RELATING TO THE COMMON STOCK OF
CHIMERA INVESTMENT CORPORATION

This Amendment No. 3 to Schedule 13D amends and supplements the Schedule 13D originally filed by Annaly Capital Management, Inc. on November 30, 2007 and amended on November 7, 2008 and April 22, 2009.

ITEM 1. SECURITY AND ISSUER.

Item 1 is amended and supplemented to include the following:

This statement on Schedule 13D/A (this “Statement”) relates to the common stock, par value \$0.01 per share (the “Common Stock”), of Chimera Investment Corporation, a Maryland corporation (the “Issuer”).

The principal executive offices of the Issuer are located at 1211 Avenue of the Americas, Suite 2902, New York, New York 10036.

ITEM 2. IDENTITY AND BACKGROUND.

Item 2 is amended and supplemented to include the following:

- (a) Annaly Capital Management, Inc. (“Annaly”).
- (b) Annaly is a Maryland corporation and its principal office is at 1211 Avenue of the Americas, Suite 2902, New York, New York 10036.
- (c) Annaly manages assets on behalf of institutional and individual investors worldwide directly through Annaly and through the funds managed by its investment advisory subsidiaries. Annaly is primarily engaged in the business of investing, on a leveraged basis, in U.S. government agency mortgage-backed securities. Fixed Income Discount Advisory Company (“FIDAC”), a wholly-owned subsidiary of Annaly, serves as the external investment manager of the Issuer pursuant to a management agreement.
- (d) During the last five years, Annaly has not been convicted in a criminal proceeding.
- (e) During the last five years, Annaly has not been a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding been subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities law or finding any violation with respect to such law.

ITEM 3. SOURCE AND AMOUNT OF FUNDS OR OTHER CONSIDERATION.

Item 3 is amended and supplemented to include the following:

Annaly purchased 4,724,017 shares of Common Stock on June 2, 2009 pursuant to the Stock Purchase Agreement, dated May 27, 2009. The aggregate purchase price of the 4,724,017 shares of Common Stock (the “Annaly Shares”) acquired by Annaly was \$15,211,335. Annaly provided internally generated funds to pay the purchase price for the Annaly Shares.

Prior to the purchase of the Annaly Shares, Annaly owned an aggregate of 40,258,748 shares of Common Stock.

ITEM 4. PURPOSE OF THE TRANSACTION.

Item 4 is amended and supplemented to include the following:

Annaly acquired the Annaly Shares for investment purposes only in a private offering from the Issuer immediately after the Issuer's follow-on public offering of Common Stock at the same price per share as the price per share in the follow-on public offering. Annaly has no plans or proposals that relate to or would result in any of the transactions specified in clauses (a) through (j) of Item 4 of Schedule 13D, except for the following: Annaly's wholly owned subsidiary, FIDAC, is the Issuer's external investment manager, and it can be expected that the Issuer may access the capital markets from time to time pursuant to underwritten public offerings. In addition, the Issuer, in the ordinary course of its business, will be purchasing whole mortgage loans and asset backed securities, and it can be expected that these assets will be sold from time to time. Annaly reserves the right to change its intentions and plans at any time it deems appropriate.

In addition, the matters set forth in Item 6 below are incorporated in this Item 4 by reference as if fully set forth herein.

ITEM 5. INTEREST IN SECURITIES OF THE ISSUER.

Item 5 is amended and supplemented to include the following:

Annaly beneficially owns an aggregate of 44,982,765 shares of Common Stock, which represents 6.8% of the outstanding shares of Common Stock. The percentage is based on 665,601,769 shares of Common Stock outstanding on June 2, 2009.

Annaly has the sole power to vote and the sole power to dispose of 44,982,765 shares of Common Stock.

The Issuer and Annaly entered into a stock purchase agreement on May 27, 2009 (the "Stock Purchase Agreement"). Pursuant to the Stock Purchase Agreement, Annaly acquired the Annaly Shares from the Issuer on June 2, 2009.

The Issuer and Annaly entered into the Stock Purchase Agreement on May 27, 2009. Pursuant to the Stock Purchase Agreement, Annaly acquired the Annaly Shares from the Issuer on June 2, 2009.

Annaly will not until the earlier of (i) the date which is three years after June 2, 2009 or (ii) the termination of the management agreement between the Issuer and FIDAC, without the prior written consent of the Issuer, sell, pledge, or otherwise dispose of, directly or indirectly, the shares of Common Stock of the Issuer.

Management Agreement:

The Issuer is externally managed and advised by FIDAC, a wholly owned subsidiary of Annaly. The Issuer and FIDAC entered into a management agreement on November 21, 2007, as amended on October 13, 2008 and October 19, 2008. AGREEMENT

NOW, THEREFORE, in consideration of the foregoing recitals and the mutual promises hereinafter set forth, and, other good and valuable consideration, the parties hereto agree as follows:

ARTICLE 1

Section 2.2 Delivery. Subject to the terms of this Agreement, within five (5) days of the Closing, the Company will deliver to the Purchaser the certificates representing the Shares to be purchased by the Purchaser from the Company.

ARTICLE 3

REPRESENTATIONS AND WARRANTIES OF THE COMPANY

Section 3.1 Representations and Warranties by the Company. The Company hereby represents and warrants to the Purchaser as of the Closing date as follows:

(a) The Company has been duly formed and incorporated and is existing as a corporation in good standing under the laws of the State of Maryland, is duly qualified to do business and is in good standing as a foreign corporation in each jurisdiction in which its ownership or lease of property or assets or the conduct of its business requires such qualification, except where the failure to so qualify would not have a material adverse effect on the business, assets, properties, prospects, financial condition or results of operation of the Company taken as a whole (a “Material Adverse Effect”), and has full corporate power and authority necessary to own, hold, lease and/or operate its assets and properties, to conduct the business in which it is engaged and to enter into and perform its obligations under this Agreement and to consummate the transactions contemplated hereby, and the Company is in compliance in all material respects with the laws, orders, rules, regulations and directives issued or administered by such jurisdictions.

(b) The authorized capital stock of the Company is 1,100,000,000 shares of stock, consisting of 1,000,000,000 shares of Common Stock, of which 472,401,769 shares are issued and outstanding as of the date hereof, and 100,000,000 shares of preferred stock, par value \$0.01 per share, of which none are issued and outstanding. All of the issued and outstanding shares of capital stock have been duly and validly authorized and issued and are fully paid and non-assessable, have been issued in compliance with all federal and state securities laws and were not issued in violation of any preemptive right, resale right, right of first refusal or similar right.

(c) The Shares have been duly and validly authorized by the Company for issuance and sale pursuant to this Agreement and, when issued and delivered against payment therefor as provided herein, will be duly and validly issued and fully paid and

non-assessable, free and clear of any pledge, lien, encumbrance, security interest or other claim.

(d) The certificates for the Shares are in due and proper form and the holders of the Shares will not be subject to personal liability by reason of being such holders.

(e) This Agreement has been duly authorized, executed and delivered by the Company and constitutes a valid and binding agreement of the Company enforceable in accordance with its terms, except to the extent that enforcement thereof may be limited by bankruptcy, insolvency, reorganization or other laws affecting enforcement of creditors’ rights or by general equitable principles.

(f) The management agreement (the “Management Agreement”), dated as of November 21, 2007, between the Company and Fixed Income Discount Advisory Company (the “Manager”), as amended on October 13, 2008, and October 19, 2008, has been duly authorized, executed and delivered by the Company and constitutes a valid and binding agreement of the Company enforceable in accordance with its terms, except to the extent that enforcement thereof may be limited by bankruptcy, insolvency, reorganization or other laws affecting enforcement of creditors’ rights or by general equitable principles.

(g) The Company has no “significant subsidiaries” (as such term is defined in Rule 1-02 of Regulation S-X promulgated under the Securities Act of 1933, as amended (the “Securities Act”)) and, except for the equity of Chimera Securities Holdings, LLC, does not own, directly or indirectly, any shares of stock or any other equity or long-term debt securities of any corporation or have any equity interest in any firm, partnership, joint venture, association or other entity. Complete and correct copies of the articles of incorporation and of the bylaws of the Company and all amendments thereto have been delivered to the Purchaser and, except as set forth in the forms of documents delivered to the Purchaser, no changes therein will be made subsequent to the date hereof and prior to the time of purchase.

The

selected financial and statistical data delivered to the Purchaser present fairly the information shown therein and, to the extent based upon or derived from the financial statements, have been compiled on a basis consistent with the financial statements presented therein.

(i) The Company is insured by insurers of recognized financial responsibility against such losses and risks and in such amounts as are prudent and customary in the business in which it is engaged. The Company has no reason to believe that it will not be able to renew its existing insurance coverage as and when such coverage expires or to

obtain similar coverage from similar insurers as may be necessary to continue its business at a cost that would not have a Material Adverse Effect.

(j) The Company is not in breach of, or in default under (nor has any event occurred which with notice, lapse of time, or both would result in any breach of, or constitute a default under), (i) its articles of incorporation or bylaws or (ii) any obligation, agreement, covenant or condition contained in any contract, license, repurchase agreement, indenture, mortgage, deed of trust, bank loan or credit agreement, note, lease or other evidence of indebtedness, or any lease, contract or other agreement or instrument to which the Company is a party or by which it or any of its assets or properties may be bound or affected, the effect of which breach or default under clause (ii) above could have a Material Adverse Effect. The execution, delivery and performance of this Agreement, the issuance and sale of the Shares and the consummation of the transactions contemplated hereby will not conflict with, or result in any breach of, constitute a default under or a Repayment Event (as defined below) under (nor constitute any event which with notice, lapse of time, or both would result in any breach of, constitute a default under or a Repayment Event under), (i) any provision of the articles of incorporation or bylaws of the Company, (ii) any provision of any contract, license, repurchase agreement, indenture, mortgage, deed of trust, bank loan or credit agreement, note, lease or other evidence of indebtedness, or any lease, contract or other agreement or instrument to which the Company is a party or by which the Company or any of its assets or properties may be bound or affected, the effect of which could have a Material Adverse Effect, or (iii) under any federal, state, local or foreign law, regulation or rule or any decree, judgment or order applicable to the Company. As used herein, a “Repayment Event” means any event or condition which gives the holder of any note, debenture or other evidence of indebtedness (or any person acting on such holder’s behalf) the right to require the repurchase, redemption or repayment of all or a portion of such indebtedness by the Company or any of its subsidiaries.

(k) There are no actions, suits, claims, investigations, inquiries or proceedings pending or, to the best of the Company’s knowledge, threatened to which the Company or any of its officers or directors is a party or of which any of its properties or other assets is subject at law or in equity, or before or by any federal, state, local or foreign governmental or regulatory commission, board, body, authority or agency which could result in a judgment, decree or order having a Material Adverse Effect.

(l) No approval, authorization, consent or order of or filing with any national, state or local governmental or regulatory commission, board, body, authority or agency is required in connection with the issuance and sale of the Shares or the consummation by the Company of the transaction contemplated hereby other than any necessary qualification under the securities or blue sky laws of the various jurisdictions in which the Shares are being offered by the Company.

(m) The Company has all necessary licenses, authorizations, consents and approvals and has made all necessary filings required under any federal, state, local or foreign law, regulation or rule, and has obtained all necessary permits, authorizations, consents and approvals from other Persons (as defined below), in order to conduct its

business, except as such as could not have a Material Adverse Effect. The Company is not required by any applicable law to obtain accreditation or certification from any governmental agency or authority in order to provide the products and services which it currently provides or which it proposes to provide except as such as could not have a Material Adverse Effect. The Company is not in violation of, or in default under, any such license, permit, authorization, consent or approval or any federal, state, local or foreign law, regulation or rule or any decree, order or judgment applicable to the Company, the effect of which could have a Material Adverse Effect.

(n) The Company has not incurred any liability for any finder’s fees or similar payments in connection with the transactions herein contemplated.

(o) The Company owns or possesses adequate license or other rights to use all patents, trademarks, service marks, trade names, copyrights, software and design licenses, trade secrets, manufacturing processes, other intangible property rights and know-how (collectively, “Intangibles”) necessary to entitle the Company to conduct its business, and the Company has not received notice of infringement of or conflict with (and the Company knows of no such infringement of or conflict with) asserted rights of others with respect to any Intangibles which could have a Material Adverse Effect.

(p) The Company has filed all federal, state and foreign income and franchise tax returns required to be filed on or prior to the date hereof and has paid taxes shown as due thereon (or that are otherwise due and payable), other than taxes which are being contested in good faith and for which adequate reserves have been established in accordance with generally accepted accounting principles. The Company has no knowledge, after due inquiry, of any tax deficiency which has been asserted or threatened against the Company. To the knowledge of the Company, there are no tax returns of the Company that are currently being audited by federal, state or local taxing authorities or agencies which would have a Material Adverse Effect.

(q) The Company is not in violation, and has not received notice of any violation with respect to, any applicable environmental, safety or similar law applicable to the business of the Company. The Company has received all permits, licenses or other approvals required of them under applicable federal and state occupational safety and health and environmental laws and regulations to conduct its business, and the Company is in compliance with all terms and conditions of any such permit, license or approval, except any such violation of law or regulation, failure to receive required permits, licenses or other approvals or failure to comply with the terms and conditions of such permits, licenses or approvals which could not, singly or in the aggregate, have a Material Adverse Effect.

(r) There are no existing or threatened labor disputes with the employees of the Company which are likely to have individually or in the aggregate a Material Adverse Effect.

(s) Neither the Company nor any of its subsidiaries nor, to the Company's knowledge, any employee or agent of the Company or its subsidiaries has made any

payment of funds of the Company or its subsidiaries or received or retained any funds in violation of any law, rule or regulation, except as disclosed to the Purchaser.

(t) Subsequent to the respective dates as of which information is delivered to the Purchaser, there has not been (i) any material adverse change, or any development which would reasonably be expected to cause a material adverse change, in the business, properties or assets, or the results of operations, condition (financial or otherwise), net worth, business, prospects or operations of the Company taken as a whole, (ii) any transaction which is material to the Company, except transactions in the ordinary course of business, (iii) any obligation, direct or contingent, which is material to the Company taken as a whole, incurred by the Company, except obligations incurred in the ordinary course of business, (iv) other than the Public Offering, any change in the capital stock or, except in the ordinary course of business, outstanding indebtedness of the Company, or (v) any dividend or distribution of any kind declared, paid or made by the Company on any class of its capital stock. The Company has no material contingent obligation which has not been disclosed to the Purchaser.

(u) The descriptions provided to the Purchaser of the legal or governmental proceedings, contracts, leases and other legal documents therein described present fairly the information shown, and there are no other legal or governmental proceedings, contracts, leases, or other documents. All agreements between the Company and third parties delivered to the Purchaser are legal, valid and binding obligations of the Company enforceable in accordance with their respective terms, except to the extent enforceability may be limited by bankruptcy, insolvency, reorganization, moratorium or similar laws affecting creditors' rights generally and by general equitable principles.

(v) There are no Persons with registration or other similar rights to have any equity or debt securities, including securities which are convertible into or exchangeable for equity securities, of the Company registered by the Company under the Securities Act.

(w) No person, as such term is defined in Rule 1-02 of Regulation S-X promulgated under the Securities Act (each, a "Person"), has the right, contractual or otherwise, to cause the Company to issue to it any shares of capital stock or other securities of the Company upon the issue and sale of the Shares hereunder, nor does any Person have preemptive rights, co-sale rights, rights of first refusal or other rights to purchase or subscribe for any of the Shares or any securities or obligations convertible into or exchangeable for, or any contracts or commitments to issue or sell any of, the Shares or any options, rights or convertible securities or obligations, other than those that have been expressly waived prior to the date hereof.

(x) The Company (i) does not have any issued or outstanding preferred stock or (ii) has not defaulted on any installment on indebtedness for borrowed money or on any rental on one or more long term leases, which defaults would have a Material Adverse Effect on the financial position of the Company.

6

(y) Each of the Company and its officers, directors and controlling Persons has not, directly or indirectly, (i) taken any action designed to cause or to result in, or that has constituted or which might reasonably be expected to constitute, the stabilization or manipulation of the price of the Common Stock to facilitate the sale of the Shares, or (ii) except with respect to the Public Offering (A) sold, bid for, purchased, or paid anyone any compensation for soliciting purchases of, the Shares or (B) paid or agreed to pay to any Person any compensation for soliciting another to purchase any other securities of the Company.

(z) Neither the Company nor any of its affiliates (i) is required to register as a "broker" or "dealer" in accordance with the provisions of the Securities Exchange Act of 1934, as amended (the "Exchange Act") or (ii) directly or indirectly through one or more intermediaries, controls or has any other association with (within the meaning of Article I of the Bylaws of the Financial Industry Regulatory Authority ("FINRA")) any member firm of the FINRA.

(aa) Any certificate signed by any officer of the Company delivered to the Purchaser pursuant to or in connection with this Agreement shall be deemed a representation and warranty by the Company to the Purchaser as to the matters covered thereby.

(bb) As of the date of this Agreement, the Company has no plan or intention to materially alter its capital investment policy or investment allocation strategy, both as described to the Purchaser. The Company has good and marketable title to all of the properties and assets owned by it, in each case free and clear of any security interests, liens, encumbrances, equities, claims and other defects (except for any security interest, lien, encumbrance or claim that may otherwise exist under any applicable repurchase agreement), except such as do not have a Material Adverse Effect and do not interfere with the use made or proposed to be made of such property or asset by the Company, and except as described to the Purchaser. The Company owns no real property. Any real property and buildings held under lease by the Company are held under valid, existing and enforceable leases, with such exceptions as are disclosed to the Purchaser or are not material and do not interfere with the use made or proposed to be made of such property and buildings by the Company.

(cc) The Company maintains a system of internal accounting controls sufficient to provide reasonable assurance that (i) transactions are executed in accordance with management's general or specific authorizations, (ii) transactions are recorded as necessary to permit preparation of financial statements in conformity with generally accepted accounting principles as applied in the United States and to maintain asset accountability, (iii) access to assets is permitted only in accordance with management's general or specific authorization, and (iv) the recorded accountability for assets is compared with the existing assets at reasonable intervals and appropriate action is taken with respect to any differences.

(dd) The Company has established and maintains disclosure controls and procedures (as such term is defined in Rule 13a-14 and

such disclosure controls and procedures are designed to ensure that material information relating to the Company is made known to the Company's Chief Executive Officer and its Chief Financial Officer, and such disclosure controls and procedures are effective to perform the functions for which they were established; any significant material weaknesses in internal controls have been identified for the Company's Chief Executive Officer and its Chief Financial Officer; and since the date of the most recent evaluation of such disclosure controls and procedures, there have been no significant changes in internal controls or in other factors that could significantly affect internal controls.

(ee) The Company has not, directly or indirectly, including through any of its subsidiaries, extended credit, arranged to extend credit, or renewed any extension of credit, in the form of a personal loan, to or for any director or executive officer of the Company, or to or for any family member or affiliate of any director or executive officer of the Company.

(ff) The Company is in compliance with all presently applicable provisions of the Sarbanes-Oxley Act of 2002 and the rules and regulations promulgated thereunder (the "Sarbanes-Oxley Act") and is actively taking steps to ensure that it will be in compliance with other applicable provisions of the Sarbanes-Oxley Act upon the effectiveness of such provisions.

(gg) Deloitte & Touche LLP, are and, during the periods covered by their reports, were our independent public accountants.

(hh) The Company, since its date of inception, has been, and upon the sale of the Shares will continue to be, organized and operated in conformity with the requirements for qualification and taxation as a "real estate investment trust" (a "REIT") under Sections 856 through 860 of the Internal Revenue Code of 1986, as amended, and the regulations and published interpretations thereunder (collectively, the "Code"), for all taxable years commencing with its taxable year ended December 31, 2007. The proposed method of operation of the Company as described to the Purchaser will enable the Company to continue to meet the requirements for qualification and taxation as a REIT under the Code, and no actions have been taken (or not taken which are required to be taken) which would cause such qualification to be lost. The Company intends to continue to operate in a manner which would permit it to qualify as a REIT under the Code. The Company has no intention of changing its operations or engaging in activities which would cause it to fail to qualify, or make economically undesirable its continued qualification, as a REIT.

(ii) The Company is not and, after giving effect to the offering and sale of the Shares, will not be an "investment company" or an entity "controlled" by an "investment company," as such terms are defined in the Investment Company Act of 1940, as amended.

(jj) The Company has a substantive, pre-existing relationship with the Purchaser and was directly contacted by the Purchaser or its agents outside of the Public Offering effort. The Company (i) did not identify or contact the Purchaser through the

marketing of the Public Offering and (ii) was not independently contacted by the Purchaser as a result of the general solicitation by means of the Registration Statement.

(kk) No representation or warranty made by the Company in this Agreement contains any untrue statement of a material fact or omits to state a material fact necessary to make any such representation or warranty, in light of the circumstances in which it was made, not misleading.

ARTICLE 4

REPRESENTATIONS AND WARRANTIES OF PURCHASER AND RESTRICTIONS ON TRANSFER IMPOSED BY THE SECURITIES ACT

Section 4.1 Representations and Warranties by the Purchaser. The Purchaser represents and warrants to the Company as of the day of Closing as follows:

(a) Investment Intent. The Purchaser is acquiring the Shares for investment for the Purchaser's own account, not as nominee or agent, and not with a view to or for resale in connection with, any distribution or public offering thereof within the meaning of the Securities Act and applicable law. The Purchaser has the requisite corporate power and authority to enter into and perform this Agreement.

(b) Shares Not Registered. The Purchaser understands and acknowledges that the offering of the Shares pursuant to this Agreement will not be registered under the Securities Act on the grounds that the offering and sale of securities contemplated by this Agreement are exempt from registration under the Securities Act pursuant to Section 4(2) thereof and exempt from registration pursuant to applicable state securities or blue sky laws, and that the Company's reliance upon such exemptions is predicated upon such Purchaser's representations set forth in this Agreement. The Purchaser acknowledges and understands that the Shares must be held indefinitely unless the Shares are subsequently registered under the Securities Act and qualified under state law or unless an exemption from such registration and such qualification is available.

(c) No Transfer. Subject to the provisions of Section 5.2, the Purchaser covenants that in no event will the Purchaser dispose of any of the Shares (other than in conjunction with an effective registration statement for the Shares under the Securities Act) unless and until (i) the Purchaser shall have notified the Company of the proposed disposition and shall have furnished the Company with a statement of the circumstances surrounding the proposed disposition, and (ii) if reasonably requested by the Company, the Purchaser shall have furnished the Company with an opinion of counsel satisfactory in form and substance to the Company to the effect that (x) such disposition will not require registration under the Securities Act, and (y) appropriate action necessary for compliance with the Securities Act and any other applicable state, local, or foreign law has been taken, and (iii) the Company has consented, which consent shall not be unreasonably delayed or withheld.

9

(d) Authority. This Agreement has been duly authorized, executed and delivered by the Purchaser and constitutes a valid and binding agreement of the Purchaser enforceable in accordance with its terms, except to the extent that enforcement thereof may be limited by bankruptcy, insolvency, reorganization or other laws affecting enforcement of creditors' rights or by general equitable principles.

(e) No Breach.
