment", and any payment in excess of such minimum amount provided for by the terms of Securities of such series is herein referred to as an "optional sinking fund payment". If provided for by the terms of Securities of any series, the cash amount of any sinking fund payment may be subject to reduction as provided in Section 1202. Each sinking fund payment shall be applied to the redemption of Securities of any series as provided for by the terms of Securities of such series and this Indenture.

Section 1202. Satisfaction of Sinking Fund Payments with Securities.

The Company may, in satisfaction of all or any part of any sinking fund payment with respect to the Securities of any series to be made pursuant to the terms of such Securities (1) deliver Outstanding Securities of such series (other than any of such Securities previously called for redemption or any of such Securities in respect of which cash shall have been released to the Company), and (2) apply as a credit Securities of such series which have been redeemed either at the election of the Company pursuant to the terms of such series of Securities or through the application of permitted optional sinking fund payments pursuant to the terms of such Securities, provided that such Securities have not been previously so credited. Such Securities shall be received and credited for such purpose by the Trustee at the Redemption Price specified in such Securities for redemption through operation of the sinking fund and the amount of such sinking fund payment shall be reduced accordingly. If as a result of the delivery or credit of Securities of any series in lieu of cash payments pursuant to this Section 1202, the principal amount of Securities of such series to be redeemed in order to exhaust the aforesaid cash payment shall be less than \$100,000, the Trustee need not call Securities of such series for redemption, except upon Company Request, and such cash payment shall be held by the Trustee or a Paying Agent and applied to the next succeeding sinking fund payment, provided, however, that the Trustee or such Paying Agent shall at the written request of the Company from time to time pay over and deliver to the Company any cash payment so being held by the Trustee or such Paying Agent upon delivery by the Company to the Trustee of Securities of that series purchased by the Company having an unpaid principal amount equal to the cash payment requested to be released to the Company.

Section 1203. Redemption of Securities for Sinking Fund.

Not less than 75 days prior to each sinking fund payment date for any series of Securities, the Company shall deliver to the Trustee an Officers' Certificate specifying the amount of the next ensuing mandatory sinking fund payment for that series pursuant to the terms of that series, the portion thereof, if any, which is to be satisfied by payment of cash and the portion thereof, if any, which is to be satisfied by delivering and crediting of Securities of that series pursuant to Section 1202, and the optional amount, if any, to be added in cash to the next ensuing mandatory sinking fund payment, and will also deliver to the Trustee any Securities to be so credited and not theretofore delivered. If such Officers' Certificate shall specify an optional amount to be added in cash to the next ensuing mandatory sinking fund payment, the Company shall thereupon be obligated to pay the amount therein specified. Not less than 60 days before each such sinking fund payment date the Trustee shall select the Securities to be redeemed upon such sinking fund payment date in the manner specified in Section 1103 and cause notice of the redemption thereof to be given in the name of and at the expense of the Company in the manner provided in Section 1104. Such notice having been duly given, the redemption of such Securities shall be made upon the terms and in the manner stated in Section 1106 and Section 1107.

ARTICLE THIRTEEN

REPAYMENT AT THE OPTION OF HOLDERS

Section 1301. Applicability of Article.

Securities of any series which are repayable at the option of the Holders thereof before their Stated Maturity shall be repaid in accordance with the terms of the Securities of such series. The repayment of any principal amount of Securities pursuant to such option of the Holder to require repayment of Securities before their Stated Maturity, for purposes of Section 309, shall not operate as a payment, redemption or satisfaction of the indebtedness represented by such Securities unless and until the Company, at its option, shall deliver or surrender the same to the Trustee with a directive that such Securities be cancelled. Notwithstanding anything to the contrary contained in this Section 1301, in connection with any repayment of Securities, the Company may arrange for the purchase of any Securities by an agreement with one or more investment bankers or other purchasers to purchase such Securities by paying to the Holders of such Securities on or before the applicable repayment date an amount not less than the repayment price payable by the Company on repayment of such Securities, and the obligation of the Company to pay the repayment price of such Securities shall be satisfied and discharged to the extent such payment is so paid by such purchasers.

Unless otherwise expressly stated in this Indenture or pursuant to Section 301 with respect to the Securities of any series or unless the context otherwise requires, all references in this Indenture to the repayment of Securities at

the option of the Holders thereof (and all references of like import) shall be deemed to include a reference to the repurchase or redemption of Securities at the option of the Holders thereof.

ARTICLE FOURTEEN

SECURITIES IN FOREIGN CURRENCIES

Section 1401. *Applicability of Article.*

Whenever this Indenture provides for (i) any action by, or the determination of any of the rights of, Holders of Securities of any series in which not all of such Securities are denominated in the same Currency or (ii) any distribution to Holders of Securities of any series in which not all of such Securities are denominated in the same Currency, in the absence of any provision to the contrary in or pursuant to this Indenture or the Securities of such series, any amount in respect of any Security denominated in a Currency other than Dollars shall be treated for any such action, determination or distribution as that amount of Dollars that could be obtained for such amount on such reasonable basis of exchange and as of the record date with respect to Registered Securities of such series (if any) for such action, determination or distribution (or, if there shall be no applicable record date, such other date reasonably proximate to the date of such distribution) as the Company may specify in a written notice to the Trustee.

ARTICLE FIFTEEN

MEETINGS OF HOLDERS OF SECURITIES

Section 1501. *Purposes for Which Meetings May Be Called.*

A meeting of Holders of Securities of any series may be called at any time and from time to time pursuant to this Article to make, give or take any request, demand, authorization, direction, notice, consent, waiver or other Act provided by this Indenture to be made, given or taken by Holders of Securities of such series.

Section 1502. *Call, Notice and Place of Meetings.*

(1) The Trustee may at any time call a meeting of Holders of Securities of any series, for any purpose specified in Section 1501, to be held at such time and at such place in the Borough of Manhattan, The City of New York, or such other place as is reasonably acceptable to the Trustee. Notice of every meeting of Holders of Securities of any such series, setting forth the time and the place of such meeting and in general terms the action proposed to be taken at such meeting, shall be given, in the manner provided in Section 106, not less than 21 nor more than 180 days prior to the date fixed for the meeting.

(2) In case at any time the Company (by or pursuant to a Board Resolution) or the Holders of at least 33 1/3% in aggregate principal amount of the Outstanding Securities of any series shall have requested the Trustee to call a meeting of the Holders of Securities of such series for any purpose specified in Section 1501, by written request setting forth in reasonable detail the action proposed to be taken at the meeting, and the Trustee shall not have mailed notice of or made the first publication of the notice of such meeting within 21 days after receipt of such request (whichever shall be required pursuant to Section 106) or shall not thereafter proceed to cause the meeting to be held as provided herein, then the Company or the Holders of Securities of such series in the amount above specified, as the case may be, may determine the time and the place in New York for such meeting and may call such meeting for such purposes by giving notice thereof as provided in clause (1) of this Section.

Section 1503. *Persons Entitled to Vote at Meetings.*

To be entitled to vote at any meeting of Holders of Securities of any series, a Person shall be (1) a Holder of one or more Outstanding Securities of such series, or (2) a Person appointed by an instrument in writing as proxy for a Holder or Holders of one or more Outstanding Securities of such series by such Holder or Holders. The only Persons who shall be entitled to be present or to speak at any meeting of Holders of Securities of any series shall be the Persons

entitled to vote at such meeting and their counsel, any representatives of the Trustee and its counsel and any representatives of the Company and its counsel.

Section 1504. Quorum; Action.

The Persons entitled to vote a majority in aggregate principal amount of the Outstanding Securities of a series shall constitute a quorum for a meeting or duly reconvened meeting of Holders of Securities of such series; provided, however, that if any action is to be taken at such meeting with respect to any request, demand, authorization, direction, notice, consent, waiver or other action which this Indenture expressly provides may be given by the Holders of a greater percentage in aggregate principal amount of the Outstanding Securities of a series, the Persons entitled to at least such greater percentage in aggregate principal amount of the Outstanding Securities of such series shall constitute a quorum. In the absence of a quorum within 30 minutes after the time appointed for any such meeting, the meeting shall, if convened at the request of Holders of Securities of such series, be dissolved. In any other case the meeting may be adjourned for a period of not less than 10 days as determined by the chairman of the meeting prior to the adjournment of such meeting. In the absence of a quorum at any such adjourned meeting, such adjourned meeting may be further adjourned for a period of not less than 10 days as determined by the chairman of the meeting prior to the adjournment of such adjourned meeting. Notice of the reconvening of any adjourned meeting shall be given as provided in Section 1502(1), except that such notice need be given only once not less than five days prior to the date on which the meeting is scheduled to be reconvened. Notice of the reconvening of an adjourned meeting shall state expressly the percentage, as provided above, of the aggregate principal amount of the Outstanding Securities of such series which shall constitute a quorum.

Except as limited by the proviso to Section 902, any resolution presented to a meeting or adjourned meeting duly reconvened at which a quorum is present as aforesaid may be adopted only by the affirmative vote of the Holders of a majority in aggregate principal amount of the Outstanding Securities of that series; provided, however, that, except as limited by the proviso to Section 902, any resolution with respect to any request, demand, authorization, direction, notice, consent, waiver or other Act which this Indenture expressly provides may be made, given or taken by the Holders of a specified percentage, which is less than or more than a majority, in aggregate principal amount of the Outstanding Securities of a series may be adopted at a meeting or an adjourned meeting duly reconvened and at which a quorum is present as aforesaid by the affirmative vote of the Holders of such specified percentage in aggregate principal amount of the Outstanding Securities of such series.

Any resolution passed or decision taken at any meeting of Holders of Securities of any series duly held in accordance with this Section shall be binding on all the Holders of Securities of such series, whether or not such Holders were present or represented at the meeting.

Section 1505. Determination of Voting Rights; Conduct and Adjournment of Meetings.

(1) Notwithstanding any other provisions of this Indenture, the Trustee may make such reasonable regulations as it may deem advisable for any meeting of Holders of Securities of such series in regard to proof of the holding of Securities of such series and of the appointment of proxies and in regard to the appointment and duties of inspectors of votes, the submission and examination of proxies, certificates and other evidence of the right to vote, and such other matters concerning the conduct of the meeting as it shall deem appropriate. Except as otherwise permitted or required by any such regulations, the holding of Securities shall be proved in the manner specified in Section 104 and the appointment of any proxy shall be proved in the manner specified in Section 104. Such regulations may provide that written instruments appointing proxies, regular on their face, may be presumed valid and genuine without the proof specified in Section 104 or other proof.

(2) The Trustee shall, by an instrument in writing, appoint a temporary chairman of the meeting, unless the meeting shall have been called by the Company or by Holders of Securities as provided in Section 1502(2), in which case the Company or the Holders of Securities of the series calling the meeting, as the case may be, shall in like manner appoint a temporary chairman. A permanent chairman and a permanent secretary of the meeting shall be elected by vote of the Persons entitled to vote a majority in aggregate principal amount of the Outstanding Securities of such series represented at the meeting.

(3) At any meeting, each Holder of a Security of such series or proxy shall be entitled to one vote for each \$1,000 principal amount of Securities of such series held or represented by him; provided, however, that no vote shall be cast or counted at any meeting in respect of any Security challenged as not Outstanding and ruled by the chairman of the meeting to be not Outstanding. If the Securities of such series are issuable in minimum denominations of less than \$1,000, then a Holder of such a Security in a principal amount of less than \$1,000 shall be entitled to a fraction of one vote which is equal to the fraction that the principal amount of such Security bears to \$1,000. The chairman of the meeting shall have no right to vote, except as a Holder of a Security of such series or proxy.

(4) Any meeting of Holders of Securities of any series duly called pursuant to Section 1502 at which a quorum is present may be adjourned from time to time by Persons entitled to vote a majority in aggregate principal amount of the Outstanding Securities of such series represented at the meeting; and the meeting may be held as so adjourned without further notice.

Section 1506. *Counting Votes and Recording Action of Meetings.*

The vote upon any resolution submitted to any meeting of Holders of Securities of any series shall be by written ballots on which shall be subscribed the signatures of the Holders of Securities of such series or of their representatives by proxy and the principal amounts and serial numbers of the Outstanding Securities of such series held or represented by them. The permanent chairman of the meeting shall appoint two inspectors of votes who shall count all votes cast at the meeting for or against any resolution and who shall make and file with the secretary of the meeting their verified written reports in triplicate of all votes cast at the meeting. A record, at least in triplicate, of the proceedings of each meeting of Holders of Securities of any series shall be prepared by the secretary of the meeting and there shall be attached to said record the original reports of the inspectors of votes on any vote by ballot taken thereat and affidavits by one or more persons having knowledge of the facts setting forth a copy of the notice of the meeting and showing that said notice was given as provided in Section 1502 and, if applicable, Section 1504. Each copy shall be signed and verified by the affidavits of the permanent chairman and secretary of the meeting and one such copy shall be delivered to the Company, and another to the Trustee to be preserved by the Trustee, the latter to have attached thereto the ballots voted at the meeting. Any record so signed and verified shall be conclusive evidence of the matters therein stated.

RECITALS OF THE COMPANY

WHEREAS, pursuant to the terms of the Indenture, the Company desires to provide for the establishment of a new series of its Securities to be known as its “7.00% Convertible Senior Notes due 2023” (the “**Notes**”), the form and substance of the Notes and the terms, provisions and conditions thereof to be set forth as provided in the Indenture.

effected by this First Supplemental Indenture shall be applicable only with respect to, and govern the terms of, the Notes and shall not apply to any other series of Securities that may be issued under the Base Indenture unless a supplemental indenture with respect to such other series of Securities specifically incorporates such changes, modifications and supplements.

The aggregate principal amount of the Notes that initially may be authenticated and delivered under this First Supplemental Indenture shall be limited to \$325,000,000 (or up to \$373,750,000 if the Underwriters exercise the Shoe Option), subject to increase as set forth in [Section 2.06](#).

The Notes shall mature on the Stated Maturity.

Principal and interest on Global Notes shall be payable in the manner set forth in [Section 3.01](#).

The Notes shall be convertible as provided in [Article V](#).

Section 2.02 Denominations. The Notes shall be issuable only in fully registered form without interest coupons and only in minimum denominations of \$1,000 and any integral multiple thereof.

Any adjustment of the aggregate principal amount of a Global Note to reflect the amount of any increase or decrease in the amount of outstanding Notes represented thereby shall be made by the Trustee in accordance with Applicable Procedures and shall be made on the records of the Trustee and the Depositary.

(c) **Certificated Notes.** Notwithstanding anything to the contrary in Section 203 of the Base Indenture, beneficial interests in a Global Note may be exchanged for certificated Notes:

- (i) If (x) the Depositary for such Global Note notifies the Company that it is unwilling or unable to continue as Depositary for such Global Note or if at any time such Depositary ceases to be a clearing agency registered under the Exchange Act, and, in either case, the Company fails to appoint a successor Depositary registered as a clearing agency under the Exchange Act within 90 days of such event or (y) the Company executes and delivers to the Trustee an Officer's Certificate to the effect that such Global Note shall be so exchangeable;
- (ii) If an Event of Default has occurred and is continuing; or
- (iii) If the holder of such beneficial interest and the Company agree to such exchange.

Section 2.04 Conversion Agent. The Company shall maintain an office or agency where Notes may be presented for conversion (the "Conversion Agent"). The Company will give prompt written notice to the Trustee of the name and address, and any change in the name or address, of the Conversion Agent. If at any time the Company shall fail to maintain the Conversion Agent or shall fail to furnish the Trustee with the name and address thereof, such presentations may be made at the Corporate Trust Office of the Trustee, and the Company hereby appoints the Trustee as its agent to receive all such presentations.

The Company hereby initially appoints the Trustee as Registrar, Paying Agent and Conversion Agent in connection with the Notes.

Section 2.05 Ranking. The obligations of the Company arising under or in connection with this Indenture and every outstanding Note issued under this Indenture from time to time constitute and shall constitute a general unsecured senior obligation of the Company, ranking equally with existing and future senior unsecured indebtedness of the Company and ranking

senior in right of payment to any existing and future indebtedness of the Company that is expressly made subordinate to the Notes by the terms of such indebtedness.

Section 2.06 Further Issues; Repurchases. The Company may, without the consent of the Holders, issue Additional Notes in an unlimited aggregate principal amount under the Indenture with the same terms as the Initial Notes (except, to the extent applicable, with respect to the date as of which interest begins to accrue on such Additional Notes and the first Interest Payment Date); provided, that if the Additional Notes are not fungible with the Initial Notes for United States federal income tax purposes, the Additional Notes will be identified by a separate CUSIP number or by no CUSIP number. In addition, the Company may at any time and from time to time repurchase Notes by tender offer, open market purchases, negotiated transactions or otherwise, in accordance with applicable securities laws without giving prior notice to or obtaining any consent of the Holders. The Company shall cause any Notes repurchased by the Company pursuant to the foregoing sentence or otherwise (other than Notes repurchased pursuant to cash-settled swaps or other cash-settled derivatives) to be surrendered to the Trustee for cancellation and such Notes will no longer be Outstanding under the Indenture upon their repurchase.

ARTICLE III PARTICULAR COVENANTS OF THE COMPANY

Subject to Section 1.02 and except as provided in this Article III, the provisions of Article X of the Base Indenture, as supplemented by the provisions of this First Supplemental Indenture, shall apply to the Notes.

Section 3.01 Payment of Principal and Interest; Method of Payment. This Section 3.01 shall, with respect to the Notes, replace Section 1001 of the Base Indenture in its entirety.

The Company covenants and agrees that it shall duly and punctually pay or cause to be paid the principal of and interest on each of the Notes at the places, at the respective times and in the manner provided herein and in the Notes.

(a) The Notes will bear interest at a rate of 7.00% per year. Interest on the Notes will accrue from and including the initial date of issuance, or from the most recent date to which interest has been paid or duly provided for. Interest will be payable semiannually in arrears on each Interest Payment Date beginning October 1, 2020 (or such other date as may be set forth in the certificate representing the applicable Note). Pursuant to Section 7.02 of this Indenture, in certain circumstances, the Holders of Notes shall be entitled to receive Additional Interest.

(b) Interest will be paid to the person in whose name a Note is registered at the Close of Business on March 15 or September 15, as the case may be (the “**Regular Record Date**”), immediately preceding the relevant Interest Payment Date (regardless of whether such Regular Record Date is a Business Day). Interest on the Notes will be computed on the basis of a 360-day year composed of twelve 30-day months.

(c) The Company will pay the principal of certificated Notes at the office or agency designated by the Company. The Company has initially designated a Corporate Trust Office of the Trustee as its Paying Agent and Registrar as a place where Notes may be presented for

payment for or registration of transfer. The Company will pay any interest on any certificated Note to the Holder of such Note (i) if such Holder holds \$2,000,000 or less aggregate principal amount of Notes, by check mailed to such Holder's registered address, and (ii) if such Holder holds more than \$2,000,000 aggregate principal amount of Notes, (A) by check mailed to such Holder's registered address or, (B) if such Holder delivers to the Registrar a written request that the Company make such payments by wire transfer to an account of such Holder within the United States, for each interest payment corresponding to each Regular Record Date occurring during the period beginning on the date on which such Holder delivered such request and ending on the date, if any, on which such Holder delivers to the Registrar a written instruction to the contrary, by wire transfer of immediately available funds to the account specified by such Holder.

The Company shall pay the principal of, and interest on Global Notes in immediately available funds to the Depository.

Section 3.02 Provisions as to Paying Agent.

(a) If the Company shall appoint a Paying Agent other than the Trustee, or if the Trustee shall appoint such a Paying Agent, the Company will cause such Paying Agent to execute and deliver to the Trustee an instrument in which such Paying Agent shall agree with the Trustee, subject to the provisions of this Section 3.02 that such Paying Agent will:

- (i) comply with the duties applicable to a paying agent under the TIA; and
- (ii) during the continuance of any Default by the Company (or any other obligor upon the Notes) in the making of any payment in respect of the Notes, upon the written request of the Trustee, forthwith pay to the Trustee all sums held in trust by such Paying Agent as such.

The Company shall, on or before each due date of the principal of (excluding any Fundamental Change Repurchase Price with respect to), or interest on, the Notes, deposit with the Paying Agent a sum (in funds which are immediately available on the due date for such payment) sufficient to pay such principal or interest, and (unless such Paying Agent is the Trustee) the Company will promptly notify the Trustee of any failure to take such action; provided, however, that if such deposit is made on the due date, such deposit shall be received by the Paying Agent by 11:00 a.m. New York City time, on such date.

(b) If the Company shall act as its own Paying Agent, it will, on or before each due date of the principal of or interest on the Notes, set aside, segregate and hold in trust for the benefit of the Holders of the Notes a sum sufficient to pay such principal or interest so becoming due and will promptly notify the Trustee of any failure to take such action and of any failure by the Company (or any other obligor under the Notes) to make any payment of the principal of or interest on the Notes when the same shall become due and payable.

(c) Anything in this Section 3.02 to the contrary notwithstanding, the Company may, at any time, for the purpose of obtaining a satisfaction and discharge of this Indenture, or for any other reason, pay or cause to be paid to the Trustee all sums held in trust by the Company or any Paying Agent hereunder as required by this Section 3.02, such sums to be held by the Trustee

upon the trusts herein contained, and upon such payment by the Company or any Paying Agent to the Trustee, the Company or such Paying Agent shall be released from all further liability with respect to such sums.

(d) Anything in this Section 3.02 to the contrary notwithstanding, the agreement to hold sums in trust as provided in this Section 3.02 is subject to Section 1003 of the Base Indenture.

(e) The Trustee shall not be responsible for the actions of any other Paying Agents (including the Company if acting as its own Paying Agent) and shall have no control of any funds held by such other Paying Agents.

Section 3.03 SEC Filings and Reports. This Section 3.03 shall, with respect to the Notes, replace Section 704 of the Base Indenture in its entirety.

The Company covenants that any documents or reports that the Company is required to file with the SEC pursuant to Section 13 or 15(d) of the Exchange Act or to otherwise comply with Section 314(a) of the TIA shall be filed by the Company (with a copy to the Trustee) within 15 calendar days after the same are required to be filed with the SEC (giving effect to any grace period provided by Rule 12b-25 under the Exchange Act or any other similar or successor provision). Documents filed by the Company pursuant to the SEC's "EDGAR" system (or any successor electronic filing system) shall be deemed to constitute "filing" with the Trustee for purposes of this Section 3.03. Delivery of such reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of such shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Company's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officer's Certificates). The Trustee shall not be obligated to monitor or confirm, on a continuing basis or otherwise, the Company's compliance with the covenants or with respect to any reports or other documents filed with the SEC or EDGAR or any website under the indenture, or participate in any conference calls.

Section 3.04 Additional Interest. If at any time Additional Interest becomes payable by the Company pursuant to Section 7.02, the Company shall promptly deliver to the Trustee a certificate to that effect and stating (i) the amount of such Additional Interest that is payable and (ii) the date on which such Additional Interest is payable. Unless and until a Responsible Officer of the Trustee receives such a certificate, the Trustee may assume without inquiry that no Additional Interest is payable. If the Company has paid Additional Interest directly to the Persons entitled to such Additional Interest, the Company shall deliver to the Trustee a certificate setting forth the particulars of such payment.

**ARTICLE IV
REPURCHASE AT OPTION OF THE HOLDER**

Section 4.01 Repurchase at the Option of the Holder Upon a Fundamental Change.

(a) If a Fundamental Change occurs at any time, the Holders shall have the right, at such Holder's option, to require the Company to repurchase all of such Holder's Notes, or any portion of the principal amount thereof that is equal to \$1,000 or an integral multiple of \$1,000,

on a Business Day (the “**Fundamental Change Repurchase Date**”) specified by the Company that is not less than 20 Business Days and not more than 35 Business Days after the date of the Fundamental Change Repurchase Right Notice at a repurchase price (the “**Fundamental Change Repurchase Price**”) equal to 100% of the principal amount of the Notes to be repurchased plus accrued and unpaid interest, if any, to, but excluding, the Fundamental Change Repurchase Date, unless such Fundamental Change Repurchase Date falls after a Regular Record Date for an Interest Payment Date and on or prior to the corresponding Interest Payment Date, in which case (x) the Company will pay, on or before such Interest Payment Date, the full amount of accrued and unpaid interest payable on such Interest Payment Date to the Holder of record at the Close of Business on such Regular Record Date; and (y) the Fundamental Change Repurchase Price will not include such accrued and unpaid interest. Any Notes repurchased by the Company will be paid for in cash.

Repurchases of Notes under this Section 4.01 shall be made, at the option of the Holder thereof, upon:

- (i) if the Notes are held in certificated form, delivery to the Trustee (or other Paying Agent appointed by the Company) by a Holder of a duly completed notice (the “**Fundamental Change Repurchase Notice**”) in the form set forth on the reverse of the Note or, if the Notes are Global Notes, a notice that complies with the Applicable Procedures, prior to the Close of Business on the second Scheduled Trading Day immediately preceding the Fundamental Change Repurchase Date, subject to extension to comply with applicable law; and
- (ii) delivery or book-entry transfer of the Notes (together with all necessary endorsements) to the Trustee (or other Paying Agent appointed by the Company) at any time after delivery of the Fundamental Change Repurchase Notice and prior to the Close of Business on the second Scheduled Trading Day immediately preceding the Fundamental Change Repurchase Date, subject to extension to comply with applicable law, at the Corporate Trust Office of the Trustee (or other Paying Agent appointed by the Company), such delivery being a condition to receipt by the Holder of the Fundamental Change Repurchase Price therefor; provided that such Fundamental Change Repurchase Price shall be so paid pursuant to this Section 4.01 only if the Note so delivered to the Trustee (or other Paying Agent appointed by the Company) shall conform in all respects to the description thereof in the related Fundamental Change Repurchase Notice.

The Fundamental Change Repurchase Notice shall state:

- (A) if certificated, the certificate numbers of Notes to be delivered for repurchase;
- (B) the portion of the principal amount of Notes to be repurchased, which must be \$1,000 or an integral multiple thereof; and

- (C) that the Notes are to be repurchased by the Company pursuant to the applicable provisions of the Notes and this Indenture;

provided, however, that if the Notes are Global Notes, the Fundamental Change Repurchase Notice must comply with the Applicable Procedures.

Any repurchase by the Company contemplated pursuant to the provisions of this Section 4.01 shall be consummated by the delivery of the consideration to be received by the Holder in accordance with Section 4.01(d).

The Trustee (or other Paying Agent appointed by the Company) shall promptly notify the Company of the receipt by it of any Fundamental Change Repurchase Notice or written notice of withdrawal thereof in accordance with the provisions of subsection (c) of this Section 4.01.

Any certificated Note that is to be repurchased only in part shall be surrendered to the Trustee (with, if the Company or the Trustee so requires, due endorsement by, or a written instrument of transfer in form satisfactory to the Company and the Trustee duly executed by the Holder thereof or his attorney duly authorized in writing), and the Company shall execute, and the Trustee shall authenticate and make available for delivery to the Holder of such certificated Note without service charge, a new certificated Note or new certificated Notes, containing identical terms and conditions, each in an authorized denomination in aggregate principal amount equal to and in exchange for the unrepurchased portion of the principal of the certificated Note so surrendered.

(b) After the occurrence of a Fundamental Change, but on or before the 15th day following such occurrence, the Company shall provide to all Holders and the Trustee and Paying Agent a notice (the “**Fundamental Change Repurchase Right Notice**”) of the occurrence of such Fundamental Change and of the resulting repurchase right, if any, at the option of the Holders arising as a result thereof.

Each Fundamental Change Repurchase Right Notice shall specify:

- (i) the events causing the Fundamental Change;
- (ii) the date of the Fundamental Change;
- (iii) the last date on which a Holder may exercise its repurchase rights under Section 4.01, if applicable;
- (iv) the Fundamental Change Repurchase Price;
- (v) the Fundamental Change Repurchase Date;
- (vi) the name and address of the Paying Agent and the Conversion Agent, if applicable;
- (vii) that the Notes are eligible to be converted, the applicable Conversion Rate and any related adjustments to the applicable Conversion Rate;

- (viii) that the Notes with respect to which a Fundamental Change Repurchase Notice has been delivered by a Holder may be converted only if the Holder withdraws the Fundamental Change Repurchase Notice in accordance with the terms of this Indenture; and
- (ix) the procedures the Holder must follow to require the Company to repurchase its Notes under Section 4.01, if applicable.

No failure of the Company to give the foregoing notices and no defect therein shall limit the Holders' repurchase rights or affect the validity of the proceedings for the repurchase of the Notes pursuant to this Section 4.01.

(c) A Fundamental Change Repurchase Notice may be withdrawn in whole or in part by means of a written notice of withdrawal delivered to the Paying Agent in accordance with the Fundamental Change Repurchase Right Notice at any time prior to the Close of Business on the second scheduled Trading Day prior to the Fundamental Change Repurchase Date (the "**Fundamental Change Expiration Time**"), specifying:

- (i) the principal amount of the withdrawn Notes, which must be \$1,000 or an integral multiple thereof;
- (ii) if certificated Notes have been issued, the certificate numbers of the withdrawn Notes; and
- (iii) the principal amount, if any, of such Note that remains subject to the original Fundamental Change Repurchase Notice, which portion must be in principal amounts of \$1,000 or an integral multiple of \$1,000;

provided, however, that if the Notes are Global Notes, the withdrawal notice must comply with the Applicable Procedures.

(d) On or prior to 11:00 a.m., New York City time, on the Fundamental Change Repurchase Date, the Company shall deposit with the Trustee (or other Paying Agent appointed by the Company or if the Company is acting as its own Paying Agent, set aside, segregate and hold in trust) an amount of money sufficient to repurchase on the Fundamental Change Repurchase Date all of the Notes to be repurchased on such date at the Fundamental Change Repurchase Price. Subject to receipt of funds and/or Notes by the Trustee (or other Paying Agent appointed by the Company), payment for Notes properly surrendered for repurchase (and not withdrawn) prior to the Fundamental Change Expiration Time shall be made promptly after the later of (x) the Fundamental Change Repurchase Date with respect to such Note (provided the Holder has satisfied the conditions to the payment of the Fundamental Change Repurchase Price in this Section 4.01), or (y) the time of book-entry transfer or the delivery of such Note to the Trustee (or other Paying Agent appointed by the Company) by the Holder thereof in the manner required by this Section 4.01 in accordance with the provisions in Section 3.01(c). The Trustee shall, promptly after such payment and upon written demand by the Company, return to the Company any funds in excess of the Fundamental Change Repurchase Price.

(e) Subject to a Holder's right to receive interest on the related Interest Payment Date where the Fundamental Change Repurchase Date, as applicable, falls between a Regular Record Date and the Interest Payment Date to which it relates, if the Trustee (or other Paying Agent appointed by the Company) holds money or securities sufficient to pay the Fundamental Change Repurchase Price on the Fundamental Change Repurchase Date, then (i) such Notes shall cease to be outstanding and interest shall cease to accrue on such Notes, whether or not book-entry transfer of the Notes is made or whether or not the Notes are delivered to the Paying Agent, and (ii) all other rights of the Holders of such Notes shall terminate other than the right to receive the Fundamental Change Repurchase Price and previously accrued and unpaid interest, if any, upon delivery or book-entry transfer of the Notes.

(f) No Notes may be repurchased at the option of Holders on any date if the principal amount of the Notes has been accelerated, and such acceleration has not been rescinded, on or prior to such date (except in the case of an acceleration resulting from a Default by the Company in the payment of the applicable Fundamental Change Repurchase Price with respect to such Notes).

(g) In connection with any repurchase offer upon the occurrence of a Fundamental Change, the Company shall, if required:

- (i) comply with the provisions of the tender offer rules under the Exchange Act that may then be applicable;
- (ii) file a Schedule TO or any successor or similar schedule, if required, under the Exchange Act; and
- (iii) otherwise comply with all federal and state securities laws in connection with any offer by the Company to repurchase the Notes,

in each case, so as to permit the rights and obligations under this Article IV to be exercised in the time and in the manner specified in this Indenture.

(h) Notwithstanding anything to the contrary in this Article IV, the Company will not be required to make an offer to repurchase the Notes upon a Fundamental Change if a third party makes such an offer to repurchase in the manner, at the times and otherwise in compliance with the requirements set forth in this Article IV applicable to an offer to repurchase made by the Company and such third party purchases all Notes properly tendered and not validly withdrawn under such offer.

ARTICLE V CONVERSION OF NOTES

Section 5.01 Right to Convert. Subject to and upon compliance with the procedures for conversion set forth in this Article V, a Holder shall have the right, at such Holder's option, to convert the principal amount of its Notes, or any portion of such principal amount which is \$1,000 or a multiple thereof, into Common Stock at the applicable Conversion Rate, at any time prior to the Close of Business on the second Scheduled Trading Day prior to the Stated Maturity, unless the Notes have been previously repurchased or redeemed by the Company, only upon

satisfaction of the conditions precedent to conversion described in Section 5.02 and subject to the Ownership Limitation set forth in Section 5.03(b). The number of shares of Common Stock issuable and cash payable, if any, upon conversion of a Note shall be determined as set forth in Section 5.03.

Section 5.02 Conversion Procedures. The following procedures shall apply to the conversion of Notes:

(a) In respect of Notes held in certificated form, a Holder must (i) complete and manually sign the conversion notice attached to the Note (the “**Conversion Notice**”); (ii) deliver such Conversion Notice, which is irrevocable, and the Note to the Conversion Agent at the office maintained by the Conversion Agent for such purpose; (iii) to the extent any shares of Common Stock issuable upon conversion are to be issued in a name other than the Holder’s, furnish endorsements and transfer documents as may be required by the Conversion Agent or stock transfer agent; (iv) if required pursuant to Section 5.08 below, pay all transfer or similar taxes; and (v) if required pursuant to Section 5.03(c) below, pay funds equal to interest payable on the next Interest Payment Date.

(b) In respect of a beneficial interest in a Global Note, a Beneficial Owner must comply with DTC’s procedures for converting a beneficial interest in a Global Note and, if required pursuant to Section 5.03(c), pay funds equal to interest payable on the next Interest Payment Date, and if required, taxes or duties, if any.

The date a Holder satisfies the foregoing requirements, as applicable, is the “**Conversion Date**” hereunder.

No Conversion Notice with respect to any Notes may be tendered by a Holder thereof if such Holder has also tendered a Fundamental Change Repurchase Notice and not validly withdrawn such Fundamental Change Repurchase Notice in accordance with the applicable provisions of Section 4.01. A Holder’s right to convert its Notes that are subject to such Fundamental Change Repurchase Notice will terminate at the Close of Business on the second Scheduled Trading Day immediately preceding the relevant Fundamental Change Repurchase Date.

Upon surrender of a certificated Note that is converted in part, the Company shall execute, and the Trustee or the Authenticating Agent shall authenticate and deliver to the Holder, a new certificated Note in an authorized denomination equal in principal amount to the unconverted portion of the Note surrendered.

Upon the conversion of a beneficial interest in Global Notes, the Conversion Agent shall make a notation in its records as to the reduction in the principal amount represented thereby.

Each conversion shall be deemed to have been effected as to any such Notes (or portion thereof) surrendered for conversion at the Close of Business on the applicable Conversion Date, and the Person in whose name any shares of Common Stock shall be issuable upon conversion will become a stockholder of record as of the Close of Business on the Conversion Date.

Section 5.03 Settlement Upon Conversion.

(a) **Settlement.** Subject to this Section 5.03, (i) upon any conversion of any Note, the Company shall deliver a number of shares of Common Stock equal to (A) (x) the aggregate principal amount of Notes to be converted, divided by (y) \$1,000, multiplied by (B) the applicable Conversion Rate in effect on the related Conversion Date; and (ii) subject to Section 5.04, such delivery will be made either (A) on or prior to the second Trading Day immediately following such Conversion Date; or (B) if such Conversion Date occurs on or after the Regular Record Date corresponding to the final Interest Payment Date (i.e., March 15, 2023), on the Stated Maturity (or, if the Stated Maturity is not a Business Day, the next following Business Day).

(b) **Limitation on Shares of Common Stock Deliverable Upon Conversion.** Notwithstanding anything to the contrary in the Indenture or the Notes, no Holder will be entitled to receive shares of the Common Stock upon conversion of Notes to the extent (but only to the extent) that such delivery would result in a violation of the Ownership Limitation. Any purported delivery of shares of Common Stock upon conversion of Notes will be void and have no effect to the extent (but only to the extent) that such delivery would result in violation of the Ownership Limitation.

(c) **Payment of Interest Upon Conversion.**

- (i) Upon conversion, Holders shall not receive any separate cash payment or shares of Common Stock for accrued and unpaid interest, except as provided in Section 5.03(c)(ii). Upon conversion, the Company's delivery of shares of Common Stock and cash, if any, will be deemed to satisfy and discharge in full the Company's obligation to pay the principal of, and accrued and unpaid interest, if any, on, such Note to, but excluding, the Conversion Date rather than cause such obligation to be cancelled, extinguished or forfeited.
- (ii) Notwithstanding Section 5.03(c)(i), if the Conversion Date for any Note to be converted occurs after the Regular Record Date, Holders of record of such Note at the Close of Business on such Regular Record Date will receive, on or before the corresponding Interest Payment Date, interest payable on such Note on such Interest Payment Date notwithstanding the conversion. Notes surrendered for conversion with a Conversion Date occurring after any Regular Record Date and on or before the immediately following Interest Payment Date must be accompanied by funds equal to the amount of interest payable on such Interest Payment Date for the Notes so converted; provided, however, that no such payment need be made:
 - (A) if the Company has specified a Redemption Date that is after such Regular Record Date for the payment of interest and on or prior to the Business Day immediately following such Interest Payment Date;

- (B) if the Company has specified a Fundamental Change Repurchase Date that is after such Regular Record Date and on or prior to the Business Day immediately following such Interest Payment Date;
- (C) to the extent of any overdue interest, if any overdue interest exists at the time of conversion with respect to such Notes; or
- (D) in respect of any conversions with a Conversion Date that occurs after the Regular Record Date immediately preceding the Stated Maturity.

Therefore, for the avoidance of doubt, all Holders on the Regular Record Date immediately preceding the Stated Maturity will receive the full interest payment due on the Stated Maturity regardless of whether their Notes have been converted following such Regular Record Date.

(d) Cash Payments in Lieu of Fractional Shares. The Company shall not issue fractional shares of Common Stock upon conversion of the Notes. If multiple Notes shall be surrendered for conversion at one time by the same Holder, the number of full shares of Common Stock which shall be issuable upon conversion (and the number of fractional shares of Common Stock, if any, for which cash shall be delivered) shall, subject to the Applicable Procedures, be computed on the basis of the aggregate principal amount of the Notes (or specified portions thereof to the extent permitted hereby) so surrendered. If any fractional share of Common Stock would be issuable upon the conversion of any Notes, the Company shall pay an amount in cash for the current market value of the fractional shares. The current market value of a fractional share of Common Stock shall be determined (calculated to the nearest 1/10,000th of a share) by the Last Reported Sale Price of Common Stock on the Conversion Date (or, if the Conversion Date is not a Trading Day, the next following Trading Day).

(e) Conversion of Multiple Notes by a Single Holder. If a Holder surrenders more than one Note for conversion on a single Conversion Date, the Company will, subject to the Applicable Procedures, calculate the amount of cash and the number of shares of Common Stock due with respect to such Notes as if such Holder had surrendered for conversion one Note having an aggregate principal amount equal to the sum of the principal amounts of each of the Notes surrendered for conversion by such Holder on such Conversion Date.

(f) Notices. Whenever a Conversion Date occurs with respect to a Note, the Conversion Agent will, as promptly as possible, and in no event later than the Business Day immediately following such Conversion Date, deliver to the Company and the Trustee, if it is not then the Conversion Agent, notice that a Conversion Date has occurred, which notice will state such Conversion Date, the principal amount of Notes converted on such Conversion Date and the names of the Holders that converted Notes on such Conversion Date.

Section 5.04 Adjustment of Conversion Rate. The Conversion Rate shall be adjusted as described below, except that the Company will not make any adjustment to the Conversion Rate if Holders participate (other than in the case of a share split or share combination), solely as a result of holding the Notes, and at the same time and upon the same terms as holders of Common Stock participate, in any of the transactions described below without having to convert their

Notes, as if such Holders had held a number of shares of Common Stock equal to the applicable Conversion Rate in effect immediately prior to the adjustment thereof in respect of such transaction, multiplied by the principal amount (expressed in thousands) of Notes held by such Holders.

(a) If the Company exclusively issues shares of Common Stock as a dividend or distribution on all or substantially all shares of the Common Stock, or the Company effects a share split or share combination (in each case, excluding a distribution solely pursuant to a Common Stock Change Event, as to which Section 5.05 will apply), the Conversion Rate will be adjusted based on the following formula:

$$CR_1 = CR_0 \times \frac{OS_1}{OS_0}$$

where,

- CR₀ = the Conversion Rate in effect immediately prior to the Close of Business on the Record Date for such dividend or distribution, or immediately prior to the Open of Business on the effective date of such share split or combination, as the case may be;
- CR₁ = the Conversion Rate in effect immediately after the Close of Business on such Record Date or immediately after the Open of Business on such effective date, as the case may be;
- OS₀ = the number of shares of Common Stock outstanding immediately prior to the Close of Business on such Record Date or immediately prior to the Open of Business on such effective date, as the case may be; and
- OS₁ = the number of the shares of Common Stock that will be outstanding immediately after giving effect to such dividend or distribution or such share split or combination, as the case may be.

Any adjustment made to the Conversion Rate under this Section 5.04(a) shall become effective immediately after the Close of Business on the Record Date for such dividend or distribution or immediately after the Open of Business on the effective date of such share split or combination, as the case may be. If any dividend or distribution of the type described in this Section 5.04(a) is declared but is not so paid or made, the Conversion Rate shall be immediately readjusted, effective as of the date the Board of Directors determines not to pay such dividend or distribution, to the Conversion Rate that would then be in effect if such dividend or distribution had not been declared. For the avoidance of doubt, if the application of the foregoing formula would result in a decrease in the Conversion Rate, no adjustment to the Conversion Rate will be made (other than (i) as a result of a share combination or (ii) with respect to the Company's right to readjust the Conversion Rate).

(b) If the Company distributes to all or substantially all holders of the Common Stock any rights, options or warrants entitling them for a period of not more than 45 days after the

Record Date for such distribution to subscribe for or purchase shares of Common Stock, at a price per share less than the average of the Last Reported Sale Prices of the Common Stock over the ten consecutive Trading Day period ending on, and including, the Trading Day immediately preceding the date of announcement of such distribution (other than rights issued or otherwise distributed pursuant to a preferred stock rights plan, as to which Section 5.04(c) and Section 5.04(g) will apply), the Conversion Rate will be increased based on the following formula:

$$CR_1 = CR_0 \times \frac{OS_0 + X}{OS_0 + Y}$$

where

- CR₀ = the Conversion Rate in effect immediately prior to the Close of Business on the Record Date for such distribution;
- CR₁ = the Conversion Rate in effect immediately after the Close of Business on such Record Date;
- OS₀ = the number of shares of Common Stock outstanding immediately prior to the Close of Business on such Record Date;
- X = the total number of shares of Common Stock issuable pursuant to such rights, options or warrants; and
- Y = the number of shares of Common Stock equal to the aggregate price payable to exercise such rights, options or warrants divided by the average of the Last Reported Sale Prices of the Common Stock over the ten consecutive Trading Day period ending on, and including, the Trading Day immediately preceding the date of announcement of such distribution.

Any increase in the Conversion Rate made pursuant to this Section 5.04(b) shall be made successively whenever any such rights, options or warrants are distributed and shall become effective immediately after the Close of Business on the Record Date for such issuance. To the extent that shares of Common Stock are not delivered after the expiration of such rights, options or warrants, the Conversion Rate shall be immediately decreased to the Conversion Rate that would then be in effect had the increase with respect to the issuance of such rights, options or warrants been made on the basis of delivery of only the number of shares of Common Stock actually delivered. If such rights, options or warrants are not so issued, the Conversion Rate shall be immediately decreased to the Conversion Rate that would then be in effect if the Record Date for such issuance had not occurred. For the avoidance of doubt, if the application of the foregoing formula would result in a decrease in the Conversion Rate, no adjustment to the Conversion Rate will be made (other than with respect to the Company's right to readjust the Conversion Rate).

For purposes of this clause (b), in determining whether any rights, options or warrants entitle the holders of shares of Common Stock to subscribe for or purchase shares of Common Stock at less than such average of the Last Reported Sale Prices of Common Stock for the ten consecutive

Trading Day period ending on, and including, the Trading Day immediately preceding the date of announcement of such distribution, and in determining the aggregate offering price of such shares of Common Stock, there shall be taken into account any consideration received by the Company for such rights, options or warrants and any amount payable upon exercise or conversion thereof, the value of such consideration, if other than cash, to be determined by the Board of Directors.

(c) If the Company distributes shares of Capital Stock, evidences of its indebtedness or other assets or property of the Company or rights, options or warrants to acquire Capital Stock of the Company or other securities to all or substantially all holders of Common Stock, excluding:

- (i) dividends, distributions, rights, options or warrants as to which an adjustment was effected pursuant to Section 5.04(a) or (b) above;
- (ii) rights issued or otherwise distributed pursuant to a preferred stock rights plan, except to the extent provided in Section 5.04(g);
- (iii) dividends or distributions paid exclusively in cash and as to which an adjustment was effected (or would be effected without regard to the Dividend Threshold Amount) pursuant to Section 5.04(d) below;
- (iv) a distribution solely pursuant to a Common Stock Change Event, as to which Section 5.05 will apply; and
- (v) Spin-Offs as to which the provisions set forth below in this Section 5.04(c) shall apply;

then the Conversion Rate will be increased based on the following formula:

$$CR_1 = CR_0 \times \frac{SP_0}{SP_0 - FMV}$$

where,

- CR₀ = the Conversion Rate in effect immediately prior to the Close of Business on the Record Date for such distribution;
- CR₁ = the Conversion Rate in effect immediately after the Close of Business on such Record Date;
- SP₀ = the average of the Last Reported Sale Prices of Common Stock for the ten consecutive Trading Day period ending on, and including, the Trading Day immediately preceding the Ex-Dividend Date for such distribution; and
- FMV = the Fair Market Value, as determined by the Board of Directors, of the shares of Capital Stock, evidences of indebtedness, assets or property of the Company or rights, options or warrants to acquire Capital Stock of the Company or other

securities to be distributed with respect to each outstanding share of Common Stock on the Ex-Dividend Date for such distribution.

Any increase in the Conversion Rate made under the portion of this clause (3) above will become effective immediately after the Close of Business on the Record Date for such distribution. If such distribution is not so paid or made, the Conversion Rate shall be immediately decreased to be the Conversion Rate that would then be in effect if such dividend or distribution had not been declared. For the avoidance of doubt, if the application of the foregoing formula would result in a decrease in the Conversion Rate, no adjustment to the Conversion Rate will be made (other than with respect to the Company's right to readjust the Conversion Rate). Notwithstanding the foregoing, if "FMV" (as defined above) is equal to or greater than "SP₀" (as defined above), then, in lieu of the foregoing increase, each Holder shall receive upon conversion, in respect of each \$1,000 principal amount of Notes held by such Holder, the amount and kind of the Company's Capital Stock, evidences of the Company's indebtedness or other assets or property of the Company or rights, options or warrants to acquire Capital Stock of the Company or other securities that such Holder would have received if such Holder owned a number of shares of Common Stock equal to the Conversion Rate in effect immediately prior to the Close of Business on the Record Date for the distribution.

With respect to an adjustment made in the Conversion Rate pursuant to this Section 5.04(c) where there has been a payment of a dividend or other distribution on the Common Stock in shares of Capital Stock of any class or series, or similar equity interest, of or relating to a Subsidiary or other business unit of the Company, where such Capital Stock or similar equity interest is listed or quoted on a U.S. national securities exchange (or will be so listed or quoted when issued) (the foregoing being referred to as a "**Spin-Off**"), the Conversion Rate will be increased based on the following formula:

$$CR_1 = CR_0 \times \frac{FMV_0 + MP_0}{MP_0}$$

where,

CR₀ = the Conversion Rate in effect immediately prior to the Close of Business on the Record Date of such Spin-Off;

CR₁ = the Conversion Rate in effect immediately after the Close of Business on such Record Date;

FMV₀ = the average of the Last Reported Sale Prices of the Capital Stock or similar equity interest distributed to holders of Common Stock applicable to one share of Common Stock (determined by reference to the definition of Last Reported Sale Price set forth above as if references therein to Common Stock were to such Capital Stock or similar equity interest) over the first ten consecutive Trading Day period beginning on, and including, the Ex-Dividend Date of the Spin-Off (the "**Valuation Period**"); and

MP_0 = the average of the Last Reported Sale Prices of the Common Stock over the Valuation Period.

Any increase in the Conversion Rate made under the preceding paragraph shall be determined as of the Close of Business on the last Trading Day of the Valuation Period but will be given effect immediately after the Close of Business on the Record Date for the Spin-Off; provided, however, that in respect of any conversion with a Conversion Date that occurs during the Valuation Period, the Company will, if necessary, delay the settlement of such conversion until the second Trading Day immediately after the last Trading Day of the Valuation Period. If any dividend or distribution that constitutes a Spin-Off is declared but not so paid or made, the Conversion Rate shall be immediately decreased, effective as of the date the Board of Directors determines not to pay such dividend or distribution, to the Conversion Rate that would then be in effect if such dividend or distribution had not been declared or announced. For the avoidance of doubt, if the application of the foregoing formula would result in a decrease in the Conversion Rate, no adjustment to the Conversion Rate will be made (other than with respect to the Company's right to readjust the Conversion Rate).

(d) If the Company pays any cash dividends or distributions to all or substantially all holders of Common Stock (other than a regularly scheduled cash dividend that does not exceed the Dividend Threshold Amount per share of the Company's Common Stock), the Conversion Rate will be increased based on the following formula:

$$CR_1 = CR_0 \times \frac{SP_0 - T}{SP_0 - C}$$

where,

CR_0 = the Conversion Rate in effect immediately prior to the Close of Business on the Record Date for such dividend or distribution;

CR_1 = the Conversion Rate in effect immediately after the Close of Business on such Record Date;

SP_0 = the Daily VWAP of a share of our Common Stock on the Trading Day immediately preceding the Ex-Dividend Date for such dividend or distribution;

T = the dividend threshold amount, which shall initially be \$0.30 per share per fiscal quarter, adjusted as described below to take into account events that cause adjustments to the Conversion Rate and as further adjusted to account for any change in the frequency of payment by the Company of its regular cash dividend; provided that the dividend threshold amount shall be deemed to be zero if such dividend or distribution is not a regularly scheduled dividend by the Company (the "**Dividend Threshold Amount**"); and

C = the amount in cash per share the Company distributes to holders of Common Stock.

Any increase in the Conversion Rate made under this clause (d) shall become effective immediately after the Close of Business on the Record Date for such dividend or distribution. If

such dividend or distribution is not so paid or made, the Conversion Rate shall be immediately decreased, effective as of the date the Board of Directors determines not to make or pay such dividend or distribution, to be the Conversion Rate that would then be in effect if such dividend or distribution had not been declared. For the avoidance of doubt, if the application of the foregoing formula would result in a decrease in the Conversion Rate, no adjustment to the Conversion Rate will be made (other than with respect to the Company's right to readjust the Conversion Rate).

Whenever the Conversion Rate is adjusted pursuant to the provisions described in clauses (a), (b), (c) or (e) of this Section 5.04, the Dividend Threshold Amount shall be adjusted by multiplying it by a fraction, the numerator of which is the Conversion Rate prior to adjustment and the denominator of which is the Conversion Rate following such adjustment.

Notwithstanding the foregoing, if "C" (as defined above) is equal to or greater than "SP₀" (as defined above), then, in lieu of the foregoing increase, each Holder shall receive upon conversion, for each \$1,000 principal amount of Notes held by such Holder, the amount of cash that such Holder would have received if such Holder owned a number of shares of Common Stock equal to the Conversion Rate in effect on the Record Date for such dividend or distribution.

(e) If the Company or any Subsidiary of the Company makes a payment in respect of a tender offer or exchange offer for Common Stock, to the extent that the cash and value of any other consideration included in the payment per share of Common Stock exceeds the Last Reported Sale Price of the Company's Common Stock on the Trading Day next succeeding the last date (the "**Expiration Date**") on which tenders or exchanges may be made pursuant to such tender or exchange offer, the Conversion Rate will be increased based on the following formula:

$$CR_1 = CR_0 \times \frac{AC + (SP_1 \times OS_1)}{OS_0 \times SP_1}$$

where,

CR₀ = the Conversion Rate in effect immediately prior to the Close of Business on the Expiration Date;

CR₁ = the Conversion Rate in effect immediately after the Close of Business on the Expiration Date;

AC = the aggregate value of all cash and any other consideration (as determined by the Board of Directors) paid or payable for shares purchased in such tender or exchange offer;

OS₀ = the number of shares of Common Stock outstanding immediately prior to the time such tender or exchange offer expires (before giving effect to such tender offer or exchange offer);

OS₁ = the number of shares of Common Stock outstanding immediately after the time such tender or exchange offer expires (after giving effect to such tender or exchange offer); and

SP₁ = the average of the Last Reported Sale Prices of Common Stock over the ten consecutive Trading Day period (the “**Tender/Exchange Offer Valuation Period**”) commencing on, and including, the Trading Day next succeeding the Expiration Date.

Any increase in the Conversion Rate made pursuant to this Section 5.04(e) shall be determined as of the Close of Business on the last Trading Day of the Tender/Exchange Offer Valuation Period but will be given effect immediately after the Close of Business on the Expiration Date; provided, however, that in respect of any conversion where the Conversion Date occurs during the Tender/Exchange Offer Valuation Period, the Company will, if necessary, delay the settlement of such conversion until the second Trading Day immediately after the last Trading Day of the Tender/Exchange Offer Valuation Period.

To the extent such tender or exchange offer is announced but not consummated (including as a result of being precluded from consummating such tender or exchange offer under applicable law), or any purchases or exchanges of shares of Common Stock in such tender or exchange offer are rescinded, the Conversion Rate will be readjusted to the Conversion Rate that would then be in effect had the adjustment been made on the basis of only the purchases or exchanges of shares of Common Stock, if any, actually made, and not rescinded, in such tender or exchange offer.

For the avoidance of doubt, if the application of the foregoing formula would result in a decrease in the Conversion Rate, no adjustment to the Conversion Rate will be made (other than with respect to the Company’s right to readjust the Conversion Rate).

(f) Notwithstanding anything to the contrary in the Indenture or the Notes, if:

- (i) a Conversion Rate adjustment for any dividend or distribution becomes effective on any Record Date pursuant to pursuant to clause (a), (b), (c), (d) or (e) of Section 5.04;
- (ii) a Note is to be converted;
- (iii) the Conversion Date for such conversion occurs on such Record Date;
- (iv) the consideration due upon such conversion includes any whole shares of Common Stock based on a Conversion Rate that is adjusted for such dividend or distribution; and
- (v) such shares would be entitled to participate in such dividend or distribution,

then (x) such Conversion Rate adjustment will not be given effect for such conversion; and (y) the shares of Common Stock, if any, issuable upon such conversion based on such unadjusted Conversion Rate will be entitled to participate in such dividend or distribution.

(g) To the extent that the Company has a stockholder rights plan in effect upon conversion of the Notes into Common Stock, Holders will receive, in addition to any Common Stock, the rights under the stockholder rights plan, unless prior to any conversion, the rights have separated from the Common Stock, in which case, and only in such case, the Conversion Rate will be adjusted at the time of separation as if the Company distributed to all holders its Common stock, shares of its Capital Stock, evidences of indebtedness or assets as described in clause Section 5.04(c) above, subject to re-adjustment in the event of the expiration, termination or redemption of such rights. For the avoidance of doubt, the issuance or adoption of any such rights will not result in an adjustment to the Conversion Rate unless and until such rights have separated from the Common Stock, in which case an adjustment to the Conversion Rate will be made pursuant to Section 5.04(c) as provided in the immediately preceding sentence.

(h) Except as provided herein, the Company will not adjust the Conversion Rate for the issuance of shares of Common Stock or any securities convertible into or exchangeable for shares of Common Stock or the right to purchase shares of Common Stock or such convertible or exchangeable securities. Except as provided in Sections 5.04(a) through (e), (g), (i) and (j), the Company shall not adjust the Conversion Rate. Without limiting the foregoing, the Conversion Rate will not be adjusted:

- (i) upon the issuance of any shares of Common Stock pursuant to any present or future plan providing for the reinvestment of dividends or interest payable on securities of the Company and the investment of additional optional amounts in shares of Common Stock under any plan;
- (ii) upon the issuance of any shares of Common Stock or options or rights to purchase those shares pursuant to any present or future employee, director or consultant benefit plan or program of or assumed by the Company or any of its Subsidiaries;
- (iii) upon the issuance of any shares of Common Stock pursuant to any option, warrant, right or exercisable, exchangeable or convertible security not described in the preceding clause (ii) and outstanding as of the date the Notes were first issued;
- (iv) upon the issuance of any shares of Common Stock for cash or as consideration in a merger, purchase or similar transaction;
- (v) for a change in the par value of Common Stock;
- (vi) upon any repurchase of shares of Common Stock in the open market or in privately negotiated transactions by the Company (including by way of accelerated share repurchase or other derivatives), in each case other than in transactions described under clause Section 5.04(e) above; or

(vii) for accrued and unpaid interest.

(i) In addition to those adjustments required by Sections 5.04(a) through (e) above, and to the extent permitted by law and subject to the listing standards of The New York Stock Exchange, the Company may from time to time increase the Conversion Rate by any amount for a period of at least 20 days, if the Board of Directors determines (which determination shall be conclusive) that such increase would be in the Company's best interest. Whenever the Conversion Rate is increased pursuant to the preceding sentence, the Company shall deliver to Holders a notice of the increased Conversion Rate and the period during which it will be in effect at least 15 days prior to the date the increased Conversion Rate takes effect, in accordance with applicable law. In addition, subject to the listing standards of The New York Stock Exchange, the Company may also, but is not required to, increase the Conversion Rate to avoid or diminish income tax to holders of Common Stock or rights to purchase shares of Common Stock in connection with any dividend or distribution of shares of Common Stock or rights to acquire shares of Common Stock or similar event.

(j) Adjustments to the applicable Conversion Rate shall be calculated to the nearest one ten-thousandth (1/10,000th) of a share.

(k) Whenever the Conversion Rate is adjusted as herein provided, the Company shall promptly file with the Trustee (and the Conversion Agent if not the Trustee) an Officer's Certificate setting forth the Conversion Rate after such adjustment and setting forth a brief statement of the facts requiring such adjustment. Unless and until a Responsible Officer of the Trustee shall have received such Officer's Certificate, the Trustee shall not be deemed to have knowledge of any adjustment of the Conversion Rate and may assume without inquiry that the last Conversion Rate of which it has knowledge is still in effect. Promptly after delivery of such certificate, the Company shall prepare a notice of such adjustment of the Conversion Rate setting forth the adjusted Conversion Rate and the date on which each adjustment becomes effective and shall deliver such notice of such adjustment of the Conversion Rate to each Holder. Failure to deliver such notice shall not affect the legality or validity of any such adjustment.

Section 5.05 Recapitalizations, Reclassifications and Changes of Shares of Common Stock. In the event of:

- (a) any recapitalization, reclassification or change of the Common Stock (other than changes resulting from a share split or combination);
- (b) a consolidation, merger or combination involving the Company;
- (c) a sale or conveyance to another person of all or substantially all of the Company's property and assets; or
- (d) any statutory share exchange,

in each case as a result of which the Common Stock would be converted into, or exchanged for, cash, securities or other property or assets (including cash or any combination thereof) (such an event, a "**Common Stock Change Event**," and such cash, securities or other property, the "**Reference Property**," and the amount and kind of Reference Property that a holder of one

share of Common Stock would be entitled to receive on account of such Common Stock Change Event (without giving effect to any arrangement not to issue or deliver a fractional portion of any security or other property), a “**Reference Property Unit**”), then, at and after the effective time of such Common Stock Change Event: (i) the consideration due upon conversion of any Note, and the conditions to any such conversion, will be determined in the same manner as if each reference to any number of shares of Common Stock in Article V (or in any related definitions) were instead a reference to the same number of Reference Property Units; (ii) for purposes of the definition of “Ex-Dividend Date” and “Record Date,” the term “Common Stock” will be deemed to refer to any class of securities forming part of such Reference Property; (iii) for purposes of the definition of “Fundamental Change,” the terms “Common Stock” and “Common Equity” will be deemed to mean the Common Equity (including depositary receipts representing common equity), if any, forming part of such Reference Property; and (iv) for these purposes, the Last Reported Sale Price of any Reference Property Unit or portion thereof that does not consist of a class of securities will be the fair value of such Reference Property Unit or portion thereof, as applicable, determined in good faith by the Company (or, in the case of cash denominated in U.S. Dollars, the face amount thereof).

For purposes of the foregoing, if the Reference Property of a Common Stock Change Event consists of more than a single type of consideration (determined based in part upon any form of stockholder election), then the composition of the Reference Property Unit will be determined based on the weighted average of the types and amount of consideration actually received by such holders. If such Common Stock Change Event also constitutes a Fundamental Change, a Holder may require the Company to repurchase all or a portion of its Notes to the extent provided in [Section 4.01](#). The Company shall notify Holders and the Trustee of the composition of the Reference Property Unit as soon as practicable after such determination is made.

The Company shall not become a party to any Common Stock Change Event unless its terms are consistent with this [Section 5.05](#). The above provisions of this Section shall similarly apply to successive Common Stock Change Events.

On or before the effective date of each Common Stock Change Event, the Company shall execute with the Trustee a supplemental indenture permitted under Article X giving effect to the provisions of [Section 5.05](#) with respect to such Common Stock Change Event.

Section 5.06 Adjustments of Prices. Whenever any provision of this Indenture requires the Company to calculate Last Reported Sale Prices over a span of multiple days, the Company will make appropriate adjustments to account for any adjustment to the Conversion Rate that becomes effective, or any event requiring an adjustment to the Conversion Rate where the Ex-Dividend Date, Record Date, effective date or Expiration Date, as applicable, of the event occurs, at any time during the period during which such prices are to be calculated.

Section 5.07 Reserved.

Section 5.08 Taxes on Shares Issued. Any issue of shares of Common Stock upon conversions of Notes shall be made without charge to the converting Holder for any documentary, transfer, stamp or any similar tax in respect of the issue thereof, and the Company shall pay any and all documentary, stamp or similar issue or transfer taxes that may be payable in

respect of the issue or delivery of shares of Common Stock upon conversion of Notes pursuant hereto. The Company shall not, however, be required to pay any such tax which may be payable in respect of any transfer involved in the issue and delivery of shares of Common Stock in any name other than that of the Holder of any Notes converted, and the Company shall not be required to issue or deliver any such shares of Common Stock unless and until the Person or Persons requesting the issue thereof shall have paid to the Company the amount of such tax or shall have established to the satisfaction of the Company that such tax has been paid.

Section 5.09 Reservation of Shares; Shares to be Fully Paid; Compliance with Governmental Requirements. The Company shall provide, free from preemptive rights, out of its authorized but unissued shares of Common Stock or shares of Common Stock held in treasury, sufficient Common Stock to provide for the conversion of the Notes from time to time as such Notes are presented for conversion.

The Company covenants that all shares of Common Stock that may be issued upon conversion of Notes shall be newly issued shares or treasury shares, shall be duly authorized, validly issued, fully paid and non-assessable and shall be free from preemptive rights and free from any lien or adverse claim.

Section 5.10 Responsibility of Trustee. Neither the Conversion Agent nor the Trustee has any duty to determine when an adjustment under this Article V should be made, how it should be made or what it should be. The Trustee and any other Conversion Agent shall not at any time be under any duty or responsibility to any Holder to determine the Conversion Rate or whether any facts exist which may require any adjustment of the Conversion Rate, or with respect to the nature or extent or calculation of any such adjustment when made, or with respect to the method employed, or herein or in any supplemental indenture provided to be employed, in making the same. The Trustee and any other Conversion Agent shall not be accountable with respect to the validity or value (or the kind or amount) of any Common Stock, or of any securities or property, which may at any time be issued or delivered upon the conversion of any Notes; and the Trustee and any other Conversion Agent make no representations with respect thereto. Neither the Trustee nor any Conversion Agent shall be responsible for any failure of the Company to issue, transfer or deliver any shares of Common Stock or stock certificates or other securities or property or cash upon the surrender of any Note for the purpose of conversion or to comply with any of the duties, responsibilities or covenants of the Company contained in this Article V. Without limiting the generality of the foregoing, neither the Trustee nor any Conversion Agent shall be under any responsibility to determine whether a supplemental indenture needs to be entered into or the correctness of any provisions contained in any supplemental indenture entered into and may accept as conclusive evidence of the correctness of any such provisions, and shall be protected in relying upon, the Officer's Certificate (which the Company shall be obligated to file with the Trustee prior to the execution of any such supplemental indenture) with respect thereto. For the avoidance of doubt, neither the Trustee nor the Conversion Agent shall be responsible for making any calculations under this Article V nor for monitoring the price of the Common Stock.

Section 5.11 Company Determination Final. Any determination that the Company or its Board of Directors must make pursuant to this Article V shall be conclusive if made in good faith, absent manifest error.

ARTICLE VI REDEMPTION; NO SINKING FUND

Subject to Section 1.02, the provisions of Article XI of the Base Indenture, as supplemented by the provisions of this First Supplemental Indenture, shall apply to the Notes.

Section 6.01 Right of the Company to Redeem the Notes. Notwithstanding anything to the contrary in Article XI of the Base Indenture, the Company may not redeem the Notes at its option prior to the Stated Maturity, except to the extent, and only to the extent, necessary to preserve the Company's status as a real estate investment trust for U.S. federal income tax purposes. If the Company determines that redeeming the Notes is necessary to preserve such status, then the Company may redeem, on a Business Day (the "Redemption Date") of the Company's choosing that is no more than 60, nor less than 30, calendar days after the date the related redemption notice is sent pursuant to Section 6.02, all or part (in a principal amount that is an integral multiple of \$1,000) of the Notes at a cash price (the "Redemption Price") equal to the principal amount of the Notes to be redeemed, plus accrued and unpaid interest, if any, to, but excluding, the Redemption Date; provided, however, that if the Redemption Date for a Note is after a Regular Record Date for the payment of interest and on or prior to the corresponding Interest Payment Date, then (x) the Company will pay, on or before such Interest Payment Date, the full amount of accrued and unpaid interest payable on such Note on such Interest Payment Date to the Holder of such note at the Close of Business on such Regular Record Date; and (y) the Redemption Price will not include such accrued and unpaid interest. Notwithstanding anything to the contrary in this Section 6.01, no Notes may be redeemed on any date if the principal amount of the Notes has been accelerated, and such acceleration has not been rescinded, on or prior to such date (except in the case of an acceleration resulting from a default by the Company in the payment of the applicable Redemption Price with respect to such Notes).

Section 6.02 Notice of Redemption. Section 1102 and the last sentence of Section 1104 of the Base Indenture will not apply to the Notes. The Company will send to each applicable Holder notice of any redemption pursuant to Section 6.01 containing (i) the information set forth in clauses (1) through (6), inclusive, and (9) through (11), inclusive, of Section 1104 of the Base Indenture; and (ii) the following additional information: (w) that on the Redemption Date, the Redemption Price will become due and payable upon each Note to be redeemed, and that interest thereon, if any, will cease to accrue on and after the Redemption Date (except as provided in Section 6.01 with respect to a Redemption Date that is after a Regular Record Date for the payment of interest and on or prior to the corresponding Interest Payment Date); (x) that the right of any Holder of such Note to convert such Note will expire at the Close of Business on the Business Day immediately before the Redemption Date; (y) a brief summary of the procedures a Holder must follow to convert such Note; and (z) the current Conversion Rate. Each notice of redemption, once sent, will be irrevocable, subject to the right of Holders to convert any Notes called for redemption.

Section 6.03 Partial Redemptions. If only a portion of a Note is subject to redemption pursuant to Section 6.01 and such Note is converted in part, then the converted portion of such Note will be deemed to be from the portion of such Note that was subject to redemption.

Section 6.04 No Sinking Fund. Article XII of the Base Indenture shall not apply to the Notes.

ARTICLE VII REMEDIES

Section 7.01 Events of Default.

- (a) The provisions of this Article VII shall, with respect to the Notes, supersede in its entirety Article V of the Base Indenture.
- (b) “**Event of Default**,” wherever used herein, means any one of the following events:
 - (i) default in the payment of any interest on any Note when it becomes due and payable and such default continues for a period of 30 days;
 - (ii) default in the payment of the principal of any Note when due and payable at its Stated Maturity, upon redemption or required repurchase, upon declaration of acceleration or otherwise;
 - (iii) default in the Company’s obligation to deliver the consideration required to be delivered upon conversion of the Notes, and such default continues for five Business Days;
 - (iv) failure by the Company to comply with its obligations under Article VIII; or
 - (v) failure by the Company to issue a Fundamental Change Repurchase Right Notice in accordance with Section 4.01;
 - (vi) failure by the Company for 60 days after written notice from the Trustee or the Holders of at least 25% principal amount of the Notes then outstanding has been received by the Company to comply with any of its other agreements contained in the Notes or this Indenture;
 - (vii) default by the Company or any of its Subsidiaries with respect to any mortgage, agreement or other instrument under which there may be outstanding, or by which there may be secured or evidenced, any debt for money borrowed (other than non-recourse debt of a Subsidiary of the Company) in excess of \$50,000,000 in the aggregate of the Company and/or such Subsidiary, whether such debt now exists or shall hereafter be created, which default results (i) in such debt becoming or being declared due and payable, and such debt has not been discharged in full or such declaration rescinded or annulled within 60 days or (ii) from a failure to pay the principal of any such debt when due and payable at its Stated Maturity, upon required repurchase, upon declaration of acceleration or otherwise, and such defaulted payment shall not have been made, waived or extended within 60 days;

- (viii) a final judgment for the payment of \$50,000,000 or more (excluding any amounts covered by insurance) rendered against the Company or any of its Subsidiaries, which judgment is not discharged, stayed, vacated, paid or otherwise satisfied within 60 days after (i) the date on which the right to appeal thereof has expired if no such appeal has commenced, or (ii) the date on which all rights to appeal have been extinguished;
- (ix) the Company or any of its Significant Subsidiaries shall commence a voluntary case or other proceeding seeking liquidation, reorganization or other relief with respect to itself or its debts under any bankruptcy, insolvency or other similar law now or hereafter in effect or seeking the appointment of a trustee, receiver, liquidator, custodian or other similar official of the Company or any of its Significant Subsidiaries or any substantial part of its respective property, or shall consent to any such relief or to the appointment of or taking possession by any such official in an involuntary case or other proceeding commenced against it, or shall make a general assignment for the benefit of creditors, or shall fail generally to pay its debts as they become due; or
- (x) an involuntary case or other proceeding shall be commenced against the Company or any of its Significant Subsidiaries seeking liquidation, reorganization or other relief with respect to it or its debts under any bankruptcy, insolvency or other similar law now or hereafter in effect or seeking the appointment of a trustee, receiver, liquidator, custodian or other similar official of the Company or any of its Significant Subsidiaries or any substantial part of its respective property, and such involuntary case or other proceeding shall remain undismissed and unstayed for a period of 60 consecutive days.

Section 7.02 Acceleration of Maturity; Rescission and Annulment.

(a) If an Event of Default other than an event arising under Section 7.01(b)(ix) and (x) occurs and is continuing, the Trustee, by notice to the Company, or the Holders of at least 25% in principal amount of the outstanding Notes, by notice to the Company and the Trustee, may declare 100% of the principal of and accrued and unpaid interest on all Notes to be due and payable. Upon such a declaration, such principal and accrued and unpaid interest shall become due and payable immediately. Upon an Event of Default arising out of Sections 7.01(b)(ix) and (x) (except, in either case, with respect to any Significant Subsidiary), the aggregate principal amount and accrued and unpaid interest shall be due and payable immediately without notice from the Trustee or Holders.

Notwithstanding the foregoing, at the election of the Company, the sole remedy with respect to an Event of Default for the failure by the Company to comply with its obligations as set forth in Section 3.03 (any such Event of Default, a “**Reporting Event of Default**”) shall, for the first 365 days after the occurrence of such Reporting Event of Default, consist exclusively of the right to receive additional interest (the “**Additional Interest**”) on the Notes at an annual rate equal to (i) 0.25% per annum of the principal amount of the Notes outstanding for each day during the first

185-day period on which such Reporting Event of Default is continuing beginning on, and including, the date on which such Reporting Event of Default first occurs and (ii) 0.50% per annum of the principal amount of the Notes outstanding for each day during the 180-day period on which such Reporting Event of Default is continuing beginning on, and including, the 181st day on which such Reporting Event of Default is continuing. If the Company so elects, the Additional Interest shall be payable as provided in Section 3.04. On the 366th day after such Reporting Event of Default (if the Reporting Event of Default is not cured or waived prior to such 366th day), the Trustee or the Holders of not less than 25% in principal amount of the outstanding Notes may declare the principal of and accrued and unpaid interest on all such Notes to be due and payable immediately (and, for the avoidance of doubt, Additional Interest will cease to accrue). The provisions described in this Section 7.02 shall not affect the rights of Holders in the event of the occurrence of any other Event of Default. In the event the Company does not elect to pay Additional Interest following a Reporting Event of Default in accordance with this paragraph or the Company elected to make such payment but does not pay such Additional Interest when due, the Notes shall be immediately subject to acceleration as provided above. In no event shall Additional Interest payable pursuant to the foregoing election accrue at a rate per year in excess of the applicable rate specified in this paragraph, regardless of the number of events or circumstances giving rise to requirements to pay such Additional Interest pursuant to this paragraph. With regard to any Reporting Event of Default, no Additional Interest shall accrue after such Reporting Event of Default has been cured.

(b) If the Company elects to pay the Additional Interest as the sole remedy during the first 365 days after the occurrence of a Reporting Event of Default, the Company shall notify in writing the Holders, the Trustee and the Paying Agent of such election prior to the beginning of such 365-day period. Upon the Company's failure to timely give such notice, the Notes will be immediately subject to acceleration as provided in the first paragraph of Section 7.02(a) above.

Section 7.03 Collection of Indebtedness and Suits for Enforcement by Trustee.

The Company covenants that if

- (a) default is made in the payment of any interest on any Note when such interest becomes due and payable and such default continues for a period of 30 days, or
- (b) default is made in the payment of the principal of any Note when due and payable at the Stated Maturity thereof,

the Company will, upon demand of the Trustee, pay to it, for the benefit of the Holders of such Notes, the whole amount then due and payable on such Notes for principal and interest, and, to the extent that payment of such interest shall be legally enforceable, interest on any overdue principal and on any overdue interest, at the rate borne by the Notes, and, in addition thereto, such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

If an Event of Default occurs and is continuing, the Trustee may in its discretion proceed to protect and enforce its rights and the rights of the Holders by such appropriate judicial

proceedings as the Trustee shall deem most effectual to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy.

Section 7.04 Trustee May File Proofs of Claim. In case of any judicial proceeding relative to the Company (or any other obligor upon the Notes), its property or its creditors, the Trustee shall be entitled and empowered, by intervention in such proceeding or otherwise, to take any and all actions authorized under the TIA in order to have claims of the Holders and the Trustee allowed in any such proceeding. In particular, the Trustee shall be authorized to collect and receive any moneys or other property payable or deliverable on any such claims and to distribute the same; and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 606 of the Base Indenture.

No provision of this Indenture shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder thereof or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

Section 7.05 Trustee May Enforce Claims Without Possession of Notes. All rights of action and claims under this Indenture or the Notes may be prosecuted and enforced by the Trustee without the possession of any of the Notes or the production thereof in any proceeding relating thereto, and any such proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall, after provision for the payment of the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, be for the ratable benefit of the Holders of the Notes in respect of which such judgment has been recovered.

Section 7.06 Application of Money Collected. Subject to Article V, any money or property money collected by the Trustee pursuant to this Article shall be applied in the following order, at the date or dates fixed by the Trustee and, in case of the distribution of such money on account of principal or interest, upon presentation of the Notes and the notation thereon of the payment if only partially paid and upon surrender thereof if fully paid:

FIRST: To the payment of all amounts due the Trustee under the Indenture;

SECOND: To the payment of the amounts then due and unpaid for principal of and interest on the Notes in respect of which or for the benefit of which such money has been collected, ratably, without preference or priority of any kind, according to the amounts due and payable on such Notes for principal and interest, respectively; and

THIRD: The balance, if any, to the Company.

Section 7.07 Limitation on Suits. Subject to Section 7.08, no Holder shall have any right to institute any proceeding, judicial or otherwise, with respect to this Indenture, or for the appointment of a receiver or trustee, or for any other remedy hereunder, unless:

- (a) such Holder has previously given written notice to the Trustee of a continuing Event of Default;
- (b) the Holders of at least 25% in principal amount of the outstanding Notes shall have made written request to the Trustee to pursue the remedy;
- (c) such Holders have offered to the Trustee security or indemnity and/or security satisfactory to it against the loss, liability or expense to be incurred in compliance with such request (including attorneys' fees, cost and expenses and court costs);
- (d) the Trustee has not complied with such request for 60 days after its receipt of such notice and offer of security or indemnity; and
- (e) the Holders of a majority in principal amount of the outstanding Notes have not given the Trustee a direction that, in the opinion of the Trustee, inconsistent with such written request within such 60-day period,

it being understood and intended that no one or more Holders shall have any right in any manner whatever by virtue of, or by availing of, any provision of this Indenture to affect, disturb or prejudice the rights of any other Holders, or to obtain or to seek to obtain priority or preference over any other Holders or to enforce any right under this Indenture, except in the manner herein provided and for the equal and ratable benefit of all the Holders.

Section 7.08 Unconditional Right of Holders to Receive Principal and Interest and to Convert. Notwithstanding any other provision in this Indenture, the Holder of any Note shall have the right, which is absolute and unconditional, to receive payment of the principal of and interest on such Note when due and to convert such Note in accordance with Article V and to institute suit for the enforcement of any such payment and right to convert, and such rights shall not be impaired without the consent of such Holder.

Section 7.09 Restoration of Rights and Remedies. If the Trustee or any Holder has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case, subject to any determination in such proceeding, the Company, the Trustee and the Holders shall be restored severally and respectively to their former positions hereunder and thereafter all rights and remedies of the Trustee and the Holders shall continue as though no such proceeding had been instituted.

Section 7.10 Rights and Remedies Cumulative. Except as otherwise provided with respect to the replacement or payment of mutilated, destroyed, lost or stolen Notes in Section 306 of the Base Indenture, no right or remedy herein conferred upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The

assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 7.11 Delay or Omission Not Waiver. No delay or omission of the Trustee or of any Holder of any Note to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article VII or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee (subject to the limitations contained in this Indenture) or by the Holders, as the case may be.

Section 7.12 Control by Holders. The Holders of a majority in principal amount of the outstanding Notes shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee, provided that:

(a) such direction shall not be in conflict with any rule of law or with this Indenture and shall not be unduly prejudicial to the rights of any other Holder or result in personal liability to the Trustee, and

(b) the Trustee may take any other action deemed proper by the Trustee which is not inconsistent with such direction or this Indenture;

and *provided, further* that, if an Event of Default occurs and is continuing, the Trustee shall be under no obligation to exercise any of its rights or powers under this Indenture at the request or direction of any of the Holders unless such Holders have offered to the Trustee indemnity and/or security satisfactory to it against any loss, liability or expense.

Section 7.13 Waiver of Past Defaults and Rescission. The Holders of a majority in principal amount of the outstanding Notes may on behalf of the Holders of all the Notes:

(a) waive any existing Default or Event of Default hereunder and its consequences, except a Default:

(i) in the payment of the principal of or accrued and unpaid interest on any Note that remains uncured, or

(ii) in respect of the failure to deliver amounts due upon conversion of a Note in accordance with Section 5.01 hereunder, and

(b) at any time after a declaration of acceleration has been made and before a judgment or decree for payment of the money due has been obtained by the Trustee as hereinafter in this Article VII provided, rescind and annul any such declaration of acceleration with respect to the Notes and its consequences, if:

(i) such rescission will not conflict with any judgment or decree of a court of competent jurisdiction, and

- (ii) all existing Events of Default (other than nonpayment of the principal of or accrued and unpaid interest on any Note or a failure to deliver amounts due upon conversion of a Note in accordance with Section 5.01 hereunder) have been cured or waived.

Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereon.

Section 7.14 Undertaking for Costs. In any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee for any action taken, suffered or omitted by it as Trustee, a court may require any party litigant in such suit to file an undertaking to pay the costs of such suit, and may assess costs against any such party litigant, in the manner and to the extent provided in the TIA; provided, that neither this Section nor the TIA shall be deemed to authorize any court to require such an undertaking or to make such an assessment in any suit instituted by the Trustee, to any suit by any Holder or group of Holders holding in the aggregate more than 10% in principal amount of the outstanding Notes or in any suit for the enforcement of the right to convert any Note in accordance with Article V or for the enforcement of the payment of the principal of or interest on any Note on or after the maturity of such Note, including the Stated Maturity expressed in such Note.

Section 7.15 Notice of Default. The Company shall deliver to the Trustee, within 30 days after the occurrence of any events that constitute a Default or Event of Default, an Officer's Certificate specifying such Default or Event of Default, the status such events and what action the Company is taking or proposes to take with respect thereof.

Section 7.16 Interest on Overdue Payments. Payments of any Fundamental Change Repurchase Price, Redemption Price, principal and interest that are not made when due will accrue interest per annum at the then-applicable interest rate from the required payment date.

ARTICLE VIII CONSOLIDATION, MERGER, CONVEYANCE, TRANSFER OR LEASE

Section 8.01 Company May Consolidate, Etc., Only on Certain Terms. This Section 8.01 shall, with respect to the Notes, supersede in its entirety Section 801 of the Base Indenture.

The Company shall not consolidate with or merge with or into, or sell, lease or otherwise transfer all or substantially all of the property and assets of the Company and its Subsidiaries, taken as a whole, to another Person, unless:

- (i) the resulting, surviving or transferee Person, if other than the Company, is a Person organized and existing under the laws of the United States of America, any State thereof or the District of Columbia, and such Person, if not the Company, shall expressly assume, by supplemental indenture hereto, executed and delivered to the Trustee, all obligations of the Company under the Notes and this Indenture;

- (ii) immediately after giving effect to such transaction, no Default or Event of Default has occurred and is continuing; and
- (iii) the Company, or the successor Person if other than the Company, has delivered to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that such consolidation, merger, sale, lease or transfer (and, if a supplemental indenture is required in connection with such transaction, such supplemental indenture) comply with this Article VIII and that all conditions precedent herein provided for relating to such transaction have been complied with and that such supplemental indenture is valid and binding against the successor entity.

Section 8.02 Successor Substituted. This Section 8.02 shall, with respect to the Notes, supersede in its entirety Section 802 of the Base Indenture.

Upon any transaction referred to in Section 8.01 in accordance therewith, the successor Person formed by such consolidation or into which the Company is merged or to which such sale, lease or transfer is made shall succeed to, and be substituted for, and may exercise every right and power of, the Company under this Indenture with the same effect as if such successor Person had been named as the Company herein; provided, however, that the predecessor Company will (other than in the case of a lease) be released from all obligations and covenants under this Indenture and the Notes.

ARTICLE IX SATISFACTION AND DISCHARGE

Section 9.01 Satisfaction and Discharge of Indenture.

(a) Subject to this Article IX, the provisions of Article VIII of the Base Indenture, as supplemented by the provisions of this First Supplemental Indenture, shall apply to the Notes.

(b) Sections 401 and 402 of the Base Indenture shall not apply to the Notes. For the avoidance of doubt, Section 403 of the Base Indenture shall apply to the cash and/or shares of Common Stock (or, if applicable, other Reference Property) deposited with the Trustee pursuant to Section 9.01(c) and all money or other assets received by the Trustee in respect of shares of Common Stock (or, if applicable, other Reference Property) deposited with the Trustee pursuant to Section 9.01(c).

(c) When (i) the Company shall deliver to the Trustee for cancellation all Notes theretofore authenticated (other than any Notes that have been destroyed, lost or stolen and in lieu of or in substitution for which other Notes shall have been authenticated and delivered) and not theretofore canceled, or (ii) all the Notes not theretofore canceled or delivered to the Trustee for cancellation shall have become due and payable, and the Company shall deposit with the Trustee, in trust (in the case of cash), or deliver to the Holders (in the case of common stock), as applicable, cash or shares of Common Stock (or, if applicable, other Reference Property), as applicable, sufficient to pay at the Stated Maturity, upon conversion of, or upon any Fundamental Change Date or Redemption Date with respect to, all of the Notes (other than any Notes that shall have been mutilated, destroyed, lost or stolen and in lieu of or in substitution for which other Notes shall have been authenticated and delivered) not theretofore canceled or delivered to the Trustee for cancellation, including principal and interest due or to become due to

such Stated Maturity, Fundamental Change Repurchase Date or Redemption Date, as the case may be, and if the Company shall also pay or cause to be paid all other sums payable hereunder by the Company, then this Indenture shall cease to be of further effect (except as to (A) remaining rights of registration of transfer, substitution and exchange and conversion of Notes, (B) rights hereunder of Holders to receive payments of principal of and interest on, the Notes and the other rights, duties and obligations of Holders, as beneficiaries hereof with respect to the amounts, if any, so deposited with the Trustee and (C) the rights, obligations, indemnities and immunities of the Trustee hereunder), and the Trustee, on written demand of the Company accompanied by an Officer's Certificate and an Opinion of Counsel and at the reasonable cost and expense of the Company, shall execute proper instruments acknowledging satisfaction of and discharging this Indenture; the Company, however, hereby agrees to reimburse the Trustee for any costs or expenses thereafter reasonably and properly incurred by the Trustee and to compensate the Trustee for any services thereafter reasonably and properly rendered by the Trustee in connection with this Indenture or the Notes. Notwithstanding the satisfaction and discharge of this Indenture, the obligations of the Company to the Trustee under Section 606 of the Base Indenture, and if money shall have been deposited with the Trustee pursuant to this Section 9.01(c), the provisions of Sections 305, 306, 403 and 404 of the Base Indenture shall survive.

ARTICLE X SUPPLEMENTAL INDENTURES

Section 10.01 Supplemental Indentures. Subject to Section 1.02, the provisions of Article IX of the Base Indenture, as supplemented by the provisions of this First Supplemental Indenture, shall apply to the Notes.

Any Notes held by the Company or any of its Affiliates shall be disregarded (from both the numerator and the denominator) for purposes of determining whether the Holders of the requisite aggregate principal amount of the outstanding Notes have consented to a modification, amendment or waiver of the terms of the Indenture.

Section 10.02 Supplemental Indentures Without Consent of Holders. This Section 10.02 shall, with respect to the Notes, supersede Section 901 of the Base Indenture in its entirety.

Notwithstanding anything to the contrary in Section 10.03, without the consent of any Holder, the Company, when authorized by a Board Resolution, and the Trustee, at any time and from time to time, may enter into one or more indentures supplemental hereto, in form reasonably satisfactory to the Trustee and the Company and/or amend the Notes, for any of the following purposes:

- (a) to cure any ambiguity, omission, defect or inconsistency; including to eliminate any conflict with the terms of the TIA;
- (b) to provide for the assumption of the Company's obligations under this Indenture by a successor pursuant to Article VIII;
- (c) to provide any security for or add guarantees with respect to the Notes;

- (d) to issue Additional Notes pursuant to Section 2.03;
- (e) to add to the covenants of the Company for the benefit of the Holders or surrender any right or power conferred upon the Company;
- (f) to provide for conversion of the Notes into Reference Property pursuant to Section 5.05;
- (g) to make any other change that does not adversely affect in any material respect the rights of any Holder of outstanding Notes (other than any Holder that consents to such change);
- (h) to comply with any requirement of the SEC in connection with any qualification of this Indenture under the TIA;
- (i) to conform the provisions of this Indenture or the Notes to the “Description of Notes” section of the Company’s preliminary prospectus supplement dated April 6, 2020 relating to the offering of the Notes, as supplemented by the Company’s free writing prospectus dated April 7, 2020 relating thereto;
- (j) to evidence or provide for the acceptance of the appointment of a successor Trustee; or
- (k) to comply with the Applicable Procedures of the Depositary.

Section 10.03 Supplemental Indentures with Consent of Holders. This Section 10.03 shall, with respect to the Notes, supersede Section 902 of the Base Indenture in its entirety. With the consent of the Holders of not less than a majority in principal amount of the outstanding Notes, including without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, the Company, when authorized by a Board Resolution, and the Trustee may enter into an indenture or indentures supplemental hereto for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Indenture, of modifying in any manner the rights of the Holders under this Indenture or waiving any past Default or compliance with any provisions of this Indenture; provided, however, that no such supplemental indenture shall, without the consent of the Holder of each outstanding Note affected thereby,

- (a) reduce the amount of the Notes the Holders of which must consent to a supplement to this Indenture;
- (b) reduce the rate, or extend the stated time for payment, of interest (other than Additional Interest) on any Note;
- (c) reduce the principal, or extend the Stated Maturity, of any Note;
- (d) make any change that adversely affects the conversion rights of any Note;

(e) reduce any Redemption Price or Fundamental Change Repurchase Price of any Note or amend or modify in any manner adverse to the Holders of the Notes, the Company's right to redeem the Notes or its obligation to repurchase the Notes in connection with a Fundamental Change, whether through an amendment or waiver of provisions in the covenants, definitions or otherwise;

(f) change the place or currency of payment of principal or interest in respect of any Note;

(g) impair the right of any Holder to receive payment of principal of and interest on such Holder's Notes on or after the due dates therefore or to institute suit for the enforcement of any payment on or with respect to such Holder's Notes;

(h) adversely affect the ranking of the Notes as the Company's senior unsecured indebtedness; or

(i) make any change in the amendment provisions which require each Holder's consent or in the waiver provisions if such change adversely affects the rights of the Holders of the Notes.

It shall not be necessary for any Act or consent of Holders under this Section 10.03 to approve the particular form of any proposed supplemental indenture, but it shall be sufficient if such Act or consent shall approve the substance thereof. The Company may, but shall not be obligated to, fix a record date for the purpose of determining the Persons entitled to consent to any indenture supplemental hereto. If a record date is fixed, the Holders on such record date, or their duly designated proxies, and only such Persons, shall be entitled to consent to such supplemental indenture, whether or not such Holders remain Holders after such record date; provided that, unless such consent shall have become effective by virtue of the requisite percentage having been obtained prior to the date which is 90 days after such record date, any such consent previously given shall automatically and without further action by any Holder be cancelled and of no further effect.

Section 10.04 Notices of Supplemental Indentures. After a supplement under this Article X becomes effective, the Company will send to the Holders a notice briefly describing the amendment, supplement or waiver. The Company will send supplemental indentures to Holders upon request. Any failure of the Company to send such notice, or any defect therein, will not, however, in any way impair or affect the validity of any such supplemental indenture or waiver.

ARTICLE XI MISCELLANEOUS

Section 11.01 Governing Law. This Section 11.01 shall, with respect to the Notes, supersede the first sentence of Section 113 of the Base Indenture in its entirety. This Indenture and the Notes shall be governed by, and construed under, the laws of the State of New York.

Section 11.02 Calculations in Respect of Notes. The Company shall be responsible for making all calculations called for hereunder and under the Notes or in connection with a conversion. These calculations include, but are not limited to, determinations of the Last Reported Sale Price,

accrued interest payable on the Notes, the Redemption Price and the Conversion Rate on the Notes. The Company shall make all these calculations in good faith and, absent manifest error, the Company's calculations will be final and binding on the Holders. The Company shall provide a schedule of the Company's calculations to each of the Trustee and the Conversion Agent, and each of the Trustee and the Conversion Agent is entitled to rely conclusively upon the accuracy of the Company's calculations without independent verification. The Trustee will forward the Company's calculations to any Holder upon the written request of such Holder.

Section 11.03 No Representations or Warranties by the Trustee. The Trustee makes no representations or warranties with respect to the validity or sufficiency of this First Supplemental Indenture.

Section 11.04 Payments on Business Days Only. This Section shall, with respect to the Notes, replace Section 114 of the Base Indenture in its entirety.

If any Interest Payment Date (other than an Interest Payment Date coinciding with the Stated Maturity) falls on a day that is not a Business Day, such Interest Payment Date will be postponed to the next succeeding Business Day and no interest will accrue for such intervening period. If the Stated Maturity falls on a day that is not a Business Day, the required payment of interest and principal will be made on the next succeeding Business Day and no interest on such payment will accrue for such intervening period.

[FORM OF REVERSE SIDE OF NOTE]

Chimera Investment Corporation

7.00% Convertible Senior Notes due 2023

This Note is one of a duly authorized issue of 7.00% Convertible Senior Notes due 2023 (the “**Notes**”) of the Company issued under an indenture, dated as of April 13, 2020 (as amended, modified and supplemented by the First Supplemental indenture, dated as of April 13, 2020 (the “**First Supplemental Indenture**”), the “**Indenture**”) between the Company and Wilmington Trust, National Association, as trustee (the “**Trustee**”). The terms of the Note include those stated in the Indenture, those made part of the Indenture by reference to the Trust Indenture Act of 1939, as amended (the “**TIA**”), and those set forth in this Note. This Note is subject to all such terms, and Holders are referred to the Indenture and the TIA for a statement of all such terms. To the extent permitted by applicable law, if any provision of this Note conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling. Capitalized terms used but not defined herein have the meanings assigned to them in the Indenture unless otherwise indicated.

1. Interest.

This Note shall bear interest at a rate of 7.00% per annum on the principal amount. Interest on this Note shall accrue from the original date of issuance or from the most recent date to which interest has been paid or duly provided for, as the case may be. Interest will be due and payable semi-annually, in arrears, on each April 1 and October 1 of each year, beginning on October 1, 2020, to the person in whose name a Note is registered at the Close of Business on the immediately preceding March 15 and September 15, as the case may be. Interest will be computed on the basis of a 360-day year comprised of twelve 30-day months. As used in this Note, references to interest on the Notes will be deemed to include Additional Interest, if any, unless otherwise stated or unless the context requires otherwise.

Interest will cease to accrue on the Notes upon payment of the Notes in full at Stated Maturity, conversion of the Notes or repurchase by the Company at the option of the Holder upon the occurrence of a Fundamental Change.

2. Method of Payment.

Payment of the principal of the Notes shall be made at the office or agency of the Paying Agent, Registrar and Conversion Agent designated by the Company in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts, in accordance with Section 3.01(c) of the First Supplemental Indenture.

3. Paying Agent, Registrar and Conversion Agent.

Initially, the Trustee will act as Paying Agent, Registrar and Conversion Agent. The Company may change the Paying Agent, Registrar and Conversion Agent without prior notice to the

Holders of the Notes. The Company or any Affiliate of the Company may act as Paying Agent, Registrar or Conversion Agent.

4. Ranking; No Limitation on Debt Incurrence.

The Notes are general unsecured senior obligations of the Company. The Indenture does not limit the ability of the Company to incur other debt, secured or unsecured.

5. Repurchase by the Company at the Option of the Holder Upon a Fundamental Change.

Subject to the terms and conditions of the Indenture, the Company shall become obligated to repurchase, at the option of any Holder, all or any portion of the Notes held by such Holder upon a Fundamental Change in principal amounts of \$1,000 or integral multiples of \$1,000 at the Fundamental Change Repurchase Price. To exercise such right, a Holder shall deliver to the Paying Agent, and the Paying Agent must receive, a Fundamental Change Repurchase Notice containing the information set forth in the Indenture, at any time prior to the Close of Business on the second Scheduled Trading Day immediately preceding the Fundamental Change Repurchase Date, and shall deliver the Notes to the Paying Agent as set forth in the Indenture.

Holders have the right to withdraw (in whole or in part) any Fundamental Change Repurchase Notice by delivering to the Paying Agent a written notice of withdrawal in accordance with the provisions of the Indenture.

6. Redemption.

The Notes will be subject to redemption at the Company's option only as provided in Article VI of the First Supplemental Indenture.

7. Conversion.

Subject to the provisions of the Indenture (including without limitation the conditions of conversion of Notes set forth in Article V of the First Supplemental Indenture), the Holder hereof has the right, at its option, to convert the principal amount hereof or any portion of such principal which is \$1,000 or an integral multiple thereof, into shares of Common Stock and an amount in cash, if any, at the Conversion Rate specified in the Indenture. The initial Conversion Rate is 153.8461 shares of Common Stock per \$1,000 principal amount of Notes (equivalent to an initial Conversion Price of approximately \$6.50 per share of Common Stock), subject to adjustment in certain events described in the Indenture.

No fractional shares of Common Stock will be issued upon any conversion. The Company shall make payment of an amount in cash, as provided in the Indenture, in respect of any fraction of a share of Common Stock which would otherwise be issuable upon the surrender of any Notes for conversion. Notes in respect of which a Holder is exercising its right to require repurchase on a Fundamental Change Repurchase Date may be converted only if such Holder withdraws its election to exercise such right in accordance with the terms of the Indenture.

Notwithstanding anything to the contrary in the Indenture or the Notes, no Holder will be entitled to receive shares of the Common Stock upon conversion of Notes to the extent (but only to the extent) that such delivery would result in a violation of the Ownership Limitation. Any purported delivery of shares of Common Stock upon conversion of Notes will be void and have no effect to the extent (but only to the extent) that such delivery would result in violation of the Ownership Limitation.

8. Denominations; Transfer; Exchange.

The Notes are in fully registered form, without interest coupons, in denominations of \$1,000 principal amount and integral multiples of \$1,000. A Holder may register the transfer of or exchange Notes in accordance with the Indenture. The Registrar may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and to pay any taxes, assessments or other governmental charges that may be imposed in relation thereto by law or permitted by the Indenture.

9. Unclaimed Money or Securities.

The Trustee and the Paying Agent shall return to the Company upon request any cash or securities held by them for the payment of any amount with respect to the Notes that remains unclaimed for two years, subject to applicable unclaimed property law. After return to the Company, Holders entitled to the cash or securities must look to the Company for payment as general creditors unless an applicable abandoned property law designates another Person.

Without the consent of or notice to any Holder, the Company and the Trustee may amend or supplement the Indenture or the Notes in the circumstances set forth in the Indenture.

If an Event of Default occurs as a result of certain events of bankruptcy, insolvency or reorganization of the Company, the principal amount of the Notes plus accrued and unpaid interest shall become due and payable immediately without any declaration or other act on the part of the Trustee or any Holder, all to the extent provided in the Indenture.

Re: Registration Statement on Form S-3 (File No. 333-229255)

Ladies and Gentlemen:

We have served as Maryland counsel to Chimera Investment Corporation, a Maryland corporation (the “Company”), in connection with certain matters of Maryland law relating to the registration of \$373,750,000 aggregate principal amount of 7.00% Convertible Senior Notes due 2023 (the “Notes”) of the Company (including \$48,750,000 aggregate principal of Notes issuable pursuant to the exercise of an overallotment option granted to the underwriters in the offering of the Notes), in an underwritten public offering covered by the above-referenced Registration Statement on Form S-3, and all amendments thereto (the “Registration Statement”), filed by the Company with the United States Securities and Exchange Commission (the “Commission”) under the Securities Act of 1933, as amended (the “Securities Act”).

In connection with our representation of the Company, and as a basis for the opinion hereinafter set forth, we have examined originals, or copies certified or otherwise identified to our satisfaction, of the following documents (hereinafter collectively referred to as the “Documents”):

1. The Registration Statement and the related form of prospectus included therein and the supplement thereto, each substantially in the form in which it was filed with the Commission under the Securities Act;
2. The charter of the Company (the “Charter”), certified by the State Department of Assessments and Taxation of Maryland (the “SDAT”);
3. The Amended and Restated Bylaws of the Company, certified as of the date hereof by an officer of the Company;
4. A certificate of the SDAT as to the good standing of the Company, dated as of a recent date;
5. Resolutions adopted by the Board of Directors of the Company (the “Board”), and by a duly authorized committee of the Board (the “Resolutions”), relating to, among other matters, the registration and issuance of the Notes and the Conversion Shares (as defined herein), certified as of the date hereof by an officer of the Company;
6. The Indenture, dated as of April 13, 2020 (the “Base Indenture”), by and between the Company and Wilmington Trust, National Association, as trustee (the “Trustee”), as

supplemented by the Supplemental Indenture No. 1, dated as of April 13, 2020 (the “Supplemental Indenture” and, together with the Base Indenture, the “Indenture”), by and between the Company and the Trustee;

7. A certificate executed by an officer of the Company, dated as of the date hereof; and
8. Such other documents and matters as we have deemed necessary or appropriate to express the opinion set forth below, subject to the assumptions, limitations and qualifications stated herein.

In expressing the opinion set forth below, we have assumed the following:

1. Each individual executing any of the Documents, whether on behalf of such individual or another person, is legally competent to do so.
 2. Each individual executing any of the Documents on behalf of a party (other than the Company) is duly authorized to do so.
 3. Each of the parties (other than the Company) executing any of the Documents has duly and validly executed and delivered each of the Documents to which such party is a signatory, and such party’s obligations set forth therein are legal, valid and binding and are enforceable in accordance with all stated terms.
 4. All Documents submitted to us as originals are authentic. The form and content of all Documents submitted to us as unexecuted drafts do not differ in any respect relevant to this opinion from the form and content of such Documents as executed and delivered. All Documents submitted to us as certified or photostatic copies conform to the original documents. All signatures on all Documents are genuine. All public records reviewed or relied upon by us or on our behalf are true and complete. All representations, warranties, statements and information contained in the Documents are true and complete. There has been no oral or written modification of or amendment to any of the Documents, and there has been no waiver of any provision of any of the Documents, by action or omission of the parties or otherwise.
5. Upon the issuance of any shares (the “Conversion Shares”) of common stock, \$0.01 par value per share (the “Common Stock”), of the Company issuable upon the conversion of the Notes, the total number of shares of Common Stock issued and outstanding will not exceed the total number of shares of Common Stock that the Company is then authorized to issue under the Charter.
-

6. The Conversion Shares will not be issued or transferred in violation of the restrictions on transfer and ownership contained in Article VII of the Charter.

Based upon the foregoing, and subject to the assumptions, limitations and qualifications stated herein, it is our opinion that:

1. The Company is a corporation duly incorporated and validly existing under and by virtue of the laws of the State of Maryland and is in good standing with the SDAT.

2. The issuance of the Notes has been duly authorized by the Company.

3. The issuance of the Conversion Shares has been duly authorized and, when and if issued and delivered by the Company upon conversion of the Notes in accordance with the terms of the Notes, the Indenture, the Charter and the Resolutions, the Conversion Shares will be validly issued, fully paid and nonassessable.

The foregoing opinion is limited to the laws of the State of Maryland and we do not express any opinion herein concerning United States federal law or the laws of any other jurisdiction. We express no opinion as to compliance with any federal or state securities laws, including the securities laws of the State of Maryland, or as to federal or state laws regarding fraudulent transfers. To the extent that any matter as to which our opinion is expressed herein would be governed by the laws of any jurisdiction other than the State of Maryland, we do not express any opinion on such matter. The opinion expressed herein is subject to the effect of any judicial decision which may permit the introduction of parol evidence to modify the terms or the interpretation of agreements.

The opinion expressed herein is limited to the matters specifically set forth herein and no other opinion shall be inferred beyond the matters expressly stated. We assume no obligation to supplement this opinion if any applicable law changes after the date hereof or if we become aware of any fact that might change the opinion expressed herein after the date hereof.

This opinion is being furnished to you for submission to the Commission as an exhibit to the Company's Current Report on Form 8-K (the "Current Report"), which is incorporated by reference in the Registration Statement. We hereby consent to the filing of this opinion as an exhibit to the Current Report and the said incorporation by reference and to the use of the name of our firm therein. In giving this consent, we do not admit that we are within the category of persons whose consent is required by Section 7 of the Securities Act.

Very truly yours,

Re: 7.00% Convertible Senior Notes due 2023 issued by Chimera Investment Corporation

Ladies and Gentlemen:

We have acted as special counsel to Chimera Investment Corporation, a Maryland corporation (the “Issuer”), in connection with the Underwriting Agreement dated April 7, 2020 (the “Underwriting Agreement”) by and among (i) the Issuer and (ii) Credit Suisse Securities (USA) LLC, as representative of the several underwriters named therein (the “Underwriters”), relating to the sale by the Issuer to the Underwriters of \$373.75 million aggregate principal amount of the Issuer’s 7.00% Convertible Senior Notes due 2023 (the “Securities”).

The Securities are being issued under an Indenture dated as of April 13, 2020 (the “Base Indenture”) between the Issuer and Wilmington Trust, National Association, as trustee (the “Trustee”), as amended and supplemented by the First Supplemental Indenture thereto dated as of April 13, 2020 (the “First Supplemental Indenture”), between the Issuer and the Trustee (the Base Indenture, as amended and supplemented by the First Supplemental Indenture, being referenced herein as the “Indenture”), and pursuant to the terms set forth in the First Supplemental Indenture will be convertible into shares of the Issuer’s common stock, par value \$0.01 per share (the “Common Stock”).

This opinion is being furnished in accordance with the requirements of Item 601(b)(5) of Regulation S-K under the Securities Act of 1933, as amended (the “Securities Act”).

In rendering the opinions set forth herein, we have examined and relied on originals or copies, certified or otherwise identified to our satisfaction, of the following:

(a) the registration statement on Form S-3 (File No. 333-229255), relating to securities to be issued by the Issuer from time to time including the Securities, filed by the Issuer, under the Securities Act with the United States Securities and Exchange Commission (the “SEC”) on

January 14, 2019, and including the base prospectus included in such registration statement (the “Base Prospectus”) and the other information set forth in the Incorporated Documents (as defined below) and incorporated by reference into such registration statement and therefore deemed to be a part thereof (such registration statement, at the time it became effective upon filing and including the Base Prospectus and such other information incorporated by reference into such registration statement, being referred to herein as the “Registration Statement”);

- (b) the preliminary prospectus supplement dated April 6, 2020, relating to the Securities in the form filed with the SEC pursuant to Rule 424(b) of the General Rules and Regulations (the “Rules and Regulations”) under the Securities Act (such preliminary prospectus supplement, together with the Base Prospectus, being referred to herein as the “Preliminary Prospectus”);
- (c) the prospectus supplement dated April 7, 2020, relating to the Securities in the form filed with the SEC pursuant to Rule 424(b) of the Rules and Regulations (such prospectus supplement, together with the Base Prospectus, being referred to herein as the “Prospectus”);
- (d) the pricing term sheet dated April 7, 2020, relating to the Securities in the form filed with the SEC pursuant to Rule 433 of the Rules and Regulations (such document being referred to herein as the “Pricing Term Sheet”);
- (e) each of the Issuer’s reports listed on Schedule A herein that have been filed with the SEC and are incorporated by reference into the Registration Statement (the “Incorporated Documents”);
- (f) the Indenture;
- (g) the form of the Securities;
- (h) the global note executed by the Issuer pursuant to the Indenture, in the aggregate principal amount of \$373.75 million, representing the Securities purchased and sold pursuant to the Underwriting Agreement;
- (i) a specimen certificate representing the Common Stock issuable upon conversion of the Securities;
- (j) the Underwriting Agreement; and
- (k) a certificate dated the date hereof (the “Opinion Support Certificate”), executed by the Chief Legal Officer and Corporate Secretary of the Issuer.

We have also examined originals or copies, certified or otherwise identified to our satisfaction, of such records of the Issuer and such agreements, certificates of public officials, certificates of officers or other representatives of the Issuer and others, and such other documents, certificates and records, as we have deemed necessary or appropriate as a basis for

the opinions set forth herein. In our examination, we have assumed the legal capacity of all natural persons, the genuineness of all signatures, the authenticity of all documents submitted to us as originals, and the conformity to authentic original documents of all documents submitted to us as certified or photostatic copies. As to any facts material to the opinions and statements expressed herein that we did not independently establish or verify, we have relied, to the extent we deem appropriate, upon (i) oral or written statements and representations of officers and other representatives of the Issuer (including without limitation the facts certified in the Opinion Support Certificate) and (ii) statements and certifications of public officials and others.

As used herein the following terms have the respective meanings set forth below:

“Person” means a natural person or a legal entity organized under the laws of any jurisdiction.

“Transaction Documents” means collectively, the Underwriting Agreement, the Indenture and the Securities.

Based upon the foregoing and subject to the limitations, qualifications, exceptions and assumptions set forth herein, we are of the opinion that:

1. When authenticated by the Trustee in the manner provided in the Indenture and delivered to and paid for by the Underwriters in accordance with the Underwriting Agreement, the Securities will constitute valid and binding obligations of the Issuer, entitled to the benefits of the Indenture and enforceable against the Issuer in accordance with their terms, under applicable laws of the State of New York.

We express no opinion as to the laws of any jurisdiction other than (i) applicable laws of the State of New York, (ii) applicable laws of the United States of America and (iii) certain other specified laws of the United States of America to the extent referred to specifically herein. References herein to “applicable laws” mean those laws, rules and regulations that, in our experience, are normally applicable to transactions of the type contemplated by the Transaction Documents, without our having made any special investigation as to the applicability of any specific law, rule or regulation, and that are not the subject of a specific opinion herein referring expressly to a particular law or laws; *provided however*, that such references do not include any municipal or other local laws, rules or regulations, or any laws, rules or regulations relating to fraud, labor, securities, tax, insurance, antitrust, money laundering, national security or the environment.

Our opinions expressed herein are subject to the following additional assumptions and qualifications:

(i) Our opinion in paragraph 1 above may be:

Chimera Investment Corporation
April 13, 2020
Page 4

(1) limited by applicable bankruptcy, insolvency, reorganization, moratorium, fraudulent conveyance or transfer or other similar laws relating to or affecting the rights of creditors generally; and

(2) subject to the application of general principles of equity (regardless of whether considered in a proceeding in equity or at law), including, without limitation, the possible unavailability of specific performance, injunctive relief or any other equitable remedy and concepts of materiality, reasonableness, good faith and fair dealing.

(ii) Our opinion expressed in paragraph 1 above insofar as it pertains to any provisions of the instruments referred to in such paragraphs purporting to select New York law as governing or to constitute a submission to the jurisdiction of one or more specified courts, are rendered solely in reliance upon New York General Obligations Law §§ 5-1401 and 5-1402, and New York Civil Practice Law and Rules (“CPLR”) 327(b), and are expressly conditioned upon the assumption that the legality, validity, binding effect and enforceability of said provisions will be determined by a court of the State of New York or (in the case of provisions purporting to select New York law as governing) a United States federal court sitting in New York and applying New York choice of law rules, including said § 5-1401. We express no opinion as to any such provision if such legality, validity, binding effect or enforceability is determined by any other court, and we call your attention to the decision of the United States District Court for the Southern District of New York in *Lehman Brothers Commercial Corp. v. Minmetals Int'l Non-Ferrous Metals Trading Co.*, 179 F. Supp. 2d 119 (S.D.N.Y. 2000), which, among other things, contains dicta relating to possible constitutional limitations upon said § 5-1401 in both domestic and international transactions. We express no opinion as to any such constitutional limitations upon said § 5-1401 or their effect, if any, upon any opinion herein expressed. Moreover, we advise you that said § 5-1402 by its terms applies only to actions or proceedings arising out of or relating to a contract for which a choice of New York law has been made in whole or in part pursuant to said § 5-1401, and that said CPLR 327(b) by its terms applies only to contracts, agreements and undertakings to which said § 5-1402 applies. We also call to your attention that Federal courts located in New York could decline to hear a case on grounds of *forum non-conveniens* or any other doctrine limiting the availability of the Federal courts in New York as a forum for the resolution of disputes not having a sufficient nexus to New York, and we express no opinion as to any waiver of rights to assert the applicability of the *forum non-conveniens* doctrine or any such other doctrine in such Federal courts.

(iii) We express no opinion as to the validity, effect or enforceability of any provisions:

(1) relating to rights of set-off or counterclaim, or the waiver thereof;

(2) purporting to establish evidentiary standards or limitations periods for suits or proceedings to enforce such documents or otherwise, to modify rules of contract construction, to establish certain determinations (including determinations of contracting parties and judgments of courts) as conclusive or conclusive absent manifest error, to

commit the same to the discretion of any Person or permit any Person to act in its sole judgment or to waive rights to notice;

(3) providing that the assertion or employment of any right or remedy shall not prevent the concurrent assertion or employment of any other right or remedy, or that each and every remedy shall be cumulative and in addition to every other remedy or that any delay or omission to exercise any right or remedy shall not impair any other right or remedy or constitute a waiver thereof;

(4) relating to severability or separability;

(5) purporting to limit the liability of, or to exculpate, any Person, including without limitation any provision that purports to waive liability for violation of securities laws;

(6) purporting to waive damages;

(7) that relate to indemnification, contribution or reimbursement obligations to the extent any such provisions (i) would purport to require any Person to provide indemnification, contribution or reimbursement in respect of the negligence, recklessness, willful misconduct or unlawful behavior of any Person, (ii) violate any law, rule or regulation (including any federal or state securities law, rule or regulation) or (iii) are determined to be contrary to public policy;

(8) purporting to require that all amendments, waivers and terminations be in writing or the disregard of any course of dealing or usage of trade;

(9) relating to consent to jurisdiction insofar as such provisions purport to confer subject matter jurisdiction upon any court that does not have such jurisdiction, whether in respect of bringing suit, enforcement of judgments or otherwise;

(10) purporting to limit the obligations of any party to the extent necessary to avoid such obligations constituting a fraudulent transfer or conveyance;

(11) purporting to require disregard of mandatory choice of law principles that could require application of a law other than the law expressly chosen to govern the instrument in which such provisions appear;

(12) purporting to require the issuance of additional shares upon conversion of any Security, if such issuance of additional shares would constitute a penalty;

(13) purporting to waive the benefit or advantage of any stay, extension or usury law; or

(14) purporting to waive rights to trial by jury or rights to object to jurisdiction based on inconvenient forum.

(iv) In making our examination of executed documents, we have assumed (except to the extent that we expressly opine above) (1) the valid existence and good standing of each of the parties thereto, (2) that such parties had the power and authority, corporate, partnership, limited liability company or other, to enter into and to incur and perform all their obligations thereunder, (3) the due authorization by all requisite action, corporate, partnership, limited liability company or other, and the due execution and delivery by such parties of such documents and (4) to the extent such documents purport to constitute agreements, that each of such documents constitutes the legal, valid and binding obligation of each party thereto, enforceable against such party in accordance with its terms. In this paragraph (iv), all references to parties to documents shall be deemed to mean and include each of such parties, and each other person (if any) directly or indirectly acting on its behalf.

(v) Except to the extent that we expressly opine above, we have assumed that the execution and delivery of the Transaction Documents, and the incurrence and performance of the obligations thereunder of the parties thereto do not and will not contravene, breach, violate or constitute a default under (with the giving of notice, the passage of time or otherwise) (a) the certificate or articles of incorporation, certificate of formation, charter, bylaws, limited liability company agreement, limited partnership agreement or similar organic document of any such party, (b) any contract, indenture, mortgage, loan agreement, note, lease or other agreement or instrument, (c) any statute, law, rule, or regulation, (d) any judicial or administrative order or decree of any governmental authority, or (e) any consent, approval, license, authorization or validation of, or filing, recording or registration with, any governmental authority, in each case, to which any party to the Transaction Documents or any of its subsidiaries or any of their respective properties may be subject, or by which any of them may be bound or affected. Further, we have assumed the compliance by each such party, other than the Issuer, with all laws, rules and regulations applicable to it, as well as the compliance by the Issuer, and each other person (if any) directly or indirectly acting on its behalf, with all laws, rules and regulations that may be applicable to it by virtue of the particular nature of the business conducted by it or any goods or services produced or rendered by it or property owned, operated or leased by it, or any other facts pertaining specifically to it. In this paragraph (v), all references to parties to the Transaction Documents, other than the first such reference, shall be deemed to mean and include each of such parties, and each other person (if any) directly or indirectly acting on its behalf.

(vi) We express no opinion as to the effect of the laws of any jurisdiction in which any holder of any Security is located (other than the State of New York) that limit the interest, fees or other charges such holder may impose for the loan or use of money or other credit.

(vii) Except to the extent that we expressly opine above, we have assumed that no authorization, consent or other approval of, notice to or registration, recording or filing with any court, governmental authority or regulatory body (other than routine informational filings, filings

Chimera Investment Corporation
April 13, 2020

under the Securities Act and filings under the Securities Exchange Act of 1934, as amended) is required to authorize, or is required in connection with the transactions contemplated by the Transaction Documents, the execution or delivery thereof by or on behalf of any party thereto or the incurrence or performance by any of the parties thereto of its obligations thereunder.

(viii) With respect to our opinions expressed above as they relate to provisions of the Base Indenture relating to debt securities denominated in a currency other than U.S. dollars, we note that (i) a New York statute provides that a judgment rendered by a court of the State of New York in respect of an obligation denominated in any such other currency would be rendered in such other currency and would be converted into Dollars at the rate of exchange prevailing on the date of entry of the judgment, and (ii) a judgment rendered by a federal court sitting in the State of New York in respect of an obligation denominated in any such other currency may be expressed in Dollars, but we express no opinion as to the rate of exchange such federal court would apply.

(ix) We express no opinion as to Section 116 of the Indenture or any other provision of any Transaction Document providing for indemnity or reimbursement by any party against any loss in obtaining the currency due to such party under any of the Transaction Documents from a court judgment in another currency.

(x) We point out that the submissions to the jurisdiction of the United States District Court for the Borough of Manhattan in the City of New York and the waivers of objection to venue contained in the Indenture cannot supersede a federal court's discretion in determining whether to transfer an action to another court.

(xi) We point out that the agent for service of process appointed pursuant to the Indenture, in its discretion, may fail to agree, or terminate its agreement, to serve as agent for service of process for the Issuer, in which event service of process upon such party would not be valid and effective for the purposes described in the Indenture.

We hereby consent to the filing of this opinion of counsel as Exhibit 5.2 to the Current Report on Form 8-K of the Issuer dated on or about the date hereof, to the incorporation by reference of this opinion of counsel into the Registration Statement and to the reference to our Firm under the heading "Legal Matters" in the Prospectus. In giving this consent, we do not thereby admit that we come within the category of persons whose consent is required under Section 7 of the Securities Act or the rules and regulations of the SEC promulgated thereunder. The opinions and statements expressed herein are as of the date hereof only and are based on laws, orders, contract terms and provisions, and facts as of such date, and we disclaim any obligation to update this letter after such date or to advise you of changes of facts stated or assumed herein or any subsequent changes in law.

Ladies and Gentlemen:

We have acted as counsel to Chimera Investment Corporation, a Maryland corporation (the “Company”), in connection with the offer and sale of up to \$325,000,000 aggregate principal amount of the Company’s 7% Convertible Senior Notes due 2023 (the “Notes”), pursuant to a prospectus supplement, dated April 7, 2020 (the “Prospectus Supplement”), to a prospectus, dated January 14, 2019 (the “Prospectus”), as part of a registration statement on Form S-3 (File No. 333-229255) filed with the Securities and Exchange Commission (“SEC”) on January 14, 2019 (the “Registration Statement”). You have requested our opinion regarding certain U.S. federal income tax matters.

In giving this opinion letter, we have examined the following:

1. the Registration Statement, the Prospectus, and the Prospectus Supplement;
2. the indenture, dated April 13, 2020, between the Company and Wilmington Trust, National Association, as trustee, as supplemented by an indenture supplement, dated April 13, 2020, pursuant to which the Notes are issued;
3. the Company’s Articles of Amendment and Restatement, as filed on November 15, 2007 with the Department of Assessments and Taxation of the State of Maryland, as amended and supplemented through the date hereof; and
4. such other documents as we have deemed necessary or appropriate for purposes of this opinion.

In connection with the opinions rendered below, we have assumed, with your consent, that:

1. each of the documents referred to above has been duly authorized, executed, and delivered; is authentic, if an original, or is accurate, if a copy; and has not been amended;
2. during its taxable year ending December 31, 2020, and future taxable years, the Company has operated and will operate in a manner that will make the factual representations contained in a certificate, dated the date hereof and executed by a duly appointed officer of the Company (the "Officer's Certificate"), true for such years;
3. the Company will not make any amendments to its organizational documents after the date of this opinion that would affect its qualification as a real estate investment trust (a "REIT") for any taxable year; and
4. no action will be taken by the Company after the date hereof that would have the effect of altering the facts upon which the opinions set forth below are based.

In connection with the opinions rendered below, we also have relied upon the correctness, without regard to any qualification as to knowledge or belief, of the factual representations contained in the Officer's Certificate and the factual matters discussed in the Prospectus and the Prospectus Supplement that relate to the Company's status as a REIT. No facts have come to our attention that would cause us to question the accuracy and completeness of such factual representations. Furthermore, where such factual representations involve terms defined in the Internal Revenue Code of 1986, as amended (the "Code"), the Treasury regulations thereunder (the "Regulations"), published rulings of the Internal Revenue Service (the "Service"), or other relevant authority, we have reviewed with the individual making such representations the relevant provisions of the Code, the applicable Regulations and published administrative interpretations thereof.

Based solely on the documents and assumptions set forth above, the representations set forth in the Officer's Certificate, and the discussions in the Prospectus Supplement under the caption "Supplemental U.S. Federal Income Tax Considerations" and in the Prospectus under the caption "Material U.S. Federal Income Tax Considerations" (which are incorporated herein by reference), we are of the opinion that:

- (a) the Company qualified to be taxed as a REIT pursuant to sections 856 through 860 of the Code, for its taxable years ended December 31, 2016 through

Chimera Investment Corporation
April 13, 2020
Page 3

December 31, 2019, and the Company's organization and current and proposed method of operation will enable it to continue to qualify for taxation as a REIT under the Code for its taxable year ending December 31, 2020, and thereafter; and

(b) the descriptions of the law and the legal conclusions in the Prospectus Supplement under the caption "Supplemental U.S. Federal Income Tax Considerations" and in the Prospectus under the caption "Material U.S. Federal Income Tax Considerations" are correct in all material respects.

We will not review on a continuing basis the Company's compliance with the documents or assumptions set forth above, or the representations set forth in the Officer's Certificate. Accordingly, no assurance can be given that the actual results of the Company's operations for any given taxable year will satisfy the requirements for qualification and taxation as a REIT. Although we have made such inquiries and performed such investigations as we have deemed necessary to fulfill our professional responsibilities as counsel, we have not undertaken an independent investigation of all the facts referred to in this letter or the Officer's Certificate. In particular, we note that the Company has engaged in transactions in connection with which we have not provided legal advice and may not have reviewed. Moreover, we note that we did not represent the Company as tax counsel prior to June 1, 2016.

The foregoing opinions are based on current provisions of the Code, the Regulations, published administrative interpretations thereof, and published court decisions. The Service has not issued Regulations or administrative interpretations with respect to various provisions of the Code relating to REIT qualification. No assurance can be given that the law will not change in a way that will prevent the Company from qualifying as a REIT.

The foregoing opinions are limited to the U.S. federal income tax matters addressed herein, and no other opinions are rendered with respect to other U.S. federal tax matters or to any issues arising under the tax laws of any other country, or any state or locality. We undertake no obligation to update the opinions expressed herein after the date of this letter. This opinion letter speaks only as of the date hereof. Except as provided in the next paragraph, this opinion letter may not be distributed, relied upon for any purpose by any other person, quoted in whole or in part or otherwise reproduced in any document, or filed with any governmental agency without our express written consent.

The purpose of this letter agreement (this “**Confirmation**”) is to confirm the terms and conditions of the call option transaction entered into between Credit Suisse Capital LLC (“**Dealer**”) and Chimera Investment Corporation (“**Counterparty**”) as of the Trade Date specified below (the “**Transaction**”), with Credit Suisse Securities (USA) LLC, as Agent (the “**Agent**”). This letter agreement constitutes a “Confirmation” as referred to in the ISDA Master Agreement specified below. Each party further agrees that this Confirmation together with the Agreement evidence a complete binding agreement between Counterparty and Dealer as to the subject matter and terms of the Transaction to which this Confirmation relates, and shall supersede all prior or contemporaneous written or oral communications with respect thereto.

The definitions and provisions contained in the 2002 ISDA Equity Derivatives Definitions (the “**Equity Definitions**”), as published by the International Swaps and Derivatives Association, Inc. (“**ISDA**”) are incorporated into this Confirmation. For purposes of the Equity Definitions, the Transaction shall be deemed to be a Share Option Transaction. In the event of any inconsistency between the Equity Definitions and this Confirmation, this Confirmation shall govern. Reference is made to that certain prospectus supplement dated April 6, 2020, relating to the offering of the Convertible Notes (the “**Prospectus Supplement**”). Certain defined terms used herein are based on terms that are defined in the Indenture, to be dated April 13, 2020, by and between Chimera Investment Corporation and Wilmington Trust, National Association, as Trustee (the “**Base Indenture**”), as supplemented by the First Supplemental Indenture, to be dated April 13, 2020, by and between Chimera Investment Corporation and Wilmington Trust, National Association, as Trustee (the “**Supplemental Indenture**” and, together with the Base Indenture, the “**Indenture**”). In the event of any inconsistency between the terms defined in the Prospectus Supplement, the Indenture and this Confirmation, this Confirmation shall govern. The parties acknowledge that this Confirmation is entered into on the date hereof with the understanding that (i) definitions set forth in the Indenture which are also defined herein by reference to the Indenture and (ii) sections of the Indenture that are referred to herein will conform to the descriptions thereof in the Prospectus Supplement. If any such definitions in the Indenture or any such sections of the Indenture differ from the descriptions thereof in the Prospectus Supplement, the descriptions thereof in the Prospectus Supplement will govern for purposes of this Confirmation. The parties further acknowledge that the Indenture section numbers used herein are based on the draft of the Indenture last reviewed by Dealer as of the date of this Confirmation, and if any such section numbers are changed in the Indenture as executed, the parties will amend this Confirmation in good faith to preserve the intent of the parties. Subject to the foregoing, references to the Indenture herein are references to the Indenture as in effect on the date of its execution, and if the Indenture is amended or

supplemented following such date, any such amendment or supplement will be disregarded for purposes of this Confirmation unless the parties agree otherwise in writing.

Each party is hereby advised, and each such party acknowledges, that the other party has engaged in, or refrained from engaging in, substantial financial transactions and has taken other material actions in reliance upon the parties' entry into the Transaction to which this Confirmation relates on the terms and conditions set forth below.

1. This Confirmation evidences a complete and binding agreement between Dealer and Counterparty as to the terms of the Transaction to which this Confirmation relates. This Confirmation shall supplement, form a part of, and be subject to an agreement in the form of the 2002 ISDA Master Agreement (the "Agreement") as if Dealer and Counterparty had executed an agreement in such form (but without any Schedule except for the election of the laws of the State of New York as the governing law (without reference to choice of law doctrine other than New York General Obligations Law Section 5-1401)) on the Trade Date. In the event of any inconsistency between provisions of the Agreement and this Confirmation, this Confirmation will prevail for the purpose of the Transaction to which this Confirmation relates. Representations and Warranties of Counterparty.

Each of the representations and warranties of Counterparty set forth in Section 3 of the Underwriting Agreement (the “**Underwriting Agreement**”) dated as of April 7, 2020, between Counterparty and Credit Suisse Securities (USA) LLC, as Representative of the several Underwriters set forth on Schedule A thereto, are true and correct and are hereby deemed to be repeated to Dealer as if set forth herein. Counterparty hereby further represents and warrants to Dealer on the date hereof and on and as of the Premium Payment Date that:

- (a) Counterparty has all necessary corporate power and authority to execute, deliver and perform its obligations in respect of the Transaction; such execution, delivery and performance have been duly authorized by all necessary corporate action on Counterparty's part; and this Confirmation has been duly and validly executed and delivered by Counterparty and constitutes its valid and binding obligation, enforceable against Counterparty in accordance with its terms, subject to applicable bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium and similar laws affecting creditors' rights and remedies generally, and subject, as to enforceability, to general principles of equity, including principles of commercial reasonableness, good faith and fair dealing (regardless of whether enforcement is sought in a proceeding at law or in equity) and except that rights to indemnification and contribution hereunder may be limited by federal or state securities laws or public policy relating thereto.
- (b) Neither the execution and delivery of this Confirmation nor the incurrence or performance of obligations of Counterparty hereunder will conflict with or result in a breach of the memorandum and articles of association or by-laws (or any equivalent documents) of Counterparty, or any applicable law or regulation, or any order, writ, injunction or decree of any court or governmental authority or agency, or any agreement or instrument to which Counterparty or any of its subsidiaries is a party or by which Counterparty or any of its subsidiaries is bound or to which Counterparty or any of its subsidiaries is subject, or constitute a default under, or result in the creation of any lien under, any such agreement or instrument.
- (c) No consent, approval, authorization, or order of, or filing with, any governmental agency or body or any court is required in connection with the execution, delivery or performance by Counterparty of this Confirmation, except such as have been obtained or made and such as may be required under the Securities Act or state securities laws.
- (d) Counterparty is not and, after consummation of the transactions contemplated hereby, will not be required to register as an "investment company" as such term is defined in the Investment Company Act of 1940, as amended.
- (e) Counterparty is an "eligible contract participant" (as such term is defined in Section 1a(18) of the Commodity Exchange Act, as amended, other than a person that is an eligible contract participant under Section 1a(18)(C) of the Commodity Exchange Act).
- (f) On the Trade Date (A) Neither Counterparty nor its affiliates are in possession of any material nonpublic information regarding Counterparty or the Shares and (B) all reports and other documents filed by Counterparty with the Securities and Exchange Commission pursuant to the Exchange Act when considered as a whole (with the more recent such reports and documents deemed to amend inconsistent statements contained in any earlier such reports and documents), do not contain any untrue statement of a material fact or any omission of a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances in which they were made, not misleading.
- (g) No state or local (including any non-U.S. jurisdiction's) law, rule, regulation or regulatory order applicable to the Shares would give rise to any reporting, consent, registration or other requirement (including without limitation a requirement to obtain prior approval from any person or entity) as a result of Dealer or its affiliates owning or holding (however defined) Shares.

- (h) Counterparty (A) is capable of evaluating investment risks independently, both in general and with regard to all transactions and investment strategies involving a security or securities; (B) will exercise independent judgment in evaluating the recommendations of any broker-dealer or its associated persons, unless it has otherwise notified the broker-dealer in writing; (C) has total assets of at least USD 50 million; and (D) is acting for its own account, and it has made its own independent decisions to enter into the Transaction and as to whether the Transaction is appropriate or proper for it (including as to any legal, regulatory, tax, accounting or economic consequences arising from the Transaction) based upon its own judgment and upon advice from such advisers as it has deemed necessary (including legal, financial and accounting advisors).
- (i) Counterparty as of and immediately after the Trade Date and the Premium Payment Date (x) is not, and shall not be after giving effect to the transactions contemplated hereby, “insolvent” (as such term is defined in Section 101(32) of the Bankruptcy Code, (y) would be able to purchase [] Shares, and (z) is able to pay its debts.
- (j) Counterparty’s board of directors (the “**Board**”) has concluded that (A) the Transaction is suitable for Counterparty, for its commercial benefit and in its best interests, in light of its own investment objectives, financial condition and expertise and (B) the Transaction has been duly approved and authorized by the Board after due consideration by the Board of the foregoing matters and those referred to at sub-paragraph (h)(D) above.
- (k) Without limiting the generality of Section 13.1 of the Equity Definitions, Counterparty acknowledges that neither Dealer nor any of its affiliates is making any representations or warranties or taking any position or expressing any view with respect to the treatment of the Transaction under any accounting standards including ASC Topic 260, Earnings Per Share, ASC Topic 815, Derivatives and Hedging, or ASC Topic 480, Distinguishing Liabilities from Equity and ASC Topic 815-40, Derivatives and Hedging—Contracts in Entity’s Own Equity (or any successor issue statements), or under FASB’s Liabilities & Equity Project.
- (l) Without limiting the generality of Section 3(a)(iii) of the Agreement, the Transaction will not violate Rule 13e-1 or Rule 13e-4 under the Exchange Act.

9. Other Provisions.

- (a) *Deliverables.* Counterparty shall deliver to Dealer (A) an opinion of U.S. counsel dated as of the Trade Date, with respect to, among other things, the matters set forth in Sections 8(a) through (c) of this Confirmation. Delivery of such opinions to Dealer shall be a condition precedent for the purpose of Section 2(a)(iii) of the Agreement with respect to each obligation of Dealer under Section 2(a)(i) of the Agreement; (B) a resolution of the Board authorizing the Transaction; and (C) on or before the Premium Payment Date, a solvency certificate with respect to Counterparty signed by a member of the Board, the chief executive officer or the chief financial officer of the Counterparty certifying the solvency of Counterparty as of and immediately after the Premium Payment Date (after giving effect to Counterparty’s payment of amounts required to be paid by Counterparty on such date under the Transaction and the other transactions described under “Use of Proceeds” in the Prospectus Supplement related to the offering of the Convertible Notes), which solvency certificate is reasonably satisfactory to Dealer.
- (b) *Repurchase Notices.* Counterparty shall, on any day on which Counterparty effects any repurchase of Shares, promptly give Dealer a written notice of such repurchase (a

“Repurchase Notice”) on such day if following such repurchase, the number of outstanding Shares as determined on such day is (i) less than [] (in the case of the first such notice) or (ii) thereafter more than [] less than the number of Shares included in the immediately preceding Repurchase Notice. Counterparty agrees to indemnify and hold harmless Dealer and its affiliates and their respective officers, directors, employees, affiliates, advisors, agents and controlling persons (each, an **“Indemnified Person”**) from and against any and all losses (including losses relating to Dealer’s hedging activities as a consequence of becoming, or of the risk of becoming, a Section 16 “insider”, including without limitation, any forbearance from hedging activities or cessation of hedging activities and any losses in connection therewith with respect to the Transaction), claims, damages, judgments, liabilities and expenses (including reasonable attorney’s fees), joint or several, which an Indemnified Person may become subject to, as a result of Counterparty’s failure to provide Dealer with a Repurchase Notice on the day and in the manner specified in this paragraph, and to reimburse, within 30 days, upon written request, each of such Indemnified Persons for any reasonable legal or other expenses incurred in connection with investigating, preparing for, providing testimony or other evidence in connection with or defending any of the foregoing. If any suit, action, proceeding (including any governmental or regulatory investigation), claim or demand shall be brought or asserted against the Indemnified Person as a result of Counterparty’s failure to provide Dealer with a Repurchase Notice in accordance with this paragraph, such Indemnified Person shall promptly notify Counterparty in writing, and Counterparty, upon request of the Indemnified Person, shall retain counsel reasonably satisfactory to the Indemnified Person to represent the Indemnified Person and any others Counterparty may designate in such proceeding and shall pay the fees and expenses of such counsel related to such proceeding. Counterparty shall not be liable for any settlement of any proceeding contemplated by this paragraph that is effected without its written consent, but if settled with such consent or if there be a final judgment for the plaintiff, Counterparty agrees to indemnify any Indemnified Person from and against any loss or liability by reason of such settlement or judgment. Counterparty shall not, without the prior written consent of the Indemnified Person, effect any settlement of any pending or threatened proceeding contemplated by this paragraph that is in respect of which any Indemnified Person is or could have been a party and indemnity could have been sought hereunder by such Indemnified Person, unless such settlement includes an unconditional release of such Indemnified Person from all liability on claims that are the subject matter of such proceeding on terms reasonably satisfactory to such Indemnified Person. If the indemnification provided for in this paragraph is unavailable to an Indemnified Person or insufficient in respect of any losses, claims, damages or liabilities referred to therein, then Counterparty hereunder, in lieu of indemnifying such Indemnified Person thereunder, shall contribute to the amount paid or payable by such Indemnified Person as a result of such losses, claims, damages or liabilities. The remedies provided for in this paragraph (b) are not exclusive and shall not limit any rights or remedies which may otherwise be available to any Indemnified Person at law or in equity. The indemnity and contribution agreements contained in this paragraph shall remain operative and in full force and effect regardless of the termination of the Transaction.

- (c) *Regulation M.* Counterparty is not on the Trade Date engaged in a distribution, as such term is used in Regulation M under the Securities Exchange Act of 1934, as amended (the **“Exchange Act”**), of any securities of Counterparty, other than a distribution meeting the requirements of the exception set forth in Rules 101(b)(10) and 102(b)(7) of Regulation M. Counterparty shall not, until the second Scheduled Trading Day immediately following the Effective Date, engage in any such distribution.

- (d) No Manipulation. Counterparty is not entering into the Transaction to create actual or apparent trading activity in the Shares (or any security convertible into or exchangeable for the Shares) or to raise or depress or otherwise manipulate the price of the Shares (or any security convertible into or exchangeable for the Shares) or otherwise in violation of the Exchange Act.
- (e) Transfer or Assignment.
- (i) Counterparty may not transfer any of its rights or obligations under the Transaction without the prior written consent of Dealer.
- (ii) Dealer may, without Counterparty's consent, transfer or assign all or any part of its rights or obligations under the Transaction to any affiliate of Dealer (1) that has a long-term issuer rating that is equal to or better than Dealer's credit rating at the time of such transfer or assignment and (2) whose obligations hereunder will be guaranteed pursuant to the Credit Support Document (as specified below) and pursuant to the terms of a reasonable and customary guarantee of payment, which may be in a form used by Dealer generally for similar transactions, by Dealer or Dealer's ultimate parent entity, provided that (A) no Event of Default, Potential Event of Default or Termination Event with respect to which Dealer or such affiliate is the Defaulting Party or an Affected Party, as the case may be, exists or would result therefrom, (B) no event giving rise to a right or responsibility to terminate or cancel, make an adjustment to the terms of or demand a payment under the Transaction (or any portion thereof) would result therefrom, and (C) Counterparty shall not, as a result of such assignment or transfer, (i) be required to pay to Dealer or such affiliate an additional amount in respect of an Indemnifiable Tax, (ii) receive a payment from which an amount is required to be deducted or withheld for or on account of a Tax as to which no additional amount is required to be paid, or (iii) become subject to the laws or jurisdiction of any country other than the United States of America.
- (iii) If at any time at which (A) the Section 13 Percentage exceeds 7.5%, (B) the Option Equity Percentage exceeds 7.5%, (C) the Share Amount exceeds the Applicable Share Limit (if any applies), or (D) the REIT Tax Ownership exceeds 7.5% in value or in number (whichever is more restrictive) of Shares (any such condition described in clauses (A), (B), (C), or (D), an "**Excess Ownership Position**"), then Dealer may designate any Exchange Business Day as an Early Termination Date with respect to a portion of the Transaction (the "**Terminated Portion**"), such that following such partial termination no Excess Ownership Position exists. In the event that Dealer so designates an Early Termination Date with respect to a portion of the Transaction, a payment shall be made pursuant to Section 6 of the Agreement as if (1) an Early Termination Date had been designated in respect of a Transaction having terms identical to the Transaction and a Number of Options equal to the number of Options underlying the Terminated Portion, (2) Counterparty were the sole Affected Party with respect to such partial termination and (3) the Terminated Portion were the sole Affected Transaction (and, for the avoidance of doubt, the provisions of Section 9(l) shall apply to any amount that is payable by Dealer to Counterparty pursuant to this sentence as if Counterparty was not the Affected Party). The "**Section 13 Percentage**" as of any day is the fraction, expressed as a percentage, (A) the numerator of which is the number of Shares that Dealer and any of its affiliates or any other person subject to aggregation with Dealer for purposes of the "beneficial ownership" test under Section 13 of the Exchange Act,

or any “group” (within the meaning of Section 13 of the Exchange Act) of which Dealer is or may be deemed to be a part beneficially owns (within the meaning of Section 13 of the Exchange Act), without duplication, on such day (or, to the extent that for any reason the equivalent calculation under Section 16 of the Exchange Act applies with respect to the Shares and the rules and regulations thereunder results in a higher number, such higher number) and (B) the denominator of which is the number of Shares outstanding on such day. The “**Option Equity Percentage**” as of any day is the fraction, expressed as a percentage, (A) the numerator of which is the sum of (1) the product of (x) the Number of Options, (y) the Option Entitlement and (z) the number of Shares represented by one Share and (2) the aggregate number of Shares underlying any other call option transaction sold by Dealer to Counterparty, and (B) the denominator of which is the number of Shares outstanding. The “**Share Amount**” as of any day is the number of Shares that Dealer and any person whose ownership position would be aggregated with that of Dealer (Dealer or any such person, a “**Dealer Person**”) under any law, rule, regulation, regulatory order or organizational documents or contracts of Counterparty that are, in each case, applicable to ownership of Shares (“**Applicable Restrictions**”), owns, beneficially owns, constructively owns, controls, holds the power to vote or otherwise meets a relevant definition of ownership under any Applicable Restriction, as determined by Dealer in its reasonable discretion. The “**Applicable Share Limit**” means a number of Shares equal to (A) the minimum number of Shares that could give rise to reporting or registration obligations or other requirements (including obtaining prior approval from any person or entity) of a Dealer Person, or could result in an adverse effect on a Dealer Person, under any Applicable Restriction, as determined by Dealer in its reasonable discretion, minus (B) 1% of the number of Shares outstanding. The “**REIT Tax Ownership**” means as of any day, the ownership of Shares by Dealer held directly or indirectly (including by nominee), and includes (i) interests that would be treated as owned through the application of Section 544 of the Internal Revenue Code of 1986, as amended (the “**Tax Code**”), as modified by Section 856(h)(1)(B) of the Tax Code, and (ii) interests that would be treated as owned through the application of Section 318(a) of the Tax Code, as modified by Section 856(d)(5) of the Tax Code.

- (iv) Notwithstanding any other provision in this Confirmation to the contrary requiring or allowing Dealer to purchase, sell, receive or deliver any Shares or other securities, or make or receive any payment in cash, to or from Counterparty, Dealer may designate any of its affiliates to purchase, sell, receive or deliver such Shares or other securities, or to make or receive such payment in cash, and otherwise to perform Dealer’s obligations in respect of the Transaction and any such designee may assume such obligations. Dealer shall be discharged of its obligations to Counterparty to the extent of any such performance.
- (f) Staggered Settlement. If upon advice of counsel with respect to applicable legal and regulatory requirements, including any requirements relating to Dealer’s hedging activities hereunder, Dealer reasonably determines that it would not be practicable or advisable to deliver, or to acquire Shares to deliver, any or all of the Shares to be delivered by Dealer on any Settlement Date for the Transaction, Dealer may, by notice to Counterparty on or prior to any Settlement Date (a “**Nominal Settlement Date**”), elect to deliver the Shares on two or more dates (each, a “**Staggered Settlement Date**”) as follows:

- (i) in such notice, Dealer will specify to Counterparty the related Staggered Settlement Dates (the first of which will be prior to such Nominal Settlement Date and the last of which will be no later than such Nominal Settlement Date) and the number of Shares that it will deliver on each Staggered Settlement Date;
 - (ii) the aggregate number of Shares that Dealer will deliver to Counterparty hereunder on all such Staggered Settlement Dates will equal the number of Shares that Dealer would otherwise be required to deliver on such Nominal Settlement Date; and
 - (iii) if the Net Share Settlement terms set forth above were to apply on the Nominal Settlement Date, then the Net Share Settlement terms will apply on each Staggered Settlement Date, except that the Shares otherwise deliverable on such Nominal Settlement Date will be allocated among such Staggered Settlement Dates as specified by Dealer in the notice referred to in clause (i) above.
- (g) *Role of Agent.* As a broker-dealer registered with the U.S. Securities and Exchange Commission (“SEC”), Credit Suisse Securities (USA) LLC in its capacity as Agent will be responsible for (i) effecting the Transactions, (ii) issuing all required confirmations and statements to Dealer and Counterparty, (iii) maintaining books and records relating to the Transactions as required by Rules 17a-3 and 17a-4 under the Exchange Act and (iv) unless otherwise requested by Counterparty, receiving, delivering, and safeguarding Counterparty’s funds and any securities in connection with each Transaction, in compliance with Rule 15c3-3 under the Exchange Act.
- Credit Suisse Securities (USA) LLC is acting in connection with the Transactions solely in its capacity as Agent for Dealer and Counterparty pursuant to instructions from Dealer and Counterparty. Credit Suisse Securities (USA) LLC shall have no responsibility or personal liability to Dealer or Counterparty arising from any failure by Dealer or Counterparty to pay or perform any obligations hereunder, or to monitor or enforce compliance by Dealer or Counterparty with any obligation hereunder, including without limitation, any obligations to maintain collateral. Each of Dealer and Counterparty agrees to proceed solely against the other to collect or recover any securities or monies owing to it in connection with or as a result of the Transactions. Credit Suisse Securities (USA) LLC shall otherwise have no liability in respect of the Transactions, except for its gross negligence or willful misconduct in performing its duties as Agent.
- (h) *QFC Stay Provisions.* To the extent that the QFC Stay Rules are applicable hereto, then the parties agree that (i) to the extent that prior to the date hereof both parties have adhered to the ISDA 2018 U.S. Resolution Stay Protocol (the “Protocol”), the terms of the Protocol are incorporated into and form a part of this Confirmation, and for such purposes this Confirmation shall be deemed a Protocol Covered Agreement and each party shall be deemed to have the same status as “Regulated Entity” and/or “Adhering Party” as applicable to it under the Protocol; (ii) to the extent that prior to the date hereof the parties have executed a separate agreement the effect of which is to amend the qualified financial contracts between them to conform with the requirements of the QFC Stay Rules (the “Bilateral Agreement”), the terms of the Bilateral Agreement are incorporated into and form a part of this Confirmation and each party shall be deemed to have the status of “Covered Entity” or “Counterparty Entity” (or other similar term) as applicable to it under the Bilateral Agreement; or (iii) if clause (i) and clause (ii) do not apply, the terms of Section 1 and Section 2 and the related defined terms (together, the “Bilateral Terms”) of the form of bilateral template entitled “Full-Length Omnibus (for use between U.S. G-SIBs and Corporate Groups)” published by ISDA on November 2, 2018 (currently available on

the 2018 ISDA U.S. Resolution Stay Protocol page at www.isda.org and, a copy of which is available upon request), the effect of which is to amend the qualified financial contracts between the parties thereto to conform with the requirements of the QFC Stay Rules, are hereby incorporated into and form a part of this Confirmation, and for such purposes this Confirmation shall be deemed a “Covered Agreement,” Dealer shall be deemed a “Covered Entity” and Counterparty shall be deemed a “Counterparty Entity.” In the event that, after the date of this Confirmation, both parties hereto become adhering parties to the Protocol, the terms of the Protocol will replace the terms of this paragraph. In the event of any inconsistencies between this Confirmation and the terms of the Protocol, the Bilateral Agreement or the Bilateral Terms (each, the “**QFC Stay Terms**”), as applicable, the QFC Stay Terms will govern. Terms used in this paragraph without definition shall have the meanings assigned to them under the QFC Stay Rules. For purposes of this paragraph, references to “this Confirmation” include any related credit enhancements entered into between the parties or provided by one to the other. In addition, the parties agree that the terms of this paragraph shall be incorporated into any related covered affiliate credit enhancements, with all references to Dealer replaced by references to the covered affiliate support provider.

“**QFC Stay Rules**” means the regulations codified at 12 C.F.R. 252.2, 252.81–8, 12 C.F.R. 382.1-7 and 12 C.F.R. 47.1-8, which, subject to limited exceptions, require an express recognition of the stay-and-transfer powers of the FDIC under the Federal Deposit Insurance Act and the Orderly Liquidation Authority under Title II of the Dodd Frank Wall Street Reform and Consumer Protection Act and the override of default rights related directly or indirectly to the entry of an affiliate into certain insolvency proceedings and any restrictions on the transfer of any covered affiliate credit enhancements.

(i) *Additional Termination Events.*

- (i) Notwithstanding anything to the contrary in this Confirmation, upon any conversion of a Convertible Note occurring prior to the 5th Scheduled Valid Day immediately prior to the earliest scheduled Expiration Date, regardless of Component, listed on Annex A to this Confirmation (any such conversion, an “**Early Conversion**”) in respect of which a Conversion Notice that is effective as to Counterparty has been delivered by the relevant converting Holder:
 - (A) Counterparty may, within one Scheduled Trading Day of the date on which the Holder (as such term is defined in the Indenture) of such Convertible Note satisfies all of the requirements for conversion thereof as set forth in Section 5.02 of the Indenture (the “**Conversion Date**”) for such Early Conversion, provide written notice (an “**Early Conversion Notice**”) to Dealer specifying the number of Convertible Notes surrendered for conversion on such Conversion Date (such Convertible Notes, the “**Affected Convertible Notes**”), and the giving of such Early Conversion Notice shall constitute an Additional Termination Event as provided in this clause (i) (*provided* that Counterparty acknowledges its responsibilities under applicable securities laws, and in particular Section 9 and Section 10(b) of the Exchange Act and the rules and regulations thereunder, in respect of any Early Conversion Notice);
 - (B) upon receipt of any such Early Conversion Notice, Dealer shall designate an Exchange Business Day as an Early Termination Date (which Exchange Business Day shall be no earlier than one Scheduled Trading Day

following the Conversion Date for such Early Conversion) with respect to the portion of the Transaction corresponding to a number of Options (the “**Affected Number of Options**”) equal to the lesser of (x) the number of Affected Convertible Notes and (y) the Number of Options as of the Conversion Date for such Early Conversion;

- (C) any payment hereunder with respect to such termination shall be calculated pursuant to Section 6 of the Agreement as if (x) an Early Termination Date had been designated in respect of a Transaction having terms identical to the Transaction and a Number of Options equal to the Affected Number of Options, (y) Counterparty were the sole Affected Party with respect to such Additional Termination Event and (z) the terminated portion of the Transaction were the sole Affected Transaction;
 - (D) for the avoidance of doubt, in determining the amount payable in respect of such Affected Transaction pursuant to Section 6 of the Agreement, the Calculation Agent shall assume that (x) the relevant Early Conversion and any conversions, adjustments, agreements, payments, deliveries or acquisitions by or on behalf of Counterparty leading thereto had not occurred, (y) no adjustments to the Conversion Rate have occurred pursuant to any Excluded Provision and (z) the corresponding Convertible Notes remain outstanding; and
 - (E) the Transaction shall remain in full force and effect, except that, as of the Conversion Date for such Early Conversion, the Number of Options shall be reduced by the Affected Number of Options.
- (ii) Promptly (but in any event within five Scheduled Trading Days) following any Repurchase Event (as defined below), Counterparty may notify Dealer of such Repurchase Event and the aggregate principal amount of Convertible Notes subject to such Repurchase Event (any such notice, a “**Convertible Notes Repurchase Notice**”); *provided* that any such Convertible Notes Repurchase Notice shall contain an acknowledgment by Counterparty of its responsibilities under applicable securities laws, and in particular Section 9 and Section 10(b) of the Exchange Act and the rules and regulations thereunder, in respect of such Repurchase Event and the delivery of such Convertible Notes Repurchase Notice. The receipt by Dealer from Counterparty of any Convertible Notes Repurchase Notice shall constitute an Additional Termination Event as provided in this paragraph. Upon receipt of any such Convertible Notes Repurchase Notice, Dealer shall designate an Exchange Business Day following receipt of such Convertible Notes Repurchase Notice (which Exchange Business Day shall be no earlier than one Scheduled Trading Day following the settlement date for such Repurchase Event) as an Early Termination Date with respect to the portion of the Transaction corresponding to a number of Options (the “**Repurchase Options**”) equal to the lesser of (A) the aggregate principal amount of such Convertible Notes specified in such Convertible Notes Repurchase Notice, *divided by* USD 1,000 and (B) the Number of Options as of the date Dealer designates such Early Termination Date and, as of such date, the Number of Options shall be reduced by the number of Repurchase Options. Any payment hereunder with respect to such termination (the “**Repurchase Unwind Payment**”) shall be calculated pursuant to Section 6 of the Agreement as if (1) an Early Termination Date had been designated in respect of a Transaction having terms identical to the Transaction and a Number of Options

equal to the number of Repurchase Options, (2) Counterparty were the sole Affected Party with respect to such Additional Termination Event and (3) the terminated portion of the Transaction were the sole Affected Transaction (and, for the avoidance of doubt, in determining the amount payable in respect of such Affected Transaction pursuant to Section 6 of the Agreement, Dealer shall assume that (x) the relevant Repurchase Event and any conversions, adjustments, agreements, payments, deliveries or acquisitions by or on behalf of Counterparty leading thereto had not occurred, (y) no adjustments to the Conversion Rate have occurred pursuant to any Excluded Provisions and (z) the corresponding Convertible Notes remain outstanding). “**Repurchase Event**” means that (i) any Convertible Notes are repurchased (whether pursuant to Section 4.01 of the Indenture, Section 6.01 of the Indenture or otherwise) by Counterparty or any of its subsidiaries, (ii) any Convertible Notes are delivered to Counterparty in exchange for delivery of any property or assets of Counterparty or any of its subsidiaries (howsoever described), (iii) any principal of any of the Convertible Notes is repaid prior to the final maturity date of the Convertible Notes (other than upon acceleration of the Convertible Notes described in clause (a) of this Section), or (iv) any Convertible Notes are exchanged by or for the benefit of the holders thereof for any other securities of Counterparty or any of its affiliates (or any other property, or any combination thereof) pursuant to any exchange offer or similar transaction; *provided* that any conversion of Convertible Notes pursuant to the terms of the Indenture shall not constitute a Repurchase Event. Counterparty acknowledges and agrees that if an Additional Termination Event has occurred under this Section 9(i)(ii) that any related Convertible Notes subject to a Repurchase Event will be promptly cancelled under the applicable provisions of the Indenture and, in any event, will be deemed to be cancelled and disregarded and no longer outstanding for all purposes hereunder.

- (iii) Notwithstanding anything to the contrary in this Confirmation, upon the occurrence of a Share Price Event (as defined below), (1) Dealer shall have the right to designate such event an Additional Termination Event and designate an Early Termination Date pursuant to Section 6(b) of the Agreement, (2) Counterparty shall be deemed the sole Affected Party with respect to such Additional Termination Event and (3) the Transaction, or, at the election of Dealer in its reasonable discretion, any portion of the Transaction, shall be deemed the sole Affected Transaction; provided that if Dealer so designates an Early Termination Date with respect to a portion of the Transaction, (a) a payment shall be made pursuant to Section 6 of the Agreement as if an Early Termination Date had been designated in respect of a Transaction having terms identical to the Transaction and a Number of Options equal to the number of Options included in the terminated portion of the Transaction, and (b) for the avoidance of doubt, the Transaction shall remain in full force and effect except that the Number of Options shall be reduced by the number of Options included in such terminated portion:

“**Share Price Event**” means as of the Valuation Time on any three Valid Days during a period of five consecutive Valid Days the price per Share is (i) equal to or less than 60% of the price per Share as of the Valuation Time on the Trade Date (the “**Initial Share Price**”) or (ii) equal to or greater than 170% of the Initial Share Price.

(j) *Amendments to Equity Definitions.*

- (i) Section 11.2(e)(vii) of the Equity Definitions is hereby amended by deleting the words “a diluting or concentrative” and replacing them with the words “a material” and adding the phrase “or the Options” at the end of the sentence.
- (ii) Section 12.6(a)(ii) of the Equity Definitions is hereby amended by (1) inserting “(1)” immediately following the word “means” in the first line thereof and (2) inserting immediately prior to the semi-colon at the end of subsection (B) thereof the following words: “or (2) the occurrence of any of the events specified in Section 5(a)(vii)(1) through (9) of the ISDA Master Agreement with respect to that Issuer”.
- (iii) Section 12.9(b)(i) of the Equity Definitions is hereby amended by (1) replacing “either party may elect” with “Dealer may elect” and (2) replacing “notice to the other party” with “notice to Counterparty” in the first sentence of such section.
- (iv) Section 12.9(b)(vi) of the Equity Definitions is hereby amended by (1) adding the word “or” immediately before subsection “(B)”, (2) deleting the comma at the end of subsection (A), (3) deleting subsection (C) in its entirety, (4) deleting the word “or” immediately preceding subsection (C) and (5) replacing the words “either party” in the last sentence of such Section with “Dealer”.
- (v) Section 11.2(c) of the Equity Definitions is hereby amended by (x) replacing the words “a diluting or concentrative” with “an”, (y) adding the phrase “or Options” after the words “the relevant Shares” in the same sentence and (z) deleting the phrase “(provided that no adjustments will be made to account solely for changes in volatility, expected dividends, stock loan rate or liquidity relative to the relevant Shares)” and replacing it with the phrase “(and, for the avoidance of doubt, adjustments may be made to account solely for changes in volatility, expected dividends, stock loan rate or liquidity relative to the relevant Shares).”

(k) No Setoff. Neither party shall have the right to set off any obligation that it may have to the other party under the Transaction against any obligation such other party may have to it, whether arising under the Agreement, this Confirmation or any other agreement between the parties hereto, by operation of law or otherwise, and each party hereby waives any such right to setoff.

(l) *Alternative Calculations and Payment on Early Termination and on Certain Extraordinary Events.* If (a) an Early Termination Date (whether as a result of an Event of Default or a Termination Event) occurs or is designated with respect to the Transaction or (b) the Transaction is cancelled or terminated upon the occurrence of an Extraordinary Event (except as a result of (i) a Nationalization, Insolvency or Merger Event in which the consideration to be paid to holders of Shares consists solely of cash, (ii) an Announcement Event, Merger Event or Tender Offer that is within Counterparty’s control, or (iii) an Event of Default in which Counterparty is the Defaulting Party or a Termination Event in which Counterparty is the Affected Party other than an Event of Default of the type described in Section 5(a)(iii), (v), (vi), (vii) or (viii) of the Agreement or a Termination Event of the type described in Section 5(b) of the Agreement, in each case that resulted from an event or events outside Counterparty’s control), and if Dealer would owe any amount to Counterparty pursuant to Section 6(d)(ii) of the Agreement or any Cancellation Amount pursuant to Article 12 of the Equity Definitions (any such amount, a “**Payment**”

Obligation”), then Dealer shall satisfy the Payment Obligation by the Share Termination Alternative (as defined below), unless (a) Counterparty gives irrevocable telephonic notice to Dealer, confirmed in writing within one Scheduled Trading Day, no later than 12:00 p.m. (New York City time) on the date of the Announcement Event, Merger Date, Tender Offer Date, Announcement Date (in the case of a Nationalization, Insolvency or Delisting), Early Termination Date or date of cancellation, as applicable, of its election that the Share Termination Alternative shall not apply, (b) Counterparty remakes the representation set forth in Section 8(f) as of the date of such election and (c) Dealer agrees, in its sole discretion, to such election, in which case the provisions of Section 12.7 or Section 12.9 of the Equity Definitions, or the provisions of Section 6(d)(ii) of the Agreement, as the case may be, shall apply.

Share Termination Alternative:	If applicable, Dealer shall deliver to Counterparty the Share Termination Delivery Property on, or within a commercially reasonable period of time after, the date when the relevant Payment Obligation would otherwise be due pursuant to Section 12.7 or 12.9 of the Equity Definitions or Section 6(d)(ii) and 6(e) of the Agreement, as applicable, in satisfaction of such Payment Obligation in the manner reasonably requested by Counterparty free of payment.
Share Termination Delivery Property:	A number of Share Termination Delivery Units, as calculated by the Calculation Agent, equal to the Payment Obligation divided by the Share Termination Unit Price. The Calculation Agent shall adjust the Share Termination Delivery Property by replacing any fractional portion of a security therein with an amount of cash equal to the value of such fractional security based on the values used to calculate the Share Termination Unit Price.
Share Termination Unit Price:	The value to Dealer of property contained in one Share Termination Delivery Unit, as determined by the Calculation Agent in its discretion by commercially reasonable means and notified by the Calculation Agent to Dealer at the time of notification of the Payment Obligation. For the avoidance of doubt, the parties agree that in determining the Share Termination Delivery Unit Price the Calculation Agent may consider the purchase price paid in connection with the purchase of Share Termination Delivery Property.
Share Termination Delivery Unit:	One Share or, if the Shares have changed into cash or any other property or the right to receive cash or any other property as the result of a Nationalization, Insolvency or Merger Event (any such cash or other property, the “ Exchange Property ”), a unit consisting of the type and

amount of such Exchange Property received by a holder of one Share (without consideration of any requirement to pay cash or other consideration in lieu of fractional amounts of any securities) in such Nationalization, Insolvency or Merger Event, as determined by the Calculation Agent.

Failure to Deliver:	Applicable
Other applicable provisions:	If Share Termination Alternative is applicable, the provisions of Sections 9.8, 9.9 and 9.11 (as modified above) of the Equity Definitions and the provisions set forth opposite the caption “Representation and Agreement” in Section 2 will be applicable, except that all references in such provisions to “Physically-settled” shall be read as references to “Share Termination Settled” and all references to “Shares” shall be read as references to “Share Termination Delivery Units”. “Share Termination Settled” in relation to the Transaction means that Share Termination Alternative is applicable to the Transaction.

- (m) *Waiver of Jury Trial.* Each party waives, to the fullest extent permitted by applicable law, any right it may have to a trial by jury in respect of any suit, action or proceeding relating to the Transaction. Each party (i) certifies that no representative, agent or attorney of either party has represented, expressly or otherwise, that such other party would not, in the event of such a suit, action or proceeding, seek to enforce the foregoing waiver and (ii) acknowledges that it and the other party have been induced to enter into the Transaction, as applicable, by, among other things, the mutual waivers and certifications provided herein.
- (n) *Registration.* Counterparty hereby agrees that if, in the good faith reasonable judgment of Dealer, the Shares (“**Hedge Shares**”) acquired by Dealer for the purpose of hedging its obligations pursuant to the Transaction cannot be sold in the public market by Dealer without registration under the Securities Act, Counterparty shall, at its election, either (i) in order to allow Dealer to sell the Hedge Shares in a registered offering, make available to Dealer an effective registration statement under the Securities Act and enter into an agreement, in form and substance satisfactory to Dealer, substantially in the form of an underwriting agreement for a registered secondary offering; *provided, however,* that if Dealer, in its sole reasonable discretion, is not satisfied with access to due diligence materials, the results of its due diligence investigation, or the procedures and documentation for the registered offering referred to above, then clause (ii) or clause (iii) of this paragraph shall apply at the election of Counterparty, (ii) in order to allow Dealer to sell the Hedge Shares in a private placement, enter into a private placement agreement substantially similar to private placement purchase agreements customary for private placements of equity securities, in form and substance satisfactory to Dealer (in which case, the Calculation Agent shall make any adjustments to the terms of the Transaction that are necessary, in its reasonable judgment, to compensate Dealer for any discount from the public market price of the Shares incurred on the sale of Hedge Shares in a private placement), or (iii) purchase the Hedge Shares from Dealer at the then-current market price

on such Exchange Business Days, and in the amounts and at such time(s), requested by Dealer.

- (o) *Tax Disclosure.* Effective from the date of commencement of discussions concerning the Transaction, Counterparty and each of its employees, representatives, or other agents may disclose to any and all persons, without limitation of any kind, the tax treatment and tax structure of the Transaction and all materials of any kind (including opinions or other tax analyses) that are provided to Counterparty relating to such tax treatment and tax structure.
- (p) *Right to Extend.* Dealer may divide any Component into additional Components and designate the Expiration Date and the Number of Options for each such Component if Dealer determines, in good faith and a commercially reasonable manner, that such further division is necessary or advisable (i) to preserve Dealer's hedging or hedge unwind activity hereunder in light of existing liquidity conditions, or (ii) to enable Dealer to effect purchases of Shares in connection with its hedging, hedge unwind or settlement activity hereunder in a manner that would, if Dealer were Counterparty or an affiliated purchaser of Counterparty, be compliant and consistent with applicable legal, regulatory or self-regulatory requirements, or with related policies and procedures, generally applicable to transactions of the type of the Transactions, or (iii) to enable Dealer to effect purchases of Shares in connection with its hedging, hedge unwind or settlement activity hereunder in a manner that would not result in the REIT Tax Ownership (as defined in Section 9(e)(iii)) to exceed 7.5% in value or in number (whichever is more restrictive) of Shares; provided that in no event shall any Expiration Date for any Component be postponed to a date later than sixty Scheduled Valid Days after the latest scheduled Expiration Date, regardless of Component, listed on Annex A to this confirmation (the "**Final Termination Date**").
- (q) *Status of Claims in Bankruptcy.* Dealer acknowledges and agrees that this Confirmation is not intended to convey to Dealer rights against Counterparty with respect to the Transaction that are senior to the claims of common or ordinary shareholders of Counterparty in any United States proceedings of Counterparty; *provided* that nothing herein shall limit or shall be deemed to limit Dealer's right to pursue remedies in the event of a breach by Counterparty of its obligations and agreements with respect to the Transaction; *provided, further* that nothing herein shall limit or shall be deemed to limit Dealer's rights in respect of any transactions other than the Transaction.
- (r) *Securities Contract; Swap Agreement.* The parties hereto intend for (i) the Transaction to be a "securities contract" and a "swap agreement" as defined in the Bankruptcy Code (Title 11 of the United States Code) (the "**Bankruptcy Code**"), and the parties hereto to be entitled to the protections afforded by, among other Sections, Sections 362(b)(6), 362(b)(17), 546(e), 546(g), 555 and 560 of the Bankruptcy Code, (ii) a party's right to liquidate the Transaction and to exercise any other remedies upon the occurrence of any Event of Default under the Agreement with respect to the other party to constitute a "contractual right" as described in the Bankruptcy Code, and (iii) each payment and delivery of cash, securities or other property hereunder to constitute a "margin payment" or "settlement payment" and a "transfer" as defined in the Bankruptcy Code.
- (s) *Notice of Certain Other Events.* Counterparty covenants and agrees that promptly following the public announcement of the results of any election by the holders of Shares with respect to the consideration due upon consummation of any Merger Event, Counterparty shall give Dealer written notice of (x) the weighted average of the types and amounts of consideration that holders of Shares have elected to receive upon consummation of such Merger Event or (y) if no holders of Shares affirmatively make such

election, the types and amounts of consideration actually received by holders of Shares (the date of such notification, the “**Consideration Notification Date**”); *provided* that in no event shall the Consideration Notification Date be later than the date on which such Merger Event is consummated.

- (t) *Wall Street Transparency and Accountability Act.* In connection with Section 739 of the Wall Street Transparency and Accountability Act of 2010 (“**WSTAA**”), the parties hereby agree that neither the enactment of WSTAA or any regulation under the WSTAA, nor any requirement under WSTAA or an amendment made by WSTAA, shall limit or otherwise impair either party’s otherwise applicable rights to terminate, renegotiate, modify, amend or supplement this Confirmation or the Agreement, as applicable, arising from a termination event, force majeure, illegality, increased costs, regulatory change or similar event under this Confirmation, the Equity Definitions incorporated herein, or the Agreement (including, but not limited to, rights arising from Change in Law, Hedging Disruption, Increased Cost of Hedging, an Excess Ownership Position, or Illegality (as defined in the Agreement)).
- (u) *Agreements and Acknowledgements Regarding Hedging.* Counterparty understands, acknowledges and agrees that: (A) at any time on and prior to the Expiration Date, Dealer and its affiliates may buy or sell Shares or other securities or buy or sell options or futures contracts or enter into swaps or other derivative securities in order to adjust its hedge position with respect to the Transaction; (B) Dealer and its affiliates also may be active in the market for Shares other than in connection with hedging activities in relation to the Transaction; (C) Dealer shall make its own determination as to whether, when or in what manner any hedging or market activities in securities of Issuer shall be conducted and shall do so in a manner that it deems appropriate to hedge its price and market risk with respect to the Relevant Prices; and (D) any market activities of Dealer and its affiliates with respect to Shares may affect the market price and volatility of Shares, as well as the Relevant Prices, each in a manner that may be adverse to Counterparty.
- (v) *Early Unwind.* In the event the sale of the “Underwritten Securities” (as defined in the Underwriting Agreement) is not consummated with the Initial Purchasers for any reason, or Counterparty fails to deliver to Dealer opinions of counsel as required pursuant to Section 9(a), in each case by 5:00 p.m. (New York City time) on the Premium Payment Date, or such later date as agreed upon by the parties (the Premium Payment Date or such later date the “**Early Unwind Date**”), the Transaction shall automatically terminate (the “**Early Unwind**”), on the Early Unwind Date and (i) the Transaction and all of the respective rights and obligations of Dealer and Counterparty under the Transaction shall be cancelled and terminated and (ii) each party shall be released and discharged by the other party from and agrees not to make any claim against the other party with respect to any obligations or liabilities of the other party arising out of and to be performed in connection with the Transaction either prior to or after the Early Unwind Date. Each of Dealer and Counterparty represents and acknowledges to the other that, subject to the proviso included in this Section 9(v), upon an Early Unwind, all obligations with respect to the Transaction shall be deemed fully and finally discharged.
- (w) *Payment by Counterparty.* In the event that, following payment of the Premium, (i) an Early Termination Date occurs or is designated with respect to the Transaction as a result of a Termination Event or an Event of Default (other than an Event of Default arising under Section 5(a)(ii) or 5(a)(iv) of the Agreement) and, as a result, Counterparty owes to Dealer an amount calculated under Section 6(e) of the Agreement, or (ii) Counterparty owes to Dealer, pursuant to Section 12.7 or Section 12.9 of the Equity Definitions, an amount

calculated under Section 12.8 of the Equity Definitions, such amount shall be deemed to be zero.

The parties further agree that, solely for purposes of applying such provisions and amendments to the Agreement with respect to this Transaction, references to “each Covered Master Agreement” in the 871(m) Protocol will be deemed to be references to the Agreement with respect to this Transaction, and references to the “Implementation Date” in the 871(m) Protocol will be deemed to be references to the Trade Date of this Transaction.
