## **Yandex Provides Update on Convertible Notes Purchase Transaction**

Moscow, Amsterdam, June 20, 2022 – Yandex N.V. (“**Yandex**”), a Dutch public limited company and the parent company of one of Europe’s largest internet businesses, today provided an update in relation to the Purchase Agreement dated June 15, 2022 (the “**Purchase Agreement**”), between Yandex and selling holders of its \$1.25 billion 0.75% Convertible Notes due 2025 (the “**Notes**”).

Following execution of the Purchase Agreement between Yandex and the selling holders party thereto (as described in Yandex’s announcement of June 16, 2022), additional selling holders have acceded to the Purchase Agreement, as a result of which selling holders have agreed to sell, and Yandex has agreed to purchase, an aggregate principal amount of 93.2% of the Notes pursuant to the Purchase Agreement.

In addition, the conditions precedent set out in the Purchase Agreement have now been satisfied (save for those that can only be, or that will be, satisfied on the completion date), such that the completion and settlement of the purchase of all Notes subject to the Purchase Agreement is expected to take place on June 22, 2022.

Yandex asks holders of the Notes who are not party to the Purchase Agreement to immediately contact Yandex Investor Relations or the financial advisors to Yandex at the respective email addresses indicated below to ensure that such noteholders are included in all future discussions in relation to the Notes.

### **About Yandex**

Yandex (NASDAQ and MOEX: YNDX) is a technology company registered in the Netherlands that builds intelligent products and services powered by machine learning. Our goal is to help consumers and businesses better navigate the online and offline world. Since 1997, we have delivered world-class, locally relevant search and navigation products, while also expanding into e-commerce, online entertainment, cloud computing and other markets to assist millions of consumers in Russia and a number of international markets.
